## Three Dimmitt Schoolgirls Earn Region Honors At Lubbock In Interscholastic League Competition

Carol Cowser, Dimmitt High School freshman, won the Region 1-AA typing championship Saturday in Lubbock and became the first Dimmitt student ever eligible to enter the state UIL meet in a literary event.

Miss Cowser is the daughter of Mr. and Mrs. Jack Cowser of Dimmitt. She is a student of George Muse, DHS instructor of business studies.

She turned in the highest qualifying score in the preliminaries of the contest Friday, and won the regional championship by averaging 50 words per minute on a 600-word speed test, committing only four errors.

Only students taking first-year typing courses are eligible for Interscholastic League competition. Most entrants in the regional meet were sophomores, juniors, and seniors. Miss Cowser was one of the few freshmen who had qual-

ified for the regional contest.

Judges of the finals originally placed Miss Cowser second in the contest, but a scoring error was discovered later and Dimmitt High School officials were notified Tuesday that she had placed first instead of second.

School officials are presently trying to arrange a traveling schedule for Miss Cowser—she is due at the State Interscholastic League Meet in Austin May 4 and at the Southwestern Band Festival in Enid, Okla., May 1-6. School funds may not be used to finance either trip, but Dimmitt teachers said they plan to arrange air transportation from Enid to Austin so she may compete in both events.

Gail Cooper, Dimmitt High School senior, won second place in declamation at the Region 1-AA Interscholastic League Meet Saturday.

She is the daughter of Mr. and Mrs. Buster Cooper of Dimmitt.

Competing against three other district champions, Miss Cooper's topic was "I Speak for Democracy." She is a student of James W. "Rosy" Bates, Dimmitt High School speech and dramatics teacher.

Mary Coke, daughter of Mr. and Mrs. J. M. Coke of Flag and a senior in Dimmitt High School, came in fourth in a field of 18 in the Region 1-AA shorthand competition.

Students were required to take shorthand notes on prepared dictation and to read back their notes to the judges. Miss Coke was in the top 20 percent of all contestants in speed and accuracy.

She is a student of George Muse, DHS business studies instructor.

## Tri-State Band, Choir Select Seventeen Dimmitt Students

Seventeen Dimmitt High School music students this week were named to honorary band and choir positions for the Tri-State Music Festival (Southwestern Band Festival) at Enid, Okla.

These students will be members of the Tri-State Band and the Tri-State Choir, both of which will give feature performances at the Festival May 1-4.

The Dimmitt students were selected on the basis of past performance, and were chosen from candidates of 17 other southwestern states.

The 13 band members selected for the Tri-State Band are Nelda Bagwell, tympani; Sue Bagwell and Nancy Neumayer, alto saxophone; Judith Cleavinger, trombone; Gail Cooper and Ann Gollehan, French horn; Leon Crum, cornet; Jonalyn Alldredge, Charlotte Hestand, and Norma Bates, clarinet; Kaye Killingsworth, bass clarinet; Karen Bell, bassoon; and Boyce Tate, bass horn.

Four a Capella Choir members were selected for places in the Tri-State Choir. They are Ann Gollehan and Joy Walker, alto; and Jerry Jones and Jim Tate, basses.

Phillips, and Dimmitt will represent Texas at the festival. At least 60 other bands will be entered.

The Bobcat Band will march Wednesday night, May 1, and will participate in sight-reading and concert workshops Thursday and Friday. The 13 Bobcat Band members who have been named to the Tri-State Band will play a matinee and evening concert Saturday, May 4.

The Dimmitt High School a Capella Choir and Junior High Choir both won Division III ratings last week in the Regional Choral Festival at Canyon.

All choirs entered in competition were judged on syncope, pitch, expression, blending of voices, and general presentation of their selections. Ratings were Division I for superior; Division II, excellent; Division III, very good; Division IV, good; and Division V, fair.

The Junior High Choir competed in the Class C (junior high) contest Monday, and the a Capella Choir sang in the Class AA festival Wednesday. Both are under

the direction of Dale Welsh, DHS choral director.

This was the first time in three years for the high school choir to enter the festival; and was the first time DHS had ever entered a junior high school choral group.

Also performing at the regional contest were LaNelle Blanton, soprano soloist, and the Verves, DHS girls' trio. Miss Blanton received a Division II rating in the solo event; and the Verves—Ann Gollehan, Gail Cooper, and Joy Walker—received a Division II rating for their performances.

## Robert McLean and Jackie Flynt Take Wins in Cub Pinwood Derby

There was an absence of roaring engines, exhaust fumes and tight turns at the Pinwood Derby in Dimmitt Monday night, but the pint-sized racers and their owners created plenty of excitement.

The Pinwood Derby is staged by the local cub scouts who, with their dads, construct tiny 5-ounce or less racers and pit them together on an inclined track. The program Monday night was the first round of what is expected to be an annual affair.

