

THE BRONTE ENTERPRISE

Vol. 35

BRONTE, TEXAS, JUNE 26, 1953

No. 26

Formal Opening Sat. At Bronte Pharmacy

Formal opening of the beautiful new Bronte Pharmacy will be held Saturday. Mr. and Mrs. J. M. Rippetoe and Nona, owners of the firm, are inviting everyone in this area to visit them and see the new store.

A sale in connection with the opening was begun last Friday and will continue through the formal opening. An ad in this issue of The Enterprise lists items which are on at special prices, and invites everyone to be present for the Saturday event.

Free refreshments will be served all day Saturday. In addition to the free refreshments, Mr. and Mrs. Rippetoe have secured many valuable and beautiful prizes which will be given away at 4 p. m.

In addition to the big giveaway at 4 p. m., prizes will be awarded every hour at 3, 5, 6, 7, and 8 p. m. Everyone is invited to register and be eligible to receive a gift. Besides the gifts presented at these hours, there will be free gifts for everyone who attends the opening. A special gift will be presented to all babies under two years of age who are present.

The Bronte Pharmacy recently moved into their new location, after the building was completely remodeled and new fixtures were installed throughout. Since the remodeling, the local store is one of the most modern to be found anywhere in this area.

Water Usage and Temperature Go Up

Bronte use of water has increased right along with the temperature during the month of June, Water Superintendent Otis Smith said Wednesday. Tuesday, Smith said, 247,000 gallons of water was pumped into the city mains, for an all time record in the town. This compares with about 125,000 gallons which was being used

daily when Bronte first started getting water from the Oak Creek reservoir.

Officials estimate that when Sweetwater starts taking 4,000,000 gallons of water from the lake each day, the present supply will last 18 months.

Meanwhile, the weatherman had little to promise in the way of relief from the 100 plus temperature which has been burning the area for a majority of the 26 days of June which have passed. There is a remote possibility, the weather bureau reported, that a mass of cool air moving down through the Midwest may reach this area.

Ranchers and farmers are seeking government aid to relieve their feeding problems, brought on by the severe drought. No definite plans as to what can be done have been reported.

4-H Girls Attend District Camp

The District 7 4-H Girls camp was held at Buffalo Gap Wednesday through Friday, June 17-19. Registration began at 9 a. m. Wednesday, followed by a general assembly. The girls were divided into groups and each group engaged in different activities including recreation, nature study and handicraft.

On Thursday morning, the group heard the history of Buffalo Gap, given by Mr. Hamilton Wright of Abilene. They learned that Buffalo Gap was once the county seat of Taylor County and had a brick factory, grist mill, a college, a gins, a running stream, swimming holes, excellent fishing spots and was the scene for many big reunions and camp meetings.

Miss Thelma A. Casey, district agent, San Angelo, Miss Lucille Moore, recreation specialist from College Station and C. W. Simmons, Extension Forrester from College Station attended the camp.

Attending the Camp from this county were Misses Jeffie Harmon, Martha Adcock and Mary Beth Schooler, 4-H members; Miss Jonell Black, HD agent and Mrs. R. L. Bennett, adult leader, from Bronte.

Commissioners And Judges Meet At Robert Lee

The quarterly meeting of the county judges and commissioners of Concho, Runnels, Coleman counties was held Saturday at Robert Lee. Main part of the program was a report from Senator Dorsey Hardeman and Representative A. J. Bishop on new laws passed by the 53rd Legislature in its recent session.

Representative Bishop and Senator Hardeman reviewed the bills which the law making body passed, and also discussed the eleven constitutional amendments which will be voted on by the people of Texas in November, 1954.

Some discussion was also had concerning application for federal aid in securing feeds for livestock in the drought stricken area of West Texas. Judge Jeff Dean suggested that action be taken at once to get the application started through necessary channels.

Attending the meeting from Bronte were Commissioners Howard Brock and Claude Dimmore, L. T. Youngblood, Mayor H. O. Whitt and Ben Oglesby.

RECEIVES PROMOTION

Elwood M. Rogers, son of Mr. and Mrs. Larkin Rogers of Bronte, who is stationed at Fort Dix, N. J., has recently been promoted to Private First Class. He has been in service since October, 1952, and has been at Fort Dix since January, 1953. He is attached to a Military Police Squadron. Pfc. Rogers is married to the former Melva Lee Bryan of Wingate.

CHURCH OF CHRIST BIBLE SCHOOL TO BEGIN MONDAY

The Annual Vacation Bible School at the Church of Christ will begin Monday, June 23, at 9 a. m. There will be classes for every age from pre-school thru adults. It is planned that the class work will be over by 10:50 o'clock each morning.

