No. 25

School Board Plans Remedy For Water In New Auditorium

In a regular meeting June 13 of the members of the Bronte school board, a discussion was held relative to work needed to be done to keep water from seeping into the auditorium of the new elementary school.

AD-LIB-BEN

Had a nice visit with Paul McGuire Wednesday and he told us of his plans to go to Alaska for a few months. Said his doctors advised him to give up welding for awhile. Listening to him made us a little envious—just couldn't keep from thinking how much fun it would be to get away on a jaunt like that. Most everybody gets itchy feet now and then and want to get away from their everyday routine. It's nice to dream about anyway.

We were pleasantly surprised this week to learn that several other people in Bronte think we need a sewer system. One youth is definitely impressed with our town (and what small town doesn't need to do everything possible to attract young people. He said Bronte sure was a nice little town with its paved streets, nice homes, swimming pool, etc. In fact, he said, if we only had a sewer system, it would be about "the best town in Texas for its size."

Some of the older folks, too, have mentioned the desirability of such a project. One lady said she had observed some of the septic tanks in her neighborhood and she sure thought it was time to do something about these "stink holes."

Of course, the cry will be the cost of installing a sewer system. We believe this to be a fallacious reason, for we doubt that the cost of a sewer system would be any more for Bronte resident than is the cost of PROPERLY maintaining opinion that those which are not ing a septic tank. And it's our properly maintained should be condemned and their owners forced to keep them in good order.

We hear this week that Bronte's Women's Softball Team can't invite teams to play here because they can't get the ball field lighted. We don't know whose job this is, but it's a pretty sad state of affairs. How about a few people chipping in a buck or so, so these hotshot softball players can have some home games??

Tall weeds bring tall tales. We read about a fellow who was hoeing cotton and hung his water jug on a big sunflower at the end of the row. When he had hoed a round and started to get his jug, the weed had grown so much he had to climb the stalk to reach it. Sounds a whole lot like the weeds in the alley behind our house.

A Golden Rule of Five:
If your lips
Would keep from slips
Five things observe with care—
Of whom you speak,
To whom you speak,
And how, and when, and where.

Quite a few Bronte men are going to be in fine shape for some classical music soon if Bob Wilson doesn't hurry and get back on the job. We've noticed a number of his customers getting ready for the long-haired stuff.

mentary school.

Members of the board are anxious to get the work done before any actual damage is done to this part of the new building, Supt. Garland Black said. He pointed out, also, that it is quite a problem and expense to keep water pumped out after rains.

A committee composed of L. F. McCutchen, J. W. Teague and J. M. Rippetoe was appointed to investigate the matter.

The board also approved the purchase of a gasoline-powered lawn mower and the Security Insurance Co. was selected to handle school insurance, both student and athletics, for 1957-58. Several stipulations were put into the contract with the insurance company.

The board also voted its thanks to officials of the City of Bronte for using equipment which the city had hired to raise the press box to its stand at the local football field.

Phone Number Given To Call In Case Of Fire

Fire Chief Bill Thomas has asked The Enterprise to clarify the situation here in case of fire. Thomas said the number to dial is 3-2311. He asked that anyone reporting a fire or emergency to please stay on the line until it is assured that it is understood the location where help is needed. He asked that persons please do not call this number to learn the location of the fire.

After hearing the siren, the first person arriving at the fire station should answer the telephone, which is just inside the door on the right. When the person answering the phone gets the information, he will post the information on the bulletin board, which is beside the telephone at the fire station.

Bronte people are asked to make a note of the number—3-2311—which is to be called only to report a fire or other emergency.

New Band Director Named By Board

Miss Mary Helen Campbell of Pleasanton has been elected as band teacher and choral director for the Bronte Schools next year. She was named when the school board met in regular session June 13.

Miss Campbell was employed the past year at Bell's Hill Elementary school in Waco and taught one year in the Leming schools near San Antonio.

She holds bachelor and masters degrees in music from Baylor University. She is the daughter of Mr. and Mrs. Tom Campbell of Pleasanton.

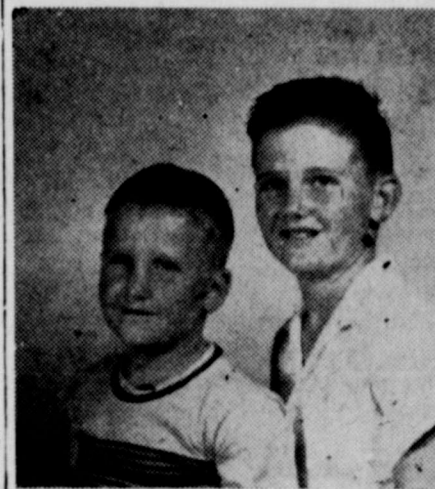

Miss Campbell was interviewed by the Bronte trustees and selected from three applicants for the job.

PONY LEAGUE ORGANIZING

A Bronte team for the Pony League, boys age 12-15, is being organized. Marvin Corley, Osmo Black and Garland Black are in charge of that league this season.

The Bronte team will enter the Winters League and play will start as soon as the League is organized and schedules drawn up.

Clean-Up Week Ends Tomorrow

FUTURE CITIZENS this week are the two sons of Mr. and Mrs. James Wells, who live in the Bronte Humble camp. On the left is Bob, 6, and right, Jim, 11.

Softball Girls Down Snyder

Bronte Women's Softball Team won a 13-12 decision over Snyder last Friday night in nine innings. They go to Sweetwater tomorrow night, Saturday, for a game with the Sweetwater Women's team. Game time is 8 p.m.

A spokesman for the team said the group is in need of some backing before they can schedule some games here. Games with Coahoma, Tahoka, Snyder, Sweetwater, Midland, Fort Worth, Abilene and Hermligh could be scheduled here, they said, if funds can be raised to light the field. The team has suits, furnished last year by Bronte business men, and plan to enter the Ballinger State Women's Softball tournament July 18-20. The team made a good showing at the State Tourney last year and sponsors believe this year's team is the best they have ever had.

Playing for Bronte is Jane Bryan, Winters, c; Joyce Heathcott, 3b; Mrs. E. G. Collins, ss; Mrs. Noah Pruitt, Jr., 1b; Oleta Brice, f; Mrs. D. D. Walker, Robert Lee, f; Yvonne McCutchen, f; Mrs. Bobby Vaughn, p; and Mrs. Sid Eubanks, 2b.

Pitchers from Water Valley and San Angelo are expected to join the team next week.

Anyone who would like to contribute to bring women's softball games to Bronte may contact any member of the team.

