

# THE BRONTE ENTERPRISE

Vol. 33

BRONTE, TEXAS, JANUARY 12, 1951

No. 2

## Whitt Urges Conservation Of Water by All Bronte Residents

Mayor H. O. Whitt issued an appeal to all Bronte residents to use water as sparingly as possible. The mayor said that the water situation is getting more critical every day and that the only way for the citizens of Bronte to "make it" through the coming months, if they continue dry, is to use water only when it is necessary.

As most persons who live here know, the water shortage has loomed up frequently during the past week. Whitt said that this shortage was caused only by temporary trouble and that the town is not now completely out of water, as has been circulated. Pump breakdowns and well cave-ins have caused the immediate shortage.

Mayor Whitt said that the meter on the main line from the river to town has been carefully checked and that the equipment is capable of

bringing 3,300 gallons of water per hour to the standpipe. This makes a total of approximately 80,000 gallons per day that the pumps will handle. When this figure is multiplied by 30 a total of 2,400,000 gallons per month

### Do You Have Any 1950 Time Magazines? Bronte School Wants Them

The Bronte School library wants any copies of 1950 Time magazines which you may have, Supt. J. L. Carroll said Wednesday.

The school library has received an index to the contents of all the 1950 magazines and if all 52 of the back issues can be obtained, it will make a valuable reference book, Carroll added.

### LET'S KEEP UP WITH OUR BOYS IN SERVICE!

We are asking public cooperation in gathering news about Bronte boys who are going and who have already gone into the armed forces. This news is hard to get from anyone except the families and everyone is interested in all of them. If your son or husband is going to any of the services or has already gone please call us or come by with some news of him occasionally so that we can pass it on.

We are also working on a special subscription rate for service men. Come in and let us tell you about it. Send the home town news to them every week. It will be like a letter from home.

## 3 Rigs Are Drilling in This Area

The Bronte Field had three rigs operating in it this week. Two of them were drilling for Humble and one for Hickok & Reynolds.

Humble No. 1 D. K. Glenn was nearest the Palo Pinto pay section found in the field. It was drilling ahead at 3,818 feet late Thursday afternoon.

Humble No. 3-C J. L. Brunson had reached a total depth of 615 feet and had set surface casing at 608 feet.

Hickok & Reynolds No. 1 R. E. Hickman also had set surface casing late Thursday at 620 feet. Drilling was to resume in about 48 hours.

In the McCutchen Field Union No. 3 McCutchen was drilling below 3,150 feet early this week.

### RECEIVE RECOGNITION

The Bronte High School Band, directed by Vershel Smith, received recognition this week with an article printed in the Texas Music Educators Association magazine concerning the activities and accomplishments of the organization during this year. The magazine, which is printed monthly in Lubbock by D. O. Wylie, head of the Band Department at Texas Technological College, carried a detailed story of the Bronte Band Department with two pictures in this month's issue. One of the pictures was a group picture of the entire band and another was of the flag bearers, majorettes, mascots, and the director, Vershel Smith.

### IS TAKEN TO FORT WORTH

Dick Smith, who was injured three weeks ago in an automobile accident between Bronte and Robert Lee, was taken to Fort Worth Thursday night where a bone specialist will operate on his knee. Mac Rippetoe took him to Fort Worth.

Mrs. Smith is the former Joyce Littlefield of Robert Lee and the couple were in the accident immediately after their wedding ceremony. They were enroute to a wedding reception in Bronte.

Leonard Fletcher was in Sweetwater on business Wednesday.

is found. "If all of our water customers could hold their water consumption to the minimum, we would have more than enough to go around," the mayor said.

Work was underway Wednesday rigging up equipment for pumping water from the river into town and Whitt said this method of obtaining water will be used when necessary to keep the standpipe from going dry. "We have a choice of using river water or having a dry standpipe," he added.

"I want to impress upon the people the gravity of this water situation," Whitt remarked. "We're asking that water be used only for domestic purposes and the council and I want the people to know that we are doing everything possible to keep water at their disposal. At the same time we'd like to ask that everybody be as patient as possible. We're not going to lick the water shortage by getting mad at each other."

## Bridges & Son to Show Sheep at Fort Worth Show

B. F. Bridges & Son, Bronte, outstanding Coke County sheep breeders, will exhibit five head of sheep in the open show at the Southwestern Exposition and Fat Stock Show in Fort Worth, Jan. 26 through Feb. 4.

