Bronte Tangles with Robert Lee Tonight; Defeat Ira 18 to 0

By BILLY ALEXANDER

The Bronte Longhorns rambled over the Ira Bulldogs last Friday night with a score of 18-0. The Longhorns did their scoring in the first and last periods. The local gridsters had one touchdown called back because of backfield in motion.

The first blood was drawn by

the Longhorns early in the first period after the local lads took over on a punt by Ira. Stevenson ended the drive of 55 yards when he went over from the one foot line. The try for extra point was no good on a running play. From then on the Longhorns neck ball. The Longhorns would and Bulldogs played neck and

take over only to have the Bulldogs intercept a pass.

In the fourth period, the Longhorns again drew blood when Stevenson tossed a pass to Smith from the fifteen yard line. The try for conversion was missed on a kick.

Again in the fourth quarter, Bronte made another TD after a hard drive. Arbie Phillips ended it with a 20 yard punt for the score. The try for extra point was blocked.

In the second period Phillips made another touchdown, only to have it called back because of backfield in motion.

Late in the fourth quarter, the Longhorns stopped an uprising of the Bulldogs when Arbie Phillips recovered an Ira fumble on the six yard line. When the game ended the Longhorns were again on the march, having carried the ball to the 50 after Phillips recovery of the Ira fumble.

The Longhorns are looking forward to the game tonight when they travel to Robert Lee. The Bronte boys are in tip-top condition and will be ready to take on the Steers. Let's all go over to Robert Lee and give the boys a lot of backing. Game time 8:00.

OVER 200 PERSONS ATTEND THE BAPTIST ASSOCIATION MEETING

Some 200 messengers and visitors attended the Runnels Baptist Association's Forty-Sixth Annual Session, which convened at the First Baptist Church here, Monday evening, Sept. 14. The opening session was at 6:45 p.m. when the Board of Executive Officers met and the women over Runnels and Coke counties met for their Women's Missionary Union.

Out of town speakers appearing on the program were Rev. Clifford Nelson, Brownwood, the District Sixteen Baptist Missionary, speaking on "Mobilizing Our Membership for Stewardship Study." Rev. C. E. Buchanan, Dallas, spoke on the Denominational Objective for 1954 and 1955. A layman, Elliot Kemp, Ballinger, brought a forceful personal stewardship testimony. The sermon for the evening was delivered by Rev. Taylor Pendley, Dallas Superintendent of Associational Missions. He was pastor at Wingate some eight years ago.

Tuesday all day sessions found nearly 200 messengers and visitors attending most of the day-long sessions of reports from the Training Union, Brotherhood, Women's Missionary Union, Sunday School, Evangelism and District Missions and Encampments. Tuesday morning was climaxed by a beautifully rendered solo, sung by a Bronte girl, Miss Carolyn Kemp. The Annual Sermon followed and was given by Rev. R. H. Cagle, pastor of the First Baptist Church, Ballinger. Dinner was served to 200 guests by the local Baptist women at the noon hour. Speaking in behalf of the State Orphanages in the afternoon session was Rev. E. J. Gregory, superintendent of Mexican Baptist Children's Home in San Antonio. Following his message, the committees on next year's work reported.

Rev. B. T. Shoemaker, Winters, was reelected as moderator, as was the treasurer, R. P. Canady, Ballinger.

The place of next year's meeting will be Norton on Sept. 13 and 14, 1954. Annual sermon is to be delivered by Rev. C. F. Cloud of Wilmett. The budget for 1954 remains at about the same figure as the past year, \$3,460.00.

The annual session was closed by an inspirational message on Christian Education by the new president of Hardin-Simmons University, Abilene, Dr. Evan A. Reiff.

Local Baptist pastor, Rev. Maynard R. Rogers, was elected vice-moderator of the Executive Board and the Associational Sunday School superintendent.

FARM BUREAU MEMBERSHIP DRIVE SET FOR OCTOBER 5-10

Gov. Allan Shivers has officially proclaimed the Week, Oct. 5-10, "Texas Farm Bureau Membership Week."

During that week more than 10,000 volunteer workers in some 180 organized counties will spread out over the countryside contacting individual farmers and ranchers to invite them to join Farm Bureau. The membership goal in Texas this year is 75,000 farm families. At the present, there are more than 53,000 Texas farm families with a membership in Farm Bureau, an independent farm organization of, by and for farmers.

