Labor Day Barbecue, Program Set at Park

A gala celebration is planned for Labor Day, Sept. 2, at the Bronte Park. Diving and swimming contests are scheduled for the morning and a free barbecue will highlight the program for the evening.

Aubrey Denman, park and pool caretaker, said Wednesday that everything has been arranged for a "big day" for residents of this area. Activities will get underway at 9:30 a. m. with swimming contests. There will be competition in six divisions, as follows:

Men, 17 years of age and over.
Senior boys, 14-16 years of age.
Junior boys, Up to 13 years old.
Women, 17 years of age and over
Senior girls, 14 to 16 years of age
Junior girls, Up to 13 years old.
Next will come a diving contest which will see competition in four divisions, as follows:

Senior Boys, 14 years of age and over.

Junior Boys, up to 13 years old.

Senior Girls, 14 years of age and over.

Junior Girls, up to 13 years old.

Small awards will be presented winners in each division of the contests.

A few entries have already entered the contests. Anyone who wishes may enter the contests at any time by seeing Denman. He urged that everyone enter before Labor Day; however, contestants may still enter on the day of the contests. Denman urged everyone to enter. "This is not a contest for experts," he said. "It is for amateurs and no one should hesitate to enter. We're having this so everybody can have a lot of fun."

Methodist Church To Add MYF Hall And 4 SS Rooms

The official board of First Methodist Church in Bronte voted last Sunday morning to "go ahead" with a building program which has been under consideration for several months. To be constructed in the near future are an MYF room, and four new Sunday School rooms.

In addition to the new structure the present Sunday school rooms and Fellowship Hall will be completely remodeled. Plans also call for refrigerated air conditioning of the entire structure.

Other action taken by the board calls for paying off the note against the present building and purchase of a lot immediately north of the church.

The Rev. Lin Loeffler, pastor of the church, said that the plan approved last Sunday is part of a master plan to which the church building can expand when future growth calls for it. The master plan has a new sanctuary and an adult Sunday school wing, both to be located north of the present building.

The master plan was approved by the congregation as a goal some months ago, Loeffler said.

The new building will be of materials like the present building. The MYF room will be attached to the rear of the present sanctuary while the Sunday school rooms will also be to the rear, but will be separated from the present building.

Donald R. Goss of San Angelo is architect for the proposed building. Serving on the building committee of the church are Conda Richards, chairman, Mrs. D. K. Glenn, Mrs. George Thomas and Binks McCutchen.

Holiday Will Be Observed Monday

Bronte business firms will be closed Monday in observance of Labor Day. The day was one of the holidays set aside at the beginning of the year by local business men.

Next holiday to be observed will be Thanksgiving which will be the fourth Thursday in November.

Patrons of local firms are asked to arrange their purchases and business transaction with the Monday closing in mind, so they will not be inconvenienced.

Funeral Held Here Thursday For Mrs. Elam

Funeral services for Mrs. Erven E. Elam, 31, of Sentinel, Okla., were conducted yesterday, Aug. 29, at 2:30 p.m. from Bronte First Baptist Church. Mrs. Elam, the former Sybil DeLois Sims, died soon after noon Wednesday in the Bronte Hospital following a long illness.

In charge of the services were Rev. Cliff Byrum, pastor of the Sentinel, Okla., Baptist Church, and Rev. Douglas Brown, pastor of the Bronte Church. Interment followed in Fairview Cemetery here.

Mrs. Elam was born Jan. 23, 1926, in Bronte. She was graduated from Lake View High School in San Angelo in 1944 and worked for the San Angelo Telephone Co. before her marriage on Thanksgiving Day, 1945, in Hobart, Okla. The couple had made their home in Oklahoma for the past 12 years.

She is survived by her husband; one son, Johnny Harold, 5; a daughter, Sondra Kay, 3; her parents, Mr. and Mrs. H. T. Sims of Lone Wolf, Okla., and former long-time Bronte residents; and her maternal grandmother, Mrs. Eth Coleman of Bronte.

Pallbearers were Robert H. Sims, Charles Sims, Matthew Caperton, R. T. Caperton, A. G. Taylor, T. F. Sims, Jr., Jack Belcher and Ed Rawlings.

First 1957 Bale Ginned at Bronte

S. M. Mackey of the Norton community ginned the first 1957 bale of cotton at the local gin, operated by J. D. Luttrell, Jr. The bale was processed Wednesday and weighed 496 pounds.

Luttrell said it took about 2,000 pounds of unginned cotton to make the bale. He said the cotton was on the yard ready to gin last week but that he was adding some new machinery and was not ready until Wednesday of this week.

Luttrell said he was expecting a "pretty good season" this year. "Most of the cotton is young" he said, "and a rain would help it mature." He added that most of the cotton in this area is well fruited and should turn out a good yield, especially if more moisture falls soon.

"We're ready to go," Luttrell said. "All we need is for the farmers to bring in their cotton."

A premium was being made up in Bronte for Mr. Mackey and the ginning was done free of charge.

John Harris Clinic To Be Rebuilt; Space Doubled

Dr. John R. Harris announced this week that he will remodel and rebuild the structure now housing his clinic, directly north of the Bronte Hospital.

