Both Boys and Girls Win District Contests

AD-LIB-BEN

The need for the public school never changes, but times and conditions may change or require to be changed methods and practices of public education. This is inherent with anything that grows, for growth is the result of change.

Our Texas public schools were created 100 years ago. In 1854 the first law passed establishing the public school. What about the next 100 years?

It is a healthy thing in our democratic way of life to have an intelligent understanding of the important functions of our basic institutions. This is especially true of schools. The initiative and resourcefulness and the wisdom and leadership that our schools are inculcating in the youth of today are the answer of the problems of citizenship in the years ahead.

Yes, "bring me men to match my mountains." That is the need of our times and must come from the public schools — schools that are strong in the virtues required for building strong men and women.

We can be assured of this and do our part in understanding and helping the public schools to fulfill their great obligations to our times by being a participant in the annual Public Schools Week, March 1 through 6. Bronte schools will hold open house; accept their hospitality, and you will enjoy the experience of going back to school—if but for a day. Remember it is Centennial Year for Texas Public Schools "Texas Public Schools — Democracy in Action."

We're afraid we're already in trouble with little Elizabeth Ann Ivey, week old daughter of the Ernest Iveys. For, the very first time her name ever appeared in print, we had to get it spelled all wrong. If she'll come around when she gets a little bigger, we'll apologize properly with an ice cream cone or lollipop.

Experience is the name which everyone gives to his mistakes.

School Dismissed For Stock Show

Bronte schools are having a holiday today, Friday, in order that students might attend the San Angelo fat stock show and rodeo. All school children are to be admitted free of charge to the fair grounds.

Other school announcements were that school will be dismissed Thursday afternoon, Apr. 15, and not take up until Monday Good Friday, will be a holiday.

Bronte school teachers are invited to a county meeting for teachers next Tuesday night, March 2, at Silver.

SHOP BRONTE FIRST

Bronte's boys basketball team won the District 22-B title Saturday night when they defeated Christoval, 59-43. The third game of the series of three was played at the Lakeview gym. Bronte and Christoval each had one game before in the series.

In the game Saturday night, three of the Bronte men were close in capturing scoring honors. Dean Stephenson came out on top with 14 points on the book, but Kenneth Scott made 13 and Tommy Taylor netted 12 points.

The win Saturday gives Bronte the privilege of playing in the regional meet this weekend at Brownwood. School officials announced that Bronte drew a bye in the first bracket, and will play the winner of the Coahoma-Clyde game at 7:15 p. m. Friday (tonight.) If they win, they will play either Lipan, Jonesboro or Highland at 10:30 Saturday morning. After that comes the finals, providing the Longhorns win.

SUCCESSFUL SEASON

The Longhorns have had a successful season this year under the coaching eye of Elbert Yoes. They have won 17 out of 23 games played. The Longhorns have also won the District championship four times during the past six years; once under Coach Jack Price, twice under Coach H. A. Jolley and once under Yoes.

Fans are looking forward to some good ball games this weekend at Brownwood. First game should be a good one, particularly if Bronte meets Coahoma. The Longhorns defeated the boys from Howard County by two points to win the Sterling City tournament earlier in the season.

Coach Yoes and the players alike voiced the hope that a large number of fans would be on hand in Brownwood this weekend to back the Longhorns in their try for the regional crown.

Families Enjoy Hayrick Meeting

The Hayrick Home Demonstration Club met Thursday night, Feb. 18, at the school building.

Members invited their families to the meeting and the group had with them the new County Agent Jack Waide, and Miss Jonell Black, Home Demonstration Agent.

Mr. Waide met with the men of the community.

Miss Black gave the program to the women on "Proper Lighting Fixtures. A picture show of the proper lighting in the home was shown by Miss Black.

There were 17 present for the meeting, including the agents.

The next meeting will be Mar. 4.

