## Lions Club Group Meeting Enjoyed By Large Attendance

## Dimmitt Receives Fifteen Percent Fire Insurance Credit

### NINETY-SEVEN HEAR GOV. PITTS

PLAINVIEW PASTOR ALSO BRINGS INSPIRING MESSAGE TO GROUP ATTENDANTS

In what was said by visiting Lions and their ladies to be the most novel and thoroughly enjoyable meeting of its kind ever held in the Group, the Dimmitt Lions and Lionesses scored a brilliant success Tuesday evening when they were hosts to the Lions clubs of Group 4, District 2-T, at the First Methodist Church. Ninety-seven Lions and their ladies attended the event and participated in the evening's fun and were refreshed with the fine inspirational messages brought them by the speakers of the evening.

Lion Chas. Dean in his jovial manner directed the program to a grand success with his unending timely remarks.

Getting off to a lively start and to break through what frigid formality might be found at a meeting of separate groups Lion Ed West directed the gathering in a rousing sing-song which proved easily to be one of the outstanding numbers on the program.

Following the address of welcome and response by Boss Lions Harmon and W. W. Evans of Dimmitt and Plainview, respectively, guests were introduced in club form amid humorous and enjoyable side remarks.

A piano duo, "Last Movement of Concerto in G Minor, by Mendelssohn," featuring Mrs. Chas. H. Dean and Mrs. C. E. Reynolds was especially enjoyable and elicited much applause.

District Governor E. L. Pitts of Lubbock brought the members and guests a most inspiring message in his persuasive manner which will live long in the hearts of all Lions who heard him. He was especially congratulatory to the members of the Dimmitt Club and to the entire membership of Group Four on their progress and splendid reports turned in to his office.

In another major address of the evening Lion Ceradine Hooten, Plainview pastor, won the hearts of his listeners with a wonderful address on the "Coming Out of It," a subject which he used to show the relation of the religious condition to the economic conditions. It was a most powerful comparison and compelled much thought from each who heard him.

A high point in the hilarity of the occasion was reached when the Hereford Lions Club presented the "Lydia E. Pinkham Quartette" in several of the choicest bits of humor seen here in quite a while.

Lions Carlos Reynolds and T. A. Singer added a bit of constructive thought to the meeting by short interesting discussions concerning the Lions in civic and individual business opportunities.

The ever popular Lion Joe Strother entertained the group with a series of delightful musical sketches and ending with an arrangement of his own by popular demand.

Guests from other clubs of the Group include the following:

Lions W. W. Evans, W. R. Simon, C. R. Hooten and wife, Alex Nesbet, L. D. Brown, L. D. McCarty and wife, Melton Beavers, A. T. Hannah, J. Fletcher and wife, James Duncan, Louis Label and wife, Roy Boswell, P. Mabry, Mort Pool, B. B. Winkle, Ed C. Hart, Woodson Brown and wife from Plainview.

E. L. Pette, H. J. Bingham, V. H. Moore, of Lubbock.

Mr. and Mrs. G. R. Rosson, Mr. and Mrs. J. Sanford, Alvin C. Thompson, R. P. Conway and wife, C. C. Acker and wife of Hereford.

Swain Burkett, C. O. Byrne and wife, Ed West and wife, Mayme Cox,

### County Clerk Buys 6500 Rabbit Scalps

Information from the office of Glenn Hickman, county clerk, indicates that things haven't been going so well in the rabbit underworld and that some 6,500 of these crop killing hoodlums have been killed since the price of 2-cents per scalp has been placed upon their head. This report is up to Wednesday morning and still gives the scalp hunters two full days in which to practice their target shooting before the bounty, allowed by the Commissioners Court of Castro County, expires March 1, 1935.

This total of scalps, by a bit of common arithmetic, has cost the county \$130.00, but has saved many times this amount in the young crops of the county.

District Attorney and Mrs. Chas. H. Dean were Hereford visitors Tuesday evening.

### LEAGUE TRY-OUTS TO BE THIS EVE.

LOCAL STUDENTS WILL VIE IN PIANO, MUSIC AND DECLAMATIONS AT 7:30

Ward and High School students desiring places on the Dimmitt school's Interscholastic League entry this spring in the County meet to be held March 15-16 will participate in the local try-outs this evening at the High School auditorium at 7:30 o'clock.

An excellent program has been planned whereby the winners of each event will be chosen to represent the local schools in the coming League schedule. Those in charge urge the local people to attend and encourage the contestants in their work. No admission will be charged.

The Castro County Interscholastic League meet will be held in this city Friday and Saturday, March 15 and 16 and will follow the schedule as released by the league authorities. The Track and Field events will be held on Friday with the Literary events scheduled for Saturday. The play ground and volley ball tournament will be held in Dimmitt Saturday, March 9.

Further details of the meet will be published in these columns at a later date.

L. L. Wright, son of Mr. and Mrs. F. M. Wright of this community underwent a serious operation Wednesday morning at a Lubbock Sanitarium. His condition is critical and Mr. and Mrs. Wright attended his bedside.

Mr. and Mrs. B. J. Brannan and two sons of Sanderson were transacting business in Dimmitt over the week-end.

Jim Cox of Plainview was a Dimmitt visitor Wednesday

Mr. and Mrs. Tom Bice and children were in Amarillo Friday.

Ozro Stephens and wife, Vernon Shaw, Elvis Burch, T. A. Singer and wife, B. A. Fuller and wife, J. Strother, E. F. Harmon and wife, B. D. Woodlee and wife, Pete Whitlow and wife, Chas. Dean and wife, Herman Troutman, Margaret Cooper, Mrs. Stalcup, Bill Webb and wife, B. O. Haas, D. Newnayer and wife, Wayne Thompson and wife, Hugh Collins and wife, Ward Golden and wife, Percy Estes and wife, Elmer Youts and wife, Elmer Moore and wife, Mr. and Mrs. Brutsche, Wade Dent and wife, Mr. and Mrs. W. E. Kirkpatrick, Celeste Ross, Stella Harmon, Greer Estes, from Dimmitt.

### Saturday's Free Picture Show Is Proving Popular

### FOLKS ARE URGED NEW EDITOR HAS TO ARRIVE EARLY CHARGE OF NEWS

DIMMITT BUSINESS MEN EXTEND INVITATION TO EVERY ONE TO VISIT CITY

The business men of Dimmitt again extend the rural folks of Castro County a most cordial invitation to visit this city Saturday and be their guests at the Castro Theatre in the afternoon to enjoy a theatre party—free of charge. This is a gesture on the part of the local citizens to show their farm friends how much they really appreciate their patronage, and at the same time gives every one a chance to meet their friends and enjoy an afternoon of wholesome entertainment together.