A contract was let last Friday night after bids on the building were opened. R. E. Probst of San Angelo was the successful bidder and will begin work about Sept. 1.

The new clinic will have approximately 2,300 feet of floor space, doubling the present size of the structure. It will contain offices for two doctors, examining rooms, waiting room, business office, consultation room, laboratory and numerous wash rooms and bath rooms.

The structure will be extended to the south so that it will be attached to the hospital building. In the southeast part of the structure will be the laboratory, which will serve both the hospital and clinic. Dr. Harris said he believed such an arrangement would greatly increase the efficiency of that department. Presently, part of the lab work is done in the hospital and part in the clinic.

The southwest part of the building will be an enclosed patio which will be used by patients who are well enough to want to get up and get some fresh air and sunshine.

McDermitt and York, San Angelo architects, drew the plans for the new building and will supervise construction.

The clinic will be centrally air conditioned, doing away with the window coolers which are now in use.

A brick wall with aluminum and glass entrance will form the front of the new building. Wood siding will be used on the north wall. The brick will be a shade of brown. The inside will be finished with gypsum wall board and painted. Acoustical tile will be used in the ceiling, while vinyl tile will be used for floor covering. Modern recessed lighting will be installed throughout the building.

Dr. Harris said that he believed the building would enable him and his associate, Dr. Dean Adams, to care for clinical patients more efficiently. "I believe the additional space and more pleasant surroundings will add materially to the comfort and convenience of our patients, as well as increase the efficiency of our staff," Dr. Harris said.

A large portion of the new building will have new furniture installed when construction is completed.

Rita McCarley Named Coke County Farm Bureau Queen

DEANIE ALLEN

Miss Rita McCarley, daughter of Mr. and Mrs. B. R. McCarley of Blackwell, was named Coke County Farm Bureau Queen in a contest at Bronte Monday night in the school auditorium.

Miss McCarley is a 1957 graduate of Blackwell High School and was salutatorian of her graduating class. She was also president of the Blackwell Future Homemakers of America chapter.

Mrs. Rita Abbott of San Angelo, the 1954 Farm Bureau queen, did the honors by crowning Miss McCarley and pronouncing her 1957 queen. By winning the county contest, she is eligible to enter the district contest which was set for Thursday night at Big Spring.

Other contestants in the Senior division were Mary Frances Wylie and Mary Beth Schooler, both of Robert Lee.

Deanie Allen, daughter of Mr. and Mrs. James W. Allen of Bronte won the junior contest. Other contestants in this division were Prescilla Wylie and Leta Faye Robertson, both of Robert Lee, and Linda Kay McCarley of Blackwell. Ages of this group were from 10-16.

In the sub-junior division, winner was Sally Richards, little daughter of Mr. and Mrs. C. O. Richards of Bronte. Entering this contest in the 4-10 age group were Kay Roberts of Robert Lee and Jolene Vaughn of Bronte. Neither of the younger winners is eligible to enter district competition.

The audience present for the affair were entertained by Linda Henry, organist; June and Jean Moore, vocal duet and Carolyn Kemp, soloist.

Mrs. C. E. Arrott, who was chairman of the contest expressed appreciation to everyone who contributed toward making the contest a success. She expressed particular thanks to Estelle's Flower Shop of Bronte for donating flowers carried by the girls and the queen's bouquet. Other members of the committee were Mrs. A. J. Roe, Jr., and Mrs. James Coffman, both of Robert Lee, and Mrs. J. B. Mackey of Bronte. Dave King of Edith is president of the Coke County Farm Bureau.

Matthew Caperton of Bronte served as master of ceremonies during the contest, and was assisted by Edward Cumbie of Bronte, district representative of the Farm Bureau.

Mr. and Mrs. W. T. McAdams and family visited in Bronte over the weekend. They recently moved to Ballinger from Bronte.

Weekend visitors in the Allen Sherrod home were Mr. and Mrs. Hadin Berryhill, Judy and Marilyn of Lawton, Okla. and Mr. and Mrs. Johnny Sherrod and Betty of Midland. They spent most of the weekend at the lake, fishing and picnicking.

Mr. and Mrs. Leslie Dean Caperton moved to Lubbock this week. He plans to enroll for the fall semester at Texas Tech. It starts the latter part of September but the couple moved early in order to get settled in their new home before school starts.

Recent visitors in the home of Mr. and Mrs. John Keeney were Mrs. Jean Hoherd and Mr. Kirk Keeney of Temple.

Mr. and Mrs. T. C. Baggett and children have returned from a ten day visit to Georgia and Alabama. They visited Mr. and Mrs. Bob Gray and Mickey. Mrs. Gray is the former Carolyn Baggett. They also visited Mrs. Baggett's parents, Mr. and Mrs. R. L. Fendley, and other relatives.

Mr. and Mrs. C. R. Rowe and daughters, Nancy and Judy, and his mother, all of Baytown visited Mr. and Mrs. O. L. Pittman last Thursday. They had been vacationing in Colorado. Mrs. Rowe is a sister of Mrs. Archie Pittman.

Clean-Up Drive Progressing Well But Not Finished

Much difference in the looks of Bronte can be noted as a result of the work done during the past two weeks. The city has been engaged in an Official Clean-Up Week which has taken two weeks already and still is not complete.

