Buffaloes To Invade Bronte

By DOYLE ADAIR

The Bronte Longhorns will play their fourth consecutive home game here tonight when they meet the powerful Stanton Buffaloes in a District 6-B conference battle.

The Longhorns, after losing their third game of the season as compared with only one win, will be decided underdogs against the Buffalo eleven. They are undefeated at the present time in their bid for the District

252 BALES OF COTTON GINNED HERE TO DATE

According to information released this week from the Farmers Marketing Association Gin here a total of 97 bales of cotton have been ginned here since this same time last week. That brings the total number of bales to 252 at the present time.

J. D. Luttrell, manager of the gin, said that the cotton continued to be of good quality. An average of 16 bales per day are now being processed here and the total is gradually rising, Luttrell said.

Bobby Scott Enrolled At Hardin-Simmons

Bobby Clinton Scott of Bronte is among the 1,650 students who are enrolled this fall at Hardin-Simmons university.

Opening classes began September 15 and will continue through January 26. University officials report a decrease in veterans, but an increase in non-veteran students.

Scott, son of Mrs. Ara Scott, is a freshman. He is a member of the P.E. club and Rodeo Association.

BANK DEPOSITS DOWN SLIGHTLY

Bank deposits for the First National Bank here were down slightly since June 30 but showed a substantial gain over deposits a year ago. Deposits on October 4, 1950 were \$2,031,432 as compared with \$2,125,864 on June 30 of this year and \$1,934,471 on November 1, 1949.

The Robert Lee State Bank also noted a decrease in deposits since June, having \$1,025,681 on deposit October 4, 1950 and \$1,700,000 on June 30.

Loans for the First National Bank in Bronte were \$561,119 on October 4; \$476,865 on June 30, and \$442,165 on November 1, 1949.

BLACKWELL SCHOOL CLOSED FOR WEEK

By Mrs. Charles Ragsdale

The Blackwell school will be closed this week in order that the students may help the farmers of the vicinity to gather their crops. Everyone is taking advantage of the pretty weather and is in the fields.

Belva Celebrates 8th Birthday October 8

Belva Rippetoe celebrated her eighth birthday Sunday with a party at her home — a birthday which her parents and doctors had predicted she would never see. Celebrating with her were her sister, Nona, and her half-brother, Zane Bernard of Fort Worth, both of whom have birthdays near the same date.

The birthday cake was designed by Belva. It was a large two-tiered cake. On the first tier, the names of the three birthday honorees were written. In front of Belva's name were 8 candles; in front of Nona's name, 7 candles; and 3 candles before Zane's name. On the top tier "happy birthday" was written in colored icing. The cake was white with pink icing and was decorated with shaded pink roses and green leaves.

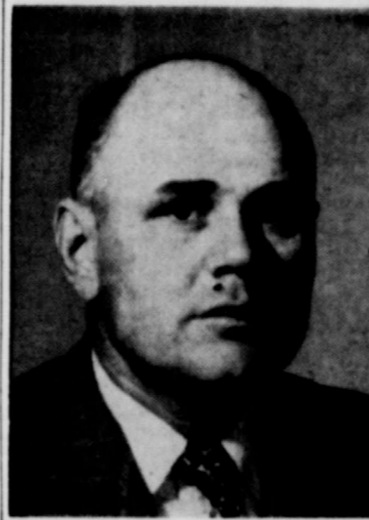

Belva also made out the guest list and planned the menu for the party. Mrs. J. M. Rippetoe, Belva's mother, said the guest list was too long for

her to accommodate so it was cut down to the immediate family: Mrs. J. D. Bernard, her grandmother; T-Sgt. and Mrs. Gaylord Bernard and son, Zane, of Fort Worth; Mrs. Mayme Littlefield, Glenda and Joyce of Robert Lee, and Richard L. Smith of Odessa.

The children had a happy birthday and the family all had birthday cake and coffee by Belva's bedside. Belva received gifts, flowers, cards, long-distance calls and telegraph greetings throughout the day, and enjoyed her party though she was very ill throughout the day.

The little girl has already lived longer than the year which Mayo clinic doctors predicted for her in September of 1949, when they discovered she was suffering from an incurable form of cancer. Her parents say that her strong will to live has probably accounted for this. At last reports, her condition was considered very serious.