Mr. and Mrs. A. J. Deans were in San Angelo part of the week, when they had their boys' tonsils removed at a San Angelo hospital.

Four Bronte Men To Go To Alaska

Four Bronte men are winding up their affairs here so they can take off on short notice for Alaska for a few months work.

Paul McGuire, who operates McGuire Bros. Welding Shop, Denny Ray Braswell, who has been employed by McGuire, Billy Charles Wrinkle, who graduated from high school this spring, and Claude Ledford, who has been employed by Pool Well Service, plan to go to the northern outpost for a job which will last from two to four months.

They will be employed by Dorbandt & Ross, construction firm of Houston. The company has a contract to build roads and well locations for Humble Oil & Refining Co.

Mrs. J. E. Mitchell Dies Mon. Night; Rites Held Here

Funeral services for Mrs. J. E. Mitchell, 75, were held Thursday afternoon, June 20, at 6 p.m. from Bronte First Baptist Church Rev. M. R. Rogers, Miles Baptist pastor and former Bronte pastor officiated.

Burial followed in Fairview cemetery under direction of Cliff Funeral Home.

Mrs. Mitchell died at 11:10 p.m. Monday, June 17, in Bronte Hospital of a heart attack. She became ill about 6 p.m. at her home and was taken to the hospital.

She was the former Ninnie Elizabeth Box, daughter of the late Mr. and Mrs. Daniel Thomas Box, and was born Nov. 14, 1881, in North Carolina. The family moved to Texas when she was about six weeks old.

She attended school in Empire, Texas, and was married Dec. 25, 1899, to James Elijah Mitchell in Rockwall, Texas. They moved to Bronte in 1929 from Ralls. She was a member of the Baptist church at Nevada, Texas.

She is survived by her husband; six daughters, Mrs. Sam Roach of Clovis, N. M., Mrs. Roy Braswell, Mrs. Alton Roberts and Mrs. James Thomason, all of Robert Lee, Mrs. Irene Edwards of Garland, and Mrs. Chester Harwell of Bronte; three sons, Johnny Mitchell of Lubbock, Marion Mitchell of Pecos, and James Mitchell, serving in the armed forces in Stevestown Newfoundland; 18 grandchildren and 12 great-grandchildren. Also two brothers, Harry Box of San Antonio and Daniel Box of Rocksborough, N. C.; and three sisters, Mrs. A. Corry of Dallas, Mrs. Chester Smith of Texarkana, Texas, and Mrs. Vic Tate of Texarkana, Ark.

James Mitchell arrived by plane from Newfoundland Thursday morning in time to attend the services.

Pallbearers were her grandsons and included: Don Mitchell, Bill Mitchell, L. J. Edwards, Carl Edwards, Bobby Roberts, Ike Billings, Dan McClanahan, Irvan Escue, J. W. Denman and Etheridge Anderson.

Mrs. Vera Thomas is on a vacation trip. Accompanied by her brother, they have visited points in Albuquerque, Old Mexico, California and other western states.

Bronte resident have been busy this week cleaning up around their premises, after the city council set this week as Clean-Up Week.

The city has offered to haul off all trash which is placed in alleys behind residences.

Purpose of the Clean-Up is to improve the appearance of the town, to improve sanitary conditions and to remove fire hazards.

In setting the Clean-Up period, council members pointed out that many unsanitary places, which make ideal breeding places for flies, mosquitos and other insects, exist in the city. They urged that places of this kind be cleaned up this week.

For those who haven't started yet, only two days remain, as Clean-Up Week officially ends Saturday.

\$700 FIRE DAMAGE TO WRINKLE HOME

About \$700 damage was done to the George Wrinkle residence Wednesday afternoon when a fire broke out. Damage was mostly by smoke to the ceilings and upper portions of the wall paper.

The blaze started with an explosion about 2:30 as Mr. Wrinkle was attempting to light the hot water heater at his home. Unable to find the directory to call the fire department, Mr. Wrinkle summoned the aid of neighbors who called the fire department, and also helped extinguish the blaze.

Funeral Held for Rev. J. E. Fuller

Word was received here last weekend of the death of Rev. J. E. Fuller, former Bronte Methodist pastor. Rev. Fuller died in Nix Hospital in San Antonio last Thursday, June 13. Funeral services were held Saturday, June 15, in Stockdale, where he was pastor of the Methodist Church. Rev. Fuller had entered Nix Hospital one June 3 and underwent surgery for the removal of one lung.

Rev. and Mrs. Fuller came to Bronte where he served as pastor of the Methodist Church from 1950 until 1955, when he was sent to Stockdale. They moved here from Comfort.

He is survived by his wife and four children, E. B. Fuller of Austin, Mrs. Stanley Copenhaver of El Paso, Mrs. Nels Nurmi of Idaho and Jerry Fuller.

The family requested that no flowers be sent to the services, as memorial funds have been started in his honor at both the Stockdale and Bronte churches.

1947 SENIOR CLASS

Bill Thomas, president of the 1948 Bronte senior class, has called a meeting to plan the annual class reunion. The planning meeting is to be Saturday, June 22 at the Ballinger Park at 6 p. m. All class members who can are urged to be present.

The reunion will be July 27 in the Bronte Park.

LIGHT SHOWER

A light shower fell in Bronte early Monday morning. The "cotton shower," as it was called by some, started about 4 a. m. Heavier rain was reported both north and south of Bronte and both Kickapoo creeks were running.

SOCIETY

The Bronte Enterprise

June 21, 1957

What's What by Whatley

My eyes are sore from looking at all the beautiful scenery that we have seen since we left Cisco nearly a week ago. The snow is much more plentiful in Colorado and Wyoming this trip than it was when we were here several years ago. The weather is much colder, too.

I will give more in detail of our trip next week. It may be that I will be seeing many of you by then.

I might have omitted this weeks writing if it had not been that I had this good cookie recipe that I felt all of you would enjoy dur-

ing the hot summer months. There is not much cooking to them and that is what every woman is after this time of year.

If you recall back about 14 months ago, you will remember that I gave you a recipe for Uncooked Cookies, and this is on the order of them. I want each of you to try them, as they go a long way, since they are so nice and rich—and fattening.

Uncooked Chocolate Oatmeal Cookies

½ cup cocoa
2 cups sugar
½ cup milk
1 stick of oleo
Pinch of salt
Stir and let come to a boil. Boil 1 minute. Take from fire and add:
1 tsp. vanilla
3 cups quick oats
¾ cup nuts
Drop on wax paper.

Art Craft Ladies Meet In Fellowship Hall

The Art Craft Club met June 12 in the Fellowship Hall of the First Methodist Church. The meeting was opened with the club prayer. Mrs. T. F. Sims gave an opening exercise an article, "Make Fewer Mistakes."

