

Football Season Opens Saturday When Longhorns Meet Stamford

The Bronte Longhorns will open their 1956 football season at the local gridiron Saturday night when they go against a tough Stamford B team. Kickoff time will be 8 o'clock.

In a scrimmage game against Menard last Saturday evening, the Longhorns showed to be very strong on defense, but still lacking in the backfield on offense. Apparently the Longhorns will be using power plays because of the big line that the team possesses. Even though the local string lost two starters off of last year's team, they have been successful in filling these spots. Still shy in the backfield, some of the boys have shown improvement since last week. Against Menard, the Longhorns scored twice while holding the visitors to one score. Longhorn defense looked powerful as they held the Yellowjackets scoreless for some 45 minutes. Bronte's score came on a long scamper by Bill Wrinkle, while the other tally came on a pass from Gene Walker to Aubrey Denman.

On the line, Joe Ramirez and Bobby Hester, both Seniors, and Robert Moore and Gene Sherrod, a couple of Juniors, put up a stout front for the Longhorns. Doyle Rogers, another Junior, will add strength to the line as a reserve.

AD-LIB-BEN

The action taken by Bronte voters Saturday in the school tax rate election, we think, was both good business and a progressive step. It will save taxpayers a nice sized piece of change as well as providing a curriculum suitable for this modern age. Unless today's children go to a good school, they have two strikes against them, either in pursuing further training or in going directly from high school into a vocation. We think Bronte School District voters are to be commended for casting their ballots as they did.

We've recently received some dope about the soil and water conservation program which had everybody around here so enthusiastic several months ago. We haven't had time to read this material as we'd like to, but it seems the gist of it is that the federal government will pay more on projects such as the one on the Kickapoo watershed, than it would a short time ago.

We thought perhaps this change might encourage local folks who are interested in this matter to explore its possibilities further. Chances are extremely slim that this project will ever be built unless local residents show their need and desire for it.

Undoubtedly our readers get tired of our almost constant "backing" of some project or another. We get sorta tired of it, too. But, you know, it seems there is always something we can do to improve our community. We are not apologizing for the stand we have taken for any measure in the past and we shall continue to back any project which we consider to be for the good of the community.

Probable starting lineup for the Stamford B game will be: ends, Dean Black and Jerry Parker; tackles, Joe Ramirez and Bobby Hester; guards, Robert Moore and Gene Sherrod; center, Don Bagwell; quarterback, Gene Walker; fullback, Bill Wrinkle; tailback, Jimmy Lee; wingback, Aubrey Don Denman. All are returning letterman except Sherrod.

Services to Be Held Friday for Mike Evans, 10

Michael Sidney (Mike) Evans, 10, died at 12:30 p.m. Wednesday in a Dallas hospital. He had been ill for several months.

Funeral services will be conducted Friday at 11 a.m. at Johnson Funeral chapel in San Angelo.

Survivors include Mike's father, William Sidney Evans, Jr. of Bronte; his mother, Mrs. Edwin Pinson of San Angelo; a sister, Marsha Evans of San Angelo; a half-sister, Marilyn Pinson of San Angelo; a half-brother, Terry Evans of Bronte; his maternal grandparents, Mr. and Mrs. Porter Bryan of San Angelo; and his paternal grandparents, Mr. and Mrs. W. S. Evans, Sr. of Bronte.

Tom Williams Gins First Bale Cotton In Bronte Area

Tom Williams, who farms and ranches south of the river, ginned the first bale of cotton here this season. Williams raised the 413-pound bale on dry land farming acreage.

He received \$71 in premium money for ginning the first bale this season, and Bronte Gin Co. processed the bale free of charge.

J. D. Luttrell, Jr., operator of the local gin, said the crop will be extremely short this year because of drouth conditions. So far he has ginned 22 bales.

Blackwell Hornets To Meet Christoval

Blackwell Hornets begin their 1956 football schedule Friday at 2 p.m. when they meet the six-man team from Christoval. Coach Bill Blakeley has only two regulars returning from last year's squad. They are Harold Armstrong, 165 pound halfback, and Bobby Dan Henson, 190 pound center.