The response has been gratifying to the business people of the city and the theatre has been so crowded that an urgent appeal is being made for an early arrival so that a full house will be ready to see the first show at 1 o'clock sharp. There will be two complete programs which is hoped will take care of every one who wishes to see the feature picture and novelty.

You are welcome—so come in early.

Mrs. John E. Miller and son, John E. Miller, Jr., and daughter, Mrs. W. B. Jameson of Stanford were here at the bedside of Mrs. W. S. Hembree.

Mr. and Mrs. Paris McPherson of Tahoka, spent the week-end with Mrs. McPherson's sister, Mrs. Raymond Wilson.

Mr. and Mrs. Willis Jones and son made a business and pleasure trip to Odonell recently.

Mr. and Mrs. Sid Huckabay and son, Bob, B. O. Hass, Mr. and Mrs. Caros Reynolds and Nell visited in the home of Rev. Sam Thomas of Tullia Sunday.

Sid Parks, who has been attending school at Port Arthur, returned home Monday.

### SAND STORM AND COLD VISITS CO.

STINGING SAND AND BLINDING COLD SWEEPS PLAINS COUNTRY WITH DAMAGE

Riding on the almost suffocating wings of a terrific three-day sand-storm a blinding blizzard roared into Castro County Sunday morning, leaving the populace gasping and shivering simultaneously from the combined forces of the elements. With very little warning the cold wave swooped upon this country with such force to tumble the thermometer as much as thirty degrees in just a few hours time.

The sand had been changing location in this section since last Thursday, blowing one direction some twenty-four hours and then equalizing the movement with a reverse turn the following twenty-four. However, Sunday's blow proved to be the parting storm for this most recent series and at the same time the most damaging. Quite a bit of damage was reported at points north and west of Dimmitt by the raging sand, and the roads to Hereford bear mute testi-

### NEW EDITOR HAS TO ARRIVE EARLY CHARGE OF NEWS

ALL OTHER STAFF MEMBERS WILL RETAIN POSITIONS. CLARENDON MAN EDITOR

With this issue of The Castro County News, Sam Braswell, Jr., of Clarendon assumes editor-manager's position of the publication, taking over the duties of Ross Cox, resigned, who has been at the helm for the past several months. Mr. Braswell comes from a newspaper family, his father, Sam M. Braswell, is editor of the Clarendon News and past president of the Panhandle and Texas Press Assns. Being raised in a newspaper office all his life and studying journalism in the University of Texas and editing the Clarendon paper for a number of years, he comes to Dimmitt with a well founded idea of newspaper work and will attempt to incorporate them into actual practice in the Castro County News.

Mrs. Braswell and four-year-old son, Sam Harben, will join Mr. Braswell as soon as a suitable location can be found in the city.

It is the wish of the new editor and the News staff to produce a better paper with each issue, and we ask the co-operation of the business men of the city in the matter of advertising. It will be our endeavor to produce a more readable newspaper and better ad set-ups, this being accomplished by early receipt of your advertising copy.

The new editor hopes any errors which might appear in this our first issue will be forgiven on the promise that we shall do our best to do better with each succeeding week. We want to meet each of you folks, and this also includes the rural citizens. We want them to come in when they are in town and get acquainted and use the paper for their own. The Castro County News is the county paper as well as the Dimmitt paper, so let's all pull together to make it something of which we might all be justly proud.

We are here to serve you—call on us

### MRS. HEMBREE TO BE BURIED TODAY

FUNERAL SERVICES WILL BE HELD AT HIGH SCHOOL AUDITORIUM AT 2:30 P. M.

Funeral services for Mrs. W. S. Hembree, who died at 1 o'clock Wednesday afternoon, will be held this afternoon, according to Rev. Joe Strother, pastor of the First Methodist church, and who will be in charge of the services. Rev. Sam Thomas, pastor of the First Methodist church of Tullia, will assist Rev. Strother with the rites.

Mrs. Hembree, a resident of Dimmitt, and Castro County for the past ten years, is well known here and many friends grieve her passing. Surviving her are her husband, two sons, Earl and Robert Hembree, and one daughter, Mrs. Webster Boone.

Many of the velocity of the wind with its multitude of sand dunes which leave the traveler a sensation of driving across plowed ground rather than good plains roads.

The cold, it is believed, did little damage to either crops or livestock.

### Dimmitt H D Club Plans Program

Gardening will be the subject of the meeting to be held by the Dimmitt Home Demonstration club Friday afternoon at 2:30 in the home of Mrs. J. T. Galloway.

The program will be the general subject of all of the Home Demonstration clubs over the county and all people in the Dimmitt club vicinity are urged to be present. Miss Izora Carw, home demonstration agent of this county, will be present with information on spring gardening for the housewives and homemakers that intend to make at least part of their living at home this year.

Mrs. Barber Eubanks, president of the Dimmitt club, stated that not only members of the club were urged and invited to be present at this meeting but also any others that might be interested in getting information on their gardening problems.

### BAPTIST REVIVAL BEGINS SUNDAY

MR. WOODIE SMITH OF FORT WORTH WILL CONDUCT THE REVIVAL MUSIC

We wish to take this opportunity and method to extend to the entire public a hearty welcome to our two weeks meeting which begins next Sunday, at the First Baptist church. If you are interested in being revived and helping others to do the same we want you regardless of your religious belief. If you want to help make our little city a better place to live by spreading the Gospel of Salvation, then we need you and you need to find a place to help.

The devil and his forces are at work at all times in a special effort to bring defeat to Christ Cause. What shall we do as Christians to further the cause of Christ and defeat the cause of the Evil One. The channels of evil are flowing full of sin and slime and when allowed to overflow, spread out over the world destroying all whom it touches. Why not let our lives be a channel of Grace to stop and heal this channel of destruction.

A Revival is a requickening of that which is already alive. "Wilt thou not revive us a gain that thy people may rejoice in thee," is the cry of the Psalms. It is the renewing of the Spirit energy and interest and attention in eternal things. In other words a revival is the Spiritual awakening on the part of God's people and sinners. God's people giving themselves a new to Christ and sinners becoming convicted of sin and turn from their sins and come to Christ. Let this be done in this revival. If it is done we must get ourselves in a revival condition that God may pour out His spirit on us.

