C & C Company Wins Paving Contract with \$66,000 Bid

C & C Asphalt Paving Co. of Colorado City was the successful bidder on the Bronte paving project with a bid of \$66,415.70. The bid was let to the firm last Friday at a special meeting of the Coke County Commissioners Court. It was some \$11,000 lower than the engineer's estimate of \$77,639.90. The bid covers paving of 111 blocks in the city.

C & C is expected to start moving equipment in and begin work on the project in the next few days. The contract calls for completion of the project in 90 working days.

In a meeting of the city council Monday night, use of the surplus funds left from the difference between the \$80,000 bond issue and the amount of the contract was discussed. No decision was reached as to how the money should be used, but additional paving was seriously considered. W. W. Greif, engineer for Coke County, estimated that an additional 15 blocks could be paved with extra money.

Up to Wednesday afternoon 33 persons had signed up to have curbs laid around their property. The deadline for signing up for curbing has been extended and persons wishing to have curb and gutter laid around their property should sign up just as soon as possible.

Amount of footage to be curbed is approximately 4,000 feet. An exact count of the amount signed up for was impossible, as some of the signers did not indicate how much they wanted. Cost of the curbing is expected to run about \$1.50 per foot.

E. J. SMITH IS HURT IN LAKE FRACAS

E. J. Smith, local employee of the West Texas Utilities Company, was painfully injured last Sunday afternoon while fishing at Oak Creek Lake north of here. Smith received injuries to an ear and to the back of the head after being hit with a boat oar. He was hospitalized until Thursday.

Smith related the story as follows:

He was fishing on Oak Creek Lake in a small boat Sunday afternoon when he was approached by a man said to be Walter Stepp, lake keeper employed by the City of Sweetwater. Stepp asked Smith

Parents to Go Back To School Tuesday

Public School Week is being observed in Bronte next week, March 7 through 11. During this special week, parents are urged to visit the local school and to attend the classes any day during the week.

Parents will also be welcomed at the school lunch room and will be served the regular plate lunch for 35 cents. Members of the Bronte Lions club will eat at the lunch room at noon Tuesday, March 8.

No School Next Friday

Bronte schools will be dismissed next Friday, March 11, in order that Bronte teachers may attend the area teachers meeting to be in Brownwood.

PTA "Back To School" Night

Since the regular meeting date of the Bronte PTA falls during public school week, the meeting next Tuesday night, March 8, will feature a short session of classes called "Back to School Night" for parents. All school patrons are urged to be present.

The "Back to School" program will begin at 7 p. m. and the first 30 minutes will be called the general assembly and the regular PTA meeting will be held and parents instructed in what they should do the remainder of the meeting. A report from the nominating committee will be made and special music given by the third grade.

Starting at 7:30 a short class schedule will be run and parents will visit the classes which their children attend each day. Classes will be 12 minutes in length with 3 minutes between classes. Teachers will be in their classrooms. The schedule is:

7 p. m. until 7:30, General Assembly.

7:30 — 7:45 1st period classes
7:45 — 8:00, 2nd period classes
8:00 — 8:15, 3rd period classes
8:15 — 8:30, 4th period classes
8:30 — 8:45, 5th period classes
8:45 — 9:30 — regular school activity period will be used as the social hour and refreshments will be served in the lunch room.

High School Principal Garland Black said there will be no regular class recitation but mainly a discussion by the teacher with an opportunity for parents to ask any questions that they like. Classes will be run for both high school and grade school parents.

Black said that each student will be given a schedule before the meeting to take home to their parents. Both parents of the students are cordially invited to attend the meeting but at least one parent from each family is urged to attend.

The program will be unusual and highly interesting and everyone is urged to be present in time for the General Assembly at 7 o'clock.

Purchase Auditorium Seats

At a meeting last Monday night, Bronte school trustees selected the seats to be installed in the new auditorium. They are being purchased from the American Seating Co. and are similar to the new seats used in the auditorium of the new Robert Lee School.