The remainder of the squad will be made up of boys who have had very little experience. They include Bobby Lanier, who was out last year with a broken collar bone. He should be a big help this year, the coach said. Also, freshman Albert Sneed, a halfback, has been looking good in workouts.

The Hornet squad stacks up like this:

John Tubb, qb; Bill Preslar, qb; Armstrong, hb; Thurman Self, hb; Clayton Saunders, hb; Elvin Chew, hb; Wayne Estes, e; Lanier, e; Jerry Ware, e; Henson, c; Wade Lewallen, c; Gaylon Thorn, c.

Blackwell will play Mertzon there Sept. 14.

Tax Rate Increase Carries, 150 to 43

Voters of the Bronte Independent School District approved a tax rate increase more than three to one in an election held here last Saturday. The tally was 150 for the increase and 43 against it. This action by the voters will increase the school tax rate from \$1.00 to \$1.25 per \$100 valuation.

The new rate will go into effect on 1956 taxes and the increase will show up on tax notices which will be mailed Oct. 1.

Patrons of Bronte School voted the increase after it was brought to their attention that school revenue would be sharply reduced this year because of lowered valuations of oil property. By voting the increase, they not only made up for this lost income, but made it possible for school officials to retire bonds on the new elementary school sooner than was planned. Early retirement of the bonds will save the school a sizeable sum in interest.

Welcome Rain Falls

Good showers fell in this area Wednesday night and early Thursday morning. A total of .75 of an inch fell in Bronte.

Heavier rain was reported south of here. Up to nearly two inches fell in the Tenyson area. The moisture was lighter north of town.

The shower brought welcome relief from high temperatures which have been plaguing residents the past several days.

Mrs. Osmo Black New School Nurse

Mrs. Osmo Black was named school nurse at a meeting of the Bronte School board of trustees Saturday night. At the same meeting her husband resigned as president of the board, in order that she might accept the new position.

Supt. Garland Black said this week that the school has tried for several years to obtain funds to maintain this position. This year school officials were successful in obtaining funds from the State Department of Education to pay a nurse.

Mrs. Black, who is a registered nurse and has had many years experience, assumed her new duties this week. Her office will be in a room of the new school building, set aside especially for this purpose.

Her duties will include keeping health cards on each student and taking care of any immediate first aid needs. She will also take any student who is injured to the hospital for treatment and will carry home any child who becomes ill at school. It will be her job to check health conditions in the school regularly and watch for epidemics of diseases.

Supt. Black said he expected the nurse's duties would require her to work half of each day.

Mr. and Mrs. Louis Bridges and children, Wayne and Barbara, left Sunday night for their new home at College Station. Bridges recently sold his flock of registered Rambouillet sheep and will enroll in Texas A&M College.

286 Students Enroll First Day of School

A total of 286 pupils enrolled in the Bronte School this week for the 1956-57 term. The elementary school has 205 youngsters and 81 high school students signed up. Classes got underway Tuesday morning after a general assembly in the new school auditorium.

The enrollment was down somewhat below last year, when 319 boys and girls registered. Of this number, 230 were in grade school and 89 in high school.

Supt. Garland Black said recently he was well pleased with the schedule which has been worked out for this year's high school students. "It's the best I ever saw for a school the size of Bronte," the superintendent said.

School activities are getting

A prize will be given to the boy or girl whose entry is selected by judges as being the best.

Coke Farmers To Get \$46,000 Soil Payments

Coke County farmers will receive more than \$46,000 from soil bank payments this year, according to an announcement made this week by J. E. Quisenberry, County ASC secretary.

Thirty-eight wheat farmers allotted 1,253.3 acres to the soil bank and are to receive \$6,184.40. There are 194 cotton farmers who placed 3,672.8 acres in the program and their payments will reach \$40,253.91.

Payments in cash are expected to be made later this fall, probably in October.