The teachers and materials have been selected for the school. It is believed by those in charge that the needs of the various ages have been sufficiently met, and that this school will be the best one the church has had.

The following schedule will be observed as closely as possible: Monday morning at 9 o'clock, general assembly in the auditorium, and assignment to various classes. Each day: 9, first class; 9:40, Singing; 10, recess; 10:15, second class; 10:50, classes dismissed for the day.

The following teachers have been selected to take part in the teaching program: Mrs. Leon Sharp and Mrs. James W. Allen for the pre-school group; Mrs. John Coakson and Mrs. C. E. Bruton for the junior group; Mrs. D. P. Pinkard for the intermediate girls group; Leon Sharp for the intermediate boys group; Austin Sandusky and James W. Allen for the adult group.

The Church of Christ in Bronte welcomes everyone, both young and old, to attend this school.

Cotton Acreage to Be Increased If New Plan Passes

Cotton acreage under crop control allotments for most West Texas counties will be increased if a three-year average on cotton acres in cultivation is substituted for the present formula which is based on a five-year average.

Hearings are due to start in Washington before congressional committees during the coming week on House Bill 5655 and Senate Bill 2106, which propose the substitution widely supported by many western cotton growers.

Information developed by the West Texas Chamber of Commerce from records published by the U. S. Department of Agriculture show that all but 20 of the 417 cotton growing counties in West Texas would gain acreage by passage of these bills, largely because of new acreage put into cotton production during recent years.

The law now provides that allotments be based on an average acreage of five crop years—1947, 1948, 1950, 1951 and 1952. The year of 1949 was specifically omitted.

The new proposal would change the basis to the three years of 1951, 1952 and 1953.

West Texas as a whole would gain 688,900 acres for 1954 if the new formula is approved by Congress. The WTCC is urging every grower to give his Congressman his opinion of the more desirable formula.

Coke County would be allotted 10,700 acres on the proposed three-year basis and 7,800 acres on the present five-year basis.

DIES AT ANGELO

Funeral services for Mrs. Arra Hudec, 58, were held Tuesday, June 16, at the Cox Funeral Home in San Angelo. The Rev. W. Y. Houston, pastor of the West Side Baptist Church, officiated. Mrs. Hudec died Sunday, June 14, at her home in San Angelo.

Mrs. Hudec was born Nov. 3, 1894, at Hiawasse, Ga. She was a member of the West Side Church.

Survivors include one son, G. W. Lasater of San Angelo; three daughters, Mrs. Eunice Garden and Mrs. Beulah Hunt, both of San Angelo and Mrs. Lometa Irving of Irving; three brothers, Orville Patton of San Angelo, Arthur Patton of Menard and Lawrence Patton of California; four sisters, Mrs. Ida Warner and Mrs. Vera Mitchell, both of Bronte, Mrs. Ervite Whittley of San Angelo and Mrs. Georgia Ellsworth of California.

JACK TRIMBLE LOSES LAWSUIT

Jack Trimble of Robert Lee lost his lawsuit against E. P. Dannelley of San Angelo which was tried last week in 51st District Court in Robert Lee.

The case, which started Monday of last week, was one of the longest and hardest fought cases ever to be tried in this county. It also involved a record amount of money, \$436,000 in all. The jury panel was completed Wednesday afternoon and the case ended late Saturday when the jury reported their findings.

The suit was brought against Dannelley after a car which he was driving was in collision with a pickup being driven by Trimble. The accident occurred July 16, 1952.

The jury ruled that Trimble did suffer \$50,000 damages in the accident, but also ruled that Trimble was negligent in the accident, thus relieving the defendant of liability to pay the damages.

Judge Joe L. Mays presided at the six-day trial. Attorneys for Trimble were Jerome Pope of Odessa and Marvin Hanz of San Angelo, while Dannelley was represented by Don Case and Henry Strasburger of Dallas and B. W. Smith of San Angelo.

Lawyers for Trimble have filed a motion requesting a new trial and a hearing on the motion will be heard by Judge Mays. A number of affidavits from jurors have been filed in the district clerk's office, saying that their instructions were not understood.

Local Youth Go To Encampment

A number of local boys from the Junior and Intermediate departments of the Bronte Baptist church attended the Baptist Royal Ambassador Encampment at Lake Brownwood. The encampment was Monday through Wednesday, June 15 to 18.

John Hokcombe, Gene Allen Sherrod, Jimmy Ed Mackey and Benny Paul Jones were the Junior R. A. Campers and Bobby Brock, Aubrey Don Denman, Bobby Wyatt Hester and Roy Max Hester were the Intermediate R. A. Campers, with their pastor, Rev. Maynard R. Rogers, as Counselor.