The roll call was answered by giving of, favorite flowers. Mrs. J. L. Keeney conducted the business session, when it was decided to have the club's quarterly party honoring husbands and invited guests on June 24.

Mrs. Claude Word, at the request of Mrs. R. H. Herron, gave the program, which was on Flower Arrangement and Corsage Making. At the close of the demonstration, ladies present drew for the flowers and corsages used. Mrs. Sam Gray, Mrs. Floyd Modgling, Mrs. Mae McQueen, Mrs. T. F. Sims and Mrs. Taylor Emerson were the winners.

Mrs. Herron presented Mrs. Word with a hand painted vase.

Mrs. E. L. Caperton conducted a Bible quiz at the recreation hour and Mrs. J. D. Leonard was high scorer, receiving a gift from Mrs. Caperton.

Refreshments of sandwiches, punch, potato chips and cakes were served to the following guests: Mrs. Word, Miss Paula Sue Leonard and Stephen Sims, and the following club members: Mmes. Forest Clark, J. D. Leonard, Sam Gray, T. F. Sims, J. L. Keeney, E. L. Caperton, Ben Reeves, R. H. Herron, Robert Knierim, Mae McQueen, B. E. Modgling, Floyd Modgling and Minnie B. West.

Sunshine gifts were exchanged and names revealed. Next club meeting will be July 11 with Mrs. McQueen.

Pink and Blue Shower Honors Mrs. Ensor

Mrs. J. Lee Ensor was honored with a pink and blue shower in the home of Mrs. Garland Spencer on Friday evening, June 14. Mrs. Royce Dean Clark registered about 20 guests.

The table was laid with a lace cloth over pink. A mirror was placed in the center with a baby buggy containing an arrangement of white daisies. Pink and blue streamers went from the buggy to a stork carrying a baby. Favors were miniature baby rattlers tied with pink ribbons.

Robert Lee OES Installs Officers

Installation of officers of Robert Lee Chapter 187, Order of Eastern Star took place at the chapter room Tuesday night, June 4.

Installing officer was Mrs. James A. Bennett of San Angelo, who holds the office of grand examiner of the Grand Chapter of Texas. Others from San Angelo assisted with the ceremony including Mrs. H. F. Donaldson, district deputy grand matron as in-

Pink lemonade was served by Mrs. R. W. Blackmon and Mrs. Spencer served the cookies and pink and white mints.

Hostesses for the affair were Mmes. Noah Pruitt, Sr., Noah Pruitt, Jr., Spencer, Cullen Clark, Dink Beaver, Carl Blair, Eula Holman, Truman Parker, Blackmon, Claude Beaver and Evert Best.

stalling marshal, and Mrs. T. L. Johnston, organist.

Local installing officers were Mrs. H. C. Allen, chaplain, Mrs. Lowell Roane, secretary, and Vicki Lynn McAdams and Jeffrey McCabe, ushers.

The new officers included several ladies from Bronte and are: Worthy Matron, Zola Hatley. Worthy Patron, Gerald Allen. Associate Matron, Betty Green. Associate Patron, Bob Godwin. Secretary, Juanita Godwin. Treasurer, Thelma Blair. Conductress, Edna Morrow. Associate Conductress, Willie B. Millikin.

Marshall, Estelle Word. Organist, Lillie Crum. Adah, Frances Middleton. Ruth, Winnie Waldrop. Esther, Amdina Rynnion. Martha, Essie Childress. Electa, Waaleta Hollis.

Warder, Lela Ray McAdams. Sentinel, Melvin Childress.

Vocal and piano music for the opening program was furnished by Donnie and Richard Sims, and the Bible was presented by Mrs. Arthur Hayley. Address was given by Mrs. W. D. McAdams, retiring worthy matron.

Guests in the home of Mr. and Mrs. Douglas Snead recently were Mr. and Mrs. Ben D. Snead and Mr. and Mrs. J. T. Thetford of McCamey.

The two granddaughters of Mr. and Mrs. H. O. Whitt, Delryn and Deborah Fleming of San Angelo, spent Thursday and Friday with their grandparents. Mr. and Mrs. R. M. Yarborough of Waco spent Friday night and Saturday with them. Mrs. Yarborough is Mr. Whitt's sister.

New Officers Installed For Blackwell OES

By Mrs. Charles Ragsdale

Officers of Blackwell Chapter, Order of Eastern Star were installed with Mrs. Gerald Allen as installing officer. Assisting here were Mrs. W. D. McAdams, Marshall, Mrs. Ell Hatley, Chaplain, all of Robert Lee, Mrs. Ed Kinard, Warder, Wingate, Mrs. Clarence Rogers, secretary and Mrs. W. C. Shamblin, organist, all of Blackwell.

Installed as worthy matron and worthy parton were Mr. and Mrs. C. A. Ragsdale, Mrs. Mark Hanna, associate matron, Mr. S. P. Smith, associate patron.

Other officers elected, appointed and installed were: Mrs. Austin Jordan, secretary, Mrs. Bill Hamilton, treasurer, Mrs. Maurene Stewart, conductress, Mrs. B. R. McCarley, associate conductress.

Mrs. S. P. Smith, marshal, Mrs.

L. W. Sweet, organist, Mrs. Eddie Garvin, Ada, Mrs. H. D. Alsop, Ruth, Mrs. Therell Burwick, Esther, Mrs. M. D. Bryant, Electa, Mrs. Willie Robertson, warder and Austin Jordan, sentinel.

Mrs. L. W. Sweet presented gifts in behalf of the chapter to the outgoing matron, Mrs. Bill Hamilton and patron, S. P. Smith. Mrs. S. P. Smith presented gifts to all the installing officers for Mrs. Ragsdale.

An informal reception followed the installation. The tea table was laid in lace over blue, and centered with a floral arrangement of spring flowers and lighted tapers. All table appointments were of crystal. Frosted punch, cookies, nuts and mint were served.

Visiting in the home of Mr. and Mrs. A. B. Shields over the weekend were Mr. and Mrs. Irving Shields of Merkel and Mr. and Mrs. Bill Tarrant of Stamford. Irving Shields and Mrs. Tarrant are the Shield's children.

SINGING SUNDAY AT CHURCH OF CHRIST

Bronte Church of Christ will conduct a Singing this Sunday afternoon at 3 o'clock. Singers and leaders are expected from several towns and communities, and the public is invited to attend.

