## Oil Activity Continues Good In Fields of Bronte Territory

One well was completed in the Bronte Field this week. It is Humble No. 2 J. L. Brunson, which flowed 182.5 barrels of pipeline oil in 24 hours. It is in the southeast part of the Bronte Field, and is a south offset to No. 2-B Brunson.

Production was from open hole between 4,358 to 4,392 feet in the Palo Pinto section. Flowing pressures were 180 pounds on the tubing and 310 pounds on the casing.

Another test in the Bronte Field has been scheduled by Hickok & Reynolds. It will be the No. 1 McQueen-Forman, 660 feet from the south line of section 450-1A-H&TC survey on a 40 acre lease, and 330 feet from the west line of the pooled 40 acre lease. The block is owned by O. B. McQueen and Robert Forman. Drilling is scheduled to start on the 4,500 foot wildcat in the near future.

An outpost to the West Fort Chadbourne Field, and a new discovery in the Ellenburger looked hopeful this week when Humble No. 1 Odom-State recovered 890 feet of free oil and 40 feet of heavily oil and gas cut mud on a drillstem test from 5,688 to 5,700 feet. A second test from 5,698 to 5,710 feet yielded 25 feet of heavily oil and gas cut mud. Casing was being set and completion of the well in the Ellenburger is expected. Location is five-eighths of a mile from Strawn production in the Fort Chadbourne Field.

Humble No. 1 Wylie-Bolin recovered water in a test of the Canyon. Drilling was proceeding on to the Strawn. Early this week, a depth of 4,775 feet had been reached.

Humble No. 17-B Sallie Odom has been finalized for a daily flow of 365-12 barrels of 44.7 gravity oil. Gas-oil ratio was 679-1.

Fred M. Manning No. 9 S. L. McNay has been located in the Fort Chadbourne Field. It is 3,300 feet

from the southwest and 660 feet from the southeast lines of section 298, Zuziga survey.

Humble No. 9 Sallie Odom has been staked in West Fort Chadbourne 660 feet from the lower east line and 1,109 feet from the lower south line of Seth Clark survey. It is 1,234 feet east of No. 4 Odom.

In the McCutchen Field, seven miles west of Bronte, Union No. 2 Jim McCutchen has been plugged and abandoned after recovering salt water in the Cisco sand section. It was a west offset to Union No. 1-B Daisy McCutchen, the pool opener.

Union No. 2-B Daisy McCutchen has been spudded in and was drilling Wednesday at 1,000 feet. It is lo-

located 527 feet from the north and 580 feet from the west lines of section 445-H&TC survey. It is on the north side of the Bronte-Robert Lee highway, just a few feet inside the fence line.

Humble No. 1 Noah Pruitt, wildcat northeast of Bronte, was drilling ahead Wednesday at 1,850 feet. It is located 2 1/2 miles from the Bronte townsite.

The Humble No. 2 Brunson which was completed this week is the 23rd well for Humble in the Bronte Field. Hickok & Reynolds have ten wells in the field and the one well which was drilled by Placid Oil Co. brings the total to 34 wells in the field.

## LONGHORNS' SCHEDULE FOR 1950 RELEASED; FIRST GAME SEPT. 15

By DOYLE ADAIR

The football games for the 1950 Bronte High School Longhorns have all been scheduled with the exception of two open dates which will probably be filled in the near future. It is expected that the full schedule will consist of eleven games with perhaps five of them being played here in Bronte.

Coach Jack L. Price, who has been attending Sol Ross college in Alpine this summer is expected to return this weekend. Price plans to have things ready to begin football practice a week from today, which will be Friday, Sept. 1. The boys should be in good shape and ready for competition when Sept. 15 rolls around. That is the date for the first game which will be played at Wylie.

Graduation losses were heavy last year as about seven starting players were in last year's Senior class. However, it is expected that some of the added weight and experience of this year's prospects. There should be a few newcomers also who will undoubtedly strengthen Bronte's hopes.

1950 football schedule is below with all conference games indicated by a "c."

