BRONTE, TEXAS, OCTOBER 9, 1953

No. 41

AD-LIB-BEN

Dear Reader:

We hope you like it. I guess we should have asked you before we changed the size of your paper, but we just didn't have time. Things have been pretty busy around here the past few days installing a new press to use in printing the paper, so we just went ahead and changed the size.

You'll get just as much paper, maybe more, than you have in the past. The pages will be smaller, but we surely do hope there will be more of them.

We know they will be printed much better.

One advantage of the new size will be that we will be better able to departmentalize our news to some extent. This, we hope to accomplish within the next few weeks. We plan to have a Woman's page and a Farm & Ranch page and we believe you will like them. Don't expect them too soon, though, because it will take time.

Any comments you may have regarding the change will be appreciated. We'd really like to know what you think about it.

Sincerely,
Ben Oglesby

We have long believed that every paper needs a column of some sort to inject a personal note into the news. This too is a new feature which we hope we can get around to regularly. All contributions will be appreciated since we can hardly claim to be an expert column writer.

We know the Keeney Brothers and Mozelle and Clytus are going to miss the rumble of the old Cranston, which created such a din in their stores that they couldn't hear their customers. Our sympathy is extended to them and we'll crank it up occasionally just for old times sake.

About the only fun Longhorn fans had at the football game Friday night (Coahoma beat us 45-0) was the printer's error on the programs which read "Bronte Hospital — Best Entertainment." The Bronte Hospital should have to pay the Junior Class double for the ad which attracted twice as much attention as any of the others.

We are right in the middle of National Newspaper Week, a week in which newspapers and the FREE PRESS all over the United States have a right to blow their own horns. "An informed press means an informed people" is the slogan for National Newspaper Week. Sometimes we may not know what to do with some of our newspapers but we certainly couldn't do without them. We believe that when news presses stop rolling, or roll under pressure, then the life we know as free and democratic will be at an end.

Mr. and Mrs. Jarvis Littlefield of Afton, Oklahoma are the parents of a son, Randy Joe, born Sunday, Oct. 4, at 5:30 a. m. The Littlefields have three other sons, Jerry, 4, Jimmy, 3, Ricky Mack, 1. Grand parents are Mrs. Ellis Watson of Abilene and Mr. and Mrs. A. J. Bilbo of Robert Lee.

Big Rain Hits Sat.

Slow, earth soaking rains, with out any sort of violence, were more than welcomed in this area over the weekend. Bronte seemed to be the largest recipient of moisture in this section, reporting 5½ inches in the period between Saturday noon and Sunday noon.

Rain started falling shortly before noon Saturday and continued until almost noon Sunday. Occasional hard showers fell, but it was mostly a steady slow rain.

Recent rains will benefit farmers and ranchers with small grains and winter pasture and may help furnish a good underground seasoning for next year.

Most of West Texas was included in the rain area although it was lighter at most points.

West of Bronte, Robert Lee received around 3 inches, north Blackwell received 3½ inches and Tennyson, south of town, received about 4 inches.

COKE BOYS MAKE GOOD WITH PIGS

Saturday, October 3, was Sear's Pig Show Day at the San Angelo Area Show. Eight Coke County boys were on hand to show their pigs which had been given to them in May of this year. Seven gilts and one boar were shown (one was washed away in the Bronte flood). The boys have done an excellent job in feeding out their pigs. They all had their pigs under good control in the show ring, which clearly demonstrated that these boys had spent some time training these pigs to show.

Boys showing in the county group were:

James Tidwell, 1st prize, \$10.
James Coalson, 2nd prize, \$8.
Tom Sawyer, 3rd prize, \$6.
Bobby Brock, 4th prize, \$4.
Benny Corley, 5th prize, \$2.
District Show:
James Tidwell, 2nd prize gilt, \$30.

Wayne Blair, 2nd prize boar, \$30.

It is worthy of notice that Wayne Blair won second place in district last year with his gilt. Altogether he has won \$75. in various prizes on his pig demonstration besides selling three pigs the other day for \$165. It pays to take care of pigs.

MRS. STEPHENSON INJURED BY FALL

Mrs. J. L. Stephenson was painfully injured late Monday afternoon when she fell through a ceiling at her home at Tennyson. Mrs. Stephenson was in the attic of her home when she accidentally stepped onto a sheetrock portion of the ceiling which gave way beneath her weight.