Bro. Woodie Smith from Fort Worth, Texas, will conduct the music for us. He is God's man. Consecrated and a lover of Gods cause and lost souls. He is a great soloist, you will enjoy him. But he must have some help; so you come on to the choir and help.

One of our near Dimmitt friends that visited us this week was D. S. Bruton, who was to see us on press day, Wednesday. We were glad to have Mr. Bruton visit us and enjoyed the chat we had with him. Being one of our regular readers and one of our town's supporters, we believe that his name belongs among the first of our friends.

Mrs. Chas. Wilson and daughter of Hereford spent the week-end in Dimmitt.

### EXCELLENT FIRE RECORD NOTED

CREDIT WILL BE GIVEN POLICIES BEGINNING MARCH 1. GOOD UNTIL FEB. 1936

Dimmitt's splendid fire record for the past year and supplemented by equally excellent records of the two previous years has reaped its reward in the maximum of fifteen percent credit on the regular schedule fire insurance rate. This announcement was received the fore part of the week by B. D. Woodlee from Raymond Mauk, state fire insurance commissioner.

With this credit, Dimmitt enjoys the minimum in low insurance rates which speaks well of the care exercised by the citizenship of our city together with the skill of an efficient fire department.

The above credit will be effective on all fire insurance policies written from March 1, 1935 until February 29, 1936.

"Stripping Plants" dotted over the Panhandle are today wasting enough natural gas into the air equal to domestic consumption of the entire United States. They are not excessive in number but are situated over the entire Panhandle natural gas area assuring utmost drainage at minimum lease investment. Though not directly affecting a large portion of Texas out of the natural gas area, the drainage of the gas field will soon cause the state to lose one of its paying industries and increase the cost of natural gas to such an extent that it cannot be used in our homes and businesses. Why not write your Legislature? Gas in the air is not worth much to anyone.

Mrs. and Mrs. C. A. Cryer and daughter, Jane Alice of McLean, spent the week-end in Dimmitt.

Mr. and Mrs. John Burgess of Happy, spent Wednesday in the Crawford and Reynolds home.

Mr. and Mrs. E. S. Parks were in Amarillo Wednesday.

Mr. and Mrs. M. C. Cone visited relatives in Canyon Sunday.

Mrs. L. A. Womack and Mrs. Harvey Youts visited their sister Mrs. Billy Hudnall in Amarillo Friday.

Ed Miller, student of Texas Tech, Lubbock, was a Dimmitt visitor Thursday afternoon.

Mrs. John Haberer of Hereford visited friends in Dimmitt Wednesday.

W. H. Brannan of Jumbo left this week for Perin at the bedside of his father.

Miss Vera Hamilton of McLean spent the week-end with her sisters, Mrs. J. A. Maynard and Mrs. C. E. Caudle.

**WE WANT TO BECOME NEIGHBORS**

Since Tuesday noon it has been the writer's pleasure and privilege to live within Castro County and call Dimmitt our home. During the brief time we have been here and in the stress of publishing the first issue of The Castro County News, we have met only a few of the fine citizens of the community, but we are deeply impressed with the wonderful welcome extended us since taking over the management of your home newspaper.

Before making the decision to move to Dimmitt we first learned that the people of this community were progressive, industrious and friendly. We know we shall find Dimmitt a splendid city with unlimited possibilities, and it is our sincere hope to be able to add our bit towards building a finer little city and developing a greater county which we may all call our home.

Mrs. Braswell, our young son and myself are moving into your midst with the sole purpose of becoming one of you. We want to meet you, to learn to know and love you and to work with you.

The Castro County News is your newspaper, and as such, the new management expresses a sincere hope that the whole citizenship of Dimmitt and Castro County will use this paper as a public servant for the upbuilding and champion of every worthwhile project which might be started. We pledge our untinted support and co-operation, and again we ask to become your neighbors.

**A VIEW OF THE SITUATION SINCE REPEAL**

Within all probability Texas voters will have an opportunity during 1935 of voting on the question of whether or not state prohibition is to be retained. Since this is the case it is well for all intelligent people who desire to cast a ballot for the best interest of Texas, to have a view of the situation over the nation since repeal. Following are some of the facts as taken from various records:

Arrests for drunkenness after repeal increased 113 per cent in twelve principal Southern cities (compiled from court records).

Convictions for drunken drivers have increased 60 per cent Governor Ely, Massachusetts).

In Boston drunken women increased 85 per cent in three months after repeal (New York Times, March 10, 1934).

Our highways are more dangerous and drinking is more freely indulged in than prohibition (Boston Herald, which favored repeal).

After repeal deaths from auto wrecks increased 77 percent. (United States Division of Vital Statistics).

If this keeps up we will have prohibition back in two years (Judge Scheffler, with 200 auto accident cases in Chicago Safety Court, July 17, 1934).

Traffic accidents caused by liquor in Detroit increased 164 per cent after repeal (official police traffic survey).

The year before beer was legalized in Chicago auto deaths decreased 162, but in the year following repeal increased 195 (official records, Chicago).

After trying legalized sale of liquor for four months twenty-one out of twenty-three suburban precincts of Chicago voted dry (official returns).

Also, let us consider further that repeal has as signally failed to reduce unemployment, taxation, public or private drinking, eliminate the bootlegger, save the young people or dispel political hypocrisy.

**"CONSERVATIVES" EMIT A HOWL**

Since time immemorial it has been the fashion for self-styled "conservatives" in the matter of public morals to rail out at those who see clearly the picture of human wreckage wrought by liquor, gambling and like evils, and call them "extremists," "witch burners," "zealots," and other terms uttered in derision.

Following Governor Allred's strong indictment of the evils of legalized gambling in his message asking the repeal of the pari-mutuel race track gambling law, those fellows who stand always for money instead of citizenship, revenue instead of morals, rose up and began to say that he was an "extremist," that his message was an "over-emphasis" of the evils involved, and some damned his administration henceforth because of his stand on this momentous moral issue.

Good citizens applaud Governor Allred in his demands for divorcing Texas from such wide-spread evil which threatens to engulf our wealth and our character, and will back him unstintingly in his standards of righteous, unsullied government.—The Clarendon News.

