

The BRONTE ENTERPRISE

Vol. 39

BRONTE, TEXAS, SEPTEMBER 27, 1957

No. 39

KINDA DAMP OUT (AND IN)—Workmen took the roof off the John Harris Clinic early this week, as part of the remodeling and rebuilding program now underway at the local institution. The clinic is being doubled in size, with new space for the laboratory, another doctor's office, consultation room, and other offices. The front and north side of the structure will be finished in brick, while the south side will be attached to the hospital.

AD-LIB-BEN

People live longer these days, and as our senior citizens increase in number, the responsibility of society increases accordingly. State and local governments, fraternal organizations, churches and other groups are realizing the need for facilities to increase the productivity and happiness of these people during the "golden" years of their lives. Many older people prefer to live with others of their age and interests.

The Methodist Church is planning a home for elderly people somewhere in the San Angelo district. Bronte has a good chance to be selected as the location for this home. However, we are going to have to show the board which makes the location selection that we want it and that we have the kind of town suitable for such a project.

This thing is still pretty much in the planning stage, but it is something we should be thinking about, and should be pushing for. We should realize that we have a civic responsibility to attract everything of this nature we can to Bronte, in order to make it a better and bigger town.

At the same time we should realize that we have a moral responsibility in providing places for elderly people to spend their declining years happily and productively.

It would be a fine thing for Bronte to have this home here. Not only would we benefit directly in population, but the families and friends who visited here would inevitably add to our economy.

From here, this looks like an opportunity too good to pass up.

Several Students Left Off List in Paper Last Week

Several Bronte college students were omitted from the list compiled by The Enterprise last week. They include:

James David Luttrell, who is attending Texas Tech in Lubbock, where he is a sophomore student, majoring in accounting.

Gerald Sandusky, a senior physical education student, is attending Abilene Christian College. He is minoring in education.

Bobby Franklin is a senior journalism student at North Texas State College in Denton. Franklin worked on the Abilene Reporter-News during the summer months under an internship arrangement with the college.

Jimmy Lee, Bobby Webb and Billy Tounget, all of whom are attending San Angelo College, are physical education majors. Lee is a freshman, while Webb and Tounget are sophomores.

Fred McDonald, Jr., Killed Monday In Auto Wreck; Rites Held Wednesday

Fred E. McDonald, Jr., 44, of Robert Lee, prominent Coke County lumberman, cotton ginner, stockman and civic leader, was killed instantly Monday afternoon when his car, a 1955 Oldsmobile, collided with a gasoline transport truck on highway 208 five miles south of Robert Lee.

Mr. McDonald was a former resident of Bronte, having lived here all his life until he moved to Robert Lee in 1933. He was born at Fort Chadbourne in 1913.

The accident occurred about 3:15 p.m. as Mr. McDonald was returning to his home in Robert Lee. He collided with the truck, driven by William Allen Clark, 44, of Big Spring, driver for Reed Distributing Co. of that city. The truck was loaded with gasoline, but did not explode. The cab was almost severed from the trailer by the impact. Mr. McDonald's car stopped several feet away from the place of the collision, its front end demolished. Clark was treated at Coke County Memorial Hospital from shock and minor cuts.

Authorities in San Angelo were notified of the accident by telephone company inemen, who tapped a line to relay the message. The Clift ambulance of Robert Lee was sent to the scene, but Mr. McDonald was dead upon arrival at Coke County Memorial Hospital.

Funeral services were conducted Wednesday at 10 a.m. from the First Baptist Church in Robert Lee with Dr. B. O. Wood of San Angelo and the Rev. Bennie Smith, pastor of the church, officiating.

Burial followed in the Robert Lee cemetery. Masonic rites were conducted at the graveside. Clift Funeral home was in charge of arrangements.

Survivors include his wife; two children, Mrs. Noel Dean (Jo Alice) Scott of Robert Lee and Fred McDonald, III, a Robert Lee High School student; one grandchild, Noel Dean Scott, Jr.; his mother, Mrs. Fred McDonald, Sr., Bronte; two brothers, W. A. (Bill) McDonald of San Angelo and W. D. (Pete) McDonald of Bronte; and a sister, Mrs. A. N. (Faye) Rawlings of Bronte.

Pallbearers were Roy P. Ross.

ATTENDS SCHOOL

T. D. Joplin, who is central office repairman for General Telephone Company of the Southwest in Bronte, is in San Angelo attending a three weeks company school in basic toll and carrier fundamentals.