A record-breaking number of livestock from 30 states, Canada and Cuba will be displayed.

The Fort Worth exposition is offering the largest amount of premiums in the 55 years history of the Southwest's oldest stock show — \$146,000 (including the rodeo and horse show).

One of the world's greatest indoor rodeos will be presented in Will Rogers Memorial Coliseum, with Verne Elliott, "Mr. Rodeo" himself, as the producer.

Interspersed with the rodeo contests will be the horse show events with nearly \$25,000 in prizes for Quarter horses, cutting horses, Palominos and gaited horses. Skeeter, 1950 world's champion cutting horse, will compete in the open event.

Millions of dollars' worth of the finest beef and dairy cattle, sheep and swine will be shown. The poultry, turkeys and rabbits will be housed in the new poultry building. Quarters for carload and pen division of bulls have been doubled and other improvements have been made, such as glassing in the archways connecting the livestock buildings. The Stock Show is not subject to the weather as it is all indoors—17 buildings, 32 acres under roof.

The boys' livestock show, Midway, commercial exhibits, numerous bands and "days" honoring cities and civic organizations will make this one of the most outstanding shows ever held, officials said. Indications are that attendance will be high.

### Hospital News

Jan. 4: Mrs. D. L. Paschal admitted.

Jan. 5: Homer Vaughn, Mrs. Roy Casey and Hattie Jane Snead admitted. Mrs. S. O. Jackson, Mrs. Floyd Bagwell, and Jerry Mae Price dismissed.

Jan. 6: Jack D. Ivey admitted. Hattie Jane Snead and Mrs. D. L. Paschal dismissed.

Jan. 7: Mrs. Zelma Proctor and Bobby Carr admitted.

Jan. 8: B. D. Dunn admitted.

Jan. 9: Jimmy Joyce Roney admitted. Homer Vaughn dismissed. Mrs. D. L. Paschal admitted and daughter born.

Jan. 10: Mrs. Joe Ash admitted. B. R. Bishop admitted and later dismissed. Bobby Carr, Mrs. Roy Casey, Wayne Shellbourne and Jimmy Joyce Roney dismissed.

LEAVING FOR NAVY

Royce Dean Clark, son of Mr. and Mrs. Cullen Clark, Edward Rogers, son of Mr. and Mrs. Larkin Rogers, and Douglas Ray Stevens, son of Mr. and Mrs. Ed Stevens, left San Angelo Thursday for Houston. In Houston, they will take physical examinations for the Navy and, if they are satisfactory, will be sent to San Diego, Calif., for boot training.

## March of Dimes Campaign to Begin in County Monday, Jan. 1

The Annual March of Dimes fund drive will begin Monday, January 15, and will continue through the remainder of the month, according to Mrs. Charlie Boecking, drive chairman. The annual drive is designed to raise money for the care of polio patients and for research directed toward finding the causes and cures of the disease. No special quotas

### SGT. M. L. CLARK ALSO IN KOREA

Sgt. M. L. Clark, son of Mrs. Mary Clark of Bronte, is another Bronte man with United Nations forces in Korea. Clark is an army career man and is a veteran of almost 20 years in the U. S. Army. He also served during World War II.

Mrs. Clark said that he is with the 51st division, U. S. Air Force and

Mrs. Clark was in the Enterprise office Wednesday morning. She had recently had a letter from Sgt. Clark, written Jan. 3, saying he was still on the air strip and that they were trying to hold it, though he didn't think they could. Since that time, the air field has been taken by the Reds.

that his last letters came from Kempo Air Base, about 20 miles from the South Korean capital of Seoul. This has been the scene of much fighting and activity during the past few weeks.

### GRANDSON WRITES FROM KOREA

Mrs. J. M. Rutherford this week received a copy of a letter from her grandson, Claude Arnold Rutherford, who is with the U. S. Navy in Korea. The letter was written to his parents, who live in St. James, Mo., and was written Dec. 12 in Pusan. Believing it to be of general interest, both to those who know Rutherford and to those who have friends or relatives in Korea, we are reprinting it in part.

"We left Yokosuka a couple of days after I got aboard and headed for Wonsan, Korea with two cargo ships. We arrived and they started loading the ships, getting ready to evacuate. The Chinese were about five miles away then. The other ships loaded and we left the night it fell. We headed for Songjin."

