START PRACTICE — Bronte's stage band began practice this week. Director Jim Verner says he hopes to have the stage band rendering some good numbers very soon. Left to right are: Jean Moore, Stanley Daulong, Jackie Grimes and Jan sharp, in the back row; left to June Moore, Tommy Boecking, Jerry Wilkins, Jimmy Ed Mackey, DaNell Dixon. At the piano is Carolyn Glenn.

COURT OF HONOR

A Boy Scout Court of Honor will be held Monday night, Sept. 24, at the First Baptist Church. Everyone is invited to attend. A good attendance will encourage the boys in carrying on their Scout work. Scoutmaster Oscar Dorsey said.

He will be in charge of the meeting. Richard Wayne Rees will receive a Bronze Palm to his Eagle rank. Other boys will also be advanced in rank at the meeting.

AD-LIB-BEN

The Weather: We predict a cool front between now and Christmas. Maybe that's just wishful thinking, because the pump on our air conditioner at the shop went out a few days ago. H. A. Springer, local manager of West Texas Utilities Co., recommended officially that we buy a new one (from him) but said off the record that we probably wouldn't have very many more hot days, so he would just wait till next spring to buy one. That just goes to show you how much he knows about the weather.

We saw the Dr. Pepper and Coca Cola delivery men go into the Central Drug together Wednesday afternoon. Wonder what they ordered to drink?

Football is definitely getting in the air. Bronte's second home game will be played this Friday night, when the Longhorns meet the boys from South Taylor at Tuscola. Then Saturday begins the season for most all the big Humble Oil & Refining Co. will bring you all the Southwest Con-college teams. Again this year, ference games by radio, and, beginning Sept. 29, will bring you an outstanding SW conference game each Saturday by live TV. Humble has some of the best announcers in the business. They can make you as if you were sitting in the stands.

The best way to tell whether a man is having a good time at a party is to look at his wife's face.— Changing Times.

We are nearly always favorably impressed with the intelligence of women until we notice almost invariably they wear dresses which button or zipped up the back. Being the only male in a house hold of four, we've buttoned and zipped quite a few, and know quite a bit about the subject.

Longhorns Tackle South Taylor Here Tonight; Beat Eden, 20-7

By Billy Alexander

The local ball club will go up against the South Taylor team tonight (Friday) at the local stadium. South Taylor is another Class B team, but as to what they have, not much is known. Even though not much is known about this team, they should put up a good fight with the Longhorns.

Coach Oscar Dorsey's Bronte team is now in good shape and should show the local fans some better football in this game than they did against Stamford B team. Game time will be 8 p.m. and all fans are urged to turn out and support the Longhorns.

COURT HOUSE DEDICATION TO BE OCT. 13

Coke County's new court house will be formally dedicated Saturday, Oct. 13. The event has been delayed to permit removal of the old building and paving and yard work. Everything will be in readiness for the dedication.

Appointed by the Commissioners Court as a committee to plan the dedication were R. B. Allen of Silver, Editor Ben Oglesby of the Bronte Enterprise, Earl F. Glenn, vice-president of the First National Bank of Bronte, and A. J. Kirkpatrick, publisher of The Robert Lee Observer.

The committee held its first meeting Monday night and formulated general plans. One of the supreme justices has been invited to make the principal address at 3 p.m. in the district court room. Open house will be observed during the entire day when people will have an opportunity to be shown through the building.

Entertainment features will be arranged and the Bronte and Robert Lee school bands will be invited to march and give concerts.

A number of state, district and nearby county officials are expected to attend the dedication, and a special invitation is extended to all old timers and former residents to be present.

QUARTERLY CONFERENCE

A Quarterly Conference for the Methodist Churches of Silver, Robert Lee and Bronte was held in Robert Lee Monday night, with Dr. L. Eugene Harris, district superintendent, presiding. Refreshments were served at the close of the meeting by members of the Robert Lee WSCS. Attending from Bronte were A. S. Whatley, J. T. Henry, Clifford Clark, D. K. Glenn, Binks McCutchen, B. E. Modgling and the Rev. Lin Loeffler.

The still experimenting Bronte Longhorns tramped to their second victory last Friday night at Eden as they defeated the Bulldogs by a margin of 20-7. Coach Oscar Dorsey, still trying to work out the backfield for the Longhorns, moved Gene Walker to tailback, Jimmy Lee to quarterback, and Janson Pairish to wingback. Bill Wrinkle remained at his regular position at fullback. More strength was added to the line with the return of Tommy Latham at an end position.

Eden took the opening kickoff on their own 37 yard line and immediately marched to the goal to give them a decisive lead. On the opening scrimmage play, quarterback Kent Rabon hit end Don Rainwater with a pass good for 23 yards. The Longhorns dug in and held the Bulldogs for four downs, but a fifteen yard penalty opened the doors to the goal line for the Bulldogs. On the next play, Rabon again hit Rainwater, this time for 39 yards and the tally. Larry Jacks kicked the extra point to give the Bulldogs a 7-0 lead which they held at the end of the first half.

The second half opened with Bronte receiving the kickoff on their own 31. At this point the Longhorns were forced to punt. Continued on Back Page

Some Work Done On Dial Phones

Applications for Postmaster Job Taken Till 25th

An examination for postmaster at Bronte will be open for receipt of applications until Tuesday, Sept. 25, the Civil Service Commission announced recently.

The commission is interested in securing well qualified persons to apply for the examination.

Competitors for the postmaster vacancy here must have at least one year of experience showing that they have the ability to conduct and manage the community's postal business efficiently and to supervise employees so that customers are satisfied with the service.

Competitors must show that they can deal with the public agreeably and effectively and that they are reliable citizens who would command the respect and confidence of patrons of the post office, a release from Civil Service said.

Applicants must take a written test. Those who pass will be assigned final ratings on the basis of this test and on their experience, ability, and character. There is a one-year residence requirement and applicants must have reached their 18th birthday on the closing date for receipt of applications. There is no maximum age limit.