Following the song service, the group will inspect the new Bible class facilities that were completed several months ago. The new unit houses five classrooms, two restrooms and a hall. It is built of concrete blocks with concrete floors and a gravel finished roof over exposed ceiling beams. Much of the finish work was done by members of the local congregation.

Sunday services at the local church begin with Bible study at 10 a. m., followed by worship and communion at 10:50 a. m. Evening worship on Sunday is at 8 p. m.

At 9:30 a. m. Monday is the ladies' Bible Class and mid-week

The Bronte Enterprise

Bible study and worship is on Wednesday at 8 p. m.

For Father's Day Mr. and Mrs. C. E. Bruton went to San Angelo to visit their daughter, Mrs. E. O. Nicholas, and Mr. Nicholas.

Sunday dinner guests in the home of Mr. and Mrs. C. R. Smith were Dale Haralson, Betsy Polk, Lynn Gastavious and Johnny Smith, all of Abilene, Bev Blackwood of Winters and Carolyn Kemp.

A recent guest in the home of Mr. and Mrs. Bob Cavin was Mrs. Ada Olson of Killeen. She is Mrs. Cavin's mother. Mrs. Happy Coalson of Brady came for her last Sunday and she will visit there.

Mr. and Mrs. Hiram Brock went to Midland Sunday to visit their son, Bobby, and Mr. and Mrs. J. B. Pairish.

Mr. and Mrs. F. R. Collins and girls spent the weekend in Dallas

with her mother, Mrs. E. R. Mewbourn, and family.

These Forty Years!

Forty years ago, in June of 1917, the Humble Company received its charter from the State of Texas.

The Company was formed through a merger of the properties of a number of independent oil operators. Its founding brought together a remarkable group of men who occupy an important place in the annals of the oil industry:

R. S. Sterling and his brother, F. P. Sterling, the principal organizers of Humble Oil Company from which the present company acquired its name; W. S. Farish and R. L. Blaffer composing Blaffer and Farish; H. C. Wiess with assets from Paraffine and Reliance Oil Companies; Walter W. Fondren and C. B. Goddard, producers; and L. A. Carlton and E. E. Townes as lawyers.

All of these men contributed greatly in adopting the principles, in shaping the policies, and in laying out procedures that have guided the Company's

progress through these forty years. Their influence will survive as long as the Company continues.

They possessed courage and business judgment. They established high standards of performance. They built a strong organization of competent men and women.

The Company, as it stands today, is a tribute to the leadership, the vision, and the work of its founders.

But it is doubtful that these men, with all their foresight, visualized the changes that have occurred in the oil industry since 1917, or the size and complexity of Humble's present operations, or the extent of the Company's contributions through the years to the progress of our society.

To all who have made those contributions possible—employees, customers, shareholders and the people of the states in which the Company operates—Humble extends its thanks.

HUMBLE OIL & REFINING COMPANY

HUMBLE

The full story of "These Forty Years" is told in the anniversary edition of *The Humble Way*. If you would like a copy, it is yours for the asking. Address Humble Oil & Refining Co., Room 1158, P. O. Box 2180, Houston 1, Texas.

H D Agent's Column

By **FAY C. ROE**
Home Demonstration Agent

If you would like to see a group of busy girls drop in at the Home making cottage in Robert Lee most any day this week or next. The Senior 4-H Workshop is well underway with garments being made of wool, rayon, and nylon. Garments such as suits, best dresses, party dresses and school dresses are being made. Each of these garments will be modeled in the County Dress Revue in July. Girls enrolled now are: Prescilla Wylie, Lexie Lewis, Brenda Sue McDorman, Marjorie Gladys Rives, Danell Dixon, Annice Gartman, Peggy Boone, Mary Francis Wylie and Mary Beth Schooler. The Junior workshop will be June 27 and 28.

Hooked rug making can be a very relaxing and rewarding hobby, said Mrs. C. N. Cornwell of San Angelo to a special interest group of ladies Friday afternoon. Mrs. Cornwell gave directions for dyeing, spot and casserole dyeing, cutting and hooking rugs from woolen material. She exhibited a number of rugs made by the directions she gave the group. Eighteen persons attended the meeting held in the Conference Room of the court house.

For a between meal snack for the summer here are a few suggestions: A French toasted cheese sandwich hits the spot as a late evening snack. Simply put a slice of American cheese between two slices of plain or whole wheat bread, dip entire sandwich into a mixture of beaten eggs, milk, salt and pepper, and brown in butter in skillet. With a glass of good cold milk, this would be a perfect ending to an evening of fun and

activity.

For something sweet, try this Orange Fluff. Put ½ pint vanilla ice cream into a large bowl and let soften a little. Add to the ice cream 1 can frozen concentrated orange juice and 2 cups cold water. Beat with the rotary egg beater or electric mixer until fluffy. Pour at once into tall, cold glasses and top with the remaining ½ pint of ice cream. For party refreshments, add a half slice of orange and sprig of mint. Makes six servings.

Thick milkshakes can be made quickly with your electric mixer or a rotary egg beater. Just put slightly softened ice cream, milk and flavoring into mixing bowl and beat until fluffy.

Delegates to the State Meeting of the Texas Home Demonstration Association to be held in Houston July 31-August 2 were elected in a called meeting Friday. The meeting was held in the H. D. office. Mrs. C. E. Arrott, Bronte, Coke County THDA Chairman, presided with Mrs. Weldon Fikes, Friendship, Secretary. Tellers for the election were Mrs. Jahew Jameson and Mrs. R. S. Anderson, both of Silver.

Delegates were Mrs. Arrott, Mrs. Pat Rives and Mrs. R. L. Page. Alternates were Mrs. Glenn Waldorp, Mrs. Lee Weigel and Mrs. Tom Rives.

Delegates expenses to the meeting will be paid from H. D. Council funds.

Guests in the home of Mr. and Mrs. Brown Freeman are their daughter and son-in-law, Mr. and Mrs. Aubrey Beaty and children of Muskogee, Oklahoma. They are spending a two weeks' vacation here and in Odessa. The Freemans recently returned from a two weeks vacation spent at Port Isabel and Padre Island. They enjoyed deep sea fishing while in the coastal cities.

Season Here For Canning Vegetables

The vegetable canning season is in full swing now. Here are a few pointers given by Mrs. Fay C. Roe, C. H. D. A., that will help in having better quality canned products.

Follow up-to-date canning instructions. Recommended methods have changed a great deal through the years. Come by the office or write for up-to-date information. Mrs. Roe can also furnish instructions for the new one-step method of canning for certain vegetables such as snap peas, peas, squash, etc.

Use the pressure canner method for all non-acid vegetables. Can fruits and tomatoes in the water bath.