Mr. and Mrs. Jim Williams and Denise went to Freer Friday to visit her parents, Mr. and Mrs. George Wells. He returned Sunday night while Mrs. Williams and daughter remained for a longer visit.

Bronte's girls basketball team won district championship honors here Tuesday night by defeating Water Valley girls 44-35.

This was their second straight win over the Water Valley club in a two out of three series for the title. The local lasses defeated Water Valley in a thriller last Friday night at Water Valley by a 32-30 score.

In Tuesday night's game the 44-35 score was not indicative of the closeness of the game. At the end of the first quarter a 2 point margin favored Bronte and at half time the score was 17-22 in favor of the locals. By the end of the third period Bronte had pulled away to a 27-36 lead.

Mary Ann Gray was high scorer for the game with 29 points for Bronte while Peggy Abbott of Water Valley scored 20 for her team.

In Friday night's game at Water Valley Mary Ann Gray slipped 19 tallies through the hoops for Bronte. The local lasses had a 9-5 lead at the end of the first quarter and then fell behind to trail 15-14 at half time. They got out a 23-22 lead going into the last quarter. Martha Alexander was high scorer for Water Valley with 15 points.

The Bronte boys B team was defeated 39-37 in another game at Water Valley Friday night by a score of 39-37.

TO PLAY AT BROWNWOOD

The 22-B district win entitled the girls, under the coaching direction of Mrs. J. L. Carroll, to enter regional competition at Brownwood next weekend, Mar. 5 and 6. The tourney schedule had not been released at press time but will be announced next week.

Thus closed a successful regular schedule for the Bronte girls who had a perfect conference record and have won 30 games this year, losing only two practice games early in the season to Coahoma and Lakeview.

Pvt. Dwain Bagwell, son of Mr. and Mrs. Floyd Bagwell, is here this week for a few days visit. He is stationed at Fort

Sorry, Folks

A linotype breakdown Thursday morning put an end to all typesetting for awhile, thus some news is omitted this week. Among the items left to set, which we will give in detail next week—we hope—include the heart drive, with a total of \$78.50 thus far; new post office hours of 7 a.m. until 4:30 p.m.; funeral services for Rev. A. F. Lofton; announcement of T. F. Sims, Sr. for constable; announcement of H. O. Whit for reelection as Mayor; W. W. Millikin's announcement for city council; Tennyson news and a number of parties and locals.

Public School Week Scheduled Mar. 1-6

Everybody in this school district and in the entire area is invited to "go back to school" next week. The Bronte School is holding open house and officials in charge want everyone to come by and see just what is being done at the local school plant.

Similar plans are being made throughout the state. The week of March 1-6 has been proclaimed as "Public School Week." Occasion for the celebration over Texas is the Centennial Year of free public schools in the state.

In addition to showing pa-

trons through the local school Bronte School officials will have a cup of coffee and doughnut ready for all visitors.

Supt. J. L. Carroll said they would also be glad for visitors to come during the noon hour and eat at the school lunchroom. A small fee of 35 cents will be charged for lunches, he said.

HISTORICAL BACKGROUND

The Constitution of the Republic of Texas, adopted March 2, 1836, declared, "It shall be the duty of Congress, as soon as circumstances will permit, to provide by law, a general system of education."

In 1854 the School Law provided for the first State Public School System of Texas. The State Constitution declares, "A general diffusion of knowledge being essential to the preservation of the liberties and rights of the people, it shall be the duty of the Legislature of the State to establish and make suitable provision for the support and maintenance of an efficient system of public free schools."

From this grew the public school system of Texas. Historians say:

"Education of the masses through these schools which are public schools has been the bulwark of the liberties of the people and the rational freedom of the country."

Supt. Carroll urged that everybody come by and get acquainted with "just what we're doing" in the Bronte Schools. Members of the Board of Trustees seconded the invitation, saying that they feel it will do the school and the patrons both good to become better acquainted.