MEET YOUR TEACHERS

SECOND IN COMMAND —

Pictured above is W. N. Gaddy who is now teaching in the Bronte school system and serving as high school principal. He graduated from Howard-Payne College in 1928 with a major in education and with minors in physical education, social studies, and science. Since his graduation he has taught school for 12 years. He has now begun his third year as a member of the Bronte school faculty.

GWEN EARNEST, KITTY SUE GADDY CROWNED AS QUEENS

Gwendolyn Earnest and Kitty Sue Gaddy were the center of attraction at half time activities at the football game with Hobbs last Friday night. Miss Earnest was crowned football queen and Miss Gaddy was crowned band queen.

Members of the Bronte Band marched to the west end of the football field, where, in formation, they played "Easy Steps March." From there they march to the 40 yard line

and formed a square.

Majorities and leaders of the band formed an entrance through which the queens and their escorts were to pass. During the time that the band was getting in formation, the queens and escorts were being driven on to the field by Vance Winn.

When they reached a place on the south side of the field opposite the band formation, the royal entourage entered the square, where the queens were crowned and presented with large bouquets of mums.

After the coronation, part of the band played, and the remainder sang, "Let Me Call You Sweetheart." When the song was finished, the band again assumed marching formation and marched off the field.

Gerald Sandusky escorted Miss Gaddy and Marlin McCutchen was Miss Earnest's escort.

Pruitt's Store Installs New Vegetable Rack

Noah Pruitt, co-owner of Pruitt's Store, said this week that a new vegetable and fruit display rack has been added to the store. The large Viking storage box arrived on Tuesday and is now in use.

Aside from the large display racks, there is adequate storage space for miscellaneous foods underneath the rack. The unit is equipped with a one-half horsepower motor and will maintain a temperature of from 40 to 50 degrees at all times.

POSTAL RECEIPTS SHOW INCREASE

According to Mrs. Carrie G. Williams, local postmistress, the receipts for the local post office continue to increase.

Total receipts for the quarter just ended which took in July, August, and September are \$1,386.17. That figure shows a slight rise over the previous quarter which was \$1,373.65. These two figures show an increase of \$2.52.

13TH BIRTHDAY ON FRIDAY THIRTEENTH

By Mrs. Charles Ragsdale

Gail Lewallen, daughter of Mr. and Mrs. Marvin Lewallen of Blackwell, will celebrate an unusual occasion on Friday, the 13th. She will be 13 years old on the date.

SEVENTH GRADERS ELECT OFFICERS

Leslie Dean Caperton was elected president of the seventh grade class in Bronte schools this week. Vershel Smith is teacher of the class.

Other officers elected were: vice-president, Mary Linda Lasswell; secretary, Carol Ann Thomason; treasurer, Wanda Belle Snead; reporter, Johnny Smith.

WOULD-BE TRAGEDY NEAR HERE PROVES TO BE FALSE ALARM

Bronte was buzzing with activity Tuesday afternoon when a crash squad from Goodfellow Field at San Angelo drove into town, with sirens screaming. A cadet in training there had reported that he saw wreckage of a plane near here, so searching planes swarmed through the skies and

the crash squad stood by to rescue when the crash scene was located. But fortunately, it turned out to be a false alarm.

Capt. J. A. Miller, who headed the ground rescuers, said that the cadet who reported the crash evidently mistook the wreckage of a previous crash for a recent one.

After all flights had safely returned to Goodfellow, the ground group left town. However, the excitement was rather great here, with people scurrying around locating aerial photographs of the area and making phone calls in an effort to find somebody who had seen a plane go down. The activity all took place from about 3 to 6 p.m.

Final Rites Read For Mrs. Simpson

Funeral services for Mrs. W. K. Simpson, pioneer church woman, were held from the Robert Lee Methodist church Monday afternoon at 3:30 o'clock. Rev. Ray Lee officiated. Interment was in the Robert Lee cemetery beside the grave of her husband, pioneer Methodist circuit rider, under the direction of Clift Funeral home.

Mrs. Simpson died in the Coke County hospital Saturday night after being in ill health for a year or more. She had lived in Robert Lee since 1901 when she and her husband moved there and he served as the fourth pastor of the Robert Lee four-point circuit of the Methodist church.

The Rev. and Mrs. Simpson organized the first missionary society and Circle No. 1 of the Women's Society of Christian Service was named the Cora Simpson Circle in her honor.