Use only standard make jars (with the manufacturer's name imprinted on the jar) when canning in a pressure cooker. The tops of the jars must be free from nicks to insure a seal.

Most people today seem to be using the 2-piece self-seal lid. This has a metal disc and metal ring. It is self sealing as the jar cools after processing. Screw lids down before placing in pressure canner or water bath. Do not tighten upon removal from canner.

Keep pressure canners in good condition. Check gauge for accuracy once each year. Keep the pet cock of the canner clean. Clean after each use. Keep the opening of the gauge and pet cock clean—a toothpick will do the job.

ENGLAND PREACHING IN R. L.

Idus England began a Gospel meeting at the Church of Christ in Robert Lee, Wednesday, June 19 to continue each night at 8 o'clock through June 26. England formerly preached at the Bronte church, and returned here for a series of services last summer.

Another former Bronte minister, Bill Pugh, concluded a meeting at Silver Church of Christ last week and has returned to his home in Houston. He will return to Bronte for a meeting the last of July and first few days in August.

Navy Seabees relocated 150,000 adole penguins to build an Antarctic base during Operation Deepfreeze.

Rambouillet Ram Sale Set For June 26th

The 21st Annual San Angelo Registered Rambouillet Ram Sale will be held June 24 through 26 at the San Angelo Fairgrounds. Nineteen registered Rambouillet breeders have consigned top quality rams to this sale sponsored by the American Rambouillet Sheep Breeders Association.

All rams must be in the barns by Monday, at 8:00 a.m., when a committee of five breeders will begin the difficult task of selecting the stud rams from the best two rams of each consignor. This committee will also pass on the pens-of-three nominated to sell as A-B-C pens, where the buyer has the privilege of taking all or any part of the pen at the winning bid. Not more than ten A-B-C pens will be sold.

Monday afternoon the sifting committee will check all rams, and those remaining will be lot branded. The sale order and other routine work will be completed Monday so that consignors will be free all day Tuesday to talk sheep and show their rams to interested sheepmen.

The sale proper starts Wednesday morning, June 26, at 10:00 a.m., with Lem Jones as auctioneer.

The sale is managed by a committee of leading Texas breeders, whose chairman this year is Clyde Thate of Burkett.

Jackie Husie arrived last Sunday and has spent the week with Mr. and Mrs. G. A. Braswell.

Mr. and Mrs. Nish Taylor had Mr. and Mrs. J. H. Bramlett of Anton as their weekend guests.

Weekend guests in the Allen Sherrod home were Mr. and Mrs. Johnny Sherrod and their daughter, Betty, of Midland.

Baptists Take Over Hospital In San Angelo

Dallas—The ownership and operation of Memorials Hospital, 106-bed San Angelo institution, was accepted by the Executive Board of the Baptist General Convention of Texas Tuesday in Dallas.

The \$400,000 hospital was given at no cost to Texas Baptists and will be operated for the care of chronically ill, aged people.

After details for transferring the title of the hospital from San Angelo trustees have been completed, a Texas Baptist board will be appointed to operate the newest BGCT institution.

Mrs. Louis Gayer, who founded the hospital, will remain as administrator and the present trustees will continue to serve in an advisory capacity.

The Bronte Enterprise

June 21, 1957

Patients will continue to be admitted to the hospital on a non-denominational basis.

Mrs. Gayer told the Baptist Executive Board that the San Angelo hospital was a result of a covenant made with God while she was a student nurse. "It is to be given to Texas Baptists," she said, "to insure its continued operation as a non-profit institution."

A recent guest of the Roy Robinson family was his brother, Harley Robinson and family of Lubbock. Visiting in their home last week was Mrs. Robinson's aunt, Mrs. T. W. Whigham of Amarillo. Their Sunday guests were Mrs. George Gideon of San Angelo, Mrs. M. W. Whigham of Cottle and Mrs. Robinson's grandmother, Mrs. T. W. Whigham of Wingate.

Mr. and Mrs. Grady Coulter were here last weekend to visit

their parents, Mr. and Mrs. Turney Casey and Mrs. John Wright. They brought Cindy Millican of Robert Lee home after she had spent a week with them. They were also accompanied by Mrs. C. S. Schooley who will visit the Caseys and other Coke County relatives.

Mr. and Mrs. J. T. Henry had as guests in their home last weekend her parents, Mr. and Mrs. W. L. Ellis of Fort Worth. The Ellis' brought their granddaughter, Zuma Ellis of Henderson, with them and she remained for a longer visit in the Henry home.

Temperature at the geographic South Pole is expected to reach 120 degrees below zero in August, 44 years ago.

Progressive Business and Civic-Minded People of San Angelo and Vicinity

THIS DEPARTMENT HAS BEEN WORKED UP LARGELY AS A REFLECTION OF PUBLIC OPINION. NO PERSON HAS WRITTEN OF THEMSELVES OR THEIR BUSINESS. ALL ARTICLES HAVE BEEN COMPILED BY A REPRESENTATIVE OF THE BRONTE ENTERPRISE AS HE SAW CONDITIONS. THESE PEOPLE ARE ALL LEADERS IN THEIR VARIOUS LINES OF ENDEAVOR AND THE COOPERATION OF THOSE CITIZENS IN SAN ANGELO WHO HELPED MAKE THIS DEPARTMENT POSSIBLE IS SINCERELY APPRECIATED.

Ralph Trollinger

To become generally accepted as one of those progressive business men of San Angelo who can always be counted on to recognize his duty to the community, and one who will readily back up his sense of duty by active participation in the support of worthwhile civic movement is an honor that can be proudly borne.

Such a man is Ralph Trollinger of the Culligan Soft Water Service, the representative in this area for Paddock Of Texas Sea Blue Swimming Pools, and who just recently introduced a fully automatic water softener, which may be plugged into an electric outlet salt to be added but twice yearly. This may seem in operation by our readers at the C. H. Wiley Ranch.

These same established attributes have also been applied by Ralph Trollinger in the management of his business with the outstanding success which is known to us all. It is our pleasure to give him all the credit which is his just due and to include him in this review of progressive San Angelo business men.

Farest and Merle Clatterback

Mr. and Mrs. Farest Clatterback of the Clatterback Laundry and Dry Cleaners and the Glenmore Cleaners are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic-minded and have, in the past, and no doubt will continue in the future to give more of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

The Clatterback's have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Farest and Merle Clatterback to our readers as good examples of the more progressive type of business people who have aided in the growth and development San Angelo and the surrounding country.

