DAMAGE SLIGHT—Only minor damage was done to this small plane when it crashed on the takeoff Monday morning. The pilot, Douglas Bright of Waco, was forced down near dark Sunday evening, after having trouble with water in the gas tank.

Plane Crashes Monday on Takeoff After Safe Emergency Landing Sunday

The forced landing of an airplane on Highway 277 just south of the city limits created much excitement here Sunday night. The

incident took place just about dusk.

The plane, piloted by Douglas Bright of Waco, developed a short in its light switch and was forced down because of water in the gas lines. The plane is owned by Price Dusing Co. of Pecos and Bright was enroute to Waco from Midland. Rev. Lin Loeffler was on his way to church services when he realized the plane, which had been circling for some time, was in trouble. He and a passing motorist guided the plane to a landing with flashlights. The pilot was not injured and the only damage to the plane was a dent in the wing caused when it clipped off a highway sign.

The attempted takeoff Monday morning, however, was a failure and Bright crash landed the plane in a nearby pasture. The landing gear and propeller were damaged in the second landing.

AD-LIB-BEN

If you take the Robert Lee Observer, you'll notice in Editor Kirkpatrick's column, Small Talk, something of the plight of small towns in holding their own. He is specifically referring to the fact that one of the leading grocery stores in Robert Lee is quitting business. He seems to lay most of the blame for this to the habit of so many people of going to "Big Town" to do their shopping. We'd like to say "amen" to Mr. K's article. We, too, believe that all the small places such as Robert Lee and Bronte are going to have to get on the ball, trade at home, and make their towns attractive places to shop and live if they are going to survive as anything more than dried up shells.

All this makes us even stronger in our belief that a town must have a sewer system if it is ever going to amount to anything. We were told this week of a man who bought a lot here and is going to build a house. He said he would have been glad to have paid \$200 or so more for the lot, had sewer facilities been available. And, he pointed out, he would have come out far ahead, because he figured it would cost him from \$200 to \$300 more to install a septic tank and tile drain lines than it would to tie on to a sewer system.

This sewer system will increase our property values in excess of its cost, we believe. And if it doesn't do quite that well, surely the saving in septic tank upkeep will more than make it up.

Even if you don't wish to consider the primary reason for a sewer (health and sanitation) and want to look at it purely from a "how much is it gonna cost me" basis, we can't see how anybody could be against the proposal.

As we wrote a couple of weeks ago, Bronte has so many advantages; it has made so much progress during the past few years; it has an opportunity to grow which it will probably never have again. About the only thing we lack is sewage disposal facilities. Engineers are at work this week on the matter, and we hope, that if enough people want it to call an election, you will give this matter your very best consideration—thinking not just about the present and your immediate needs, but doing a little dreaming about what Bronte can be in the future. Consider the importance of this project to the town for many years to come before you make up your mind.

Unbeaten Longhorns Take on Jim Ned Tonight at Tuscola

By Bill Alexander

The Bronte Longhorns will take a 2-0 record with them as they travel to Tuscola to engage in battle with the Jim Ned Consolidated Indians, who carry a 0-1-1 season's record. Both teams are comparatively large considering the size of the two schools. Despite the difference shown in the records of each team, the Indians

could prove to be much stronger than indicated.

In last week's games, the Longhorns downed Eden by the slim margin of 7-6, while the Indians fought Woodson to a 0-0 tie. Wylie is the holder of the lone victory over Jim Ned, having defeated them the previous week by the score of 20-7.

Jim Ned, formerly South Tay-

lor, is a consolidation of Tuscola, Lawn, Jim Ned and Ovalo. Eight lettermen returned from last year's South Taylor eleven with only three starters in the group. With the combining of the other schools, they should gain some valuable experience, weight and speed. Lawn was a six-man team last year, and they have their entire squad returning that should prove worthwhile to the Indians. The other two schools, Jim Ned and Ovalo, did not compete in any type of athletics last year, but the increase in the student body will give Jim Ned coaches more boys to pick from.

In the meeting of Bronte and South Taylor last year, the Longhorns defeated the visitors by an overwhelming score of 40-6. This year, the Indians will be seeking revenge and with the addition of the other schools, they should be very rough as each club takes the field at 8:00 tonight. Plenty of good football is in store for all fans who wish to travel to Tuscola to support the Longhorns.

District 6-B Statistics

Teams of District 6-B fared much better last week than the week before as only one team went down to defeat. With some of the teams working under new coach-

Asiatic Flu Siege Here Likely

"It looks like we're in for it," said Dr. John R. Harris, local physician and city health officer, when questioned about a possible outbreak of Asiatic flu here. "We've only had a couple of cases of flu reported here, and we don't know if it is the Asiatic variety, but I feel that it is possible we will be hit," he said.

Vaccine is being given here on a limited basis. About 60 shots had been given Wednesday, including members of the hospital and clinic staffs. Dr. Harris said that the vaccine is new and is about 75% effective in combatting the disease. Only one shot is required and very little reaction to the shot has been noted here so far. One shot of the vaccine will last 6 months to a year, the doctor said.