The Simpsons continued to live in Robert Lee after the Rev. Simpson was superannuated because of ill health.

Mrs. Simpson was second Worthy Matron of the Robert Lee Order of the Eastern Star, first president of the Robert Lee Mothers club (a forerunner of the P-TA) and a charter member of El Valley Garden Club in Robert Lee.

Her survivors include two daughters, Mrs. R. C. Russell and Mrs. Bruce Clift, both of Robert Lee; a step daughter, Mrs. W. E. Hunt of Dallas; a son, Marvin Simpson of Robert Lee; and two stepsons, Mark Simpson of Eureka Springs, Ark., and W. M. Simpson of El Paso.

Assisting with the services were Rev. J. D. McWhorter, retired Methodist minister, the Rev. Ross T. Welch, former pastor of the Robert Lee Methodist church, and Rev. Ernest Stewart, pastor of the Robert Lee Baptist church.

District Court Jurors Called

Paul Good, sheriff of Coke County, announced this week the list of grand jurors for the district court session which will convene October 16 in Robert Lee. Several criminal cases are scheduled to be tried during the court session.

District Judge John F. Sutton will preside at this term of the court with District Attorney Ralph Logan representing the state.

The Grand Jury list includes J. B. Leddy, Johnnie Ruth, H. H. Jameson, Ralph Garvin, F. C. Clark, B. W. Waldrop, Mack Powell, R. H. Sims, Marvin Corley, Carl Hurley, Edward Rawlings, Bailey Russell, Ray Ledbetter, Cumbie Ivey, J. I. Williams and W. H. Maxwell, Jr.

DINNER HONORS GUESTS

Mrs. Ara Scott entertained with a dinner Tuesday evening honoring Mrs. Ruby Collins and her 3-year-old son, Randy, who are visiting here from Oakland, California. Mrs. Collins is a daughter of Mr. and Mrs. Frank Keece and granddaughter of Mrs. S. O. Jackson.

Twenty-five friends and relatives were present at the gathering.

Jack Roberts of Goldthwaite visited the H. C. Murtishaw last weekend.

Oil activity was comparatively quiet this week in the Bronte area. Some wildcats were drilling ahead at last report Wednesday, but no new production was reported except in the Fort Chadbourne Field.

Stekoll Drilling Co. No. 1 J. B. Glenn was nearing the Palo Pinto section Wednesday at about 4,300 feet. It was reportedly running high to the Palo Pinto production in the Bronte Field. Observers were enthusiastic about the possibilities of production in this wildcat. It is located south of Bronte, east of highway 277.

Lion Oil Co. has filed application to deepen its No. 1 Waldrop to 7,000 feet instead of the originally planned depth of 6,000. Early this week it

Fire Prevention Week October 8-14

Fire Prevention Week is being observed this year from October 8 until the 14th. In line with this idea, the school students of Bronte have made Fire Prevention posters this week.

H. M. Daniel, teacher of English in the local school system, has reported that the majority of posters turned in to him are very good and show evidence of much work on the part of the students. A number of the better posters will be displayed in town this weekend.

In accordance with Fire Prevention Week, local citizens are urged to check up on all fire hazards in their homes, business houses, and the community as a whole in order to guard against fire.

SOPH PRESIDENT —

Shown above is Lyndon Waldrop, popular Bronte High Soph, who has recently been elected as president of his class. Lyndon is well known as a rodeo performer in this area and is also a mighty promising athlete for all school sports in the future. At the present time he is quarterback of the Longhorn eleven and is also very active in the local chapter of Future Farmers of America. He is the son of Mr. and Mrs. B. W. Waldrop of Hayrick community.

Hobbs Takes Local Team Here Friday

By BOBBY FRANKLIN

After looking like the mighty mid-gets the week previous against Rochelle, the Bronte Longhorns looked like a bunch of old maids against a scrappy Hobbs eleven last Friday.

It was the opening game of the 6-B race for Bronte. Hobbs lost a 14-7 verdict to Hermleigh for their first league loss the week before.

This week the Longhorns take on the undefeated Stanton Buffaloes in another conference game at Bronte.

Stanton in previous games non-conference victories over Monument, N. M., and Big Spring B. In conference play they have defeated Coshomo 35 to 0 and Lorraine 40 to 13.

In Friday's game Hobbs scored as soon as they got possession of the ball. Bronte later bogged down and Hobbs scored again.