She was brought to the Bronte Hospital Tuesday morning in a Clift ambulance where she is being treated for cuts and bruises. Her condition is not considered serious.

OIL PROGRESS OBSERVANCE SET NEXT WEEK

Next week, October 12 through 17, is Oil Progress Week all over the United States. Special observances are being planned in many places to tell of and show the many advances being made each year in the Oil Industry. A big show is being planned in San Angelo and most newspapers will run some sort of special material.

Next week's Enterprise will carry stories and advertisements telling of the oil industry in this area and paying tribute to the men who make the oil industry what it is in Coke County and the Bronte area.

All who wish to run ads or who have special news for this edition are asked to call 56 and we will be glad to call on you and help prepare copy for this special paper. The earlier the better, so call Friday or Saturday if possible.

COKE COUNTY JAMBOREE TO BE SATURDAY

Coke County jamboree tonight at the Tennyson school house. The affair which proves more popular each month, will start at 8 p. m. No admission is charged.

Entertainers include Chester Derrick as Master of Ceremonies, Mrs. Marvin Corley as Mule Creek Minnie, Cornelius brothers string band, Floyd Gibson and the Puddle Jumpers, Singer Eddie Garvin, Mill Stanley, the Country Boy from San Angelo, Sammie Joe Duncan of Edith, two boys with their electric steel guitars, bands from Winters and other places.

Large crowds attend the affair each month and everyone is promised a good time tonight.

Mrs. Wilson Head Of Newly Formed Legion Auxiliary

Mrs. Bob Wilson was elected to head the newly formed American Legion Auxiliary at a meeting last Monday night. Other officers elected include:

Mrs. Bill McKown, 1st vice-president; Mrs. A. E. Bell, Jr., 2nd vice president; Mrs. R. H. Sims, secretary; Mrs. Sam Richards, treasurer; Mrs. J. B. Mackev, historian; Mrs. T. F. Sims, Jr., Chaplain; and Mrs. Joe Ed Scott, Sgt. at arms.

Women present at the meeting discussed getting the charter for the organization, possible meeting dates and a membership drive. A spokesman said that a large membership is desired and that a wife, mother or sister of any member of the George Scott Post of the American Legion is eligible for membership. Those who would like to join should contact one of the present officers or any member of the organization.

Miss Addie Fletcher underwent surgery Tuesday of this week at Young Medical Center in Sweetwater. Reports from her bedside indicated that she successfully underwent the operation and was doing very well.

Make Reservations Now for Ex-Banquet

E. F. Glenn, president of the Ex-students association, this week said that "it is imperative that all persons who plan to at-

tend the banquet on Saturday, October 17, have a reservation." Since food is being ordered from an out-of-town catering service, officials of the organization must have advance notice from those who plan to attend. Reservations should be sent in as soon as possible, and must be in by Oct. 10.

District Governor Speaks at Lions Club Banquet

Twenty-nine Lions gathered at the school lunchroom Tuesday night for a feed and talk by the club's district governor.

James L. Mogford of Carrizo Springs, district governor of Lions District 2-A, was the speaker of the evening. He spoke to those present on what it means to be a member of the Lions Club and outlined duties of the members.

In addition to Mogford, guests included four members of the Robert Lee Lions Club, Zone Chairman Scott Hartgrove of Paint Rock, District Deputy Governor Jones of San Angelo and Zone Chairman Chapple of Sterling City. Twenty members of the Bronte Club were present.

Those present said the food prepared by the lunchroom ladies was exceptionally good and was thoroughly enjoyed.

Glenn said that some tickets to the banquet will be sold at the door but that those with reservations will be seated first. Tickets are \$1.50 each.

About 300 exes are expected to attend the third annual homecoming October 17. More than 200 have attended the past two years and Glenn said that "he hoped the number could be doubled this year, but, at any rate, a good crowd is expected."

First on the schedule for the homecomers is a registration tea from 2 until 5 p. m. at the Baptist Church. The banquet will follow at 7:30 p. m. Friends may visit as long as they want to after the banquet, which will be in the high school gym.

Attached is a coupon which may be sent to Glenn or to Mrs. Pete McDonald, secretary of the association, for banquet reservations.

Bronte Takes Whipping from Coahoma

Bronte Longhorns, for the second time in two weeks, suffered defeat last Friday night. This time was to the Coahoma Bulldogs, getting mauled by a score of 45-0.