"Here I saw a sight never to be forgotten. We pulled into the harbor with two merchant ships, and there were about 5,000 ROK troops waiting to be taken out. The Chinese were just over the hill. Immediately we pulled into the dock and started loading troops and equipment. We took on 5000 and moved into the channel to make way for two more ships. Those Koreans were a pitiful mess. Over 500 wounded came aboard first. They were hungry and half froze to death. Snow covered everything. They all were sure glad to see us. Somehow we took all the military and their equipment out. They were the stinking bunch of men I ever saw. It will take a month to clean the ship."

Then we left. The damn Chinks and North Koreans were standing on the beach when we left. That's how close things worked out. We had to leave about 5000 civilians. God only knows what will happen to them. They were crying and begging to be taken along but it couldn't be done.

"We left Songjin and headed for Hungnam. Here we left 500 artillery men and equipment and headed for Pusan. We arrived today. Tomorrow we go back."

The Bronte boys have suffered one defeat since the above game. They lost a 21 to 20 decision to the Robert Lee Steers at Robert Lee Tuesday night. The girls also lost a game in Robert Lee at the same time.

The Longhorns' next conference games will be played at Miles next Tuesday, January 16.

### Charles Edward Blue Honored on Birthday

Charles Edward Blue was honored on his 17th birthday Friday night, December 29, with a party in the home of his parents, Mr. and Mrs. T. H. Blue. The party was also given for his brother, Theo Blue, who was spending the holidays there. He is attending Schreiner Institute.

Coke and cake were served to about 20 young people.

have been set this year and each town and county is asked to raise as much as it possibly can.

Coke County raised some \$2200 last year during the one month drive and County Chairman John R. Harris expressed the belief that the county can contribute more this year. Mrs. Hugh Lewis, Jr., is drive chairman for the west side of the coun-

### LIONS CLUB TO HAVE DRIVE FOR MEMBERS

The Bronte Lions club is sponsoring a drive for new members during January, and Lions President C. E. Bruton has issued an invitation to every prospect in town to join the local service organization.

He remarked that none of the grocery businesses in town are represented in the club and that of the nine service stations and garages, only two have members in the club. "There are lots of other businesses in town who should be represented in the Lions Club," Bruton said, "and we're inviting all of them as well as any farmers and ranchers to join the club."

Renewed activity in the club is planned during this year, the president said, and "we need every member we can get to carry it on."

### Bronte Wins Twice Over Norton Teams

Both girls' and boys' teams won over Norton in a conference doubleheader which was played here last Friday night. These wins give them a boost toward the west half championship.

The feminine five from Bronte stumbled feebly through the first three quarters before rallying in the last quarter to topple the Norton girls 8 to 4. Rita McCutchen scored four points while teammates Eddie Sue McAulay and Kitty Sue Gaddy tallied two each. Bronte's ace forward, Hattie Jane Snead, was taken out of the game in the second quarter when she injured her leg in a fall. It is feared that she will be unable to play the rest of the season.

The boys' game was a struggle from start to finish with the Longhorns squeezing by Norton 26 to 25. Bobby Lasswell was the game's hero as he gave Bronte the decision with a long shot in the last minute of the game. Bobby led Bronte in the scoring with eight points. The rest of Bronte's scoring was done by Mohawk McCutchen with four, Gerald Sandusky with eight, Lyndon Waldrop with three, and J. W. Caudle, five.

Commissioner Otis Smith said Wednesday that the Commissioners Court in its meeting Monday refused to raise the pay of any county employees who are on salaries. The only pay raises okayed by the court was a raise to \$1.00 per hour for operators of the road maintenance machinery. The working day for these employees was also reduced from 10 hours to eight hours.

Smith said that the court paid all bills which the county owed, thus starting the year with a clean slate.

### Commissioners Meet Monday; No Salaries Raised

Commissioner Otis Smith said Wednesday that the Commissioners Court in its meeting Monday refused to raise the pay of any county employees who are on salaries. The only pay raises okayed by the court was a raise to \$1.00 per hour for operators of the road maintenance machinery. The working day for these employees was also reduced from 10 hours to eight hours.

### LIONS HEAR EXPLANATION OF OIL FORMATIONS IN BRONTE AREA

Abe Walker, independent consulting geologist, discussed the oil formations in this territory at the Wednesday noon meeting of the Bronte Lions Club. Walker explained the geologic sections from which both the Bronte and Fort Chadbourne Fields produce.