## McKown Baby Buried Here Wednesday.

Funeral services for Judy Dell McKown, four-day-old daughter of Mr. and Mrs. Bill McKown of Bronte, were conducted from the graveside at the Fairview cemetery here Wednesday morning. The ceremony was conducted at 11 a.m. with Rev. J. E. Fuller, pastor of the Bronte Methodist church, officiating.

The infant died at 11:05 a.m. Tuesday in a San Angelo hospital.

The baby is survived by its parents, Mr. and Mrs. William B. McKown of Bronte; one brother, Billy Mike; the paternal grand parents, Mr. and Mrs. W. H. McKown of Bronte and the maternal grandmother, Mrs. Iva Richards of Bronte.

## Rev. Ray Johnson Speaks to Lions

Rev. Ray N. Johnson, pastor of the First Methodist Church in San Angelo, told the Bronte Lions club Wednesday that what the world needs is a "re-lighting of the spiritual lights in individuals."

The speaker impressed his conviction that with the world in the condition it is today, the only thing that can "make the lights go on over the world, is belief by members of the human family that each of their lives is worth something and can do some good for the rest of the world.

"Unless the God-given religious lights burn again we are facing disaster," the minister added. He said that present conditions have been brought about by letting the inner-light of individuals flicker and in many cases go out completely.

He concluded his talk with the thought that everybody should do his part to rid the world of the ugliness which is so prevalent today.

In addition to Dr. Johnson, Grady Peters, pastor of the Trinity Street Methodist Church, was a guest at the noon luncheon of the Lions. Rev. J. E. Fuller and L. T. Youngblood were members of the committee that arranged the program.

## Public Invited to Oak Creek Groundbreaking Sunday at 4

The City of Sweetwater has invited all the people of Coke County to be present Sunday when the groundbreaking ceremonies will be held for

the construction of Oak Creek Dam. The event will take place at the dam site in the northeastern part of the county.

Quite a lot of work already has been done on building the huge structure which will impound the waters of Oak Creek for municipal use of West Texans.

The oldest resident of Coke County is particularly invited to take part in the groundbreaking ceremonies Sunday at 4 p.m. Any person who thinks he or she is the oldest resident in the county is urged by Sweetwater officials to get in touch with the Board of City Development there immediately.

Sweetwater officials also want to obtain the oldest shovel in the county for use in breaking the ground.

A judgment was issued this week awarding Sweetwater a clear title to 864.34 acres of land where the dam will be located and to part of the land needed for the reservoir which will be created. The Odom Estate was awarded \$67,238.10 for the land. Sweetwater had paid \$110,000 for the land, but the judgment required that \$42,761.90 be returned to the city north of here.

Another 116 acre tract was bought from C. H. Wylie for \$90 per acre.

An agreement was also reached giving Sweetwater a permanent easement on an additional 500 acres where flood and lake waters will form an irregular shore line. This gives the City of Sweetwater control of 1,300 acres. This, with 706 acres of land already purchased, gives the city title to approximately half the land needed for the dam and reservoir.

All the mineral and oil rights on all the land purchased by Sweetwater were retained by the original owners.

The Oak Creek damsite is located east of the Bronte-Blackwell highway and north of the Bronte-Abilene highway. Roads lead to the site from both the highways.

Officials of Bronte expect to obtain water from the lake which the City of Sweetwater is building. The Upper Colorado River Authority has a permanent right to part of the water which will be impounded. The water authority group has agreed to assist Bronte in building a pipeline from the lake site to the city limits.

Harry Campbell, Fort Worth contractor, has the contract to build the dam. He has quite a large amount of heavy equipment already working at the site.

## E. F. GLENN CALLED TO DUTY WITH ARMY

Another Bronte man received orders to report to Goodfellow Air Field for a physical examination Monday.

He is Earl Frank (Toney) Glenn, employee of the First National Bank of Bronte. Glenn is in the Finance Section of the Army Reserve. He was an infantry officer during World War II.

Glenn said Wednesday that so far as he knew he passed the physical examination. He had not received orders as to when or where he would report, but said he was sure they would be forthcoming.

Nuel Percifull, who was called with the reserve unit at Bronte, received word Wednesday that there was some question as to whether or not he passed the physical examination. He was informed that his case was being reviewed by higher Army authorities and final decision would be sent to him soon.