Mr. Quisenberry states that applications are now being taken for putting wheat acreage in the 1957 soil bank. Sept. 21 is the deadline for filing such applications.

One Day to One Year

we appreciated the song that he was singing, because, had he not been so obliging, we might have stepped on him and he could have decided to take a nab at one of us.

You know you are always out of ammunition at the wrong time. But after the husband snapped the trigger of his gun twice, he found out that an empty gun never killed anything. So with my aid of holding the light, he bounced on the creature with the hoe and his singing stopped immediately.

Never had I thought much of the unattractive cat that lay around our back steps but since we found out that the cat was the reason for all the noise that the snake was putting up, I heartily cherish the old Tom now.

I have heard that the meat from these reptiles are considered quite a delicacy at some high priced eating places but I still prefer southern type fried chicken on my menu. And another thing, in all the 6 years that we have lived in this spot, not one of these ugly varmints had ever shown up. I don't relish having them around.

I have been told that we can look for another one about the same size. I guess that they are like everyone else, they are leaving farm life and making their way into town on account of the drouth. I was watering the flowers and guess that a nice drink of cool water was refreshing to the old boy.

It seems that the prices are rising on most everything that we buy nowadays. So for the recipe this week, I am going to give you an old one of my mothers and I think that you will like it and besides it does help to keep the grocery bill down just a little. If your family likes sweet pickles and you have had no cucumbers from the garden to fill the cupboard, then try this and I know that you will find your family will enjoy them. I just recently made up a half-gallon.

Sweet Cucumber Pickles

1 qt. or ½ gal. jar sour pickles
Remove juice and cut the pickles into chunks and pack back into jar.

Take the liquid, minus ½ cup. Add 1 cup sugar for every cup liquid and bring to a boil.

Pour over the cucumbers. Do this every morning for four mornings. Each day add 1 cup more of sugar. On the fourth day they are ready to eat as soon as they become cool. You may add cinnamon sticks or any kind of spices that you desire. They are very crisp and have an unusually good taste. Sour pickles are not expensive.

FAMILY REUNION

A family reunion was held last Sunday in the home of Mr. and Mrs. Lloyd McClesky for the brothers and sisters of Mrs. McClesky. The group came and spent the weekend together. All were present except one sister.

Hall, Mr. and Mrs. Charles Hall and children, Mr. and Mrs. Billy Hall, Mrs. Ethel Simpson, and Mrs. Ethel Ruth Modgling and Linda, all of San Angelo.

They hired a car to bring them to Weatherford and Mrs. Rippetoe's brother brought them on to Ranger where they were met by Mr. and Mrs. E. C. Watson, who brought them home. Mrs. P. R. Littlefield was with the Rippetoes when the wreck occurred.

This Is My Story, What's Yours?

(Editor's note: The following item was handed to The Enterprise by a local businessman. We thought it amusing and found more than a little truth in it.)

Dear Sir:

In reply to your request to send a check, I wish to inform you that the present condition of my bank account makes it almost impossible. My shattered financial condition is due to Federal Laws, State Laws, County Laws, City Laws, corporation laws, liquor laws, mother-in-laws, brother-in-laws, sister-in-laws, and outlaws.

Through these laws I am compelled to pay a business tax, amusement tax, school tax, gas tax, light tax, furniture tax and excise tax. I am required to get a business license, car license, operator's license, truck license, not to mention a marriage license and dog license.

I am also required to contribute to every society and organization which the genius of man is capable of bringing to life: to women's relief, the unemployed relief and the gold digger's relief. Also, to every charitable institution in the city, including the Salvation Army, Community Chest, Red Cross, Purple Cross, Double Cross, Boy Scouts, Girl Scouts, Cub Scouts, YMCA, YWCA as well as way stations for wayward girls, boys ranch, boys town and public schools.

For my own safety I am required to carry health insurance, life insurance, fire insurance, proper-

ty insurance, liability insurance, burglar insurance, accident insurance, business insurance, earthquake insurance, unemployment compensation insurance and old age insurance.