FOUR NAMES ON BALLOT FOR CITY COUNCIL

Up to press time Thursday four candidates had filed for the two city council vacancies which will be filled in an election Tuesday, April 5. Deadline for filing it with the mayor or at the city hall.

J. P. McGuire, H. A. Springer, Joe Rose and Bob Wilson put their names on the ballot. Springer is seeking re-election. Leonard Fletcher, the other councilman whose term is expiring, has declined to seek re-election.

Bob Wilson is owner of a barber shop here in Bronte; McGuire is in the welding and pipeline construction business; Rose is an oil field work contractor and Springer is local manager for West Texas Utilities Co.

Holdover councilmen include Mayor Ernest Ivey, Joe George Wilkins, Charlie Boecking.

Everyone is reminded that tomorrow, Saturday, March 5, is the last date that candidates may file for the offices and get their names on the ballot.

Heart Drive Underway

Annual fund drive for the American Heart Association will begin in the next few days. Coin collectors will be placed in several business houses, as was done last year and those wishing to contribute may place their donations in the containers.

Dr. John R. Harris and Vetal Flores are in charge of the drive on this side of the county and Dr. McDaniel is in charge of the west part of Coke County.

Girls Are Bi-District Champs; Play at Brownwood Today

Bronte basketball girls came from behind Tuesday night in San Angelo to defeat Sterling City and win a place in the Regional play-off at Brownwood this weekend.

Grady Baker's squad will travel to Brownwood today, Friday, and will meet the Eula team at 3 p. m. Eula went to the State Meet last year, and Baker said they are favored to win the regional tourney this year.

In the thriller played with Sterling City Tuesday night, Bronte won 36-31. They led by one point 6-5 at the end of the first quarter and trailed 17-13 at halftime. Bronte was still behind at the end of the third quarter 25-21, but turned on the steam in the final period, scoring 15 points to 6 for Sterling City. Bronte took the lead about midway in the last quarter, and except for one tie, led the rest of the way.

ter, and except for one tie, led the rest of the way.

In the first quarter Bronte scored 6 points, Sterling City 5; in the second quarter, Bronte scored 7 points to 12 for Sterling City; in the third period, both teams scored 8 points and in the last period the locals outscored their opponents 15-6.

Mary Ann Gray dropped in 31 points for the night's scoring honors. Wanda Bell Snead made 4 points and Jo Ann Rusk 1.

For Sterling City, high scorer was B. Dunn, 12 points, Jenny Davis followed with 10 and Patsy Martin made 9.

Coach Baker played four girls at guard positions, all of whom did outstanding work, he said. They were Ann Adams, Wanda Tomlinson, Flora Mae Brown and Mary Linda Lasswell.

RED CROSS DRIVE

American Red Cross Fund drive will begin within the next few days according to Charlie Boecking, County Chairman and the Fund chairman, Claude Word.

Plans for the drive are still being made and volunteer workers needed. Coke quota is \$985.

AD-LIB-BEN

There's one person that remembers the absolute deadline on this newspaper and that is Mrs. Charlie Phillips over at San Angelo, a former employee of the Enterprise. The Phillips are parents of a new son, Larry Gene, born at 10:01 a. m. Thursday, just about 2½ hours before press time. The little boy weighed 7 pounds and 12 ounces and we've promised Erma Ruth for months that we would put it on the front page since she never got on the front page during the years she was working here.

The little boy has some Bronte grandparents, Mr. and Mrs. J. I. Adair and Mrs. Mary Phillips. He also has an older brother and sister, Tommie Ruth and a Mickey.

Speaking of babies, Claude didn't tell us this but we think grandpa Claude Word is a little mad at us. His first grandson was named Claude Ray in his honor and sure enough it came out Charles Ray in The Enterprise.

He is the little son of Mr. and Mrs. Denton Smith of Andrews.

Eddie Cantor said on his television show the other night that some people drive as if they are afraid they will be late for their own accident.

If we can get out of the salt mine next Tuesday night, we're going to PTA and see what the second grader does at school all day. They're going to have a short "school day" up there next Tuesday night with parents attending classes for 12 minutes (the children go longer) for each subject their child takes. I was a little disappointed that they are going to skip the lunch period. I could eat in 12 minutes, but it really should be an interesting experience.

