## Tennyson 4-H Boy Shows Champ at Sears Gilt Show

By Jack Waide

William Carper of Tennyson showed the champion Coke County gilt in the Sears Gilt show held in San Angelo Oct. 1. William placed 3rd in competition with the champion gilts from Tom Green, Runnels, and Menard Counties. Other placings in the Coke County Show were David Lindsey of Silver 2nd, Morgan Ashworth of Edith 3rd, Jerry Jameson of Silver 4th, Danny Ray Scott of Bronte 5th, Bobby Allen of Bronte 6th, Michael Teague of Tennyson 7th and Russell Brown of Tennyson 8th.

I seldom spend any time bragging on the work of members of the Coke County 4-H club, but this group of boys did the best job of developing a bunch of breeding gilts that I have ever seen in my six years of experience with 4-H club work. There wasn't a gilt in our county show that you could say would have placed higher with a little better care. They

all did a top job and I am eager for everyone to see this group of gilts at the county show in January.

Coke County 4-H club members will be leaving Thursday for the State Fair in Dallas with six entries in the Junior market Turkey Show. The following boys and girls have turkeys entered: Jeanna Kay Denman, Lanny Denman of Bronte and Jackie, Brenda, Peggy and Benny Corley of Tennyson.

Other entries at the State Fair include pigs for David Lindsey, Jerry Jameson and Wayne Reed, all of Silver. Entries in the steer classes include Benny Corley and Dee Arrott of Tennyson, Kay Wink and Morgan Russel of Robert Lee, and Jimmy and Butch Arnold of Silver.

Dee Arrott and Benny Corley have lambs entered in the fat lamb class. Lambs, pigs, and steers do not have to leave until October 17, and some of these entries probably will not go. We have had a very active program through the summer though and the boys and girls have some animals of which they can be proud.

## New Feed Store Open In Bronte

J. W. Teague has opened a Red Chain Feed Store in Bronte. Mr. Teague opened for business the first of this week, and is handling a complete line of Red Chain Livestock and poultry feeds. The new firm is located in the Bridges building which formerly housed the Bronte Enterprise.

Mr. Teague is married and has two children. The children are Michael John, age 13, and Patsy, 11 months old. The family resides on the W. A. Halamicek ranch near Tennyson. They plan to move to Bronte as soon as they can find a house.

The Teagues came to Coke County from Crane where Mr. Teague was formerly county treasurer. He served in the Air Force during the war and prior to that served in the Border Patrol from 1941 to 1944. He is a former student of Hardin-Simmons and San Angelo Junior College.

The Teagues are members of the Methodist Church in Bronte.

Mr. Teague said that he will have a formal opening of the new store in the next week or so. He is inviting everybody to come by and visit him and register for free prizes which will be given away at the formal opening.

An ad in this issue of The Enterprise tells more about the services which the feed store will render to farmers and ranchmen of this area.

## Strong Longhorns Beat Melvin, 32-0

BY Billy Alexander

After losing two straight games, the Longhorns found revenge sweet as they romped over the Melvin Bulldogs by an overwhelming score of 32-0. The Longhorns met with very little trouble as the Melvin team put up very little competition for the strong Bronte eleven. The Longhorns now have two wins against two losses for the season.

After jumping to a 12-0 lead in the initial period, Bronte's lead was never threatened. The Longhorns showed a strong defense as the Bulldogs never got any closer than the 32 yard line to scoring and losing one yard rushing.

Bronte received the opening kickoff on their own thirty-three yard line and in eleven plays drove across the goal line for their first tally of the game. Scott connected with Smith to place the ball on the Melvin 25. Gentry then carried to the 15 with Wrinkle taking it to the one foot line. On the next play, it was Wrinkle again carry-

ing, this time for the score. Scott tried to run the point, but failed to carry over to make the score 6-0.

On the first play after taking the kickoff on their own 39 yard line, the Bulldogs tried a pass, only to have it intercepted by Johnny Smith on the Melvin 44. Seven plays later, the Longhorns succeeded in racking up their second touch down of the first period. Gentry set up the scoring play when he carried down to the eight on a fifteen yard scamper. From there Gentry went around end for the eight necessary yards to score. Wrinkle failed to score the extra point to leave the score 12-0 at the end of the first quarter.