Mrs. Mary Ruth Stevens is presently serving as temporary postmaster, a position she has held since the resignation of J. A. (Jap) Stephenson several months ago.

Oscar Hayes celebrated his 73rd birthday Wednesday, Sept. 19, at his home, with a few friends and relatives coming for supper. Mrs. Hayes was hostess to the affair.

Work is being done now toward changing Bronte's telephone system from the crank type to modern dials. The building that will house the dial equipment has been completed, according to A. E. Bell, Jr., local manager for General Telephone Co. Engineers are at work in Robert Lee and when finished there, they will come to Bronte to install dial equipment and complete the changeover.

Bronte's deadline for completion is about March 1, 1957, and work is going on schedule, Bell said. He added that the local project might possibly be completed a little ahead of schedule.

Bell said he is looking forward to the conversion as he knows local customers will be happy with it. Everything will be known, including telephones and all equipment, he said.

Mrs. Wimberley Rites at Blackwell

Funeral services for Mrs. Lilly Wimberley, 85, were held at the Blackwell Methodist Church Tuesday afternoon at 3 o'clock. Rev. Douglas Gossett, Methodist pastor, officiated, assisted by the Rev. Kay Corley, a Baptist minister.

Mrs. Wimberley, a resident of Blackwell and Nolan County since 1901, died Sunday afternoon in a Sweetwater rest home. She was born in Grimes County.

Surviving are one son, R. L. Thompson, of California; four grandchildren; several great-grandchildren; one sister, Mrs. Norvell Henson of Shep; two daughters-in-law, Mrs. Rocky Thompson of Blackwell and Mrs. Artie Thompson of Dallas.

Cate Spence Funeral Home was in charge of arrangements. Burial was in the Blackwell cemetery.

Council Pays Half of \$3,500 Note and Studies Debts and Obligations of City of Bronte

(Editor's note: At a special meeting of the city council Friday, Sept. 14, the council decided to pay half of the \$3,500 which was borrowed for the purpose of moving and erecting the new water tank. In making the decision to pay this amount at this time some interesting figures were brought up, concerning the city's indebtedness and obligations. We thought our reader's, particularly those who are city taxpayers, would be interested in them. They concern bonded and warranted indebtedness and money owed the UCRA for the pipeline from Oak Creek Lake.

The city of Bronte owes a total of \$242,517.98. A large per cent of this amount \$206,787.98, is owed the Upper Colorado River Authority on the pipeline from Oak Creek Lake. Bonded indebtedness amounts to \$31,000, while warrants were issued to secure another \$2,980 which is still outstanding.

Total cost of the pipeline was \$234,087.98; the city has paid the UCRA \$27,300 of this amount, and pays at the rate of \$700 per month or \$8,400 per year. Balance owed UCRA is \$206,787.98. The UCRA charges no interest on this debt.

The second largest debt is on

bonds issued in 1947 for improvement of water mains in the city. A \$40,000 bond was voted and \$1,000 per year is paid on the principal. At the present time interest amounts to approximately \$1,320 per year. The interest payment gets lower as the bonds are paid off. A total of \$9,000 has been paid on the principal, while \$11,880 has been paid in interest. A fund amounting to \$4,556.88 has also been paid in connection with this bond issue to take care of agent's fee, trustee's annual fee and annual reserve. Amount outstanding on these bonds is \$31,000.

In 1949 the city borrowed \$5,000 and issued warrants against the waterworks fund. Amount outstanding on these warrants is \$1,500. The city pays \$500 per year on the principal. A total of \$3,500 has been paid on the principal, while \$980 in interest has been paid.

Another \$5,000 was borrowed in 1953 against the waterworks fund and warrants were issued again. Total paid to date on the 1953 warrants is \$3,000, leaving an unpaid balance of \$2,000. Interest paid to date on these warrants is \$480. The yearly payment on the principal is \$1,000.

Only other debt of the city is \$1,750, which is the balance owed on the \$3,500 borrowed this past summer to erect the new water tank. Interest paid on this note to date is \$43.75. Plans are to pay the balance on this note in the next few months. No warrants have been issued to cover this indebtedness. It is simply a demand note held by the First National Bank of Bronte.

Besides the money which has been paid this year on the 1956 note, the city is paying approximately \$12,220 per year on indebtedness, in addition to interest on the two warrant issues, which amounts to about \$300 per year.

The city has also spent considerable money on improvements to the water system the last few years. Some new water lines have been laid which used pipe costing \$1,749.89. Meters and meter boxes account for \$2,361.89, while \$2,258.57 has been spent for various kinds of plumbing supplies and equipment.

The above figures were compiled by Mrs. Helen Kirkland, city secretary. She took them from the official records of the city.

what's what

by whatley

I received the following letter from my daughter and will run it this week and hope that you enjoy it as much as we did.

Now for the paper if you wish—I made a tour last week of Frankfurt whose full name is Frankfurt on Maine. (The Main is a river that runs through the town and there are nine bridges crossing it. Frankfurt is really a very interesting city, and it was founded in about 800 A. D., and it is divided into what is called the old town and the new town, which is funny, because the new part started in 1333. Pretty new, huh?)

The war really did extensive damage in Frankfurt—the English bombed it by night and the Americans by day, and almost everything was destroyed. So there is naturally very much building going on still.

Frankfurt is a big industrial city and is the banking center of Germany. All the big insurance companies and banks have offices here. The population before the war was 560,000 and is now 650,000. The Bohnhof (the railroad station) was built in 1881 and is the second largest in Germany (the largest is in the East Zone) and 1200 trains a day come and go there.

As all through Germany there are many little parks, squares, and things of historical importance. One square in the middle of town was the horse market and the horse thieves were executed there in olden times. To give you a idea of the amount of parks and gardens in Frankfurt, the city hires 600 professional gardeners every day.