STOP MOTOR OIL KNOCK WITH HUMBLE UNIFLO

Humble Esso-Extra gasoline for '55 will give you the best anti-knock performance you've ever had.

But motor oil can also cause knock. Some oils form combustion chamber deposits that raise compression ratios even higher, increase a high compression engine's tendency to knock. These deposits also cause pre-ignition ping.

Humble Uniflo motor oil does not form knock-causing deposits. Thus, in effect it raises the anti-knock performance of your gasoline.

Uniflo also saves gasoline, lengthens battery life, gives you

superior lubrication and cooling. You use the same grade the whole year around.

When you use both Esso Extra gasoline and Uniflo motor oil, you're using the best performance combination ever.

*The entirely new gasoline
with the highest performance rating
ever offered Texas motorists.*

When your car knocks, you're losing power, burning too much gasoline, dirtying your engine. Knock—even ping—is more than a noisy inconvenience—it's expensive, too.

But you can stop knock with Humble's Esso Extra for '55. This entirely new gasoline has the highest octane rating (anti-knock quality) offered Texas motorists.

It's an absolute must for the new high compression 1955 engines.

And it assures the improved performance of any car, any make, any model.

Get the Esso Extra habit! . . . Your car will give you performance you never dreamed it had!

No. 1 in Texas

Now, more Texans than ever before prefer Esso Extra to any other premium gasoline.

what's what by whatley

Usually the ending of stories is "they lived happily ever afterward." But I'm going to reverse that a little by saying the Whatleys lived happily over the weekend. To give you a brief resume of it all, this is how it goes. Friday evening at 7:35 the young son, husband and I met the bus in San Angelo to get the nurse, who was returning after spending 3 months in San Antonio taking her psychiatric training. We took her luggage to the nurses dorm and then we all left for El Paso.

We arrived there at 4:30 in the morning very tired but so happy to have our family together for the first time since November. Also we viewed the newest member of the family (the grandson), who is now 4 weeks old. Its amazing how much smarter we think our grandchildren are than any one elses.

The weekend was entirely too short but we were there long enough to get in a few hours visit to Juarez, Mexico. We arrived back in Bronte Sunday night without a flat, seeing any kind of a wreck and all feeling fine.

I might add this little note. Mr. Oglesby teasingly said last Friday "I guess you will make a nice long local about your trip?" I informed him that there would be no local at all, but a whole column full. I get off on a trip so seldom that when I do, I want the readers to know about it.

I am so pleased with the response I've been getting about the recipes I have been running. I feel elated over the one I am going to bring you this week as it is from a man. We do have some good men cooks in our community.

Mr. and Mrs. Fred Baker served this Italian Spaghetti to the Oglesby family recently and he prepared the dish himself and they reported it to be wonderful. Baker is an employe of Lone Star Gas Co. and he enjoys cooking, particularly dishes unusual in this section of the country. The spaghetti is an original Italian recipe which he brought with him from his home in Philadelphia, Pa. I want to thank him very much for being so kind as to give it to me.

Italian Spaghetti With Meat Balls

Parsley (Prefer fresh)
1 egg
1 green pepper
1 large onion
2 cloves garlic
1 lb. ground beef
1/3 pound ground pork
2 cans tomato paste
1 can tomatoes
1/2 teaspoon oregano
Grated cheese (Parmesian)

Chop onion, green pepper and garlic and fry in 3 tablespoons of Olive oil until tender. and remove them from the pan.

Prepare meat balls by mixing ground beef and pork together with one slightly beaten egg and parsley to taste. Brown them in the olive oil.

Drain off the excess fat. Add the tenced onion, green pepper and garlic and combine with the tomato paste, tomatoes, oregano and grated cheese to taste. Simmer about 1 1/2 to 2 hours.

Serve over long spaghetti prepared according to directions on the package and sprinkle more cheese on top of each serving.

