Politics Begins Here And Over Country

The 1952 political races got underway in Coke county this week with four incumbents announcing their intentions of seeking re-election to the offices they now hold.

Jeff Dean is seeking another term to the office of county judge and ex-officio school superintendent.

Weldon Fikes is seeking a second term as county and district clerk.

Paul Good is announcing in this paper his wish to be re-elected sheriff and tax assessor-collector for another term.

Mrs. Ruby L. Pettit is running for another term as county treasurer. Her announcement, as the others, is elsewhere in this paper.

There is quite a lot of speculation among the candidates as well as voters as to opponents. Street talk has it that there will be some opposition in at least some of the races. Nothing definite has been announced.

On the west side of Coke county, Finner Smith has announced for Commissioner of Precinct 3, now held by T. R. Harmon. J. W. Service has also said that he will seek re-election as commissioner of Precinct 1.

GINNING IN BRONTE AREA ALMOST OVER

Two area gins reported this week that a total of over 1000 bales of cotton have been and will be ginned from this vicinity during the season.

J. D. Luttrell at the Farmer's Marketing Association Gin announced that he should have his work completed in a few days and that approximately 500 bales of cotton have been processed through the gin.

C. C. Glenn at the Maverick gin said that a total of 538 bales had been ginned through Tuesday and that only 8 or 10 more bales would be coming in. This is in comparison with the Maverick gins total of 670 bales last season and 2400 in 1949.

MAYOR PROCLAIMS JANUARY 4-19 AS AMERICAN CITIZENSHIP WEEK

Mayor H. O. Whitt has issued a proclamation designating the week of January 14 through January 19 as "American Citizenship Week." His action is in line with a recent "Official Memorandum" signed by Governor Shivers setting up the entire month of January, 1952, as American Citizenship Month. Stressing the responsibilities and duties of the individual citizen in preserving the democratic way of life, the event is part of an annual citizenship program sponsored by the lawyers of Texas.

"Every individual should stop and think about the fact that we have obligations as well as privileges arising from our status as citizens of a free and democratic nation," the mayor stated in referring to his official decree. "We cannot expect to retain our liberties forever unless each of us personally shares in performing those obligations of citizenship."

The Bronte Lions Club is sponsoring the American Citizenship week locally, and will devote its program next Tuesday night to the subject. Judge W. H. Rampy of Ballinger, former State Representative from this district, will speak to the group. Several members of the local American Legion Post have been invited to the Tuesday night meeting.

A spokesman for the Lions urged that all members be present for the meeting Tuesday night as the program will be very worthwhile.

The State Bar committee on American Citizenship, responsible for planning and direction of the state-wide crusade for better citizenship, is headed by co-chairmen David A. Witts of Dallas and Jack Pope of San Antonio.

No announcements have been received by the Enterprise from candidates for district and state offices, but it is expected that these will be forthcoming in the next few weeks.

The national political picture this week was of great interest as Gen. Dwight D. Eisenhower allowed his name to be placed on the ticket in some states for the Republican nomination for the Presidency of the United States. Sen. Robert Taft, Harold Stassen, and Gov. Earl Warren are also avowed candidates for the Republican nomination. So far no word has been received from the Democratic camp as to the plans of President Truman, but Sen. Estes Kefauver says he will seek the nomination.

Paul Good Seeks Another Term

Paul Good this week announces his candidacy for re-election for the office of Coke County Sheriff and Tax Assessor-Collector. He was the first county official to advise the Enterprise of his intentions to run again.

Good is thoroughly experienced for the job which he seeks. He served several years as a deputy under the late Frank Perciful and then he was elected to the office in 1946.

Sheriff Good has done an efficient job both as a law enforcement officer and as keeper of the tax records and collector of the tax money. Work in both departments has been increasing steadily during Good's term, due to the growth of the oil industry in this county.

In announcing his candidacy for re-election Sheriff Good said:

"I greatly appreciate the fine support which you, the good people of Coke County, have given me since I was first elected to the office of Sheriff and Tax Assessor-Collector. If you see fit to re-elect me to another term I will continue to serve you to the very best of my ability. Your vote and support will be sincerely appreciated."

ONLY 589 HAVE PAID POLL TAX

Coke County voters are reminded that 1952 is an election year and that January 31 is the last day on which poll taxes may be purchased at the County Sheriff's office in Robert Lee.

A spokesman from that office reported Wednesday that up until that date, only 589 poll taxes had been paid. He also said that the only notices will be the ones running in the papers and that it was up to the people to remember the deadline.

In Bronte, it is a very important year for the voters, as city, precinct, school trustee, county, state and national elections are all being held this year. So don't forget—January 31st is the last day to pay poll taxes.

Dean Announces For County Judge

Jeff Dean announced this week that he is seeking another term as Coke County Judge and Ex-officio School Superintendent. Judge Dean has been very active since he took office in trying to improve the schools, roads, etc., of this county.

He is a former superintendent of the Bronte Schools and lived here many years.

Judge Dean made the following statement when he authorized the Enterprise to announce his candidacy:

"I am taking this opportunity to announce my candidacy for re-election to the office of County Judge and Ex-officio School Superintendent."