The course is designed to train company personnel in installing and maintaining various toll and carrier equipment. He will receive a certificate of award after completing the 120-hour course.

FRED McDONALD, JR.

John Auten, Ed Hickman, Bailey Russell, Geo. L. Taylor, Cumbie Ivey, Sr., Robert Vaughan and W. T. Roach.

Mr. McDonald, a native of the Fort Chadbourne community north of Bronte, was a graduate of the Bronte High School. He attended Texas Tech at Lubbock where he studied cotton grading and received his government cotton license in 1939.

He was married in 1933 to the former Thelma Jo Looney. The ceremony was performed in San Angelo by Dr. Wood.

McDonald was very active in civic work, had served as mayor of Robert Lee; was an Eagle Scout and had worked as a Scout leader during his adult life. He was a Shriner and a member of the Knights of Zoach.

Longhorns to Meet Stamford Thursday

By Bill Alexander

The Stamford B Bullpups will invade Stephenson Memorial Stadium Thursday night to furnish the competition for the Bronte Longhorns. Kickoff time has been set at 8 o'clock and fans are promised a good night of football.

Stamford will send one of the strongest teams ever to face the Longhorns and they should give the local lads a rough go of things. Information received from the Stamford coach shows that they have a large backfield and a fairly good-sized line. Combined with one of the best coaching staffs in Texas school boy football, this outfit should give fans a chance to see one of the finer B teams in the area in action. Last week the Pups were defeated by the Abilene B team by a small score of 13-0. Previously they had defeat-

Jury Values Copeland 60 Acres at \$60,000

A county court jury Tuesday set the price on almost 60 acres of land north of Bronte at \$60,020. The price was set in the condemnation suit styled West Texas Utilities Co. vs. Charlie Copeland et al. WTU brought the suit to secure the land for location of a multi-million dollar power plant. The tract, which consists of 59.85 acres, is located on Oak Creek Lake. It will be used, along with another 57-acre tract, purchased from the City of Sweetwater, as the site for a steam power generat-

ing plant. The 57 acres purchased from Sweetwater cost WTU \$300 an acre, some \$700 per less than the Copeland property.

Cal Young, president of the utilities firm, told the publisher of The Enterprise Wednesday that the jury decision would be accepted and no appeal to a higher court is planned by his company.

The \$60,000 valuation is approximately \$1,800 less than the amount allowed some time ago by a court of view. The decision was appealed to county court, which resulted in the suit this week.

Construction is scheduled to begin on the huge plant early next year. Three years will be required to complete it, putting it into operation in 1961.

West Texas Utilities Co. has signed an agreement with Sweetwater to use water from Oak Creek Lake to produce electric power.

Serving on the jury in the which started Monday were Marvin Stewart, W. F. Fikes and Fred Roe, Sr., all of Robert Lee; Ernest Ivey and Robert H. Sims, both of Bronte; and Sam Gaston of Tennyson.

Representing WTU were Glenn R. Lewis of San Angelo and James Hand of Abilene. Frank Sparks of Eastland represented the Copelands.

Reorganizational Meeting for PTA

A meeting has been called for 4 o'clock today, Friday, for all persons interested in the reorganization of the Bronte Parent-Teacher Association. The meeting will be held in the school auditorium and school patrons are urged to attend.

Since a large number of officers, elected to serve during this year, have become inactive, it will be necessary to completely reorganize the group, if it is to function this year.

In the past years, the PTA has sponsored many worthwhile projects for improvement of the local schools. Landscaping grounds for the new elementary building, purchase of library books and band instruments, hanging of drapes in the audio-visual room are but a few of the many projects which have been sponsored by Parent-Teachers here.

The annual Community Halloween Carnival is the big money-raising event for the PTA and likely will not be held this year unless the reorganization meeting today puts the local group back on active status.

Vetal Flores of Bronte represented this 4-county area at a District 16 meeting of the PTA in Gail Sept. 16. The gathering was the annual Fall Board Meeting of the PTA.

A school of instruction was conducted by the state vice president, Mrs. T. W. Whaley. Preliminary plans were made for the Spring Conference in Colorado City. The details of the Youth Workshop were made and released. Everyone interested in the youth of today is urged to attend the workshop. It will be held Oct. 24 at the First Baptist Church, Sweetwater. Flores and Floyd Parson, superintendent of Big Spring Schools, will give the sub-teen section of the workshop.

