Longhorns Down Loraine, 31-6 Will Play Trent 11 Tonight

The Longhorns travel to Trent tonight for another conference game. Trent won their only conference game to date 13-0 from Loraine. They lost earlier games to Stamford B, Knox City, Leuders, Rochester.

A good crowd of fans is expected to accompany the Longhorns.

The Bronte Longhorns traveled to Loraine and met the Bulldogs of Loraine High School last Friday night. They came home the victor by a score of 31-6. The Longhorns were the power houses for the first half, but the second half saw Loraine come surging back to try to even up the score. At half time, the Longhorns were in the lead by a score of 25-0. All four touchdowns were scored in the first period. Bronte scored their only other tally in the final stanza, as did Loraine.

The opening kickoff was taken by the Longhorns on their own 36 yard line and in one big play the Longhorns had hung up their first score. The big play came on a 64 yard jaunt by Bill Wrinkle. The try for extra point was missed on a pass play.

Kicking off to Loraine, the Longhorns took possession of the ball after they forced the Bulldogs to punt. After taking the punt on the 42, Gentry carried to the 49. On the next play, Johnny Smith kept the ball on a keeper play and raced 51 yards for another Bronte score. Wrinkle tried to run the point but was stopped short of the goal line.

The next Longhorn touchdown came after Bobby Hester recover-

ed Bulldog fumble on the Loraine 33. Pinkie Gentry carried to the 30 where on the next play Wrinkle broke loose and went the distance for the score. Gentry made the extra point good on a line plunge to make the score 19-0.

After taking the kickoff on their 46 yard marker, the Bulldogs were again forced to kickout. Taking the pigskin on their 22, the Longhorns then drove to their fourth touchdown. The Longhorns moved the ball down to the 27 where the Bronte line shook Bill Wrinkle loose again. This time the run covered 73 yards. Once again the try for extra point was missed. The score at half time stood at 25-0.

The third quarter opened with the Bulldogs receiving the kickoff on their 33. Three running plays produced only 8 yards. With the ball on the 41, Gentry recovered a Loraine fumble. Loraine then put up a stiff defense and in four plays had set the Longhorns back seven yards. Both teams then swapped out with a kick and a fumble, but other than these happenings the third period ended with no further action.

Recovering a Longhorn fumble on the Longhorn 40 yard line, the Bulldogs drove to their only tally of the game. After an incomplete pass and two carries producing 22 yards, Bill Narrel then completed a pass to end Frank Machart in the end zone, the play covering 18 yards. The extra point try was missed, leaving the score at 25-6.

The final Bronte score came late in the final quarter after they had taken over on downs on their 31. The Longhorn line again opened a big hole for Wrinkle and again taking advantage of it, he went 69 yards to score standing up. The try for the point after touchdown was missed to make the final score 31-6.

First Frost Hits Bronte

A dry, hard-blowing norther whipped into Bronte late Sunday afternoon bringing large amounts of blowing dust and coldest temperatures of this autumn. The Tuesday morning low was 31 degrees with frost in many places. Tender plants were killed where there was no protection but it was not generally considered a killing frost.

The weather began warming up Wednesday but weathermen said a new cold front is building up in northwestern states which may, or may not, reach this area by the weekend.

Mr. and Mrs. Grady Baker, accompanied by his parents, Mr. and Mrs. R. F. Baker of Winters, attended the A&M-Baylor game last Saturday at College Station. On Sunday the group went to Huntsville, where they witnessed the prison rodeo.

Rev. Blackmon New Pastor of Kickapoo Church

Rev. R. W. Blackmon of Seminole has accepted the pastorate of the Kickapoo Baptist Church here. Rev. Blackmon expects to move his wife and two daughters, Janice and Betty, to Bronte within the next week or so.

They will occupy the Kickapoo Baptist parsonage near the church.

The local church has been without a pastor for several months, following the resignation of Rev. Clyde W. Coleman, who resigned to take a church in San Antonio.

Caperton to Show New Chevrolets Friday, Nov. 4

Climaxing a sales year that promises to set new all-time records for the automobile industry, Chevrolet will introduce 1956 passenger cars Friday, November 4.