It has been a pleasure to serve you the past few years; and at this time I wish to thank you for the fine co-operation you have given me at all times. I sincerely solicit your support for another term in this office.

JEFF DEAN

Mrs. Pettit Seeks Treasurer's Office

Mrs. Ruby Pettit, Coke County Treasurer, is announcing this week that she is seeking re-election to that office.

Mrs. Pettit has served Coke County well in her capacity as County Treasurer and keeps the county's books in excellent condition.

In authorizing the Enterprise to announce her candidacy, Mrs. Pettit made the following statement:

"In announcing my candidacy for County Treasurer of Coke County, I desire again to thank the voters for the excellent support that I have received in the past and the many courtesies that has been shown to me during my term of office."

It has always been my desire to perform the duties of the office with a high degree of faithfulness and efficiency.

If you see fit to re-elect me as your County Treasurer, I pledge you again my best effort to serve you to the full extent of my ability.

Sincerely,

Mrs. Ruby L. Pettit

Officials Sign Agreement with UCRA to Furnish City's Water

THE HOLDUP—Shown above is the construction job which is now in progress on the highway and railroad between here and Blackwell. It was reported that a shortage of structural

steel may hold up the highway job, thus prolonging the time before the Oak Creek Dam can be closed. Bronte residents are especially interested in this project, since the city is to ob-

tain water from the big lake northeast of here. The UCRA is to finance the pipeline from the lake to the Bronte city limits. —Standard-Times Photo

Officials of the City of Bronte Wednesday signed the contract between the City of Bronte and the Upper Colorado River Authority. The contract was to be delivered to L. T. Youngblood, chairman of the UCRA, yesterday for action by his group.

City officials were empowered to sign the contract in a City election last Saturday when 67 voters voted unanimously to give them the authority to do so.

The election, held in the City hall, was originally scheduled to be held December 17, but was postponed due to a legal technicality about the hours the polls were to be open.

D. K. Glenn, election judge, announced the final vote was 67-0, giving the city officials the go-ahead to sign the necessary papers to get a pipeline constructed to the city limits from the new Oak Creek reservoir.

The UCRA has agreed to finance the pipeline and filtering plant. There will be no interest cost on the money and the city has only to pay back the actual cost of construction.

The UCRA has assured the City of Bronte a plentiful water supply by offering their water rights in the Oak Creek Reservoir. They have rights to one-tenth of the water impounded in the giant new lake. This was originally intended for both Bronte and Robert Lee but will all go to Bronte since Robert Lee has water rights to the Mountain Creek reservoir.

The estimated expenditure of \$200,000 by the UCRA will be paid back at about \$700 monthly by the City of Bronte.

Fikes Seeks 2nd Term As Clerk

Weldon Fikes authorized the Enterprise this week to announce his candidacy for a second term as county and district clerk of Coke County.

Fikes, who was born and reared near Sanco, has held the job as county and district clerk for one term, but his associates feel that he has become well qualified for the position.

Fikes made the following statement in announcing his candidacy:

"I wish to take this means of announcing my candidacy for a second term as your County and District Clerk. I have enjoyed serving you the past year, and I would appreciate continuation of your support and confidence."

Funeral Held for W. V. Stephenson, Car Wreck Victim

William Virgil Stephenson, superintendent of the Blackwell schools and the second victim of a car wreck January 2, was buried at Stanton Sunday under the direction of the Cape-Spencer Funeral Home.

Funeral services were held at 1:30 p. m. at the Blackwell Baptist church with the Rev. R. L. Cooksey, pastor, officiating. He was assisted by Rev. R. T. Dyess, pastor of the Blackwell Methodist church, and S. L. Williams, minister of the Blackwell Church of Christ.

Stephenson died Friday night without regaining consciousness after the tragic accident Wednesday which killed Janie Herron, Blackwell Junior class favorite, and seriously injured Annabell. (Continued on Back Page)

Help the March of Dimes

The March of polio is outpacing the March of Dimes contributions. Year after year the March of Dimes contributions have moved steadily upward, but year after year the obligations imposed by soaring polio incidence have zoomed beyond reach as the National Foundation of Infantile Paralysis has sought to cope with the only epidemic disease on the

increase in America. This year, as in the past, the March of Dimes drive is being stressed in this community. Dr. John Harris is county chairman and Mrs. Charlie Boecking is serving as campaign director for the east end of the county. A. J. Kirkpatrick is director for the west end of Coke. Volunteer workers have been

contacted and a list of their proposed activities are listed below. Mrs. Boecking stressed that all volunteer workers are appreciated and any groups or organizations wishing to give contributions or time should contact her or Vetal Flores, treasurer.

Mrs. Frank Miller has been named to be in charge of distributing and collecting the school children's contribution cards. Other activities include special collections taken at the three home basketball games during January. Mrs. John Harris has distributed the coin collectors, in shape of an iron lung, to all the local merchants. The merchants are asked to display them in a prominent place.

Another local organization that will help out in the drive is the American Legion group, but their plans are not yet complete. Local cafes are cooperating by asking the public to pay 10 cents per cup for coffee on Fridays and Saturdays during the drive. Five cents of this will go to the drive fund. The contribution, is strictly voluntary.

