New Kickapoo Church to Have First Services Easter Sunday

First services in the new Kickapoo Baptist church will be held next Sunday, Easter, April 10. A week of revival services will follow the opening of the new church with Rev. James Edge, pastor of the Talpa Baptist Church, doing the preaching. An all-day program will be held Sunday.

Work on the new structure was begun about four months ago and

Morrow and Sims New Trustees

Jacob Bruce Morrow and T. F. Sims, Jr. were elected new trustees for the Bronte school district in an election last Saturday. Voting was light with only 64 votes cast, 53 at Bronte and 11 at Tennyson.

Season for the light vote was attributed to the fact that they were unopposed for the two school board spots. Morrow received 62 and Sims 64 votes.

They will replace Dr. John R. Harris and Jesse Parker on the school board, neither of whom sought re-election.

Noah Pruitt was elected to the county school board and W. D. McDams was elected trustee at large, both receiving 64 votes.

Elect Officers

The Bronte school board met Monday night with the new members present and elected officers for the coming year.

Osmo Black was named president of the board, succeeding Jesse Parker. M. D. (Mug) Stephenson was named vice president and J. B. Mackey was re-elected secretary.

AD-LIB-BEN

Members of the Kickapoo Baptist Church certainly are to be congratulated on the beautiful new building which they have constructed. First services will be held in the new church this coming Easter Sunday, a day which we feel is indeed appropriate for the opening of a new church.

A lot of the work on the new structure has been done by the members of the church and so far as I can tell they have done a good job. The new church is certainly a nice addition to our town.

All a woman really wants these days is a roof over her head and the right to raise it occasionally.—Sammy Kaye.

There isn't much to see in a small town, but what you can hear makes up for it.

Congratulations to Paul McGuire, Bob Wilson, Jacob Bruce Morrow and T. F. Sims, Jr. on their election to the city council and the school board. We believe these men will do a good job in the positions with which the people have entrusted them.

A doctor out in far West Texas got this note from a rancher: "My wife just dislocated her jaw. If you happen to be out this week next week or the week after, you might drop in to see her."

much of the work has been done by members of the church. K. I. Sharp of Ballinger was contractor on the job. The new building is a thirty-six by sixty-four foot frame construction. The foundation was constructed so that later on it will support brick or stone.

There are four class rooms, two of which can also be used as seating space in the auditorium, two rest rooms, and a baptistry. A central heating system has been installed. The windows have rose colored florentine glass in them and the floors are covered with asphalt tile.

A church spokesman said that the sanctuary will be completed by next Sunday but that some work on the rest of the building will not be completed by then.

Services for next Sunday have been tentatively set as follows: Junior choir, 9:45; Sunday school, 10; sermon by the pastor, Rev. Clyde W. Coleman, 11.

The afternoon will be given to a varied program with Royce Dean Clark bringing the devotional and Rev. Francis Pruitt bringing a sermon. There will also be special songs, readings and a brief history of the church given.

Paving Project Going Well

Work on the paving project in Bronte has been progressing extremely well this week. Practically all of the preliminary grading and shaping has been completed east of the railroad and men were busy on the west side of town Thursday.

Caliche base is already being spread in the northeast part of town, and trucks are busy hauling more every day.

Contractors were starting Thursday, also. It was pointed out that curbing is strictly between the individual property owners and the contractor and when curbs are completed property owners will be expected to pay for the work they have had done.

C & C Asphalt Paving Co. of Colorado City has the contract to pave more than 200 blocks in Bronte.

BRONTE HIGH TRACK TEAM WINS TOP HONORS AT DISTRICT MEET

The Bronte Longhorns, coached by Garland Black, just about ran away with the District 20-B track meet honors Saturday. The meet was held at San Angelo's cemetery athletic field.

The Longhorns totaled 75 3/4 points to take first place. Robert Lee was second in the district meet with 26 3/4, while the Mertz Hornets came in third with 25 1/2.

Wall made 13 points, Water Valley, six, Christoval, four and Miles made one.

Wall won the junior high school division in a close scramble with Bronte, Water Valley and Norton.

The junior squad scoring was Wall 19 5/6, Bronte 18 1/6, Water Valley 17 1/2, Norton 12, Miles 5 1/6, Christoval 3 1/16 and Barnhart 1/6.