The Bronte group were among the 522 boys and their counselors from over District 16 Baptist who spent last week at camp.

Girls Camp This Week

This week, June 22, through noon of Wednesday June 24, the Junior Girls' Auxiliary of the Women's Missionary Union of District 16 will camp at the Lake Brownwood Encampment.

The following Junior girls attended: Ellen Brock, Carolyn Glenn, Loretta Jones, Elouise Hester, Nona Gayle Rippetoe, Grace Rogers, Linda Smith, Carol Ann Sherrod, Juanita Wrinkle, all from Bronte and Lucille Cooksey from Blackwell, with Mrs. M. R. Rogers as their Counselor.

As they left camp at 1 p. m. Wednesday, the Intermediate girls from District 16 came in and will remain until Friday noon, June 26. Intermediate girls attending are Patsy Brock, Glenda Sue Cox, Faith Rogers and Joan Webb. Mrs. Aubrey Denman and Mrs. Lester Webb are their Counselors.

Beside their periods of swimming, softball, volley ball and other forms of recreation, the youth campers have periods of Mission study, Bible Study and Evangelistic Messages from the Camp Pastors. This is a much looked-for event in the lives of the youth over the district.

STARLIGHT 4-H CLUB

The Starlight 4-H club met on Tuesday, June 23, in the home of Mrs. R. L. Bennett, adult leader. Nine persons were present, including the agent and leader.

Miss Jonell Black gave a demonstration on "Biscuits." Refreshments of banana ice cream were served.

Miss Black gave out record sheets to be filled out by the members and also gave each one a recipe book.

Stores to Close for Holiday 4th of July

A hasty survey Tuesday indicated that most of the merchants of Bronte are ready to close for a holiday next Saturday, July 4. Every merchant contacted said he was willing to close. A more complete count will be announced in next week's Enterprise.

The national holiday, coming on Saturday this year, will give local residents a two day respite from the task of going to work at 8 o'clock. Some of the answers

FARM BUREAU MEETS JUNE 17

Coke County Farm Bureau directors and their guests met in Robert Lee Wednesday, June 17, in the county agent's office. Bob Lilly, district field man, was the principal speaker of the evening.

Several phases of Farm Bureau work were discussed during the meeting, including work done by the bureau during the past session of the Legislature.

It was brought out that the Texas Farm Bureau lived up to its slogan, "Protects and Promotes Agriculture," during the session of the 53rd Legislature in Austin.

For farmers and other rural dwellers the most important aspect of the session was the absence of any real threat to take away the rural road program annual appropriation, the counties' share of vehicle registration fees, and the county road bond assumption money.

During the 1951 session of the Legislature, an attempt was made to take money from these sources, plus the farmers refund on tractor gas tax, for use in construction of super highways. The Farm Bureau mustered enough strength to defeat the bills and rallied enough late in the session to push through a gathering tax on natural gas. This year, a bill was introduced to take away one-fourth of the tractor gas refund, but it was never considered.

Among the most important bills passed this year, with Farm Bureau backing, were legislation to eradicate V. E. disease in swine; a bill regulating the sale, use and distribution and hormone type insecticides, a law which gives grain farmers the right to warehouse legislation to date, and better seed laws.

The Texas Bureau opened an office in Austin during the past session to facilitate the work on its legislative program. The office was staffed by Vice President C. H. Devaney of Coahoma and State Director Loy D. Barbour of Iowa Park.

Lions Club Picnic Postponed Due to Hot Weather

J. A. (Jap) Stephenson, chairman of the committee to make arrangements for the community-wide picnic, to be sponsored by the Bronte Lions Club, announced this week that the affair has been postponed because of the extremely hot weather.

Stephenson said the members of the committee had discussed the matter and it was decided that a much larger crowd would be on hand for the occasion if it were postponed.

The club voted at a meeting last week to have the picnic in celebration of securing water in Bronte from Oak Creek reservoir.

Further details will be announced by the committee.

At the meeting of the Lions this week it was decided that several Lions and their families would attend a joint meeting in Ballinger. Purpose of the meeting is to install new officers for all clubs present. A picnic supper is to be carried by each family and free swimming will be provided by the Ballinger Lions.

given indicated that the heat is about to get everybody down, and a day at home under the

NO HAYRICK PICNIC-BARBECUE JULY 4

A card from J. W. Labenske this week said that there will be no barbecue and picnic at Hayrick on July 4 this year.

Labenske said due to the drought and the fact that so many residents of the community are working away from home, it was thought best to dispense with the annual event this year.