Taking a short kickoff on the Bulldog 40-yard line, Melvin held the ball only three downs before being forced to kick out. Getting off a 34 yard punt, the Bulldogs put the Longhorns back deep in their own territory on the 24. Taking over from there, the Bronte eleven drove to pay dirt in five quick plays. Smith carried for sixteen to the 40. Two plays later, Wrinkle and Smith had advanced the ball to the Melvin 47. Again Gentry brought the crowd to their feet as he broke loose and raced 47 yards to score standing. Gentry also ran the EP to end the scoring in the first half. Starting of the second half found Bronte out front by a score of 19-0.

## Last Rites Held For W. H. Mackey, Bronte Pioneer

Funeral services for William H. Mackey, 86, were held at 4 p. m. Tuesday from Bronte Methodist Church. Rev. J. E. Fuller, former pastor of the church and now of Stockdale, officiated, assisted by the Rev. W. C. Craig, Methodist pastor, and Rev. M. R. Rogers, pastor of Bronte Baptist Church.

Interment followed in the Fairview Cemetery here where a Masonic Service was conducted. Cliff Funeral home was in charge of the services.

Mr. Mackey, retired farmer, who lived north of Bronte, died Monday, Oct. 3, at 1:20 p. m. in the Bronte Hospital. He had suffered a stroke the day before.

He was born in Georgia Oct. 19, 1868 and would have been 87 years old in a few more days. He was married in Couhutta Springs, Ga., on Nov. 18, 1896.

He is survived by his wife; two daughters, Mrs. Ira Pruitt, Ralls and Mrs. Howard Brock, Bronte; five sons, Jim, B. D. and J. B. Mackey, all of Bronte, Marlin Mackey, Ralls and Robert Pharris Mackey of Alameda, Calif.; seven grandchildren and eight great grandchildren.

Pallbearers were Frank Hearn of Big Lake, Paul Good of Robert Lee, F. S. Higginbotham, T. F. Sims, Jr., Earl Black, Robert Forman, Edward Cumbie and Geo. Thomas.

Honorary pallbearers were Noah Pruitt, Oscar Hayes, L. T. Youngblood, Bob Lanier, Ed Hickman, Hawley Allen, Barney Modgling, Mark Chumley, Tad Richards, Lee Richards, Clifford Clark, Henry Wrinkle, Ed Stevens, Ed Cumbie, Charlie Gentry, Frank Keeney, Bob Hickman, Irving Cumbie, Bob Knierim, E. L. Caperton, Oliver Hageman, Claud Ditmore, Frank Keesee, James Glenn, Jap Stephenson, Clint Duncan, Jim Luttrell, Ed McCauley, Joe Ash and J. D. Leonard.

Ushers were D. K. Glenn, Bud Maxwell, Pete Gentry and Cecil Kemp.

Melvin received the kickoff opening the second half on their own 31. After driving 37 yards they were forced to punt giving Bronte possession of the ball on the Longhorn 34. The big play setting up the Bronte score was a 26 yard scamper by Smith taking the ball down to the Melvin 14. Scott carried the next two plays to score. The final play came from the eight. Again the extra point was missed on a running play by Gentry. At the end of the third period the Longhorns led 25-0.

Before the final Bronte score came, both teams swapped out on fumbles as Bronte recovered a Bulldog fumble on the Bulldog 15, only to have the ball taken away from them on the 11. After three plays and four yards, Melvin attempted to punt out, only to have Martin Lee to break through and block it. With the ball rolling over the double stripe, Don Bagwell pounced on it for the score. Bill Wrinkle ran the extra point to make the final score 32-0.

Bronte will now take a week off in preparation for their first conference game against Hermleigh at the local gridiron next Friday night Oct. 14.

## AD-LIB-BEN

We have urgent need of some lady who is interested enough to act as Girl Scout leader for intermediate girls, 7th and 8th graders. Enough girls are interested to make a good active troop but they must have a leader. Much has been said in this column regarding the good the organization does for the girls and the good the Girl Scouts do for others!