Mrs. Glenn Hostess to Progressive Club

Art was the theme for the Progressive club meeting last Thursday afternoon in the home of Mrs. Mattie Glenn. Mrs. O. H. Willoughby gave the part on "Collecting Antiques" and Mrs. R. E. Cumbie spoke on "Ceramics."

Ice cream and cake were served to Mmes. Edna Butner, Joe Carter, W. C. Duncan, Claude Gentry, Charles Keeney, Frank Keeney, J. D. Leonard, A. N. Rawlings, L. E. Smith, Annie Wilkins, L. T. Youngblood, Cumbie, Willoughby and the hostess.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mr. and Mrs. Charlie Copeland and their daughter, Mrs. Reece McCarley went to Strawn over the weekend to see their son and brother, Shalor Copeland, who underwent surgery in Dallas a few weeks ago.

Mrs. Chas. Ragsdale went to Decatur Friday to attend funeral services for her uncle, Carl Faith. Mr. Ragsdale and son, Bob, and Mrs. B. P. Rasdale went after her Sun-

day.

The Nolan County Singing Convention will be held at Blackwell School house Thursday night, Mar. 10, at 7:30. Everyone is invited to attend.

Ross Kemp, Highway patrolman of Abilene, will talk to the Blackwell school children Tuesday at 1:30.

Betty Sanderson, who teaches in the Snyder Schools, is ill in the Bronte Hospital.

Ann Saunders, small daughter of Mr. and Mrs. H. F. Saunders, is ill in the Bronte Hospital.

Cpl. Bob Ragsdale, son of Mr.

and Mrs. Charles Ragsdale arrived home Saturday after receiving a discharge from the army. He served 13 months with the 5th Division in Augsburg, Germany. He was discharged at Camp Chaffee, Ark.

Rev. John English of Lubbock is visiting his sisters, Mrs. Henry Raney and Mrs. Roy Sanderson, and families.

Mr. and Mrs. Mac Rippetoe motored to Weatherford for a weekend visit with her mother, Mrs. J. D. Bernard. They brought back her nephew, Zane Bernard, who has enrolled in the Bronte schools for several weeks until his father, Gaylord Bernard, is permanently stationed in the United States. The family recently returned from Europe.

Mr. and Mrs. Allan Henry of San Angelo spent Sunday here with Mr. and Mrs. J. T. Henry.

Mrs. T. E. Tidwell received word this week that her uncle, Ollie Hallmark of Dallas, is seriously ill. Mrs. Hallmark is a former Bronte resident.

Mrs. S. C. Motley and son of Lamesa spent Monday with her sister, Mrs. B. G. Timmons and family. Mrs. Motley was on her way home after spending some time in the clinic at Temple.

D. W. Sims and his father, R. W. Sims went to Dallas last Wednesday where D. W. underwent a check up at the Scottish Rite hospital. They reported the boy to be doing fine and gave him new crutches.

Mrs. E. L. Guyton of Brady is here visiting her daughter and husband, Mr. and Mrs. J. P. Rasco. Mrs. Guyton came to be here while Mr. Rasco is in the hospital, recovering from surgery.

PERSONALS

Roy Kirkland of Belen, New Mexico is here visiting his brother and family, Buddy Kirkland. He has purchased a house here and plans to move to Bronte soon.

There's even more to Chevrolet styling than meets the eye!

This is beauty with a bonus . . . for Chevrolet styling is designed to add safety and comfort while you drive, and to return greater value when you trade.

Truly modern lines are shaped by usefulness. You can see what we mean in the deep crystal curve of Chevrolet's Sweep-Sight windshield . . . a dramatic style note, certainly, but one that stems from the need for wider, safer vision. Or take high-set taillights—they add to the impressive length of line . . . but they are up there where they can be seen for safety's sake, and as convenient guides in parking. So, too, with the jutting peaks over the headlights.

The smart louvers across the hood aren't just decoration . . . they mark the intake for the High-Level ventilation system for cleaner, fresher air. And the whole shape of the body—its lowness, the dipped belt line—is merely a reflection of a lowered center of gravity, the added stability.

