### AD-LIB-BEN

Our older little daughter is making her reportorial debut this week in the Enterprise. She has been elected reporter for her Brownie Scout Troop. Her article was a little rough when she handed it in to us, but it may be rougher when we get through with it. Some have been.

PLEASE GET BEHIND THE MARCH OF DIMES AND DO YOUR PART. BRONTE STILL NEEDS LOTS OF MONEY TO RAISE IT'S QUOTA.

The art of living rightly is like all arts; it must be learned and practiced with incessant care. — Goethe.

Only three more days are left to pay your poll tax. If you want to have the pleasure of helping clean out the mess down at Austin, you'd better pay up before midnight of next Tuesday, Jan. 31.

Everybody should make himself eligible to vote, especially this year, because of the scandalous conduct of some state officials, and you might even want to vote in the presidential election come November.

There's a little column on the inside of this paper which has a serious error in it this week. The recipe for the week was supposed to be for some sort of beans but a typographical error turned the beans into ebans. We promised to tell everybody trying the recipe not to go to the grocery stores hunting ebans.

Two Bronte boys took top honors with their sheep in the Coke County Livestock Show, held Monday at Robert Lee. Dee Arrott took the grand championship with his crossbred lamb and first with his pen of three fat lambs. He is the 13-year-old son of Mr. and Mrs. J. P. Arrott.

Jessie Ensor, son of Mr. and Mrs. Hollis Ensor, made a clean sweep in the Rambouillet breeding classes, winning the grand and reserve championships with his ram lambs. He also showed the first place ewe lamb and pen of three. Both boys are 4-H members.

Robert Lee boys and girls took top honors in the calf and fat hog contests. Terry Frank Bryan showed the grand champion hog, while Frankie Wojtek took reserve championship honors. Kenneth Wink showed the grand champion calf and Annice Gartman had the reserve champion.

Monte Trimble of Robert Lee showed the reserve champion fat lamb. Joe Harmon of Robert Lee had the grand champion in the breeding hog classes, while his cousin, Jerrel Harmon showed the reserve champion. Jimmy Brunson of Bronte showed the only breeding heifer entered in the show.

Herman Carter of San Angelo judged the entries, which consisted of 55 fat lambs, 21 fat hogs, 22 breeding hogs, nine fat calves, 15 breeding sheep and one breeding heifer.

Production awards went to the following: calves, Benny Corley; sheep, Wayne Bridges; hogs, Joe Harmon. Showmanship first places were awarded to Dee Arrott in the calves class; Morgan Russell, sheep, Dennis Blair, hogs.

## Estelle's Shop Increases Space

Mr. and Mrs. Claude Word have about doubled their floor space in their Estelle's Flowers and Gifts shop in Bronte. Extending the store toward the rear of the building, they now occupy several feet of space completely across the building.

The big refrigerator which holds their cut flowers was moved back several feet allowing them much more room to display their stock of pot plants and other items.

In addition to flowers and plants, Estelle's handles a line of gift items such as vases, centerpieces, etc. Mr. and Mrs. Word opened the flower shop in Bronte Oct. 31, 1953. They also operated a shop in Robert Lee for several months, but the increase in business in Bronte forced them to sell it.

They are planning on doing quite a bit of remodeling and redecorating of their place as soon as possible. They also recently purchased a new panel delivery car to use in connection with the business.

### ATTEND FUNERAL

Mr. and Mrs. Homer Vaughn left Wednesday of last week after receiving word of the death of their aunt, Mrs. Emma Pierce, 82, of O'Donnell. Mrs. Pierce, a former resident of Bronte, was buried on Thursday.

A total of \$634.67 has been turned in for the March of Dimes on the east side of Coke County, campaign director Joe Rose announced Thursday morning.

Rose said the only major event remaining in the campaign is the Mother's March which will be held tonight, Jan. 27. Members of the Diversity and Sorosis Clubs will be in charge of this part of the drive.

Anyone who wishes to contribute to the March of Dimes should leave his porch light on or indicate in some other manner that he wishes for the ladies to stop and pick up the contribution. They will begin their rounds of the city at 7:30 p. m.

The \$634.67 which has been turned in was from the following sources: \$315.84 from the dance at Tad Richards' barn; \$85.68 from the barbecue and variety show; \$191.15 from the cards left with business firms; and \$42.00 from the basketball game last Thursday night.

Rose said some more events may be staged, as the amount raised so far does not reach the quota set for this area. "The Mothers March will give everyone who has not contributed a chance to give to this worthy cause," he said. "I hope everyone will realize the importance of giving to the March of Dimes."

