

Murder Charges Filed Against Orient Bartender in Shooting of Bronte Man

Murder charges have been filed against Shirly C. Rhoton, Orient bartender, in the fatal shooting of Paul D. Noe, 34, Bronte railroad worker. The shooting occurred Friday night of last week about 9 o'clock at the Orient Tavern between here and San Angelo.

Bond for Rhoton has been set at \$10,000 by Justice of the Peace J. B. Holberg in San Angelo. Rhoton posted bond early this week.

Services for Noe were conducted Thursday at Johnson Funeral Home in San Angelo. The Rev. F.

AD-LIB-BEN

We started to Lubbock last Saturday to attend the mid-winter meeting of the West Texas Press Association, and from the looks of the country after we got to Colorado City the "mid-winter" part of the affair could not have been replaced with a more appropriate word. We edged along cautiously after getting to Snyder, eyeing every wet spot on the pavement with suspicion. Sure enough, the road had been plowed and not a one of them was frozen, so we made it to Post just fine. It had started snowing on us at Colorado City, getting heavier all the time, and was really snowing at Post.

As we were entering Post, the car radio said the meeting had been called off, so we got a cup of coffee and headed back south. A fellow in the cafe there told us that some cars had been piling up getting on to the Caprock just out of town. Said they weren't having much trouble coming down, however.

To tell you the truth, the trip was actually enjoyable. Not since we left the Plains had we seen so much snow. It was about eight inches deep around Post, diminishing in depth as we headed this way. Truly, it was a winter wonderland.

Speaking of snow, our younger daughter looked out the other morning after the snow, turned to her mother and said, "Well, this must be the 'fir-snoel'."

Worrying is like rocking — it gives you something to do but doesn't get you any place.

Tri-Rivers District Scout Meeting to Be Held Feb. 16

A meeting of leaders and Scouts from the Tri-Rivers District will be held at the Bronte School gymnasium Thursday, Feb. 16, at 7:30 p. m. Main purpose of the meeting is for Scout leaders to get together and discuss their programs, problems, etc. Both Boy Scout and Cub Scout groups will be present.

In addition to the discussion groups, Cub Scouts of Bronte will display some of the articles they have made in connection with their work.

I. C. Oden, local Scout leader, said the meeting will start promptly at 7:30 and will be concluded at 9 p. m. The discussion groups meet for approximately one hour and the remaining 30 minutes is used to serve refreshments.

All Scouts, their parents and other friends of Scouting are invited to attend the meeting.

Oldegeering officiated. Military services at the graveside followed.

D. L. Carter, Bronte, testified at the examining trial Monday that he saw the shooting. He testified he accompanied Noe, his wife and Mr. and Mrs. Elmer Pulliam to the tavern. Also with them was the Noe's 6-month-old son.

Mr. and Mrs. Noe had attempted to dance shortly after their arrival, Carter said, but were halted by Mrs. Rhoton. The group, he said, then drank two beers each.

Carter testified he had asked Rhoton for an additional three beers, one each for him and the Noes.

He said Rhoton then refused to serve Mrs. Noe another beer and that he (Carter) returned to their table with two beers.

Carter testified that Mr. and Mrs. Noe began "playing" with one of the drinks. Rhoton, he said, then came over to the table and spoke to Mrs. Noe.

Noe then told the bartender "if you've got anything nasty to say to my wife, say it to me," Carter said. He said Rhoton then went behind the bar.

Carter testified, "Paul (Noe) stood up and took his glasses off, then . . . turned and he (Rhoton) shot him." Upon cross examination, he testified that Noe "took two or three steps" toward Rhoton before the shooting.

Dr. Lloyd Hershberger, San Angelo pathologist who performed an autopsy on Noe's body, said Noe was killed by a bullet which pierced the upper and lower lobes of his right lung and the lower lobe of his left lung.

Noe is survived by his wife and son. He was part of the construction crew which moved here from Sweetwater last week. The crew is stringing a new telegraph line from Sweetwater to San Angelo.