More vaccine has been ordered at the local hospital, but officials there did not know when it will be received. It will be available to everyone when it comes in. The Asiatic variety of flu is harder on old people and children, Harris said. The disease lasts about a week and is similar in duration and symptoms to the usual brand of flu that usually accompanies fall and winter weather.

Farm to Market Road Scheduled Near Tennyson

A new Farm to Market road project for Coke County is a 3-mile stretch from Tennyson east to the Runnels County line. It will be included in a two-year program to start next July.

Formal approval of the new highway was reached recently by agreement of the Coke County Commissioners and the Texas Highway Department.

The matter was settled when the Highway Department refused to go along with a proposal to construct a Farm to Market road from Tennyson west eight miles to Highway 208 south of Robert Lee.

A delegation was on hand at the Commissioners Court meeting last week urging the new pavement through the Lometa locality. However, officials of the Highway Department declared there was not enough travel to warrant a state road, even though it would be a connection between Highways 277 and 208.

The new project to be built east of Tennyson will join up with a paved road leading north from Miles in Runnels County.

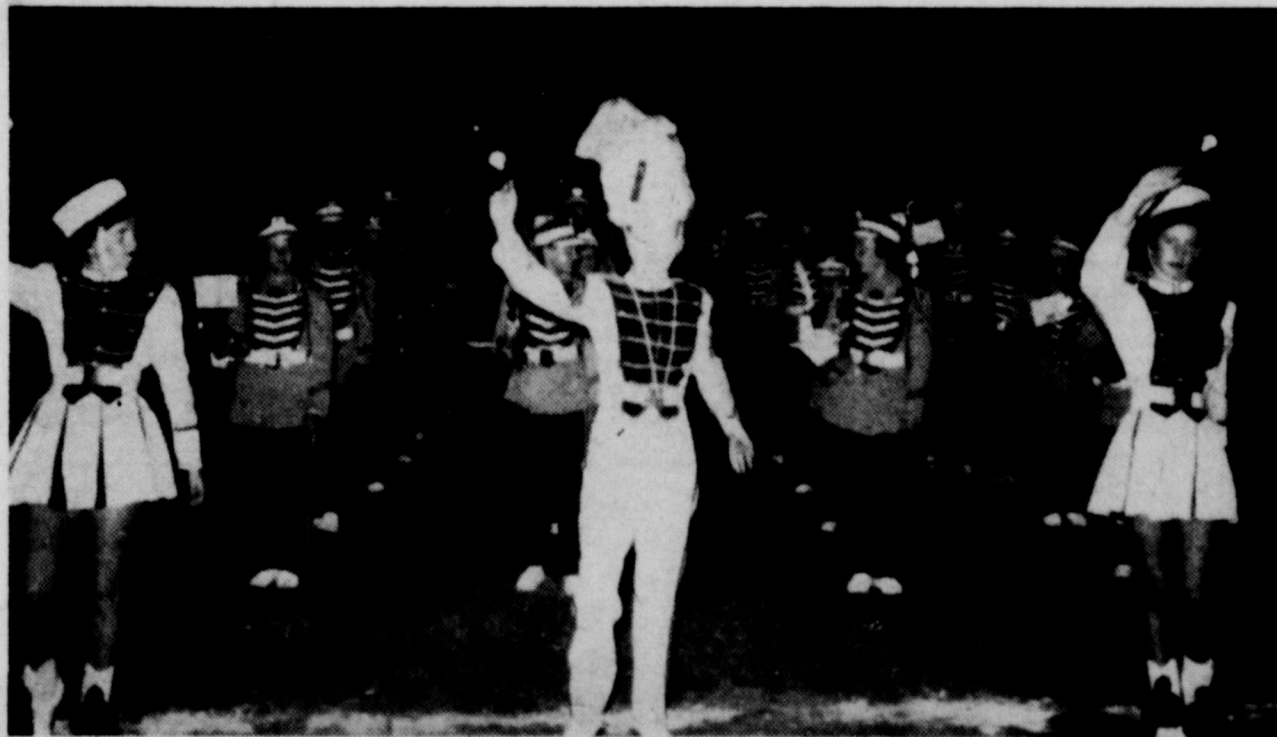

Building Group Accepts Plans for Church Addition

The building committee of the First Methodist Church approved plans submitted by the architect, Donald Goss, in a meeting Wednesday night. The plans call for adding a MYF section and four new Sunday School rooms to the present structure. Other work included is a complete remodeling of the present Sunday School space and refrigerated air conditioning of the entire building.

Rev. Lin Loeffler, pastor of the church, said Wednesday that plans and specification have been turned over to prospective bidders and that bids will be opened Oct. 2. If a satisfactory bid is received the contract will be let and construction will begin immediately.

Shown at halftime activities at last Friday night's ball game are the Bronte cheerleaders. In the stunt, they appear to be figuring on what to do to entertain the crowd. Seated, holding the big pencil is Brenda Corley. And from left to right, the other are: Wandie Webb, Yvonne McCutchen and Shirley Spurlock.

READY TO PERFORM—This shot of the Bronte School Band was taken at halftime last Friday when Bronte played Eden. The Bronte Band, directed by Miss Helen Campbell, marched onto the field, played several numbers while going through a clever routine.