MORE RAIN

This area was the recipient of another good rain last Saturday afternoon and night. About 1 1/4 inches fell in Bronte with heavier amounts falling south and east of town. About three inches were received in the Brookshire community.

Clouds remained over the area with more rain predicted later this week.

Band Performs At Tuscola

Those who traveled to Tuscola last Friday night enjoyed a show of precision marching by the Bronte Longhorn Band. The unit marched down the center of the field and did a split counter march. They marched side by side back down and then came back together. On the 40-yard line, they formed a wagon wheel, then a circle and then a figure eight. In front of the host's grandstands the band did a salute routine.

While the band was going through its maneuvers, the majorettes were doing some twirling numbers.

The band played two songs on the field. They came on playing "Our Director" and in front of the host's grandstands, they played "Hot Time in the Old Town Tonight."

There will be a surprise for those who attend the game Thursday night with Stamford. An entertaining half time show is promised.

ed the Robert Lee Steers 13-6.

The Longhorns have been working hard, and they should be in top condition for this game. Working hard and long after last week's loss to Jim Ned, the Longhorns seem ready to go against the Bullpups even though they were able to work out only two days before the game. The starting lineup will have a few minor changes, with Latham opening at quarterback and Grace at tailback. Robert Moore has been moved to a guard position due to a pulled muscle in his back. Moore also suffered a broken nose in last Monday's scrimmage session. Other than Moore, there have been no injuries reported.

The statistics on District 6-B play can be found elsewhere in this paper. They are in my column which is making its debut in The Enterprise this week.

Springers' Daughter Writes of Tour Made This Summer Through Europe

Editors Note: H. A. Springer recently received a letter from his son-in-law and daughter (Dorothy), Capt. and Mrs. W. A. DeRiemer, who are living in Germany. It concerns their recent trip to Italy and Switzerland, which we believe will be interesting to our readers. Because of its length, we will run part of the letter next week.

On Wednesday, July 31, Gene and Jewel Adams (old stateside friends of ours now stationed here) and Bill and I left Rhine Main in our Chrysler, the purpose and climax of the trip was to bring Beth (the DeReimer's daughter) home from summer camp in Switzerland.

Our first stop was Ulm, Germany, the birthplace of Albert Einstein. The tourist attraction is a large cathedral with hand carved choir stalls and the tallest spire in the world — 528 feet. Then left for Garmish.

Garmish is a beautiful little Bavarian town surrounded by the Alps, much like Berchtesgaten. The army has a recreation program in Garmish which is wonderful for the military and their dependents. Rates, tours, hotels, are reasonable and excellently operated. The first night we were there we saw a fabulous ice show which starred professionals from all Europe and was far superior to ones we have seen in the States.

Thursday Bill and I took an all day tour of the area. The first stop was Ettal, famous for its Benedictine Monastery and begun in the year 1330 by the Emperor

Ludwig. Main treasure of the church is a Statue of the Madonna done by Nicolo Pisano. The Ettaler Kloster Liqueur or Benedictine is made here by the Benedictine Order.

Our next stop was King Ludwig's galmorous French style Linderhof Castle. Ludwig was a great admirer of Louis XIV of France. The formal gardens and waterfalls surrounding Linderhof are exquisite and beautiful. Ludwig is often referred to as the "mad king", however mad, he must have loved beauty. It is said that he wanted to hear running water when he retired in the evening and we noted beautiful waterfalls by his bedrooms.

From Linderhof we went on to the city of Oberammergau, pronounced Ober-am-ah-gow, and famous for the great Passion Play, held once every ten years. We saw the theatre where the play is given and all the costumes worn in the play. All members of the cast must be born in Oberammergau and elections are held to nominate players for leading roles. About 1200 people take part and the performances last from 8 to 12 and continuer from 2 til 5:30 p. m. The next play will be given in 1960 and they say 300,000 people attended the 1950 performance.

Wood carvings from the City are famous and much in demand. A carving school educates apprentices and apprenticeship lasts four years. The wood carver masters 100 different tools. We visited a wood carving shop and saw one

of the masters at work. The city is a photographers paradise as it has many decorated houses (paintings on the exterior). Two famous ones are the Hansel and Gretal house and the little Red Riding Hood House. We had a delicious lunch at a typical Bavarian Restaurant with ever so much atmosphere.