Perhaps a mother will be interested in seeing that her girl has these opportunities, a teacher, a Sunday School teacher or maybe just someone who likes to work with young folks. Age is no barrier. If you are interested or know of someone who will take this troop, please notify The Enterprise or Mrs. R. W. Rees. Such a job does not take many hours of time and can be richly rewarding.

Sign on parsonage door: If you have troubles, come in and tell us about them. If you haven't, come in and tell us how you do it.

Perhaps its none of our affair since we live in Coke County but we've been noticing in the daily papers that you can get a sack of Comanche County dirt sent to you, that some sacks of the uranium dirt are being given away with the purchase of large appliances, that sitting houses are being established all over the country advertising dirt hauled in from Comanche County. Now if this fad should go on long enough it seems to us that Comanche County will wind up just being a big hole in ground.

A good speaker should always remember that the mind can absorb what the seat can endure.

A Chinese student was riding in an auto with one of our western speed-demons one day. The driver saw a train coming and said: "Unless we beat the train across we shall be delayed three minutes." He stepped on the gas and made it, with only seconds to spare. When they were safely across the Oriental asked quietly: "Now what are you going to do with the three minutes?"

## what's what

by whatley

I felt certain that all of you would suspect what I would write about in my column this week as several suggested it to me but I don't plan to say very much about the "wedding." I do want to take this means to thank all my friends who plunged out into the rainy weather to come to it. I will say this, that if you have ever planned a church wedding and it seems that the bottom will drop out of the sky about the time that everyone is to come, that your nerves will never be the same again.

I have just about gotten back to normal again and everything is awfully quiet at our house. It does make a difference when you have two girls that talk about as much as their mother and they all leave at the same time. Maybe I should not said normal because your pocketbook doesn't get back to normal for some time. I feel that the wedding expense is such a one-sided affair when the "poor old bride's parents" have to foot all the bills. But since my two daughters have taken the fatal step, I certainly do not want them to change the old tradition now. I'll let the next man and woman suffer through it when my son decides to take the leap. If they don't want to do it, I guess that he can do the next best thing and go to the JP.

I must mention this week that if anyone has any old loose snakes around the house that I know of a family that have gone on a SNAKE diet. It seems the other day when Mrs. Otis Smith had her oven on and she began to smell something burning, she opened the oven door and there it lay, a nice brown snake, well done. I don't know whether her husband is making her cut down on the grocery bill or if the snake really got in on his own accord. I have heard that rattle snakes are quite a delicacy in some parts but I still prefer my snakes some other place beside on the table or in the "stove".

This week I am giving you a very good pie recipe that I have had given to me and it is very tasty and unusual. It is called:

### Apple Sauce Pie

1½ cups of apple sauce  
¾ cups sugar  
¼ cup carnation milk  
¼ stick oleo  
2 egg yolks, slightly beaten  
¼ teaspoon of each of the following: cinnamon, cloves and allspice.

Mix the ingredients together and cook in an unbaked pie crust until firm in the center. It may be topped with whipped cream or eaten plain.

Visiting in the home of Mr. and Mrs. H. O. Whitt last weekend were their two sons, Lamar of Brownfield and Hubert, Jr. of Jal. New Mex.

# LOOK AT ALL THE CHECKERED FLAGS CHEVROLET'S COLLECTED!

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Outrigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices in all models—and, finally, the great scientific, technical and engineering resources of General Motors.

**Every checkered flag signals a Chevrolet victory in official 1955 stock car competition—not only against its own field but against many American and foreign high-priced cars, too!**

On the stock car tracks, this go-getting Chevrolet is making the high-priced jobs turn green with envy... and making the other low-priced cars wish they'd stayed home in the garage!

Let's translate this into your kind of driving. You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways.

You've got to have better springing and suspension to nail you to the turns. Again, safer and happier motoring for you.

You've got to have big brakes that act but fast and smooth... and easy, accurate steering. More things that make your driving more secure and more enjoyable.

But it's more fun to try these things out than just to talk about them. So come in and let's take a ride.

**The safer car wins... and Chevrolet's the winning car**