Robert McLean, son of Mr. and Mrs. Bob McLean, was the winner and runner-up was Jackie Flynt, son of Mr. and Mrs. Jack Flynt. It took four races to definitely declare a winner between

the racers of these two boys.

There were about fifty boys and their parents at the indoor race track at the American Legion building in South Dimmitt.

Ben Hill and Odell Arnold were starters with Winfred Fuller and Charlie Hill acting as flagmen. No prizes were awarded.

Other winners were Dale Leinen, Den 1, son of Mr. and Mrs. Robert Leinen; Jackie Flynt, Den 2; Terry Hill, Den 3, son of Mr. and Mrs. Charlie Hill; Robert McLean, Den 4; Mikeal Wohlgenuth, Den 5, son of Dr. and Mrs. James E. Wohlgenuth; and Ronnie Hutcheson, Den 6, son of Mr. and Mrs. J. R. Hutcheson.

## JayCee Easter Egg Hunt to Be Held For All Children Under 11 Sunday

The Second Annual JayCee Easter Egg Hunt will be held Sunday afternoon at the Dimmitt City Park. All children in the county up to 11 years of age are invited to participate.

The hunt will begin at 3 p.m. Sunday. Parents have been asked not to bring their children before 2:45 so JayCees can have all the eggs hidden.

The park will be closed from 12 noon until 3 p.m. so it can be roped off and eggs can be hidden.

More than 3,500 candy eggs will be used in the hunt. The park will be roped off into three areas: one for children 5 years of age and under; one for children 6 through 8; and one for 9- and 10-year olds.

Prizes will be given for nine lucky eggs—three in each division. Those who find the first-place eggs will receive large fur bunnies; those finding second-place eggs will get small fur bunnies; and those gathering in the third-place eggs will receive chocolate rabbits.

City employees have cooperated with the JayCees by making sure the new grass in the park will be the right length for a good Easter egg hunt.

Eggs will be all colors and will

be wrapped in colored cellophane. They will be large sugar-candy eggs with glazed coatings.

All JayCees have been asked by Thomas Harrison, chairman of the Easter-egg hunt, to be at the City Park Building at 1:30 p.m. Sunday to help rope off the park and hide eggs.

Children under 6 years of age will hunt eggs in the southern one-third of the park; children 6 through 8 will hunt in the center one-third; and 9- and 10-year olds will hunt in the northern one-third. Sacks will be furnished children who do not bring baskets.

## Swifties Second In UIL Region 1-B Volleyball Tourney

The Nazareth Swifties volleyball team won second place Saturday in the Region 1-B girls' UIL playoffs at Lubbock.

The Swifties defeated Estelina and Guthrie to advance to the finals of the regional tournament. They lost to Goree of near Wichita Falls in the finals.

The Swifties had won the district 3-B title March 21 by defeating Vega, Lazbuddie, and Happy. Members of the regional runner-up Swifties are Regina Geyer, Eileen Schulte, Ethel Dretup, Carolyn Huseman, Joan Schulte, and Evelyn Dretup.

## 30 Teen-agers to Compete Saturday For JayCee Road-e-o Championship

Between 20 and 30 Castro County teenagers will compete Saturday in the Dimmitt JayCee Teen Age Road-e-o.

Written tests will be given Saturday at 10 a.m. in the District Court Room. Driving tests will begin at 1:30 p.m. at the JayCee Little League Baseball Park near the fairgrounds.

Purpose of the Teen Age Road-e-o is to recognize and encourage safe driving practices among teenagers. Winner of the local Road-e-o will be sent to the State Road-e-o at Austin in June. The state winner will receive an expense-paid trip to Washington, D. C., for the National Teen Age Road-e-o, at which scholarships totaling \$4,500 will be awarded to the top three winners.

More than 300,000 teen-agers participated in 1956 Road-e-os. Each state, plus the District of Columbia, Hawaii, and Alaska was represented. All Road-e-os are sponsored by Junior Chamber of Commerce.

Plaques will be awarded to first, second, and third place winners in the Dimmitt Road-e-o. New cars will be furnished for the contest by local automobile dealers.

Jay Lee McAfee, Road-e-o chairman, said Thursday that applications for the Road-e-o can still be taken as late as 6 p.m. Friday. Original application deadlines are Wednesday. Students wishing to participate may obtain application forms from Bill Phillips, Dimmitt High School driver training instructor; John LeMay, Hart school superintendent; or J. M. Slavik, Nazareth school superintendent.

The Road-e-o is for any teenage boy or girl over 14 who will not have reached 20 years of age by August 15, last day of the national finals in Washington.

To be eligible, an entrant must have a driver's license or permit and must have a clean record of no moving traffic violations in the last six months.

A model Road-e-o is being planned by McAfee and his committee. JayCees worked Thursday night building and painting barrels, flags, and other apparatus for the event; Friday night they will mark off the courses and set up guidestands.

Obstacle courses and tests are identical in all Teen Age Road-e-os being conducted this month throughout the nation. The JayCee Teen Age Road-e-o is patterned after the National Truck Road-e-o, which is considered to be one of the most positive contributions to the nation's traffic safety efforts.