H. A. Springer, general chairman of the clean-up, urged that everyone continue their work until the town is completely clean. "Of course, we want to wind this program up as soon as possible, but we'll extend the time as long as necessary, so long as people are working at it, as they are now," Springer said.

The clean-up is being pointedly sponsored by the churches of the town, civic clubs, women's clubs and city and county officials.

Local residents have been loud in their praise of Commissioner Howard Brock, who has put practically all of his road machinery to work on the project. His men have bulldozed vacant lots all over town, adding greatly to the appearance of the town.

Springer said he had never seen the residents of Bronte take so much interest and spend so much effort in a clean-up campaign. Many business buildings have been repainted, including Sims Food Store, Cumbie & Mackey, Central Drug, Cactus Cafe Pruitt's Store and First National Bank.

MYF Group Tours Central Texas

Seven members of the MYF of the Methodist Church made a trip into central Texas the first of the week. They were accompanied by the pastor, Lin Loeffler. Leaving Bronte early Monday they visited the Longhorn Caverns before going to Marble Falls to the home of Mr. and Mrs. George Burnham, parents of Mrs. Loeffler.

Monday afternoon they went in to Austin where they visited the State Capitol, the Governor's Mansion, the Methodist Church and the University of Texas. Going back to Marble Falls they were entertained with a barbecue at the Burnham home, where they spent the night. They attended a picture show Monday night in Marble Falls.

On Tuesday, they visited Granite Mountain and Marble Falls Lake before going to San Marcos where they saw the Aquarena underwater show. After noon they went on to San Antonio where they inspected Brackenridge Park and Zoo, the Whitt Museum, the Alamo and Mission and the San Jose Mission, where they saw the Rose Window. Before returning to Bronte Tuesday night they had a Mexican dinner at the Casa Rio where the food was served on boats traveling on the San Antonio River.

Making the trip were Jettie and Gwen Kirkland, Jerry McCutchen, Alonzo Robbins, Jackie Grace, Yvonne and Kenneth McMutchen.

Mrs. Loeffler and children accompanied the group as far as Marble Falls and her mother, Mrs. Burnham, accompanied them the rest of the way. Rev. Loeffler and Mrs. Burnham returned to Marble Falls Wednesday where the Loefflers will visit until Saturday.

Mr. and Mrs. T. E. Tidwell and James Arnold and Mr. and Mrs. Sherman Story of San Angelo visited in Austin last weekend, going on to George West where they visited relatives. They returned by San Antonio where they went through the Alamo and visited the Brackenridge Park.

Mr. and Mrs. Walter Phillips and Rudy, Mrs. Carroll Robbins and Mrs. Lizzie Kiker of Rotan accompanied Mrs. S. A. Kiker to Tolsom, New Mexico where she will visit her daughter, Mrs. Harold Good, and family for a month.

Miss Betty Jo Glenn visited in Bronte with her mother, Mrs. C. C. Glenn, Saturday. They went on to Abilene to help Betty Jo move. She has been employed in Austin but has accepted a teaching position in Abilene.

Dove Season Opens Sept. 1 in This Area

Open season for dove hunting in the northern section of Texas starts Sept. 1. Shooting is permitted from noon until sunset, with a bag limit of 10 per day and not more than 10 in possession.

C. D. Vann of Robert Lee, game warden for Coke, Sterling and Runnels counties, states that doves are more plentiful than a year ago. However, the birds migrate suddenly sometimes, and shooting may turn out to be good or bad.

Shotguns must be plugged to a capacity of three shells, including one in the chamber. Hunting licenses are required outside the county of residence, Mr. Vann said.

A new state law requires that everyone over 17 and under 65 years of age to have a fishing license, except when fishing with a cane pole, trot line or throw line in the county of residence.

Sport fishing in salt water now requires a license, as does fishing anywhere with a winding device of any kind.

Coke County will have an open season on deer, turkey and quail later in the fall.

10,000TH TO USE POOL—David Glenn, left, son of Mr. and Mrs. Clark Glenn of Bronte receives ticket No. 10,000 from Aubrey Denman, pool manager. The picture was made last Wednesday when David came for a swim. He was surprised that he was the honored swimmer, and was also happy when told that he was winner of a steak dinner, courtesy of Red Chain Feed Store of Bronte. The picture below was also made Wednesday of last week. Brenda Scott, daughter of Mr. and Mrs. oe Ed Scott, can be seen in the foreground as she climbs up the west wall of the pool. The lad in mid-air, just leaving the diving board, is Ronnie Sims, son of Mr. and Mrs. Robert Hugh Sims, of Bronte. The park and pool area will be the site of a free barbecue and program for everyone on Labor Day, Monday, Sept. 2.

4-H Boys To Enter Records In District

By Sterlin Lindsey

Several 4-H club members are heatedly working on record books

getting them ready to enter in district competition. Dee Arrott, son of Mr. and Mrs. J. P. Arrott, Tennyson; Kenneth Wink, son of Mr. and Mrs. Leslie Wink, Sango; and Jerry Jameson, son of Mr. and Mrs. M. H. Jameson, Silver, have made out reports to enter in the

district. Dee will try for the Boys Agriculture Award, Kenneth will compete for the Meat Animal Award and Jerry will vie for the award in recreation. These boys and their families have put in many hours keeping records, caring

for demonstrations, attending meetings, etc. and should receive our support.