Robert Lee racked up the grade school division with 22 3/4 points. Bronte and Norton tied for second place with 15 3/4 each. Other

Council and Phone Company Again Fail to Reach Agreement

Another session and another failure to reach an agreement were the main happenings at a meeting of the city council Friday night.

The phone company offered a compromise rate to the members of the council which was considerably lower than the originally pro-

posed increase. However, the council rejected the offer and offered a counter proposal to representatives of the phone company. This offer was rejected by the company.

Below are comparative figures showing the present rate, the original proposed increase, the newly

proposed increase by General and the rate proposed by the council:

One party business phone: \$5.00, \$10.00; \$8.00 and \$6.25

Two party business: \$3.65, \$8.00, \$7.00 and \$4.56

Business extension: \$1.35; \$1.50, \$1.50 and \$1.35.

One party residence: \$3.00, \$5.00, \$4.50 and \$4.34.

Two party residence: \$2.65, \$4.00, \$3.50 and \$4.34.

Residence extension: \$1.00, \$1.00, \$1.00 and \$1.00.

Some of the rates were not far from the asking price by the phone company, while one was off as much as \$1.75. Generally the company was offered a 25 percent increase.

John E. Robbins, representative of the phone company, called Mayor Ernest Ivey Monday to report to him that the company had rejected the increase offered by the council. Robbins also told Mayor Ivey that representatives of his firm would like to meet with the council again just as soon as possible to discuss the installation of a dial phone system at an earlier date than has been previously proposed. This meeting has been called for Monday night.

Up until now the telephone men have told council members that a dial system could not be installed here until 1958. Councilmen have told the telephone company all along that they would consider a larger rate increase when a dial system is installed.

Other business conducted at the Friday night meeting included approval of bills and a discussion of the paving project.

McGUIRE, WILSON NEW COUNCILMEN

Paul McGuire and Bob Wilson were elected new city councilmen at an election held here Tuesday. McGuire led the ticket with 68 votes, while Wilson received 56.

H. A. Springer was third in the balloting with 38 votes, Joe Rose received 13 and A. B. Lammers 11. A total of 95 votes were cast in the city election.

Only two councilmen were elected this year. The terms of Mayor Ernest Ivey and Councilmen Joe George Wilkins, Ben Oglesby and Charlie Boecking have another year to run.

The other outgoing councilman besides Springer is Leonard Fletcher, who did not seek re-election.

TO LAUNCH CANCER DRIVE

Annual campaign to raise funds to fight cancer will be carried on in Coke County during the remainder of the month. This year's crusade was delayed a couple of weeks because Red Cross committees had not completed their solicitations. Mrs. J. B. Mackey, county vice chairman, announces a meeting will be held Monday at 8 p. m. at the Baptist Church when crusade workers will receive supplies and discuss plans for the drive to be carried on during the next two weeks. Rev. Maynard R. Rogers will again be active in sponsoring the movement here, and Earl F. Glenn is treasurer of the county Cancer organization. Coke County's quota is \$500 and all funds received will be forwarded to the State Cancer organization.

Plans Being Made to Give Polio Shots to 1st, 2nd Graders

Detailed plans now are being worked out for the possible administration of polio vaccine to Coke County children who will be eligible to receive it if it is licensed, Dr. John R. Harris, declared this week.

As announced recently by state health officials, all first and second grade pupils in public, private and parochial school in Texas and all children who were part of the test groups in the 1954 vaccine field trial but did not receive vaccine at that time, are included in

the planned program, he explained. It will also be available to others through physicians at the same time.

But parents were warned by Dr. Harris not to jump to the conclusion that the current planning indicated the vaccine already had proved effective.

"The vaccine which will be furnished by the National Foundation for Infantile Paralysis is the same vaccine that was given to 440,000 children last year," he said. "We do not know yet whether or not it prevents paralytic polio. Until April 12 when we will learn the results of the evaluation study now being conducted at the University of Michigan, we cannot know if the vaccine is effective."

"But we cannot wait until then for planning for the protection of as many of our children as possible. Vaccinating large numbers of children is a big and important job, entailing many procedural tasks that can't be performed over night."

"If the license is granted next week, we must be ready to start vaccinating at once, so that, if possible, we can finish before our schools close and the polio season starts. We want to give the vaccine early so that many children can be protected before polio appears in their communities."

"This program would not be another test but the first use of a newly-established preventive measure."