The largest shopping area of the city is called the Hauptvac which means "the changing of the guards." On the tour we saw the old Opera House which was built in Paris style and was a gorgeous thing and had wonderful acoustics, however, it is not used now, as it has not been rebuilt from the heavy bombing.

On the tour we also saw one of the residential sections and their Botanical gardens which were really lovely. Besides all the lovely orchids and plants, I saw some cacti which made me feel I was back in Texas.

The most important things we saw were the Goethe Haus, the election hall, and their most famous cathedral called "Dom."

Goethe was one of Germany's most famous poets and the Goethe Haus was his home from birth until he was 26 years old. It has been rebuilt since the war exactly as it was before, even to the wallpaper, and during the war the furniture was taken out, so all of it is the original except for the bedrooms. The furniture is 280 years old, and is really something to see—it is all inlaid and is invaluable today. The most interesting thing to me was a clock in the house. In those days it was the custom that when the first son was born, the best friends of the family made something to give, so this clock is 207 years old and still runs, and it was made by a lawyer who made clocks as a hobby. He made three and the other two were destroyed in the war. The clock gives the time, the day, the month, the year, the sun, and the type of

moon, and down below is a little man with a bear on a chain. About six hours before the clock runs down, the bear begins to lie down on its back and as the clock runs down it goes completely down. It has to be wound about once a week.

The election hall was also very interesting, as it is the place that elections and coronations for the emperors of the Holy Roman Empire took place. It too has been rebuilt, and we had to put on huge felt shoes to go in so we would not scratch the floor. The walls are completely lined with paintings of all the 52 emperors—and the history of the different ones was fascinating. I wish now I HAD learned history better. Anyway, Napoleon ended this type of government when he married the daughter of the last Emperor and informed him he was no more needed. The paintings are all the originals as they too were saved from the war, and the colors are really unbelievable—they look as if they were done yesterday. Oh, yes, out in front is a big fountain, and when elections were celebrated, red and white wine flowed freely for all.

The Dom—the cathedral—was built in 1215, and nothing but the tower was left from the bombings. It is Gothic style and was built of red sand stone. The walls were all left white after the other paintings, et cetera, were destroyed, but there is one huge picture hanging of Jesus being taken from the Cross by Van Dyke. My guess is it is about 9 feet by 12 feet, and is lovely.

I am giving you a recipe this week that the daughter sent me. I have tried it and we enjoyed it very much and hope that you will. It is called:

Kohl Roulade

(Pronounced Coal-Rulada)

Pick a nice head of white cabbage and detach big leaves, and cook them until soft.

Mix: 1 egg

2 medium finely chopped onions

1 lb. hamburger meat

Salt and pepper

Lay cabbage leaves out and cut tough stalk out and put approximately 2 tbsps. meat mixture in. Roll up leaves covering meat completely and tie securely with thread.

Heat 1 or 2 tbsps. butter or margarine in skillet, dry off rolls, and brown well. After browning, add ½ cup water, cover and cook slowly ½ hour turning occasionally and adding water if necessary. (1 lb. meat makes 5 or 6 rolls. Can use sauce as is or can thicken with flour and make gravy.)

Mrs. Dunklin Hostess To Junior Study Club

Members of the Junior Study Club held their regular meeting Tuesday night in the home of Mrs. Ralph Dunklin. Program for the evening was given by Mrs. Nile Bryant on "Courtesy and Etiquette."

A refreshment plate of party sandwiches, potato chips, doughnuts and Cokes were served to the following members: Mmes. F. R. Collins, E. G. Collins, Bryant, Oscar Dorsey, William Fletcher, Bill Luckett, Bobby Vaughn, George McClung, Jim Verner and the hostess.

District PTA Meeting Held Here Tuesday

The sixteenth district board of managers' fall meeting of the Parent-Teachers Association was held at the Bronte school auditorium Tuesday, Sept. 18.

The meeting began at 9:30 a.m. with a coffee. Mrs. Wade Rees, Mrs. J. B. Morrow and Mrs. Ralph Richards were in charge. The coffee table was laid with a white cut work cloth and an arrangement of bronze mums and chrysanthemums making a fall centerpiece. Autumn napkins of brown and green were used. Party rolls and coffee were served to the group.

The program began at 10 a.m. with the call to order by the district president, Mrs. Elmer Payne. The invocation was given by the Rev. Lin Loeffler, pastor of the First Methodist Church. The district vice president, Vetal Flores,

gave the welcoming address.

In the business session, Mrs. Horace Berger of Sterling City was elected new recording secretary. Mrs. N. W. Norred, who is district mental health chairman, urged everyone to be present at the mental health workshop in Big Spring Oct. 16.

Highlight of the day's program was the school of instruction given by the state vice president, Mrs. Robert Cross of Anson. She brought out points of good leadership and how everyone should be more concerned about our mental health programs. She also stressed that the things about our school which are wrong, should be made right, and the things which are right should be made known.

She emphasized the fact that PTA organizations are too concerned about money making projects, where the emphasis should be put on educational purposes, and more money should be spent on sending delegates to conventions, etc.

At the noon hour a luncheon was held in the school cafeteria and was hosted by Mrs. Payne, the district president.

The meeting resumed immediately following the luncheon, and the school of instruction was continued. Plans were discussed for the state convention which will be held Nov. 14-16 in Amarillo.

Following announcements, the meeting adjourned.

Mrs. Caperton Hosts Art Craft Club Meeting

Mrs. E. L. Caperton was hostess to the Art Craft Club at her home Sept. 12. As opening exercise Mrs. Caperton gave an article, "Just Good Folks." The roll call was answered with "I would like to be like."

During the business session, the nominating committee gave a report and the following officers were elected: president, Mrs. J. L. Keeney; vice president, Mrs. E. L. Caperton; secretary-treasurer, Mrs. J. D. Leonard; parliamentarian, Mrs. Leonard; reporter, Mrs. Mimmie B. West.