The Longhorns scored only once. Gerald Sandusky took a five yard pass from Marlin McCutchen for the lone tally. Another pass play, Sandusky to McCutchen, gained 35 yards to set up the touchdown. Hobbs led 18 to 6 at the half.

After halftime the Longhorns went out on the field and got pushed around some more. Gerald Sandusky

was drilling at 6,445 feet in dolomite. Location is seven miles northwest of Bronte, near the Hayrick community.

Hickok & Hickok No. 1 McQueen-Forman has been plugged and abandoned. Location was one mile west of Bronte. The well was plugged at 4,432 feet.

Another wildcat, J. W. King, Jr., and DeSoto Oil Co. No. 1 Brookshier Estate, was drilling this week at 1,006 feet. It is located five miles east of Bronte, 660 feet from the north and 660 feet from the farthest east line of E. S. Field Survey 32, A-887.

Humble No. 1 Schuch, wildcat in south central Coke County, was drilling at 5,385 feet.

In the Fort Chadbourne Field, located northeast of Bronte, Humble No. 23-B Sallie Odom has been completed for a daily flow of 255.28 barrels of oil. Production was from open hole from 5,307.70 feet and gas-oil ratio was 748-1.

Humble No. 14 Sallie Odom was completed, flowing 108.49 barrels of 44.6 gravity oil. Gas-oil ratio was 1,088-1. A daily flow of 302.17 barrels of 45.3 gravity oil was recorded for Humble No. 22-B Sallie Odom. Gas-oil ratio was 854-1.

Humble No. 1 Odom-State has been completed as a pumper, producing 22.5 barrels of 45.5 gravity oil plus 72 per cent water in 24 hours.

Mar-Texas Realization Corp. of Dallas has filed application to drill a wildcat in west Coke County. It will be No. 1 Nora Gee. Location is 5 2-3 miles southwest of the Jameson Field.

AMA Begins Fight Against Socialism

The American Medical Association's million dollar 1950 advertising campaign against what it calls "The danger of socialized medicine and the threatening trend toward State socialism" starts this week. The first of the AMA advertisements appears in this week's Enterprise, along with other anti-socialism ads.

The AMA will place advertisements in every bona fide daily and weekly newspaper in the United States, Hawaii and Alaska during the coming week. They will also run advertising in some 30 national magazines, Sunday newspaper supplements and a score of advertising trade publications. Some 1,600 radio stations in all the states and the two territories will broadcast AMA-sponsored spot announcements over a two-week period.

The campaign will run the association's outlay in its fight against compulsory health insurance to well over \$3,000,000 in two years.

BRIDGE READY SOON ON STERLING ROAD

The \$102,000 highway bridge over the Colorado River between Sterling City and Robert Lee should be finished by the middle of November according to Leroy Willman, spokesman for Thomas Ratliff and Rogers, contractors. The bridge, three miles west of Robert Lee, will be 592 feet long with the center span across the river being 230 feet.

The structure was begun last May 22 and construction is going according to schedule, Willman said.

COLE & WALTERS CIRCUS COMING

Bronte will have a circus this fall, through arrangements completed this week. Tom McLaughlin, advance representative of the Cole & Walters circus, reported this well known circus will pitch their tents in Bronte for two performances on Friday, October 20, on Highway 277.

This will be the first trip through this section for the Cole & Walters circus since becoming motorized, presenting 20 big time circus acts under the big top, with a new and enlarged menagerie, featuring a baby hippopotamus, also a baby elephant and mother. Local circus fans are assured of getting more than their money's worth at the Cole & Walters circus this season. The regular advertising trucks will arrive and begin the task of placing the bright red posters throughout the surrounding territory

Who Runs America?

the Congress? the President?

OR YOU AND THE MAN NEXT DOOR?

RUNNING AMERICA is the joint job of 150,000,000 people. It's the biggest job in the world today—keeping it running for liberty and for freedom. And the whole world's watching to see whether Americans can do it!

IN MUCH OF THE WORLD today, the people have resigned from running their own countries. Others have been quick to step in—first with promises of "security"—and then with whips and guns—to run things their way. The evidence is on every front page in the world, every day.

FREEDOM COMES UNDER ATTACK. The reality of war has made every American think hard about the things he's willing to work and fight for—and freedom leads the list.

But that freedom has been attacked here recently—just as it has been attacked in other parts of the world. One of the most serious threats to individual freedom has been the threat of Government-dominated Compulsory Health Insurance, falsely presented as a new guarantee of health "security" for everybody.