Neuschwanstein Castle, pronounced Noy-swan-stein, another of the mad king Ludwig's places, was next on our tour. It is considered by many to be the most beautifully located castle in the world and is not accessible by auto. Our bus stopped at a small Gasthaus (cafe) and we had our choice of walking up a steep mountain side or riding in a cart pulled by a tired donkey and guided by a very old German man who looked incapable of walking, much less climbing the incline to the castle. We choose the cart for the small fee of 1 mark or 25c. Mt. Sauling towers 6000 feet above the castle — not the side we approached it from, however. Upon arriving at the castle the "swan" was much in evidence. It was a symbol used by Ludwig and transferred into stone. The ground floor rooms are or were for housekeeping. In the kitchen is a large stove 27 x 4 feet in size. During the King's time, manually operated elevators brought food to all upper floors. Servants rooms were on the first floor and the 2nd floor of the palace was never completed. The third floor contained the apartments of the King; study, living room, and bedroom all in gothic style and very ornate with wall paintings and rich furnishings. There is also a dining room equally as lovely as the rest where the King dined alone with imaginary guests. The fourth floor contains the magnificent festival and concert hall. There is a tremendous brass chandelier which weighs over a ton hanging in the throne room. This room was never used for official court affairs and was in all probability peopled in Ludwig's imagination. If I'm not mistaken Ludwig occupied this castle for only 22 days and Linderhof for three months. Neuschwanstein was built during the years 1869-1886. Ludwig has another castle near Berchtesgaten which we haven't seen. None of the places were built for show places, but were based on legend and imagination. Ludwig had a fantastic imagination and was eventually declared insane because of his ec-

centric ways, and LARGE expenditures. He was drowned while taking a walk with his medical guardian. The guardian was also drowned and many stories and legends are connected with the deaths. In the present day the people of Bavaria are beginning to realize profits from the castles as they are visited by thousands of tourists weekly.

The last stop on the tour was Wies church. The simple exterior gives no hint of the beauty inside. Of all the churches we visited on our trip, and there were many, I was most impressed with this one. It is located all alone in a green meadow, surrounded by mountains. The legend of the church in brief, is that a peasant woman had a vision of God with tears in his eyes which began a pilgrimage to the scene. Due to the increase in people the church was built in 1746. The church is a harmony of color, light and airiness in contrast to most European churches we have seen. The art work is a masterpiece. The ceiling is flat but gives the impression of being round, and depicts a colorful scene of the Gates of Heaven with angels and cherubs entering. Standing on the floor and looking towards the painting from left, right, or center, the gates look as though they

are leaning toward you. They say the movement of sunlight during the course of a day was employed as an element of design and this is very easy to believe. It was a lovely sunny day when we were there and certainly the perfect conclusion to a grand tour. We got back to Garmish about 6:30 p.m. feeling our \$10.00 was well spent. All the places we visited were scattered over a 75 mile area and we could never have seen them all had we gone alone in our car. Our guide was a jovial personality with a gift of gab, humorous and informative. The bus driver, Hans, was a character dressed in typical Bavarian costume. He drove the bus cautiously but fast and with determination. The guide informed us, just as we started on the tour that Hans was a bob sled driver during the winter and had survived 59 accidents. A joke I'm sure, but after riding with him all day we were happy not to have been involved in No. 60.

(To be continued next week.)

Bronte vs. Stamford 'B'

We believe you will enjoy the game tonight and we know the Longhorns will appreciate your presence and support.

We believe that the training these boys receive is an important part of their school work and it deserves our help and backing. It not only develops them into strong men, physically; it also teaches them good sportsmanship and team work. May the better team win!

Voleta Harwell Honored at Shower

Voleta Harwell, bride elect of David Dixon, was honored with a bridal shower Monday night at 7:30 in the First Baptist Church.

Her chosen colors were orchid and yellow. The serving table was laid with a white cloth over yellow. The table arrangement and the arrangement for the auditorium were fashioned of orchid, white and yellow garden flowers. Corsages for Miss Harwell, her mother, Mrs. Chester Harwell and Miss Mary Campbell, who played background music, were made of roses.

Mrs. Garland Davis of Robert Lee, Mrs. Gene Walker, and Kinney Sawyer of Robert Lee served cake squares, punch, nuts and mints to about twenty-five guests.

Hostesses were Meses. C. E. Arrott, J. B. Mackey, Otis Smith, L. E. Smith, Collins Sayner, Clint Wilkins, Claude Word and Ronald Walton. Pictures were taken by the Rev. Douglas Brown.

Junior Club Meets In Leck Home

The Junior Study Club had a meeting Monday, Sept. 23, at 7:30 p.m. in the home of Mrs. Marvin Leck. She was in charge of the program.