## New Floral Shop Opens Saturday

L. C. Dennis announced Thursday that Dennis Floral will begin business operations in its new building Saturday.

Located at 409 NW Fourth St., the new floral shop is the largest and most modern of any small-city shop on the High Plains.

The new building is constructed of heidite, steel, and brick. It is fully air-conditioned, and has a large walk-in refrigeration unit.

The interior is designed to serve also as a gift-display and recreation room for weddings conducted in the Dennis Memorial Chapel.

Dennis said the chapel will be completed in June. The new Dennis Floral building is located on the south side of Dennis Funeral Home; the new chapel will be located on the north side.

## Three Men Draw Prison Sentences In District Court

District Judge E. A. Bills Friday sentenced three men to prison terms in district court action. Charges included swindling, forgery, and murder.

DeShong F. Smith received a maximum 10-year sentence to the Texas Penitentiary at Huntsville after pleading guilty to theft by false pretext.

Smith had swindled an elderly Castro County couple in a bogus insurance offer. He is wanted in 34 counties and two other states on similar charges.

Smith has been tried for the same offense in Littlefield and Stephenville, and must still be tried in other counties in which he is charged with swindling.

Judge Bills ordered the 10-year sentence to be served concurrently with sentences already received by Smith in other courts.

Smith allegedly took advantage of elderly people by offering them full-coverage insurance policies at bargain rates.

Smith had previously served a prison term in Arkansas and a suspended sentence in Oklahoma on swindling charges.

Police broke Smith's insurance racket last month after complaints from his victims had set off a three-state search.

Andres Sanchez, Latin-American farm laborer, was tried on counts of assault with intent to murder and murder without malice in the November knife attack on Bernardo Lopez and Juan De Luna, two other farm laborers in the Flag vicinity. Lopez died from stab wounds received in the attack.

After pleading guilty to both charges, Sanchez received a five-year sentence for assault and five years for murder, sentences to run concurrently. He has been sent to the State Prison at Huntsville and will later be transferred to a prison at Sugarland, Sheriff Jack Cartwright said.

Also sentenced Friday was Tommy Morris, who entered a plea of guilty to two counts of forgery. He was sentenced to two and one-half years in the Texas State Penitentiary.

Morris had been arrested by the Castro County Sheriff's Department after complaints from local merchants. He was released on bond pending trial on forgery charges. He jumped bond and was later picked up in New Mexico after having forged more checks.

## First Appreciation Day Scheduled for May 19

Dimmitt merchants will hold their first Appreciation Day Saturday, May 18, with trading script prizes totaling \$300 in the treasure chest.

Appreciation Day will be a regular Saturday afternoon feature in Dimmitt; persons whose tickets are drawn will receive script prizes from the treasure chest fund set up by participating businesses.

Twenty-two Dimmitt business firms will give Treasure Chest Coupons to patrons, with the value of the coupon dependent on the amount of purchase. Coupons will range in value from 5 percent (on

a 25-cent to 99-cent purchase) to 50 percent (on a \$25 to \$49.99 purchase); amount won on coupons will depend on how much trading script the treasure chest has at the time of the drawing and on the percentage value of the coupon.

The fund is set up so that it will increase in value each week, thereby increasing the value of Treasure Chest Coupons.

Dimmitt firms participating in the Appreciation Day program are Cobb's Department Store, City Drug, Gladman Drug, Frazier Jewelry & Gift Shop, Womble

Hardware, Harman's Department Store, Pesina's Dry Goods, Dimmitt Parts & Supply Co., McLain Grocery and Market, Kirkpatrick Sales Co., Inc., Cash Way Food, Piggly Wiggly Grocery, Higginbotham-Bartlett Co., Thomas Jewelry, Clotha's Tot-Teen Shop, Hays Implement Co., Brooks Variety Store, Dimmitt Motor Co., C. & S. Equipment Company, Brown Service Station, Wilson Super Market, and Manning's Department Store.

These firms will give coupons on all purchases of 25 cents or more. Patrons will sign coupons and place them in boxes at the stores; the coupons will be collected each Saturday and deposited in the community container. A coupon will then be drawn to determine who will receive the week's prize for purchasing goods at one of these stores.

Those supporting the Appreciation Day program through donations will be Dr. Charles M. Vandiver, the Southwestern Public Service Co., the First State Bank of Dimmitt, the Dimmitt Lumber Co., and the Castro County News. These business are supporting the program as a public service and cannot give coupons.

Appreciation Day will be controlled and sponsored by the Castro County Chamber of Commerce. The Chamber and participating merchants will give free 5 percent coupons to anyone who requests them.

## 'Gloria Mundi' Wins Top Honors At Eastern New Mexico Festival

Dimmitt High School's one-act play, "Gloria Mundi," won top honors Saturday as the best play production of Eastern New Mexico University's Third Drama Festival.

