Students Move Into Bronte's New Grade School Building

NOW IN USE — Bronte's new Elementary School building was opened up this week and grade school classes moved in and started using the new building. Top view shows the building from the front. The higher part of the building, to the left, is the

new auditorium. Lower picture shows the structure from the rear. This view shows the three wings which extend out from the front. These wings contain classrooms mostly.

This has been moving week for students at Bronte's elementary school. Classes began the migration to the new grade school building Monday. Supt. Garland Black said the process has been gradual so as not to disturb classroom work any more than was necessary.

The new elementary school building is complete except for a few minor corrections which are to be made soon. Dedication day for the structure has not been set by school officials.

First, second and third grades moved Monday; fourth and fifth grades, Tuesday; sixth and seventh, Wednesday; and the eighth grade, Thursday.

The lunchroom has not been moved as the equipment has not had its final inspection. Supt. Black said lunchroom moving may be delayed a few weeks until all equipment meets inspection requirements.

Students, teachers and school officials alike have been loud in their praise of the new building. Students who have been in the basement of the old building now have light, well ventilated rooms in which to attend their classes. With the moving of the elementary school, needed space will be provided for expansion and improvement of high school facilities, also, school officials said.

In addition to classrooms for the elementary grades and a lunch room, the new building contains a modern auditorium, and offices for school officials.

Rev. Haynes to Preach at First Baptist Church

Officials of First Baptist Church have announced that the Rev. J. Roy Haynes of Ackerly will fill the pulpit at the local church Sunday. The Rev. Haynes will preach at both morning and evening services.

All members of the church are urged to be present, as the membership hopes to be able to call a pastor Sunday. The church has been without a pastor since the resignation of the Rev. Maynard Rogers, who moved to Miles.

C. E. Bruton Buys 18 Lots; To Open New Addition

C. E. Bruton expects to close a deal late this week whereby he will become owner of 18 lots in the south part of Bronte. He is purchasing the property from Mrs. Lula Hines of San Angelo. The two have reached an agreement on price, etc., and are waiting on the abstract prior to signing final papers.

The approximately 1½ blocks is located at the end of Church Street one block west of Highway 277.

Bruton announced that most of the lots will be put on the market for the building of homes. He said that definite requirements will be made as to the size and quality of houses which will be allowed in the new addition.

Mr. and Mrs. Bruton plan to build a new home for themselves in part of the tract. They plan to build a 60x90 foot house, containing 6 rooms and a double garage.

Tentative plans are to start laying off the streets next week. Also utility connections will be provided as soon as possible.

Bruton said that he bought the property with the hope of providing good building sites for persons who wish to build here and have been unable to acquire sites which they wanted.

AD-LIB-BEN

Tuney Glenn came up with an idea the other day that we think is excellent and timely. Seems the PTA up at Bronte school has some money which they plan to use on landscaping grounds around the new school building. Tuney's idea was for all the business people in Bronte to close up and join folks from all over the district in donating labor toward this project. "We'll be able to get a lot more done toward beautifying the new school," he said, "if the PTA doesn't have to hire labor to put out the trees, etc."

We think this is a worthy project and will be willing to let the wife or Mrs. Whatley off long enough to do our part of the work. Seriously, a little time from all the patrons of the school could accomplish a great deal.

Work is something that when we have it, we wish we didn't; when we don't have it we wish we did; and the object of most of it is to be able to afford not to do any some day.

Two important elections are coming up about the first of April, school board and city. Have you given the matter any thought?

Girls Win North Half District; Playoff Tonight at Mertzon

Bronte high school's girls basketball team has won the north half of district 20-B. The girls have had an impressive season, with no defeats in district games. Bronte, Robert Lee, Norton and Miles compose this half of District 20-B. Mertzon girls won the southern half of the district, so Bronte will face them in the playoff to determine the district winner.

First game will be played Friday night, Feb. 17, at Mertzon.

Bronte will host the second game Tuesday night at 7:30 o'clock. Admission for the game will be 25 and 50 cents. If a third game is required, date for it will be determined later.