Mr. and Mrs. Joe Carter returned last Saturday from a 3 weeks vacation. They were on a French liner and were docked at numerous places, including Jamaica, Venezuela, Panama and Cuba. The Carters reported an interesting trip and something different but said they prefer the good old U. S. A. customs.

City Election Called; 4 Vacancies Exist

An election was called for April 3 by Bronte's city council at its meeting last Friday night. The election is for the purpose of voting on a Mayor and three Aldermen. D. K. Glenn was named election judge.

Terms of Mayor Ernest Ivey and Aldermen Charlie Boecking, Joe George Wilkins and Ben Oglesby expire this year. No announcement

has come from any of them as to whether or not they will seek reelection.

Anyone who wishes to run for one of the posts has until March 3, 30 days before the election, to file his name with the city secretary.

A school board election is also on tap for Bronte district voters, although the board has not called it as yet. The election takes place the first Saturday in April.

'56 CAR TAGS NOW ON SALE

Automobile license plates for 1956 are now on sale in the office of Sheriff-Tax Collector Paul Good.

The tags take on a new look this year with a style which is to be made standard throughout the United States, Canada and Mexico.

Size of the plate is 6 by 12 inches, compared with the former size of 6 by 10½ inches. Texas tags will be gold lettering on black, with a larger lettering prefix.

The numbers to be distributed in Coke County for passenger cars start at 3750 with a prefix of HF.

Deadline for buying 1956 car tags is March 31.

Humble Stakes Deep Wildcat On Laura Martin

Humble Oil & Refining Co. has filed application to drill a Cambrian wildcat in southeast Coke County, four miles west of Tennyson. It will be the No. 1 Laura Martin.

The project will be drilled with rotary to 7,500 feet, with operations beginning when permit is approved.

Location, on a 670-acre lease, is 1,980 feet from the south and 660 feet from the east lines of 2-S. J. Martin survey.

The prospector is 2¼ miles northwest of LaGloria & Dykes No. 1 Reed, 6,779-foot failure abandoned Sept. 18, 1954.

Funeral Services Held Monday for B. F. Bridges, 63

Funeral services for Benjamin Floyd Bridges, 63, long time Coke County resident, were held at 3 p. m. Monday from First Methodist Church. The Rev. W. C. Craig, pastor, and the Rev. R. W. Blackmon, pastor of Kickapoo Baptist Church, officiated. Burial followed in the Fairview cemetery here with Clift Funeral Home in charge of arrangements.

Palbearers were H. O. Whitt, O. H. Wiloughby, L. T. Youngblood, Clark Glenn, Edward Cumbie, Bob Wilson, George Thomas, all of Bronte and W. Herman Robertson of Haskell.

Mr. Bridges died Sunday at the Bronte Hospital. He had been in ill health for a number of years.

Born Jan. 10, 1893 at Llano, he was the son of the late Mr. and Mrs. G. L. Bridges. He came to Coke County in 1909. He was married to the former Nora Grimes Nov. 1, 1914.

He was engaged in the hardware business here for 35 years, selling his establishment in 1943. He was also active with his son, Louis, in registered Rambouillet breeding. He was active in civic affairs, serving 25 years on the city council and 10 years on the school board.

Survivors include his wife; his son, Louis Bridges; two grandchildren, Barbara and Wayne Bridges and a sister, Mrs. W. C. Duncan, all of Bronte.

March of Dimes Drive Ends with Well Over \$1,000

Joe Rose announced last week after concluding the March of Dimes Drive that a total of \$1,007.99 was raised on the east side. Rose said that this figure is net, as all expenses of the campaign have been paid.

In addition to this amount Roy Scott, who operates Scotty's Tavern between here and San Angelo, turned in \$137.77 which he has collected for the Coke County March of Dimes. Scott has been collecting the money since late last fall.

Events carried out here to raise funds for the annual Dimes Drive included a barbecue and variety show, the annual dance at Tad Richards' barn, the Mothers March and soliciting contributions from business men.

Rose said he was well pleased with the results of the drive, and expressed his appreciation to everyone who helped carry it on, as well as to those who contributed money to it.