The Dimmitt play cast competed against five other high school plays and two college plays during the festival. Dimmitt was the only Texas school represented.

Plays, casts, and production were rated on bases of "superior," "excellent," and "good" in the Festival. Besides being named the best play production, "Gloria Mundi" won a superior rating.

Karen Bell, Dimmitt High School senior, won a superior rating and a scholarship offer as best actress in the Festival for her portrayal of Virginia Blake. During the play, Miss Bell had to

change her personality portrayal from one of idealist to one of a cowardly realist. Judges commended her sensitive presentation of the difficult part.

Other members of the "Gloria Mundi" cast receiving superior ratings for their acting were Charlotte McElroy and Ann Gollehan. Miss McElroy had previously been named best actress in District 1-AA Interscholastic League competition.

Members of the cast receiving excellent ratings were Keith Lowe, Morris Westberry, and Ann Smith.

Gary Wyatt, Jonalyn Alldredge, Jo Beecher, and Joy Walker were given superior awards for play production, make-up, and stage management.

Awards were presented at the Festival Awards Banquet Saturday night on the ENMU campus. After the banquet, members of the "Gloria Mundi" cast saw ENMU's drama production, "Right You Are If You Think You Are."

The "Gloria Mundi" cast had previously performed in the Region 1 Interscholastic League Meet at Texas Tech, where they won a rating of good.

Floydada High School won first place at the Region I contest with its presentation of "I Remember Mama." The Floydada cast will represent Region I at the Texas Interscholastic League Meet in Austin.

## Two Cars Ruined In County Wrecks

Two single-car wrecks occurred in Castro County Sunday night, in which two automobiles were totally demolished.

Donald Floyd Jackson of Floydada overturned his 1954 Oldsmobile on Highway 88 near the west county line Sunday night, receiving a chipped shoulder-blade and other external bruises.

Jackson was thrown from his car when it first overturned. The car rolled more than 200 feet.

Jackson was transferred by ambulance Tuesday from the Castro County Hospital to a Floydada hospital.

## Stock Sales Drive Begins Friday For New Dimmitt Produce Co., Inc.

A stock-sales kickoff drive will be held Friday at 7 a.m. in the Steak House Cafe by the Dimmitt Produce Co., Inc. Shares will be sold for \$100 each to anyone wishing to become a participating member.

Money received from the sale of shares will be used to build and equip a vegetable processing plant in Dimmitt.

In a board of directors meeting Monday, the organization elected B. M. Nelson chairman and Bob McLean secretary-treasurer. The board also decided to use the name of Dimmitt Produce Company, Inc., rather than the previously chosen name of Dimmitt Industrial Foundation, and to capitalize at \$40,000 by sale of stock.

Board members will present a constitution and set of by-laws for adoption at the Friday meeting. Application will be made for a charter when sufficient stock is bought in the company.

Purpose of the company is to

secure a vegetable marketer in Dimmitt by building and renting out the proposed processing plant. This will give Castro County vegetable growers a local market for their products, and will also give local stockholders jurisdiction in selecting a reputable marketer for the county's vegetables.

Those interested in becoming stockholders in the company may purchase as many shares of stock as they wish, a spokesman for the company said Wednesday. Stock dividends will come from rental of the processing plant.

Those who do not attend the Friday meeting and who wish to purchase stock in the company may contact any member of the DPC board of directors.

Board members are H. H. Carille, Norman Cleavinger, Joe Cowen, Otto Dinwidde, Ward Golden, Charlie Hays, L. G. Manning, Bob McLean (secretary-treasurer), and B. M. Nelson (chairman).

## Band Will Perform in UIL Meet Thursday

The Dimmitt Bobcat Band will perform in the Interscholastic League Regional Meet in Canyon next Thursday.

The spring band meet is to test all bands in the area on concert presentation and sight-reading skill.

The Bobcat Band won a first-division rating at the UIL marching event last fall. The Dimmitt band and the Tullia Hornet Band were the only two to take top honors in Class AA competition.

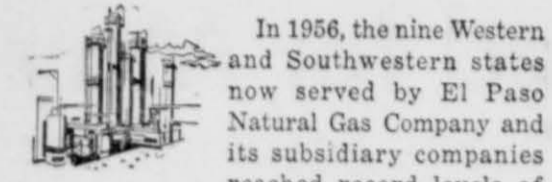

**HIGH PLAINS CLINIC**—A new brick and tile clinic building now undergoing construction at 213-217 West Etter will house the offices of Doctors J. W. Spence and Carl F. Page when completed about July 15. Contractor is Killingsworth Construction Company and the building will face north with cut-in parking along the north side and a parking lot on the east end. It will be equipped with offices, laboratory, x-ray room, emergency facilities and a recovery room. Offices of the two doctors are temporarily located at 406 West Etter. Craig & McMurry of Lubbock are the architects.