In addition to winning their half of the district, Bronte's girls have had a successful season in tournament play. At the Sonora meet, Bronte placed Flora Mae Brown, guard, and Pat McCutchen, forward, on the all-tournament team. Scooter Snead was outstanding in the Lakeview tournament, being high point girl among all the entries.

Coach Grady Baker will lose four of his players this year because of graduation. They are Flora Mae Brown, Scooter Snead, Pat Tounget and Barbara Miller.

The team this year was composed of the following girls: Snead, McCutchen, Aletha Murtishaw, Jo Gentry, Wanda Webb, Joan Webb and Rickie Dell Hester. Guards — Flora Mae Brown, Patsy Brock, Pat Tounget, Barbara Miller, Wanda Kirkland, Jackie Grimes, Oleta Brice and Jan Sharp.

Jo Rowland is manager of the team.

Basketball Meet To Benefit Scouts

A basketball tournament will be held Thursday, Friday and Saturday, Feb. 23, 24 and 25 at the Bronte School gymnasium. Proceeds derived from the games will be used to promote and aid Scout work in Bronte. The money will be divided among the Boy Scouts, Cub Scouts and Brownies.

Eight independent teams will enter the tournament. They are International Securities of San Angelo, McEntire's Drive-In of San Angelo, San Angelo National Guard, Bronte Independents, Ballinger Independents, Blackwell Lions, Sweetwater Independents and Highland Independents.

Four games will be played Thursday night, while Friday night another four games will be played, pitting Thursday night's winners against winners and losers against losers. Saturday night will see the winding up of the tournament with finals in both championship and consolation brackets.

Everyone is urged to attend the games and help with Scout work in the community. A refreshment bar will be open during the tournament and proceeds from sales will likewise go to the Scouts.

NEW CUSTODIAN

At a meeting of the school board Monday night Claiborn Webb was named as a building custodian for the Bronte Schools. Webb will assume his new duties March 1. Need for an additional custodian was brought about by completion of the new elementary building.

No Candidates Have Filed for Council Jobs

No names have been filed as candidates for the city offices which are to be filled in an election Tuesday, April 3, according to Mrs. Helen Kirkland, city secretary.

Terms of the mayor and three aldermen expire this year. They are Mayor Ernest Ivey and Aldermen Joe George Wilkins, Charlie Boecking and Ben Oglesby.

Candidates have until 30 days before the election to file their names on the ticket. Anyone who wishes to run may place his name on the ballot by seeing Mrs. Kirkland, or a person may be petitioned to run for one of the offices.

NORTH HALF CHAMPS — Bronte girls' cage team which this week won the north half championship of District 20-B.

Pictured on the front row, left to right, are Patsy Brock,

Barbara Miller, Patricia Tounget, Jo Gentry, Pat McCutchen, Oleta Brice, Flora Mae Brown, captain and Scooter Snead, captain.

Back row, left to right, are the

coach, Grady Baker, Wanda Webb, Wanda Kirkland, Rickie Dell Hester, Joan Webb, Jackie Grimes, Aletha Murtishaw, Jo Rowland, manager, and Jan sharp.

what's what by whatley

The column usually found in this space is absent this week, as Mrs. Whatley and her husband were called to Strawn late Tuesday by the death of his mother.

The recipe she had intended to run has been quite popular and she has received a number of requests to run it. It was given to her by Mrs. J. W. Labenske.

Cheese Cake

1 package lemon jello
1 cup warm water
1 package Phil. cream cheese
1 lemon (juice)
1 cup sugar (or less)
26 graham crackers
¼ lb. butter or oleo
1 tall can condensed milk

Mix jello and water and put in cold place. Cream ½ cup sugar and cheese. Add lemon juice. Chill the milk and whip until stiff. When jello has begun to congeal, mix it and whipped milk with the other mixture and whip again.

Crush the graham crackers. Add ½ cup sugar and ¼ lb. butter or oleo. Mix well and line the dish with this mixture and crumble some on top after the other mixture has been added.

Home Demonstration Club Activities

By Faye C. Roe

County Home Demonstration Agent

The Foods Leader Training was held in my home Friday afternoon and was attended by Mmes. Billy Bynum, Mrs. E. C. McArthur, Green Mountain; Mrs. Palmer, Silver; Mrs. Brent Clark, Mrs. Pat Rives and Mrs. Frank Bryan, Friendship. "One dish meals" were prepared using pork chops and ground beef. The leaders will give this demonstration in their respective clubs during the next two weeks.