The new models will go on display simultaneously at dealer showrooms across the country. Although details have been withheld, the company has reported the forthcoming line is the most diversified in its history.

W. E. Fish, general sales manager of Chevrolet, predicted one of the company's most successful retail showings.

"This is the biggest day of the year for Chevrolet dealers," Fish commented, "and they traditionally go all out to make it a memorable occasion for the people who visit their showrooms."

"Special entertainment, decorations and favors are an accepted policy by thousands of dealers. The expense in showroom trim alone will run well over \$3,000,000. Dealers want to be certain that the background and setting of the new cars do justice to their many improvements."

A feature at many showings this year will be demonstration rides in a duplicate of the car that clipped a full two minutes off the Pikes Peak hill climb record. The officially certified mark was set in September with a heavily disguised 1956 model.

WORK ON SCHOOL PROGRESSING

School officials reported this week that progress is being made made on the new building and they are hoping to have it completed soon. The work has been slowed up but the school board has the word of the contractor that it will be finished by Nov. 15. It is hoped that the move into the building can be made Thanksgiving.

Scout Drive Underway Here

About 25 men and women of Bronte met Tuesday morning at 7 o'clock for a kickoff breakfast starting the annual Boy Scout drive. The breakfast was held in the educational building of the First Baptist Church. Local fund chairman, D. K. Glenn, presided. Quota for the Concho Council is more than \$83,000.

After a breakfast of doughnuts and coffee, Glenn called the meeting to order and asked Scoutmaster Oscar Dorsey to tell about the three camps which are supported by the Concho Council, of which

Halloween Carnival Is Saturday Night

Annual PTA Halloween Carnival will open tomorrow night when the Spanish room starts serving at 5:30 p. m. Everyone is invited to attend the big carnival which is the "money raiser" of the year for the local parent teachers organization.

During the course of the evening, there'll be entertainment for the entire family, including canasta games, cat stands, country store, and many other events, climaxed

by the crowning of the Halloween Queens after 9 o'clock. The coronation will be the last event of the 1955 carnival.

In the Spanish room, patrons will be served a Mexican dinner for 90 cents, including enchilladas, hot tamales, beans, cole slaw, crackers, coffee or tea. Those who wish may order short orders of tamales or enchilladas, pie and cake.

Pies and cakes will be auctioned and there'll be a big costume parade for the young folks just before the coronation. Prizes will be given for the best costumes.

O. B. Jacobs Is Deputy Sheriff; Taxes Coming In

O. B. Jacobs has been named deputy sheriff to succeed J. L. Tinkler, who last week was appointed county clerk. Mr. Jacobs held the position a few years ago.

He went in as deputy when Paul Good first took over the sheriff's office in January, 1947. After serving 4 years O. B. resigned to work in the oil fields.

The tax paying rush is on full blast. Most all big property owners will get their payments in by Oct. 31 in order to take advantage of the 3% discount which is available until Nov. 1.

DEATH OF GRANDSON

Mr. and Mrs. B. J. Reeves were called to Stanton Tuesday by the death of their grandson, Douglas Monroe Smith, 18. E. L. Caperton took the Reeves to Sterling City where they were met by relatives.

Young Smith was killed almost instantly at 6:45 p. m. Tuesday when he walked into the whirling propeller of a crop dusting plane about two miles south of Stanton.

Smith had been a passenger in the plane and alighted to move a car, so the plane could be parked in its usual place. Observers said he walked directly forward a few step into the propeller which hit his head.

He was the son of Mr. and Mrs. Dan Smith of Stanton. The family had moved to Stanton from Paducah about two years ago. He was a 1954 graduate of Stanton High School.

Services were held at 3 p. m. Thursday from First Baptist church here.

AD-LIB-BEN

Chances are if you haven't already been asked you will be requested to give to the Boy Scout Fund. The campaign now is in progress and you couldn't make a better investment than giving a five or ten for the Boy Scouts. Scouting has helped more boys than we'll ever know. It helps them in their formative years, morally, mentally and physically. Money spent for correctional institutions later on comes at a much higher price than a few preventative dollars now.