## CORRECTION

Last week's paper carried the names of those attending the Luttrell family reunion held in Coleman recently. However, the names of Mr. and Mrs. J. L. Keeney were unintentionally omitted from the list of guests present. Sorry.

## CARD OF THANKS

We wish to take this means of publicly thanking the members of the Coke County School Board for their fairness and the careful consideration which they recently gave our school problems.

The Green Mountain Trustees

## Congratulations

To Mr. and Mrs. Ben Odom of Temnyon on the birth of a daughter on Wednesday, August 16. The child was born in a San Angelo hospital.

Mr. and Mrs. Claude Word, Junell and La Jean spent a few days this week in San Antonio.

## BETTY HEIDEL IN PANAMA

PFC. BETTY HEIDEL.

Word received this week that Betty J. Heidel, Bronte girl and a sister of Mrs. W. G. Thomson, is stationed at Fort Clayton in the Panama Canal Zone, with the WAC.

Pfc. Heidel, who is medical technician, was stationed at Fort Leavenworth, Kans., before being sent from the continental United States.

Mrs. Thomson received a letter from her sister this week which told of the beauty of Panama and about the place where she lives and works.

The picture above is a U. S. Army photograph and was taken shortly after Miss Heidel came ashore after landing in Panama.

## SUMMER ROUND-UP NEXT WEEK FOR ALL PRE-SCHOOL-AGE KIDS

The annual Summer Round-up for all children living in the Bronte school district who have never attended public school, will be held next Thursday, August 31.

The Bronte Parent-Teacher Association sponsors the annual event which is for the purpose of discovering any physical defects which the children may have. The children are also vaccinated if necessary.

Children will meet at the Karen-Gay hospital in Bronte beginning at 2:30 p.m. and examinations will follow until all the children have been checked.

Vaccinations for smallpox and diphtheria will be available for those who have never been inoculated. Examinations will include checking eyes, ears, nose and throat of the child.

It was pointed out that state law prohibits any child from starting to school until he has been vaccinated. Therefore, PTA officials urged parents to bring their children in and take advantage of the opportunity to have the work done free of charge.

Dr. John B. Harris will donate his services for the round-up and the PTA will pay the costs on vaccine used.

Thursday, August 31, is the day at the Karen-Gay hospital in Bronte.

## Workmen Continue On School Repair

According to Supt. J. L. Carroll repairs on the school building are progressing as rapidly as possible. Several workmen are busy this week with various jobs and they plan to double up and make more advancements in the near future.

Carroll reported this week that the window men are busy at work and that about one third of that job has been completely finished. The paint contractors are now cleaning up preparing to begin painting very shortly.

All of the plastering of the old part of the building is practically finished and that was one of the most important jobs that had to be done in advance.

Carroll also said that electricians are busy wiring the building and that the floor contractor will begin his work as soon as the others are out of the way and finished.

It was reported that as of the present time no additional teachers have been hired with the exception of those listed in last week's Enterprise. Tentative date for the opening of school is Monday, September 11.

Luther McCutchen announced this week that he has sold his laundry to Mr. and Mrs. F. H. Bagwell of Kermit, former residents of Bronte. The Bagwells have already taken over the management of the laundry and are inviting all the people of Bronte to try their service. The Bagwells have three children who will attend school here this year.

## GASSIOTS ATTEND SON'S GRADUATION

Mr. and Mrs. H. R. Gassiot and sons, Dave and Jerry, of Silver and daughter, Johanne Allen of San Angelo, attended commencement exercises at Hardin-Simmons University Monday, August 21. Bill, their oldest son received the Bachelor of Business Administration degree. While attending HSU, Gassiot was active in the Rodeo association, the BA club and the Future Teachers of America.

He plans to teach mathematics and commercial subjects in the Divide school system. He is a former student of Bronte schools and his parents taught in the Bronte school system three years ago. Mrs. Gassiot taught in grade school, while Mr. Gassiot was high school principal and coach during the time they were here.

## MOTEL ADDITION IS ALMOST COMPLETE

Ernest Ivey, owner and operator of Motel Victor said this week that the construction work on the addition to his tourist court is practically finished. The new part consists of six single rooms and one double room. Each room will have a private bath and will be air-conditioned.

