Christmas decorations were strung up in town this week, windows of business houses are being decorated, all in preparation for the Christmas holiday, less than three weeks away.

Bronte merchants report that Christmas buying is getting started and they are expecting a big upsurge to begin this weekend. All business houses have large

Robert Lee Having Christmas Party

People from Bronte are invited to the annual Christmas party in Robert Lee Saturday of this week. Entertainment features have been arranged for youngsters as well as adults. Free movies and free roller skating for children will start at 1 p. m. and continue until 4.

Christmas music, originating at the court house square, will be played and at 2:30 the Robert Lee School Band will parade and present an hour concert on the square.

Santa Claus, with free candy for the youngsters will arrive at 4:30 p. m.

The program will conclude with a drawing at 5 p. m. when 35 prizes will be given away, courtesy of Robert Lee merchants.

AD-LIB-BEN

We had a very nice sympathy card this week. Upon opening the card and noticing it was extending sympathy, we thought, "Now here's somebody who understands the ups and downs of the newspaper business and truly feels sorry for us." However, upon reaching the bottom of the page—inked in, in large letters, was the following notation: "Hardin-Simmons 41, Texas Tech 14."

This heartwarming gesture was signed by Johnny Smith. We're at a loss as to how to repay Johnny's generosity, but never fear, we'll repay him some way some day. And we hope it will be in 1957.

One woman we heard about thought there was something wrong with her TV set the first time she saw Elvis Presley on the screen.

Christmas is in the air in Bronte. The lights are burning brightly every night and local stores have their shelves filled with an assortment of nice gifts. Sales are picking up, too, the merchants tell us. Their places for storing gifts which have been purchased are beginning to fill up with gay colored packages.

A woman usually goes on a diet for one of two reasons: to keep her girlish figure or her boyish husband.

Welcome to Wanda Kirkland in our office. Wanda is working part time after school helping us gather locals and other news for The Enterprise. She is a junior in the local high school and the daughter of Mr. and Mrs. Buddy Kirkland. We'll all appreciate your calling 56 and giving us the names of your holiday guests or telling us where you'll visit over the holidays.

stocks of Christmas merchandise and local citizens are urged to shop Bronte first this Christmas.

Several local merchants are giving away valuable free prizes between now and Christmas. Details of these free gifts can be obtained in the individual stores.

You are invited to watch advertising in The Enterprise the next two weeks to see what various stores are offering in the Christmas line.

The weather is supposed to lend an aid to the Christmas spirit by the weekend. Summerlike temperatures, which prevailed all week, were scheduled to topple in the wake of two cold fronts converging on the area Thursday.

Bronte schools will dismiss for the Christmas holidays on Friday, Dec. 21. Rounds of Christmas parties, programs and socials are on the calendar for most school, church and social groups for the next three weeks.

Again this year, The Enterprise will print youngsters' letters to Santa Claus and see that the old gentleman gets them in plenty of time to do his Christmas preparing. All youngsters are asked to send their Christmas messages to:

Legion Post Has Reorganization Meeting This Week

A meeting was held Tuesday night at the West Texas Utilities Co. office to reorganize the George Scott Post of the American Legion. Officers were elected and plans made to start having regular meetings.

J. A. Stephenson was elected commander of the post and other officers were named as follows: A. E. Bell, Jr., vice commander; H. O. Whitt, adjutant; J. B. Mackey, service officer; H. A. Springer, finance officer; Rev. Lin Loeffler, chaplain; Frank Keese, sergeant-at-arms.

Sixteen members signed up Tuesday night and Bob Wilson was appointed membership chairman to work toward getting more members.

The group voted to meet the last Thursday night of each month. A meeting will not be held in December, however, since it would come only two days after Christmas. First regular meeting will be Thursday night, Jan. 31.

Adjutant Whitt urged that all eligible veterans join the local Legion post and support its program.

LUNCH ROOM RATES REDUCED

Prices on lunches at the Bronte School cafeteria have been reduced effective last Monday, December 3. The regular lunch ticket for four weeks, or 20 meals, including one glass of milk with each meal, has been reduced from \$5.00 to \$4.00.

Other new prices are: Five day ticket with one milk, \$1.00; five days with two half-pints milk, \$1.15; twenty meals with two glasses milk, \$4.60. The price on the latter has been \$5.60.

Individual lunches are 25 cents, including one half-pint of milk. Additional glasses of milk, nickel.