A meeting of Leaders, boys and girls and mothers will be held Monday night in our office to plan the County 4-H Family supper set for March 5. Boys and girls who won awards in 1955 will receive them at this time.

Mr. and Mrs. Bob Coleman and son of Winters visited here last Sunday with his mother, Mrs. Ruth Coleman, and other relatives.

Mrs. Grady Baker Elected President Of Sorosis Club

MRS. GRADY BAKER

Mrs. Grady Baker was elected president of the Sorosis Study Club at their meeting Friday night in the home of Mrs. Clyde Lee. New officers take over at the last meeting of the club before adjournment for the summer.

Other officers elected were Mrs. Royce Lee, vice president; Mrs. J. B. Morrow, secretary; Mrs. Bob Wilson, treasurer; Mrs. Royce Fancher, parliamentarian and Mrs. Ben Oglesby, reporter.

Miss Eudora Hawkins, of Abilene was in charge of the program on "Federation" and showed a film of the home of the Texas Federation of Women's Clubs in Austin. She also showed a number of slides concerning traffic safety and distributed information and questions on traffic safety.

Congeaed cherry salad, ritz crackers, cookies, coffee and Cokes were served to Miss Hawkins, another guest, Mrs. W. E. Stewart and the following members:

Mmes. Garland Black, Baker, M. G. Caperton, Fancher, Lee, Morrow, W. D. McDonald, Oglesby, Jesse Parker, Roy Robinson, R. H. Sims, Wilson and the hostess.

Club members with their husbands will meet for supper tonight, Friday, at 7:30 p. m. at Woods Seafood Cafe in San Angelo.

Mr. and Mrs. J. L. Carroll of Meadow were visiting friends in Bronte last Saturday.

Mrs. T. F. Sims, Sr. Is WSCS Hostess

Regular meeting of the WSCS of the Methodist Church was held Monday afternoon in the Fellowship hall with Mrs. T. F. Sims, Sr. as hostess.

Mrs. S. A. Kiker gave the devotional for the meeting and Mrs. Edna Butner had charge of the program. Mrs. Will Gideon and Mrs. J. A. Percifull gave parts on the program.

Coffee, hot tea and cake were served to Mmes. W. C. Craig, Edna Butner, Will Gideon, Kiker, Percifull, Barney Modgling, I. C. Oden, J. M. Rutherford, H. O. Whitt and the hostess.

BIG FAMILIES IN STYLE

It is now "the style" to have more babies, bigger families. Younger mothers are having more second, third, fourth and even fifth children than before. Farm women more so than city women. Farm women have three children, average; city women lag, with an average of two. But the younger women, both city and farm, now have more children and plan on more.

PTA Has Founders Day Program

Local unit of the Texas Congress of Parents and Teachers met Tuesday at 3 p. m. in the school auditorium. Theme for the program was "The Family: Assumes Civic Obligations."

The First Grade, under direction of Mrs. Vetal Flores, gave a program of songs and dances. A speech was heard on Mrs. David O. Mears, originator of Founders Day. The local unit observed Founder's Day with a Silver Tea at the close of the meeting.

The executive committee recommended the following nominating committee: Mmes. Royce Lee, chairman, E. F. Glenn and Bob Wilson. Recommendations for officers for 1956-57 will be made at the March meeting.

Also recommended was the landscaping committee consisting of J. T. Henry, chairman and Mmes. D.

K. Glenn and Wade Rees. The committee met in the afternoon with the landscape artist and work will progress immediately. Landscaping the new school grounds is the P. T. A. project for the year. A more detailed report will be made later.

Following the business session, a social hour was held in the lunch room with first grade mothers in charge. A valentine theme was used in table appointments.

The organization was pleased to welcome the large number of members and visitors.

BROWNIE SCOUT TROOP

Brownie Scout troop 3 met Tuesday at the home of Mrs. R. W. Rees with scout leader, Mrs. Marvin Corley present. The girls made valentines and were served candy hearts, brownies and punch.