The March of Dimes is still going on in the west part of the county. Last week some \$700 had been collected at Robert Lee. The residents at Silver, who have always contributed heavily to the drive, are also in the midst of their campaign. No returns have been received here on the amount they have raised.

Services Held at Robert Lee for Jockey Hester

Funeral rites for Elbert Earl (Jockey) Hester were conducted at 2 p. m. Saturday from the Robert Lee Methodist Church. Rev. Travis McNair, pastor, and Rev. Bennie Smith, Baptist minister, officiated. Interment followed in the Robert Lee cemetery, with Clift Funeral Home in charge of arrangements.

Pall bearers were Howard Brock, Paul Good, Turney Casey, Marvin Stewart, Jack Cowley and Ernest Self.

Hester died suddenly at 3 p. m. Friday of a heart attack. He had complained with what he believed to be indigestion for several days, and was taken to the Robert Lee Hospital shortly after noon on the day of his death.

The son of the late Mr. and Mrs. W. R. Hester, he was born Dec. 20, 1906 at Water Valley. In 1915 the family moved to a farm on Indian Creek between Robert Lee and Bronte.

Survivors include his wife; five daughters, Mrs. Joan Davis of San Angelo; Billie Earl, Sharon, Judith and Annett Hester, of Robert Lee; one son, Ronald of Robert Lee; three sisters, Mrs. H. B. Yarbrough, Snyder, Mrs. B. M. Mundell, Robert Lee; Mrs. C. R. Smith; four brothers, Buster and Joe of Bronte, Weldon of Weatherford and Walter of Robert Lee.

He was employed by Dual Drilling Company at the time of his death.

REMODELS REST ROOMS

B. E. Modgling, local Magnolia dealer, announced this week that he has completely remodeled the rest rooms at his service station on Main street of Bronte.

Mr. Modgling said the rest rooms have been tiled and repainted.

Enterprise Writer Highly Impressed with Beauty of New Elementary School Building

By Mrs. A. S. Whatley

(Editor's Note: Enterprise reporter Mrs. Whatley was taken on a tour of the new elementary school building. Her impressions of the new structure follow.)

One of Bronte's newest and finest additions was shown to me Tuesday. I mean, of course, the new school. I went over to the school Tuesday morning and Mr. Black said he would like to show me the new auditorium, and while there, he decided to give me a tour of the entire building.

I've never been so delighted over anything as I was this new school of Bronte's. The auditorium is beautiful. It has a seating capacity of 600, and has a sloping floor, so that there is not a bad seat in the whole thing. There are dressing sky blue above the cream colored brick which runs about 6 feet up. The lighting will be as fine as you will find anywhere for all kinds

of lighting effects have been provided. Also, there are dressing rooms on each side of the stage and lovely maroon and grey velvet curtains have been ordered for the stage. The seats are separate and very comfortable. I am so looking forward to entertainment that will be presented in the marvelous new auditorium.

The classrooms are as exciting and modern as any thing I have ever seen, and if they are not restful, yet gay, and conducive to study then nothing is. They are painted in alternating colors of pink and green — very soft shades. In the classrooms for the three lowest grades, are adjoining rest rooms, one for the boys and one for the girls. There are private closets for each room in the building.

One of the things that caught my attention was the many lovely clocks throughout the building. Another was the attractive lounge for the teachers and something that

will ease the mind of all mothers is the clinic room for the children who become ill at school.

A spacious library has been provided, with shelving on three sides of the room. The building will be centrally heated.

Mr. Black and his secretary, Mrs. Floyd Collins, have very spacious adjoining offices; which I am sure will be conducive to good administration.

Being a woman, the cafeteria appealed to me very much. It will serve the entire school and consists of two rooms — one for the tables where the children will eat and the other the kitchen where the food will be prepared, and then a long serving area. The outstanding thing to me was the mammoth electric food mixer, the electric potato peeler (it also does many other things), and the electric dish washer, which is the same as used by the Armed Forces, to assure the

February 10, 1956

what's what by whatley

I believe that the north pole has come closer to us the past few weeks. We have certainly been getting a taste of what cold weather is like. I wish that we could have gotten more of the much needed moisture that some towns received. I will be glad when it does warm up for a while so that we can let those two little wild animals, that we call our grandchildren, out of the house. They are exactly like something caged in. Since they have come to live with us, I have completely changed the color and odor of my perfume. Some days, it may be red jelly and another the syrup and pancake smell. Then with some egg and maybe jello mixed in. But I can always plan on something new everytime that I enter the house. I didn't know that we lived such a quiet life before they came. But we think they are awful smart.