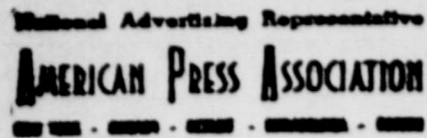

Always do right. This will gratify some people and astonish the rest. — Mark Twain.

An executive is a man who can take two hours off for lunch without hindering production.

Used to be nobody thought much about Christmas shopping until after Thanksgiving, but nowadays Christmas shopping starts about the middle of October. As always, we'd like to urge you to look for your gifts first in Bronte. Your friendly Bronte merchants, who accommodate you in every possible way and who pay taxes here, give to charity and support all local institutions, are getting one of the finest lines of gifts on display you will find anywhere. Don't think just because Bronte merchants do business in a little town, that you can get more for your money by trading somewhere else. SHOP BRONTE FIRST.

REDCHAIN FEED

RED CHAIN VITA NUGGETS VERSUS COTTONSEED CAKE

Why a pound of RED CHAIN Vita Range Nuggets (20 per cent protein) will do cattle more good pound for pound than cottonseed cake (41 per cent protein).

Cows need Vitamin A. There is no Vitamin A in dry grass or cottonseed cake. RED CHAIN Vita Range Nuggets are fortified with Vitamin A in such quantity to meet the cow's needs when feeding two pounds per head per day. A deficiency of Vitamin A causes difficulty at calving time and may even cause the cow to lose the calf before calving time. A shortage of Vitamin A lowers milk production. Thus, the calf gets less milk and therefore grows off slower and weighs less at weaning time.

If cows get low enough in Vitamin A they do not come in heat and therefore cannot be bred. This is why the stockman has a small per cent calf crop following dry years unless he supplies the needed Vitamin A by some means. RED CHAIN Vita Range Nuggets will do this as well as meet the needs for protein and carbohydrates.

See your local Red Chain dealer about the Red Chain Turkey, Broiler and Hog Financing Program. We are now ready to take applications for any of the above finance programs.

Our Red Chain sales representative will be at our store each Wednesday to offer services, advice and assistance in livestock, poultry and hog raising. This service will be available to all this community at no cost whatsoever.

HUMBLE A LEADING OPERATOR IN WEST TEXAS OIL PRODUCTION

Limited drilling and producing operations were started by Humble Oil & Refining Company soon after the discovery of the McCamey Field in West Texas in 1925.

Even before these production operations were begun by the Company, Humble Pipe Line Company completed the first major pipe line into the area in April, 1925. The line connected the Big Lake Field, first major Permian Basin discovery in Texas, with Humble's main North Texas-to-Webster line at Comyn.

Following these first important undertakings, the Humble Companies have continued to grow and help build this West Texas oil empire, and today, Humble carries on exploration, production, transportation, and marketing operations over almost the entire area. Altogether there are about 1,300 Humble employees serving these operations in this great West Texas area. This number does not include an additional group of Company employees located nearby in New Mexico.

In 1950, Humble Pipe Line Company completed its 18-inch pipe line from Kemper, near Big Lake, direct to the Houston area and Humble's refinery at Baytown.

The Company is presently expanding its pipe line facilities by building 17.2 miles of eight inch and 17.5 miles of ten inch line from Means Field to Ector Station. This new line will boost the Company's pipe line capacity from Means to 20,000 barrels daily. The line will be plastic coated internally to minimize corrosion.

Not including this new construction, the Humble Pipe Line company owns and operates in West Texas 1,160 miles of trunk lines and 1,069 miles of gathering lines, with 20 trunk-line and 18 gathering line pump stations. The main-line station is located at Kemper.

The pipe line Company's employees, numbering 379 at the end of June this year in the West Texas Division, look after and operate this large transportation network. For the second quarter in 1955, oil moved by Humble out of this area averaged 130,000 gross barrels daily.

In recent years Humble has helped add to the reserves of West Texas. The Company's efforts in 1953 brought about the discovery of the Hutex Field and new pays at South Andrews to supplement oil reserves and a new area at North Branch in Sutton County for gas production.

During 1954, a new reservoir of considerable size was discovered in the Means Field, and the H. J. Strawn field in West Texas, discovered by another operator with support from Humble contributed to the region's reserves.