Mrs. Emma Sims, chairman of the house committee, reported that a pot luck supper will be held Sept. 25 at the Fellowship Hall of the Methodist Church. Husbands and other guests will be honored.

Mrs. R. H. Herron gave the report of the finance committee and an expression of appreciation from Mrs. Chas. Keeney was read to the club.

Mrs. Ben Reeves gave as the program a poem by Vanna Ruth Caperton Belcher, "Growing Lovely Growing Old." At the recreation hour, Mrs. Robert Knierim conducted a scrambled words contest. The prize, which was a hand painted pin tray was presented to the hostess. Mrs. Knierim drew the floating prize, which was a hand painted dish, presented by Mrs. Taylor Emerson.

The hostess served a delicious refreshment plate of open face sandwiches, doughnuts, mints, coffee and cold drinks to the following ladies: Mmes. Reeves, Knierim, B. E. Modgling, Leonard, Mae McQueen, Sam Gray, Emerson, Herron, Floyd Modgling, Forest Clark, Keeney and West.

Sunshine pal gifts were exchanged, names revealed and new names drawn for the next three months. The club will meet with Mrs. Sam Gray on Oct. 10.

ATTEND REUNION

Mr. and Mrs. H. A. Springer left last Friday for Rockdale where they visited relatives over the weekend. On Sunday they attended an annual reunion of the Springer family. The family group met for dinner at the American Legion Pavillion in Fair Park at Rockdale. About 80 persons were present including many old time neighbors and friends who came by for a visit.

Farmers Should Apply Now for Gas Tax Refund

By County Agent Jack Waide

Deadline for mailing applications for gasoline tax refund is very near. We still have a good supply of application blanks which we hope you will pick up. Most people didn't use much gasoline the first six months of this year, but the two cents per gallon will add up to several dollars. You can get it for three cents. I am going to leave application blanks at the Key Feed Store in Robert Lee and the Red Chain Feed Store in Bronte for your convenience.

The conservation reserve phase of the soil bank program has apparently been well received in this county. J. E. Quisenberry tells me that he has received 21 applications the last two days by farmers and ranchers who are eligible to participate in the program this year. In order to participate in 1956, the fields must not have been grazed or harvested this year. This program may not be beneficial to everyone, but it seems to merit some consideration. I am sure that a good many people can benefit from it.

A number of people have been

troubled by damage from coons to home gardens this year. It would seem that damage has been severe enough to justify some control measures. Poison apparently gives fairly rapid results. Coons are very susceptible to strychnine poison. Normally .55 grams of strychnine alkaloid will kill coons without killing larger type animals. Pork fat, sardines or prunes make good bait. Just place the poison inside the bait and put the bait in the area where damage has occurred. You should tell your neighbors before starting a program of this kind and an effort should be made to keep pets out of the area. Baits should be counted and the places where they are put out should be marked so that the ones which are not eaten can be taken up. This gives you an opportunity to free the area of poison when desired results have been obtained.

Present outlook indicates that egg prices will remain good for the rest of this year. Chicks for flock replacement in January and February of this year were 24 and 21 per cent above last year. These pullets are coming into production now and should keep egg prices below the seasonal high reached during last fall, but prices should still follow the normal trend upward this fall making for a good year for egg production.

Youth Meeting to Be Held at Church of Christ

An area-wide youth meeting will be conducted by the Church of Christ in Bronte Saturday night, Sept. 22.

Services will begin at 7:30 p.m. Speaker for the occasion will be Raymond Hamilton who preaches for the Church of Christ in Winters. His message will deal with problems and responsibilities of youth.

The song service will be led by several young men from congregations in this area. After the services, there will be a period of fellowship for all who attend. Refreshments will be served.

A "full house" crowd is expected for these services, according to the local minister, Owen Cosgrove. He especially invited and urged the young people of Bronte to attend.

Vacationing in the home of Mr. and Mrs. R. S. Walton are his uncle and aunt, Mr. and Mrs. N. E. Collett, of Bakersfield, Calif. Other guests in their home this week were their son-in-law and daughter, Mr. and Mrs. F. P. Brown, of Delmeta.

Mr. and Mrs. J. A. Percifull went to Abilene last Friday night and visited their son and daughter-in-law, Mr. and Mrs. Noel Percifull. They attended the Abilene-San Antonio football game.

DR. BAKER JAMES CAUTHEN

Dr. Cauthen's Baptist Hour Starts Oct. 7

Dr. Baker James Cauthen of Richmond, Va., executive secretary of the Foreign Mission Board of the Southern Baptist Convention, will serve as preacher on the "Baptist Hour" for six months beginning October 7, it was announced recently.

The "Baptist Hour" is the official radio program of the Southern Baptist denomination, produced and distributed by the Convention's Radio and Television Commission in Fort Worth, Texas. The 30-minute worship program is now carried by nearly 400 stations in 35 states and several foreign countries.

Dr. Cauthen will succeed Dr. Roy O. McClain, of Atlanta, Ga., who has preached on the program for the past two years.

The new preacher is a native of Texas. He received the B. A. degree from Stephen F. Austin College, Nacogdoches, Tex., the M. A. from Baylor University, Waco, and the Th. M. and Th. D. from Southwestern Baptist Theological Seminary, Fort Worth.

After serving as pastor of several churches from 1926 to 1939, Dr. Cauthen was appointed to mission service in China by the Foreign Mission Board. He was engaged in evangelistic work until elected the Board's secretary for the Orient in 1945. He was elected executive secretary of the Board in October, 1953 and assumed his responsibilities in January, 1954.

He is married to the former Eloise Glass, daughter of Southern Baptist missionaries to China. They have two children: Carolyn 18 and Ralph 17.

FORMER BROOKSHIRE WOMAN GETS DEGREE

Mrs. Homaile Clark Tatum, daughter of Mr. and Mrs. Homer Clark, and valedictorian of the 1948 Bronte High School graduating class, received her B. S. degree in elementary education from the University of Texas Aug. 28.