The entire structure is now in the shape of a horseshoe and the new part is finished with stucco and knotty pine so that it is identical to the old part.

The construction on the addition was started about a month ago. Earl Ivey, who has been in charge of the construction work, said that the carpeting, a little plumbing and a small part of the painting is all they lack having the job completed. Ivey expected that the work would be finished by next Tuesday and that the new part of the motel will be ready for occupancy by Wednesday of next week.

## Citizens Complain Of Car Washing in Bronte City Park

Mayor H. O. Whitt said Wednesday that he has had a number of complaints from citizens of Bronte because of people washing automobiles in the local park.

The mayor said that the park was purchased for amusement and recreational purposes and that its use for other purposes must be stopped immediately. He also pointed out that the city pays for the water used by those who wash cars at the park.

The threads on all faucets at the park were cut off this week and city officials were hopeful that this measure will prevent further auto washing. However, Whitt said that the city will take whatever steps are necessary to stop the offense.

## No Election for County Voters

Unlike most Texans, citizens of Coke County will not have an opportunity to vote Saturday in the second Democratic Primary, which will be held over most of the state.

Five state officials will be picked without the help of Coke countians. The offices of lieutenant governor, commissioner of agriculture, associate

justice of the supreme court, places one and three, and judge of the court of criminal appeals require run-offs because no candidate received a majority in the first primary.

Dr. J. K. Griffin, county democratic chairman, announced that because there are no run-offs for county or district offices, there will be no election.

The most hotly contested race is the one for lieutenant governor. Pierce Brooks and Ben Ramsey are the contenders.

For commissioner of agriculture, J. E. McDonald, who has held the office for longer than most people can remember, is opposed by John C. White.

For associate justice of the state supreme court, place one, are Fagan Dickson and Will Wilson. For place three are Meade F. Griffin and George W. Harwood.

Running for judge of the court of criminal appeals are W. A. Morrison and Robert L. Lattimore.

## Seniors of 1948 To Have Class Reunion Saturday

The Bronte High school graduating class of 1948 has set Saturday, August 26, as the date for its annual class reunion. Mrs. Buck Coleman of Ballinger, who was sponsor of the class in 1948, will be in charge of the festivities. The group also plans to attend church services together on Sunday morning. The reunion will be held at the G. D. Lockett home.

All members of the class and their families are invited and urged to attend the gathering.

**IT'S TIME for BROOKS!**  
Because...

Something must be done now about the runaway cost of our state government — a cost which has increased more than 500 percent in the period between 1935 and 1950. Aside from the cost of World War II, the cost of the Federal government did not increase that much during the same period.

With the State plunging wildly towards a financial crisis, the Lt. Governorship is a business rather than a political office. It needs a business man with a business viewpoint.

Only by the election of a business man can the people of Texas be assured of a direct and vigorous attack on this runaway cost, useless waste, and needless extravagance in our State government.

Only a business man who has not been a part of the system which spawned this era of waste and extravagance can give the problem that searching inquiry and impartial analysis needed now. Pierce Brooks is that man.

The next Lt. Governor of Texas should be above any internal friction, beyond all cross currents of politics, and completely judicial when clashes of personalities arise among members of the Senate. He must be in a position to treat them all alike, to be fair to each, and also to be true to his obligations to the people. Pierce Brooks meets these tests.

Pierce Brooks is the only candidate completely free from the entangling alliances, political obligations, allies, clans and groups which grow up when men stay in office too long.

The Lt. Governor to be elected in 1950 should not come from the confused atmosphere of the State government, but direct from the people with a program for the people. Pierce Brooks is such a man.

In these crucial times the next Lieutenant Governor should be answerable to the people of the State and not to any group of special interests that has made millions of dollars off the taxpayers.

**TINKLER TO PITCH WEDNESDAY NIGHT**

Clarence Tinkler, Robert Lee pitching ace, is scheduled to see mound duty on Wednesday night, August 30, for the Ballinger Cats of the Longhorn League. Ballinger will be playing the Vernon Dusters, who are now in third place in the Longhorn League. Tinkler is a veteran at pitching and he is usually very effective.