Trustee Election Set for April 3

An election will be held Saturday, April 3, to elect three trustees for the Bronte Independent School District. Three vacancies are to be filled, as the terms of Matthew Caperton, Sid Evans and Aubrey Denman expire.

To date no candidates have been announced. However, there is some talk around town of getting up one or two slates of candidates for the posts.

Deadline for getting a name on the ballot is ten full days before the election.

Holdover trustees are M. D. Stephenson, Dr. John R. Harris, Foy L. Moore and Jesse Parker.

AT SAN ANGELO SHOW

Bill Simpson of Robert Lee has the only Coke County baby beef entry in the San Angelo Stock Show which is under way this week. Bill is showing his excellent Angus steer which won grand champion honors in the Coke County Junior Show a few weeks ago. Coke 4-H boys showing lambs at San Angelo include Wayne Bridges, J. Lee Ensor, Freddie McDonald, Benny Corley, Dee Arrott and Aubrey Don Denman. Mary Beth Schooler with a lamb is the only girl exhibitor from Coke.

Looking Backward

(From The Enterprise of Jan. 5, 1940.)

Frank Percifull seeks to be sheriff again for Coke County.

Mrs. B. M. Gramling is asking re-election as county treasurer.

Willis Smith is seeking for the position of county clerkship.

S. A. Kiker will be a candidate for Coke County for commissioner of this precinct.

McNeil Wylie appears again as candidate for county judge.

Sam Gaston is seeking for precinct 4 commissioner. (January 30, 1942.)

Miss Mable Edwards and Marlin Rogers are married.

Bill McDonald is running for District Attorney for the fifty-first district.

Dan Hale was found dead at his tractor, in the field where he had been plowing. (January 8, 1943)

George P. Kirkland died at the age of 85. He had been a resident of the Hayrick community for more than 50 years.

Percy Suggs and Charlie Sims departed for San Diego, California where they will resume their defense work after spending a few days here with relatives.

New Law Favors Coke County In Cotton Acreage

Coke County's cotton quota was increased about 3,000 acres by the recent law passed by Congress which raised the former national allotment.

This statement comes from J. E. Quisenberry, ASC Secretary, who says it looks now that Coke's cotton acreage allowable the coming year may be around 10,700 acres. Definite figures will come from the state office in the next week or two.

The quota is based on 65 per cent of the last three year averages or 40 per cent of the highest planting any year during the period, but is limited to 47 per cent of the total crop land.

Localities where large acreage of cotton is grown will suffer from the new ruling, but Coke County will be benefitted, Quisenberry figures.

Euterpean Ladies Have Husbands As Their Guests

By Mrs. Charles Ragsdale

Presenting Mr. Jack Youree of Snyder, the Euterpean club held their annual Husband's night in the fellowship hall of the Methodist church last Tuesday night.

Youree is an English instructor in the Snyder Public school and also teaches private music classes. He showed films and gave comments on places he visited last summer when he vacationed in Europe. Films and discussions portrayed scenes and shrines of interest in London, France, Germany, Switzerland, Italy, Holland and Austria.

Decorations featured a George Washington theme. The table was laid with a lace cloth and runners of patriotic colors were on the sides and ends. In the center was an arrangement of stock, carnations, spring flowers and greenery. Miniature figures of George and Martha Washington flanked by patriotic colored tapers were on either side. The same arrangement was repeated on the piano.

Refreshments of cherry pie topped with whipped cream were served with coffee to approximately fifty guests and club members.

R. T. Caperton of Sterling City and Matthew Caperton will attend a couple of Chevrolet meeting Thursday and Friday in Ft. Worth and Dallas.

For we walk by faith, not by sight.—(II Corinthians 5, 7.)

Unless we walk by faith and are steadfast and strong in it, our prayers can avail us little. Faith means an unquestioning and glad acceptance of God's will, in the firm understanding that it is for the best—for He knows the end as well as the beginning of all things.

O Lord my God, I cried unto Thee, and Thou hast healed me.—(Psalm 30, 2.)