Cecil and Ann Larimore

In critical times such as these, it takes business men and women of more than average ability to carry on their operation successfully. In making this statement the two people we have in mind are Mr. and Mrs. Cecil Larimore of the Breezland U. S. Approved Hatchery, who have an adequate supply of 4A white leghorn pullets from two to eighteen weeks old, which should result in substantial profits this fall to those who take advantage of this unusual opportunity expressed belief in the future.

Their contagious optimism and true prosperity of the people of San Angelo and its metropolitan trading area, are characteristics which are to be appreciated in. They have always taken an interest in community affairs and have

shown a willingness to shoulder their share of the civic load.

It is citizens like Cecil and Ann Larimore who, because of the successful conduct of their business and private affairs and their willingness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay them this brief tribute.

Aileen Trimble and Clancy Baldrige

A city grows and prospers by reason of the public-spirited men and women who take an active interest in its development. San Angelo has its share of these progressive and civic-minded people, and two who are deserving of recognition are Aileen B. Trimble and Clancy E. Baldrige of the Trimble Travel Service.

Their business ability, coupled with a sense of obligation to the public have been major factors in maintaining the Trimble Travel Service in a position of leadership throughout this entire area. They have not only in their business activities but also in their attention to civic duty assumed an active part in community affairs.

Miss Trimble and Miss Baldrige have always been ready and willing to contribute their time and energy to the promotion of any project promising to benefit the community as a whole. They have often sacrificed personal interest to be of assistance to the city and their efforts are deserving of commendation and support.

We congratulate Clancy Baldrige and Aileen Trimble on their past achievements which, in our opinion, indicates similar successful careers in the years ahead.

John and Jessie Whiddon

John and Jessie Whiddon are two of the more successful restaurant operators of San Angelo who by maintaining a constant standard of service and high quality foods has made the Loma Linda Cafe one of the more popular eating places in the community. We are glad to give them credit for their well-earned success in a field which is so highly competitive.

It is also a pleasure to give them credit for taking part in community affairs and lending their assistance to various activities and public projects. When to take part in such matters they always do so without ostentation but in a quiet manner which lends dignity to their cheerful acceptance of their share of the civic load. It is a pleasure to be associated in the portion of community activities with such people as the Whiddon's.

This review of progressive and civic-minded citizens of San Angelo would not be complete were we to fail to include Jessie the kind of success which deserves recognition and we wish them many more years of the same.

Merlin E. Gary

Merlin E. Gray, who just a short time ago assumed the operation and management of the Payne Equipment Company in San Angelo, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new endeavor and to conduct his

affairs accordingly.

Although he has only been operating the business for a comparatively short time, he has already made many new friends and satisfied customers for the Payne Equipment Company.

Mr. Gray is an active, energetic man whose sincere and friendly personality and desire to be of service is rapidly earning a place for him in the district. He has already taken in community activities, and due time will assume his full share of civic responsibilities.

Merlin Gray deserves a word of praise for having so quickly established himself in his new venture, and we are glad to give him this brief mention.

R. L. Sanders

In compiling this review of progressive San Angelo business people, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in their various fields of activities. Such a man is R. L. Sanders of Home Exterminators, which is located at 1720 North Chadbourne, who is well known and has many friends and satisfied customers throughout this entire district.

Mr. Sanders' main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

R. L. Sanders is a man of wide experience whose exploits in the business and civic life of San Angelo and vicinity merits more than a passing attention and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

Fred E. Woods

To be a consistent and persistent booster of any community often takes courage and plenty of optimism. It is because of his unflinching faith in the future of San Angelo and the surrounding country and his unflagging efforts to promote its development, that Fred E. Woods is selected now for this brief tribute.

Mr. Woods has proved very ably that he is a restaurant operator of unusual ability, for it is largely due to his ideals of service coupled with a determination to serve only the best of food that Woods Sea Food holds its high position in the public's favor. And his personality and energy in directing the operations of the business are important factors in his outstanding success.

We are glad to pay tribute to our readers that his is the guiding influence responsible for the splendid service and delicious foods, served in a completely delightful atmosphere to be had at Woods Sea Food in San Angelo.

Loyd H. Bell

It is a well known fact that a man's true character must come through in his work; whether in business or professional activities or in public life. So when a man conducts himself in such a manner as to cause the public to recognize in him certain qualities, over and above the average, he is deserving of a few words of praise. Such

a personality is Loyd H. Bell of the Loyd Bell Plumbing Company, a leader in the business and industrial life of San Angelo.

In addition to being one of the city's more progressive plumbing and heating contractors, Mr. Bell was never a man to shirk his civic duties. More than that he enters cheerfully and with enthusiasm and optimism into those civic affairs in which he has time to take a part. And seldom does he fail to find time to do his share.

Loyd Bell deserves his share of credit for being one of those progressive citizens of San Angelo who has contributed so substantially to the onward progress of the city. It is a pleasure to include him in this group.

T. C. Lucas

Generally speaking, civic pride is one of those things that goes hand-in-hand with success, because a man must have been successful to fully appreciate the advantages that were afforded him by the community in which he lives.

And T. C. Lucas, General Agent for the Atlas Life Insurance Company, is one of those progressive business men of San Angelo who has shown his appreciation for his success by his attention to civic matters. His willingness to become a cog in the wheel of community progress, whenever united effort is needed to put over some movement or project advanced for the good of his city has always been taken for granted.

Mr. Lucas' quiet assumption of responsibility, not only in connection with his own business, but in regard to other matters as well, has often lent a feeling of confidence to others interested in the same movements.

In complimenting T. C. Lucas upon his high standing in the community, we do no more than express the admiration and respect of his many friends and business associates.

John I. Moore

San Angelo owes much to those progressive citizens who have taken an active part in the growth and progress of the city and who have helped to make it the business center for this part of the state, and who also have contributed in some manner, to the exploration and development of the petroleum resources of this section. In mentioning some of these men it is only fair to include John I. Moore, well known and completely reliable San Angelo oil man.

He deserves a great deal of credit for his success in both business and civic activities.

Mr. Moore is wholly deserving of our sincere praise and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community. The honest and successful conduct of his business affairs is but a reflection of his character. We trust that John Moore will continue to serve the oil industry throughout this area for many years.

Howard W. Green, John L. Nolen & K. V. Northington, Jr.

We take pleasure in this San Angelo review to call the attention of our readers to three of the more progressive oil men of this district. These personalities are Howard W. Green, John L. Nolen and K. V. Northington Jr., of the Fortune Drilling Corporation, who are rendering a valuable service to the oil producers of the state.

The production of petroleum in this section has been one of the greatest single factors in the growth and progress of San Angelo and this district, and Mr.