THE PEOPLE WEIGH THE FACTS. In the American manner, the people studied the case for Socialized Medicine—and the case against it.

They found that Government domination of the people's medical affairs under Compulsory Health Insurance means lower standards of medical care, higher payroll taxes, loss of incentive, damage to research, penalties for the provident, rewards for the improvident.

They found that no country on earth can surpass America's leadership in medical care and progress. They found that able doctors, teachers, nurses and scientists—working in laboratories where Science, not Politics, is master—are blazing dramatic new trails to health for Americans—and for the world.

THE "GRASS ROOTS" SIGNALS CONGRESS. In every community in the Nation, people stood up to be counted on this important issue. Thousands of local women's clubs, civic groups, farm, business, religious, taxpayer, medical, educational and patriotic organ-

izations spoke out—giving the great United States Congress its unmistakable Grass Roots signal from home!

And ever watchful, ever sensitive to an alert people, The Congress saw that signal, and heard the people speak out, loud and plain. That's democracy in action. That's the American way!

Today among the 10,000 great organizations on militant public record against "Compulsory Health Insurance" are:

- General Federation of Women's Clubs
- American Farm Bureau Federation
- National Grange
- Veterans of Foreign Wars
- National Conference of Catholic Charities
- American Protestant Hospital Association
- American Legion
- National Association of Small Business Men
- United States Chamber of Commerce
- National Association of Retail Grocers
- National Retail Dry Goods Association
- American Bar Association

Doctors of this Nation are grateful that the people refused to be wooed by the fantastic promises of this un-American excursion into State Socialism. Doctors of America are dedicated to serve their fellow citizens at home and their comrades in uniform, wherever service to this Nation may take them. And the thing they stand ready to fight for—to sacrifice for—to die for—is not the alien way of life of Socialism, but the proudest security of a free and self-reliant people!

THE VOLUNTARY WAY IS THE AMERICAN WAY!

Throughout the Nation, free men and women, working and planning together, are finding the American answer to every question of medical service, care and cost. Hundreds of Voluntary Health Insurance Plans are in healthy competition—sponsored by doctors, insurance companies, hospitals, fraternal organizations—by industry, agriculture and labor. Today

in America—70 million people are protected by Voluntary Health Insurance! Throughout the Nation, families are insuring themselves against the major costs of illness—at reasonable, budget-basis prices. Voluntary Health Insurance takes the economic shock out of illness. Protect your family now. For information, ask your doctor—or your insurance man.

An American's greatest heritage is the right to learn the facts—and to speak his mind. Maintained with honor and used with sincerity—that right will guarantee forever that

BE THRIFTY IN '50 COOK ELECTRICALLY ... it's ECONOMICAL
Cool, Clean, Fast and Automatic!

A few of the reasons why Women prefer ELECTRIC COOKING
It's Fast! Electric "speed-units" now cook faster than any other method!
It's Automatic! Electric cooking's automatic features save you time, labor, and money!
It's Cool! Electric ovens are insulated on 6 sides. Heat goes into food, not into the kitchen.
It's Safe! No matches, no flame, no fumes to bring hazards into your kitchen!
It's Clean! There is no smoke, soot, or dangerous fumes to mar your kitchen.
It's Modern! Once you cook electrically, you'll wonder why you stayed so long with horse-and-buggy methods or old-fashioned flame lamps.
It's Healthful! Foods cooked electrically retain the garden-fresh flavor and food values which are often lost when cooked by old-fashioned flame methods.
It's the best!
West Texas Utilities Company

THE ECONOMY of the new electric ranges will appeal to any woman who watches her pennies. It's a real money-saver! Heavy insulation on all six sides of the oven keeps the heat in so you use only the heat needed without waste. Surface units, too, save by cooking faster; by putting heat directly into utensils and food, allowing no waste heat to escape around the pots and pans to heat up the kitchen.
Electric cooking requires less water; foods cook in natural juices retaining the garden-fresh flavor and food values so often lost in flame type cooking. The moist heat of an electric range reduces meat shrinkage to a minimum. (With today's meat prices that's a most important saving.) Even the cheaper cuts come out tender and juicy!
Don't overlook the penny-saving deep well cookers that cook entire meals, soups, pot roasts and vegetables with so little electricity. Clean and fast (just like electric light—and just as economical), an electric range will save you time, work, and money.
Some day you will cook ELECTRICALLY, Why not NOW?
SEE YOUR ELECTRIC RANGE DEALER NOW!
He will tell you more about the wonderful electric ranges... tell you of the ease, convenience, and economies that only modern electric cooking can bring. He'll also tell you of many, many other modern electric appliances that make your work easier, your home more comfortable, and your family happier!