The Hayrick barbecue has been held each fourth of July for many years and will be missed by many old timers who attend each year.

air conditioner will be welcome. No special observance is being planned here. A carnival is scheduled for Goodfellow Field in San Angelo. Persons stationed there are trying to raise money to build a swimming pool and proceeds from the carnival will be used for this purpose.

SOFTBALL NEWS

Results of games the past week:

Thursday, June 18

BRONTE PHARMACY

MR. AND MRS. J. M. RIPPETOE

Letters to The Editor

RT. 3, Huntsville, Ark.
Dear Mr. Editor:

Here is a bit of statistical information concerning an Arkansawyer's view of labor that might be of some interest to your readers.

"There are 365 days in the year. You sleep eight hours a day, which is the equivalent of 122 days in a year; that leaves 243 days."

"The time you spend away from work, during which you are not sleeping amounts to eight hours a day, or a total of 122 days; that leaves 121 days."

"You do not work for 52 Sundays, which leaves 69 days. You are off half days on Saturday, which amounts to 26 days and leaves 43 days. You have half an hour off for lunch, a total of seven days, and six paid holidays plus two weeks vacation, which totals 16 days."

"There are 16 days you are actually at work. It is a known fact that it takes half an hour

for the average man to get started working after he arrives at the office, and he slows down a half hour before quitting time. This amounts to 14 days and leaves him with a total of two days for working."

"Now, the time he spends talking between jobs amounts to statistically speaking, two days. Thus, you don't really work at all."

Yours Truly,
Rita McCarley

PAPERS CONDUCTING BALLOT TO GET OPINIONS ON PRICE SUPPORT

Citizens of Colorado and Texas are being offered the opportunity to express their views as to the agricultural program this week through publication of a ballot in their weekly papers and in Texas, the editors of the home town papers are helping in the survey.

The secret ballot, which need not be signed, is being carried

this week in regular edition. The reason for this poll is the apparent differences of opinion between some organized groups and the rank and file producers who say that statements of a few members of these organizations do not reflect the true feelings of the majority of the livestock producers and farmers.

The state livestock paper of Colorado, The Denver Record-Stockman, last week ran the ballot. A partial count of the ballots revealed that 43 percent voted in favor of livestock and grain supports. Thirty-eight percent favor removal of all supports. Only one and one-half percent favor the present rigid supports of grain, while livestock remains unsupported. Let's see how Texans feel about it and what program is favored.

The Bronte Enterprise will cooperate in this poll and Ted Gouddy of the Live Stock News Service in Fort Worth has offered to tabulate the returns from the some 350 Texas county newspapers and we will carry a complete story of the results of the Texas opinion poll when this is completed.

The ballot is secret, you need not sign it.

YOUR SENATOR REPORTS

By Lyndon B. Johnson

FARM BILL: Senate last week passed the agriculture appropriations bill, voting \$716,779,000 for the 1954 fiscal year. That's about \$20,500,000 below appropriations for the current year.

The bill provides \$195,000,000 for payments to farmers carrying out soil conservation practices. The Administration had asked \$140,000,000 for this purpose.

We were able to get the lending authority of the REA for the year 1954 increased from 30 million dollars—as provided in the House bill—to 45 million. Lending authority for rural telephones was raised to 67 million from the 50 million provided in the House measure. These sums will be used only for loans, of course, and the co-ops have an excellent record of repayment.

WHEAT PRICES: Wheat led a sharp downturn in commodities last week. Prices tumbled to some of the lowest levels in three years.

Prospect is that this summer's harvest will pile up a surplus of

over 700 million bushels. As this is written, legislation is planned to set the minimum planting allotment for next year at 66 million acres. Without passage of this legislation, plantings would have to be reduced to 55 million acres. This might lead to growers' disapproving marketing quotas and thus losing high level price support.

COTTON QUOTAS: Drastic cutbacks in cotton acreage in Texas and several other states would be prevented by passage of legislation introduced in the House last week.

This legislation would base acreage allotments on average production for the last three years, would limit reduction to 25 per cent in any state. The present formula would compel an overall cutback of 39 per cent in Texas.

COTTONSEED: Farm Secretary Benson has expressed reluctance about continuing price support program for cottonseed. The present program supports cottonseed at 90 per cent of parity, the same level at which wheat, corn, tobacco, rice, peanuts and cotton are supported. But the law only permits—does not require—support for cottonseed.

About half the products from last year's cottonseed crop are said to have been turned over to the government under the support program. Included in the government's holdings are nearly a billion pounds of cottonseed oil. That's almost as much as is used in food products in a year's time.

FARM FACT: Report on the Farm Census of 1950 has just been issued. It shows that, when the census was taken, Texas had 331,567 farms. That was 86,435 fewer than in 1940. But this smaller number of farms took in 705,642 acres more than the larger number of 1940—for a total of 145,389,014 acres.