Coke County Farm Bureau will participate in this big membership drive, according to Chairman C. E. Arrott. Plans are to be made at a kickoff drive to be held at Arrott's home southwest of Bronte, next Wednesday, Sept. 23.

All directors of the Coke County organization and one helper are invited to attend the meeting. Arrott said that Coke County's quota on members for the coming year is 250 farm families. This is quite an increase over the 185 that were enrolled last year. He urges that all the officers and directors be present so that plans could be completed.

On the eve of the gigantic state-wide membership campaign J. Walter Hammond, president of the state farm organization, stressed the need for a stronger state Farm Bureau in a letter sent to all county Farm Bureau officials in the state.

"The people engaged in farming and ranching have a great responsibility facing them this year," he declared. "This is a year of decision. Farmers must

decide what policies we want incorporated into the national farm program, and they must decide who shall speak for farmers. Next year will be a year of action on a national basis, and the voice of Texas farmers and ranchers will be determined by the membership in the Texas Farm Bureau Federation."

The Texas Farm Bureau is affiliated with the American Farm Bureau, which has a membership of 1,492,282 in 47 states and Puerto Rico. Illinois, the largest state in membership standing, has nearly 300,000 members, while several other mid-western states have more than 100,000 members. Texas has the largest potential, with some 350,000 farm families in the state. Many of the larger Farm Bureau states have already reached their maximum membership potential.

Farm Bureau policies are determined democratically through a resolutions process in county, state and national conventions. The number of voting delegates at these conventions is determined by the number of Farm Bureau members in the county or state.

Texas Farm Bureau officials are looking forward to the day when the farmers and ranchers of this state have a more powerful voice in determining what the national farm program shall be.

Officers of the Coke County Farm Bureau, in addition to the Chairman, C. E. Arrott, are: Directors James Arrott, James Allen, V. V. Wojtek, Finnell Smith, O. T. Colvin and Bryan Gartman; secretary, Mrs. C. E. Arrott; reporter, Mrs. O. T. Colvin; insurance agent, W. L. Carr.

WORK STARTED ON BANK REMODELING

Work has begun toward getting things in shape to move and remodel the First National Bank in Bronte.

The firm is planning an extensive remodeling and enlarging program. Business will be carried on upstairs while the work is going on.

FIRE TRUCK IN NEW PLACE

The Bronte fire truck has a new home in the front part of the city hall. The building has been remodeled and a large door installed in the east half of the front of the building. This will allow the fire truck to drive directly into the alley at the rear of the city hall.

Typhoid Shots Free Till Tuesday; Cases Reported at Anson

City Health Officer Dr. John R. Harris reported Thursday that he has received an unofficial report that there are 14 cases of typhoid fever at Anson, northeast of here.

Dr. Harris said that he would like to urge all persons living in this area to take typhoid shots. He said that persons may receive them free of charge at the local hospital, providing they begin taking the series of three injections not later than Tuesday, Sept. 22. After that date, the usual charge will be made for the shots.

Quite a large number of local residents have already taken typhoid injections, Dr. Harris reported, but everyone should take them. Danger of a typhoid epidemic was stressed after the flood which swept through here last month.

Plans In Making For Homecoming Saturday, Oct. 17

The Bronte Ex-Students Association committees have been busy the past few days sending out invitations for the third annual Homecoming, which is set for Saturday, Oct. 17, at the Bronte High School.

Earl F. Glenn, president of the association made the following statement in connection with the Homecoming this year: "We are anxious to have every one attend this program as we know that you will enjoy seeing your old friends. If you ever attended the Bronte School, taught in the Bronte School, or have been a trustee of the Bronte system, you and your wife or husband are extended a most cordial invitation."

Following is the schedule of events:

2:5 p.m.—Registration and tea at the First Baptist Church.

7:30 p.m.—Banquet in the High School gym.

After banquet—Visiting for as long as you want to stay.

Tickets will be \$1.50 per person. Everyone is urged to mail reservations in by Oct. 5, as the committee will want to know how many to expect. Tickets can also be bought at the door.

TEACHING AT SCHREINER

Theo Blue, son of Mr. and Mrs. T. H. Blue of Sheffield, formerly of Bronte, has accepted a position teaching at Schreiner Institute at Kerrville. Blue is a graduate of the Junior College and only recently graduated from the University of Texas.