Mrs. Tatum formerly wrote the Brookshire column, and was also editor of the school column, Chalk Dust, in The Enterprise.

She is married to Dr. Ray Tatum, pastor of the San Angelo Baptist Tabernacle in San Angelo. They have one son, Clark. Mrs. Tatum is teaching this year in the Day Elementary School in San Angelo.

HARRY S. RUCKER

Harry Rucker Transfers to Sweetwater

Effective Sept. 23, Harry S. Rucker will assume his duties as Work Unit Conservationist with the Soil Conservation Service at Sweetwater. In his new position, Rucker will head up the soil, water and plant conservation work in the Upper Clear Fork Soil Conservation District. He will represent the Soil Conservation Service with the board of supervisors of the district. He will also represent the Soil Conservation Service with the Nolan County Agricultural Stabilization and Conservation County Committee.

Rucker is a native of Comanche County and attended school at De Leon. He served two years in the U. S. Army during World War II of which fourteen months was in the European Theater. Following his discharge from service Rucker entered John Tarleton State College where he majored in agriculture education, followed by two years work in Texas A&M. Rucker graduated from A&M in 1951 and taught in the veterans agriculture school at Ballinger, transferring to Hubbard as vocational teacher in the public schools in 1952.

Rucker has been employed with the Soil Conservation Service for the last year and a half. During this time he has been in training for Work Unit Conservationist at Robert Lee. While in training he has assisted farmers and ranchers with their conservation problems.

Rucker will be accompanied to Sweetwater by his family, Mrs. Dorothy Jean Rucker and sons, James Clifford and Roger Wayne.

Here from Marble Falls last Sunday were Mr. and Mrs. George Burnam. They were here to see their son-in-law and daughter, the Rev. and Mrs. Lin Loeffler. His mother, Mrs. F. M. Loeffler, of Sonora was here the last of the week to help out while their little son, David, was hospitalized after being burned last Thursday. Visiting their home this week is a friend, Miss Almyra McDanele, of Laverne, Okla.

Mrs. L. C. Robbins Named First Grade Teacher at Bronte

Mrs. L. C. Robbins was named first grade teacher in the Bronte Elementary School at a meeting of the board of trustees Thursday night, Sept. 13. She was hired as a special first grade teacher because of the large number of youngsters who started to school this year. Mrs. Vetal Flores, who is the regular first grade teacher, had more than 40 pupils before the class was divided.

Mrs. Robbins will teach approximately one-third of the youngsters, which will allow her plenty of time to give them individual instruction, according to Supt. Garland Black.

Mrs. Robbins will be paid from local funds. A special permit will be secured from the Texas Educational Agency, which will enable her to hold the position. She has taught in the Bronte School previously, and last year taught a kindergarten group in her home.

Supt. Black announced this week that the secondary program of Bronte School has been commended by the Texas Educational Agency for development of its curriculum the past two years. The agency commended the school for enabling students to acquire credit in physics and chemistry, and for providing students with the opportunity of acquiring four years of mathematics and three years of social science in high school.

Mr. Black said the school is working toward an affiliation in physical education, in order for students to receive graduating credit in that subject.

Conservation More Important In Drouth Period

A complete and sound plant, soil and water conservation program on farms and ranches in the Coke County Soil Conservation District is more essential today in time of drouth and low income than during any other time in history. We are in more dire need to conserve our natural resources which we use for agricultural purposes than many of us want to admit.

The soil, one of our most priceless resources, the store house for our rainfall, minerals and necessary plant supporting elements is fast being depleted in many instances and in others is being allowed to blow away ton by ton. We need more today to be able to get the eight or ten inches of rainfall we received into the ground and not allow it to run off into our streams where it can do our crops and rangeland no good.

We need such practices as cover crops, field terraces to hold water on our land where it falls, we need to cover our fields so that they are seldom left bare with winter cover crops, small grains and legumes thus stopping the ravages of the wind and at the same time conditioning our land for better water penetration and higher organic matter content. We should at the same time not overlook our rangeland and leave it to take care of itself. We must use sound conservation judgement on how much of the grass can safely be removed without permanently injuring the range.

Without adequate rainfall we cannot maintain our grass in the condition we would like and at the same time we cannot maintain the number of livestock we would like but with proper management of both we should be able to come out of this drouth with enough of our desirable range grasses left for seed source and revegetation. Many of us ask ourselves if we can afford this practice or that practice.

The Board of Supervisors of the Coke County Soil Conservation District believe that we should ask ourselves if we can afford NOT TO: Follow practices which they believe will prove profitable in the end. Practices which the Board of Supervisors urge that each land owner compare the benefit against the cost.

Technicians of the Soil Conservation Service are available to work with you at your request. The local ASC office will assist in securing financial aid for putting in many of the approved conservation practices. Contact these offices today and develop your conservation plans.

HAY CERTIFICATES READY

According to Paul C. Shillingburg, County Supervisor, of the Farmers Home Administration, he wishes to advise farmers and ranchers, that have placed applications for hay, that hay certificates are being issued as fast as they are received in the county office. As soon as they are received they will be prepared and mailed direct to farmers and ranchers. These certificates are being printed at the rate of 10,000 per day, but these have to be allotted to over 200 counties.

Mrs. Homaile Clark Tatum, daughter of Mr. and Mrs. Homer Clark, and valedictorian of the 1948 Bronte High School graduating class, received her B. S. degree in elementary education from the University of Texas Aug. 28.

Mrs. Tatum formerly wrote the Brookshire column, and was also editor of the school column, Chalk Dust, in The Enterprise.

She is married to Dr. Ray Tatum, pastor of the San Angelo Baptist Tabernacle in San Angelo. They have one son, Clark. Mrs. Tatum is teaching this year in the Day Elementary School in San Angelo.