NEWS FACTS: Reciprocal Trade Act extension for one year was approved last week by the House. Approval in the Senate is expected this week.

Texas State Society honored Gene Autry at our annual barbecue Saturday, June 20. Gene, a native of Tioga, in Grayson County, is as fine a fellow personally as he is popular in the entertainment world.

Democratic Floor Leader Sam Rayburn told the House last week that Democrats want to cooperate with the President. Said Mr. Rayburn: This present Administration needs more non-partisan help than any administration we have ever had.

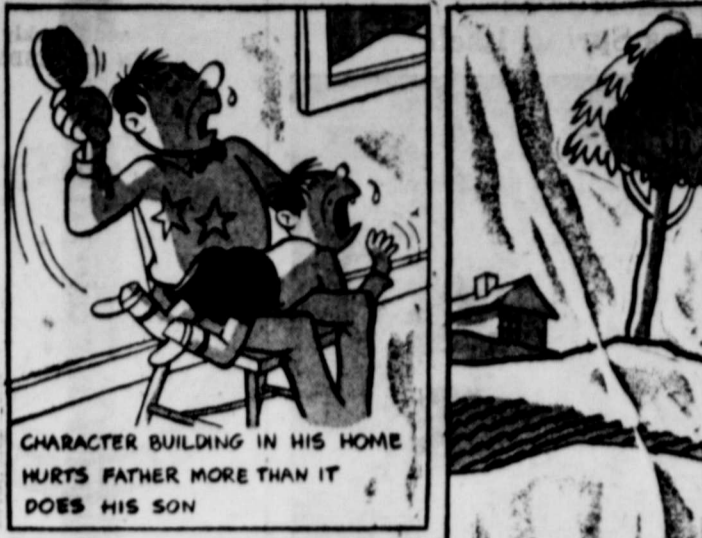

Action on the Continental Shelf bill was listed last week as "must" legislation by Senator Knowland, Republican Leader in the Senate.

WINTERS RODEO

A group of boosters for the Winters Rodeo were in Bronte Tuesday morning inviting local residents to attend their show this weekend. Dates for the affair are June 25, 26 and 27. Events included in the show each day are bronc riding, bull riding, calf roping, trailer race, cutting horse contest, matched roping, baby elephants act, Abilene quadrille, and other specialty acts.

This is the 1953 Chevrolet Bel Air 4-Door Sedan. It's one of 16 Chevrolet models in 3 series, which add up to the widest choice in the low-price field.

Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully before you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1953 Chevrolet stands in those respects.

Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we can tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more.

And you might consider this: Chevrolet styling is the newest in its field. It's the kind of styling that stays new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile

body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrifty-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes sub-

stantial savings on over-all upkeep, as well as on gasoline.

New Getaway in the New Powerglide*

The new Powerglide automatically drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can seesaw in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

A Smoother and a Safer Ride

Chevrolet is the heaviest low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and still cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds more cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities for research, for engineering and production. So, isn't it reasonable that these greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people liked Chevrolet better. Unless Chevrolet offered more things people want—more value.

So, when you're ready to choose your new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit at any time, so that you can look the car over yourself and try it out on the road.

*Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Ten" and Bel Air models at extra cost.

Cooperation Asked By SS Officials

The old-age and survivors insurance program of the Social Security Act cannot fulfill its mission without the cooperation of all employers, their employees and the self-employed, according to George Clark, manager of the social security field office.

With the thought that information is the key to a better informed group of employers and employees, the Social Security Administration has prepared pamphlets covering each phase of the old-age and survivors insurance program. Publications are available which explain eligibility to benefits, amounts of benefits, and how to claim benefits. Special booklets have been prepared for different covered groups, such as household em-

The Bronte Enterprise

ployees, farm workers, state and local government employees, employees of non-profit organizations, and the self-employed. Basic rights and obligations should be fully understood by all of the people who are affected by this employer and employee insurance program, Clark declares.

Any of the publications concerning the old-age and survivors insurance program may be obtained, without charge, at the nearest social security field office.

"Fulfill your part of the social security program," Clark urges, "by becoming better informed about your stake in old-age and survivors insurance. Call or write your social security office, located in the Federal building, San Angelo, and ask for information concerning your

particular interest in the old-age and survivors insurance program.

Mr. and Mrs. W. J. Beatty and family of Alhambra, Calif., were recent visitors of his brother, L. W. Beatty, and Mrs. Beatty, at their home north of Bronte.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mrs. Daisy Henderson has had as her guests Mr. and Mrs. Paul Scheyler of Midland, Miss Susan Snow of El Paso, Mr. and Mrs. J. G. Snow and children of Benson, Ariz.