Roll call was answered by each member's telling what she had done during the summer. Mrs. Leck's program was a description and demonstration on how to make TV socks for various occasions, such as Christmas, birthdays, etc. The socks are made from wash cloths.

Games were played and gifts

were exchanged, revealing secret pals. Refreshments of congealed salad on lettuce with whipped cream, Ritz crackers, mints and cold drinks were served to 15 persons, including Meses. Owen Cosgrove, R. C. Huntley, Bill Luckett, Dean Adams, Bobby Vaughn, Norman Porter, Nile Bryant, Wayne Arrott, J. B. Arrott, F. R. Collins, Ralph Dunklin, Oscar Dorsey, Allen Bryan, Marvin Leck and Joe Simpson.

The next meeting is to be in the home of Mrs. Bill Luckett, with Mrs. Allen Bryan as hostess. It will be on Oct. 7. Names for secret pals will be drawn.

Mrs. Bryan made pictures during the Monday night meeting.

Euterpean Club Has First Meeting of Year

By Mrs. Charles Ragsdale

"It's a Woman's World" is the program topic for the Euterpean Club for the new year. The first fall meeting was held in the home of Mrs. Austin Jordan. Mrs. L. W. Sweet, program chairman, presented yearbooks and introduced the programs for each month.

On October 11 an "all ashore" party for husbands will be held on Oak Creek Lake at Sweet's cabin.

"Women in the News" was presented by Mrs. Frank Brownfield discussing fashion designers of the century. Mrs. R. Q. Spence highlighted the ten richest women in America.

Mrs. O. T. Colvin, president, presided at a business session and welcomed a new member, Mrs. Herman Craft, and visitors, Mrs. Bob Goodwin and Mrs. Carl Faith.

Garden flowers in fall colors with shades of orange, brown and red were used as house decorations.

A salad plate of filled apples, curled celery, olives, wafers and coffee was served to the guests and new member and Meses. R. V. Copeland, P. G. Dabney, B. R. McCarty, George Stoepfer, J. Roy Sanderson, H. C. Raney, W. W. Youngblood and Chas. Ragsdale.

Jane Lebuer and Dixie Smith Wed

By Mrs. Charles Ragsdale

A double ring ceremony united Miss Laura Jane Lebuer and Dixie R. Smith in marriage Sunday, Sept. 1, at 4 p. m. in the Glenrock, Wyoming Episcopal church.

Mrs. Smith is the daughter of Mr. and Mrs. M. A. Lebuer of Glenrock. She is a graduate of Glenrock High School and received her M. A. degree in Home Economics this past August from the University of Wyoming.

Dixie, son of Mr. and Mrs. Cecil B. Smith, former Blackwell residents and now of Bagdad, Ariz. is a graduate of Blackwell High School, has a B. A. degree from Texas Tech, and attended Texas A&M College after serving two years in the U. S. Marine Corp. He will receive his PhD from the University of Wyoming in the spring.

Mr. and Mrs. Cecil B. Smith of Bagdad, Ariz., and Mr. and Mrs. Cecil Lewis Smith and daughters, Karen and Brenda of Midland, Tex. were among those attending the wedding.

Mrs. Bailey Speaks To Sorosis Club

Mrs. C. T. Bailey of Ballinger spoke on "Pathways to a Better Family" to Sorosis Club members when they met last Friday night in the home of Mrs. W. D. McDonald. Mrs. Bailey, spicing her talk with frequent bits of humor, emphasized the seriousness of the marriage relationship and stressed the importance of the home.

A refreshment plate, consisting of chicken salad, potato chips, mints and iced tea, was served to Mrs. Bailey; two guests, Mrs. John R. Harris and Mrs. Dean Adams, and the following members: Meses. Edward Cumbie, E. F. Glenn, Royce Fancher, Clyde Lee, Royce Lee, Nealy Mackey, Jacob Morrow, Joe Rawlings, Roy Robinson, Ben Oglesby and the hostess.

ATTEND BALLINGER PARTY

The Shakespeare Club in Ballinger invited area clubs to attend a meeting Tuesday night in the Ballinger Library. The meeting was in honor of Mrs. A. J. House. Attending from Bronte were Meses. R. E. Cumbie, Oden Willoughby and Edna Butner, representing the Progressive Club here and Meses. Royce and Clyde Lee, Jacob Morrow and Edward Cumbie from the Sorosis Club.