County Court To Fix Damages For Power Plant Site

Condemnation proceedings in the case of West Texas Utilities Co. vs. Charlie Copeland will be heard in a session of County Court opening next Monday.

The suit involves 59.85 acres of land on the southeast edge of Oak Creek Lake, south of Blackwell, where the utilities company plans to construct a multi-million dollar power plant.

Included in the property is the Copeland ranch house. Copeland had to give up some land when the dam and reservoir was built a few years ago.

An additional piece of land needed for the generating plant site was purchased from the City of Sweetwater.

Because of the illness of County Judge Jeff Dean, arrangements have been made for Jack Moore of Ballinger to preside over the court session. A well known young attorney, Moore served four years as County Attorney of Runnels County.

West Texas Utilities Co. is represented by the Abilene law firm of Wagstaff, Harwell, Alvis & Pope. Jim Hand, a member of the firm, has been devoting considerable time to the case. Ralph Lewis, San Angelo lawyer, has also been retained by WTU.

Frank Sparks of Abilene is chief counsel for Mr. Copeland.

Jurors called to appear for duty at 10 a.m. Monday include J. W. Teague, Raymond Schooler, Bob Mims, W. F. Fikes, Marvin Stewart, T. M. Wylie, Jr., C. D. Derrick, Chas. C. Cave, S. C. Sayner, Billy Sid Evans, R. S. Walton, A. E. Gentry, R. H. Sims.

C. N. Webb, Jr., Douglas Stevens, Fred Roe, Sam Gaston, Marvin Corley, M. G. Caperton, Ernest Ivey, N. C. Pentecost, Chas. Boecking, J. B. Morrow, Victor Wojtek.

Mr. and Mrs. W. J. Branham Celebrate Their Golden Wedding Anniversary with Open House Sept. 15

MR. AND MRS. W. J. BRANHAM

By Mrs. Charles Ragsdale

An open house was held Sunday, Sept. 15, at the home of Mr. and Mrs. W. J. Branham at Hylton in observance of their 50th wedding anniversary.

Receiving hours were from 2 until 6 p. m. with Bill Wilson and

Diversity Club Meets With Mrs. J. T. Henry

Parliamentary Usage was the subject for discussion at the Diversity Club last Thursday night. Mrs. J. T. Henry spoke on Constitutions and Amendments and Mrs. R. C. Lasswell spoke on Basic Parliamentary Rules.

The club met with Mrs. T. F. Sims, Jr.

Fourteen ladies were present. They were Mmes. Clifford Clark, Vetal Flores, D. K. Glenn, Henry, Lasswell, J. B. Mackey, J. R. Rasco, Collins Sayner, Otis Smith, H. A. Springer, Claude Ward, the hostess and two new members.

Mrs. Sims served cake, coffee and nuts.

Mr. and Mrs. D. E. Gulley and family came from Eunice, New Mex., to visit her parents, Mr. and Mrs. Bill Wrinkle last weekend.

Sunday visitors in the C. E. Bruton home were Mr. and Mrs. Owen Cosgrove of Bronte and Cosgrove's brother, Don Cosgrove of Abilene.

Bobby Jack and Neta White, grandchildren of the couple, presiding at the register where 110 persons were counted.

The couple's four daughters, Mrs. L. M. Conradt of Hylton, Mrs. Gus Kellis of Dewey, Ariz., Mrs. Robert White of Blackwell and Mrs. Woodrow Wilson of San Angelo presided at the table. It was laid with a white crochet cloth over gold and centered with an arrangement of yellow carnations and a white clover leaf cake. An archway of gold leaves, gold roses and the numerals "50" topped the cake which was trimmed with gold roses. The napkins read "Jack and Callie".

The honored couple was married in the home of her father, Mr. J. H. McLaughlin, at Hylton, not far from their present home, where they have lived since 1933. He is a retired stockman. They are members of the Baptist Church at Blackwell where he is a deacon.

The couple has four grandchildren and two great grandchildren.

Among those present were the couple's four daughters and their families, a grandson Joe Conradt and wife and children of Blackwell; three sisters of Mrs. Branham, Mrs. Otto Kramer of Rockport, Mrs. S. A. Michales and Mrs. Willie Robertson, both of Blackwell, Mr. Kramer and Mr. Michales; two aunts of Mrs. Branham, Mrs. Allie Huddleston of Hillsboro and Mrs. Earl Price of Hennepin, Okla.

Mrs. Ben Reeves Art Craft Hostess

Mrs. Ben Reeves was hostess to Art Craft Club members in her home Wednesday afternoon. The club prayer, repeated in unison, opened the meeting.

Mrs. Reeves read an article "The Search" and roll call was answered with each member giving a current event.

New officers were elected and Mrs. J. L. Keeney was named president. Other new officers are Mrs. Rob Herron, vice-president; Mrs. J. D. Leonard, secretary-treasurer and Mrs. Minnie West, reporter.

The club voted to have their quarterly supper honoring husbands and guests on Tuesday evening at the Fellowship Hall of the Baptist Church.

Mrs. Taylor Emerson gave the program on wrapping packages. Mrs. Herron conducted a quiz on U. S. Presidents with Mrs. Leonard

winning the prize.