HARRY S. RUCKER

Harry Rucker Transfers to Sweetwater

Effective Sept. 23, Harry S. Rucker will assume his duties as Work Unit Conservationist with the Soil Conservation Service at Sweetwater. In his new position, Rucker will head up the soil, water and plant conservation work in the Upper Clear Fork Soil Conservation District. He will represent the Soil Conservation Service with the board of supervisors of the district. He will also represent the Soil Conservation Service with the Nolan County Agricultural Stabilization and Conservation County Committee.

Rucker is a native of Comanche County and attended school at De Leon. He served two years in the U. S. Army during World War II of which fourteen months was in the European Theater. Following his discharge from service Rucker entered John Tarleton State College where he majored in agriculture education, followed by two years work in Texas A&M. Rucker graduated from A&M in 1951 and taught in the veterans agriculture school at Ballinger, transferring to Hubbard as vocational teacher in the public schools in 1952.

Rucker has been employed with the Soil Conservation Service for the last year and a half. During this time he has been in training for Work Unit Conservationist at Robert Lee. While in training he has assisted farmers and ranchers with their conservation problems.

Rucker will be accompanied to Sweetwater by his family, Mrs. Dorothy Jean Rucker and sons, James Clifford and Roger Wayne.

Here from Marble Falls last Sunday were Mr. and Mrs. George Burnam. They were here to see their son-in-law and daughter, the Rev. and Mrs. Lin Loeffler. His mother, Mrs. F. M. Loeffler, of Sonora was here the last of the week to help out while their little son, David, was hospitalized after being burned last Thursday. Visiting their home this week is a friend, Miss Almyra McDanele, of Laverne, Okla.

Mrs. L. C. Robbins Named First Grade Teacher at Bronte

Mrs. L. C. Robbins was named first grade teacher in the Bronte Elementary School at a meeting of the board of trustees Thursday night, Sept. 13. She was hired as a special first grade teacher because of the large number of youngsters who started to school this year. Mrs. Vetal Flores, who is the regular first grade teacher, had more than 40 pupils before the class was divided.

Mrs. Robbins will teach approximately one-third of the youngsters, which will allow her plenty of time to give them individual instruction, according to Supt. Garland Black.

Mrs. Robbins will be paid from local funds. A special permit will be secured from the Texas Educational Agency, which will enable her to hold the position. She has taught in the Bronte School previously, and last year taught a kindergarten group in her home.

Supt. Black announced this week that the secondary program of Bronte School has been commended by the Texas Educational Agency for development of its curriculum the past two years. The agency commended the school for enabling students to acquire credit in physics and chemistry, and for providing students with the opportunity of acquiring four years of mathematics and three years of social science in high school.

Mr. Black said the school is working toward an affiliation in physical education, in order for students to receive graduating credit in that subject.

HOSPITAL COSTS HIGHER THAN IN 1955

From Robert Lee Observer

(Editor's Note: There has been considerable talk going around concerning Coke County Memorial Hospital, with a result that facts have been distorted. In order to give the public complete information on the subject, The Observer has prepared the following article:)

In an interview Monday with Judge Jeff Dean and other county officials, it was brought out that no member of the Commissioners Court has ever said they wanted to close down the hospital, or had any intention of doing so.

However, the hospital has required far greater amounts of tax money this year than ever before, and for that reason county officials have been concerned, and rightfully so.

The hospital was constructed and equipped from a \$75,000 bond issue and a federal grant of one-third the total cost, or about \$35,-

000. Strings tied to the federal money provided that the hospital should be operated two years by the county, and after that by a non-profit group for 18 more years. The hospital opened in June, 1950.

Some of the county commissioners were wondering if they wouldn't be better off to pay off the federal grant, and then be in a position to lease the hospital. Thereupon Judge Jeff Dean was requested to contact state and federal hospital authorities to learn what steps would be necessary.

On August 12 representatives of the Regional Office U. S. Public Health Service and of the Division of Hospital Services of the State Health Department, came to Robert Lee and met with the Commissioners Court. They made an appraisal of the hospital building and its equipment, giving a flattering report of their findings and finished with the announcement that with depreciation as of this date it would require \$26,540.99 to pay off the balance due on the federal grant.