# Energy needs soar IN FAST-GROWING WEST

## El Paso sets new records in serving western markets\* 1956

In 1956, the nine Western and Southwestern states now served by El Paso Natural Gas Company and its subsidiary companies reached record levels of prosperity. Population increased by almost one million persons. Per capita income was at an all-time high. New businesses and industries spring into existence.

This brought soaring demands for energy—and foreshadowed far greater requirements in the future.

In 1956, El Paso Natural Gas Company set new records in meeting Western needs. More important, it took positive steps to enable it to serve this growing market in the future.

preliminary agreements, El Paso will have a delivery capacity somewhat in excess of three billion cubic feet of gas per day. Obtained access—through acquisition (completed in early 1957) of Pacific Northwest Pipeline Corporation—to the proven and potential sources of natural gas that can be economically delivered to markets served by the entire system.

Consolidated its position in oil production, refining and marketing, and established bases for participation in petrochemical production.

Owners and Agents  
All Businesses  
Castro County, Texas

Dear Advertiser:

A representative of our company will call on you soon to help you with your Yellow Page listings in the 1957 West Texas Telephone Company directory. He will have more than 260 listings available to Castro County people in all businesses and professions. But first, let us explain to you how valuable Yellow Page listings can be.

#### WHAT ARE THE "YELLOW PAGES"?

The Yellow Pages are designed to form a complete classification of all the business in a city and all the services available in that city. Through local and national advertising campaigns by the nation's telephone companies, the Yellow Pages have become the standard "where-to-find-it" service of every city in the nation. Yellow Page listings are designed as both a business index and a cross-index of topical listings, giving both the prospective customer and the business double service.

#### WHAT ARE THE ADVANTAGES OF YELLOW PAGE ADVERTISING?

Yellow Page advertising is considered the most beneficial type of printed advertising in many ways. First, it has the longest life of any other printed advertising. Whereas an advertisement in a daily newspaper has a life of one day; and weekly newspaper and magazine advertising has a life of one week, etc.; Yellow Page advertising has a life of a full year.

Your Yellow Page advertising works for you day and night, week after week, month after month. Every time a person picks up his telephone directory, he is a prospective customer because of your Yellow Page listings. Business and service listings in the Yellow Pages are convenient for the user—your advertisements and listings are never any farther away than his telephone directory.

#### WHY SHOULD YOU ADVERTISE IN THE YELLOW PAGES?

When you advertise in the Yellow Pages you are helping, by listing ALL your services, to keep trade at home. The customer doesn't know what services you can give him until you tell him. Many prospective customers will go out of town to find services or retail items they didn't know they could find in their own city.

You can make your Yellow Page advertising more valuable by listing all your services. For instance, if a person needs his car brakes fixed, he may look under "Brake Services" or he may look under "Garages." The garage which is listed under BOTH classifications will have twice as good a chance of getting that customer's business.

#### HOW CAN YOU INCREASE THE VALUE OF YOUR YELLOW PAGE ADVERTISING?

First, list your business and services under every classification you can—one listing is not enough if your competitor uses five or six listings. Go after customers in every phase of your business service.

Then, PROMOTE your Yellow Page advertising. Every time you run an advertisement in the newspaper, by direct mail, or through any other advertising medium, mention your Yellow Page listings. Make up a slogan to run with your advertising signature at all times, such as "You Can Find Us In The Yellow Pages Under These Listings..." Talk the public into using the Yellow Pages to find your service listings, and the Yellow Pages will help promote your other types of advertising.

## National Guild Auditions Stated For Dimmitt Students April 22-23

Mrs. Meskimen of Lubbock will be the adjudicator for the National Guild Auditions April 22 and 23 in Dimmitt.

Mrs. Meskimen taught piano at Texas Tech for many years, and at present is devoting all her time to private teaching. She received her musical training at Hardin-Simmons University, where she studied with the late Stiles B. Anderson, E. Edwin Young, and Dr. Irl Allison. She was also a pupil of Tsannette L. Lillert of Texas Christian University. She has attended master classes of Sergei Farnowsky, John Thompson, Guy Maier and Francis Clark.

Mrs. Meskimen was the first Guild chairman in Abilene in 1930. She is a faculty member of the Guild and has served as judge in Long Beach, San Diego, Burbank, and Glendale, Calif., and also many points in Oklahoma and Texas.

She has served the South Plains Music Teachers Association of Lubbock as president for four years, and is now serving her second term as Director of the State Music Teachers Association of Texas.

Mrs. Meskimen is also author of a manual for piano teachers and has given many teachers' training courses.

Many students who have entered Guild Tournaments as children and continued on through college and artist degrees now appear as soloists with major orchestras, give successful Town Hall recitals, and become established as concert pianists and teachers in Universities or with their own music schools.