In the first home game of the season, the Longhorns put up a great stand in the first half, holding the Bulldogs to 12 points. But in the second half, it was an altogether different story. The visitors scored 33 points in the second half.

The Bulldogs capitalized on the first break in the ball game to set up the first score. Robinson went over from the one yard line to make the score 6-0. The try for the extra point was missed. This was the score at the end of the first quarter.

The Coahoma boys scored once again late in the second period. This time Woodson went six yards. The try for conversion was missed to leave the score at the end of the first half 12-0.

The Bulldogs received the kick off in the second half. It took Coahoma only 3 plays to make the score. One of the deciding factors was a 60 yard jaunt by Spears down to the 15. Robinson then took over from the 15. Williams kicked the extra point to make the score 19-0. The Bull-

dogs scored once again in the third period. Again Robinson went 24 yards for the score. The extra point was missed.

The last score in the third quarter came on a pass from Williams to Woodson from the 15. Williams made the conversion to make the score 32-0 at the end of the third period of play.

In the final period, Coahoma scored another two TDs. The first one came on a pass from Williams to Owens. The extra point was missed to make the score 38-0. The final score came on the last play of the ball game. Hodnett went around end from the 5 for pay dirt. Williams kicked the extra point to make the final score 45-0.

The Longhorns put up a hard fight, but just couldn't get rolling against the Bulldog line. The home team had only 1 first down to 11 for Coahoma.

PLAY AT TRENT TONIGHT

The Longhorns will go to Trent tonight to play their first conference game. The Longhorns will be out to win this one, having lost two in a row. Bronte fans are urged to back the Longhorns and follow the team to Trent tonight.

Local fans will be glad to know that all Longhorn players will be eligible again tonight for the first time since the Bronte, Robert Lee game. The lineup has been considerably weakened by the absence of several players who were scholastically ineligible to play the past two weekends.

Looking Backward

Taken from the issue of Oct. 6, 1933.)

The Greatest Gasoline Development in 31 Years

New Conoco Super Gasoline

with **TCP***

Start the "TWO-TANK TEST" today!

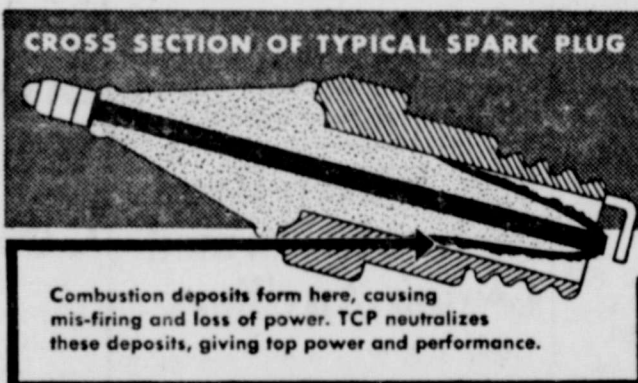

Conoco Super Gasoline with TCP has been rightfully called the greatest advance in motor fuels since the introduction of tetraethyl lead in 1922. For here, at last, is a gasoline so dramatically different that the average motorist can feel the improvement in his car after just two tankfuls. Yes, after your second tankful, chances are you will know why we say Conoco Super with TCP will:

- Boost power as much as 15%!
 - Increase spark-plug life up to 150%!
 - Give you extra gas mileage!

For Conoco Super is a new kind of gasoline—a gasoline especially developed to correct the greatest single cause of power loss affecting most of the cars on the road today.

Combustion deposits drastically reduce power

When you drive your car, deposits constantly build up on spark plugs and in the combustion chambers. These deposits can "cheat" you of power two ways. First, they short-circuit spark plugs—causing them to mis-fire. Second, deposits in the combustion chambers cause fuel to ignite before it should. This is called pre-ignition or "wild ping." The combined

effect of mis-firing and pre-ignition is loss of power, lack of "pep" and wasted gas.

How Conoco Super with TCP works

TCP is a special chemical additive which is added to Conoco Super Gasoline. It was specifically developed to overcome the loss of power and fuel caused by combustion deposits. TCP neutralizes harmful deposits on spark plugs—your plugs spark as they should. It prevents deposits in the combustion chambers from causing pre-ignition—"wild ping" is controlled. Thus, every time you fill up with new Conoco Super, it's like getting your spark plugs cleaned and your engine tuned-up.