The girl scout cookie sale was discussed, as was the basketball tournament Feb. 23-25 for benefit of boy and girls scouts here.

NEW DAIRY FEEDS

NEW RANGE CUBE

NEW CREEP SUPPLEMENT

Red Chain 16 Pct. MM Granules with Grain

Here is a truly fine dairy feed. Granules similar to those used in the three previous feeds, a hard grain nugget, crimped oats and crimped barley go into this dairy feed. It yields 628 calories per pound which is truly a high energy feed. This feed does contain sulphurized urea and ample sugars for efficient utilization. This feed also contains stabilized vitamin A, Vitamin D2 and trace minerals. It is designed to be fed as your other 16% MM Dairy Feed.

Red Chain 24 Pct. MM Granules

Red Chain 24% Protein MM Dairy Feed is also in a granular form. This particular feed, too, is a high energy type feed yielding 586 calories per pound which is extremely high for this high protein dairy feed. We would point out that in addition to the natural proteins that you see in the analysis sheet, the feed does contain sulphurized urea. With the high sugar content present in this feed, sulphurized urea will be a definite advantage to the dairyman. Urea along with readily available sugar stimulates the bacteria action in the rumen of the dairy cow and makes her a more efficient user of carbonaceous roughage.

Red Chain MO Creep Supplement 18 Pct.

This feed is designed to be fed on a half and half basis with home grown grains. This is a very palatable supplement which will tend to increase consumption of your creep feed. It is composed of natural proteins in as much as we will be feeding it to calves that have not yet begun to ruminate... When mixed with home grown grains it is designed for free-choice feeding.

Red Chain 16 Pct. MM Granules

This is an excellent new dairy feed in granular form carrying 16% protein and 53% NFE. We would point out that this is definitely a Hi Energy Type Feed, 600 calories per lb. The protein is from NATURAL sources. RED CHAIN 16% MM DAIRY FEED is designed to be fed with high grade legume hay, green pasture or legume silage.

Red Chain 18 Pct. MM Granules with Grain

Red Chain 18% (Equivalent) Protein MM Dairy Feed with crimped grains is built on the same base as the 16% feed, containing granules, a hard nugget, crimped oats and crimped barley. It, again has the advantage of having urea in the formula and containing stabilized vitamin A, vitamin D2 and trace minerals.

Red Chain MO Range 24 Pct. Nuggets

Here is a new approach for Range Cattle Feeding. This cube is extremely palatable, high in productive energy carrying both natural proteins and sulphurized urea. This cube is high in therm value and contains 5,000 units of stabilized Vitamin A per pound, vitamin D3 and trace minerals.

Red Chain 18 Pct. MM Granules

This, too, is an excellent type Dairy Feed built on the same type formula is 16% except that it is 2% higher in protein. This, too, is a high energy type feed yielding 596 calories per pound. This feed, too, is in granular form and is designed to be fed with medium grade roughage or mixed legume or carbonaceous hay or pasture nearing maturity or sorghum grain or corn silage.

We believe these new products of Red Chain will fill a definite need for dairymen and ranchmen of this area. As with all Red Chain Feeds, they have been developed through intensive research with your needs in mind. Come in and talk it over with us.

Election Called Saturday, April 7 School Trustee

A school trustee election has been called for Saturday, April 7. The Bronte school board called the election when they met Monday night. Two vacancies exist on the board as the terms of M. D. Stephenson and Foy L. Moore expire. Supt. Garland Black said Wednesday that anyone who wishes to file his own or someone else's name for school trustee should see him about the necessary forms to be filled out. As usual the school board has recommended two candidates for the positions. They are incumbent Foy L. Moore of Bronte Humble Camp and Hur-

len Lee of the Brookshire community.

Two voting boxes will be set up for the election, one at Bronte and one at Tennyson. D. K. Glenn was named presiding judge for the voting with Mrs. Otis Smith the election judge at Tennyson. The judges will select their own clerks.

ON HONOR ROLL

ABILENE, (Spl.) — Wyvonne Robinson, daughter of Mr. and Mrs. C. J. Robinson of Norton, was on the honor roll for the fall semester at McMurry College, according to Jerome Vannoy, registrar.