The polio vaccine will be furnished from a supply being purchased by the National Foundation with March of Dimes funds. It will be made available by the

Mrs. Chet Holcombe is to have charge of the program and the Lions Club will furnish a part on Soil Conservation.

A social hour will be under direction of the 7th and 8th grade room mothers.

Mr. and Mrs. J. D. Reeves of Sterling City visited the B. J. Reeves here last Sunday.

what's what by whatley

The weather in our fair city has been very unpredictable the past few weeks. We never know when we get up of a morning whether we will eat the dirt from Abilene or whether it will be from San Angelo. Either way it comes, it's still dirt in our houses and does not taste at all appetizing between the teeth. I guess if I would learn to keep my mouth shut, I would prevent a lot of grit from getting in. But who wants a clean mouth anyway.

I had a very brilliant thought the other day, as every so often I have been trying to dig part of the dirt from the windows, but I have decided to stop as you see people who have these pretty window boxes with flowers growing in them. Why can't we be more sensible and grow them in all of our windows? It would make the place look better and save me a lot of work besides.

But from what I read the other day, we must not let ourselves get upset over all this dust. As science is proving where emotional upsets cause most of our traffic accidents.

It also said that a man who has a good breakfast, a cheery goodbye at home in the morning has a much better chance in traffic than the one who doesn't get an even start.

But the men cannot let us take all the blame as the same shoe can fit them. They shouldn't nag at us because we fail to sew the buttons on their shirts or because the biscuits are too brown or not brown enough. They should try to make everything real rosy for us, and when we want a new dress, let us buy it. After all they wouldn't want to feel that they were to blame for us being in an accident when we only looked up to powder our face in a traffic jam.

But what would be life if you couldn't chew the better half out once in a while. A famous quotation says, "Next to the man who makes her happy, a woman prizes the man who makes her miserable."

The other night I had a few in to my house for a game of canasta and I served a frosty pineapple pie and I felt so flattered when some of the ladies asked me to run it in the paper. I had intended to run another this week but it is so seldom that I am asked for one of my own that I will run it for all of you this week.

Frosty Pineapple Pie

Make .9 inch Stir-n-roll pie shell
Bring to a boil 1 1/4 cups crushed pineapple

Stir in until dissolved 1 pkg. lemon flavored gelatin

Mix in 3/4 to 1 cup sugar (depending on sweetness of fruit.)
Cool until almost stiff.

Whip until stiff 1 cup chilled undiluted Carnation evaporated milk with 1 tbsp. lemon juice.

Pour on top of gelatin mixture. Beat in slowly with rotary beater or electric mixer at low speed. Pour into baked pie shell. Chill at least 1 hour.

To whip Carnation, simply chill in refrigerator tray until soft crystals form around outside edges, 15 to 20 minutes.

This dessert is equally delicious

made with pineapple juice or fresh frozen or canned orange juice, grape juice, prune juice, apricot nectar or applesauce. For lemon or lime variation: Use 1 cup boiling water and 1/4 cup lime or lemon juice (fresh, bottled or canned). Lime or lemon-flavored gelatin may be used.

Success tip: For a fluffy high pie be sure the gelatin mixture is almost stiff and that the evaporated milk is whipped until it stands in stiff peaks.

Yes, indeed... biscuits go like hot cakes when you pour on plenty of delicious Karo waffle syrup. There's nothing like it for good eating. Satisfyin' flavor. So rich it stands right up on top of biscuits (keeps 'em light and fluffy). Keep Karo on your table morning, noon and night... it tops anything!

To Honor Soil Essay Winners

The Bronte's Lion's Club and the Bronte Parent Teacher's Association cooperating with the Board of Supervisors of the Coke County Soil Conservation District will pay honor to the winners of the essay contest, Tuesday, April 12, at 7:30 p. m. in the Bronte High School Auditorium. The public is invited to attend.

The program will include reading of the winning essays by the writers, presenting of awards, and a talk by Mr. O. F. Armstrong, Texas State Soil Conservation Board, Abilene.

Mr. Armstrong is a very capable speaker and many will remember the talk he gave at the range tour at Mr. W. E. Burns last summer.

The essay contest was co-sponsored by the Fort Worth Press and the local Soil Conservation District with the Robert Lee and Bronte High Schools cooperating. High school students were requested to write an essay on "Why we Must Conserve Our Soil and Water."