If you see one of these boys, or any of the other club members, ask him about his projects. They will enjoy telling you about their demonstrations and will also appreciate your interest.

Some of you may have noticed a picture on the front of one of the daily papers about a week ago of a couple of pigs eating waste sugar. The caption under the picture mentioned the value of the sugar feeding, but it did not mention one fact that was found in feeding trials in Arkansas last year.

In the tests, hogs fed brown sugar the day before being shipped to market had very little shrink compared to the animals that did not receive the sugar. On a truck load of hogs the saving would be worth quite a few dollars. If you feed hogs commercially, I think it

would be worth your while to try the procedure. Give the hogs about 2 pounds each 24 hours prior to shipping.

We have a new bulletin available entitled "Selecting Sheep for Wool and Mutton Production" that may be helpful to some of you. If you are interested in sheep selection work, this bulletin could be very helpful to you. It describes and offers pictorial descriptions of all phases of sheep selection work. Several operators in the county have inaugurated a selection program already. We hope to increase that number this year.

Kids Trek Back to School As Class Work Begins Tuesday

Classes will begin Tuesday for students in Bronte School this fall. Registration of freshmen and sophomores was completed Thursday and other high school students are scheduled to sign up today (Friday).

A faculty meeting has been called

for 8:15 a. m. Tuesday and students will go to school at 9 a. m. for an assembly program and short schedule of classes. Regular classwork will begin Wednesday morning.

Buses will run a little later than usual, Supt. Garland Black said.

due to the faculty meeting. The lunchroom will be open Tuesday. Prices for lunches this year are 25 cents if bought on a lunchroom ticket or 30 cents if bought by the day.

Black said time for dismissing school this year has been re-set. Classes will end at 4 p. m. rather than 3:30 and 3:45, as in the past.

Faculty for this year has been completed and is as follows:

Mrs. Vetal Flores, 1st grade; Mrs. George Thomas, 2nd; Mrs. Homer Phillips, 3rd; Miss Nannie Marie Pearson, 4th; Mrs. R. E. Johnson, 5th; Mrs. R. C. Lasswell, 6th; Mrs. Norman Porter, 7th. Norman Porter is elementary principal.

Other instructors include Miss Mary Helen Campbell, Band; Mrs. Royce Fancher, Homemaking; J. T. Henry, Vocational Agriculture; Oscar Dorsey, Science; W. W. Thetford, Social Science and girl's coach; Mrs. J. T. Henry, Commercial; Mrs. Willie Mae Glenn, 7th grade home room and librarian; Vetal Flores, English.

Joe Simpson, high school principal, will also teach math and Mrs. Osmo Black will again serve as school nurse. Mrs. Clark Glenn is school secretary.

Longhorns Begin Workouts; 11 Lettermen Return to Squad

By Billy Alexander

"Young, inexperienced, and rated last in the district." These words by Coach Oscar Dorsey sums up the prospects for the upcoming gridiron team of 1957. Dorsey further states that with a lot of hard work and a desire to win by the boys, Bronte could easily have the best team produced here since Dorsey came to Bronte.

Replacements are being sought to fill vacant spots left by last year's graduating seniors. Upon graduation, the Longhorn's lost the services of All-District-All-Area

lineman Joe Ramirez, all-district lineman Bobby Hester and All-district fullback Bill Wrinkle. Others lost by graduation include Gene Walker, Jimmy Lee and James Andrews. The services of Don Bagwell were also lost when he joined the Air Force.

Returning to the Longhorn lineup will be 11 lettermen with only four of these being starters from last year's team. The Longhorns will be led by starters Robert L. Moore, Tommy Latham, Deah Black and Gene Sherrod. Aubrey Denman was a starter until an injury sidelined him. Other returning lettermen include Seniors Jerry Parker, James Tidwell, Doyle Rogers and Jerry McShan. Other than Black, returning junior lettermen will be Tommy Bell, Albert Grace and Stover Taylor. Sophomore squaddens will include Bobby Wrinkle, Stanley Daulong, Lanny Denman, Neil Black, Kenneth McCutchen, Benny Corley and Mickey Black.

Upcoming freshmen are Danny Scott, Don Spjiller and Kenneth Schafer, Jerry McCutchen and Alonzo Robbins.

This year's team appears to have more weight but are less experienced than last year's squad. According to Coach Dorsey, he will be banking on speed and power more than passing or deceiving football. At the present time, Dorsey has switched Moore to the backfield along with Benny Corley. Moore was selected on the All-District and All-Area teams as a lineman last year. Possibly there will be a few more changes made from last year's team, but primarily they will be playing the same positions assigned to them last year.

Dorsey is being assisted by Joe Simpson, line coach, and Norman Porter, who will work with the centers.

Bronte's lineup will be on the order of the following:

Ends: James Tidwell, Jerry Parker, Lanny Denman and Neil Black.

Tackles: Stover Taylor, Tommy Bell, Tommy Latham, Kenneth Schafer and Bobby Wrinkle.