Pupils of Mrs. O. G. Hyatt, Mrs. James Sinclair and Mrs. Charles Walker will participate. The pupils and their teachers are as follows:

Mrs. O. G. Hyatt: Jerry Belknap, Donna Boyers, Vicki Boyers, Kay Bradley, Sandra Broegel, Gayle Buckmaster, Teresa Crawford, Keitha Davis, Karen Estes, Jack Flynn, Anna Gabel, Kent Gabel, Kathy Graham, Mary Gramann, Donna Sue Hendrix, Mona Pal Hunter, Adron Hutto, Rodney Hutto, Linda Kuntz, Sharon Lilly, La Juana McGuire, Robert McLean, Estelle Pesina, Sherlon Sue Petty, Zandra Singer, Susan Counts and Jeri Gable Weyer.

Ronny Nelson also won 3rd place individual judging in the contest. Donna Gregory won 5th place individual judging in the contest.

### Emergency Feed Program Extended

Charles Hill, manager of the ASC office in Dimmitt, announced this week that the emergency drought feed program has been extended.

Applications for the emergency feed program may be taken through April 29 with a supply of feed up to May 15. Hill said the roughage program, which had been running concurrently with the feed program, has not been extended, Hill said. Applications should be made at the Agricultural Stabilization and Conservation office in the basement of the Castro County Court House.

Deaf Smith Rural Electric and Phone Co-ops to Hold Annual Meet April 25

April 25 promises to be a red letter day for the rural people of Deaf Smith, Farmer and Castro Counties, according to spokesmen of the Deaf Smith County Electric Cooperative. There will be two annual meetings of the organization on this date.

Beginning at 10 a. m. the West Texas Rural Telephone Co-op will hold its annual meeting in the Ball Barn at Hereford, a new building just across the railroad tracks from the Deaf Smith County Electric Cooperative, Inc. office. This meeting will be called to order by the president of the board, Harold Carpenter, and the secretary's report will be given by the Secretary of the board, H. M. Benson. The meeting will consist of the regular business reports for the past year, but the main part of the program will be the election of three directors in compliance with the by-laws of the cooperative. A nominating committee was appointed by the board of directors on February 27, and this nominating committee met on March 18 and nominated the following:

HUB E. L. Fairchild, A. L. Black, PAARMER, Louis Welch, Melvin Suda, DAWN: H. M. Benson, Melvin May.

There are two men nominated for each of these exchanges, but only one will be elected and nominations can be made from the floor.

At the end of the meeting, there will be a drawing for door prizes. Any member or his wife is eligible to win, but only one from a family may win a door prize.

A business dinner will be prepared by Walter Jetton Catering Service of Fort Worth. This barbecue will begin at 11:45 a. m. for those who arrive early. Both the telephone cooperative members and the electric cooperative members are invited to participate in this meal. Beginning at 1:00 p. m. the Deaf Smith County Electric Cooperative, Inc. will hold its annual meeting and as in the past, the regular reports of the cooperative business will be made to the group by the Chairman, T. E. Slinger, and acting for the secretary of the board of directors, Webb Guber will give the Secretary's report.

Two directors will be elected at this meeting, and the nominating committee nominated two men for each position. They are:

NAZARETH: Joe Birkenfeld, Frank G. Hothing, Noel Gollehon, chairman of the nominating committee, will make the nominating committee's report and Ernest Langley will conduct the election for directors. As in the past, nominations can be made from the floor.

Delta Kappa Gamma Observes Founders' Day

Delta Xi chapter of Delta Kappa Gamma observed its annual Founders' Day luncheon Saturday in the homelike rooms of Dimmitt High School.

The luncheon was presided at by the president, Mrs. Charles Van der Dine. Mrs. Van der Dine presided at the luncheon following the reading of the constitution and the minutes of the previous meeting.

The newly formed chapter ensemble gave a choral response after the luncheon. The Delta Kappa Gamma colors of crimson and gold decorated the tables and programs. Red roses centered the tables.

Guests were Mrs. Julia Vestal, Mrs. Nancy Smith, and Mrs. Patricia Thompson, all second grade teachers in Dimmitt; and Miss Beth Bridgers, elementary school music teacher. Miss Bridgers and Mrs. Thompson were also guest performers with the ensemble.

Dimmitt members of the chapter are Mrs. Oleta Gollehon, Mrs. Genevieve Howe, Mrs. Helen Richardson, Miss Hazel Merritt, Mrs. Hattie Baling, Mrs. Para Render, Mrs. Esta Vandiver, and Mrs. Fann Walker. Members were also present from Hereford, Bovina, Farwell and Friona.

Alpha state, Texas, will meet in convention at Waco, April 25, 26, and 27. Annual reports of officers and committee chairmen of the local chapter have been made, the scrapbook is being finished for mailing, and gifts for the "White Elephant Sale" will be mailed in. The "White Elephant Sale" is for the support of the scholarship fund.

Members are urged to attend the state convention—especially those who will participate in the state chorus, which is a new innovation this year. Delegates at large of touring the Browning Library at Baylor University and attending a production of "Hamlet," also at Baylor.

Mrs. Pearl Sheffy Tells Dimmitt Lions Of Venezuela's History, Culture, Sports

Mrs. Pearl Sheffy spoke at last Tuesday's luncheon meeting of the Dimmitt Lions Club on the history, government, culture, and topography of Venezuela. Mrs. Sheffy recently returned from a visit to that country.