Joy Lynn Wilkins and Wanda Kirkland of Bronte and Carolyn McDaniel of Robert Lee won the local contest. All essays entered in the local contest were also entered in the State contest.

SERVICES HELD FOR MRS. O. S. EVERETT

Mrs. O. S. Everett, 62, of Post, native Nolan Countian and for many years a resident of the Blackwell-Decker area, died at 11:15 p. m. last Sunday in the Sweetwater Hospital.

Mrs. Everett had come to Sweetwater a week before her death to enter the hospital for treatment. She was dismissed Friday, re-entering the hospital at 4 p. m. Sunday after becoming suddenly ill again.

Funeral services were held Tuesday at the Decker Methodist Church with the Rev. Carl C. Wright of Spur and Rev. Jim Dell of Blackwell officiating.

Interment was in the Decker cemetery, for which Mrs. Everett's family donated land many years ago.

She was born Minerva Russell in Hylton in 1893. She married O. S. Everett in Blackwell in 1912. They ranched in Decker before moving to Post three years ago.

Surviving are her husband; one daughter, Mrs. Lee Alderman of Blackwell; a granddaughter, Linda Alderman of Blackwell; four brothers, Make Russell of Clyde, J. P. Russell of Sterling City; Cass and George Russell of Blackwell; three sisters, Mrs. Ed McAulay and Mrs. Lee Richards of Bronte and Mrs. Wylie McRorey of Blackwell.

New Annuals Are Received

The 1954-55 edition of the Longhorn, annual of the Bronte school, was issued this week. The book has a white leather cover with red lettering on it. It contains photographs of all the students, teachers and other personnel connected with the local school.

Bill Maxwell, editor-in-chief of this year's Longhorn made the following statement in regard to the yearbooks:

"The Bronte High School annual of 1954 and '55 was dedicated to the people of this community who had the vision and foresight to make possible our new school building.

"The annual has been issued and it contains almost twice as many pages as the last year's annual. Many hours have been put into the editing of this annual and we, the annual staff, hope that our efforts have not been in vain. Only by the cooperation of the community, students, teachers and school board could this book have been made possible. We, the annual staff, say, 'Thank you.'"

Mr. and Mrs. Arnold Ball went to Austin yesterday to visit her sister and husband, Mr. and Mrs. Sterling Speak. They will return today by way of Blanco where they will visit her parents, Mr. and Mrs. Elmer Dale.

RED CROSS TOTAL

Total collections to date for the Coke County Red Cross were \$667.60 Thursday morning and several persons were out working in an effort to raise the quota and close the drive. \$466.60 had been raised in this end of the county and \$201 on the other side.

Easter Services at First Baptist Church

Sunday School at 10 a. m. with a class for every age group at the First Baptist Church. Lessons will be on the subject of the Resurrection of Jesus Christ.

In the 11 o'clock morning worship service the pastor, Maynard R. Rogers, will preach on the subject: "Christ Risen — the World's Hope" after which the Lord's supper will be observed.

Training union is at 7 p. m. and preaching service at 8. The pastor's subject: "Taught In The Sepulchre." Everyone is welcome.

Little League Play Starts April 14th

The Little League will open practice sessions at the football field April 14, at 5:30 p. m. for the purpose of organizing and selecting 3 teams for the summer league. About 65 boys are expected to attend along with 9 adult managers. Regular league games will begin the 1st of May after 2 weeks practice and team selections.

The league is not affiliated with the national set up this year but will use Little League rules exclusively. There will be out of town games with Robert Lee and Blackwell.

All boys that were 9 by the first of January and won't be 13 before August 1 are to report at the meeting on Thursday, April 14.

Suits have been furnished by the merchants of Bronte and will arrive in time for league play.

Bronte School's Credits Okey

Supt. O. K. Wolfenbarger announced this week that he has received a report from W. R. Goodson, who is in charge of School Accreditation in the State Department of Education. Mr. Goodson was here recently and checked on the various phases of school work. Supt. Wolfenbarger said that the report shows that Bronte School is still on the accredited list of schools in this state.

The following items were checked by Mr. Goodson:

Minutes of meetings of trustees, policy statements of the board of trustees, policy statements of the superintendent, teachers personnel files, pupils personnel files, elementary and high school schedules, daily and weekly schedules and library budget and invoices.