## what's what by whatley

The month of January will soon be in the past. There have been several things happen of interest since the first. For one thing the paying of Christmas bills, also getting the 1955 bills together for the income tax files and the most wonderful thing was the snow that we had last week and the rain that followed.

I think that I enjoyed it as much as anyone. Ever since I had been working here, I have had the desire to hit my boss and I really got the chance that day. I'll have

to admit that I got hit back. One small boy in Dallas, who had never seen snow before, gazed out the door at the stuff and said: "Look at all that soap!"

The noisest thing that happened around our house (thanks to Tuney Glenn) was a fine little six weeks old pup that has cried most of every night since we had it. It has always seemed strange to me that when people have pups to give away they always come to someone who has a little boy. I might say, or a little girl, as he was also generous in his giving to the "O" family. Likewise, they say that theirs has done its share of crying too.

All the midterm exams are over and the kids can quit "cramming" for another few months. I read a very funny thing recently in Paul Crume's column about this very thing. He said that this happened in a Bridgeport High School. It was in English class and they were boning up for the exams and they had gotten around to the study of verb tenses when the teacher ask a teen ager for the past tense and past participle of "shake." Said he, promptly: "rattle and roll." This is what they mean when they talk about current usage.

The other night our Sunday School class had a covered dish supper and Mrs. Preacher brought this delicious dish of green beans and we all wanted the recipe. I know that you will enjoy it so this is the way she prepares—

### Green Beans Au Gratin

2 tablespoons butter  
2 tablespoons flour  
½ teaspoon salt  
Few grains pepper and paprika  
1 cup Pet milk diluted with 1 cup liquid off beans  
2 cups cooked or canned green beans  
½ cup grated cheese

Melt butter in double boiler. Blend in flour and seasonings and when smooth and bubbling, add diluted milk gradually, stirring constantly to prevent lumping. Put beans into greased baking dish, pour sauce over them and sprinkle with cheese. Bake in a moderate oven (350 degrees F., 20 minutes. Serves 6.

## Recent Snow Was Very Beneficial

The snow which recently fell in the district has been worth more than the equivalent amount in rainfall, said J. B. Mackey of Bronte. The snow along with the freezing and thawing has helped loosen the soil and allowed all of the moisture to go into the ground instead of running off, Mackey continued.

Mackey, who operates a 350 acre farm and ranch northeast of Bronte, recently became a coordinator with the Coke County Soil Conservation District. He plans to completely terrace his 180 acres of cropland as a part of his overall plan to treat each acre of agriculture land according to its needs. Mackey also plans with favorable moisture conditions to use cover crops and stubble mulching in his farming operations. He plans to start work on his terrace system immediately with the assistance of technicians of the Soil Conservation Service.

New landowners who have recently become members of the Coke County Soil Conservation District are: J. W. Service, Jr., W. L. Taylor, Douglas Thorn, Jim Mackey and J. B. Mackey.

These landowners plan to complete as a part of their farm and ranch plan such conservation prac-

tices as terrace construction, water way development, cover crops and farm pond construction.

Landowners in the District cooperating with the Coke County Soil Conservation District who have just completed practices this month are A. B. and Delmir Sheppard. A. B. Sheppard has finished terracing a field with level ridge type terraces with the ends closed to hold rainfall which falls on the field. Also a diversion terrace to carry water to his stock tank. Delmir Sheppard also completed terraces on two fields on the divide.

# Nothing without wings climbs like a '56 Chevrolet!

The new '56 Chevrolet handles hills like they aren't even there! Aim it up a steep grade . . . and you'll see why it's the Pikes Peak record breaker!

Ever level off a mountain with your foot? Nothing to it. Just point this new '56 Chevy uphill and ease down on the gas.

In the merest fraction of a second you sense that big bore V8 lengthening out its stride. And up you go with a quiet rush of power (hydraulic-hushed valve lifters now in *all* engines—V8 or 6) that makes a mountain seem as flat as a road-map!

For nothing without wings climbs like a '56 Chevrolet! This is the car, you know, that broke the Pikes Peak record. The car that conquered towering grades and vicious switchback turns to prove its superior performance, handling ease and cornering ability.

These are built-in qualities that mean more driving pleasure and safety for you. You can also have such safety features as seat belts, with or without shoulder harness, and instrument panel padding at extra cost.

You've a choice of 19 frisky new Chevrolets all with Fisher Body and with horsepower ranging up to 205. Drop in, when you have a chance, and drive the new record breaker!