Beth Ivey Now At Gonzales

Beth Ivey, nine year old victim of polio, was moved Monday from the polio ward at Shannon Hospital to the Warm Springs Foundation Hospital at Gonzales.

Her mother, Mrs. W. W. Ivey, said Tuesday that Beth will be a bed patient for at least three months and that she will be under treatment at Gonzales for at least a year. Beth is affected in both legs by the paralysis. Her mother said that she is hopeful the therapy given at Gonzales will improve her condition enough in three months that she can be out of bed part of the time.

Beth's case is the first known in which the patient developed paralytic polio after having three shots of Salk vaccine. The case is receiving close study from state and national officials and doctors of the National Foundation for Infantile Paralysis.

Mrs. Ivey said that Beth would like very much to receive cards and letters from her friends in Bronte. Her address is:

Work to Start Soon On Pressure Plant

A. P. I. Construction Company of Houston is moving in men and equipment this week to begin construction on Humble's Gas Compressor Station, about 1½ miles west of Bronte.

An A. P. I. foreman said his firm will install two 350 horsepower engines, with the buildings,

lines, scrubbers, etc., in connection with the station. Construction is expected to last about three months.

The plant will be located on the Lowery Estate, just north of the Lone Star Gas Co. station in the Bronte field.

About 50 men will be employed on the project. The spokesman said some local labor will be used if available, and some company men will be moved in.

Housing for these employees is urgently needed. They will mostly require furnished apartments and rooms. Anyone who has a furnished room or apartment to rent is urged to call the Bronte Enterprise not later than Saturday morning and list them. The listings will be turned over to a representative of the A. P. I. company.

Cotton Acreage Allotment Vote Set for Dec. 11

How farmers vote in the cotton marketing quota referendum to be held throughout the Nation's cotton-growing area on Dec. 11 will determine whether quota penalties will apply and also the level of price support for 1957 crop cotton. The referendum, therefore, is of vital concern to every cotton grower, says C. E. Arrott, Chairman of the Coke County Agricultural Stabilization and Conservation Committee.

The marketing quota program will be in operation for next year's crop, the chairman explains, if at least two-thirds of the votes cast in the referendum are in favor of the program. In that case, price support will be available for the 1957 crop of upland cotton at a level between 75 and 90 per cent of parity, and quota penalties will apply on any "excess" cotton. If more than one-third of the votes are against quotas, there would be no quota penalties but the price support level to eligible growers would drop to 50 per cent of parity. Chairman Arrott explains that, even though quotas are disapproved, acreage allotment will remain in effect as a means of determining eligibility for price support.

All farmers who engaged in the production of upland cotton in 1956 will be eligible to vote in the referendum. This includes growers who participated in the 1956 Upland Cotton Acreage Reserve of the Soil Bank.

The referendum will be held between the hours of 8 a.m. and 7 p.m. on Tuesday, Dec. 11, at the following polling places: Community A and C will be held in the courthouse at Robert Lee, and Community B at the city hall in Bronte.

Four Longhorns On District Teams

The all-district offensive team included: Ends — Charles Bright, Trent, Richard Dumas, Robert Lee; Tackles — Ramirez, Bronte, Don Vinyard, Hermleigh; Guards — Moore, Bronte, Gus Tolleson, Hermleigh; Center — Jack Gray, Robert Lee; Backs — Bill Blair, Loraine and tied for the other back positions were Wrinkle, Bronte; Billy Mack Davidson, Hermleigh; Jimmy Hobbs, Trent and Robbie Godwin, Robert Lee.

On the defensive team were: Ends — Donald Calvert, Hermleigh, Troy Walls, Robert Lee; Tackles — Hester, Bronte, Tom Ethridge, Hermleigh; Center — Joel Crane, Trent; Line-backers — James Cassidy, Trent, Sam Skipworth, Robert Lee, Clovis Hale, Loraine, Robby Robinson, Hermleigh; Halves — Morris Light, Hermleigh, Gary Jackson, Robert Lee.

what's what by whatley

We had such a nice visit from the D. K. Glenns last week when he came down to go hunting with the man of my house. The only thing wrong with their visit was that I developed a sore jaw from talking so much. But it was wonderful to find out all the happenings from the old home town.

Incidentally, I am in need of any kind of recipe that uses venison. The husband thought that he really hit the jackpot this year when he brought in two. I guess that killing them is quite a thrill but I can't say much about the eating. I still prefer the old white face that roams the range.