That night, August 30, has been designated as Robert Lee, Bronte, Maverick, and Norton night. All the baseball fans from these towns are extended a special invitation to be there for that occasion. A choice section will be roped off for the exclusive use of guests from the above mentioned places.

Game time is 8:00 p. m. and all are invited to be there when Clarence Tinkler and the Ballinger Cats match skill with the Vernon Dusters.

**MRS. J. L. CARROLL AWARDED DEGREE**

Mrs. J. L. Carroll of Bronte was conferred the Master of Arts degree at Sul Ross in Alpine at 10 a. m. on Thursday, August 24. She was among two hundred and five who are graduating this summer. Sixty-two of that number received their Masters degree.

Mrs. Carroll has been named as one of the honor graduates since her scholastic rating is above the top ten per cent of the members of the graduating class. She is also acting chairman of the graduating class.

Mrs. Carroll has been very progressive in working with girls P.E. classes in the Bronte school during the past two years. She also taught several other classes in the elementary grades. She has accepted a position to teach in the John Reagan school in San Angelo during the next year.

She has made an outstanding record for herself while she has been in the teaching career. She has missed only four weeks due to illness during the 21 consecutive years that she has taught in various places. Among the most recent places that she has taught are Wall, Garden City, Water Valley and Bronte. She has spent a total of 13 years at these four places.

Mr. and Mrs. Vetal Flores, Mr. and Mrs. C. E. Keeney, and Cynthia Ann Keeney of San Angelo visited in the home of Mr. and Mrs. Cecil Shultz at Rising Star last weekend.

**"I EXPECT HIM TO PROPOSE ANY DAY NOW..."**

Here's great news for you if you've been bothered by excessive fatigue, constipation, weakness and 'nerves' due to the fact that you do not get enough B-Vitamins in your diet.

Miss Evelyn Zarider, 2154 Dean Street, Brooklyn, N. Y., says: "Bexel Special Formula really made a new woman out of me. My friends all say I'm full of pep... that I've got new sparkle and charm. One friend... a man I'm very fond of... seems especially attentive and I expect him to propose any day now."

Try Bexel Special Formula yourself. You get your money back if you don't feel decidedly better in 30 days!

Everybody knows the importance of Iron in your diet... how it helps the body to build RICH, RED BLOOD. One capsule of Bexel Special Formula (that's all you take a day) contains 5 times the minimum daily requirement of Iron. Also 5 times the minimum daily requirement of Vitamin B<sub>12</sub>.

Bexel Special Formula, a new scientific product, combines the important B-Vitamins with Iron! Also Choline, Inositol and Liver in supplementary quantities.

**Business Leader With Great War Record Tells How Hadacol Has Rebuilt Him Physically**

Was run-down, weak, after service in South Pacific due to deficiencies of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron and Niacin

Mr. Donald Hedburg, who resides at 1812 Parker in the fashionable Riverside District of Wichita, Kansas, has been an up-and-coming executive member of the staff of the great Wichita Eagle newspaper for over four years.

Mr. Hedburg has an enviable record of combat with the U. S. Army in the South Pacific in World War II. He is very active in civic affairs. And just as he was anxious to pitch in and do a job during the war—he now wants to help his fellow citizens who (like he was once), are physically run-down and weak due to lack of Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin in their systems.

Here is Donald W. Hedburg's witnessed statement: "When I returned from service, I faced the problem of rebuilding myself physically. I was in a general run-down condition.

"In my present capacity of advertising salesman for Kansas' greatest newspaper, The Wichita Eagle, it's absolutely necessary that I have plenty of vitality—'get up and go.' I had real cause to worry. Nothing seemed to rebuild me constitutionally. Then a friend of mine on the national staff told me about HADACOL—he asked me to try at least five bottles. I'm on my fourth bottle and already I feel like my old self. I look forward to a day's work and go home—play with the children—work in the yard—fish until midnight! Thanks again to HADACOL, energy and vitality once again course through every fiber of my body. You bet, I too, am now a missionary for this great new HADACOL."