There are three types of traps or structures in which oil is found. These are stratigraphic traps, traps caused by the rising of granite knobs in the earth's formation, and traps caused by faults in the earth's structure. Walker explained that stratigraphic traps usually make up the larger oil fields in this section of the country.

An example of the stratigraphic trap may be found in the Fort Chadbourne Field, northeast of Bronte, Walker said. The Bronte Field, however, was created by traps caused by a granite knob, he added.

ty while Mrs. Boecking is drive chairman for the east side.

At a meeting Tuesday afternoon in the city hall, committees were appointed and the drive organized. On the last night of the drive a "Mothers' March on Polio" will be conducted. This has been planned for Wednesday night, January 31, between 7 and 8 p.m. A one-hour col-

### 1950 RAINFALL WAS SHORT BUT TIMELY

The 1950 rainfall was short but well distributed and very effective, according to A. V. Sheppard, work unit conservationist, with the Soil Conservation Service. The rains the district received were spotted and some parts of the district received more rain than other parts. Robert Lee received 16.2 inches, according to the record kept by the Soil Conservation Service office, Sheppard said.

All of the rain fell during the growing season. The first effective rain fell April 12 and the last rain received was on September 26. All of the rain received in 1950 fell slow and very little runoff resulted. May was the high rainfall month with 4.1 inches, and September was the next wettest month receiving 3.9 inches. This follows the trend of long time rainfall records of more rain falling in May and September than any other month.

The necessary information was gathered last week to design a water spreading system on Noah Pruitt's farm located one mile north and one mile east of Bronte. Pruitt is a member of the North Bronte conservation group.

The water spreading system is a part of Pruitt's complete coordinated soil and water conservation plan that he is applying as a district cooperator with the Coke County Soil Conservation District. The system will pick up the runoff water from 400 acres and spread it on about 90 acres of cropland.

Now is the time for district cooperators to begin to secure their grass seed, W. C. Shamblin, secretary of the board of supervisors, said. District cooperators planning to seed grass this spring should secure their seed now. Grass seed can be secured now, but we expect they will be scarce before the planting season, Shamblin said.

Need Any Balsam Seed? Try A Want Ad!

A package of balsam seed is on its way to an Enterprise advertiser this week as a result of a classified ad placed in the paper two or three weeks ago. The lady placing the ad had not been able to buy the seed at seed stores and said she knew that someone here must have some balsam vines and would give her some seed.

The Editor, not being too sure what balsam seed were, admitted that he doubted if it would work but it was worth a try. Sure enough — the balsam seed came in and everybody's happy!

### NEW HD CLUB WILL MEET WEDNESDAY

The first meeting of the county's newest home demonstration club, the United club, will be held next Wednesday, January 17, at 2 p.m. in the home of Mrs. Vernon Lammers.

Officers of the newly formed club are: Mrs. Lammers, president; Mrs. C. E. Bruton, vice-president; Mrs. Ever Best, secretary and treasurer; Mrs. S. O. Jackson, reporter; Mrs. Truman Parker, council delegate, and Mrs. H. M. Kirkland, alternate delegate.

BOX SUPPER NETS \$40

The Box Supper that was held in the school gym on Thursday, January 4, netted approximately \$40.00 which has been used to pay for warm-up suits for the boys' basketball team. The supper was sponsored by the Student Council. Boxes were purchased by W. N. Gaddy, Vershel Smith, H. M. Daniel, Jack Price, James Lee, and L. E. Conger.

Following the supper the first five men mentioned above met a high school basketball team in an exciting cage battle. After the game the score stood at 37 to 37.

lection will be made in each block of the city by appointed block chairmen and every person who will contribute anything to the drive is to turn on a light outside his house during that hour to indicate to the block captain that a contribution is waiting for her. The Diversity Club will be in charge of this phase of the money-raising campaign.

Supt. J. L. Carroll was appointed to stress the drive in the school and Mrs. George Anderson will be in charge of contests at the school. The students will be divided into three groups, beginners, intermediates and high school students to participate in the fund-raising contests.

J. M. Rippetoe and H. O. Whitt form the committee to collect contributions from commerce and industry while C. E. Bruton will direct help from the Lions club in soliciting contributions at the Texas theater and in the business section of Bronte.

All local ministers will be asked to announce the drive during church services and to take a special offering.

The home demonstration clubs will distribute the coin collectors, which are miniature iron lungs and the Junior Study Club will distribute pin-on cans for local clerks, service station attendants and others.

Vetal Flores was named treasurer of the organization and Mrs. D. C. Fuentes will direct the drive in the Mexican section of Bronte.