New Sprayer Tried Out Here Wednesday Night

The scourge of flies, mosquitos and other insects should improve here, for Bronte was privileged to be the first user of the new spraying machine which arrived the first of the week. The spraying was done Wednesday night. Some local residents said they

were right surprised to see the dense white fog rolling around here Wednesday night. The machine does put out a terrific amount of the bug killing mist and is capable of covering a one-block area from any spot.

The spraying was purchased

for joint use here and at Robert Lee. Coke County commissioners agreed that half of the cost would come from county funds, while Bronte and Robert Lee will pay one-fourth of the cost each.

Mayor H. O. Whitt explained last week that the machine will cost Bronte a little over \$500. He said that cost to hire a machine to spray the town one time costs \$250, so "we'll have our money back in a couple of sprayings," he added.

A great increase in flies, mosquitos and other insects has been noted here since the flood last month. Many residents have complained that they have to sleep with air conditioners on to keep mosquitos away.

The Bronte Lions Club spearheaded the drive to raise funds used in spraying the town.

LUBBOCK COUPLE GIVE FLAGS TO LEGION; AUXILIARY VOTED IN

The George Scott Post of the American Legion received as a gift last week the post colors and a national flag of matching size. The flags are a gift from Mr. and Mrs. Roy Watson of Lubbock. Mrs. Watson is a sister of the late George Scott, for whom the local post is named.

Mr. and Mrs. Watson, who are active members of the Allen Bros. Post Auxiliary in Lubbock

have long been interested in the work of the organization. They were in Bronte on Memorial Day of this year, along with Mrs. Kathryn Scott, mother of George Scott, to attend Memorial Day ceremonies.

A. E. Bell, Jr., commander of the local post, said that the flags have with them poles for carrying, leather carry belts and rain covers. A cabinet for storing the colors will be built right away.

The Legion in a meeting Tuesday night voted to work toward the organization of a Legion Auxiliary of the post. An auxiliary has never been in existence here and members expressed the opinion that such an organization would be a great help in carrying out the work of the post.

At the same meeting, Marvin Leck was elected adjutant, replacing J. L. Alexander who resigned and moved to San Angelo.

Coke County SCS Enters Contest

The Coke County Soil Conservation District has entered the national Soil Conservation Awards program sponsored by the Goodyear Tire & Rubber Co. of Akron, Ohio, it was announced today by District Chairman C. N. Webb, of Tenneyson.

Members of Coke County District will compete against other soil conservation districts in the state. Non-partisan judging committees, selected from Texas' outstanding exponents of the soil conservation movement, will determine the state's outstanding district for the period July 1, 1953, and April 30, 1954, on a basis of total points scored in performance of regular district duties.

Grand award for one member of each winning district governing body and the top cooperating farmer or rancher named by the district will be a one week, expense free vacation trip to Good-year's fabulous winter resort, the Wigwam Guest ranch on Good-year Farms, Litchfield Park, Ariz., in December, 1954.

Members of the Coke County District governing body who will compete for the Goodyear award are: C. N. Webb, Bryan Yarbrough, W. C. Shamblin, W. E. Burns and Robert W. Walker.

National winners of the Goodyear Soil Conservation Awards will be announced at the seven regular area meetings of the National Association of Soil Conservation districts. Plaques will be awarded at these conventions to the hundred first and second place winning districts.

Former Artillery Commander Congratulates New President

Brig. Gen. Walter E. Some 400 veterans of the Division attended the twenty-eighth reunion of present and former members of the Division at the Gunter Hotel in San Antonio last week end. Bronte's band and pep squad will make their first appearance of the season tonight at the Robert Lee and Bronte football game. The game is being played at Robert Lee.

Mr. and Matthew Caperton left Thursday morning on a short vacation trip to Carlsbad Caverns, Ruidoso and other points in New Mexico. They were accompanied as far as Denver City by Mrs. E. L. Caperton, who will visit her daughter, Mrs. Jack Belcher, and family.

County Adopts \$161,211 Budget

Coke County's expenditures for the year 1954 are estimated to be \$161,211. This was disclosed at a budget hearing at Robert Lee Monday, when the Commissioners Court met in regular session.

Receipts from all sources for the year are expected to be \$231,900.

It was estimated the county will spend close to \$127,663 this year, while expenditures in 1952 were \$137,245.

Another interesting action taken by the court was the leasing of 16 lots here in Bronte. The lots are the county's and comprise the plot of ground used for storing county road equipment. A bonus of \$40 per lot was received. Taylor Emerson handled the transaction and some discus-

sion was had on the possibility that the test well which was drilled on L. T. Youngblood's property a few years ago may be deepened.