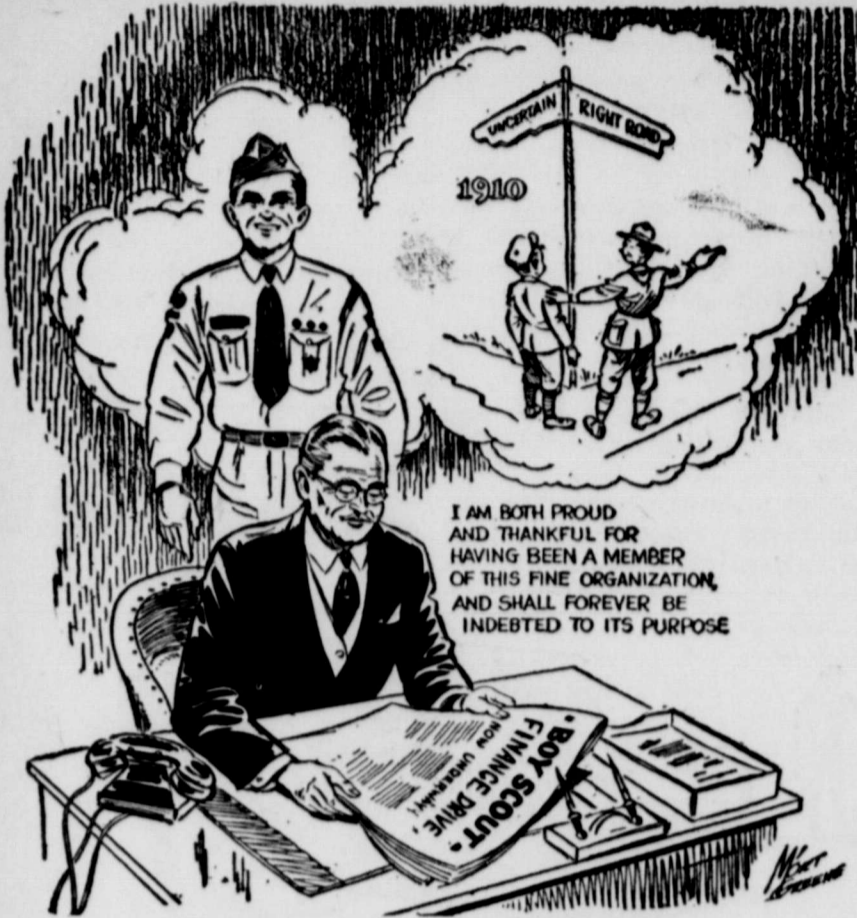

By so doing the Commissioners would no longer be subject to federal regulations and would be in a position to lease the hospital if a suitable arrangement could be worked out. However, no further action has been taken. Officials have not decided to pay off the grant, but they may favor such a move unless costs of operating the hospital can be reduced.

The public is also entitled to know that \$11,785.00 in tax money has gone to the hospital during the first eight months of 1956. This is a bad comparison to \$4,150 required for the entire year of 1955.

Some reasons advanced for the increased costs are that \$3,300 charged on the books were hardship cases and cannot pay, and over \$2,100 was paid to Blue Cross on last year's insurance contract which has since been changed. An administrator was also employed this year at \$400 per month. He is no longer on the payroll. The prolonged drouth has also made it hard to collect hospital bills.

The Observer is happy to set straight these facts. We compliment our county officials who have taken steps to do something about it.

Leslie Dean Caperton and Johnnie Smith left Sunday for Abilene where they enrolled at Hardin-Simmons University.

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford F-600. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

FOR BIG JOBS... SMALL JOBS... ALL JOBS

Ford Trucks cost less

And low first cost is only your first saving

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6½-ft. box with a full 45 cu. ft. capacity also available.

COME IN TODAY!

Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get *more* in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort with a Driverized Cab, and more safety with Ford's exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal *more* for your money—see your Ford Dealer.

FORD TRUCKS LAST LONGER

Using latest registration data on 10,502,351 trucks, insurance experts prove Ford trucks last up to 9.9% longer.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

Baptist Church Notes

Sunday school is at 10:15 a.m. and preaching services at 11:15. Evening services begin at 7:30 o'clock. Everyone in the community is urged to attend services.

The men's brotherhood and the ladies WMS met at the church Wednesday night. Lesson subject for the men was "Business and Missions Can Go Together." Present were the pastor, the Rev. Bill Cope, Hurlen Lee, J. C. Boatright, Ernest Cox of Bronte, T. G. Glegghorn, and Willard Caudle. Next meeting will be Aug. 26.

Subject for the WMS program was "Lead on, O King Eternal." Mrs. Bill Cope, Mrs. J. C. Boatright and Mrs. Herbert Holland had parts on the program. Ladies in the community are urged to attend these meetings.

Spending Tuesday with Mr. and Mrs. G. L. Cook and Jay were Mrs. Cook's sister, Mrs. B. D. Arthur, and a niece, Mrs. J. G. Strother, both of San Angelo. The Rev. and Mrs. Bill Cope visited the Cooks Sunday.

Sunday guests of Mr. and Mrs. Willard Caudle and J. W. were Mr. and Mrs. Verlin Oates and Mary Evelyn, and Sharon Smith of San Angelo.

Mr. and Mrs. Dean Thomas and Bobby of Pleasanton spent last weekend with his parents, Mr. and Mrs. Franklin Thomas. Mr. and Mrs. Bill Thomas and girls of Bronte and Mr. and Mrs. Leland Carlton and Ronnie Carlton of

Maverick visited them Sunday.

Mr. and Mrs. S. E. Foley of Littlefield have been here the last two weeks visiting the J. C. Boatrights and W. Y. Boatrights.

Boatrights Honored

Mr. and Mrs. J. C. Boatright, who have recently completed a new three-bedroom home in the community were honored with a housewarming Monday night. The couple received a large number of lovely gifts. Those present were entertained by the Tennyson musicians.

Hostesses for the occasion were Mmes. James. Bomar, Sparks Boatright, J. W. Latham, James Arrott, Herbert Holland, J. B. Arrott, Jim Clark, G. L. Cook, Hurlen Lee, and W. H. Feil.

Refreshments were served to a large crowd, including many persons from out of town.

Sunday guests of Mr. and Mrs. Hurlen Lee were Mrs. Edna Whitt and daughter of Ballinger.

Tuesday night after the Rebekah Lodge meeting, a group of the ladies went to the home of Mrs. "Tat" Clark to visit awhile. Mrs. Wesley Prinzing, Mrs. Norene High, Mrs. John Hipp, Mrs. Herbert Holland and Mrs. Jim Brooks enjoyed visiting and refreshments of cake and Cokes.

Mrs. Charles R. Brown of Canadian and Melvin Brown of Spearman came Monday for a visit with Mr. and Mrs. Charlie Brown. Melvin is getting a two-weeks vacation.

Birthday Party

W. Y., Sparks and Wilson Boatright honored Mrs. W. Y. Boatright with a birthday barbecue supper last Thursday night.

Attending from out of town were Mr. and Mrs. Luther Gann, Mr. and Mrs. Sonnie Gann and daughter, all of Ballinger; Mr. and Mrs. James Bomar and children, Mr. and Mrs. Buster Ledbetter and daughter, Mr. and Mrs. Henry Boatright, all of San Angelo; Mr. and Mrs. S. Bill Maxwell and James Luttrell left Sunday for Lubbock where they will attend Texas Tech.