### First 1951 Baby Born Tuesday in Local Hospital

The six-pound daughter of Mr. and Mrs. D. L. Paschal, 1302 Fulton St., San Angelo, was the first baby born in the Karen-Gayl hospital in 1951. The little girl arrived at 11:30 p.m. Tuesday, January 9. She had not been born Thursday afternoon.

The couple has one other child, Janice, aged 3. Paschal is an employee of the Dr. Pepper bottling company in San Angelo. Mrs. Paschal is a British war bride. The couple was married in England when Paschal was serving with the Air Forces during World War II.

**TENNYSON TOPICS**

By BILLIE TOUNGET

Mr. and Mrs. John Gaston and children have returned home after spending the holidays with relatives in East Texas. They visited the Chester Derricks Wednesday evening.

Mrs. Myrtle Bailey of Miles is visiting in the Otto Finck home. Sunday, guests of the Fincks were Mr. and Mrs. George Coleman, Mr. and Mrs. Brooks of Miles and Edmond Finck of San Angelo.

Mr. and Mrs. Floyd Gibson visited Mr. and Mrs. Eris Miller of O'Donnell last weekend. Emma Ruth Miller returned to her home there after visiting the Gibsons during the holidays. Mr. and Mrs. W. H. Thomas visited the Gibsons Friday evening, and Mr. and Mrs. Gene Stewart visited them Thursday evening.

Mr. and Mrs. Joel Webb have moved to their ranch near Abilene.

Mr. and Mrs. R. L. James and Joe of Christoval visited the George James family Sunday. Mr. and Mrs. James and Buford visited the Toungets Saturday evening.

Mr. and Mrs. Clifford Hegeman and family of Bronte visited Mrs. Sudie Brown Sunday evening. Mrs. Brown, Mrs. R. B. Caldwell and Mrs. Betty Green visited Mrs. Otto Finck Friday evening.

Mr. and Mrs. J. L. Carwile and Anna of Sanco visited the J. M. Stewarts Sunday. Bro. and Mrs. Lee Roy Stuckey and children have been visiting in their home.

Mr. and Mrs. Jack Sharp entertained a few friends with a turkey supper Friday.

Mr. and Mrs. John Clark and Kenneth visited in Bronte Sunday afternoon.

Mr. and Mrs. W. H. Feil and family visited relatives near San Angelo Sunday.

Mr. and Mrs. Chester Derrick and children, and Mr. and Mrs. John Gaston and children were guests of Mr. and Mrs. Homer Cornelius on Thursday evening.

Sunday guests of the W. D. Lathams were Mr. and Mrs. Lofty Hall of Angelo and Mr. and Mrs. James Gilmore and Diane.

Mrs. Johnnie Brown spent Tuesday with Mrs. Sudie Brown.

Mrs. Melvin James and Melany Ray of San Angelo spent Friday night with Mr. and Mrs. Bert Cornelius.

Mrs. Gene Stewart spent Tuesday with the J. M. Stewarts.

Bro. and Mrs. Gene Lake visited Mr. and Mrs. Ben Brooks Thursday afternoon.

**Film on Palestine Shown for Club**

A film on "Palestine," shown and discussed by Miss Eudora Hawkins of the West Texas Utilities company in Abilene, was the program for the Diversity Club meeting last Thursday night in the American Legion Hall. Mrs. J. T. Henry was the hostess.

Mrs. Sterling Speake of Austin and Miss Hawkins were guests. Club members present were: Mmes. James E. Allen, George Anderson, Will Thomason, Arnold Ball, Charles Boecking, Otis Smith, C. E. Arrott, Robert Forman, Vetal Flores, Chet Holcombe, George Thomas, R. W. Rees, Cecil Kemp, D. K. Glenn, Collins Sayner, J. B. Mackey, A. S. Whately and the hostess.

**BLACKWELL SCHOOL BURGLARIZED**

By MRS. CHARLES RAGSDALE

The Blackwell school building was broken into last Wednesday night and burglars netted some \$20, some old dollars and several checks. Several locks were found broken.

Sanderson garage and station was also burglarized last Saturday night. About \$15 was missing. Police from Sweetwater investigated both robberies.

Dr. J. K. Griffith, pioneer Coke County physician of Robert Lee, was expected to return to his home Wednesday after being hospitalized in a San Angelo hospital for several days.