As of the end of June, 1955, there were 146 employees representing Humble's Exploration Department throughout West Texas and in addition 80 employees in New Mexico. Exploration people are engaged in geologic, leasing, geophysical and scouting activities.

Humble's production operations for West Texas Division are directed from the division office in the Humble Building at Midland, Texas. District offices are located at Denver City, Florey, McCamey, Odessa, Snyder, Wink, and Hobbs, New Mexico. Production employees as of the first day of June, 1955, numbered 665.

At the end of 1954, production for the Company in West Texas Division ran at 45,530 barrels daily for oil and 108,316 MCF of gas per day; altogether Humble produced 16,232,092 barrels of oil in 1954 and 36,302,371 MCF of gas during the same year. At the end of 1954, the Company had 1,732 active oil completions and 37 gas

completions in West Texas. The number of rigs running for Humble in December 1954 was about 31.

The Company's marketing group is represented in many West Texas towns by a large number of station managers and driveway salesmen. There are several hundred retail outlets which are served by 36 bulk stations located throughout the Western part of Texas. Humble Sales Department's Western Division Office is located at Abilene; district sales offices are located at Abilene, Midland, and San Angelo. In June, 1955, 104 employees worked in the division and three district sales offices.

Mr. and Mrs. R. L. Brunson of Abilene spent Friday night with their daughter and husband, Mr. and Mrs. Floyd Bagwell. The Brunsons had visited in Big Spring and Lubbock and were on their way home.

PERSONALS

Visiting in the home of Mr. and Mrs. Buddy Kirkland last Sunday were his sister-in-law, Mrs. Dovie Kirkland, and her son and wife, Mr. and Mrs. Vernon Kirkland and children, all of Lubbock. Mr. and Mrs. J. T. Belcher of San Angelo came Sunday afternoon after being a dinner guest of Mr. and Mrs. Lum Lasswell. Mrs. Belcher is an aunt of Mrs. Lasswell and Mrs. Kirkland.

BERT BLAYLOCK NEW PRESIDENT COKE GAME MANAGEMENT ASS'N

Bert Blaylock, who has been ranching around Lometa since 1943, was elevated to the presidency of the Coke County Game Management Association Monday at the organization's annual meeting and barbecue.

Blaylock, vice-president the past year, succeeds Raymond Schooler, Robert Lee rancher. Joe Rawlings of Bronte was named vice president. Re-elected as secretary-trasurer was J. E. Quisenberry of Robert Lee.

More than 125 persons gathered at the Lometa school house for the barbecue Monday afternoon and most of them stayed over for the program and election of officers that night. Special guests present included State Rep. A. J. Bishop of Winters.

Game Valuable Resource

Gene Walker of the Texas Game and Fish Commission told the group that "game is a very valuable resource and should be protected." He cited the example of one county where revenue from hunting has "brought in more money than any other one thing."

"We can produce deer in combination with livestock and make the program pay," he said. "You can make as much money from 25 percent investment on game as you can from a dollar investment on cows. All you are out on game is feed."

Walker said the greatest need in the preservation of game today is the consolidated support of land-

owners and sportsmen.

"We don't have enough wardens to patrol the state as we would like to, and the landowner must assume a lot of responsibility in seeing that seasons and game laws are enforced," he said. "If you see someone breaking our game laws, you should turn him in to your game warden."

Members of the association briefly discussed trying to get the deer season opened in Coke County this fall. They eventually decided to wait until the closed season expires in 1957 before taking action.

Some landowners wanted the season opened this fall because deer are eating large quantities of their feed crops. Deer are numerous in several areas, but much of the deer country in the county has been badly abused.

Carl King, manager of the San Angelo Boys Ranch, told of the purposes and activities of the ranch and asked for donations. Members of the association pledged to give 17 lambs and \$55 to the Ranch.

H. C. Allen, Robert Lee rancher, volunteered to pick up the lambs and carry them to San Angelo.

S. C. (Skinny) Adams, San Angelo oil man who owns large acreages of ranch land in Coke County, volunteered to furnish the beef to barbecue for next year's meet-

The beef for Monday's meeting was furnished and prepared by L. E. Smith of Lometa, Finnell Smith of Robert Lee and Blaylock.