Home Demonstration Club Activities

MRS. A. J. ROE, JR., H. D. Agent

I am looking forward to the first Foods Demonstration to be given in the kitchen in my office. This program will be on Snacks and Buffet Parties. Foods leaders and other H. D. ladies are invited to attend. Similar programs will be given during October by the leaders.

I spent Monday working with the Bronte and Robert Lee school authorities. Regular days have been chosen for meetings beginning in October. The September meetings have been set for Monday, Sept. 24, as follows:

Bronte—10:15: 4 and 5 grades 11:00: 6, 7, 8 grades.

Robert Lee—1:40: Junior Club 2:30: Senior Club.

While in Bronte Monday, I visited Mrs. H. A. Springer, club president, who recently had surgery. Am glad to report she is feeling much better. We discussed plans for the Bronte Club meeting which is Wednesday.

It's lonesome around the office without Joyce, but she deserves some vacation from her job, and a very nice trip with her newly acquired husband. Mrs. Thelma Jo Hinnard is working two days each week to help keep things in shape around here.

The 20th annual meeting of the National Home Demonstration

The Bronte Enterprise

Council will be held in San Antonio Sept. 23-26 with Texas Home Demonstration Association as host. The theme of the meeting is to be "Prepared unto every good work." The annual state meeting will follow the national meeting.

June and Jean Moore, Bronte 4-H Club members, have accepted a part on the Wednesday afternoon program. They will help carry out the "Western" theme as they appear dressed in typical western attire and sing western songs. They will be accompanied to San Antonio by their mother, Mrs. Foy L. Moore, and Mrs. Fay C. Roe, C. H. D. A.

Coke County Home Demonstration Council will be represented by two or three ladies, but their names are not available at this time.

GRADE SCHOOL FOOTBALL

Coach Grady Baker announced that his grade school football team and the Ballinger seventh graders will play on the local gridiron Thursday night, Sept. 27. Game time will be 6 o'clock. Admission price is 10 and 25 cents.

Hubert Whitt, Jr. returned to Jal, N. M., Monday after spending two weeks here visiting his parents, the H. O. Whitts. Their other son, Lamar, of Fort Stockton was here for the weekend.

Blackwell Woman Safest School Bus Driver in Texas

Selection of Mrs. Nola Shedd, who drives a bus for the Blackwell Rural High School, as the state's safest school bus driver, has been announced by C. W. Trout, sales vice president of the Oneida Products division of Henney Motor Co. of Canastota, N. Y.

Presentation of a special safety certificate and a \$50 savings bond was made by Charles Roberts of the Texas school transportation division of Austin, Monday night. A safety certificate also went to L. R. Chew, another Blackwell driver, who received honorable mention in the statewide competition.

Mrs. Shedd, as a state winner, is now a finalist in the year-long contest to find the nation's safest school bus driver. The nation's "Mister Safety," who will be announced next month, will receive a \$500.00 savings bond and the school he drives for will receive a 48-passenger Oneida school bus.

The judging panel will select the national winner on the basis of the driver's safe driving record and a 500-word essay outlining the personal safety program of each state winner.

Mr. and Mrs. M. G. Gilreath spent the weekend in Odessa with their daughter, Mrs. K. M. Cook, and family.

BITES HELD FOR MRS. WRINKLE

Mrs. Lillie Belle Wrinkle, long time Coke County resident, died at 11:45 a.m. Sept. 13 in the Bronte Hospital. She had been in failing health a number of years and was hospitalized several months.

Funeral services were held Friday at 4:30 p.m. at the Kickapoo Baptist Church in Bronte. Officiating were Rev. R. W. Blackmon, pastor, and Rev. Clyde W. Coleman of Crews. Burial was in the Bronte cemetery under direction of Clift Funeral Home.

Grandsons serving as pallbearers were Hollis Ensor, Monroe Overman, Foy Askins, Mose Wright, Harold Rohde, Bobby Earl Seltz, Jay Lee Ensor and Royce Dean Clark.

Mrs. Wrinkle was born March 12, 1872, in McCulloch County, near Moody. She married J. D. Wrinkle in 1889. The family moved to Bronte in 1909. He engaged in stock farming and for a number of years prior to his death in 1937 they lived on a farm in the Sango community.

Survivors include six daughters, Mrs. W. R. Stephenson and Mrs. C. L. Kiker, both of Bronte, Mrs. S. H. Hageman of San Angelo, Mrs. F. A. Askins of Wellington, Colo., Mrs. Francis Seltz of Robert Lee, and Mrs. Art Griffe of San Diego, Calif.; one son, W. E. Wrinkle of Paoima, Calif.; 17 grandchildren; 19 great-grandchildren and one great-great-grandchild.

All of the children were present for the funeral except one daughter and the son, who reside in California.

BRONTE BEATS EDEN—

Continued from Page 1
but a few plays later the Longhorns had the ball on their own 35. From this point they began to roll goalward and were never stopped until they went over. Gene Walker started things rolling with a 34 yard jaunt to the Bulldog 30 yard line. Walker then went to the 27 and Lee carried to the 16 on an eleven yard run. Eden then received a 15 yard penalty, placing the ball on the one yard line. On the next play, Lee carried around end for the Longhorn score. Lee also ran the extra point to knot the score up at 7-7.

On the kickoff, Bill Wrinkle hit the runner hard causing him to fumble and Joe Ramirez pounced on it to give the Longhorns possession on the Eden 41. Wrinkle then brought the crowd to their feet by breaking into the clear and racing 41 yards to score. Lee ran the extra point to put the Longhorns ahead 14-7 at the end of the third period.

The Longhorns final score came after a 62 yard drive with Lee and Walker doing the largest part of the ball carrying, the Longhorns advanced to the one yard line, but here they met tough opposition, which moved them back to the 3 yard line. At this point lady luck was with the Bronte team, as Lee hit Tommy Latham with a pass that bounced off Latham's shoulder into the hands of Dean Black in the end zone. The try for point after touchdown was missed. Final score: Bronte 20, Eden 7.