DO YOU REMEMBER WHEN . . . ? Coal oil and sugar was a "fine" medicine . . . Chewing gum was sold in long sticks that resembled candles . . . Women's corsets were laced from behind and were long . . . Girls took the bows out of their sweetheart's hat and placed them on their garters . . . Church dates for young people were the rule and not the exception . . . Everybody joyfully took part in the church picnic . . . Women pinned their watches to their shirt-waist on the left side . . . Women wore "rats" in their hair and made their hats resemble an airplane in full flight . . . Practically all boys went barefooted in the summer-time and were eternally sticking nails in their feet . . . Straight knee trousers were worn by the youngsters and two buttons sewed on the side at the knee . . . Men took pride in their barber shop mugs . . . When you bought coal oil and had it delivered, the spout can usually had a potato, or a candy gumdrop, placed on it, and how disappointed you were, if you were a boy, at the waste of said candy . . . Women used white chalk, which came in small cones, or face powder . . . Male lovers sent their lady friend gorgeous Valentines . . . Glace (pronounced glass-a and I'm not sure about the spelling) was THE drink and was made from shaved ice and any old kind of flavoring . . . Milk shakes were milk shakes . . . The old fashioned editor wished every newly-married couple "a long and happy life together" . . . What fun it really was to meet the train every Sunday afternoon.

**GOOD ADVICE TO ALL CHILDREN**

Up in Oregon the sheriff of one of the major counties has had issued cards for distribution among children. They carry point in any state and it may be recommended that attention of children hereabouts be called to the following copy:

1. Don't ever ride with strangers.
2. Always walk on the left hand side of the road, and get clear off the road when you meet an automobile. Give them plenty of room.
3. Don't ever cross a road or highway until you are sure there are no cars coming from either direction.
4. Don't attempt to cross an intersection until you are certain that there is plenty of time.
5. If you see an accident go for help quickly.
6. Keep clear of the wreck. Let grown people give aid to the injured.

While the sheriff is doing this good work in the interest of the smaller citizens, the Oregonian of Portland suggests that he might get out another card directed to adults and that it read:

1. Don't ever pick up strangers.
2. Always drive on the right hand side of the road, and when you meet a pedestrian give him plenty of room.
3. Maintain a look-out for persons crossing the road.
4. Have your car under control when entering an intersection, and recognize the right of pedestrians to cross ahead of you.
5. If you see an accident, offer help.
6. If you cannot be helpful, leave the wreck. Don't block the highway out of curiosity.

With one or two exceptions the points in each apply to the grown-ups as well as the children. It will hurt no one to read what the Oregon sheriff has to say, and what the Oregonian thinks he might add.—Tribune, Oakland, California.

BRIEFLY—Most of us claim we like truthful people, but its most generally when the "other fellow" is being discussed . . . The trouble with most of us is that we want to be the fellow who is on the sidelines doing the cheering when work is to be done . . . A lot of people love children, but you wouldn't think so by the way scores of them drive past schools at a fast rate of speed . . . Some young folk honestly think they have a hard time, but the only thing hard is that dad doesn't have the money he formerly had and therefore is unable to give it out. Dad is really the one having the "hard" time . . . Men who study such things carefully believe that some form of sales tax is in the offing soon.

If the federal government cares so much for plans whereby money is handed out on cotton, corn, hogs, cattle, wheat, et cetera, several local merchants wouldn't mind if the said FG paid for NRA assessments.

Pity the girls in the county agent's office. Day after day, they hand out checks to farmers, but cannot cash in on all that money. And "tips" are so few and far between.

"Chances Good for Increase in Population"—reads headline in Dallas News. Someone else is Wincheling.

# On Texas Farms

Report comes from Jones county that at the training school held for the pantry demonstrators of the county home demonstration clubs 75 people learned how to make and lay tile for garden subirrigation. These citizens will in turn teach their neighbors in their own communities to make tile so that gardens may prosper and fruit trees flourish come rain or no.

In Dickens county every home demonstration club member is a "cooperator" in the yard improvement work being undertaken by these club women. Goals for cooperators are very definite--each one is to "remove all rubbish, repair fences, lay a flagstone walk, learn to recognize and locate for transplanting five native shrubs and report to the demonstrator." Demonstrators, by the way, undertake the complete landscaping of their premises.

Three home orchards of one acre each were set out at three orchard demonstrations in Wharton county attended by 175 people. As a result, 300 more trees have been ordered and there are prospects for 500 more than that being put out in the county either as new orchards or replacements.

Nazario county is going in for more fruit too, with a definite goal of ten home orchards in every community in the county. S. M. Hudgins, a Nabarro county orchardist of long experience, recommends to the beginners to have and follow a schedule of regular pruning, spraying and cultivation if they want success.

## Bethel Club Ladies Hostess to Hart Club

The Bethel Club ladies were hostesses to the Hart club ladies Friday, Feb. 22 in the home of Mrs. J. G. Davis.

Each member answered roll call with some fact about George Washington. The subject for the afternoon was, "America Must Choose." The following was given:

Our Approach to Isolation--Mrs. Harry Sinclair; Approach to a World Neighborhood--Mrs. Cee Richardson; New Dealing With the World--Mrs. Vern Lust.

Several games were played and refreshments of cherry pie, whipped cream and coffee were served. Visitors present were: Mesdames C. B. Priddy, Bill Johnson, L. E. Nash, Jack Katon, Gob Whitlow, M. V. Nash, Frank Brown, Alvin Pricer, Percy Hart, Mill Ewers, N. C. Maples, and C. G. Jackson.

Members present were Mesdames Jack Barker, Earl Iust, Homer Terrell, Bryan Sinclair, Jim Bagwell, Kay Roberts, Harry Sinclair, Vern Lust, George Bagwell, Cleo Richardson, Harry Rothwell, Carl Webb, Jim Givan and the hostess. Miss Izora Clark and Miss Cooper called for a short while during the meeting.

## Dixie Blackbird Minstrels Draws a Large Crowd

The Dixie Blackbirds successfully put on their show here last Thursday night at the local auditorium with the attendance of most of the people of Dimmitt and surrounding communities. The blackbirds, some of whom turned out to be more crow than blackbird, brought many laughs from the audience. The style show featuring all of the latest styles did credit to the women, since better appreciation can be given them after seeing some of the men wear their apparel.

The American Legion, being the ones to sponsor the show under the direction of Celeste Vause, felt that they received all cooperation from the merchants and people of Dimmitt.

Lack of time was probably the greatest handicap experienced by the Legion in giving the play, however, the local talent did fine and under the circumstances their work was very commendable.

### OBITUARY

James A. Harwell, born in DeSota county, Miss., July 15, 186, lived in that state for approximately 30 years moving to Saepulpa, Okla., where he lived until Oct. 1932. From Saepulpa, Bro. Harwell moved to Dimmitt, making this his home until he died, Feb. 20, 1935 at the age of 60 years, 6 months and 5 days.