If you have looked at the calendar and noticed that this year is leap year and that another days is added to this month, you may wonder why this all came about. Being the "genius" that I am, I will try to explain it. The great old Caesar started this back 46 years before Christ. A year is supposed to be exactly 365 days, 5 hours, 48 minutes and 45.51 seconds. So really a year should be 365 1/4 days. So in order to take care of this fraction, Caesar decided that on every fourth year, an extra day should be added. If you were born on Feb. 29, maybe it has always bothered you as to when the day of

your birthday should be when it is not leap year. This problem was settled when, during the reign of Henry III of England, he made a law that Feb. 28th be the legal birthday in years when Feb. 29 did not occur. You may have thought that I dreamed this all up, but really I didn't as I read it.

Mrs. John Gason was in the office the other day and said that she had a very unusual dish that she makes and her family likes it very much. It sounds very good and I am going to try it. She also says it is very colorful. You might say that it is a one-dish dinner. It is called

Shepherd's Pie

1 lb. ground beef
3 tablespoons shortening
1 medium sized onion
1 cup tomato juice
salt and pepper
4-6 medium sized potatoes
1 can English peas
1 cup cooked, diced carrots

Peel and put potatoes to cook just as you would to serve them creamed.

Melt shortening in frying pan, then put in the ground beef. Add chopped onion and seasoning. Cook over low flame, stirring occasionally. When almost done, drain excess grease and add tomato juice. Cover with lid to keep warm.

Beat potatoes in mixer until light and fluffy, adding seasoning (salt, butter and small amount of milk).

Cook carrots in sauce pan until tender and season. Add English peas to carrots and heat. Drain excess water off.

Line casserole dish with a portion of the creamed potatoes, adding next a layer of ground meat,

Mrs. Harry Rucker Junior Club Hostess

Tuesday, Feb. 7, was regular meeting night for the Junior Study Club. They met in the home of Mrs. Harry Rucker. The program on "Federation" was given by Mrs. Allen Bryan.

Cake and coffee were served to Mmes. Hollis Stevens, Brady Mills, E. G. Collins, Allen Bryan, Marvin Leck, Nile Bryant, Ralph Dunklin, Denton Smith, Billie Joe Luckett, William Fletcher and the hostess. Next meeting will be on Feb. 21 and a film will be shown at the First Baptist Church.

alternately with peas and carrots, and potatoes. Cover top with potatoes and place in moderate oven until they are browned lightly. Serve piping hot. This is delicious if served with a green salad and hot biscuits (if you don't mind the calories!)

SOROSIS CLUB NOTICE

Sorosis Study club will meet tonight, Friday, at the home of Mrs. Clyde Lee, with Miss Eudora Hawkins of Abilene, as guest speaker. The meeting, originally scheduled for last Friday night, was postponed because of bad weather.

HD Club Meets in C. E. Arrott Home

The Bronte Home Demonstration club met in the home of Mrs. C. E. Arrott Wednesday, Feb. 1, at 2:30 p. m.

Mrs. H. A. Springer presided at the business session. The 1956 constitution and by-laws were read and adopted.

Mrs. C. E. Arrott was elected as delegate to council for the district THDA meeting which will be held in Sweetwater April 11.

The program on "Sewing Centers" and "The new way to put in a zipper" was given by Mrs. Arrott.

Refreshments of chess pie and coffee were served to Mmes. I. C. Oden, Springer, Collins Sawyer and the hostess.