Some talk has been going about the school district that the local school was about to lose its accreditation with the state department. Patrons will be interested to know that this favorable report has been received.

Mr. and Mrs. Edgar Talley and Steve of San Angelo were out for a Sunday afternoon visit in the Ben Oglesby home.

Mr. and Mrs. W. W. Hayes and children of Amarillo spent the weekend in the Guy Strickland home.

Mr. and Mrs. K. M. Cook and children are here visiting her parents, Mr. and Mrs. M. G. Gilreaths. The Cooks came from Stamford after the storm on Tuesday. Sophs to Sponsor Gospelsaire Program

Bronte Sophomore are sponsoring an appearance by the Gospelsaires from Abilene at the high school next Friday night, April 15. The popular radio and television singers will begin their program at 7:30 p. m.

Admission prices will be 30 and 60 cents. Members of the class urged the public to buy advance tickets because the class gets a larger portion of the advance sale than on tickets sold at the door.

Arizona Youths Being Held For Theft Of Auto

Ammon McElhaney, 15, was in trouble again here this week after being befriended last year by Attorney Frank Dickey.

The lad, who is part Indian, was picked up in Robert Lee Wednesday in company with two brothers, Larry Moore, 17, and Jim Moore, 15. They were driving a 1954 Studebaker station wagon which had been stolen at Mesa, Ariz.

No other low-priced car even comes close

to matching these important Chevrolet advantages . . .

Beauty's built in—not bolted on!
If you're planning to buy a new car, the one you just can't afford to miss seeing is Chevrolet—for 19 straight years America's best-selling car. The Motoramic Chevrolet offers you so much more than the other low-priced cars that it's hardly fair to compare them. And even the high-priced cars don't have the advantages that today's Chevrolet has.

Body's by Fisher!
The beauty that makes a big difference—not only in how your car looks today, but in how it will look tomorrow, too. Chevrolet's good looks spring from fine, clean design. The beauty is inherent in the basic contours of metal and glass. There's no excessive bolted-on ornamentation to go out of style overnight.

extra special about the style, quality and construction of Body by Fisher. And there is! You can see it, feel it and even hear it when you slam the door.

Today's most modern engines!
That goes for Chevrolet's new V8 and two new sixes as well. For example, all Chevrolet engines bring you a modern 12-volt electrical system—double the voltage of other low-priced cars. This means quicker cold weather starting and a greater electrical reserve. Then Chevrolet's new "Turbo-Fire V8" has the shortest piston stroke in the industry, and develops the highest power per pound of any V8 in the low-price field. It takes valve-in-head leadership like Chevrolet's to bring you engines like these!

A drive to suit your driving!
You can take your choice of three different drives—and every one's as modern as this minute. There's silky, peppery Powerglide

(even better this year!), new Overdrive (both extra-cost options), and a new Synchro-Mesh transmission that's as smooth as they come.

All the power helps you want!
Windows, seat, steering, brakes—all are available with built-in "muscles" to make driving as effortless as you wish. And you can even have air conditioning if you like. These things are extra-cost options, of course, but they more than repay you with extra pleasure.

Fun is "standard equipment"!
You find that out the first time you take the wheel of a new Chevrolet. Here, you discover, is a car that takes the curves like it's on rails, that steers like it's reading your mind. It seems simply to ignore bumps—and when you stop suddenly, there's no excessive lurching or diving, either. There has never been such a difference in low-priced cars as there is today—or so many good reasons why you should drive a new Chevrolet. Come in and take the key.

CHEVROLET SALES LEADERSHIP IS A VICTORY IN VALUE FOR YOU!

Isn't it logical that, since Chevrolet leads in sales year after year: Chevrolet must put more into a car than its competitors—more quality . . . more craftsmanship . . . more style . . . more things to make your driving easier and safer and more fun. You have to do that to be the leader and stay the leader like Chevrolet! Because Chevrolet builds the most cars—and can build them better to sell for less—Chevrolet sales leadership is a victory in value for you!

19 STRAIGHT YEARS OF SALES LEADERSHIP FOR CHEVROLET

Over Ten Million Chevrolet owners—Two million more than any other car!

Big news about

Buick's 4-Door Riviera

THIS brand-new kind of automobile—the sensation of all the Auto Shows this year—is now rolling off the Buick assembly lines in volume numbers. That's the first news.