The government of Venezuela, Mrs. Sheffy said, is in the hands of the military—hence, whoever rules the powerful military also rules the government.

One-fourth of the area of Venezuela is prime ranch country, she explained. Located on the Caribbean Sea, the country has 6,000 miles of navigable rivers.

Venezuela has a high rate of illiteracy, Mrs. Sheffy told the Lions, but this is being overcome gradually through the efforts of the United States.

More than 70,000 Venezuelan students are now studying in the U. S., she explained.

Oil is the greatest boon to the country.

Full Mail Service To Be Resumed

Castro County postal service resumed full operation this week after Postmaster General Arthur E. Summerfield rescinded all but one of the restrictions put on the postal department.

County post offices will be open to noon Saturday as before the ruling that service be cut on that day. Saturday's rural delivery will be resumed also.

Post offices will also resume third-class mail delivery and money-order service.

The restriction not raised since the Post Office Department received its \$41 million appropriation from Congress was the ruling that post office personnel work eight and one-half hour days rather than the former nine-hour days.

Thomas F. Blee, Dimmitt postmaster, said the local office will cooperate with the ruling and try to establish eight and one-half hour workdays as a cost-cutting measure.

Miss Bell was a member of the Dimmitt High School cast of "Gloria Mundi."

Among the most famous dictators of this period, she continued, was General Cipriano Castro, who secured control of the Venezuelan government in 1900. Castro was a despotic ruler and refused one another gaining control of the government, Mrs. Sheffy explained.

After Bolivar's death came 100 years of internal revolutions in the country, with the dictator after another gaining control of the government, Mrs. Sheffy explained.

**THERE'S AN ELECTRIC HEATING METHOD FOR EVERY HOME NEED!**

**Electric Heating is CLEAN, MODERN, AND SAFE!**

Now, instantaneous, comfortable heating—of course, it's electric! Whether you are building your new home, remodeling or adding a room to your present home, you can use electric heating. The advantages you have with your electric working appliances are also yours with electric heating. Electric heating is the cleanest form of heating known. Now is the time to solve your heating problems for next winter and years to come. For information, without obligation, see your Public Service Company manager.

- \* CEILING HEATING UNIT WITH CIRCULATING FAN**  
 Ceiling heating units are ideal for bath-rooms, hallways or kitchens. They can be used as the main heat source or as auxiliary heating. A flip of the switch gives you heat where you want it and, if desired, a controlling thermostat can be added for automatic operation.
- \* RADIANT-CONVECTION WALL HEATERS**  
 This type of electric heating you've seen many times either in portable radiant heat units or in permanent wall units. They are inexpensive, can be thermostatically controlled and are easily installed. One answer to the problem of heating a room added on.
- \* RADIANT GLASS, METAL or CERAMIC PANELS**  
 Nearest thing to the warmth of the sun's natural heat rays is electric radiant heat. Heating coils are imbedded in a heat conducting material which, through radiation, warms your family, floor, furniture. These units, mounted on wall, near floor, come in various sizes, up to 50V inches long.
- \* HEAT LAMPS**  
 Heat lamps are used where quick spot heating is desired—over work benches in garages, working on the family car, etc. A heat lamp can be inserted in place of a regular lighting bulb, or it can be installed permanently in bathroom ceilings, etc.
- \* BASEBOARD HEATING UNITS**  
 Electric baseboard heating is completely inconspicuous since it can be painted to match or contrast with wall colors. In practically all homes the heating requirement is met by installation along outside walls only. Furniture can be placed anywhere without interfering with your heating.
- \* EMBEDDED CEILING CABLES OR PANELS**  
 As in all electric heating, your furnace is still used to heat the water in your hot water tank. You turn on a switch and get completely clean heat. Continuous coils are run back and forth across entire ceiling area and then covered with plaster or texture paint material. Heating system is completely out of sight.
- \* THE AMAZING NEW HEAT PUMP**  
 Here's the amazing "heat pump" which uses the principle employed in your electric refrigerator to "pump" heat to you in winter and cool air in the summer. It's a combination unit which costs approximately the same as a regular lighting bulb, or it can be installed immediately to give you the weather you want.

**HE** was 'way behind with his bills—and took what he thought was the easy way out—dodging his creditors.

Then, realizing one day that he was losing the respectable reputation he formerly enjoyed, he mustered up the courage to talk matters over with his creditors. And he was relieved to find that it was not the ordeal he thought it would be.

In many cases, as in this one, people who can not pay their bills immediately will receive friendly counsel and cooperation from the Credit Sales Manager, and from the local Credit Bureau. Mr. and Mrs. Vern Lust will leave Sunday for Fort Hood, Killeen, Tex., to visit their son, Glenn, as he will sail early in May for Europe.