ATTEND ART GUILD

Mmes. Charlie and Leonard Keeney were among those attending a session of the Porcelain Art Guild at Sweetwater last Saturday. The meeting was held in the Texas room of the Bluebonnet Hotel. Both ladies are members of the Guild, which meets every two months. There are only four such organizations in Texas. Mrs. W. B. Little of Lubbock was instructor for the meeting Saturday. Seven instructors will be present for the next meeting.

HONORED ON BIRTHDAY

Marla Rees was honored on her 11th birthday last Friday with a party in the home of her parents, Mr. and Mrs. R. W. Rees. Several of her girl friends went home from school with her. The group enjoyed playing in the park, after which several remained overnight for a slumber party.

Longhorns Fall to Tough Jim Ned 11

By BILL ALEXANDER

Bronte's Longhorns looked very weak and unimpressive as they suffered their first licking of the year to a much smaller ball club in the tune of Jim Ned by the score of 13-0. Despite the fact that the Longhorns held a large weight advantage over the Indians, the local lads were unable to move against the smaller opposition.

Both teams played effective defense as neither club gained any excessive yardage against the other. The Indians proved to be the strongest as they allowed the Longhorns to cross the midfield stripe but twice during the course of the entire game. As in previous games the Longhorns were plagued by the hideous disease of fumbling. Each time the Longhorns would make a miscue, the Indians were ready to take advantage of anything given them. The first of these miscues came on the opening kickoff that led to the Indians first tally.

With Jim Ned kicking off to the Longhorns, the Indians played heads up football and pounced on the pigskin as the Bronte boys watched the ball roll to the Longhorn 37. Taking command from there, the Indians succeeded in crossing the double stripe in 10 tries. With Betcher doing the fancy stepping for the Indians, the ball was quickly moved to the 17. Hudson then carried to the 14 with Betcher romping 11 yards to the three. Hudson pushed to the one when Saviors crashed into the end zone for the initial score of the contest. The try for extra point was missed and the Indians held a 6-0 edge over the Longhorns at the end of the first period.

The second quarter saw neither team score, but the Indians were in command the entire period. Neither of the teams could put together very much yardage, but the effective kicking of Hudson kept the Longhorns with their backs against their goal line. A booming 44 yard punt sent the ball sailing to the Longhorn seven yard line where the Bronte lads were unable to move out into safe operating territory and they were forced to punt. The Indians took over on the Longhorn 30, but the Longhorns put up their best defense and took over on the 40 yard marker. Again the Longhorns were held for no gain and Latham punted to the Jim Ned 48. The Indians managed to move effectively to mid-field after being rocked back on their heels by a 15 yard penalty. Again Hudson kicked beautifully to the Longhorn six to keep the local lads operating in dangerous territory. Being pushed back to the three, Latham again punted and the Indians were operating from the Bronte 35. The Longhorns held the Indians on the 30 yard line as the first half came to an end.

The second portion of the game opened with the Indians receiving the kickoff on their own 34. Seven plays later, the boys from Tuscola had rolled to their second and final touchdown. Swindle carried twice moving to the 40 and Hudson and Betcher each carried once taking the ball into the Longhorn's end of the field. Operating from the 48, Betcher broke through behind good blocking and raced 45 yards to the Bronte three before Dean Black over-took him and hauled him down from behind. Two tries later, Swindle burst into the endzone from the one to give the Indians

a 12-0 margin. Windham ran the extra point to end all scoring and give the Indians a 13-0 victory.

Fighting hard, the Longhorns tried to start a drive late in the third period, but the going got too rough and they were forced to punt.

After intercepting an Indian pass on the Bronte 28, the Longhorns were pushed back to the 23 where Latham sent a punt 44 yards to the Indian 39. The Longhorns held, but another of Hudson's long punts sent the Longhorns back to their 27. The Longhorns moved with running power until the Indians brought the drive to a halt with an interception on their own 41. The Indians pushed to the Bronte 34, but the Longhorn defense held and the local boys started a drive that ended with the sounding of the final whistle.

With Aubrey Denman doing the heavy ball carrying, the Longhorns began to look like a fair ball club as the line opened holes for the fleet back to romp thru. Denman started the drive with a seven yard scamper to the 41. Three plays later Denman again carried to the 50 on a four yard carry and then Grace hit Latham with a pass good for seven yards to the Indian 34. Grace put two carries together that netted 19 yards to the 15. Latham attempted a pass, but the hard charging Indian line broke through and smothered him for an eight yard loss as the final whistle sounded ending the game with Jim Ned on top 13-0.