And the second is just as wonderful—this dramatic new model is very definitely everything that eager buyers hoped it would be.

For the 4-Door Riviera is the first "hardtop" ever available with separate doors for rear-seat passengers—plus rear-compartment room big as a Buick-size family sedan.

It comes breezing in with all the low-lined sweep and wide open visibility of Buick's original 2-Door Riviera—and with luxurious new spaciousness in

its sizeable and full-length 4-door body.

With windows down, no posts appear for the rear doors, and you get a completely unobstructed view at both sides.

You find rear doors are hinged at their front edges to swing wide and free, and assure easy entrance and exit.

And you'll find legroom, headroom and hiproom extra-generous both front and rear—with interiors tailored in fabrics and patterns specially reserved for the 4-Door Riviera.

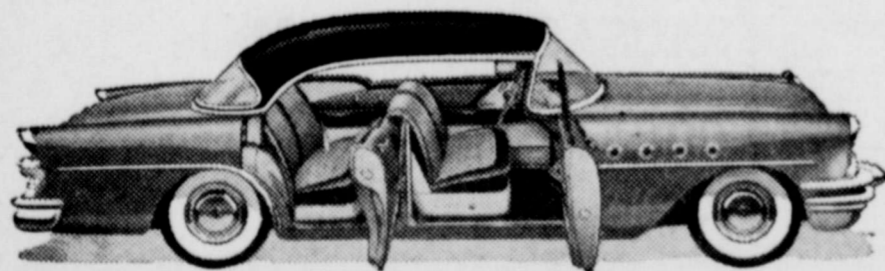

Best of all, this new Buick beauty comes off the line in both the low-price SPECIAL Series and the high-powered CENTURY Series.

So you can pick *your* 4-Door Riviera with the potent performance of a 188-hp or 236-hp Buick V8 engine—the swift get-away and gas saving of Variable Pitch Dynaflo*—the velvet stride of the Million Dollar Ride—the long list of Buick bonus features at no extra cost—and all at "great buy" prices that have helped move Buick into America's "Big Three" of best sellers.

But—better come see us about the 4-Door Riviera now.

With all-out production—and a prompt order—this newest excitement in cars will be yours that much sooner.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

METHODISTS PLAN EASTER SERVICES
The Bronte Methodist Church had a special Communion Service last night (Thursday) at 7:30 o'clock.
In the Easter Service Sunday the choir will give two special numbers. This group will be led by Rev. B. B. Edmiaston, member of the Central Texas Annual Conference, who resides in Bronte. The sermon topic by the pastor will be "The Legend of the Dogwood."
Parents who desire it are invited to bring their babies for baptism.
The sixth and last of the series of Easter sermons will be given by the pastor at the evening hour Sunday at 7:30 o'clock. The topic is "The Great Otolaw."
Attendance was good last Sunday at both Sunday school and church. Visitors are cordially invited to attend the Methodist Church next Sunday.

Butane Company Sold To R. H. Sims

A change in ownership of The Butane Service Company occurred last Thursday, March 31. R. H. Sims purchased the business from Arnold F. Ball. Ball sold all interests in the butane firm to Sims. Sims will continue to operate the business in the same location and with the same employees. He said he will continue to handle the same products and appliances and that the name of the firm will remain the same.
Ball sold the business exactly eight years from the day he bought it from Otis Smith. They took the business over April 1, 1947. Mr. and Mrs. Ball said their plans for the future are indefinite and that, for the present, they will remain here. They are helping Sims become acquainted with the business at present.
Employees of the Company are Fagin Parker of Robert Lee and Royce Fancher.

Mrs. Sims, who is teaching at Blackwell, will finish out the present school term and then will be bookkeeper for the business.

LIONS TO SPONSOR GIRL SCOUT WORK

According to action taken in this week's business session of the Bronte Lions Club, decision was made to sponsor the local Girl Scout work. Plans and leaders are being developed this week to charter a Girl Scout Troop and a Brownie Troop in Bronte.
It is hoped the girls' work will parallel the good work being done in local Boy Scout work. Definite organization plans and personnel are expected to be announced at an early date. The Lions also sponsor Boy Scout Troop 52.
Mrs. Jesse Parker left Sunday for Quinlan to be with her father, J. F. Ryan, who was to undergo surgery. She was accompanied by her two sisters from Robert Lee.