In 1886, Bro. Harwell was married to Manda Holland and to this union was born six children, four sons, A. T. Harwell, Nashville, Tenn.; Charles Harwell, Saepulpa, Okla.; Earnest Harwell, Graham, Tex.; and Egbert Harwell, address unknown, and the two daughters, Mrs. Jess Gray, Drumwright, Okla., and Mrs. John Waters, Eliasville, Tex.

In 1914 Mrs. Manda Harwel died and in 1925 the deceased was married to Mrs. Bell O'Neal. Surviving stepchildren are L. D. O'Neal, who lives in Oklahoma; B. R. O'Neal, Breckenridge, Tex.; Ramon, Bill and Helen Harwell, Dimmitt, and Mrs. Elmer Youts of Dimmitt.

Brother Harwell was converted at an early age and was true to his faith since taking this stand and at the time of death he held membership in the Assembly of God church.

## Beauty Supply School Attended By Beauticians

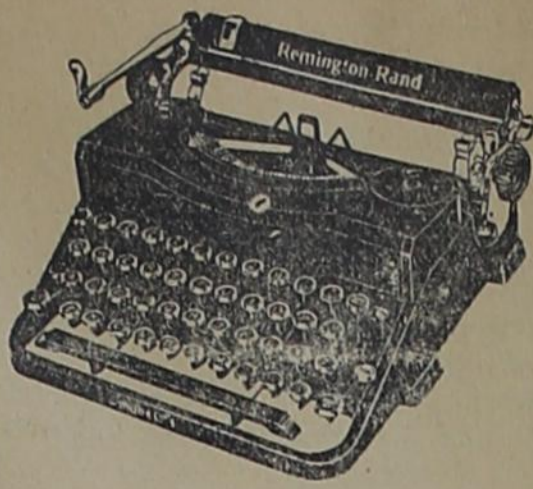

A number of Dimmitt beauticians attended the Lubbock Beauty Supply School and Trade Show, Feb. 18, 19 and 20, in Lubbock where they received information and watched demonstrations in the latest methods of beauty culture.

Two nationally known artists were among the instructors at the school and a number of other experts of the trade appeared on the three-day program. F. Charles, Denver, and Walter Wilson, Dallas, were featured during the program. Charles has appeared on show programs in Paris and London. Both Wilson and Charles have appeared on the national hair dressers show programs in New York and Chicago.

Exhibits of the latest beauty parlor equipment and supplies were viewed at the show with proper demonstrations.

The local beauticians come back to their work much better qualified to give their trade the best service available today.

Among those attending the show were the following from Dimmitt: Mr. and Mrs. L. G. Manning of the Hotel Witt Beauty and Barber Shoppe, and Mr. and Mrs. O. B. Trimble of the Sanitary Beauty Shoppe.

THINK of it! Brand new, fresh-from-the-factory Remington No. 5's for a cash price only \$49.50, (former price \$60)—a new reduction. Plus our special easy payment plan. This price positively represents the best buy that can be made in portable typewriters.

It was this model which Commander Byrd took on his flight to the Poles—which Floyd Gibbons used in the sweltering stretches of the Sahara—which accompanied that intrepid group that dared the heights of Mt. Everest. Yes, whether in the shelter of the American home or the wildest regions of distant lands, there you will find this model Remington standing up and delivering as no other portable has ever done.

### FREE TYPING COURSE

When you get your new Remington No. 5, you will get with it—absolutely FREE—a 19-page course in typing. It teaches the Touch System, speeds up work.

It is simply written and well illustrated. Instructions are easy as A.B.C. Even a child can understand this method. A little study and the average person, child or grown-up, becomes fascinated.

Following this course during the first 10 days that you have your typewriter. At the end of that time, you should be able to dash off letters faster than with pen and ink.

### FREE CARRYING CASE

With every Remington No. 5, a FREE carrying case sturdily built of 3-ply wood. Covered with heavy DuPont fabric. Top is removed in one motion, leaving machine firmly attached to base. Can be used anywhere—on knees, in chairs, on trains.

## The "liquid test"

... it ENDS bowel worries for many people

This is a test that tells you whether the system needs a cathartic change. If you have constant sluggish spells or bilious attacks, and laxatives seem to make things worse, it would be wise to try this:

Stop all use of any laxative that does not encourage variation from a "fixed dose" (which may be entirely too large a dose for your individual need). Use instead, a liquid laxative that you can measure and regulate as to dose. As necessary to repeat, take smaller doses, less and less often, until the bowels are moving without any help at all.

Doctors use liquid laxatives, and a properly prepared liquid laxative, containing natural laxative agents like senna and cascara is a joy and a comfort; a real help in establishing regularity. Ask your doctor about this! (Doctors use liquid laxatives.) You can get Dr. Caldwell's Syrup Pepsin, which is a most dependable liquid laxative, at any drug store.

ALLOCATIONS totaling \$422,026.37 were appointed recently by the engineering department of the Texas Relief Commission for work relief projects over the state. Opportunity to work for aid received will be afforded 4,722 men daily on the 103 projects however, Castro County were not in the list of counties for the approved projects.

FOR the first time in 11 years social welfare and relief workers throughout the state will convene in Austin, March 28-30 for the 25th annual session of the Texas Conference of Social Welfare. It will also be the first time in recent years that the conference will be in session in Austin at the same time as the state Legislature.

PONTIAC Motor Co. dealers throughout the United States registered 3,073 new cars during the first ten days of February compared with 1,423 for the same period in January and 1,658 the first ten days of February 1934, according to A. L. Gilpin, vice president and general sales manager of the company, thus increasing the fast pace that was set in January.

JANUARY. BOTH Government and private statistical reports indicate that industry is making strong gains in most lines. Basic industries, like steel, are operating far above the level of this section a year ago. Shipments of finished steel by the U. S. Steel corporation in January reached 534,055 tons, an increase of 61 per cent over January, 1934.

CLARENCE THIEME, 18, 4-H club member in Cameron county, made a net profit of \$2.42 per hen on his flock of 178 white Leghorn hens during 1934, according to H. L. Alsmeyer, farm demonstration agent. During the 12 months the hens averaged 170 eggs each which is almost double the State average of 96 eggs per hen.

AN INCREASE of 148 per cent was recorded in new passenger car registrations in Texas during January as compared with January, 1934, according to the University of Texas Bureau of Business Research. Reports from 15 representative Texas counties gave a total of 4,497 registrations, an increase of 119 per cent over December. Sales in the lower price brackets made the best comparative showing, but the increase in the highest price groups was also substantial, the Bureau's report said.