Guards: Gene Sherrod, Doyle Rogers, Danny Scott, Robert FeR, Don Spiller and Stanley Daulong.

Centers: Kenneth McCutchen, Alonzo Robbins and Jerry McShan. Quarter Backs: Benny Corley, Albert Grace and Jerry McCutchen.

Tailback: Moore, and M. Black. Wingback: A. Denman.

The Longhorns face one of the toughest seasons ever scheduled by the Bronte team. Included in this schedule are Class A schools of Santa Anna, Bangs and Wylie. The Longhorns will also tangle with the B team of Class AA Stamford.

The 1957 schedule is as follows: Sept. 6 — Bangs, there. Sept. 13 — Eden, here. Sept. 20 — Jim Ned Consolidated, Tuscola

Sept. 26 — Stamford "B", here Oct. 4 — Open Oct. 11 — Hermleigh*, here Oct. 18 — Loraine*, there. Oct. 25 — Trent*, there Nov. 1 — Santa Anna, here Nov. 8 — Wylie, there Nov. 15 — Robert Lee* here. *Denotes District game.

Progressive Business and Civic-Minded People of Sweetwater and Vicinity

THIS DEPARTMENT HAS BEEN WORKED UP LARGELY AS A REFLECTION OF PUBLIC OPINION. NO PERSON HAS WRITTEN OF THEMSELVES OR THEIR BUSINESS. ALL ARTICLES HAVE BEEN COMPILED BY A REPRESENTATIVE OF THE BRONTE ENTERPRISE AS HE SAW CONDITIONS. THESE PEOPLE ARE ALL LEADERS IN THEIR VARIOUS LINES OF ENDEAVOR AND THE COOPERATION OF THOSE CITIZENS OF SWEETWATER WHO HELPED MAKE THIS DEPARTMENT POSSIBLE IS SINCERELY APPRECIATED.

N. W. Absher

N. W. Absher has proved his progressiveness by constantly adding to and increasing the service which the N. W. Absher Service Station has extended to the people. The large volume of business handled by his Gulf station proves that "service," to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Absher was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

N. W. Absher has many friends in and around the city and it is a pleasure to bring him before our readers in this review of progressive Sweetwater business men.

Frank A. Davis

Sweetwater has attained a prominent position in the business and industrial life of this section of West Texas because of the foresight of those men who had the ability to envision the possibilities of the community and the trade area it serves. And a wide awake progressive man who justly should be included in this category is Frank A. Davis, the agent for the Continental Oil Company.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And Mr. Davis has earned the good will and respect of his fellow citizens for contributing his bit to the general welfare of the city and the people as a whole.

It is our duty to include Frank Davis in that group of progressive and civic-minded people who have done so much for Sweetwater and to express the wish that he will continue for many years to forge ahead with the success which he has enjoyed in the past.

Kenneth L. Smith

A restaurant operator of Sweetwater, with branches in Colorado City, Odessa, Midland and Brownfield, who has based his success upon the belief that the public will appreciate good food, well prepared and appetizingly served, is Kenneth L. Smith of Starr's Drive Inn's, whose many friends and customers by their daily patronage of his popular eating places, attest to the soundness of his policy.

It is not only because of the successful management of his business that Mr. Smith has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of Sweetwater and the people as a whole. He is another of those men who has shown his appreciation for his success by a willingness to con-

tribute of his time and energy, to the promotion of community projects.

It is men such as Kenneth Smith whom we are privileged to include in this review and to publicly give him due credit for his success in business and civic affairs.

Charles Fry

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is Charles Fry of Charles Fry Plumbing, who well deserves the reputation he has earned for being one of Sweetwater's more progressive business men. His thorough knowledge of everything pertaining to the plumbing and heating business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Furthermore, such experience as Mr. Fry has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Charles Fry in this group of progressive and civic-minded people who are actively taking part in the evolution of the business and industrial life of Sweetwater.

B. Burklow

It is a privilege in this Sweetwater review of progressive men and firms that have been such a great aid to the growth and development of this section of the state to place such a man as B. Burklow of the Sweetwater Poultry & Egg Company, on an equal plane with all others in this rank. In the past, few men have exceeded him in contributing of their time and energy to the onward progress of Sweetwater and the surrounding country.

Mr. Burklow is recognized as one of the more progressive poultry and egg dealers in this district, and still retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflect the principles which he has always so successfully applied to his business affairs.

We congratulate Mr. Burklow on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

H. B. Mounce

One of the more progressive real estate men of Sweetwater and one whose success can partly be attributed to a deep insight as to the direction which the city will develop is H. B. Mounce of Bailey Mounce Real Estate. He also has a sound basic knowledge of real estate values and has turned that knowledge to the advantage of the people with whom he does business. And his aggressive methods coupled with his sound and practical ideas have made the services he has rendered to the people more valuable

and materially contributed to his well earned success.

Mr. Mounce is also civic minded and has always shown a cheerful willingness to contribute his share of time and energy to the promotion of community projects.

It is because of the activities of such progressive business people that year after year, Sweetwater continues to show such a healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to Bailey Mounce for the part he is playing in the onward progress of his city.