Shorthorns Win 1, LOCAL NEWS Lose To Silver

The Bronte Shorthorns got their 1957 football season underway with a bang last Thursday night by romping past the Edison seventh grade team. The season's opener saw Dee Arrott score four touchdowns while Eddie Spiller rallied for the other two in the Bronte 39-0 victory.

Last Tuesday night, the Shorthorns traveled to Silver to engage in battle with the Silver Junior High eleven. The Silver team, made up of seventh, eighth and ninth grade students carried too much weight and came out on top of a hard fought game 26-12. Dee Arrott again kept the Shorthorns in contention by scoring two touchdowns.

The grade schoolers are composed of seventh and eighth grade boys and are under the coaching of Norman Porter. According to Coach Porter, the boys are progressing nicely despite the size of the boys who are comparatively small. If nothing happens, the Shorthorns will play the Freshmen boys Monday.

Mrs. Douglas Brown and daughter visited in the home of Dr. and Mrs. R. M. Middleton in Wichita Falls recently. Dr. Middleton and his family lived here for ten weeks while he trained under Dr. John R. Harris.

J. P. Nichols of Long Beach, Calif., spent the weekend in Bronte visiting in the homes of Mr. and Mrs. Walter Whalen and Mr. and Mrs. Earl Black. Nichols is a brother of Mrs. Black and Whalen. Also visiting in the Black home were Mr. and Mrs. John Able of Eola. Mrs. Able is Mrs. Black's sister.

Visiting in the home of Mrs. C. C. Glenn last weekend were her daughter, Betty Jo Glenn, of Abilene and a friend, Harry Lominac of Austin.

Mrs. Effie Roberts returned home last weekend after a three weeks visit with relatives in Odesa and Jal, New Mexico.

Mr. and Mrs. D. S. Bennett and daughter, Edith, of Livermore, Ky. visited relatives in Bronte and San Angelo Wednesday.

Leo Rogers, son of Mr. and Mrs. A. L. Rogers, visited in Bronte Sunday. Rogers is now living in Sweetwater.

Mr. and Mrs. Cleo Doggett visited in Bronte last weekend. Mrs. Doggett remained here for a visit with her father-in-law who is in the hospital.

Jimmy Wayne Best of Sweetwater spent the weekend with his parents, Mr. and Mrs. Evert Best.

Miss Patsy Brock, daughter of Mr. and Mrs. Hiram Brock, is now living in Midland where she is employed by the West Texas Electrical Oil Co.

SENTRY DUTY

IN AMERICA every editor is on sentry duty, guarding constantly against all encroachments on the Freedom of the Press. It has always been like this. Ever since the press battled for and won freedom of expression, its guardians have had to be on the constant lookout for infiltration by the enemies of that freedom. Infiltration—pressure from powerful groups to tone down comment on a situation... pulling of strings to keep a story from being published... predigested propaganda releases.

But the press knows the importance of never giving up its freedom. For on freedom of the press depend all other freedoms that make up democracy. Therefore, the men of America's press refuse to recognize any check—except military security—on complete, unabridged and inviolate freedom to print the truth.

That is the challenge of today to the courage and the vigilance of these sentries of America's press.

COAST-TO-COAST ECONOMY RUN PROVES IT— CHEVY COSTS LESS TO DRIVE!

Test run from Los Angeles to New York by the three leading low-priced cars showed Chevrolet costs less to operate, with up to 17% greater fuel economy!

When fuel and operating costs for cars are officially checked from Los Angeles to New York, *that's* an economy comparison! And what happened?

In certified NATA* findings, Chevy delivered up to 17% greater fuel economy, and lower total cost for the trip—proof that Chevrolet costs *least* to operate of the three leading low-priced cars that were tested! But that's not surprising. You *expect* Chevrolet engines to wring extra miles out of a gallon of gas—just as you expect finer craftsmanship in the way a Chevy is built. Better see your Chevrolet dealer soon!

Press Box Chatter

By Offsides Alexander

The 1957 football season is getting into full swing and football lovers from coast to coast are promised three full months of top notch competition. Those fans who are unable to attend the games will have a chance to view football at its best via television. College football is offered on Saturday and professional on Sunday.