This is truly functional styling that serves you better every mile, and preserves its value against the distant day when you trade. This is Body by Fisher—another Chevrolet exclusive in the low-price field. Come in and let us demonstrate that this new Chevrolet is just as exciting to drive as to look at!

some of it later this year.

I attended the Farm Bureau Directors meeting Saturday night. There were 11 directors present. Mr. J. P. Arrott is president and Mrs. C. E. Arrott is secretary. Seems as though the organization is working for the good of Coke Countians and with a little help from the "elements", things might look a little better around here.

I would like to give my schedule in order for you readers to know my "whereabouts" each day.

Friday — office, cookbook and handcraft committee meetings.

Monday, Tuesday, Wednesday, — San Angelo Agents District Foods Training.

Thursday — office, W. H. D. Council 2 p. m.

Friday — office, Farm and Home Dev. Committee

Spring like days such as the past 3 weeks make us all want to garden. We are trying to grow a garden at our house! A. J.'s radishes are up and he is wondering why my lettuce and carrots which were planted a week later are not up! If any of you are interested in gardening you might like a copy of the Extension Service new Bulletin "Gardening." Write or call at the office for a free copy. It gives varieties recommended for this section of Texas and lots of good information about gardening.

I told you last week that March 3-13 has been designated at National 4-H club week. This past week I have attended meetings in each of the 4 clubs. There are 88 girls and four leaders present. Plans were for special recreational events to be held in each club. Two new adult leaders were added to our group. They are Mrs. M. D. Dixon, Bronte and Mrs. Humphries, Robert Lee Sunshine. Both of these ladies have daughters in the 4-H club. It is wonderful that women give so much of their time to 4-H work. I only wish that we had some more, as adult leaders are a must if the 4-H program is to be a good one.

I hope you will read the 4-H articles that will be appearing in your newspapers this week and next. Thanks to your Editors Kirkpatrick and Oglesby!

In continuing my discussion on W. H. D. Council Recommendations I will give you the Recreation Committees' aims:
The Recreation Committee Rec-

Wanda Kirkland, daughter of Mr. and Mrs. H. M. (Buddy) Kirkland, won second place in the essay contest sponsored by the Board of Supervisors of the Coke County Conservation District. Wanda is a freshman in Bronte High School. Her essay has been entered in the state contest. The Fort Worth Press started the annual contest several years ago.

Why We Must Conserve Our Soil and Water

By Wanda Kirkland

Our America is a continent rich in natural resources. It is often called "the land of plenty," because of the wealth of fertile land, the valuable forests, the many rivers and lakes, the variety of wildlife, and the rich deposit of minerals.

But the people of America now know that their land is not so rich

commends:

1. Every club member participate in singing, games, skits and playlets.
 2. Every club continue sponsoring or help sponsor two community social activities per year.
 3. Sponsor countywide social.
- The Recreation committee members are:
Mrs. C. E. Arrott and Mrs. W. W. Whalen of Bronte, Mrs. M. H. Jameson, Silver and Mrs. Leon Byrne, Friendship.

that these resources can be wasted as they have been in the past. They have learned the need for conservation — the wise and careful use of these resources.

Much of the rich soil in the United States is still being wasted by improper farming methods. The plowing up of too much grassland and the cutting down of too many trees has made it impossible for water to stay in the ground long enough to help grow good crops. Instead, the water rushes off the land into the rivers, causing terrible floods, and leaves the ground so dry that the rich topsoil is blown away by the wind.

In 1908, President Theodore Roosevelt said, "When the soil is gone, man must go; and the process does not take long." It takes from two hundred to eight hundred years to build an inch of topsoil. But this inch of fertile soil can be washed away or blown away in a few years, or even a few weeks,

in regions that are flooded or are visited by dust storms if it is unprotected.

Soil without a cover loses as much as sixty tons of earth per acre per year. Water flowing over the surface washes away the thin sheet of fertile topsoil. The wind also carries topsoil. Gullies appear and serious erosion begins.

Why do not people take a more active part in the conservation of soil and water? Our most important resource is soil. Without it, plants could not grow; plant-eating animals could not live; therefore meat eating animals would perish.