Roy and Floy L. Pittman

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of Sweetwater who belong in this category are Roy and Floy L. Pittman of the Pittman Floor Covering & Furniture.

Their leadership in their line of business is recognized throughout this entire district. And their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

The Pittman's are men who are equally well liked and respected by their intimate friends and their business associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Floy and Roy Pittman for being good citizens, progressive business men and boosters of their community.

C. C. Neatherlin

It isn't the size or volume of a man's business which determines its value to the community in which he makes his living. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of C. C. Neatherlin's business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused the C. C. Neatherlin Wrecking Company, to be so well thought of and is widely patronized by the people of Sweetwater and the surrounding area.

The same progressiveness and ability which has made him so successful in his own business has also fitted Mr. Neatherlin to be of assistance on community projects and public drives. Furthermore, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include C. C. Neatherlin in this Sweetwater review and to wish him further success in his field of endeavor.

Farris W. Thompson

It is a well-known fact that a man's true character must come through in his work; whether in business or professional activities or in public life. So when a man conducts himself in such a manner as to cause the public to re-

cognize in him certain qualities, over and above average, he is deserving of a few words of praise. Such a personality is Farris W. Thompson, well known and completely reliable pole line contractor, a leader in the business and industrial life of Sweetwater.

In addition to being one of the city's more progressive business men, Mr. Thompson was never a man to shirk his civic duties. More than that he enters cheerfully and with enthusiasm and optimism into those civic affairs in which he has time to take a part. And seldom does he fail to find time to do his share.

Farris Thompson deserves his share of credit for being one of those progressive citizens of Sweetwater who has contributed so substantially to the onward progress of the city. It is a pleasure to include him in this group.

Nancy and Allie Allen

Good motels and tourist courts are indispensable to the progress and development of a growing city such as Sweetwater. And the Midway Motel, combining the best features of both, has accommodated a great many tourists and business men in a manner that assures them of the continued patronage and good will of the motoring public.

The management of the Midway Motel has maintained an ideal of service which is thoroughly exemplified by the manner in which every need of the traveling motorist has been anticipated and prepared for. Nothing is taken for granted; nothing is forgotten, and hospitality and service is always their first and last consideration.

Much of the credit for the splendid reputation of this modern drive-in motel is due to the executive ability of Nancy and Allie Allen, whose untiring efforts, foresightedness and careful attention to detail, have maintained a standard of hospitality and service which would be difficult to surpass. It is a pleasure to write these few words of praise about the Midway Motel and its friendly operators, Allie and Nancy Allen.

H. G. Pitts

It is fitting in this review of progressive Sweetwater business men that we acquaint our readers with the man to be credited with having maintained the Sweetwater Production Credit Association, in the enviable position it holds in the business and industrial life of this area. That personality is H. G. Pitts, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the association now enjoys throughout this entire district.

Mr. Pitts has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him and to say that this district owes much to the many benefits which H. G. Pitts and the Sweetwater Production Credit Association have rendered to the people.

Peter Fox

Every progressive and successful business man in Sweetwater contributes in some manner to the growth and progress of the city. And a man who is always willing to do his part in both civic and business activities is Peter Fox of the Sweetwater Cotton Oil Company, who is well known and has many friends and business associates throughout this entire

district.

The prominent part that the Sweetwater Cotton Oil Company is playing in the business and industrial life of Sweetwater and vicinity mirrors the progressiveness and ability of such men as he. Furthermore, Mr. Fox has also at all times been steadfast in his devotion to the city, and the surrounding country and on many occasions, has lent his support to the successful promotion of meritorious civic projects.

Sweetwater and this district are fortunate to have such a man as Peter Fox in a position of responsibility and service and this newspaper feels that it merely reflects public opinion in paying this brief tribute to one of the city's more progressive business men.

Warden Boswell

Performing an outstanding service for the people of Sweetwater and the surrounding territory, Warden Boswell, Chartered Life Underwriter for the Southland Life Insurance Company, and a member of the Multi-Qualified Million Dollar Round Table, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. Boswell is a man of ideas and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to the people. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet he is unassuming and modest in his contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as Warden Boswell who have caused Sweetwater to become recognized as the metropolitan center for this section of Texas.

Earl Connell

In bestowing credit upon some of those progressive business men of Sweetwater, who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to say a few words about Earl Connell of the Connell Conoco Service.

Mr. Connell has set a standard for himself and the operation of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Conoco station continues to handle, much of which is due to his unceasing attention to detail and his ability to cope with new and unexpected problems.

Earl Connell is also civic-minded, and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

Hiran Melton

In paying tribute to some of the more progressive business men of Sweetwater, we would be remiss in our duty should we fail to include Hiran Melton of the Hiran Melton Auto Repair, which is now located at 206 Ash, whose business ability is no greater than the "know-how" and mechanical skill which has contributed to his well-earned success in the automotive repair and maintenance business.

Continued on next page

He has also contributed generously to the welfare of his city and the community for many miles around. And his civic spirit is evidenced by the many services which he has performed and will continue to perform in the interest of the people as a whole.

Mr. Melton is a man of wide acquaintance, whose many friends admire and respect in him those virtues which inspire confidence and promote good feeling. And his upright business methods are a credit to his inherent sense of fair play.