Vannoy said that the honor roll at McMurry is made up of the upper 10 per cent of all regular students.

Grade averages of the 65 students who made the honor roll for the fall term ranged from 91 to 95 per cent, he said.

When you contribute to the Texas Heart Fund, you are helping in the fight against the heart diseases which constitute the Nation's leading health problem.

Norton Takes First Tilt from Mertzon In District Playoff

Norton's Eagles took the upper hand in the District 20-B playoffs here Tuesday night with a 55-47 victory over the Mertzon Hornets.

The second game of the playoffs will be held in the Mertzon gym Friday night and a third game, if needed, will be held Saturday night.

The Hornets led at the end of the first quarter, 15-14, after which Norton caught up and was never behind. The Eagles led at the end of the half 29-26 and had it 43-33, going into the last quarter. With six minutes remaining the score was 45-35, but Mertzon closed the gap to two points with three and a half minutes remaining.

Darrell Lee and Sam Morgan led the winners with 15 points each while Bill Tankersley had 26 points for Mertzon.

With a payroll of over two and one-half billion dollars, the printing industry ranks eighth in salaries and wages paid, among the nation's top 20 manufacturing industries.

FAGAN PARKER CUSTODIAN OF COURT HOUSE

Fagan H. Parker has been named custodian of the new Coke County Court House at a salary of \$250 per month, and his wife is to be his assistant at \$150 per month.

The appointment was made during a special meeting of the Commissioners Court Wednesday. Commissioners failed to agree when the matter was discussed during Monday's regular session, making a special meeting necessary.

At the request of Commissioners Ed Hickman and Howard Brock, minutes of the meeting are being printed herewith:

Brock's motion to hire Parker, with J. W. Labenske as assistant died for want of a second.

Hickman moved to appoint Crowley Harmon, with Mrs. Harmon as assistant. His motion died for want of a second.

Claude Dittmore's motion to hire Mr. and Mrs. Parker was seconded by J. W. Service.

Judge Jeff Dean put the motion to a vote and the results were: Dittmore and Service, Ayes; Hickman and Brock, Nays.

Judge Dean then broke the tie by casting the deciding vote for the Parkers.

Mr. Parker is expected to begin his new work at once, and will resign his position with the Butane Service Co. His wife will not start until the new court house is completed.

In previous sessions this month the Commissioners Court okayed the appointment of Mrs. Sammy Jo Baker as deputy in the office of Paul Good at a salary of \$2,100 per year.

Judges and assistants for the 1956 elections were appointed Monday.

Quarterly report ending Dec. 31 of County Treasurer Gertrude Gray was approved.

The Commissioners voted to purchase a new camera for the County Home Demonstration Agent's office.

E. G. Yell of Big Spring was given a contract to inspect the heating and cooling equipment of the new court house twice a month at \$25 per month. He has been in charge of installing the system by the contractors.

PERSONALS

Mrs. V. E. Beasley remains in San Antonio at the bedside of her daughter-in-law, who was critically burned two weeks ago.

Mr. and Mrs. F. S. Higginbotham returned Wednesday from a two day visit with their daughter and son-in-law, Mr. and Mrs. Warren Hames at Crosbyton. Mr. Hames is recovering satisfactorily from a heart attack which he suffered shortly after Christmas.

Weekend guests in the home of Mr. and Mrs. A. S. Whatley were their son-in-law and daughter, Mr. and Mrs. Gordon Carlson of Crane. Also on Saturday Mrs. Whatley's mother, Mrs. W. G. Moon of Graceland, her sister, Mrs. Frank Bond of Cisco and the Bond's daughter, Mrs. Dick Duda and children of New York City visited in their home.

A poultry disposal pit is not expensive to construct. It is a real labor saver and offers a simple solution to the problem of disposing of dead birds on the poultry farm. It can also be a mighty important part of the farm's sanitation program.

Mrs. J. S. Whatley Dies at Strawn

Mr. and Mrs. A. S. Whatley were called to Strawn late Tuesday by the sudden death of his mother, Mrs. John S. Whatley, 79. Mrs. Whatley was standing in the yard talking with neighbors when she was stricken. She died a short time later. She had been a resident of Strawn for 35 years. Her husband died in 1939.