TCP helps your car, whether new or old

If you are driving a new car, with a high-compression engine, you need Conoco Super Gasoline to keep your car delivering all the power that was built into it. If you drive an older car, with tens of thousands of miles on the speedometer, Conoco Super can restore much of the "new car" performance and power you've been missing.

Start your "TWO-TANK TEST" today

When your gasoline tank is one-quarter full or less, fill it with Conoco Super with TCP. Now, there will still be some ordinary gasoline mixed in with your Conoco Super. So make sure your next tankful is Conoco Super, too. So rapidly does Conoco Super work, that with this second tankful, chances are you'll feel as if your engine has had a tune-up. You'll feel a boost in power. Try it today. We're sure you'll stay with Conoco Super.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mr. and Mrs. Charles Wilson and sons of Big Spring spent the weekend with his parents, Mr. and Mrs. Jim Wilson.

Mrs. Charles Ragsdale and Mrs. B. P. Ragsdale attended the funeral of Mrs. B. P. Ragsdale's sister-in-law, Mrs. R. E. Todd, at Abilene Friday.

Mrs. Austin Jordan is visiting her sister in Texarkana this week.

The Blackwell PTA met Monday night at the school house. President Mrs. Desmond Ragsdale, presided over the meeting. Mrs. Nola Shedd's 2nd and 3rd grades gave a skit "The Little Red Hen." Some of the boys told of the interesting things they saw at the Concho Museum in San Angelo last week. They also displayed some antiques, some of which dated back 150 years.

Mmes. A. T. Johnson, Ross Reaves, T. J. Oden and Enoch Henson served punch, coffee and cookies to the group. The school carnival will be held Friday night, Oct. 30.

Mr. and Mrs. Burl Montgomery and children of Pyote are visiting relatives in Blackwell and Hylton.

Mrs. Harve Richards of San Diego, Calif., is visiting her parents, Mr. and Mrs. John Pettit and her sister, Mrs. Kelly Richards and family.

Mr. and Mrs. Roy Sanderson and Bob and Mr. and Mrs. H. C. Raney visited Mr. and Mrs. Robert English in Fort Worth over the weekend. While there they saw the World Series on TV.

H. E. Thorn is seriously ill in the Bronte Hospital.

Mr. and Mrs. T. A. Carlisle attended the Lindner family reunion at Comfort Sunday. About 125 persons attended the reunion. The 4 inch rain at Comfort Sunday kept several families from attending. Mrs. Carlisle's uncle, M. Lindner, was the first white boy born in Comfort 99 years ago.

Blackwell enjoyed a 3 1/2 inch rain over the weekend.

And hide not Thy face from Thy servant; for I am in trouble; hear me speedily.—(Psalm 69, 17.)

If we do not truly, really feel that we are actually in the presence of Almighty God when we pray, our words—though they be heartfelt and earnest—may be meaningless. Each of us must search his own heart and soul to know how to feel God's presence—for until we do that, our prayers are empty.

Bank Deposits Down Slightly

Deposits at the First National Bank in Bronte were down slightly compared to the amount on deposit June 30. A report appearing in this week's Enterprise lists the deposits on Sept 30 as \$2,028,893.48. The June 30 report showed \$2,058,494.99, a difference of less than \$30,000.

Loans which the local bank has out were also down slightly, about \$1,000. Sept. 30 figures are \$546,642.07, compared with \$547,469.66 on June 30.

Considering the extreme drouth which has plagued the section the past few years, the deposits of local bank customers have held up remarkably well.

Guests in the home of Supt. and Mrs. J. L. Carroll Friday night following the ball game included Mr. and Mrs. W. N. Gaddy and Kitty Sue and Vershel Smith of Grand Falls, Mr. and Mrs. Gordan Creel and family of Coahoma, Patsy Mackey of Draughon's Business College in Abilene, Hattie Jane Miers of San Angelo, Mr. and Mrs. Algie Durbin, Mr. and Mrs. Jack Price and Coach and Mrs. Elbert Yoes.

HAVE TV PROGRAM

Four Tennyson musicians have been entertaining TV audiences lately with programs of western music. The group, called The Coke County Playboys, is composed of Chester Derrick, Richard Beck, John Gaston and Eddie Garvin. All have been popular musicians in this area for some time and have been performing monthly on the Coke County Jamboree.

