Charles Martin Dies Of Injuries Received in Wreck

Funeral services were held in the Bronte Baptist Church Sunday for Charles Martin, a Coke County native, who died in Cas- Fuller Returned per, Wyoming, from injuries received in an automobile accident near there. Rev. G. M. Rickles and Rev. J. E. Fuller officiated at the services.

Martin had recently returned from the Philippine Islands after 41 years there. He was a brother of Mrs. T. G. Stinebaugh of Bronte, Miss Louise Martin, San Angelo, W. J. (Bill) Martin of Robert Lee, Mrs. G. C. Casey of Robert Lee, Jack Martin of Fort Worth and George Martin of Wyoming. He is also survived by a daughter, Peggy, her husband and three grandchildren, who live in Manilla, Phillipine R. Mauldin and Robert Lee, Ray

The body was brought here by a Clift Funeral Home car. The accident which occurred May 19, · was fatal to his cousin, Lewis Martin of Marathon, who was with Martin enroute to visit Mar- R. T. Martin got out of Mindanao by plane Jan. 25, 1945, and landed on Leyte which had been captured by the U.S. in October of 1944. He returned to Robert Lee in October of last year.

MRS. MODRALL IS HONORED AT PARTY

Mrs. Billie Ray Modrall, the former Nina Jean George, was honored with a bridal shower last Wednesday in the home of Mrs. Charlie Lampkin, with Mrs. Alvin Estes, Mrs. T. J. Van Zandt and Mrs. Abe Lanier as co-host-

The house was decorated with spring flowers. After games were played, the honoree was presented with many beautiful and useful gifts.

A refreshment plate of cake, sandwiches and punch with pink rosebuds as plate favors, was served to 16 guests, the honoree and the hostess.

CARD OF THANKS We want sincerely to thank Bro. Bickles, Bro. Fuller, the Clift Funeral Home and each and all of our friends. You were such a help and comfort to us, in the loss of our loved one. We also thank you for the food and the each of you and be with you in all trials and sorrows that may

come into your lives. The Martin family His Daughter Peggy Three grandchildren Brothers and Sisters Nephews and Nieces.

Folks in the area watched the frightening clouds which brought heavy hail to the area northeast totaling as much as five inches, in places, stripped trees and other plants of their foliage. A small tornado passed between and Robert Lee received .75 inch. Norton and Maverick, but no damage was done.

Electric service in Bronte was disrupted for more than an hour and a patient audience at the Price Dance Recital at the school house sat in the dark auditorium until 9 p. m. waiting for a transformer to be replaced.

Despite the winds and hail the farmers and ranchers were jubilant over the additional moisture

THE BRONTE ENTERPRISE

Telephone service is growing both swiftly and surely. Although material shortages have handicapped us and continue to plague us, we are increasing our progress each day. More telephones are in service, more local and long distance calls are being made now than ever before. We know and appreciate that telephone service has become a "must" for homes, farms and business. Our expansion program is making rapid strides toward our one goal: Efficient telephone service for all who want it.

SAN ANGELO TELEPHONE CO.

Picture of a Pair 4-door, 6-passenger Special Sedan who just waked up

HERE in the driveway is a Buick. It has just arrived. It belongs to this proud young couple. They've just "arrived" too.

They've arrived at a discovery—the discovery that owning a Buick instead of a "low-priced car" isn't so much a matter of money.

It's a matter of knowing the facts of life. Buick prices are closer to the prices of smaller, less powerful, less distinguished cars than most people think.

Why don't you check into this?

You'll find you could pay \$300 to \$400 more and still not match the horsepower of this nimble beauty.

You could pay hundreds of dollars more-and still not get any more interior room, or richer

But that's only part of the story.

The big thing about any car is the way it goes. So you ought to find out how this car rides the road-the freedom from bobble and sway that cost a million real dollars to develop.

You ought to sample the way Dynaflow Drive*

feeds the power - with a steady swoop and unbroken smoothness in city traffic, on hills, or out on the open road.

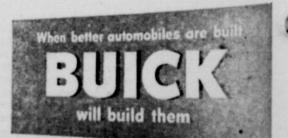

And you ought to know how it feels to touch off that Fireball 8 Engine. With all its might, this high-compression valve-in-head gets a lot of miles from a gallon of gas.

We'll tell you this-because a lot of folks have told us this: No matter what car you're driving now-no matter what cars you've looked atthey'll never seem the same after you try this

Just give us a chance to prove it - and you'll have a lot of fun.