Mrs. W. W. Youngblood left last Thursday for Greenville, Miss. where she joined her brother and wife, Mr. and Mrs. A. M. Wright and her sister, Mrs. Neita Neal of Hollendale, Miss in a trip to the northwest. They left by train from Memphis, Tenn. and took the northern route by Chicago to visit Lt. Comdr. W. H. Neal and family of Seattle, Washington. From there the entire party will drive to Canada where they will spend several days on a sight seeing tour, attending the Olympics. They will return via Southern route by Los Angeles and will stop over for a visit with Mrs. Youngblood at Blackwell and

Mrs. Joe Arledge at Sweetwater. John Slaton of Dallas has been visiting Mr. and Mrs. Carl Whitaker.

Mrs. Vernon Copeland has been moved back to the Bronte Hospital and is doing nicely after undergoing major surgery in a Ft. Worth hospital.

Mrs. D. T. Hunt has had as her guests Harry Palmer of Ft. Worth, J. T. and Will Palmer of Albany and Mr. and Mrs. Ben Palmer of Sweetwater, Mrs. Barney Carter and Mrs. Katherine Parker of Tyler.

Mr. and Mrs. O. M. Ratliff have had as their guests Mr. and Mrs. Bob Davis and daughter of Amarillo, Carroll and J. C. Hunt of Lovington, New Mexico.

Mr. and Mrs. George Stoepfer and daughters have been called to the bedside of his father, who is ill in Brady.

Mr. and Mrs. Cecil Hargrave and son, Jamie of Douglas, Ariz. are visiting his mother, Mrs. Hargrave and her parents, Mr. and Mrs. Robert Tubb and other relatives.

This Dessert Is as Refreshing as Spring Itself

LET this Frozen Lemon Cereal Pie introduce spring to your menus.

The pale yellow lemon filling with a golden cereal flake base and topping is refreshing to look at as well as to eat. Cooking time can be saved, too, for the crust does not need baking.

Unbaked crusts are a boon to the homemaker on hot days. Also, you'll appreciate the important nutrients that this cereal crust provides. Make sure this dessert is well chilled, then cut it into triangles and serve.

Frozen Lemon Cereal Pie
Cereal Crust:
2 1/2 cups corn flakes or whole wheat flakes, finely crushed after measuring
1/4 cup melted butter or margarine
Add melted butter to cereal flakes and mix thoroughly. Re-

serve 1/4 cup for top and with remainder line bottom and sides of a shallow refrigerator tray, pressing firmly.

Filling:
3 eggs, separated
1/2 cup sugar
1/2 teaspoon salt
1/4 cup lemon juice
3 teaspoons grated lemon rind
1 1/4 cups whipping cream

Beat egg yolks slightly, add sugar, salt, lemon juice, and rind. Cook over boiling water until mixture thickens, about 5 to 7 minutes, stirring constantly. Chill. Beat egg whites until they stand in peaks and fold into lemon mixture. Then fold in stiffly beaten whipped cream. Pour into lined tray and sprinkle with remaining crumbs. Freeze until firm with control at coldest setting. Cut into triangles. Yield: 6 to 8 servings.

Three more teachers have been elected for the Blackwell school system, Miss Mary Lanotte of Mason for the sixth and seventh grades, Mr. and Mrs. Homer McBride of Abilene for English and Coach. This completes the faculty.

Mr. and Mrs. Babe McLendon and sons, Mr. and Mrs. Paul Miller of Douglas, Ariz. are visiting in the G. K. Corley, Joe Davis, and Kay Corley homes.

Mrs. L. H. Montgomery is visiting her parents in Brownfield.

Mr. and Mrs. Wilson Arnold of Midland visited in the Paul McCoy home Monday.

Mrs. Clayton Caraway and Mrs. Jack Snead of Robert Lee visited in Blackwell Tuesday.

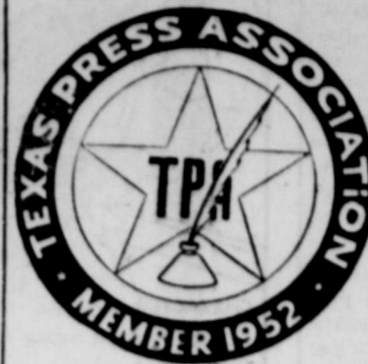

Mr. and Mrs. R. H. Reeves, Mr. and Mrs. Ross Reeves and children visited Mr. and Mrs. Otis Curry in Tahoka over the weekend.

Mmes. Austin Jordan, Roy Sanderson, H. C. Raney, David Hamlin, T. A. Carlisle and Miss Bettye Sanderson attended a District WSCS meeting in Roscoe Monday.