College competition got underway last Saturday with the favorites taking command, just as it was last year. The big gun of football, Oklahoma, trounced Pittsburgh 26-0 in the top game of the week. Other noticeable games saw favored Texas A&M down Maryland 21-13, and underdog SMU of the Southwest conference slip by California of the Pacific Coast 13-6. SMU is picked to finish in the cellar in its conference while California is favored to take its conference. Never underestimate the ability of a SWC team.

People of this area have a good chance to see some good Junior College football as the San Angelo College Rams have opened their 1957 season. In the past years, people of this area attending Ram games have reported seeing fine football and this year will be no exception. It appears as if the Rams are in for another fine season and fans of the San Angelo area can see some outstanding games in one of the most beautiful stadiums in Texas.

On the local scene, the Longhorns have come up with two victories and one defeat thus far this season and they still have seven games to play. So far, the Longhorns haven't looked too impressive in any of their games. The local lads are large, but experience is lacking in their big forward wall. The Bronte lads have made a few mistakes in their non-conference games, and perhaps by the time district play rolls around, things will be smoothed out and the Longhorns will come out on top.

From across the county, Editor of the Robert Lee Observer

was a little depressed by my prediction of Robert Lee to finish last in District 6-B play. He had rather go along with Fred Sanner's prediction. Mr. Sanner, sports editor of the Abilene Reporter-News, favors the Steers to take top position in this district. No one can really tell until the last game is played.

DISTRICT 6-B STATISTICS

Teams in this district came out on the bottom of things last week as three of the clubs were defeated and only one managed to salvage a tie game. Hermleigh fought Knox City to a 13-13 tie, while Bronte last to Jim Ned 13-0, Robert Lee to Santa Anna 12-6, and Loraine went down at the hands of powerful Coahoma 28-0. Next week finds Stamford B at Bronte, Rochester at Hermleigh, Loraine at May, Melvin at Robert Lee, and Jim Ned at Trent.

STANDINGS

	W	L	T
Bronte	2	1	
Hermleigh	1	1	1
Robert Lee	1	2	
Trent	0	1	1
Loraine	0	2	

PREDICTIONS

Stamford B over Bronte.
Rochester to down Hermleigh.
Robert Lee to stop Melvin.
Loraine to defeat May.
Trent to slip by Jim Ned.
Arkansas over Tulsa.
Baylor to beat Houston U.
Georgia Tech to take SMU.
Texas A&M to roll by Texas Tech.
Ohio State over TCU.
Texas to defeat Tulane.

The 1956 baseball season is coming to an end and the World Series contenders have already been decided. The Milwaukee Braves will represent the National League while the New York Yankees (as usual) will be the American League's representative. All of the games will be televised and fans from coast to coast will be able to see the best that baseball has to offer.

In boxing, a new middle weight champion was crowned last Monday night as Carmen Basilio won a split decision over the all time great Sugar Ray Robinson. Robinson is 37 while Basilio is only 30. In his younger days, Robinson was the best pound for pound fighter in the business. He will always be a great champion.

READ THE WANT ADS.

Brown Attends Convention

Rev. Douglas Brown, pastor of the First Baptist Church in Bronte, Gerald C. Allen, Rev. Benny Smith and Weldon Fikes, all of Robert Lee, recently returned from attending the First National Convention of the Baptist Brotherhood in Oklahoma City, Okla. Over 5,600 laymen were present at the convention, which was the first of its kind, even though the Brotherhood is 50 years old. It was held at the municipal auditorium.

Theme of the five-session convention was "free men through the ages." Much work went into working out the details of the meeting and securing speakers, Rev. Brown said.

Among the more prominent speakers were Howard Butt, outstanding Baptist layman and chain food store operator in South Texas; Dr. Theodore Adams, president of the Baptist World Alliance; and Raymond Gary, governor of Oklahoma. Gov. Price Daniel

was scheduled to speak but was unable to attend.

Laymen's day was set to be observed Oct. 13.

PERSONALS

Rev. and Mrs. R. W. Blackmon and family have been out of town the past week. They were called to Pasadena, Texas Thursday of last week after learning of the critical illness of Mrs. Blackmon's brother-in-law, who suffered a stroke on Wednesday. It was learned later that he died Sunday and funeral services were held Wednesday of this week. The Blackmons were expected to return Wednesday night.

James Vernon Andrews who is attending Texas Tech in Lubbock, visited in Bronte over the weekend with his parents, Mr. and Mrs. Merle Andrews. Milford Phillips also visited in Bronte last weekend. All the boys returned to see the football game Friday night. They were both wearing "Fish Beanies."