Rail Spur To Silver Oil Field Gets Approval

SILVER, Oct. 25 — Santa Fe Railroad authorities were advised today the Interstate Commerce Commission has granted authority for construction of a spur line from Maryneal in Nolan County to here.

A telegram received Tuesday by San Angelo Santa Fe officials said the order required construction on the 20-mile spur line be started by Dec. 1.

The telegram:

"According to an announcement of G. R. Buchanan, general manager, Amarillo, the Santa Fe has been notified by the Interstate Commerce Commission that authority has been granted for construction of a 20-mile spur line from Maryneal to Silver.

"The order is effective Oct. 29 and requires construction be started by Dec. 1 with completion sche-

duled on or before June 1, 1956.

"Bids for grading of road beds and building of structures will be received as quickly as possible and actual work will get under way with the least possible delay after effective date of the order."

First requested last December, the new road was opposed by the Texas & Pacific Railway which said the proposed spur would cause loss of traffic at its Colorado City railhead.

An ICC hearing on the application was held in Dallas in May, when cost of the line was estimated at \$1,450,000.

Texas & Pacific then asked a hearing before the full ICC.

The projected spur will serve the Fuller-Coke and Jameson oil fields near here. Also, the Texas Natural Gasoline Corp.'s new plant near here is expected to ship some 25 carloads a day.

The plant now is trucking butane and propane to the Santa Fe station at Bronte.

LIVESTOCK EXPERT TO SPEAK HERE NEXT THURSDAY

E. R. (Hico) Eudaley, livestock director and vice president of the Universal Mills in Fort Worth, will be in Bronte Thursday evening, Nov. 3. He will speak at the vocational agriculture building on "Livestock Feeding and Management."

Mr. Eudaley is coming to Bronte through the sponsorship of the local Red Chain feed dealer, J. W. Teague. Eudaley is considered an expert on livestock production.

Everyone is invited to attend this meeting.

Mrs. Randal Meador and girls of Abilene spent several days here this week with her parents, Mr. and Mrs. A. N. Rawlings. Mr. Meador went to Austin on business.

Out of town for the weekend were Mr. and Mrs. William Fletcher. They visited his aunt and uncle, Mr. and Mrs. Charles Fletcher, in Sweetwater.

what's what by whatley

Tomorrow night is THE night. I hope no one forgets that we are to go to the school house and eat supper at the Spanish room and spend all the money that you feel you can afford as this is for a worthy cause. Besides Christmas, there is nothing that a child enjoys more than Halloween. We are looking forward to having a new school building real soon and the PTA is having as their project this year the landscaping of the grounds. What it spends, depends on the amount of money that can be raised, so be sure to come and back them.

Daily we are more convinced that we are old so much longer than we were young. When we were young, there was never a worry in the world and if our hair was not just in place — what did we care. Now we have to spend so much time in the beauty shops and then we worry and fret if the hair is too curly or if it is too straight.

Recently, I read where the first permanents cost women \$1000. It was said to be a boiling and baking procedure which involved 20 hours of torture. Aren't we glad that we have the quick methods and much less expensive? I can well remember the first permanent that I received. It did not last 20 hours and was not nearly that expensive but I can say that there was plenty of torture that went with it. They rolled your hair on a long rod and pulled it so tight that you felt that your eyes would be "bugged" from then on. Then you were put under the heat for more torture. But even at that, I guess that it is better than firing up of the old kerosene lamp. I certainly remember the many times that I stuck the old curling irons in the chimney and let them heat. Sometimes if they were over heated, you could hear the hair SIZZLE. But when electricity became plentiful, I was so thrilled to own the electric curling irons. Then we had the marcel waving iron that I know that many of you can recall having used. Then, finally came the day when we could go to the beauty shops and get a store bought marcel. We were really living high in those days. Nowadays a girl can either go to the beauty shops or give herself that "Toni" look overnight and all the burining can be done away with.

Little Nellie came home after her first day at school and her mother asked "Well darling, what did you learn?" "Not much," was her reply. "I have to go again tomorrow."