We congratulate Hiran Melton on his splendid record of service and trust he shall continue to assist us for many years to come.

Bill Haley

Bill Haley, the manager of the Sweetwater Loan Service, has won the universal respect and good will of the people of Sweetwater and the surrounding country for the progressive manner in which he has kept the firm in the forefront of the business and civic life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Haley is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment Bill Haley for the successful management of the Sweetwater Loan Service, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

Arthur Taylor

Logically a man who has earned the reputation of being one of Sweetwater's more progressive used car dealers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is—modest, efficient, friendly Arthur Taylor of the Arthur Taylor Used Car Lot, who numbers many of our readers as some of his best customers.

Mr. Taylor is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to his city and this district lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of Sweetwater for numbering among their more progressive citizens such a man as Arthur Taylor and we also express the wish that he will enjoy many more years of success.

J. B. "Shorty" Teaff

It is because of the unflinching optimism and faith which he so consistently displays toward the future of Sweetwater and vicinity that we are prompted to call the attention of our readers to the fine service which J. B. "Shorty" Teaff, the commission agent for the Sunset Motor Lines, performs in the successful conduct of his business.

Mr. Teaff is an aggressive and resourceful personality whose progressive policies have earned for him a widespread reputation as a business man of more than average ability; and his apparent willingness to devote some of that

ability to the promotion of civic activities further enhances his value to the city.

The safety and efficiency of the operations of the Sunset Motor Lines, reflecting as it does the executive ability of this man, has earned for the firm a well deserved popularity among the people they serve. We are glad to give "Shorty" Teaff the credit he so well deserves for his achievements and to wish for him a continued successful career as one of Sweetwater's more progressive business men.

Mark S. Nichols

There are a number of business and professional men in Sweetwater who have gained recognition for their progressiveness, and a well-known man who specializes in life insurance, who belongs in this category is Mark S. Nichols, agent for the Century Life Insurance Company, and who offers complete protection for cancer, polio and hospitalization insurance.

He is well established in the forefront of the business and religious life of his city, being the chairman of the board of the Highland Heights Methodist. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his outstanding success.

In addition to his insurance activities, Mr. Nichols has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, Sweetwater is firmly established in the minds of the people as the logical business center for this section of the state.

We congratulate Mark Nichols for his success in business and civic affairs, and trust that he will continue for many years to enjoy that success which he has so justly earned.

Bob Creswell

It is not always the kind of business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the Broadway Cleaners, in their contacts with the public, and the ready acceptance of all business and civic obligations by Bob Creswell, proves conclusively that he is a man who is well-versed in the principles of successful business management.

As most people know, this firm is a leader in the dry cleaning business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Bob Creswell for the successful management of his Broadway Cleaners, and also for his many contributions to those civic projects aiding in the growth and progress of Sweetwater and the adjacent territory.

Ira Gregory

Ira Gregory of Gregory's Auto Body Service, is one of those progressive business men who has always done his bit to maintain the prestige of the city of Sweetwater as the leading metropolis of this section of Texas. He has always worked for the development of the city and his many services are worthy of sincere appreciation.

His well earned success as a business man is easily understood, knowing as the people do his widespread reputation for the honesty which characterizes all of his business dealings.

And it is a combination of technical knowledge, professional skill and business ability which has elevated Mr. Gregory to the po-

sition of leadership in the automotive body repair and maintenance business.

He is completely aware of his civic responsibilities and is wide awake to the many opportunities for service, and is always ready and willing to lend his support to any project which promises to benefit the community as a whole.

We compliment Ira Gregory on his accomplishments, and wish for him continued success.

D. W. Pettus and Fred Boggs

Due to the efforts of a group of wide awake business men, the city of Sweetwater has attained a dominant position in the commercial life of this section of the state. And two of the men who have justly earned credit for being progressive members of that group are D. W. Pettus and Fred Boggs of the Mid-West Packing Company.

It is because of the successful operations of such a business as theirs that the city of Sweetwater has earned the reputation of being one of the more progressive communities in West Texas.

Mr. Pettus and Mr. Boggs have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include Fred Boggs and D. W. Pettus in this Sweetwater review and to publicly give them credit for their success in business and for their many contributions to the general welfare of the city.

Mr. & Mrs. G. J. Catching

Mr. and Mrs. G. J. Catching of the Catching Drug Store, a Sweetwater store where pharmacy is a profession, and not merely a side-line, are two of those progressive type of citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic minded and have, in the past, and no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. and Mrs. Catching have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm and unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Mr. and Mrs. Catching to our readers as good examples of the more progressive type of business people who have aided in the growth and development of Sweetwater and the surrounding country.

O. C. Beddo

In singling out some of the more progressive business men of Sweetwater we would be censured should we fail to include O. C. Beddo of the Sweetwater Ornamental Iron Works. He is a man who has never spared himself in his participation in both the business and industrial activities of the city.

Mr. Beddo has always been conscious of his civic responsibilities and is ever ready and willing to meet in every detail those opportunities which come to his attention to further civic enterprise. He may well be proud of his achievements along these lines.