Mrs. Noah Pruitt, Sr. left last Thursday for Snyder to be at the bedside of her daughter, Mrs. Billy Dan Labenske, who underwent surgery there. Mr. Pruitt went on Sunday and reported that she is recovering just fine. His mother, Mrs. J. W. Labenske, has also gone to Snyder for a few days visit.

Diversity Club Has Program on Decorating

Mrs. J. B. Mackey was hostess to the Diversity Study Club last Thursday night, Feb. 2, in her home.

Interior decoration was theme for the program with each member bringing a self made article for the roll call. A film was shown of "Celanese Fresh Viewpoint," furnished by the Celanese Corporation. Mrs. W. E. Stewart was guest for the evening and acted as commentator for the film.

In closing, a short business session was held with the election of officers for the new year. They were as follows: President, Mrs. Claude Word; vice-president, Mrs. J. T. Henry; Secretary, Mrs. Otis Smith; treasurer, Mrs. Wade Rees; parliamentarian, Mrs. H. A. Springer and reporter, Mrs. A. S. Whatley.

Congeaed salad, crackers, potato chips, cookies and hot punch were served to Mrs. Stewart and Mmes. Charlie Boecking, Vetal Flores, Cecil Kemp, J. R. Rasco, R. W. Rees, Carroll Robbins, Otis Smith, H. A. Springer, T. F. Sims, Jr., George Thomas, A. S. Whatley, W. C. Craig, Claude Word and the hostess.

Visiting in the home of Mr. and Mrs. C. E. Bruton last Sunday were their daughter and husband, Mr. and Mrs. E. O. Nicholas, of San Angelo.

Range Deferment Needed in Area

Range deferment has recently become two very important words to ranchers in this Soil Conservation District. Everyone recognizes that the bulk of the ranges are not in as good shape as they once were and many old timers say "When I first came to this country the grass was stirrup deep 50 miles in every direction."

During the past years, when the rangeland has been declining, the acreage planted in supplemental corn and sorghum and other feeds has been increasing. The higher priced supplemental feeds have been substituted for the cheaper native pasture which is no longer plentiful.

Through this device farmers and ranchers have been able to keep a greater number of livestock than they would have if they were dependent strictly on native pasture. Thus they operate at a smaller margin of profit and at a greater risk.

In the old days like 1886 in the presupplemental feed days, animals died off when drouth hit the range. After the drouth ranges revived fairly rapidly because there were few livestock grazing them.

Now, during drouths, animals are often fed maintenance or below maintenance rations of home grown or commercial supplements out on the range. The livestock are saved but the grass is continually pecked at or trampled until it sustains serious injury. Native grasses that are left are in very poor condition and many ranchers point out that they have found that the livestock they put up in a feed lot and feed balanced rations do just as well and in instances better than those fed the same ration and allowed to range for forage.

This fact has caused several Coke ranchers such as J. W. Service, W. I. Tubbs, Bill Martin and Joe Rawlings to completely defer part or all of the rangeland. Service has carried out a deferred grazing program for two years. He said "My range made good recovery the first year but made two or three times better recovery the second year. My native grasses are coming back and I should be able to start a limited grazing pro-

gram soon. Rangeland cannot survive the drouth with too many livestock on them."

HOSPITAL NEWS

Feb. 2 — Mrs. Oscar Dorsey admitted and daughter born.

Feb. 3 — Mrs. W. T. Davis, Ft. Chad. Humble Camp, admitted. Mr. Walter Finley, Mertzson, Mrs. C. S. Alderson and Myron Ray dismissed.

Feb. 4 — Linda Fell, Tennyson, admitted. Sid Eubanks, Mrs. Lee Hilliard, Norton, dismissed.

Feb. 5 — Mrs. Billy Magness, Blackwell, Little Tad Richards, Ester Lee Phillips, Blackwell, admitted. Andy Merriell, Mrs. R. H. Reaves, Blackwell, Mrs. W. J. Hathcock dismissed. Floyd Bridges expired at 2:20 p. m.

Feb. 7 — Dana Eubanks, John Gordon admitted. Mrs. W. T. Davis, Ft. Chad. Humble Camp, Mrs. Ruth Coleman, Mrs. Oscar Dorsey, and baby dismissed.