Now for the recipe for this week. It is called Barbecued patties. This is a very inexpensive dish and can be prepared in a hurry.

Barbecued Patties

½ cup soft bread crumbs
½ cup milk
1½ lb. ground meat
Lou may add an egg if desired but it is not necessary.
2 tablespoons fat
salt and pepper
2 tablespoons worchestershire sauce
1 tablespoon vinegar
2 tablespoons sugar
½ cup catsup

EUTERPEAN CLUB STUDIES INDIAN-AMERICANS

By Mrs. Chrls Ragsdale

Mrs. W. W. Youngblood was hostess to the Euterpean Club last Thursday afternoon.

Mrs. Austin Jordan, vice-president, presided. The club voted to join the Woman's Forum at Sweetwater. Mrs. Charles Ragsdale was leader for the program on Indian Americans. Mrs. Ragsdale gave a history of the origin of October.

Each member answered roll call by showing something made by the Indians. Mrs. George Stoepler gave a talk on Teepee Keeping and told of the Indian painting at Paint Rock.

Mrs. J. Roy Sanderson gave the Indian's Ten Commandments and the club sang "Red Wing."

Mrs. Charles Ragsdale, out going president, was presented with a gift by Mrs. L. W. Sweet.

Refreshments were served to one guest, Mrs. Lonnie Collingsworth of Lubbock and 10 members, Mmes. L. W. Sweet, Austin Jordan, H. C. Raney, J. Roy Sanderson, O. T. Colvin, W. C. Shamblin, P. G. Dabney, George Stoepler, Charles Ragsdale and the hostess.

"Education" Is Topic For Diversity Club

Education was topic for the program of the Diversity Club last Thursday night, Oct. 20, in the home of Mrs. Vetal Flores. Mr. Flores was the guest speaker for the evening, giving an informative talk on "Needs in Education and the Progress that Has Been Made."

Mrs. George Thomas served coffee from a tea table laid with a cut work cloth. A winter bouquet was the table centerpiece.

Other refreshments were sandwiches, pickles, olives, cheetos, cake and chocolate candy squares.

Present were 8 guests, Mr. Flores and Mmes. Edna Butner, R. E. Cumbie, O. H. Willoughby, H. O. Whitt, F. S. Higginbotham, L. T. Youngblood, and Joe Carter and the following members:

Mmes. A. S. Whatley, George Thomas, H. A. Springer, Otis Smith, Carroll Robbins, R. W. Rees, J. R. Rasco, J. B. Mackey, R. C. Lasswell and the hostess.

Mrs. Bill McKown Hostess to Sorosis Club

The home of Mrs. Bill McKown was the scene for the Sorosis Study club at its regular meeting last Friday night, Oct. 21, with Mrs. McKown as hostess. Mrs. Clyde Lee was in charge of the program and gave an article on "The Life of Princess Margaret."

Pumpkin pie, topped with whipped cream and coffee were served to Mmes. Grady Baker, Edward Cumbie, Royce Lee, E. F. Glenn, Royce Fancher, Matthew Caperton, J. B. Morrow, Joe Rawlings, Roy Robinson, Bob Wilson, Lee and the hostess.

1 onion chopped fine or grated
Moisten bread crumbs with milk. Add meat, salt and pepper.

Form in large patties. Brown on both sides and if there has accumulated an excess of fat, drain most of it off. Add remaining ingredients, cover and cook 10 minutes.

G. A. GIRLS ELECT NEW OFFICERS

The G. A. girls met Wednesday, Oct. 12, at First Baptist Church. Jettie Kirkland and Carol Ann Sherrod were new members.

Mrs. Edward Cumbie, sponsor, called the meeting to order and officers were elected.

New officers are Linda Smith, president; Modene McGuire, vice-president; Ellen Brock, secretary;

Danell Dixon, treasurer; and Grace Rogers, pianist.

In their Oct. 20 meeting, it was decided to wait before installing new members and Danell Dixon was appointed to study other groups and recommend a name for the G. A.'s at the next meeting.

Mrs. Luckett Honored With Gift Shower

Mrs. Billy Joe Luckett was honored with a pink and blue shower last Thursday night in the Fellowship Hall of the Methodist Church.