Get That Wonderful HADACOL Feeling Everyone is Talking About

HADACOL gives such wonderful results because it not only supplies deficient, weak run-down systems with more than their daily needs of important

Vitamins B<sub>1</sub>, B<sub>2</sub>, Iron, and Niacin—but also helpful amounts of precious Calcium, Phosphorus and Manganese—elements so vital to help maintain good health and physical fitness.

If you are a victim of neuritis pains, certain stomach and nervous disturbances, constipation, insomnia or a weak, run-down condition due to such deficiencies, HADACOL will start you on the road to feeling better often within a few days. Thousands upon thousands of records of grateful men, women and children proved this to be so.

Many Doctors Recommend It. HADACOL is recommended by many doctors not only to their patients but to members of their own families who have such deficiencies. Before giving up hope—you owe it to yourself to at least give HADACOL a chance to help you. Why keep dragging yourself around feeling "half-alive" when it's so easy to have that wonderful HADACOL feeling that everyone is talking about! Trial-size bottle, only \$1.23. Large family or hospital size, \$3.50. Refuse substitutes.

**Miss Rawlings Is Married Here to Albert H. Edwards**

The wedding ceremony for Miss Beth Rawlings, daughter of Mr. and Mrs. C. T. Rawlings of Water Valley, and Albert H. Edwards, son of Col. and Mrs. S. B. Edwards of San Antonio, was read Saturday morning at 10 o'clock in the home of Mrs. Edna Butner here. Mrs. Butner is an aunt of the bride.

The double-ring ceremony was read before an improvised altar of palms, gladioli and candelabra by the Rev. W. J. Weiner, pastor of the Sterling City and Water Valley Methodist churches.

Given in marriage by her father, the bride wore a gown of pastel blue embroidered organdy, fashioned with full ballerina length skirt, fitted bodice and bertha collar. Her shoulder length veil of illusion fell from a heart-shaped half hat. She wore blue satin ballerina slippers and carried gardenias and rosebuds on a white bible.

Her sister, Mrs. T. M. Bird of Borger, was maid of honor and wore a yellow embroidered organdy gown of ballerina length, fashioned in the same style as that of the bride. Her flowers were white carnations.

Mrs. B. C. Hancock of Bryan, bridesmaid, wore a similar styled gown of pink embroidered organdy and carried a nosegay of white carnations.

Bob Peters of San Antonio, cousin of the bridegroom, was best man and Tom Rawlings of Water Valley, brother of the bride, was groomsman.

Wedding music was furnished by Mrs. A. W. McMillan who played the traditional wedding marches and "Because," "I Love Thee," and "Ave Maria." Mrs. McMillan sang "Always," "I Love You Truly," and "The Lord's Prayer."

Following the ceremony, the reception was held in the dining room. The serving table, laid with a drawn work cloth, was centered with an arrangement of white gladioli. Miss Nell Edwards, sister of the bridegroom, presided at the wedding ring cake and Mrs. Hollis Stevens, cousin of the bride, presided at the punch bowl. Mrs. Larry Norris registered the guests.

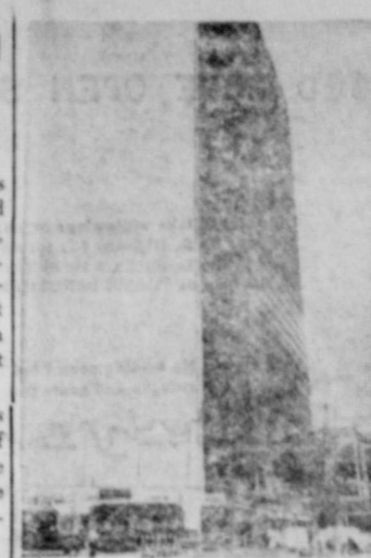

The couple left immediately for a two-week wedding trip to Taos, New Mexico. They will live in Austin, where the bridegroom will work on his Masters degree at Texas University.

Mrs. Edwards is a graduate of the Water Valley high school, attended John Tarlton State College and received her B.S. degree from the University of Texas. The bridegroom graduated from Thomas Jefferson high school in San Antonio, attended Southwest State Teachers College at San Marcos and received his BBA degree from Texas University.

Mrs. J. A. Carter of Bronte entertained the wedding party Friday with a rehearsal dinner. Mrs. D. K. Glenn assisted her with the dinner.