This group will make three public appearances tomorrow, Saturday. They will appear on the Ballinger radio, on TV station KTXL, Channel 8, San Angelo for a 15 minute program at 4:45 p. m. and also on the West Texas Round-up tomorrow night at San Angelo.

In their TV show and at the Round Up, the musicians will back up Slim Willetts, guest artist at both places.

BUY BIG for less than you think

WHY should you do yourself out of the big things in motoring life?

Why pass up the room and power and comfort and niceties of big-car travel — when you can buy a big, new Buick SPECIAL for just little more than the price of smaller cars?

We'll show you our price to prove that — to prove that you can buy this Buick SPECIAL for just a few dollars more than you have to pay for one of the so-called "low-price threee."

Figure what that means —

Just a few dollars more for a lot bigger hoodful of power — Fireball 8 power — the highest horsepower ever placed in a Buick SPECIAL.

Just a few dollars more for big and spacious 6-passenger roominess — and the solid, steady comfort of Buick's famed Million Dollar Ride.

Just a few dollars more for Buick styling, Buick handling, Buick luxury, Buick fun.

But do you know what else those few extra dollars get you in this big, broad, beautiful Buick?

THE GREATEST

BUICK

IN 50 GREAT YEARS

They get you a long list of standard equipment at no extra cost that most other cars at or near its price charge you for, as extras — which makes our quoted price even lower than it looks.

We have the facts and figures to prove our points. All we need is you, at the wheel.

Drop in on us this week and see for yourself that your new-car money really buys big — in Buick.

\$15, with some around 500 lbs. and over strictly fat kinds to \$15.50 and \$16. Common and medium sorts sold from \$9 to \$12 with culls from \$6 to \$9.

Good and choice stocker steer calves sold from \$12 to \$16.50, and plainer kinds sold around \$9 to \$11. Stocker and feeder steers and steer yearlings cashed at \$9 to \$15.50. Stocker cows were slow at \$8 to \$12.

Many financial backers of stock men are dropping broad hints at this time to the effect that feed bills of the size of those paid last year can not be financed by them this year.

This situation may result in heavier liquidation of herds in many cases. It will surely result in increased pressure for cheap feed through a government program.

Hog prices were 35 cents lower at Fort Worth Monday. Shippers and small packers paid the higher prices, while major packers followed the Northern trend into a lower market.

Top hogs sold for \$24 to \$25 at Fort Worth, this compares with a top of \$23 and \$23.60 at Chicago the same day. Sows at Ft. Worth drew \$20 to \$22, and were 50 cents off.

Lambs climbed 50 cents again at Fort Worth Monday and topped at \$19. These lambs came from Brewster County and weighed 82 pounds.

Good and choice lambs sold from \$17 to \$19, cull, common to medium kinds drew \$10 to \$16. Feeders sold around \$12, and are

quotable to \$13.50. Old ewes drew \$4.25 to \$6. Old wethers and two's sold from \$7 to \$9. Fat yearlings drew \$11 to \$12.

By the way, last week some lambs from Brewster County (Big Bend Country) and a long way from Fort Worth, came in and sale weight was within a pound and a half of the weight when they left home. They really took to the alfalfa hay and water to make a remarkable small shrink like that.

LAYMAN'S DAY IS BEING OBSERVED AT BAPTIST CHURCH

Sunday's services at the First Baptist church, Bronte, will observe "Layman's Day" in the 11 a. m. and 7:30 p. m. services. The men are to begin their day with a Fellowship Breakfast at the church at 7:30 a. m. Laymen J. B. Mackey, Frank Keese and Joe Carter are in charge of the breakfast plans. A special welcome is extended laymen in attendance at Sunday School, beginning at 10 a. m. and the morning worship service at 11 o'clock. In the morning worship men will make the announcements, read the Scripture, lead in prayer and bring the challenge to laymen from the pulpit.

Dr. A. D. Foreman, prominent Baptist layman throughout Texas and the Southern Baptist Convention, a member of the First Baptist Church, San Angelo, will occupy the pulpit in the morning service.

Training Union will begin at 6:30 p. m. under direction of Mr. Jack Lee, newly appointed Union Director and J. D. McEntire, associate director. Lesson aim will be to help us to be faithful stewards of that which has been entrusted to us, entitled "Partnership With God." Evening service at 7:30 p. m. "God's Law—The Fifth Commandment", will be the message delivered by the pastor, Rev. Maynard R. Rogers.