Mrs. T. F. Sims Sr. won the first floating prize and received a pair of pillow cases from Mrs. West. Mrs. Sims won the second prize, which was a planter, presented by Mrs. J. L. Keeney.

Sunshine gifts were exchanged and names revealed. New names were drawn for the next quarter.

Cake and ice cream with cold drinks were served to Mmes. Herron, Sims, Sam Gray, Emerson, Floyd Modgling, Leonard, E. L.

Caperton, Keeney, Forrest Clark, Robert Knierjm, West and the hostess.

Next meeting will be on Oct. 9 in the home of Mrs. Herron with Mrs. West as hostess.

Mr. and Mrs. Joe Blake Whalen and family have returned to Lubbock where he will attend Texas Tech this fall. He is the son of Mr. and Mrs. Walter Whalen. They have been living in Abilene this summer.

Large Number of Students Leave to Continue Studies

For the past two weeks, Bronte college students have been preparing to go to their respective schools and most of them left last weekend.

The largest group are registering this week at Texas Tech in Lubbock. Enrolling there are: Bill Maxwell, junior student in architectural engineering; Kenneth Bradbury, senior student in Business administration; Mrs. Kenneth (Linda) Bradbury, sophomore student in the business school; Milford Phillips, freshman in engineering; James Vernon Andrews, engineering freshman; Joe Don Wilkins, freshman who will study engineering or chemistry; Richard Wayne Rees, freshman in electrical engineering; Leslie Dean Caperton, sophomore in business administration; and Billy Charles Wrinkle, who will take a prescribed freshman course. Wrinkle is attending the Lubbock school on a football scholarship.

Several Bronte students have gone to Alpine and have enrolled at Sul Ross College there. They include: Kenneth Scott, junior physical education major, who is attending on a football scholarship; Dale Luckett, a junior in commercial arts; Jo Ann Gentry, a freshman who will major in business administration; and Bill Eubanks, who will be a freshman in the engineering school.

Attending Texas A&M at College Station are Billy Spiller, freshman student in engineering, who has a football scholarship, and Bobby Hester, a freshman student who will major in physics. Hester was recently notified that he is the recipient of a \$3200 General Motors Scholarship. He will be paid \$800 per year for his four years of schooling. He was salutatorian of last year's graduating class and was thoroughly tested on all subjects before being named for the scholarship. He will also be in the ROTC while in school there.

Johnny Smith has returned to Hardin-Simmons University at Abilene where he is a sophomore ministerial student. He has a scholarship provided for students of the ministry.

J. L. Alexander has re-enrolled at Texas University, where he is a senior, with a major in finance and a minor in business administration.

Carolyn Kemp has a four year scholarship to Trinity University, San Antonio, where she is a freshman this year. She will major in voice and minor in dramatics.

R. J. Millikin, who has been attending San Angelo College, has transferred to Stephen F. Austin College at Nacogdoches. He will be a junior student in the Forestry school.

Don Glenn has returned to John

Tarleton State Teachers College at Stephenville where he is a sophomore student, majoring in agricultural education.

BRONTE PHARMACY

Christmas Comes Early to Longhorns

By Bill Alexander

Santa Claus visited Bronte last Friday night as lady luck was with the Longhorns when they eased by Eden's Bulldogs by a slim margin of 7-6. Playing against a much smaller team, the Longhorns were outcharged by the speedy Bulldogs who seemed to be much more fired up than the Longhorns. After fumbling on their first three tries from the offense, the Longhorns seemed to lose their spirit, and from that point, the Eden eleven seemed to be in command all the way.

Defensively, both teams looked good, but the offensive show was stolen by the hard charging Bulldogs. From start to finish, the Eden team held possession of the pigskin the majority of the time and were able to move for good yardage before the Longhorns would dig in and smother an Eden drive.

The Bulldogs hit paydirt first as they drove 54 yards late in the opening period. Taking a Longhorn punt on their own 46, Eden succeeded to go the distance in eight plays. Richie McClure put the Bulldogs well on their way with two carries that put the ball on the Longhorn 38. From there, the Bulldogs had clear sailing with McClure again doing the carrying as he picked up 13 yards to put the ball on the Bronte seven yard marker. Gippie Brown brought the drive to an abrupt end by crashing through center for seven yards and the score. The ever important extra point was missed as the placement went to the right of the standards, and Eden led 6-0.

Mid-way in the second stanza, Eden drove to the Longhorn 27, but a stiff forward wall by the Longhorns brought the Bulldogs to a standstill at this point. Taking over at this point, the Longhorns started a drive that came to an end as time ran out in the first half. Eden still led 6-0 at the end of the first half.

The third quarter saw Eden return in like manner and start a running attack that carried to the Longhorn 39 before Albert Grace intercepted a pass to halt the drive. Three downs later and having gained only one yard, Tommy Latham got off a booming kick that ended up on the Eden 18. Five plays and a 15 yard penalty later, the Bulldogs were on the 43 yard line, but were unable to go any further.