SCHOOL NOTES

School Board members took out insurance on the new school building at their last regular meeting. It is protected against fire, hail and other damages. Supt. Black said that the inspector, Mr. B. G. Jordan, was supposed to be here last weekend to inspect the new building but that hazardous weather conditions prevented the trip and he will be here soon. He is the representative of the school's architectural firm, Wilson and Paterson of Fort Worth. Black said that after the school is inspected, there will be some corrective work to do, but that he does not feel like it will be long before the new structure can be occupied.

Richard Wayne Rees and James Arnold Tidwell have entered the Soil Conservation Essay contest for the Bronte Schools. The boys submitted essays on "Why Soil Conservation is Important to Everyone." The contest is held locally by the Coke County Soil Conservation Service and then becomes a part of the Fort Worth Press state-wide contest. Last year, two local girls took first and second places in the county in this contest.

Judges for the contest will be the Board of Supervisors of the North Concho River Soil Conservation District.

Robert Lee students are also participating in the contest.

Mrs. F. R. Collins, who has been away from her desk as secretary of the school, resumed her duties Wednesday of this week. Mrs. Collins underwent surgery. Mrs. Garland Black was acting secretary during her absence.

Race Relations Theme Of Methodist Services

Next Sunday, Feb. 12, is Race Relations Day in the Methodist church, at which time the chief emphasis will be on World Brotherhood. The local Methodist Church will have part in this, at the morning hour, 11 o'clock. The church hymns will be in keeping with the day. The sermon topic will be "The Basis of Brotherhood."

Full attendance by the membership is urged. Visitors are cordially invited.

BANK TO CLOSE MONDAY

First National Bank in Bronte will be closed Monday in observance of Lincoln's birthday, which comes on Sunday, Feb. 12. In the bank's ad which appears on another page of this paper, we made the mistake of saying that the bank would be closed Monday, Feb. 12. Of course, Monday is Feb. 13. We hope this does not confuse any of the bank's customers.

Other business firms will remain open Monday, as will the post office here. Robert Lee State Bank will also be closed.

PTA to Have Program On Founders Day

Parent Teachers Association will meet Tuesday afternoon Feb. 14 at 3 p. m. at the local school. Theme for the program will be "The Family Assumes Civic Obligations." A special number will be given by first grade pupils. Founders Day will be discussed.

Following the program a Silver Tea will be held with the first grade mothers as hostesses.

Try a want ad for results!

Methodist Ministers Meet in Dallas

Biggest meeting of the year for preachers of the Southwest is the annual Ministers' Week program the first full week in February each year, and going on this week, Feb. 6-9 in Dallas. The program is sponsored by the Perkins School of Theology of Southern Methodist University, Dallas. Near 1,000 ministers attend from the 8 states of the south central jurisdiction of The Methodist Church. There are three lectureships in the program, on missions, preaching and the Bible.

Rev. Eugene L. Simth of the Board of Missions of the Methodist Church is Missions lecturer this year. Rev. James T. Cleland of Duke University, is the lecturer on preaching, and Rev. Albert T. Mollegen, of the Protestant Theological Seminary in Virginia, is lecturer on the Bible.

All the lectures are given in the McFarlain Auditorium on the SMU campus.

Weekend guests in the home of Mr. and Mrs. Clifford Clark were their daughter and husband, Mr. and Mrs. Billy Jack Gentry, Mr. and Mrs. Bobby Clark and Debby of San Angelo. The Clarks also visited her parents, the W. W. Millikins.

Chicago is the printing center of the world. It does more than one-sixth of the nation's commercial printing; has more than 2,000 printing plants; and employs more than 75,000 people. It has an annual payroll of two hundred million dollars and printing sales volume of more than one billion dollars.

MORE WIDOWS NOW

On the national average, women live 6 years longer than their husbands and are about 3 years younger, making a 9-year difference in the life expectancies of average couples. Thus 13% of women are widows while only 4% are widowers. Add this to the fact that men leave their estates, large and small, to their widows and you see why so much of the nation's wealth is in the hands of women. — The Kiplinger Letter.