My business is so governed that it is no easy matter to find out who owns it. I am inspected, expected, suspected, disrespected, rejected, dejected, examined, re-examined, informed, required, summoned, fined, commanded and compelled, until I provide an inexhaustible supply of money for every known need, desire, or hope of the human race.

Simply because I refuse to donate to something or other, I am boycotted, talked about, lied about, held up, held down and robbed, until I am almost ruined.

I can tell you honestly that except for a miracle that just happened I could not enclose this check. The wolf that comes to many doors nowadays just had pups in my kitchen, and I sold them. Here is the money.

PERSONALS

Mr. and Mrs. E. E. Elam and children of Gruver spent the Labor Day weekend here visiting in the home of Mr. and Mrs. E. L. Caperton. Mrs. Elam is a niece of Mrs. Caperton. They also visited other relatives while here.

6 Performances To Be Featured On Artist Course

San Angelo (Special)—Drama, music and dance—all these ingredients, expertly blended, come alive in the most fabulous entertainment season in the 26-year history of the San Angelo College Entertainment Association this year.

The association today announced it is bringing, for two night stands each, the following internationally celebrated artists and attractions:

"The Best of Steinbeck," a stage show starring Constance Bennett, Frank McHugh, Robert Strauss and Todd Andrews—Nov. 8 and 9.

Mantevani and His New Music, the 45-member orchestra which has swept the country with its fresh interpretations—Nov. 22 and 23.

"The Pajama Game," the musical comedy hit from Broadway, playing with its national company—Feb. 27 and 28.

Jose Gerco and his Spanish Ballet Company, the world's foremost custodian of the Spanish dance, March 13 and 14.

Pianist Gina Bachauer, one of the greatest woman keyboard artists in history—April 24 and 25. Eugene Ormandy, conductor.

The Philadelphia Orchestra, recognized as the finest orchestra in the world—May 29 and 30.

The two-night appearances of these six attractions have necessitated the highest budget ever assumed by the entertainment association and one of the highest in the United States.

The famed Philadelphia Orchestra will be making its only stop in Texas in San Angelo, a fact that has drawn national attention to the activities of the association.

Weldon Surber, president of the association, stated that 850 season tickets will be available to those who did not purchase last season. No individual tickets will be sold.

Mail orders to Box 1335, San Angelo, or you may purchase them at one of the ticket booths in Hemp-hill-Wells Company or Cox-Rushing-Greer Company. Prices are \$14.75 for adults and \$7.50 for students.

Buick CENTURY 6-Passenger 4-Door Riviera

SENSATION OF THE CENTURY
-at an easy-to-take price

It's Bonanza Time at Buick Dealers!

FIRST TIME you take the measure of a '56 Buick CENTURY, you'll know what the sports-car folks mean when they say the CENTURY is a great performer.

The getaway is right away—the road feel superb—the handling a joy. For this is Buick's most spirited and spectacular car.

It has the highest power-per-pound ratio in all Buick history.

It rides on a chassis compact to the last ounce and inch.

It takes to movement like a prima ballerina—nimble to the nth degree.

And when you press the pedal you get the response of Buick's mightiest V8 engine and the silk-smooth wizardry of an advanced new Variable Pitch Dynaflo* that lets you switch the pitch for emergency acceleration that's the most satisfying safety measure in the land today.

As we said, the name is CENTURY. And, as you'll discover, the price is a cinch. For the CENTURY is just a cut above Buick's lowest-price SPECIAL Series—and that's just a cut above the well-known smaller cars.

So you really ought to try a '56 CENTURY . . .

Especially now, while your present car is at its peak worth . . .

Especially now, at today's Buick prices (who knows when they'll ever be as low again!) . . .

And especially now, with Buick so solidly in the Top 3 of America's best sellers—and that kind of sales volume permitting us to make you an even finer trade-in allowance.

Drop in on us this week—today would be even better!—and see what a buy you can make right now on the best Buick yet.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