Other business attended to included the hiring of Joyce King as secretary in the offices of the county agent and home demonstration agent at a salary of \$150 per month.

The commissioners agreed to use money from the Farm to market road fund to help replace bridges and culvert in Precincts 1 and 2 which were washed out in the flood last month.

Members of the court discussed the purchase of the sprayer which will be used jointly by Robert Lee and Bronte. The county had previously agreed to pay half of the \$2145 cost.

We then that are strong ought to bear the infirmities of the weak and not to please ourselves.—(Romans 15,1.)

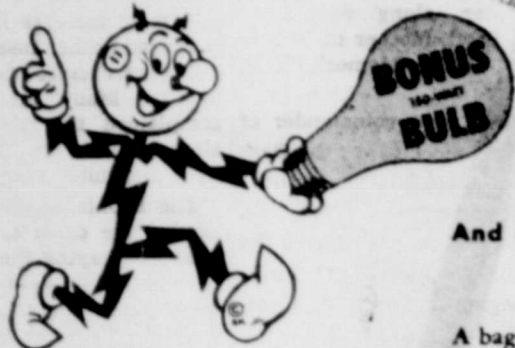

It is one thing for a man to be confidently strong in his faith; but it is quite another if, in his strength, he becomes smug and unsympathetic, unmoved and unseeing. He is not truly a good Christian if he fails to help those less fortunate than himself—for their sake, not his—at every opportunity.

LET'S TALK LIVESTOCK

BY **TED GOULDY**

Fort Worth—Cattle and calf prices broke sharply at all major market centers Monday as the season's largest offering, nearly 150,000 cattle, arrived. Grassers, fat cows and stockers suffered the biggest declines.

The downward swing of prices followed the sharp rise of the previous week when virtual starvation runs of livestock brought about by the Labor Day holiday had lifted prices sharply in all categories.

Suspension of the drought disaster feed program in many counties last week helped crystallize the thinking of many cattle owners that was time to put some cattle in the bank.

Many well informed people in the livestock and packing business are anxiously watching the percentages of slaughter of cows and heifers and expressing concern. They feel that no real inroads have been made into the big numbers of cattle and that on the basis of present slaughter figures, the cattle population is still rising.

State PMA Boss Claude McCann gave a fair indication of the change of climate in PMA and the Department of Agriculture generally with his statement last week on the drought disaster program. He said: "This is a disaster program, not one aimed at giving people some cheap feed." McCann says what he thinks every time, as many of the members of the livestock industry know from past experience. Such frank expressions are entirely new to government programs.

At Fort Worth Monday, good and choice fed cattle were scarce, selling from \$18 to \$21.50, with plain and medium grassers largely from \$10 to \$15.50, and some dairy breeds down to \$6. Fat cows \$9 to \$11.50 and canners and cutters \$6 to \$9.50, some high yielding Brahmas and Western cutters at the higher figure. Bulls drew \$8 to \$12.

Good and choice fat calves \$13 to \$17, few heavies \$17.50. Plain and medium butchers \$10 to \$13, culls \$7 to \$10. Stocker steer calves mostly \$10 to \$16.50, few \$17.25. Stocker steers and yearlings \$10 to \$15.50. Replacement cows \$8 to \$12.

Time changes everything Long cussed and discussed as the scourge of the pork industry—lard is now a hero! Seems the hungry Germans under the Communist heel really love the lard. The United States is giving them. USDA has asked bids on around 13 million more pounds. Late purchase at near 16 cents per pound is highest in some time for lard. They do say the East Germans dare death or torture to get a couple of pounds of pure lard.

Hogs climbed 75 cents at Fort Worth Monday. Topped at \$26. Sows again selling at season's high of \$23 to \$24. (Lots of lard in those packing sows). Some sows up to 600 pounds sell to \$25.00 or better.

Sheep and lambs active and fully steady at Fort Worth Monday. Advances of last week were

held in the strong trade. Fat lambs \$15 to \$18, lower grades \$8 to \$15. Stocker and feeder lambs cashed at \$10 to \$15. Slaughter yearlings sold from \$10 to \$13. Old wethers drew \$6 to \$7. Slaughter ewes sold from \$5 anxiously awaiting developments on wheat field pastures. Looks like lots of wheat will get up to \$6.

Many sheep and cattle men are but grazing will depend on whether more rains come or not this month. There could be lots of stock feed in the wheat belt if moisture conditions improve.