The little son reminds him every time he starts to brag that the principal of his school is a one-armed man and he brought in a 16-point deer last year and an 8-point this year. So he did not think that he did so well having both arms.

Teacher: When you have a garden, how can you tell the flowers from the weeds?

Joe: Pull everything out. The ones that grow back are weeds.

Visitor: I never saw so many flies! Don't you ever shoo them?
Farmer: No, we just let them go barefoot.

I know that many of you are getting in the mood for Christmas baking. I will try to bring recipes from now until the holidays that are of the type you will enjoy making.

For this week, I am giving you a very good cookie recipe that was sent me. Pumpkin is something that we use this time of year and these are pumpkin cookies. This was once a prize winning recipe. They are very good as I have tried them. It goes as follows:

Pumpkin Cookies

2½ cups sifted all-purpose flour
2½ tsp. baking powder
½ tsp. salt
¼ tsp. ginger
½ tsp. nutmeg
½ tsp. cinnamon
½ cup shortening
1¾ cups brown sugar (firmly packed)
2 eggs
1½ cups cooked pumpkin
1 tsp. vanilla
1 tsp. lemon extract (or juice)
One cup nut meats, chopped
One cup dates, finely chopped
Cream shortening and sugar until light and fluffy. Beat eggs in, one at a time, beating well after each addition. Add pumpkin and flavorings. Dredge nuts and dates with small amount of flour mixture and add to creamed mixture. Add flour gradually, mixing well after each addition. Drop by teaspoon full on to well greased cookie sheets. Bake in 375 degree oven for fifteen minutes. Makes about four dozen two-inch cookies.

BOB PATTERSONS HONORED ON GOLDEN WEDDING ANNIVERSARY

... At Their Golden Wedding, 1956

(Editor's note: The following story was taken from the Nov. 23 issue of the The Robert Lee Observer. Mr. and Mrs. Patterson have many friends in this area and we thought they would like to read it. They also have a daughter, Mrs. Aubrey Denman, who lives here.)

Mr. and Mrs. J. R. (Bob) Patterson's 50th wedding anniversary was climaxed with an open house reception at their home Sunday afternoon. More than 100 friends came between the hours of 2 and 5 o'clock to congratulate the couple on the occasion of their golden wedding, and wish them many more years of happy wedded life.

Relatives and close friends gathered Saturday evening to start the weekend festivities, while a family dinner was served Sunday noon in the home of the Pattersons' son-in-law and daughter, Mr. and Mrs. Crowley Harmon.

Mr. Patterson and Miss Minnie Modgling were married Nov. 14, 1906. The ceremony took place at the Baptist parsonage which stood on the corner now occupied by the Texaco station. Rev. W. M. Daley officiated, and the couple sat in their buggy out in front while the ceremony was performed.

Two other couples accompanied the bridal pair. They were Tom Powers and Laura Patterson and Sell Cobb and Lela Patterson. The girls were sisters of Mr. Patterson and both couples later married.

Mr. Patterson came to Coke County when he was six years old. He will be 73 next month. Mrs. Patterson had come to Coke County in 1903 and resided between Robert Lee and Bronte. She is three years older than her husband.

After their marriage Bob worked two years for C. A. Gates on the farm west of Robert Lee. His wages were \$30 per month, but in those days it was pretty good as a couple could live on about \$15.

Two years later the Pattersons bought a small place down the river and in 1920 purchased a quarter section, one mile south and two miles west of Robert Lee which is their present home. Within a few years they bought a nearby 80 acres and paid for it from the first year's cotton crop. It made a half bale to the acre and cotton was worth 25 cents.

Their farm home was made more attractive last year by a new paved highway running in front of their house, and a beautiful new bridge replacing the broken down structure over Wildcat Creek.

Mr. and Mrs. Patterson reared a fine family of three sons and three daughters. The children include Herman Patterson of Big Spring, R. C. and Eddie Patterson of Robert Lee, Mrs. Sid (Ilabel) Compton of Colorado City, Mrs. Crowley (Nola) Harmon of Robert Lee and Mrs. Aubrey (Zada) Denman of Bronte.

There are 12 grandchildren. All the children and their families were present for the weekend celebration.

Lone Star Piping Gas Gas into Wingate

Lone Star Gas Company is in the process of connecting service lines for residential and commercial users of natural gas through its new distribution system at Wingate in Runnels County. J. C. Wilkerson, manager of Lone Star's Winters reporting district, is in charge of the Wingate properties.