**"Through blizzard after blizzard my car performed better!"**

"I was one of those selected to test new Conoco Super Motor Oil in my own car before it was put on the market. Through blizzard after blizzard, I travelled in Northern Colorado and Wyoming. "BUT THOSE WERE THE TWO BEST WINTERS I EVER HAD ON THE ROAD! New Conoco Super improved the operation of my car. And at the end of the test, with proper drains and regular care, gasoline mileage was virtually as good as at the beginning." After a total of 386,422 miles, logged by Mr. Hubbard and other winter test drivers, Conoco engineers found no wear of any consequence! Analysis of crankcase drains showed that this great new oil actually stopped the dangerous accumulation of free water and acids, chief causes of winter wear. This test proved that new Conoco Super Motor Oil, with Oil-PLATING, fights off rust, corrosion and sludge. So, change to winter-grade Conoco Super Motor Oil.

## HERE'S BLACKWELL

By MRS. CHARLES RAGSDALE

The Blackwell PTA met Monday night at the school house with the president, Mrs. Vernon Copeland, presiding over the business meeting. C. L. Bost, chairman of the committee to repair the playground equipment, reported that good progress had been made toward the repair work but that some work remains to be done. Mrs. Rena Rendall's home-making girls gave a style show and modeled garments they had made, including morning dresses, play suits, bathing suits, afternoon dresses, party dresses, evening dresses, dress-suits and night gowns. Mrs. Carol Miller gave a talk on "Helping Your Child Meet Success or Failure." The hostesses, Mmes. Al Snead, Roy Ingram and Ray Lee, served coffee, hot chocolate and cake to the group.

Mr. and Mrs. Henry Raney have returned from a trip to Casa Grande, Arizona, where they visited her sister and family, Mr. and Mrs. Bert Kinard.

Mr. Fowler has been ill in the Winters hospital but is better and back home.

Bobby Dean Spence, son of Mr. and Mrs. R. Q. Spence, left Sunday for his physical examination in Dallas before going into the Navy. He has been a student at ACC at Abilene.

Ben Richards received word that his daughter-in-law, Mrs. Arnold Richards, of Abilene underwent surgery at the Hendrick Memorial hospital Tuesday morning.

Mrs. Roy Sanderson will go after daughter, Bettye, Wednesday. She has finished McMurry College in Abilene and will teach in the Bronte schools. She will be in the graduation exercises at McMurry in June.

The boys and girls will play McCauley at Blackwell Friday night. It will be a conference game.

Mrs. Mildred Wilson and Mrs. Agnes Edwards of Fort Worth and Mrs. John Lampkins of Hico visited Mr. and Mrs. Charlie Lampkins and Mr. and Mrs. Jr. Alderman last weekend.

Rev. V. D. Price returned from Dallas Wednesday night after attending an Evangelistic Conference there from Monday night through Wednesday. He also attended a Training Union convention at Arlington on Monday.

Mrs. Otto Finck was carried to a San Angelo hospital Tuesday for an X-ray examination, after suffering a fracture several weeks ago. Physicians allowed her to return to her home after the examination. It showed that she was improving.

**Or Life Imprisonment**  
The parents of children who attend the Sunset School, San Francisco, gathered one night to hear a talk by a specialist in child psychiatry. After he finished, he called for questions and patiently handed out advice on behavior problems.

The pleasant evening broke up as a grim-faced father in a back seat arose and asked seriously: "Doctor, how do you feel about capital punishment?"

### USING NEW AUDITORIUM

The auditorium of the new First Baptist Church was used for the first time last Sunday. Regular morning worship and some classes were held in the new building while some classes were held in the old building. The church is not finished and some work remains to be done on the auditorium. However, the auditorium will be used for church services from now on.

### CARROLL SAYS LUNCH ROOM BILLS SHOULD BE PAID

Supt. J. L. Carroll this week said that he would appreciate it if everyone would pay their bill who is behind in their accounts with the lunchroom at the local school. He said that the lunchroom had obligations to meet which it cannot meet until some of this money is collected.

Bruce Clift was up and around Bronte Tuesday afternoon. Bruce hasn't been seen much around here lately because of surgery which he had recently.

### THEO BLUE PROMOTED

Theo Blue, son of Mr. and Mrs. T. H. Blue of Bronte, this week was promoted to a second lieutenant in the reserve corps at Schreiner Institute, where he is a student. Blue was formerly a tech. sergeant in the corps. This is his last year of schooling at the military school.