J. A. Noel and Gay Percifull spent last weekend visiting W. W. Percifull and family in La Veda, Colo. The group fished while on the visit, but reported, "They weren't biting."

Mack Eubanks was in Lubbock Wednesday on business.

**Bobbie Tomlinson Is Honoree at Bridal Shower**

Miss Bobbie Tomlinson, bride-elect of Le Drew Arrott, was the honoree at a come-and-go bridal shower on Tuesday afternoon, August 22, at the home of Mrs. J. A. Percifull. Calling hours were from three until six p.m.

Guests were greeted at the door by a receiving line composed of Mrs. Percifull, Miss Tomlinson, Mrs. W. B. Tomlinson and Mrs. C. E. Arrott.

Miss Billie Jean Millikin presided at the bride's book and Misses Joyce Wrinkle and Wanda Tidwell presided at the serving table. Refreshments of lime sherbet punch, cakes topped with confection wedding bells, and mints were served. Plate favors were small cards with stickers bearing the inscription "Bobbie and Le Drew."

The receiving rooms and serving table were decorated with flowers. Hostesses displayed the gifts for the guests.

Hostesses for the affair were Meses J. A. and Noel Percifull, James Arrott, Allen Bryan, Homer Vaughn, L. F. Winn, Taylor Emerson, T. E. Tidwell, George Wrinkle and Buddy Kirkland, and Misses Wanda Jean Tidwell, Prestine Davis, Joyce Wrinkle, Nola Lowrance and Billie Jean Millikin.

About 37 persons called during the afternoon other than the hostesses.

Miss Tomlinson and Mr. Arrott will be married next Saturday, August 26. She is the daughter of Mr. and Mrs. W. B. Tomlinson of Bronte, and Arrott is the son of Mr. and Mrs. C. E. Arrott, also of Bronte. Both are graduates of Bronte high school. The couple will live on the Arrott Ranch near Bronte.

Hattie Jane Snead and Felma Joyce Brunson visited in Alpine last week with Mrs. J. L. Carroll, who has been attending Sul Ross College this summer. They also visited McDonald Observatory and Fort Davis while they were away.

Jessie Allen, Lewis Calder and Alvin Doyle Calder were honored Sunday, August 20, with a birthday dinner. The three honorees were all celebrating their birthdays during the month of August.

The Calder residence was the site for the celebration. The dinner was served buffet style outdoors.

Those attending were Mr. and Mrs. H. C. Adams, Misses Mary and Evelyn Adams, Homer Adams, Clyde Adams, Mr. and Mrs. C. W. Allen and Sharon, Mrs. Lloyd Adams and son, Dickie, of Midland, and Mr. and Mrs. Dalton Millican and daughter, Carolyn, of Robert Lee.

## Caperton Reunion Held in Ballinger

The children of the late Mr. and Mrs. M. G. Caperton met in the Ballinger park Sunday, Aug. 20, for a family reunion. All were able to be present except the oldest daughter, Mrs. Elizabeth Wood of Baird, and another daughter, Mrs. Alice Rosser of Greensboro, Ala.

The children present were Mrs. Lillian Carlton of Norton, Mrs. Ben Reeves and family of Dumont, Will Caperton and family of Abilene, Ed Caperton and family of Abilene, Mrs. Genie Fort of San Angelo, Mrs. Bob Harwell and family of Bronte, Wallace Caperton and family of Clyde, E. L. Caperton and family of Bronte and Bedford Caperton of El Paso.

Among other out of town guests were Mr. and Mrs. Abe Wood and daughter, Delores of Abilene, Mrs. Mozelle Turner and children of Los Angeles, Calif., Billy, Patty and Eddie Sue Bracheen of Abilene, and Mrs. Don Reed of Arkansas.

About fifty other relatives were present for the occasion. The group decided to have the reunion every third Sunday of August in Ballinger. This location was decided upon so that the reunion would be near the only aunt, Mrs. Jennie McAuley and their uncle, Bedford Caperton, both of Ballinger.

A. F. Allison and family of Clovis, N. M., have been visiting in Bronte recently with his father, Lee Allison.