Because He is a God of mercy and of compassion; because He is ever present and can hear the smallest cry from a truly repentant anguished heart, the Lord our God will heal His children who stumble and fall—not just once, but a million times. The way to Him is always open.

PUBLIC SCHOOLS WEEK IN TEXAS

Official Memorandum by Allan Shivers, Governor of Texas

Austin Texas

GREETINGS:

The Public School System in Texas goes back literally to the very beginning of our State. Texas' first Constitution made provisions for a system of public education. President Mirabeau Bonaparte Lamar, in his message to the Texas Congress in 1838 stated, "It is admitted by all that cultivated mind is the guardian genius of Democracy, and while guided and controlled by virtue, the noblest attribute of man. It is the only dictator that freemen acknowledge, and the only security which freemen desire."

The progress of our public schools from small beginnings to the fine educational system we have today has not been easy. It has required a cooperative effort of State and local officials, the active interest of parents and of citizens generally, and the energy and devotion of public-spirited men and women who have been willing to devote their lives to the teaching profession.

In recent years we have had to face great problems in the administration of our public schools. We have learned that the solution of these problems is only possible with public interest, understanding and cooperation.

One of the best evidences of public support is a definite effort on the part of each citizen to become familiar with the public school system and keep in touch with it.

THEREFORE, I, Allan Shivers, Governor of Texas, do hereby designate the period March 1-7, 1954, as Public Schools Week in Texas and urge every citizen to visit one of the public schools during this period and become acquainted with the programs and accomplishments of our educational system.

In official recognition whereof, I hereby affix my signature this 15th day of August, 1953.

Allan Shivers
Governor of Texas

CHICK CHATS

HIG PRICED EGGS EARLY CHICKS LAY

You can make more money with early chicks for a rather simple and obvious reason—the eggs these birds produce will sell for more.

Egg prices have always been higher during the last six months of the year. In fact, for more than 50 years, egg prices during every one of the last six months (July through December) were higher than during any one of the first six months (January through June).

There's a simple explanation for this. More eggs are produced from January to June; therefore the price is lower. Egg prices in 1952 averaged 35 per cent higher during the last six months than during the first six months.

Six Months Lag

It takes about five or six months from the time a chick is

started to the time it is laying (pullet eggs). It takes another month for the pullet to get into good production.

More chicks are started in April than in any other month. March is the second biggest month for starting chicks; May is the third largest.

A farmer who starts his chicks in April can expect pullet eggs by October and good production by November. His pullets will be laying well by December but by then the price has begun to drop. His flock will lay at its best rate during the first half of the next year—when egg prices are lowest.

On the other hand, a farmer who starts his chicks in January or February can expect pullet eggs in July or August. He will get good production by early fall. During August, September, October and November (the four months of the year when egg prices are highest) he will have his flock laying at near the maximum rate.

Partly out of custom, partly out of habit but mostly because of the climate, chicks are usually started late in the spring. The weather is milder by this time which means less trouble and expense with heating. Poultry ranges are beginning to get green—a chick is soon able to help raise itself. In short, less management is required.

But a fact that no poultryman can afford to overlook is that, over the past 40 years, the man who started his chicks early has averaged about one-third more for his eggs than the late starter.

Guests in the home of Mr. and Mrs. H. A. Springer over the weekend were Mrs. R. T. Roberts, Mrs. W. N. Roberts, Patti Roberts and Don Roberts, all of San Angelo; Karen Roberts and Barbara Jones of Abilene; W. N. Roberts, Jr. of Austin. The group attended the wedding of Miss Glenda Ruth Evans and W. N. Roberts, Jr. at Lubbock Saturday morning.

CHALLENGER CLASS

The Challenger Sunday School class met Monday afternoon in the Baptist church basement for a business and social meeting. Mrs. Bill McRorey conducted the games.