MORE HEADWAY EVERY DAY

Telephone service is growing both swiftly and surely. Although material shortages have handicapped us and continue to plague us, we are increasing our progress each day. More telephones are in service, more local and long distance calls are being made now than ever before. We know and appreciate that telephone service has become a "must" for homes, farms and business. Our expansion program is making rapid strides toward our one goal: Efficient telephone service for all who want it.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

The Runnels Baptist Association met with the Brookshire Baptist church Tuesday evening. The program was on "Stewardship" and the main speaker of the evening was Rev. R. E. Streetman, pastor of the First Baptist church in Coleman.

Mrs. Mozelle King of San Angelo visited Mr. and Mrs. J. C. Boatright Thursday. The Boatrights went to Winters Saturday night to visit Mr. and Mrs. Lonnie Hester and to Abilene Sunday where they visited Mr. and Mrs. C. H. Hester.

Mr. and Mrs. Ray Tatum of San Angelo visited in the Jim Clark home Tuesday.

Mr. and Mrs. A. J. Essary visited friends and relatives Sunday in Brownwood.

Mr. and Mrs. Clinton Toungetz of Miles attended church services here Sunday night.

Mr. and Mrs. Willard Caudle returned Thursday from Phoenix, Ariz., where they had spent ten days with relatives.

Mr. and Mrs. Raymond Henry

of Verbest visited the J. P. Toungetz Sunday and attended church services here. Others visiting the Toungetz Sunday were Mr. and Mrs. Mug Stephenson and Mrs. Grace Hedges.

Mrs. Lillie Lee of Ballinger visited the Hurlin Lees last week and is visiting Mrs. Claude Lee at Maverick this week.

Rev. and Mrs. Lester Russler visited Mr. and Mrs. B. V. Hedges Sunday.

The Jolly Breakfast club met Saturday with Mrs. Bill Williams. Present were Meses. J. W. Cook, Doxie Lauder, Bert Hester and granddaughter Al D. Richards and daughter-in-law, Wesley Pinzing Herbert Holland and Dick Piser. Saturday the group will meet with Mrs. Holland.

Mrs. James Holland and Mrs. Don Walker spent Wednesday in San Angelo with Mrs. Don Alexander.

Mrs. Luther Nixon was dismissed from the Ballinger hospital Wednesday where she had received medical treatment since Sunday.

Visiting Mrs. D. Larkin Sunday were her children, Mr. and Mrs. Bill Taylor, Mr. and Mrs. Tom Jackson and Joe Bailey Larkin, all of San Angelo.

THE AMERICAN WAY

SOROSIS CLUB HAS CANASTA PARTY

Members of the Sorosis Study club and their husbands enjoyed a social held last Saturday night in the American Legion Hall. Members of the Yearbook Committee were hostesses.

Games of progressive canasta were played and refreshments of tuna fish sandwiches, potato chips, assorted cookies and Cokes were served to the following:

Messes. and Meses. Louis Bridges, Heidel Brunson, Matthew Caperton, Royce Fancher, Clark Glenn, E. F. Glenn, Vernon Glenn, Royce Lee, Clyde Lee, Binks McCutchen, Bill McKown, Charlie Phillips, Edward Cumbie and Pete McDonald.

Mr. and Mrs. Clifford Baker and children of San Angelo spent Sunday in the home of her parents, Mr. and Mrs. J. I. Adair.

CONOCO Safety-First SERVICE

More than just an oil change—

A COMPLETE SAFETY SERVICE FOR YOUR CAR!

Fourth-of-July weekend just ahead—what better time for an auto trip? But before you leave, think of safety first—the protection you owe your family. Be sure your car is safe and set with Conoco Safety-First Service! And remember to drive carefully. Hope you'll have a wonderful time!

More than meets the requirements of any car on the road!

FREE tire inspection

Your Conoco dealer will check air pressure and inspect all tires for cuts, bruises and wear.

FREE brake check

He'll safety-check your brake system and he'll recommend repairs when needed for safe driving.

FREE cooling system check

He'll examine your entire cooling system... drain it if you wish... make sure it's set for hot-weather driving.

FREE lighting system check

He'll inspect headlights, tail lights, signal lights—to make sure your car has no defective bulbs.

FREE battery check

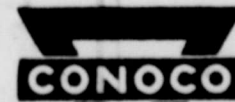

He'll test your battery—clean terminals, advise you if you need a battery charge, or new cables.

Conoco lubrication

Using Conoco's special Check-Chart for your make of car, he'll get to every single lubrication point.