FIRE PREVENTION WEEK BEING OBSERVED OVER NATION OCT. 4-10

Firemen have a saying that "a clean building seldom burns." This means that the majority of fires start in trashpiles, rubbish or stored odds and ends accumulated around the home. Closets, attics and cellars are the main source of home fires and plain ordinary good housekeeping is the first line of defense against such fires.

Jonell Black, Home Demonstration Agent says Fire Prevention Week, Oct. 4-10, is a good time to check closets, attics and basements for cast off articles that would burn easily. This could include curtains, draperies, tablecloths, lamp shades, coats, suits, dresses, wicker and wooden furniture, rags and linoleum.

Although daily housecleaning is recommended to a certain extent, the fall season emphasis on fire prevention should encourage every family to take special safety precautions. Clean out storage places. You may be surprised how many burnable objects you will be able to remove that are useless.

Wiring systems should be checked. Many electrically caused fires happen in homes every day, many of them due to carelessness. Frequently, families overload circuits by plugging in too many appliances to a single outlet. Worn out cords, wires strung all over the house, under rugs or stapled to baseboards and door frames, are all fire hazards. Buy new cords and plugs to replace worn ones.

Heating systems should also be checked. Every winter costly fires are started by faulty stoves, furnaces, and other heating devices. Some result from too much soot in chimneys. Others are caused by rusted or cracked pipes and fittings. Chimneys should be cleaned out and pipes and connections that are cracked and rusty should be replaced.

Families should be trained not to put magazines, papers or clothing on radiators or near fire places or stoves. Paper shades should not contact light bulbs.

Such things don't have to touch flame to burn; they will catch fire simply because they are too close to heat for too long.

Everyone should learn the methods of making materials fire resistant. Materials can't be made completely fireproof but can be made fire resistant by treating or coating with certain chemicals.

Some fabrics, like drapery or furniture coverings are treated at the factory. One fire resistant solution you can use for rayons and cottons is cheap and easy to use. Dissolve 9 ounces of borax and 4 ounces of boric acid in a gallon of water. Dip your curtains, draperies and slipcovers in the solution each time the fabrics are washed. Remember, the chemicals just make it a little harder for the fabrics to burn.

A last reminder in fire prevention is never use gasoline, benzene, naphtha or similar fluids indoors. When mixed with air, their vapors can be ignited by the spark of a light switch or an electric fan, or the tiny flame of a pilot light. Such fluids should be kept in tightly closed metal containers outside the home.

Bronte Hi Athletics Financial Report

Officials of the Bronte School this week thanked sports patrons for their support of the Bronte athletic program.

A financial statement for the high school athletics is as follows.

Balance at start of school—\$66.83.

Receipts include \$75 from the Ira game; \$236.58 from the Robert Lee game; \$175 from the O-zona game; \$344.50 from the Bronte-Coahoma game, making a total of \$897.91 through Oct. 2, 1953. The home game was divided as follows: Officials, \$65.60, \$139.45 to Coahoma.

Disbursements include \$112.75 for meals for boys; \$4.45 for freight on equipment; \$65.60 for officials; \$139.45 for contract to Coahoma; \$138.75 for athletic insurance, making a total of \$461 paid out and leaves a balance to be applied on equipment and other expenses of \$436.91.

Outstanding bills include \$99.74 to San Angelo Sporting goods; \$763.72 to W. A. Holt Co. and \$15.75 to Lowe and Campbell, a total of \$879.21.

WARNING ISSUED

An incident in the game last Friday night in which the officials were verbally abused resulted this week in a warning to the Bronte schools from the Officials Association. The Association warned that any recurrence of this kind of conduct would result in the Bronte schools being turned in to the Interscholastic League, which might result in probation or suspension from Interscholastic League contests. Supt. J. L. Carroll urged that Bronte partisans conduct themselves above reproach for the remainder of the season.

A number of schools, including Rankin, Whitharrel, Maybank, Tideland, Big Sandy, Tulose-Midway, Aqua Dulce, Strong and Olton high schools, have been put on probation since 1950 for violation of interscholastic league rules. Two schools, Wheeler high school and China high school, were suspended at some time since 1950 for such violations.

Camille Martin, who attends ACC in Abilene, was down Wednesday afternoon for a short visit with friends.