More Cold Weather In Store For Bronte And All West Texas

From all indication Thursday morning, Bronte, along with the rest of West Texas, is in for some more cold weather. The mercury dropped to 33 Thursday morning and a low of 29 was forecast for Thursday night.

The forecast also predicted freezing rain or snow for this area. Cloudy skies accompanied the cooler weather.

Meanwhile the Panhandle and South Plains received up to five more inches of snow this week on top of the 12 to 20 inches which fell last week. High winds made it almost impossible to keep the snow from drifting over roads, making them impassable.

New Tax Exemptions

Mr. and Mrs. Oscar Dorsey are parents of a daughter born at 6:08 p. m. Tuesday, Feb. 2 in the local hospital. She weighed 8 pounds, 11 ounces and has been named Dee Anna. She has a brother, Gordon. The father is Bronte high school athletic coach.

Heart Clinic Operated For Public Benefit

The San Angelo District Chapter of the Texas Heart Association is eager to make its work known to the general public, and to enlist the personal interest of all people in the area which it serves. In space provided by the Shannon

Hospital, it operates a very well equipped clinic, staffed by local members of the medical profession, through which it provides free examination and treatment to indigent patients with heart disease, and this service is available to all such patients in the district, which includes the counties of Coke, Concho, Crockett, Irion, Kimble, Menard, Reagan, Runnels, Schleicher, Sterling, Sutton and Tom Green.

It seeks to keep the public informed as to the great prevalence

of heart disease, measures for its prevention and treatment, and the urgent need to find better ways of the nation's most serious medical problem through continued research into all diseases of the heart and blood vessels.

During the month of February, particularly through Heart Week, the chapter will furnish speakers on heart disease for any group or organization, and the work of keeping the public informed will be carried on through various chan-

The Bronte Enterprise

February 10, 1956

nels during the entire year.

Funds contributed to the Chapter are apportioned between it and the State Association, and a large part of these funds will be devoted to financing research in medical centers in various cities in the state; thus we contribute to the search for knowledge through which the present appalling death rate from heart disease may be

lowered.

The Association needs the cooperation of the public in its work. Heart disease is everyone's problem, and only by a united effort can we reduce the great amount of illness and the huge number of deaths which it exacts annually.

Home Demonstration Club Activities

By Faye C. Roe

County Home Demonstration Agent

Mrs. C. E. Arrott, Coke County T. H. D. A. Chairman, was appointed secretary for the District T. H. D. A. Planning Meeting in Brady Monday. This was an honor for Mrs. Arrott but of course was a "job", but Mrs. Arrott is capable and is always willing to serve in any capacity. Mrs. Tom Rives and I also attended the meeting. Plans were made for the District T. H. D. A. Meeting which will be held in Sweetwater on April 11.

I have been notified to warn the business people not to buy ads from people who are going around selling ads for a song book supposedly for the Home Demonstration Clubs. It seems the woman is making a "racket" of this and is not recognized by the Better Busi-

ness Bureau or anyone, especially the Extension Service. The Council of Coke County did sell ads last year to pay for printing a cook book, but Coke County Club ladies are not asking you for any advertising now. I hope this person feels Coke County is too small for her and that she stays away.

The County H. D. Council will meet in the agricultural building on Tuesday, February 14, at 2 p. m. I hope each club will be represented as there will be some important reports and business matters to come before the group. Delegates to the District T. H. D. A. meeting will be elected at this time.

My family and I enjoyed the Pan Cake Supper Monday Night. It was held in Robert Lee School Cafeteria and was given by the Friendship H. D. Club. Am sure they realized a nice profit for the clubs activities, as well as had a nice social event!

The Bronte Enterprise

February 10, 1956

The Foods leaders of the H. D. Clubs will meet on Friday after-noon, February 10 at my house for a training on "One Dish Meals."

Puts you in the Big Time for a small-car price

This new
Buick SPECIAL
2-Door 6-Passenger Sedan
delivers locally for less than
some models of the
well-known smaller cars.
Come in and check!

Why hold back from the fun and thrill and pride of bossing a Buick—when you can boss such a big and strapping beauty for the price of a smaller car?