O. C. Beddo deserves a great deal of credit for the honest and successful manner in which he

The Bronte Enterprise

has conducted his business affairs. He is a friendly and likable personality, whose sincere desire to be of service has gained for him a host of friends and business acquaintances in and around Sweetwater who would, if given the opportunity, join us in wishing him many more years of continued success.

W. J. "Bill" Lewis

Sweetwater owes much to those progressive citizens who have taken an active part in the growth and progress of the city and who have helped to make it the business center for this section of the state. In mentioning some of these men, it is only fair to include W. J. "Bill" Lewis of the Lewis Pest Control Service, whose outstanding knowledge of the termite and pest control business, backed up by many years of experience, has brought him to the forefront in his particular field.

Mr. Lewis is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that "Bill" Lewis will continue to serve the people of Sweetwater and the surrounding area for many years to come.

Jay Elkins

Recognized as an authority on all general contracting problems, Jay Elkins of the Elkins Construction Company, and a former resident of the Robert Lee and Bronte communities, has turned his knowledge to the advantage of the people of Sweetwater and vicinity. More than that, Mr. Elkins is a man who has always been vitally interested in the civic betterment and progress of the city and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. Sweetwater owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service and more than ready to recognize and accept his share of civic responsibility.

Because of these things, Jay Elkins has become accepted as a progressive business man who is an asset to both the business and industrial life of the city, and we trust he will continue to serve the people of Sweetwater and the surrounding area in his present capacity for many years.

Delas Reeves

We wish in this edition to pay tribute to Delas Reeves of the Delas Reeves Sinclair Service Station, for his many services to the motoring public of Sweetwater and the surrounding area and his splendid record of achievements in the business life of the city.

Mr. Reeves probably has as wide a circle of friends as any other man we could name, because he is just naturally the kind of man who makes friends with almost everyone, and always conducts himself in such a manner as to deserve the respect and good will of all who know him.

Sweetwater is fortunate in being able to number, among its more progressive business people, citizens of this type.

He is always ready and willing to lend his support to the promotion of any project which promises to benefit this entire dis-

trict. He may be depended upon, and his services to the people are too many in number to be described here. It may be sufficient to say that we consider Delas Reeves an asset to the community, and a progressive business man of whom his city may be proud.

Henry Baker

Henry Baker is one of the more successful restaurant operators of Sweetwater who, by maintaining a constant standard of service and high quality foods, has made Henry's Cafe one of the more popular eating places in the community. We are glad to give him credit for his well-earned success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs and lending his assistance to various activities and public projects. When to take part in such matters he always does so with ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of community activities with such a man as Mr. Baker.

This review of progressive and civic-minded people of Sweetwater would not be complete were we to fail to include Henry Baker. His is the kind of success which deserves recognition and we wish him many more years of the same.

fun."

Events will probably end by afternoon and the pool will be open to the public as usual. The pool will remain open as long as there is a crowd to use it, Denman said.

The barbecue will be at 6 p. m. and the public is invited. Arrangements have been made for barbecue, beans, onions, pickles and bread. "We'd like to have as many as will to bring a big bowl of potato salad," Denman said, "and we could use some cakes and pies too. However, if you don't have time to prepare anything, be sure to come on anyway," he added.

After the barbecue, a short program will be given. The park and pool will be dedicated with a short talk by the Rev. Lin Loeffler, pastor of Bronte Methodist Church. Raymond Patterson, of Abilene, engineer in the production department of West Texas Utilities Co. will also make a short talk, telling those present something of the plans of his company in constructing the new generating plant on Oak Creek Lake. He will be introduced by local WTU manager H. A. Springer. The Rev. Douglas Brown, pastor of Bronte Baptist Church, will be master of ceremonies.

RETURNS FROM VACATION

Mrs. Leonard Fletcher and Mr. and Mrs. Charlie Fletcher of Sweetwater recently returned from a two-week's visit in Joliet, Ill., where they visited the Tony Fantozzi family and William Fletcher. They reported a fine vacation and said they spent three days on the Kankakee River, taking numerous excursions in Fantozzi's speed boat, the Jenny Lou. They also went swimming in Lake Michigan and saw the Chicago Cubs and St. Louis Cardinals play in Wrigley field in Chicago. William Fletcher is employed in Fantozzi's excavating company.

Mr. and Mrs. Clark Glenn and family and Mrs. Mattie Glenn went to Abilene Sunday to visit the J. B. Glenss.

AD-LIB-BEN

We don't have much room this week for the usual tripe that appears in this column, what with all the new buliding that is going to take place soon in Bronte, with the big Labor Day celebration at the Bronte Park, the opening of the new school term and many other things.

We are particularly happy about the new clinic building and the new addition to the Methodist Church. All these things mean that Bronte is growing and progressing. It's all mighty fine, we think.

We do want to announce that The Enterprise has a new employee. Mrs. Leslie Dean Caperton quit us (like nearly all our women do) to go with her husband to Lubbock. Replacing her is Mrs. Gene Walker. She hasn't been going by that name very long; so if you don't know her, she is the former Aletha Murtishaw, daughter of Mr. and Mrs. H. C. Murtishaw. Aletha did a wonderful job gathering locals and other news items, and we want to ask that you assist her all you can by turning in your news to her. She will appreciate it and so will we.