AMERICA IS THE ...
Land of the Free

BUT AMERICA IS NOT THE LAND OF THE FREE HANDOUT

Our Nation was founded on the principle that Freedom must be paid for—and is well worth paying for.

The American people have made great sacrifices in payment for liberty.

But they have refused to sacrifice liberty for promised "security"...to trade freedom for the spurious "safety" of State Socialism.

This firm is proud to be part of a community and a country where each American is free to worship

as he chooses—and grants that same privilege to his neighbor...where a business is free to create a better product, and to compete in the open market for patronage.

Unfettered by political controls, American medicine has made this the healthiest, strongest Nation in the world. Socialized medicine would endanger our physical health, our economic welfare and our political freedom.

With American medicine, we say...

Let's keep our right to manage our own lives... to earn our liberty...to keep America the

Nothing FOR Something

It's an old trick of the curbstone pitchman to offer you Something for Nothing

"Tell you what I'm going to do, Ladies and Gentlemen, I am going to give you, absolutely free..."

Yes, it's an old trick. But it's still a popular one. Salesmen of Socialism use it the world over. Yet when analyzed, their Something for Nothing always turns out to be—**NOTHING FOR SOMETHING!**

That isn't the way America became the greatest, healthiest Nation in the world. American business has reached its present stature because it believes in giving the customer his money's worth.

Through healthy competition, and the will to serve, American medicine has created the finest system of medical care in the world.

Through ingenuity and free enterprise, American citizens have higher incomes, better education, better health and more freedom than citizens of any other great Nation on earth.

Freedom is America's heritage, and Americans cherish it deeply—for themselves and for the entire world. In exchange for this good way of life, the political pitchman offers us the quack remedy of Something for Nothing...of "free" medical care, doled out by politicians.

AMERICA JUST CAN'T BUY THAT!

Governor Proclaims OIL PROGRESS WEEK

Oil Progress Week, October 15 through October 21, again was designated an official Texas occasion when Governor Allan Shivers delivered a signed proclamation of the event to Madison Farnsworth, Texas Chairman of the Oil Industry Information Committee. Looking on is Admiral H. B. Miller, Information Director of the American Petroleum Institute.

PREDICTION DEPARTMENT:

Texas vs. Oklahoma: Texas has been coasting this year; they know they must put on the steam to take powerful O. U. and they will, Texas 27, Oklahoma 21.

Baylor vs. Arkansas: In the lone conference game Arkansas will prove too strong, Arkansas 13, Baylor 7.

Texas A & M vs. VMI: The highly improved Aggies should have no trouble. Texas A&M 57, Virginia Military Institute, 13.

Rice vs. Pittsburgh: After missing two guesses that the Owls would lose, we're convinced that they are good enough to take Pitt, 27-14.

The Bronte Enterprise

October 13, 1950

TCU vs. Texas Tech: Tech is not quite strong enough to stop TCU. TCU 20, Texas Tech 7.

SMU vs. Oklahoma A&M: SMU will climb to the top this week by walloping the Ookie Aggies, say 33-7.

HIGH SCHOOL:

Stanton 47, Bronte 0; Robert Lee 19, Hobbs 13; San Angelo 14, Big Spring 7.

BASKETBALL IS IN THE AIR:

The Bronte High School "B" team will play a few games this year with different high schools and other "B" teams. This team, coached by J. L. Carroll, is made up of ineligible boys; we are not too much competition for any Class B high school team. We average 17 years in age and are hungry for athletics. This, I think, is a very worthwhile program.

OPEN SEASON ON NORTH KOREANS—The big game hunt is on in South Korea. In their triumphant push to the 38th parallel, UN forces bypassed countless pockets of Red troops who must be taken dead or alive. At top, troops of the 24th Division start out on a search for quarry. At bottom, they return with 44 prisoners, a bountiful day's bag. Stripped to the waist, the prisoners are marched single-file with their hands clasped on their heads. The hunt has ended for them.