Green, Nolen and Northington are men who have taken an important part in many phases of oil field activities.

They are residents of San Angelo and have a large circle of personal friends throughout this entire district. They are also men who have considered their civic responsibilities in a serious manner and are always ready and willing to help in the promotion of any project which promises to benefit their city and this area.

We congratulate Howard Green, John L. Nolen and K. V. Northington Jr., for the part they are playing in the development of the petroleum resources in this part of the state and we wish them many more years of successful operations.

W. H. and G. M. McGarr

In making this review of progressive San Angelo business men it is appropriate that we include some of those men who have taken an active part in the promotion and development of the petroleum resources of the state. In doing so, we would be censored if we failed to include W. H. McGarr, a resident of San Angelo, and G. M. McGarr, now a resident of Fort Worth, who are responsible for the early discovery and development of oil production in the Bronte area.

The McGarr Brothers are those solid types of citizens whose fairness and friendliness and sincere desire to be of service are accountable for a large measure of their success. And, as time goes on, their personal interests have become more closely interwoven with the business and civic affairs of their particular areas. As a result they have, quite naturally, become accepted as men who can be called upon and who will cheerfully do their part to further the development of those community activities to which they are best fitted to lend assistance.

G. M. and W. H. McGarr have, by the conduct of their business and by their attention to civic affairs, earned the friendship and good will of their fellow citizens. They are to be complimented for their activities and we only express the desire of their many friends and associates in wishing them continued success.

Ted Young

It is a privilege in this San Angelo review of progressive men and firms that have been such a great aid to the growth and development of this section of the state to place such a man as Ted Young of the Young Paint & Supply Company, on an equal plane with all others in this rank.

In the past, few men have exceeded him in contributing of their time and energy to the onward progress of San Angelo and the surrounding country.

Mr. Young is recognized as one of the more progressive paint and supply dealers in this district, and he retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflects the principles which he has always so successfully applied to his business affairs.

We congratulate Ted Young on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

C. Hunter Strain Sr., & Jr.

Because this is a period of growth and expansion for San Angelo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those

Continued on Next Page

conditions, are entitled to more than ordinary acclaim. We are, therefore, glad to pay tribute to C. Hunter Strain Sr., and Jr., of the Angelo Construction Company, for they have become well-known figures in the business and industrial life of this entire district.

Their persistent optimism and steadfast belief in the continued future prosperity of the people of San Angelo and vicinity are characteristics which are deserving of our highest praise.

The Strain's have also always shown a willingness to do their part in civic advancement and have contributed their bit, in one form or another, to projects promoted for the welfare of their city. We believe that business men of this kind are entitled to our sincere praise, both because they have achieved success in their private affairs and because they are willing to contribute to the public good.

M. J. "Jack" Barefoot

M. J. "Jack" Barefoot of Jacks Welding Shop, is one of those progressive business men who has always done his bit to maintain the prestige of the city of San Angelo as the leading metropolis of this section of the state. He has always worked for the development of the city and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Barefoot to a position of leadership in the welding business.

He is completely aware of his civic responsibilities and is wide awake to the many opportunities for service, and always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment "Jack" Barefoot on his accomplishment, and wish him continued success.

J. Marcus Powell

J. Marcus Powell, the manager of The National Supply Company, has won the universal respect and good will of the oil men of San Angelo and the surrounding country for the progressive manner in which he has kept the firm in the forefront of the business and industrial life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Powell is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment J. Marcus Powell for the successful management of The National Supply Company, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

Harry Armistead

Our issue today proposes to call the attention of our readers to some of those progressive and civic-minded people who have contributed their share of time and energy to the building up of San Angelo and the surrounding territory to the position of prominence which it enjoys at the present.

One of these men to whom we wish to call the attention of our

readers is Harry Armistead of the Armistead Drug, a San Angelo store where pharmacy is a profession and not merely a sideline. He is a man who has never spared himself in his aggressive march forward and one whose competitors respect as much as do all others with whom he comes in contact.

Mr. Armistead is at all times conscious of his civic responsibilities and may be depended upon to meet in every detail the many opportunities which present themselves to be of service to the city.

Harry Armistead's record of achievement is one of which he may well be proud. His value to his city and this district is an established fact, and we hasten to give him the credit which is his just due.

Arch B. Young

The progress of any community hinges to a great extent upon the activities of the more progressive men in the world of business. This is as true in this locality as in any other sector and local leaders are to be congratulated for their part in the general advancement of this section of the state. And one of the more progressive lumbermen of San Angelo who should thus be congratulated is Arch B. Young, the manager of the C. D. Burley Lumber Company, who is widely known and universally liked.

Few men have such a thorough knowledge of every phase of the lumber game. And to say that Mr. Young knows the business from A to Z, is in no way an overstatement. The honesty which has always characterized his every transaction has gained for him the respect and confidence of the many men and firms with whom he does business.

The successful career of Arch Young illustrates the merits of integrity, ability grounded in experience and coupled with the added asset of a pleasing and sincere personality. We wish him many more years of continued success.

Jim Bean

It is no coincidence that more frequently than not the people who take a progressive part in the civic and business life of their city are the same ones who are pre-eminently successful in conducting their own private affairs. In connection with the foregoing statement we wish to mention and pay tribute to Jim Bean of Jim Bean Your Photographer Too.

Mr. Bean has proved very ably that he is a photographer of more than average ability, for it is largely due to his progressive methods coupled with his sound and practical ideas in taking wedding and children's portraits that his studio holds its high position in the public's opinion in this area. He has made his business a "profession," with the result that he is today one of the more popular photographers in San Angelo, giving to his patrons an excellence of artistic service seldom equalled.

It is also true that Jim Bean does his share toward community improvement, had given freely of his time and energy to those enterprises which have benefited the city at large. We are glad to voice our praise of a man who is successful in his own business and who also has time to give to community development.

Mrs. Maynard Coghill

We wish in this edition to pay tribute to Mrs. Maynard Coghill of the Fireball Service Station, for her many services to the city of San Angelo and her splendid record of achievements in the business life of the city.

Mrs. Coghill probably has as wide a circle of friends as any other person we could name, because she is just naturally the

kind of woman who makes friends with almost everyone, and always conducts herself in such a manner as to deserve the respect and good will of all who know her.

San Angelo is fortunate in being able to number, among its more progressive business people, citizens of this type.

She is always ready and willing to lend her support to the promotion of any project which promises to benefit this entire district. She may be depended upon, and her services to the motoring public are too many in number to be described here. It may be sufficient to say that we consider Mrs. Maynard Coghill an asset to the community, and a progressive business woman of whom her city may be proud.