APPROXIMATELY 90 per cent of the Indian relics in the University of Texas archaeological museum is prehistoric, that is, its dates prior to the

coming of the white man, according to A. T. Jackson, University field foreman in archaeology. The University museum now contains approximately 4,000 earthenware vessels, 50,000 flint or other stone specimens, some bone, and about 6,000 items of perishable nature.

COST of old-age pensions is far under early estimate. The Economic Security Committee brought forth a report showing that the total cost to states for old-age pensions would be about \$110,000,000 a year, instead of more than half a billion as had been freely predicted.

DUBOIS Walker, a Deaf Smith county farmer, despite continued drought according to Dewey Reed, farm demonstration agent, held enough moisture in a section of land to keep the wheat growing on his farm. This was done by preparing the soil to receive whatever rains might fall and by throwing up clouds to help prevent the soil from blowing.

1935 CAR TAGS, after editorial comments and discussions by the people, may now be placed on cars after March 1. It seemed to be a case where a law had to be done away with because the people did not understand that it was just the same as in previous years except the time on old plates had been extended.

IDEAS of what criticism may do is plainly brought out when Sen. Claud Westerfeld of Dallas, a newcomer to the Senate, criticized Gov. Alred's action in appointing Sarah T. Hughes to be judge of the 14th district court in Dallas county. Senator Westerfeld told the Senate that a woman should be in the kitchen and thousands of

Collee Station—Of the 6,283,548 acres of Texas land under crop adjustment contracts in 1934, 3,558,564 were planted in feed crops for home use according to the annual reports of county agents assembled here. Only 1,178,854 acres were allowed to remain idle, and the drought last year was a factor which H. H. Williamson, State Agent and Vice Director of the Ex-

women sent telegrams to the Capitol in her defense.

CHRISTMAS club members in banks, for the first time in four years, have shown a substantial gain, resulting in taxing the faculties of the club's headquarters in New York for supplies. The condition reflects an improvement in employment as well as an ability of small-wage earners to "put aside" a part of their income.

AUTOMOBILE production increased around 27,000 passenger cars and trucks in the United States and Canada in January and February production schedules call for the largest output since 1930. The automobile trade expects an increase sales gain of 25 per cent this year.

THE BRAZOS is the state's largest river, 900 miles long, with drainage area of 44,600 square miles, (28,544,000 acres), or one-sixth of the state's area—larger than either Virginia, Indiana, Kentucky, Tennessee, or Ohio.

## SUNNYSIDE HOME DEMONSTRATION CLUB

Sunnyside Home Demonstration club met Feb. 20 in the home of Mrs. Clyde Chism. A very interesting program was given, "America Must Choose," by Henry A. Wallas.

Present at this interesting and educational meeting were the following women: Mesdames M. A. Silmer, Ed Duke, J. Turner. S. W. Lilley, G. Bradley, Preston Sampler, G. T. Abbott, John McLain, J. S. Chism, Miss Cleacy Winder and the hostess. With Mrs. Charlie Pretty and Mrs. Euers visitors from Hart club.

The H. D. club will meet next time with Mrs. J. S. Chism.

tension Service, estimates had a great deal to do with that, as nearly half a million acres of the total was wheat land lying in the region of least rainfall.

Food for home use claimed 295,917 acres; soil improvement crops were planted on 221,358 acres; while with pasture crops for home use, 617,295 acres headed toward the goal of more grassland to replace that so disastrously put to the plow in the past 25 years. The remaining acreage was in temporary pastures and miscellaneous crops for home use.

### Now Relieve Your Cold "Quick as You Caught It"

1. Take 2 BAYER Aspirin Tablets. Make sure you get the BAYER Tablets you ask for.

2. Drink a full glass of water. Repeat treatment in 2 hours.

3. If throat is sore, crush and stir 3 BAYER Aspirin Tablets in a third of a glass of water. Gargle twice. This eases throat soreness almost instantly.

**FOR Amazingly Fast Results Remember Directions in These Simple Pictures**

The simple method pictured here is the way many doctors now treat colds and the aches and pains colds bring with them!