Funeral services were held at 2 p. m. Thursday at the First Baptist Church at Strawn, with burial following in the Indian Creek cemetery near Mineral Wells. She was a native of Indian Creek.

Survivors include four sons, A. S. of Bronte, J. C. of Eastland S. L. of Hico and R. Q. Whatley of Muleshoe; three daughters, Mrs. Earl Moon of Strawn, Mrs. A. A. Pesch of Moran and Mrs. Hanyan, Groesbeck; 16 grandchildren and 16 great-grandchildren.

HD Club Hears Report On Teacher Retirement

Bronte Jr. WHD Club met Wednesday in the home of Mrs. H. A. Springer with nine members, one visitor and the home demonstration agent, Mrs. Faye Roe, present.

Mrs. I. C. Oden gave the council report. Mrs. C. E. Arrott was elected as delegate from the club to be voted on for county chairman in council.

Mrs. Roe gave a demonstration on "One Dish Meals." The floating prize was won by Mrs. Claude Gentry.

The president read the objectives of Senate Bill 290 which is an amendment which will be submitted to Texas voters in November. Since this is an important bill the W. H. D. Clubs are putting it in their 1956 regulations. Objectives of the bill are:

1. To assist in recruiting teachers to teach 100,000 additional Texas boys and girls enrolling in Texas schools each year.
2. To hold in service experienced teachers who are leaving the profession at the rate of 7,000 per year.
3. To bring up to date and improve a retirement program enacted in 1932 during the very heart of the depression.
4. To provide disability, death and survivors benefits comparable with those afforded governmental and industrial employees.
5. To allow teachers to increase their deposits in order to purchase more adequate retirement benefits and provide protection of dependents.
6. To raise benefits of retired teachers now receiving mere pitances.
7. To replace ex-officio members of the retirement board with appointive members.

Present for the Wednesday meeting were Mmes. James Allen, C. E. Arrott, Claud Gentry, Taylor Emerson, I. C. Oden, O. R. McQueen, Collins Sayner, Ronald Walton, H. A. Springer and Mrs. Roe.

Next meeting will be March 7th with Mrs. R. S. Walton.

Jameson, Ft. Chad. Fields Among the Biggest in District

Production from crude oil from 350 fields in the 15 counties comprising Railroad Commission District 7-C increased 1.63 per cent during 1955, with a total of 64,193,155 barrels.

These figures were compiled and

released through the courtesy of the Texas Railroad Commission, Oil & Gas Division.

Production increased despite the fact that the Jameson (Strawn) field was shut down to five producing days throughout December, the Spraberry Trend Area was shut in for excessive gas-oil ratio and the Fort Chadbourne field shut down to 11-day producing month for five months at the request of operators.

Production in 1954 was 62,971,

558 barrels of crude oil. For 1953 it was 59,448,001 barrels.

The Spraberry Trend Area, perennial leader, was out in front with 14,620,285 barrels, which was nearly a million barrels short of last year's total of 15,502,057 barrels.

In second place was the Jameson (Strawn) field of Coke County with 5,740,003 barrels. Taking third place was the Fort Chadbourne field of Coke County with 4,266,677 barrels. Last year the Fort Chadbourne field was in second

place with 5,196,901 barrels and the Jameson (Strawn) field in fifth place with 3,115,901 barrels.

Taking fourth place was the Pegasus (Ellenburger) field of Midland-Upton County with 3,776,015 barrels. It was in third place with 3,763,473 barrels.

Mr. and Mrs. Noel Percifull and her mother, Mrs. Mary Slaughter,

of Abilene visited his parents, Mr. and Mrs. J. A. Percifull Monday. They had come from Sterling City where they spent Sunday night with the R. T. Caperton family.

Mr. and Mrs. Bill Thomason and Carol Lynn and Tommy of Taylor spent the weekend here in the parental home of Mr. and Mrs. Ernest Marshall. Miss Judy Swanson, also of Taylor, came with them.

Get a record-breaking run for your money!

Only Chevrolet puts you in charge of the dynamite action and sure-fire handling qualities it takes to break the Pikes Peak record! Better try it before you plank down your dollars for any car at any price.