Soil, like water and air, is indispensable to all life on land. Because of this fact, I can not comprehend why people are careless and thoughtless about the conservation of soil and water. To most people, soil and water are precious times, so; to better our country, do your best to conserve our soil and water.

if he had a permit to fish on the lake and Smith told him that he did not.

Stepp told Smith that he would have to get out and Smith asked if he (Stepp) had the authority to put him (Smith) out. Smith said Stepp then hit him over the head with a boat oar. The impact knocked Smith out into the water and upset the boat. Stepp helped Smith out of the water and took him ashore. Stepp also towed Smith's boat ashore.

Quite a bit of Smith's fishing equipment was lost in the water. Smith got into his car and came in to Bronte.

Charges of assault and battery were filed in C. E. Bruton's justice Court Monday against Stepp. They were dismissed later in the day when the decision was made that it was a matter for County Court. County Attorney Frank C. Dickey, Jr., said Wednesday that no charges had been filed up to that time.

Justice Bruton said that officials of the City of Sweetwater met with him Tuesday and that they regretted the situation. Bruton said the Sweetwater men told him they wanted to do everything possible to have harmony and cooperation with citizens of Coke County.

Justice Bruton also said that it is not necessary for Coke County residents to have a permit to fish on Oak Creek Lake since the waters are in this county.

Mrs. Charlie Boecking and Mrs. A. F. Ball attended the Style Show at the Country Club in Abilene las Tuesday night.

Bill's Man Shop Wins Tourney

Bill's Man Shop Independents of San Angelo captured top honors in the Boy Scout tournament held here last weekend. They defeated a Sweetwater Independent team 46-39. Earlier in the night Bronte took an easy 70-34 victory over Robert Lee for third place.

All tournament team was composed of Curtis Crook, Bill's Man Shop, Owens of Gandys, Tom Franks of Blackwell, J. W. Caudle and Howard Varnadore of Robert Lee.

Exact amount netted by the tournament and concession stand was not available but it was estimated between \$130 and \$140. The amount is to be divided between the Cub Scouts and the Boy Scouts.

Charlie Boecking, treasurer for the Boy Scout drive, said that on Thursday of this week he had \$456.50 on deposit for the scouts.

Mrs. L. C. Robbins spent the weekend with her daughter and husband, Mr. and Mrs. David Allred in Fort Worth.

Chance to Win New Chevrolet Is Announced

You or a member of your family can win a 1955 Chevrolet and a \$1,000 U. S. Savings Bond to boot in a contest beginning here March 1 under the sponsorship of the Chevrolet Motor Division and Caperton Chevrolet Co.

To enter the Chevrolet "Miracle Mile" contest, you need merely fill out an entry form, write in 25 words or less why you would like to own a 1955 Chevrolet and deposit the entry in the mailbox provided at Capertons. Others of driving age in the family may also enter by preparing the material on plain paper and attaching them to the official form, Capertons said.

Entry forms may be obtained at the local Chevrolet dealership.

There's a bonus of a \$1,000 bond in it for every winner who takes a demonstration ride in a new Chevrolet at the time he turns in the entry form. Besides writing frankly why he would like to own a new Chevrolet, each contestant must answer four elementary questions about the car's mechanical features, answers for which may be found in the contest booklet, the Capertons said. Entries are being judged nationally on the

basis of sincerity and originality rather than writing excellence, grammar and vocabulary.

The contest ends May 9 and is divided into six contest periods. In each contest period, 16 new Chevrolet Bel Air sedans and a sports model will be awarded winners, for a total of 102 cars nationally. Each winner who has taken a "Miracle Mile" ride will be given a \$1,000 bond.

If a winner has purchased a new Chevrolet during the contest, he will be presented with the full retail price of a 1955 Chevrolet Bel Air Sedan in cash and a \$1,000 bond as well, if he has taken a

demonstration ride, the local dealers said.

Dr. and Mrs. John Harris, Rex and Ann made a weekend trip to Carrizozo, New Mexico, where they picked up her mother, Mrs. Lulu Lewis, who returned to Bronte with them for a visit.