Taking over on the Eden 43, the Longhorns marched to their lone tally. On the first play from scrimmage, Latham went 21 yards on a keeper that carried to the 22 as the third period came to an end. Latham went for two more to the twenty, but a four yard loss put the Longhorns back to the 24. A 15 yard penalty against Eden then opened the doors for the Bronte score. Operating from the nine, Latham hit James Tidwell with a pass in the end zone. The pass apparently fell incomplete, but the men in black and white ruled interference against Eden and the Longhorns had knotted the game at 6-6. Tommy Latham then buried his way into the endzone for the important extra point that spelled victory for Bronte.

Taking the kickoff on their 32, the Bulldogs tried to ice the game with a hard fought drive that ended on the 17 yard marker in Bronte territory. McClure almost settled everything as he broke into the Bronte secondary and raced 44 yards before being downed from behind by Stover Taylor. The Bulldogs went inside the Bronte 10 yard line, but a 15 yard penalty put them back on the 17 where the Longhorns held and took over.

Four plays later, Latham kicked from his own 11 and on the punt, Tidwell pounced on a Bulldog fumble as the final whistle sounded with the Longhorns on top by a score of 7-6.

es, they are just now getting used to the changes made by the various coaches. Both Loraine and Hermleigh are operating under new mentors.

In games played last week, Trent became the only victim of defeat in this district as they were knocked off by Knox City by a score of 7-0. Hermleigh edged Aspermont 6-0 while Bronte and Robert Lee came out victors in their contests. Our neighbors to the west romped past Baird as Freddie McDonald scored two touchdowns, giving the Steers a 13-7 victory over the Baird Bears. The local lads eased by Eden by a score of 7-6.

All teams except Trent will see action tonight as the season gets well under way. Following is the schedule and how I pick them:

Coahoma to stomp Loraine.
Hermleigh to slip by Knox City.
Santa Anna over Robert Lee.
Bronte to edge Jim Ned.
Trent — open.

Last week's predictions: 3 right and 1 wrong.

VACATION IN NEW MEXICO

Mmes. Nora Bridges, Iva Richards, B. E. Modgling and J. A. Percifull enjoyed a short vacation trip into New Mexico last week. Mrs. Bridges stopped at the home of her brother, Harvey Grimes, at Farwell, while Mrs. Richards visited her daughter, Mrs. Bill McKown and family in the same city. Mmes. Modgling and Percifull visited Mrs. Percifull's parents, Mr. and Mrs. N. W. Kiker. Also visiting in the Kiker home were Mrs. Lester Rice, Mrs. Herman Henkie and Mrs. Jimmy Machen, all of Yuba City, Calif. The local ladies left early Tuesday and returned Wednesday night.

Mr. and Mrs. Edward Poehls of Norton and Mr. and Mrs. Leon Webb of San Angelo visited Sunday in the home of their parents, Mr. and Mrs. L. L. Webb.

Hurlin Lee Now Runs Feed Store

Hurlin Lee announced this week that he has purchased the interest of J. W. Teague in the Red Chain Feed Store in Bronte. First thing Lee did after taking over the store was to change the name to Bronte Feed & Supply.

The store, which was located for several months in the Joe Rose building in the north part of town, was moved back to Main Street a couple of weeks ago.

Lee said Wednesday that his son, Martin, who now lives at Arlington, will move back here soon and be associated with him in the

The Bronte Enterprise

business.

Teague was originally owner of the store and Lee became a partner in the firm several months ago.

Lee announced that Power feeds will be the principal brand he will handle. In addition to a complete line of these ready mixed feeds, he will handle range cubes, cottonseed meal and cake, livestock medicines, and supplies, garden and field seeds and other miscellaneous merchandise needed by farmers and stockmen of this area. He also will take orders for specially mixed feeds, mixed to the user's specifications to meet par-

ticular needs.

Mr. and Mrs. Teague and their children have moved to San Angelo where they will operate the Lamplighters restaurant, located at the junction of the Arden and Mertzon highways.

The Lees are well known in this area, having been in the farming and dairying business in the Brookshire community for many years. He is a member of the Bronte school board.

A guest in the home of Mrs. Fred McDonald, Sr., last weekend was her sister-in-law, Mrs. W. J. Robinson of Denton.

Announcement

We have purchased J. W. Teague's interest in the Red Chain Feed Store and have re-named the business—

Bronte Feed & Supply

We are handling a complete line of Power Feeds, range cubes, cake, meal and other feeds, as well as livestock medicines and supplies. We also take orders for mixed feeds to suit your own needs, and will deliver to your farm.

Our pledge to you, our friends and customers, is to handle only top quality merchandise and to give you prompt, courteous service.

Hurlin & Martin Lee

THANKS--

We have thoroughly enjoyed living in Bronte and serving our fine customers who patronized the Red Chain Feed Store. We greatly appreciate the fine business you gave us while we were operating the feed store.

We know that Hurlin and Martin Lee will continue to meet your feed and other farm and ranch needs and we will appreciate your patronizing them.

We are moving to San Angelo where we will operate the Lamplighters Restaurant at the corner where the Mertzon and Arden roads meet. We invite you to come by for the biggest and best steaks and other finest foods in West Texas.

Incidentally, any of you who owe us accounts are asked to settle them with Mr. Lee at his store in Bronte.