Mrs. Boecking is asking for volunteers for help with the Mothers March which will take place on January 31 from 6:30 to 7:30 p. m. During this hour all who will contribute to the March of Dimes will leave their porchlight on and a representative will call on them. This activity will officially close the drive.

Several other activities are being planned for Bronte and Coke county and further details will be announced in next weeks paper.

Postal Receipts Increase In 1951

Mrs. Carrie Williams has announced that there was a \$917.98 increase in the postal receipts of 1951 over those of 1950.

Postal receipts in the local post office amounted to \$6080.82 in 1950 and jumped to \$6998.80 in the past year ending January 1, 1952.

Mrs. Williams added that it might be interesting to note that almost half of the increase was made in December 1951, when the postal receipts amounted to \$427.37 more than in the month of December, 1950.

This increase was attributed to the large amount of Christmas packages and cards that were sent through the local post office.

Supt. J. L. Carroll of Bronte, Supt. B. C. Goodwin of Robert Lee and Judge Jeff Dean attended a School Administrators Conference in Austin last weekend.

DEPOSITS REACH ALL TIME HIGH THIS WEEK AT BRONTE'S BANK

The highest figure on record for deposits in the First National Bank of Bronte was reached this week. Depositors had placed \$2,709,649.39 in the bank as of Tuesday morning. This figure is some \$150,000 above the amount listed in the statement published in this paper, which was as of Dec. 31, 1951.

The statement had \$2,548,164.54 as on deposit the last of the year. This was an increase of \$31,332.12 over the \$2,236,832.42 which was the total deposits at the last of 1950.

Loans and discounts Dec. 31, 1951 amounted to \$646,472.49 compared with \$561,618.84, an increase of \$84,853.65.

Likewise the capital structure of the local banking institution has been increased. On Dec. 31, 1950, the capital accounts amounted to \$135,000, while the 1951 statement shows a total of \$157,500.00. The undivided profit account has been slightly decreased since last year, but the surplus account has been increased from \$50,000.00 to \$75,000.00.

Unlike many banks, particularly in sections where farming is the predominant industry, the First National Bank shows a very

healthy condition, reflecting the increase in the oil industry. The only dark side to the picture is that the increase also shows how cattle and other livestock have been sold from the ranges of this area and the money put on deposit.

The local bank, which has been headed by L. T. Youngblood since 1922, was known as the First State Bank from 1906 until 1922. From the latter date until 1935, it was known as the Guaranty State Bank. In 1935 it was nationalized and has been known as the First National since that time.

Other officers include J. T. Harmon, chairman of the board, B. D. Sneed, cashier; Earl F. Glenn, assistant cashier; and Willie B. Millikin, assistant cashier. Vetal Flores and Mrs. Gale Hufstutler are employed in the bank as bookkeepers.

Deposit figures for Dec. 31 of each year since 1945 are as follows:

1945	\$1,304,769.51
1946	\$1,444,665.60
1947	\$1,457,727.06
1948	\$1,691,130.32
1949	\$1,905,097.21
1950	\$2,236,832.42
1951	\$2,548,164.54

The above figures give graphic illustration to the way in which the First National Bank has grown through the years.

He died in the Winters hospital last Thursday where he had undergone surgery the week before. Previous to that, he had been a patient in the Karen-Gayl hospital.

IMPROVE YOUR HEALTH

Take care of yourself at all times. You can't be careless with your body without paying a penalty. If you eat too much candy and ice cream, don't be surprised if you get too fat or if your face breaks out in pimples. If you stay up so late at night that you are sleepy the next day, you won't be very good company for a wide awake group of boys and girls, and you may not have the energy to enjoy work or play. Eight hours sleep is good insurance, as are good habits of cleanliness. Don't neglect your health and you won't have to pamper it.

Here's John Moltz, on his way to work. And you can bet that not once today will he consider what woke him up turned morning's dark into cheerful light furnished him with a hot bath shaved his face washed and ironed his shirt cooked his coffee and toast ... what, in fact, did practically everything to send him happily to work. Yes, the answer is electric service—a good and faithful servant we all take pretty much for granted. A servant whose wages are only a few cents a day! When you think about it, your electric service is just about the biggest bargain in the family budget.

"I got the story on '50,000 Miles-No Wear' and changed to New Conoco Super Motor Oil"

"50,000 Miles-No Wear!"
Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings. AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! Proof that Conoco Super, with its OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

Bronte Teams Win Over Robert Lee

Bronte boys and girls won over Robert Lee in a double header basketball game in the local gym Tuesday night. The win gave the boys a clean district slate, since they have not been beaten in a district game. The girls were downed by Miles with a narrow margin of one point early in the season for their only district loss.

In Tuesday's games, the girls opened the program and basketball fans were thrilled to the very last minute by a 23-21 score with the local lassies coming out on top. Mary Ann Grey scored 14 points for high scoring honors and Peggy Bilbo of Robert Lee led her team mates with 11 points.

Rita McCutchen and Joyce Wrinkle served as game captains and the P. E. girls reported a nice profit at the concession stand.