Mrs. Fred Bruegel and children, Sandie and Mike, left Friday for California to visit her parents, Mr. and Mrs. Cox and to meet her son, Fred, Jr., who will arrive from overseas. After reuniting home he will receive his separation from the service.

Mrs. Don Wells and Mrs. Milton Bagwell were Monday afternoon visitors of Mrs. Doyle Underwood.

The community party was called off Friday night due to the ice and cold but the Buster Morgan family and J. T. Holcomb family arrived and spent the evening with the Doyle Underwoods.

The brothers of Fate Shannon from Amarillo spent Sunday with Fate and family.

Sunday visitors of Mr. and Mrs. Doyle Underwood were Mr. and Mrs. James Martin of Muleshoe and Mr. and Mrs. Roy Dale Underwood and son of Dimmitt.

We are so very sorry to hear Mrs. Clea Richardson was involved in a car accident last Friday night as she was returning home from a party in Big Spring near her home. There was a mist falling at the time. She has been in the hospital for the past week suffering from shock and bruises and a neck injury. She was not seriously hurt.

Mrs. Doyle Underwood's sister, Mrs. C. E. Sanders of Halfway, had dinner with her on Monday.

4-H CLUB NEWS

SUNNYSIDE 4-H TRACTOR PROGRAM

The Sunnyside 4-H Club started having the tractor Maintenance program Saturday March 16, 1957. It was held at the Ray Axtell farm. We have had four of our meetings so far.

There are seven boys taking the course: Charles Axtell, Don Curtis, Bill Shirey, and Keith Johnson in the Junior division and Gene Johnson, Don Howard and Johnny Collins in the Sr. division. We are working on our 2nd year program which is more about the actual maintenance of a tractor than the first year. Ray Axtell is the leader with C. J. Johnson as assistant leader.

The first meeting was about the Engine Ignition system. We were told about the magneto, distributor, and battery, how they are used and cared for.

The second meeting was about the study of the tractor in the early days compared to the tractor of today. We also learned about saving fuel and how to adjust the carburetor.

The third meeting was the study of valves and valve service. We learned how they worked and how to adjust the tappets.

The fourth Saturday, our last meeting, we studied two lessons. They were on "steering and front wheels," "Power Transmissions" and the care of tires.

After the lessons at each meeting the leaders have shown us how to drive properly around the practice course, then we have practiced.

There were several boys from our Club entered in the County Tractor Maintenance Contest last year. One, Charles Axtell, won the second place trophy in the junior division. We hope to do as well or better this year.

good and when the vegetables started producing I canned and froze what we didn't eat fresh. I entered some of the vegetables in the fair and received ribbons on some of them. My popcorn was taken to the Amarillo Fair. I received the garden trophy of which I was very proud at the County 4-H Achievement Event.

I also canned 109 quarts of fruit and vegetables during the year. I learned how to can by the one step cold pack method, how to make pickles, how to use pressure cookers and other things. I enjoyed canning very much as it was something fairly new to me. I have exhibited my canned products at home and the County fair. I entered several jars of canned goods at the fair and received several ribbons and the reserve champion banner in the girls division. I also won the Kerr Award which consisted of 2 dozen Kerr jars each for the best jar of canned fruit and the best jar of canned vegetables.

At the County 4-H Achievement Event I also received the canning trophy of which I am equally proud. I have enjoyed work in both of the programs very much.

**MY GARDEN AND CANNING PROJECTS**  
By Verdena Curtis

I took gardening as a 4-H project for the first time during 1956. My garden was by our irrigation to enable me to water it properly. I planted 18 varieties of Vegetables which consisted of beans, tomatoes, peppers, okra, watermelons, squash, corn and others. I planted the vegetables in the spring and took care of them until late summer. I learned many things about gardening and enjoyed it very much. The production of the garden was very

**MEMORY BELTS**  
By Judy Miller

One of the projects of the Sunnyside 4-H club has been making "Memory" belts. Jennifer Miller, Judy Miller, Linda Moore, and Verdena Curtis were the ones that made the belts. We put different designs of leather tooling and also the names of our friends on them. Some of us printed them with food coloring to add to the design. We will enjoy wearing them with skirt, jumpers, slacks and some dresses. All in all the belts were a big success.

**COUNTY DEMONSTRATION ELIMINATION**

21 demonstrations, individual and team, were given in the County Elimination Contest, Saturday, beginning at 10:00 a.m. in the District Courtroom.

**Teams in District Elimination**

Square-Flagg 4-H's See First Aid Program

Five members were present at Kay Carpenter's home April 11 for the regular 4-H club meeting. First we were served refreshments of doughnuts, cookies and soda pop. We had our opening exercises and business meeting. Then Mrs. Carpenter, our adult leader, presented the demonstration on first aid. We enjoyed it very much.

We are very proud to welcome a new member to our club. She is Laura Jones of Square-Flagg. We are sure she will be a good member in our club.

Those present at our meeting were Kay Carpenter, Elizabeth and Barbara Coke; Janis Baldrige, Laura Jones, and Mary Behrends.