Drain and refill with CONOCO Super MOTOR OIL

While the engine is hot, he'll drain out your old oil. Then he'll recondition air and oil filters and refill your crankcase with Conoco Super—the motor oil that OIL-PLATES metal surfaces and helps your engine eat less—run better—and live longer!

... the best there is for you and your car!

Drive carefully—
the life you save
may be your own

There's
 a long, long trail
 of Chowhounds!

A MAN'S GOT TO EAT to do his best work! And when that work is fighting, eating well is even more important. So even on a snow-patched, Korean hillside, lines are kept clear for the food to go through... hot food—the best—for men who deserve the best.

You're a part of this picture, too—every time you invest in a U. S. Defense Bond. For only an economy like ours could produce the food and the thousand other things necessary to give our fighting men the very best.

And Bonds are a vital part of our economy. It's true that Bonds are first of all financial security for you. But they are also economic strength for America in a world where peace is only for the strong.

Ask at your company's payroll office about the Payroll Savings Plan that makes saving easier because it saves something out of your pay check before you have a chance to spend it. It's simple, it's convenient, and it really works!

Here's how E Bonds now earn more money for you! Now safe, sure U. S. Series E Defense Bonds pay an even better return than ever before... thanks to 3 brand new money-earning features announced by the U. S. Treasury.

1. Now every Series E Bond you get begins earning interest after only 6 months. It earns 3%, compounded semiannually, when held to maturity. It reaches full maturity value earlier (9 years 8 months) and the interest it pays is now bigger at the start!
2. Every Series E Bond you own can now go on earning interest for 10 more years after it reaches the original maturity date—without your lifting a finger!
3. During the 10 year extension period, every unmatured Bond earns at the new, higher interest (average 3% compounded semiannually). Your original \$18.75 can now repay you \$33.67. \$37.50 pays back \$67.34. And so on.

Start now! Invest more savings in better-paying Series E Bonds—through the Payroll Savings Plan where you work or the Bond-A-Month Plan where you bank!

Peace is for the strong! For peace and prosperity, save with U. S. Defense Bonds!

The U. S. Government does not pay for this advertising. The Treasury Department thanks for their patriotic donation, the Advertising Council and

sisters.

J. O. Bagwell recently received word that he has been selected for an athletic scholarship at Texas A & M College. J. O., son of Mr. and Mrs. Floyd Bagwell, was a graduate last month of Bronte High School, where he was outstanding in all sports, particularly football. He will enter A&M in the fall.

Mrs. Ava Scott of Lamesa is visiting in the home of her daughter, Mrs. B. G. Timmons, and family.

Mr. and Mrs. E. H. Savage and children of Midland; Mr. and Mrs. R. C. Horton and children, Mrs. Joe Earl Horton and children and Mrs. Joe Horton of Andrews all visited last weekend in the Tom Smith home.

Mr. and Mrs. Gerald Beaty of El Paso visited in the home of her parents Mr. and Mrs. W. H. Robertson, last week. Mr. and Mrs. Robertson and Sue left Wednesday morning on a vacation trip that will take them to Greenville. They took Mr. Robertson's father, W. H. Robertson, who has been visiting here, to his home there. They will go on to Tulsa, Pampa and to El Paso where they will visit the Beatys before returning home.

GIFT TEA HONORS MISS FAUBION

Miss Nelda Faubion, daughter of Mr. and Mrs. L. A. Faubion of Ballinger, was complimented with a gift tea Tuesday afternoon at the home of Mrs. O. L. Parish in Ballinger.

Miss Faubion is the bride-elect of Billy Paul Thomason, son of Mr. and Mrs. William G. Thomason of Thrall and formerly of Bronte. The couple will be married Saturday, June 27.

The honoree's chosen colors, pastel tones, were used about the receiving rooms. Guests were received by Mrs. Parish, the honoree, Mrs. Ernest Marshall of Maverick, grandmother of the prospective bridegroom and Miss Elnita Faubion, sister of the bride-elect.

Crystal and silver were on the white lace table cloth in the dining room. Yellow gladioli in a crystal bowl with green and yellow candles formed the centerpiece. Other floral arrangements were daisies and other garden flowers. Green and yellow tapers in crystal candelabra were on the buffet.

Guests were served cake squares iced in white and decorated with pink rosebuds, punch, pastel colored mints and nuts.

Mrs. Roy Wilkins, who will be matron of honor at the wedding, was a member of the house party.

Piano and vocal selections were given throughout the afternoon. About 350 guests were registered.

CARD OF THANKS

I want to thank all the dear friends who were so kind during my illness and at the loss of our baby. Also we wish to thank Dr. Harris and Dr. Goldman and all the sweet nurses for their kind treatment. — Mr. and Mrs. Charlie Brown.