The hostesses, Mrs. Al Snead, Mrs. W. C. Shamblyn and Mrs. Ross Reaves served punch and cake to Mmes. L. C. Lofland, Arnold McRorey, Ed Kinard, R. T. Whitehead, Charlie Cave, Ollie Modrall, S. P. Smith, Bill McRorey and Howard Michaels.

The WSCS met Monday afternoon in the home of Mrs. H. C.

Raney. The leader, Mrs. Wyley Spence, gave the devotional. Mmes. J. W. Leach, R. Q. Spence, L. W. Sweet, David Hamblin and P. G. Dabney gave the program "Latin Americans Along the Mexican Border."

Others present were Mmes. Tom Payne, T. A. Carlisle, D. T. Hunt, Charles Ragsdale, C. M. Rogers and Austin Jordan.

A refreshment plate was served to the group.

USO Fund Drive Now Underway

Funds for the USO are being solicited this week. The money is to be used for the maintenance of USO clubs and USO shows throughout the world, wherever men of the armed forces of the United States are stationed.

More than 80 men from Coke County are currently serving in the armed forces, after having been drafted. This does not include quite a few others who are serving in the various branches after voluntary enlistment.

These men are benefitting from 258 USO clubs in the U. S. and 19 USO clubs and shows overseas. Since the armistice in Korea, Gen. Mark Clark has requested that the number of USO shows be doubled in that area.

President Eisenhower had this to say concerning the USO:

"The United Defense Fund is a cause in which I am proud to serve. If peace comes, for which we all so devoutly hope... don't let anyone tell you the need for the USO will be lessened. Once inaction sets in, and the impatience of the American soldier begins to manifest itself, it is really tough to keep before him just the conception of stern duty and expect him to forget his disappointment at being so far away from home. That is when the USO can be of greater value."

Anyone who wishes to make a contribution to the USO may send or bring it to this newspaper office or send it to USO State Headquarters, 415 Reserve Loan Life Bldg., Dallas, 1, Texas.

Revival Services End Tonight at Baptist Church

Revival services at First Baptist church will conclude with the 7:30 p. m. meeting tonight. Interest has been high throughout the 12 days under the excellent preaching of Dr. John W. Salzman, pastor of the First Baptist church, Muskogee, Oklahoma, and the spirited singing of J. O. Strother, Minister of Music at the First Baptist church in Kermit.

In the final service tonight Mr. Strother will sing as a solo, "The Love of God" by Lehman. Revival preacher, John Salzman, is to preach on the subject "The Essence of the Gospel" or "The Love of God." A Baptismal service will be conducted at the beginning of this service by the church pastor, Rev. Maynard R. Rogers.

Services for the coming Sunday are announced by the pastor with Sunday School beginning at 10 a. m. with a Bible teaching program that meets the needs of every individual. Morning worship service begins at 11 o'clock with the pastor again preaching.

Programs of training designed to develop Christians in the life of excellence, spiritual growth and personal happiness are offered every age group in the Training Union, 6:30 p. m. with Jack Lee, director. In the evening preaching service at 7:30 p. m. Rev. Rogers will preach. "I was

glad when they said unto me, 'Let us go into the house of the Lord.'" (David: Ps. 122:1.)

MOVE TO SOUTH DAKOTA

Mr. and Mrs. Clark Glenn and children, Carolyn, Vick and David, are leaving early next week to make their home in South Dakota. The Glens have leased an 1100-acre ranch near Nisland and will live about three miles from that town. Mr. and Mrs. J. B. Arrott and son will move into the Glenn home near Tenynson.

ATTEND BIBLE SCHOOL

Rev. and Mrs. Clyde W. Coleman, Mr. and Mrs. Noah Pruitt, Sr. and Royce Dean Clark attended the 10th annual Bible Conference at Jacksonville Baptist College at Jacksonville the first of this week. The Pruitts accompanied Mr. and Mrs. Francis Pruitt to Jacksonville and will return with Rev. and Mrs. Coleman and Royce Dean.