You've probably heard some people say that they prefer a higher priced car because of the way it "holds the road"—or the way it "clips off the miles on a long trip."

Almost everybody likes a real road car. And nowadays they're going at Chevrolet prices!

For the new Chevrolet is one of the few truly great road cars being built today! It has to be to hold the stock car record for the Pikes Peak climb. It has to have cannonball acceleration (horse-

power now ranges up to 225!) and nailed-down stability on turns—things that make for more driving pleasure and safety on the road. Come on in and try the record-breaker!

The Bel Air Sport Sedan—one of 19 new Chevrolet beauties. All have directional signals as standard equipment.

Ford Sponsors Guide For Road Improvements

A "how-to-do-it" community guide to improved highway and traffic conditions has been published as a public service by Ford Motor Company.

Titled "Freedom of the American Road," the 120-page volume contains actual case histories of what many local communities and states have accomplished in solving traffic problems, and the stories of the people responsible.

The book is a result of nationwide research by Ford Motor Company assisted by members of leading highway and traffic safety groups.

Some of America's top writers, including distributed free to interested individuals and organizations.

Some of America's top writers, photographers and safety planners were assigned to find out how successful communities were helping to improve the nation's highway network, reduce traffic injuries and deaths and eliminate urban traffic bottlenecks.

Their reports were fitted into a "town hall" format in the belief that the experiences of one community may serve as an example of what can be duplicated in other areas.

The book is divided into three sections, titled "Teh Highway", sections, titled "The Highway". It contains color illustrations and more than 50 articles.

Girls Take North Half of District by Defeating Miles

By Jo Rowland

Bronte girls won their sixth and last game Tuesday night to win the Northern half of District 22-B. They defeated Miles with a score of 47-37. Scooter Snead was high pointer for Bronte with 19, followed by Aletha Murtishaw with 16 and Pat McCutchen with 12. Snead hit 7 out of 9 free shots. High scorer for Miles was Petrey with 27.

The Mertzon girls are winners of the southern half of the district and Bronte's girls will play them for the district championship.

The Bronte boys also defeated Miles Tuesday night which placed them second in the north half of the district. Norton boys were first for the north half title. Top scorer for Bronte in the Miles game was Johnny mith with 24.

FASTEST GROWING STATES

Arizona, Delaware, Florida, Nevada and New Mexico are at the top of the list in rate of population growth. The Pacific Coast has slowed down a bit in the past four years and didn't grow as fast as it did from 1940 to 1950. Florida, with a gain of 19%, has edged out California, which grew 18% in the past four years. In actual number of people, however, California is the leader and its population will probably top even New York state in 1956. — The Kiplinger Letter

Nolan Voters to Decide on Hospital Question Saturday

Readers of The Enterprise in the Blackwell area will be interested in an election which will be held tomorrow in Nolan County to determine whether or not the county will issue bonds in the amount of \$95,000 to be used in operation of Sweetwater Hospital.

If the bonds are voted it will mean that Nolan County becomes an active partner with the City of Sweetwater in the operation and maintenance of the hospital.

The election at Blackwell will be held in the old bank building, with Emmett Ware as presiding judge.

Waterspreading Terraces Add to Cotton Yield

"My waterspreading system of terraces stopped enough additional water on 14 acres of cotton in 1955 to more than pay for the cost of the system," according to D. A. Dumas. "I harvested 5 bales of cotton on 14 acres of cotton that received the extra water and only harvested one bale on the other 15 acres in the field that received no extra water," he said. The water is meered out of a waterway into the terraces. When the waterway stops running each terrace traps one foot of water above it.

The waterspreading system is a part of Dumas' complete plan that he is applying as a cooperator with the Coke County SCS district. The system was designed, layed out and checked for completion of SCS technicians. The Agricultural Stabilization Conservation County Committee made payment.

5000 feet of net wire diversions were staked on Charles Olsak's, Geo. James, Jr.'s and Preston Davis' farms and ranches last week. The net wire diversions pick water up out of gullies and spread on flat grass land. This is a new practice that shows a lot of promise in this country. The new wire diversion slows down the runoff, catches trash and grass seed, thus increasing the water intake in the soil and growing more grass with the same amount of rainfall.