Mr. & Mrs. J. W. Teague

Progressive Business and Civic-Minded People of Sweetwater and Vicinity

THIS DEPARTMENT HAS BEEN WORKED UP LARGELY AS A REFLECTION OF PUBLIC OPINION. NO PERSON HAS WRITTEN OF THEMSELVES OR THEIR BUSINESS. ALL ARTICLES HAVE BEEN COMPILED BY A REPRESENTATIVE OF THE BRONTE ENTERPRISE AS HE SAW CONDITIONS. THESE PEOPLE ARE ALL LEADERS IN THEIR VARIOUS LINES OF ENDEAVOR AND THE COOPERATION OF THOSE CITIZENS OF SWEETWATER WHO HELPED MAKE THIS DEPARTMENT POSSIBLE IS SINCERELY APPRECIATED.

Mason Pee

In compiling this review of progressive Sweetwater business men, we have endeavored to select those citizens who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in their various fields of activities. Such a man is Mason Pee of the Modern Furniture Store, who is well known and has many friends and satisfied customers throughout this entire district, many of whom reside in our own community.

Mr. Pee's main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

Mason Pee is a man of wide experience whose exploits in the business life of Sweetwater and vicinity merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

Wallace Murray

It is a privilege in this Sweetwater review of progressive men and firms that have been such a great aid to the growth and development of this section of the state to place such a man as Wallace Murray of the Remington Rand Agency, on an equal plane with all others in this rank. In the past, few men have exceeded him in contributing of their time and energy to the onward progress of Sweetwater and the surrounding country.

Mr. Murray is recognized as one of the more progressive typewriter, office equipment and supply dealers in this district, and still retains that distinction in the admiration and respect of his wide circle of friends. Also his interest in, and the very valuable assistance he has rendered to the many projects of a civic nature, reflect the principles which he has always so successfully applied to his business affairs.

We congratulate Wallace Murray on his record, and sincerely hope that his career will be as useful and completely successful in the years ahead as it has been in the past.

Harry Carmichael

Harry Carmichael of Carmichael Motors, is a progressive Ford sales and service dealer of Sweetwater who has consistently forged ahead in his business. He has also put his shoulder to the wheels of civic progress whenever concerted help was needed in furthering enterprises promoted for the general welfare of the community.

Mr. Carmichael was never a man given to wishful thinking. Because his methods are those of direct action and whether the problem at hand is one concerning his own business or that of a civic nature, he attacks it with optimism and vigorous enthusiasm. Add to this his acknowledged business and his keen sense of values and it is easily understood why he is almost invariably successful in business or other matters.

We feel that it is our duty to call the attention of our readers to these worth-while characteristics of Harry Carmichael and to pay him a well-deserved tribute for his straight forward business me-

thods and for the unselfish interest he has shown in public welfare.

Elmon Flint

Elmon Flint is one of the more successful restaurant operators of Sweetwater who, by maintaining a constant standard of service and high quality foods, has made the Sky Line Cafe one of the more popular eating places in the community. We are glad to give him credit for his well-earned success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs and lending his assistance to various activities and public projects. When to take part in such matters he always does so with ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of community activities with such a man as Mr. Flint.

This review of progressive and civic-minded people of Sweetwater would not be complete were we fail to include Elmon Flint. His is the kind of success which deserves recognition and we wish him many more years of the same.

Moye A. Smith & Mrs. Jewell Watson

Moye A. Smith and Jewell Watson of the Globe Cleaners & Dyers, and Globe Tailoring Company, are two of those progressive type citizens upon whom the community depends a great deal for leadership in business or other matters. They are also civic minded and have, in the past, and no doubt will continue in the future to give more of their time and energy for the welfare of others than themselves.

They are the kind of people who make friends, and friendships once formed by them are never broken by an unfriendly act on their part, and they spare no efforts in order that their services to the surrounding area shall be more dependable.

Mr. Smith and Mrs. Watson have never been known to inject themselves into a situation for the mere purpose of gaining publicity. However, they proceed in a calm unostentatious manner, and accomplish their objectives with a quiet dignity. We do not hesitate to recommend Jewell Watson and Moye Smith to our readers as good examples of the more progressive type of business people who have aided in the growth and development of Sweetwater and the surrounding country.

T. H. Kassner

It is fitting in this review of progressive Sweetwater business men that we acquaint our readers with the man to be credited with having maintained the United States Gypsum Company, in the enviable position it holds in the business and industrial life of this area. That personality is T. H. Kassner, the general manager, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which the company now enjoys throughout this entire district.

Mr. Kassner has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen

whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him and to say that this district owes much to the many benefits which T. H. Kassner and the United States Gypsum Company have rendered to the

W. A. "Billy" Martin

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man in his field is W. A. "Billy" Martin of Martin & Company, Neon Signs, who well deserves the reputation he has earned for being one of Sweetwater's more progressive business men. His thorough knowledge of everything pertaining to the neon sign contracting business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Furthermore, such experience as Mr. Martin has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including "Billy" Martin in this group of progressive and civic-minded people who are actively taking part in the evolution of the business and industrial life of Sweetwater.