Harry E. Oberkampf

At the head of one of the district's more prominent wholesale plumbing firms, and as a leader of recognized ability in community life, Harry E. Oberkampf, having been in the plumbing and supply business since 1911, stands out today as one of the best liked men on the panorama of San Angelo activity. His friends are numbered by the hundreds and all of them are of the lasting fibre which comes of worth-while associations, both in the world of business and in the realms of neighborhood life.

The Oberkampf Plumbing Supply Company, exclusive dealers for Kohler and Biggs Plumbing Fixtures, Day & Night Hot Water Heaters, and heating and cooling equipment, has been a strong factor in the growth and progress of San Angelo; and Mr. Oberkampf's own efforts, in many instances, have been the stimuli behind the outstanding accomplishments of the firm. The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who has done so much to promote the growth and progress of this entire district.

A. N. and Wayne Cason

Due to the efforts of a group of wide awake business men, the city of San Angelo has attained a dominant position in the commercial life of this section of the state. And two of the men who have justly earned credit for being progressive members of that group are A. N. and Wayne Cason of the Pioneer Finance & Thrift Corporation.

It is because of the successful operation of such a business as theirs that the city of San Angelo has earned the reputation of being one of the more progressive cities in West Texas.

The Cason's have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include Wayne and A. N. Cason in this San Angelo review and to publicly give them credit for their success in business and for their many contributions to the general welfare of the city.

B. P. and Louie H. Ashley

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of San Angelo who belong in this category are B. P. and Louie H. Ashley of the Angelo Metal Works.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities and

The Bronte Enterprise

support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

The Ashley's are men who are equally well liked and respected by their intimate friends and their business associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by the contributions to various civic movements of benefit to the city.

We congratulate Louie and B. P. Ashley for being good citizens, progressive business men and boosters of their community.

John P. Sorrels

Recognized as one of the more progressive business men of San Angelo, John P. Sorrels of the Sorrels Reproduction Company, performs a real service for the people of his city and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in a large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has and continues to build up good will for the Sorrels Reproduction Company throughout this entire district.

Mr. Sorrels is deserving of praise and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate John P. Sorrels on his splendid record and trust he shall continue to serve the people of San Angelo and vicinity.

Carroll K. Land

It is fitting in this review of progressive San Angelo business men that we acquaint our readers with the man to be credited with having maintained the Concho Valley Electric Co-Op, in the enviable position which it holds in the business and industrial life of this area. That personality is Carroll K. Land, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the Co-Op now enjoys throughout this entire district.

Mr. Land has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him and to say that this district owes much to the many benefits which Carroll Land and the Concho Valley Electric Co-Op has rendered to the people of this entire area.

Travis D. McCarty

Travis D. McCarty has proved his progressiveness by constantly adding to and increasing the service which the Village Gulf Service Station has extended to the people. The large volume of business handled by his Gulf station proves that "service," to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. McCarty was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than

his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Travis McCarty has many friends in and around the city and it is a pleasure to bring him before our readers in this review of progressive San Angelo business men.

Here's Blackwell

By Mrs. Charles Ragsdale

Mr. and Mrs. Gordon Montgomery had as their weekend guests Mrs. Thelma Montgomery and Mrs. Roberta McPherson and daughters of Brownfield, Mr. and Mrs. Burl Montgomery and children of Del Rio.

Miss Bertha Smith is visiting friends in San Antonio.

Mr. and Mrs. Jodie VanZandt have had as their guests her mother, Mrs. W. L. McCurdy and sisters, Mrs. W. M. Allison Jr. and children and Mrs. Russell Wade and children, all of Odessa. Mrs. McCurdy and her three daughters and children left Thursday for Barksdale where they will visit relatives.

Mrs. Jean Echols and son of Jayton visited friends in Blackwell the first part of the week. Mrs. Echols will teach in Jayton again this fall.

Mr. and Mrs. Ernest Ware had as their weekend guests Mr. and Mrs. Walter Aimsworth and Mrs. J. L. Aimsworth of Snyder and Mr. and Mrs. Harold Ware and children of Sweetwater. The Harold Wares also visited Mr. and Mrs. R. Q. Spence.

Mack and Cynthia Cook of Houston are visiting their grandparents Mr. and Mrs. Homer Cook.

Mr. and Mrs. Cecil Smith of Bagdad, Ariz., and Mr. and Mrs. Cecil Louis Smith and daughters of Midland have been visiting relatives and friends in Blackwell. Guests in the Roy Sanderson and H. C. Raney homes are Mr. and Mrs. Robert English and children of Dallas, Rev. John English of Lubbock, Jerry English of Big Lake, Mr. and Mrs. Jack Blanchard and son of Snyder and Mr. and Mrs. Percy Anderson and son of Midland.

Guests in the Kelly Richards home Sunday were Mr. and Mrs. Bill Richards and Mr. and Mrs. George Milliner and daughters of San Angelo.

Mrs. Charles Ragsdale and Bob attended the Bilbo reunion in Robert Lee Saturday.

Supper for new Pastor

A supper was given Wednesday night in the Fellowship hall of the Methodist Church honoring the new pastor and wife, Rev. and Mrs. Jerrell Sharp. After the supper, Mrs. L. W. Sweet had charge of the program and the Sharps were presented with an old fashioned pounding. The Sharps came from Denver, Colo., where he has been attending the Seminary. They are both former McMurry students.

Rev. and Mrs. Douglas Gossett and children moved to Wylie near Abilene, where he will be pastor.

About forty members of the Church of Christ met Monday night at the Humble Recreation Hall for a period of fellowship and refreshments. During the evening they saw two film strips concerning the Bible School.

Father's Day guests in the home of Mr. and Mrs. J. A. Percifull were their daughter and son-in-law, Mr. and Mrs. Floyd Gravitt, and their son, Noel Percifull, and family of Abilene.

Folks, We've Got Problems

Remember our fishing trip? Well, just about the time I thought I had enough money together to go (and just about had the wife talked into it, too), here comes something else to throw a money wrench into the plans. I was discussing this fishing trip with Mrs. Ernestine Powell, you know the nice lady who helps us up at the store, and I guess I was gloating a little too much. Anyway, she ups and says it's about time for her to take a vacation. You could have knocked me over with a feather—I hadn't even thought about this complication. Well, we can't both go, so that knocks out my fishing trip—and besides that, it takes money for employees to take vacations, and that's something I don't have much of. You folks have been so nice to help me out of a lot of tight places in the past few weeks and I can't help but believe you'll do it again, and if you'll do it just one more weekend we'll give you a—