He said that 60 persons have applied for gas service at Wingate and 30 additional customers are anticipated. Duncan Hensley is

accepting service applications for Lone Star at the Wingate Security Bank.

A crew of five men is setting meters in Wingate, Wilkerson said. He added that this operation is a slow process which requires a half day or more to install the meter and then convert appliances to natural gas use. Fourteen meters had been set as of Nov. 20.

Wingate is in the operating territory of Lone Star's Ballinger district of distribution of which Guy T. White is manager. Piping of Wingate for natural gas raised to 452 the number of Texas and Oklahoma towns and cities served by Lone Star. Natural gas was turned into the Wingate distribution system for the first time on Oct. 22.

Mr. and Mrs. W. D. Magner and daughter, Fleta Mai, from Brownwood spent Thursday, Nov. 29, in the home of Mrs. Anna L. Whitfield and Miss Nannie Marie Pearson. Fleta Mai stayed until Sunday. Sunday guests of Mrs. Whitfield and Miss Pearson were Mr. and Mrs. Leslie Fields and Mr. and Mrs. Jimmy Fields and daughter, Pambala of Brownwood.

Mr. and Mrs. Leon Webb and Janet of San Angelo spent Sunday evening with the Lester Webb family.

County Agent's News Report

By JACK B. WAIDE
County Agent

PREDATORY ANIMALS

This office gets requests from time to time on the control of coons and other predatory animals. There was a time when fur bearing animals were a source of income to a few people in the county. As far as I know, no one in the county has done any trapping the last two years other than those who are trying to prevent losses in livestock, poultry and stored feed. I am sure that losses for whole county would surprise all of us.

When trapping and hunting are not enough to control these predatory animals, poison baits can be used very effectively. Mr. Edwin Cooper, wildlife specialist with the Texas Extension Service, says that .55 grains of strychnine in a one-inch square of pork fat or a small sardine makes an excellent bait. Dogs in the area should be kept up as long as the baits are kept out.

Reports from farmers who have tried this method of control indicate that a lot can be done in one week, particularly if the program is carried out on a community basis.

TURKEY REPORT

Just about all the 6,000 turkeys raised in Coke County this year

have been sold. The tremendous supply not only in Texas, but in the entire United States depressed prices so that there was not much profit for the four men who raised them. Some made a fair profit, and some lost money. 4,000 birds made approximately \$2,400.00 while 2,000 lost approximately half that much. Except for some tough luck on disease control, the picture could have been a lot brighter.

There is one thing that people might be inclined to overlook. The operating cost on these 6,000 turkeys was about \$21,000.00. Approximately \$19,000.00 of this was spent in Coke County. This is a very small thing, but it illustrates very clearly why businessmen as well as farmers and ranchers have a lot to gain from a diversified type of agriculture.

Basketball Schedule Released

Basketball schedule for this season was announced this week by Coach Oscar Dorsey. Fourteen conference games are included in the schedule. There are eight teams in this district. In previous years, the district has been divided into a north half and a south half, but this year a round robin schedule of all teams in the district will be played.

The schedule follows:

- Dec. 4, Blackwell, here.
- Dec. 7, Tournament at Miles.
- Dec. 11, Blackwell, there.
- *Dec. 18, Mertzon, here.
- Jan. 4, Ballinger, there.
- *Jan. 8, Wall, here.
- *Jan. 11, Robert Lee, there.
- *Jan. 15, Water Valley, here.
- *Jan. 18, Christoval, there.
- *Jan. 22, Norton, there.
- *Jan. 29, Miles, here.
- *Feb. 1, Mertzon, there.

- *Feb. 5, Wall, there.
- *Feb. 8, Robert Lee, here.
- *Feb. 12, Water Valley, there.
- *Feb. 15, Christoval, here.
- *Feb. 19, Norton, here.
- *Feb. 22, Miles, here.

The schedule above is for both boys and girls teams. A conflict exists on Jan. 11, when the local teams are scheduled to play conference games at Robert Lee. On that date the girls are supposed to play in the Lakeview tournament and the boys will be participating in a tournament at Eden. Dorsey said the game will have to be re-scheduled on an open date.

Dorsey coaches the Bronte Longhorn team, while W. W. Thetford is coach for the Cowgirls.

*—Denotes Conference Game.