Hard to believe? Listen...

If you can afford any new car, you can afford this brawny Buick SPECIAL Sedan—for a very simple reason.

This Buick is priced within a few dollars of the well-known smaller cars—and actually costs less than some models of those very same cars. (The price we'll show you proves that.)

Want more proof? For two years in a row now, Buick has outsold every

other car in America except two of those well-known smaller cars. And you can bet your bottom dollar that it takes bedrock prices to stay in the Top 3 of the nation's best sellers.

But even that isn't the whole story—not by a long shot.

Folks are buying Buicks in record numbers because they find in these big beauties a lot more automobile for the money.

They find here more styling freshness and distinction—more snap and ginger and power thrill—more comfort and luxury—more ride stability and steadiness—and more structural solidity and pure automobile than the same money buys elsewhere.

So if you want to move into the big-car travel world at a small-car price—if you want to have the time of your motoring life with the lift and lilt and pride and prestige of a beautiful new Buick as your very own—what's holding you back?

Drop in on us right quick—tomorrow, maybe?—and we'll show you the biggest bundle of high-powered Buick ever offered in America's low-price field.

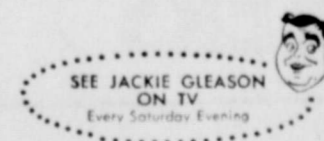

Best Buick yet

utmost in cleanliness.

A long hall extends the full width of the building, dividing the offices, cafeteria and auditorium from the classrooms. Along the hall are water fountains of different heights to accommodate all sizes of children.

On the east side of the hall on the wall is a large bulletin board, half of which is under glass and can be locked.

Teachers, students and patrons are all looking forward with eagerness to the day they will move in, as well as the lunch room ladies, and I can readily see why after making this extensive tour. I am very anxious for the new school to be open for public viewing, and then I know you will be as proud as I.

Miss Carolyn Kemp has gone to Waco this weekend for a visit with Miss Ann McDonald, who is a freshman student at Baylor University.

**MRS. FORREST CLARK
ART CRAFT CLUB HOSTESS**

Mrs. Forrest Clark was hostess at her home Feb. 8 to the Art Craft Club. Mrs. Clark gave a poem "Do it Today" as opening exercise.

Roll call was answered with the members discussing interesting parks which they had visited.

Mrs. Leonard Keeney presided at the business session and a report was heard from Mrs. Rob Herron, finance committee. Mrs. B. E. Modgling was appointed as vice president to serve temporarily in that office during the illness of Mrs. Fred McDonald.

On the next meeting date, Mar. 15 the club will have a pot luck supper with husbands and friends as guests. This will take the place of the regular program.

Mrs. B. E. Modgling had the program on "The History of a Park" and she discussed the Big Bend National Park and also gave some highlights on the Palo Duro Canyon and park.

During the recreation hour, Mrs. Taylor Emerson conducted a contest which was won by Mrs. Robt. Knierim. Her prize was a poem and dishrag. Mrs. Herron won the floating prize of a towel set, given by Mrs. Fewell Sims.

Sunshine gifts were exchanged. Refreshments of chess pie, tea and coffee were served to Mmes. Modg-

ling, J. D. Leonard, Ben Reeves, E. L. Caperton, Knierim, Leonard Keeney, Taylor Emerson, Chas. Keeney, Herron, Minnie B. West and the hostess.

CARD OF THANKS

We wish to express our heartfelt gratitude and sincere thanks to all of our friends for the many comforting words and deeds during the illness and death of our loved one.

Mrs. B. F. Bridges
Louis Bridges and Family
Mrs. W. C. Duncan

CARD OF THANKS

My thanks to each one of the many friends for the lovely gifts, flowers and visits that helped so much during my recent stay in the hospital. Also I want to thank Dr. Harris and the nurses. I am especially grateful to everyone.

Mrs. F. R. Collins

Mr. and Mrs. Woodrow Brunson and family were out from San Angelo last Sunday to visit her brother and family, Mr. and Mrs. C. E. Hageman.