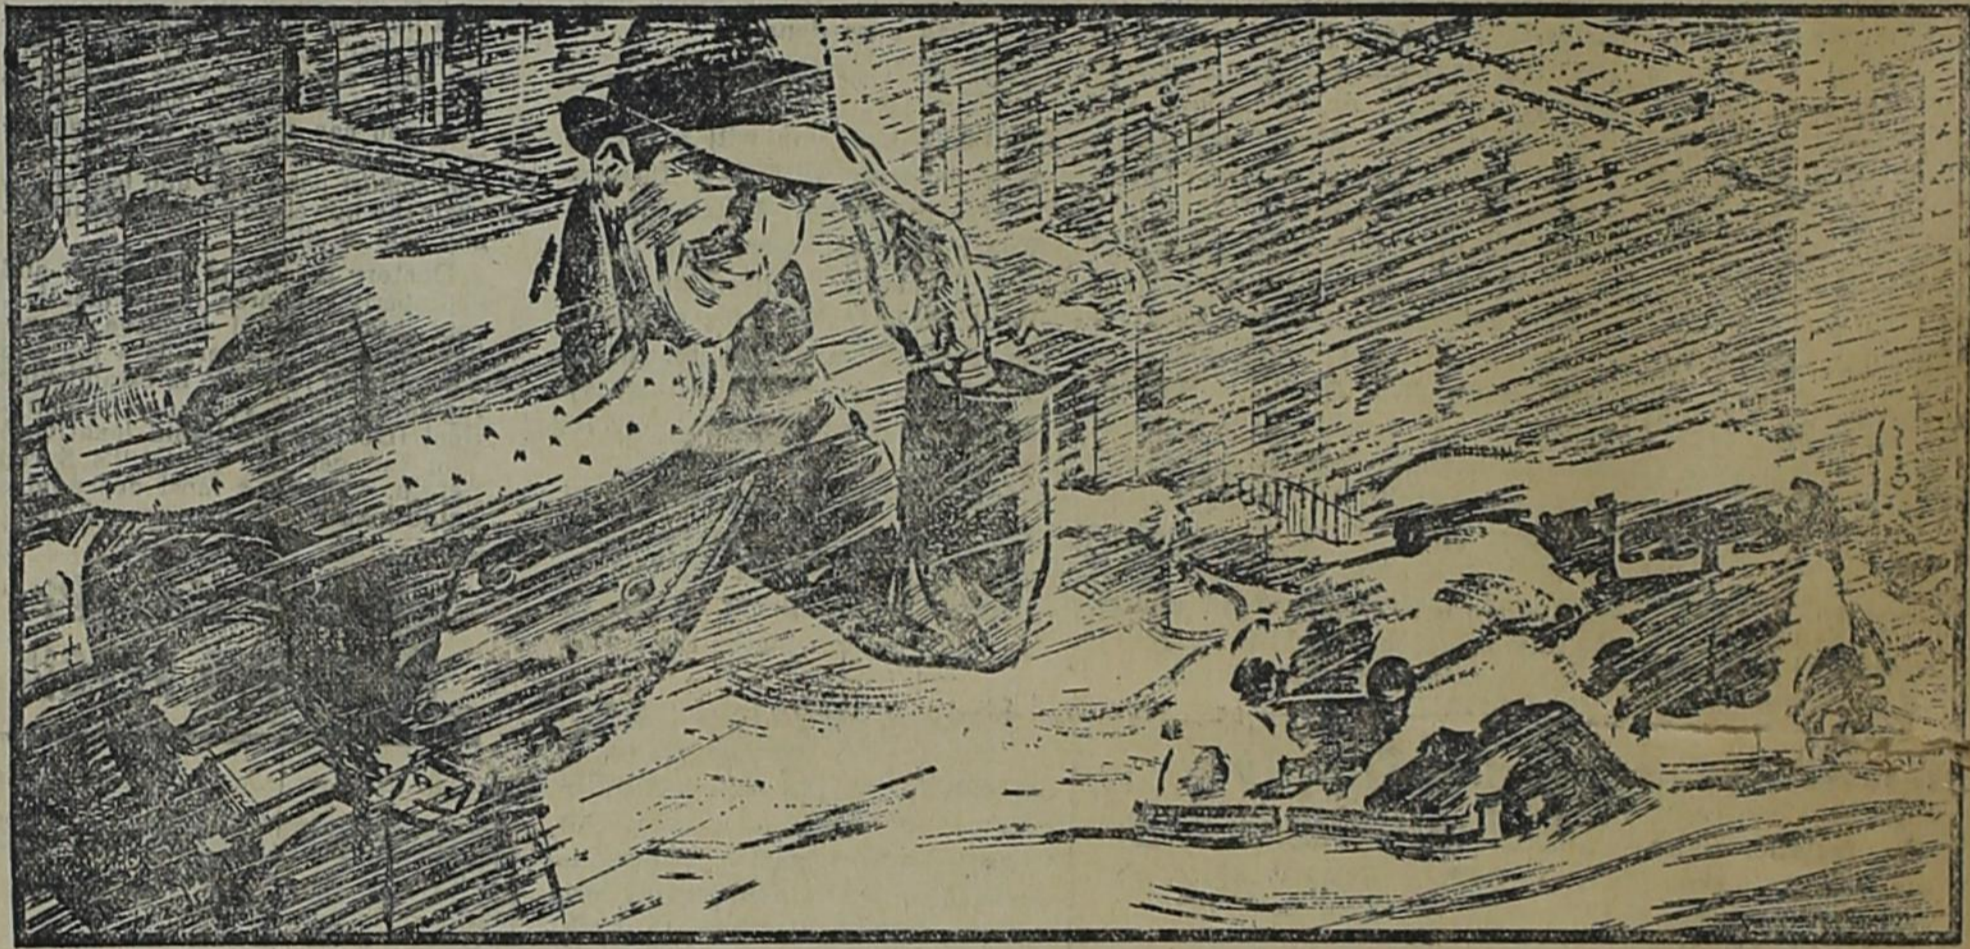

It is recognized as a safe, sure, QUICK way. For it will relieve an ordinary cold almost as fast as you caught it.

Ask your doctor about this. And when you buy, be sure that you get the real BAYER Aspirin Tablets. They dissolve (disintegrate) almost instantly. And thus work almost instantly when you take them. And for a gargle, Genuine Bayer Aspirin Tablets disintegrate with speed and completeness, leaving no irritating particles or grittiness.

BAYER Aspirin prices have been decisively reduced on all sizes, so there's no point now in accepting other than the real Bayer articles you want.

# Hints for the Household

By BETTY WEBSTER

Although it is early for outdoor gardening, now is the time to peruse carefully the seed catalogues and landscape gardener's plans for your summer garden.

It is nice to have flowers all through the season, but in order to have an ever-blooming garden forethought and work are necessary. Consult the landscape gardener and his booklets, when possible.

He is an expert in his line and can give the advice so essential to the preparation of an attractive garden spot.

### DO YOU KNOW THAT

1. Cookies will be much lighter if the dough is rolled on a canvas cloth (to avoid too great an absorption of flour) rather than a board?
2. One-fifth more butter should be used when substituting butter in a recipe calling for lard and one-fifth less lard in one calling for butter?
3. Butter and margarine have less shortening power than lard and vegetable fats because they contain about fifteen per cent water?

### RECIPES

#### Ham Mousse

- 2 cups of finely chopped ham.
  - 2 tablespoons of minced parsley.
  - 1-4 teaspoon of paprika.
  - 1 cup of whipped cream
  - 1 tablespoon of gelatine, soaked in
  - 2 tablespoons of cold water and dissolved in
  - 1-4 cup of boiling water
- Mix ham, parsley and paprika; fold into the cream to which the gelatin has been added. Turn into individual moulds which have first been dipped

into cold water and chill. Serve on crisp lettuce.

#### Radical Rice Rolls

- 1 cup of rice
  - 1 cup of boiling water
  - 2 teaspoons of salt
- Steam these together until rice has absorbed water. Add 1 cup of milk and continue steaming until rice is soft. Remove from stove; add 2 egg yolks, well beaten, and 1 tablespoon of melted butter. Let cool; shape into balls making a small nest in each. Dip in beaten egg, then in cracker crumbs and fry in deep fat (370 degrees) until brown. Drain on brown paper. Fill each hollow with currant jelly, orange marmalade, plum jelly or any desired sweet and serve.

#### Chinese Rice

- 2 cups of rice
  - 2 teaspoons of salt
  - 1-2 quarts of water, boiling.
- Wash the rice thoroughly in cold water. Add the rice to the boiling water to which the salt has been added. Cover tight and boil rapidly until the water has been absorbed, stirring occasionally to prevent the rice from sticking to the pan. Remove the cover and allow the rice to dry out over a very low fire; cover, remove from fire and let stand in a warm place for ten minutes to steam. Serve at once.