Hostesses were Mmes. Hollis Stevens, Marvin Leck, William Fletcher, E. G. Collins and Brady Mills. Mrs. Leck and Mrs. Collins greeted and registered guests at the door.

Refreshments of spiced tea, and pink and blue decorated cake squares and mints were served from a tea table laid with a blue cloth with an arrangement of pink rose buds making the centerpiece.

Approximately 25 guests were present. Games were played.

Mr. and Mrs. Merle Andrews and children were Clyde visitors last Sunday. They visited his sister and husband, Mr. and Mrs. Frank Markwood.

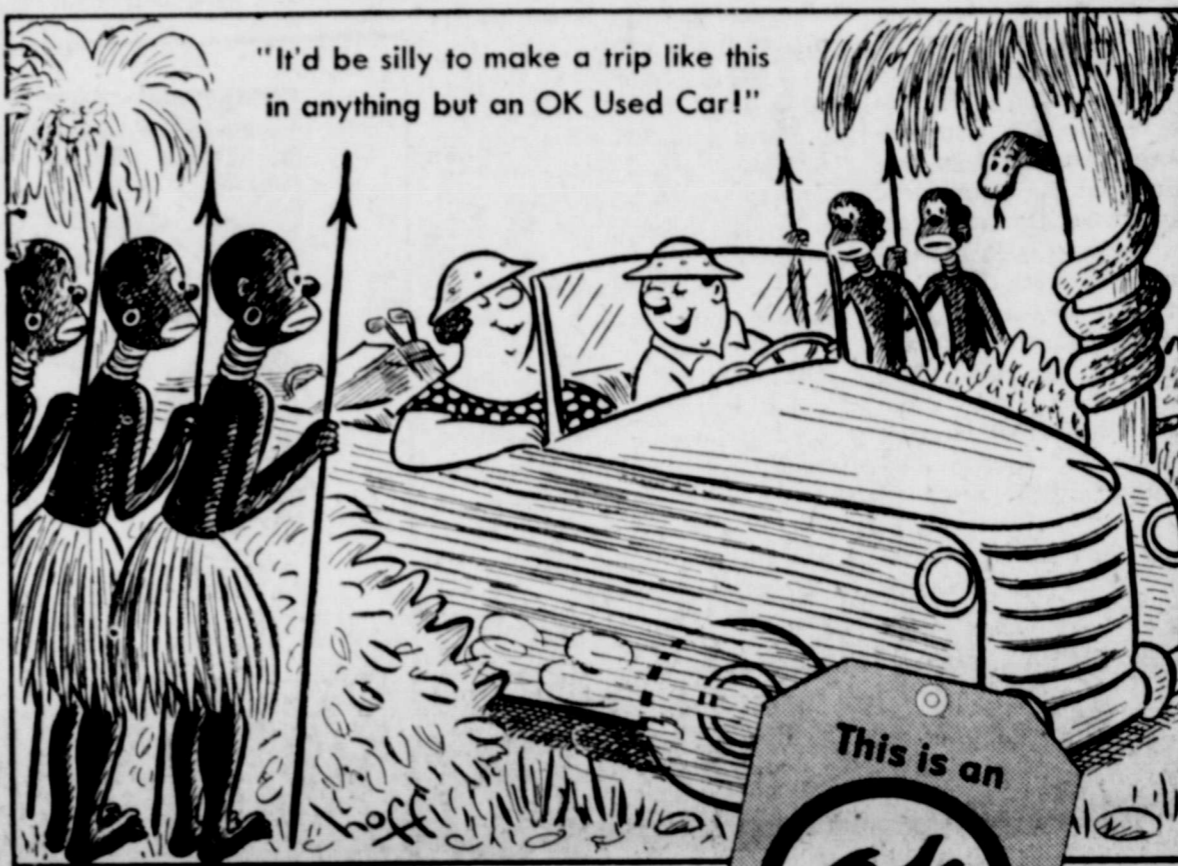

Miss Jo Dell Walton spent the weekend here with her parents, Mr. and Mrs. R. S. Walton. She is employed at Lee Optical Co. in San Angelo, and is also attending night school there.