Lewis O. Hall

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive business men of Sweetwater have found to be the shortest route to success. In making this statement, the man whom we have in mind is Lewis O. Hall of the L. O. Hall General Store. The popularity and patronage enjoyed by his services accentuates the ideals of courtesy and efficiency which he has consistently applied in the management of the business and in the servicing of its patrons.

The conduct of such businesses and the men who operate them have done much to make Sweetwater the business center for many miles around, and it is fitting that we give credit where credit is due such men as Mr. Hall for his part in the onward progress of the city. In doing so, we are merely putting into words the opinions of those who know him.

Lewis Hall has earned his success by the method in which he has served the public, and accepted both civic and business responsibilities, and we wish him every success in the future.

A. C. Kownslar

We take pleasure in this Sweetwater review to call the attention of our readers to one of the more progressive oil drilling contractors of this district. That personality is A. C. Kownslar of the MID-TEXAS DRILLING COMPANY, who is rendering a valuable service to the old producers of the state.

The production of petroleum in this section has been one of the greatest single factors in the growth and progress of Sweetwater and this district, and Mr. Kownslar is a man who has taken an important part in many phases of oil field activities.

He is a resident of Sweetwater and has a large circle of personal friends throughout this entire district. He is also a man who has considered his civic responsibilities in a serious manner and is always ready and willing to help in the promotion of any project which promises to benefit his city and this district.

We congratulate A. C. Kownslar for the part he is playing in the development of the petroleum resources in this part of the state and wish him many more years of successful operations.

Clayborn E. Tharp, Glenn Edwards & O. H. Dowdy

In paying tribute to some of the more progressive business men of Sweetwater we would be remiss in our duty should we fail to include Clayborn E. Tharp, Glenn Edwards and O. H. Dowdy of the Chrysler Auto Service Company, now located at 306 Pecan, whose business abilities are no greater than the "know how" and mechanical skill which have contributed to their well-earned success in the automotive repair and maintenance business, with special emphasis on all Chrysler products automotive service.

They have also contributed generously to the welfare of their city and the community for many miles around. And their civic spirit is evidenced by the many services which they have performed and will continue to perform in the interest of the people as a whole.

They are men of wide acquaintance, whose many friends admire and respect in them those virtues which inspire confidence and promote good feeling. And their upright business methods are a credit to their inherent sense of fair play.

We congratulate Clayborn Tharp, Glenn Edwards and O. H. Dowdy on their splendid records and trust they shall continue to assist us for many years to come.

Mr. and Mrs. W. L. Reynolds

In critical times such as these, it takes business men, and women of more than average ability to carry on their operations successfully. In making this statement, the two people we have in mind are Mr. and Mrs. W. L. Reynolds of the W. L. Reynolds Electric Shop, authorized sales and service dealers for Hotpoint Electric Appliances, electric motor rewinding, and a complete service on refrigeration.

Their contagious optimism and freely expressed belief in the assured future prosperity of the people of Sweetwater and its metropolitan trading area, are characteristics which are to be appreciated in progressive business people. They have always taken an interest in community affairs and have shown a willingness to shoulder their share of the civic load.

It is such citizens as Mr. and Mrs. Reynolds who, because of the successful conduct of their business and private affairs and their willingness to contribute to the public good, who are wholly deserving of a few words of commendation. It is a pleasure to pay them this brief, but sincere tribute.

Carrie C. McCaulley

Performing an outstanding service for the people of Sweetwater and the surrounding territory, Carrie C. McCaulley of the Carrie C. McCaulley Insurance Agency, and the McCaulley Typewriter Company, has achieved an enviable

reputation for her progressive policies of business administration. Her constant study of insurance problem in relation to the protection the people both need and can afford, have been important factors in her well-earned success.

Mrs. McCaulley is a woman of ideas and she is as practical as she is progressive in putting those ideas to beneficial use in furthering the service her insurance agency and typewriter company renders to the people.

Her sound business judgment and unwavering honesty are characteristics which place her in the front rank of the business leaders of her city. Yet, she is unassuming and modest in her contact with the people; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such women as Carrie McCaulley who have caused Sweetwater to become recognized as the metropolitan center for West Texas.

A. V. Little

We desire in this Sweetwater review to call the attention of our readers to the well-earned position which A. V. Little has reached in the business life of this section. During the comparatively short time he has assumed the management of the Earle Hotel in Sweetwater, he has made many personal friends as well as having earned the good will of his associates for the straight-forward manner in which he has conducted his business affairs. And he has returned to Sweetwater to make it his permanent home.

Mr. Little has worked hard to deserve the confidence which the people of the community have in him and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the operation of the Earle Hotel as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of the city and is always ready to lend his support to civic projects. A. V. Little deserves our heartiest congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

Roy DeBusk

In making this review of progressive Sweetwater business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and civic life of the city.

Such a man is Roy DeBusk, the representative for X-Tend Sun Visors, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. DeBusk has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter, who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Roy DeBusk and to point out to our readers that his sincere desire to be of service, coupled with his aggressive methods are largely responsible for the standing of X-Tend Sun Visors throughout the Sweetwater area.

R. L. King, Sr., & Jr. And Howard King

In bestowing credit upon some of those progressive business men of Sweetwater, who in one way or another, have contributed their bit to improve both business and civic conditions, we wish to say a few words about R. L. King Sr., and

Continued on next page

Jr., and Howard King of the R. L. King and Son Standard Service Station.