#### Cocoa

- 1 cup of milk
  - 1 teaspoon of coca
  - 2 teaspoons of sugar
  - 1-4 teaspoon of vanilla
- Heat milk; mix coca and sugar to a paste with cold milk; add enough warm milk to pour. Add to warm milk and simmer gently for a few moments; remove from fire and add vanilla.

### CARD OF THANKS

The ladies of the Methodist Missionary Society takes this instance to thank the ones who donated so liberally to the funds for the Lions club banquet, the White Swan people for the donation of the coffee, and also the others who made the banquet possible and contributed to its success.

Mrs. Joe Golehon, president.

## Miss Rickwartz Weds Mr. Brockman

Lovely in its simplicity was the wedding of Miss Marie Rickwartz to Lawrence Brockman, which was solemnized Tuesday morning at 9 o'clock with Rev. Taltier Becks officiating.

The bride was very attractive in her gown of white satin fashioned princess style and ankle length. Very pretty blue and white slippers completed the costume. The bride carried a big bouquet of flowers.

Miss Martha Brockman, sister of the groom, who attended the bride, wore a full length gown of rose-pink flat crepe trimmed with a gold hat and white slippers.

Raymond Ramakers acted as best man for Mr. Brockman. He wore a dark brown suit and Mr. Brockman, the groom, wore a dark blue suit.

A reception was held at the bride's home following the ceremony with only relatives and intimate friends attending. A dance was given at the Parish Hall at night with music furnished by the Largets Orchestra of Plainview. Mrs. Brockman is the daughter of Mr. and Mrs. Clem Rickwartz, who live near the Arney community. Mr. Brockman is the son of Mr. and Mrs. Frank Brockman of this Parish. The couple is well-known here and have many friends. Our best wishes are extended to the newlyweds and we hope they have a long and happy married life.

**NAZARETH NEWS**

Mrs. Rank Wilhelm and daughter, Mrs. E. J. Kerns, and Mrs. John Kern spent Thursday afternoon visiting with Mrs. Frank Drerup.

A number of the Tulia business men attended the rodeo which was held northwest of Nazareth Tuesday. Some of the visitors were Iva Hunnycutt, Keneth Ramsey, Dick Robb, J. D. O'Daniel and Geo. Childress. They all reported it as a good rodeo.

Robert Spier of Tulia was in Nazareth Monday putting up a new Crosby radio for Frank Drerup.

C. A. Riche of Dimmitt and Wilfred Hoelting of Nazareth were transacting business in Plainview Monday.

Miss Rose Dobmeier underwent an operation for appendicitis at the Dimmitt hospital Friday.

Joe Heidergerken is on the sick list this week.

**SCHOOL NEWS**

Joseph and Clarence Schulte have recovered from the mumps and are now back in school.

Due to bad weather the Nazareth High School girls were forced to postpone the play, "The Mystery of the Masked Girl," Sunday night, February 24, 1935. The girls gave it Monday night, Feb. 25, 1935. A nice crowd was present, and a dance and card party was given immediately after the play.

Those taking part in the play were Mrs. Moss, who lets the room of Walter Eanes, Mildred Klemm; Moira Moss, her daughter, Mary Hawkins; Judith Atkins, who rents the room, Roberts Hyland; Ann Bradley, her room-mate, Odelia Huseman; Hulda, who cares for the room, Mary Elizabeth Birkenfield; Rose Lawn, Larameck Hawkins; Kathryn Tremayne, Rosie Rickwartz; Miss Pruden, Germaine Binzegger; Miss Carney, Ruth Braddock.

**"Road To Ruin"**

DELICATE SUBJECT

IS WELL HANDLED

Occasionally a picture comes along that through some new twist or some novel method of treatment, causes the jaded movie fans to sit up and take notice. Such a picture is "THE ROAD TO RUIN" which shows at the Castro Theatre Monday, March 4.

In addition to being wonderful entertainment and a story of compelling interest, "The Road to Ruin" deals with a subject that is close to the heart of every normal American—the welfare of our girls—and as such it has been endorsed by Juvenile Authorities and Police all over the country. From the moment the two lovely girls start their trip down the primrose path that leads to the Road To Ruin until the final fadeout there is not one uninteresting moment and the audiences sit spellbound.

**BIG SQUARE**

Several people attended the singing convention at Frio Sunday and reported a very good program.

Mr. and Mrs. Geo. Graham, Mrs. Joe Hutchinson and son, Brodie Wayne, went to Plainview Friday afternoon.

Mrs. Carl Baker, Bro. Geo. Graham Mrs. Glenn Stiles and Mrs. Alfred Scott visited in the Hutchinson home Wednesday night.

Mrs. Will Cates and daughter, Luille, visited Mrs. Murl Stiles Wednesday night. Mrs. Stiles has been ill but is much better at this writing.

Mr. and Mrs. Clyde Prather moved to their new home Tuesday, which is located northeast of Big Square.

Willis Branscum is driving a V-3 Ford.

Mr. and Mrs. Ellis Mick and Dimple James were in Dimmitt Saturday afternoon.

Mr. and Mrs. Art Haberer and family spent Sunday in Hereford with Mr. Haberer's parents, Mr. and Mrs. J. H. Haberer.

**CARD OF THANKS**

In The Sickness and Death of J. A. Harwell  
I am not a hand at writing verses  
But this I would like to say  
You don't know how we appreciate  
The things you've done today.  
Not only today but the day before  
that too  
And we hope sometimes we get a  
chance  
To do the same for you  
You cooked our meals and set up too  
With the one we all loved dear  
You smilingly tried to help us out by  
handing us words of cheer.  
You'll never know just what this  
means until this you  
Experience too and some one, even  
if not us, will do the same  
for you.  
A. T. Harwell, E. L. Harwell, Mrs.  
J. A. Harwell, Chas Harwell, Minnie  
Waters, Bessie Gray and all relations.

lodge building, had one of the most successful meetings ever held by the local clubs Friday night, Feb. 22.

C. A. Cryer, superintendent of the schools at McLean and former superintendent of the schools at Dimmitt, was principal speaker of the evening and brought out some very interesting points in his talk. Superintendent Cryer stated: "There are three classes of people; those that say it can't be done, those that say it might be done, but let George's do it, and those that say it can be done." Further, he brought out that the local lodge were in the class that did the things put before them, giving as his reason for this statement the Masons and Eastern Stars of Dimmitt had undertaken to pay for a lodge building and had succeeded.

Each year the Masons hold a meeting in honor of George Washington who was one of the greatest Masons