Lynn Roberts, stock farmer six miles south of Robert Lee is constructing a 5000 cubic yard pond to provide livestock water.

W. L. Taylor in the Juniper community started construction work on 4 miles of terraces and a 1/2 mile of diversion terraces last week.

Tom Wiginton of Robert Lee is constructing a mile of terraces on his farm north of Robert Lee.

Army Plans Effort To Recruit More Reservists Feb. 22

AUSTIN, Tex. — A one-day, all-out-recruiting effort will be made by U. S. Army Reserves in Texas on February 22.

Aimed at increasing the strength of the Army Reserve Forces in the Lone Star State, teams composed of Reservists and Regular Army Advisory personnel will make personal calls on prospective enlistees in the 70 cities and towns in Texas where Reserve units are located.

February 22 is the final day of National Defense Week. In this connection President Dwight D. Eisenhower said, "Our Reserve strength is more important today than ever before. It is therefore gratifying to learn of the plans for

National Defense Week — under the slogan 'Reserve Power is National Defense.' I am delighted to endorse this undertaking, which I hope will receive the greatest possible measure of citizen cooperation and support."

In an effort to build up the reserve forces to nearly three million men (2.9 to be exact) Congress passed the Reserve Forces Act of 1955. It was signed into law by President Eisenhower last August.

Under one program of this law, high school students 17 to 18½ years of age, may enlist in a Reserve unit, serve six months active duty after graduating from high school, then go to college or enter into the business world with draft deferred status.

Other provisions of the Act make the U. S. Army Reserve attractive to older youths who have had no military service and to those young men who already have served two or more years active duty.

Sweetwater Lions Guests at Blackwell

By Mrs. Charles Ragsdale

Members of the Sweetwater Lions Club were guests of Blackwell Lions at their meeting Monday night at the school house.

Lion President Dewey Nabors welcomed guests and introduced the master of ceremonies, Lion Glenn Russell of Sweetwater. Lion Tom Wideman, zone chairman, talked on "Service of Lionism."

Tommy and Suzanne Hickman, children of Lion and Mrs. W. A. Hickman of Blackwell, entertained with a number of tap dances. Peggy Barnes of Sweetwater gave two tap numbers.

Molly Pierce of Sweetwater played "Lady of Spain" and "Ain't Misbehaving," and then joined Judy

Johnson and Kay Collison of Sweetwater in vocal numbers.

Betsy McLeod sang "Basin Street" and "A Good Man is Hard to Find" accompanied by Miss Pierce. Peggy Barnes gave a modern dance to "I Hear You Knocking."

Lion Russell presented Lion Dewey Nabors a gavel and bell from the Sweetwater club. Lion George Stoepler showed the Lions through the new agriculture building and pointed out other late improvements at Blackwell School.

Pie and coffee were served to the group. Other Lions from Sweetwater attending were O. O. Harris, John Brookshire, Mason Pei, Tom McMillan, Alvis Monday, W. E. Williams, Dr. Zane Jones and Mrs. Georgia Mae Barnes. 18 Blackwell Lions were present.

Important Notice

REV. J. ROY HAYNES OF ACKERLY

Will Occupy the Pulpit Both Services Feb. 19 at
FIRST BAPTIST CHURCH

It is very important that all members be present at both services. Following the night services, the pulpit committee will meet with the deacons and hope to be able to call a pastor.

FEB. 22 IS U. S. ARMY RESERVE DAY IN TEXAS!

UNCLE SAM needs young men for his peacetime Army of Reservists. YOUNG MEN need what Uncle Sam has to offer.

Strong nations seldom are attacked. It is only when a nation becomes weak, when its military strength is at a low ebb... when its men are untrained for battle... that an enemy strikes. To keep peace — keep strong. For a nation to maintain military might it must have a large, well-trained Ready Reserve — well versed in the latest in military know how and equipment.

It is up to the young men of America to provide this manpower. Under the Reserve Forces Act of 1955 American youth may continue in school with a minimum of interruption, while serving in the U.S. Army Reserve.

Investigate. Contact your nearest U.S. Army Reserve Unit.