The King's have set a standard for themselves and the operation of their business that, under present existing conditions, has been very difficult to maintain. However, that they have done so is proven by the large volume of business which their Standard station continues to handle, much of which is due to their unceasing attention to detail and their ability to cope with new and unexpected problems.

Mr. King and his two sons are also civic-minded and have, when asked, cheerfully cooperated on those civic activities to which they have been able to lend assistance. They more than deserve the respect and good will which they have earned, and we and their friends are confident that they will continue to maintain their usual integrity and high standards.

Alma Lane

We wish in this edition to pay tribute to Alma Lane of Dairy Treat, for her many services to the city of Sweetwater and her splendid record of achievements in the business life of the city.

Mrs. Lane probably has as wide a circle of friends as any other person we could name, because she is just naturally the kind of woman who makes friends with almost everyone, and always conducts herself in such a manner as to deserve the respect and good will of all who know her.

Sweetwater is fortunate in being able to number, among its more progressive business people, citizens of this type. She is always ready and willing to lend her support to the promotion of any project which promises to benefit this entire district.

She may be depended upon, and her services to the people are too many in number to be described here. It may be sufficient to say that we consider Alma Lane an asset to the community, and a progressive business woman of whom her city may be proud.

Marie Fomby

It is appropriate that we include in this review of progressive Sweetwater business people, Marie Fomby, a well known real estate operator of the city who is recognized as an authority on all residential, commercial and industrial real estate values. Furthermore, she not only has the reputation of being progressive, but also the added one of being a willing supporter of many community affairs.

Aside from her business activities, Mrs. Fomby has always shown an interest in the civic betterment and progress of her city and has backed up her interest by her contributions to many projects which have benefitted the city and the surrounding area.

Her help along these lines has made Marie Fomby a fine example of the kind of person we all appreciate. We congratulate and extend to her, on behalf of all citizens interested in better business and civic progress, sincere appreciation for her contributions to the general welfare of Sweetwater and vicinity.

Joe R. Hays and Robert M. Wolfe

Because this is a period of growth and expansion for Sweetwater, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Joe R. Hays and Robert M. Wolfe of the Texas Packing Company, Incorporated, for they have become well-known figures in the business and civic life of the city.

Mr. Hays and Mrs. Wolfe's per-

sistent optimism and steadfast belief in the continued future prosperity of the people of Sweetwater and vicinity are characteristics which are deserving of our highest praise.

Joe Hays and Robert Wolfe have also always shown a willingness to do their part in civic advancement and have contributed their bit, in one form or another, to projects promoted for the welfare of their city. We believe that business men of this kind are entitled to our sincere praise, both because they have achieved success in their private affairs and because they are willing to contribute to the public good.

William F. Carson And Morris Harris

At the head of one of the district's more prominent wholesale drug firms, and as leaders of recognized ability in community life, William F. Carson and Morris Harris stand out today as two of the best liked men on the panorama of Sweetwater activity. Their friends are numbered by the hundreds and all of them are of the lasting fibre which come of worthwhile associations, both in the world of business and in the realms of neighborhood life.

The C & H Distributors has been a strong factor in the growth and progress of Sweetwater, and Mr. Carson and Mr. Harris's own efforts in many instances, have been the stimuli behind the outstanding accomplishments of the wholesale drug firm.

The case is a fine example of two men weaving their own personal prominence into executive's lives, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to two men who have done so much to promote the growth and progress of this entire district.

County Budget For Next Year Set At \$387,278

Coke County Commissioners Court last week adopted a 1958 budget which provides for approximate expenditures of \$387,278. It is substantially the same as the past two years, according to County Auditor Weldon Fikes.

When no persons appeared at the advertised budget hearing Monday, the proposed figures were approved without further change.

This year's taxing value for the county is \$26,275,310, a decrease of slightly more than \$3,000,000 under 1956. This largely due to a cut in oil production.

However, a 10 cent levy dropped the past two years, was put into force again to keep the 1958 tax revenue on a level with 1956 and 1957.

Levies for the county operating funds include 15c for road and Bridge and 15c for Road and Bridge Special on each \$100 assessed valuation and 40c for the General Fund.

Levies for bond interest and sinking funds are:

Court House12
Hospital04
Parks05
Prec. 1 Road Bonds16
Prec. 2 Road Bonds36
Prec. 3 Road Bonds24

COKE 13TH IN STATE

Coke County was 13th in the state of Texas in per capita contributions to the 1957 March of Dimes campaign, according to a report received recently by I. C. Oden, 1957 campaign chairman.

Coke Countians contributed .6092 cents per capita to earn the high rating.

Counties which exceeded this county were Andrews, Brazoria, Cochran, Crane, Deaf Smith, Ector, Jeff Davis, Midland, Pecos, Reagan, Sterling and Upton, leaving 241 counties which did not do so well as did local contributors.

Alonzo Robbins will be president of the Freshman class this year. He and other officers were elected at a class meeting this week. Others are Jerry McCutchen, vice-president; Larry Robinson, secretary-treasurer and Mike Lutell, reporter.
