## AD-LIB-BEN

Looks like Coke County is well on the road toward the dubious honor of having the most traffic fatalities this month in the San Angelo district of the Texas Highway Patrol. Seven already, and there's still another week to go.

The situation is so bad that the Patrol office in San Angelo has sent one of its men to Coke County for this week. They think people driving through Coke County should exercise a little more caution, so they sent their man out here to see that we do just that.

We had a big hot article written for this column about people trading at home, but decided against running. We believe most residents of Bronte realize the importance of buying everything possible in the home town, and it is extremely doubtful if we are going to convince the others they should do it.

Mrs. Anna Whitfield called Friday to correct a statement in last week's Enterprise. She said she was happy to report that water did not go into the home where she and her daughter, Miss Nannie Pearson, live. She said water came up on the porch and within a quarter-inch of getting into the house but the water receded before getting that last little bit higher.

On the other hand, we had several others tell us that water got into their homes who were not on our list last week.

The sewer system is still very much in the minds of Bronte residents. People are becoming more aware all the time of its importance to them personally as well as to all of us as a town. The flood a few days ago caused all kinds of septic tank trouble all over town and is going to be expensive to correct and repair.

Ed Ratliff of Bronte sold three 10 month old buck lambs to Oscar Rose of Abilene for \$100 per head. The sale took place Monday. Ratliff, who ranches south of Bronte near river, raises registered Rambouillets

## Plans Shaping Up for Annual Halloween Carnival Oct. 31

Annual Bronte PTA Halloween Carnival is all set for next Thursday night and will open at 6 p. m. with food being served in the Spanish room. During the evening, various entertainments have been planned including a costume parade and contest in the auditorium at 6:30, fishing ponds, side show, crazy house, hot dog stand, cold drink and coffee stand, cat stand,

fortune telling booth, motion picture room, grab bag stand, canasta room and others.

A number of prizes, donated by local merchants, will be given away.

As a departure from the past, the carnival will not be held in the gymnasium but in the basement of the high school building with some events, including the movies and canasta, taking part in the new elementary building.

Events will be climaxed with a program and the coronation of the Halloween queens in the auditorium at 9 p. m. The prizes will be given away just before the program and cakes, pies and other items will be auctioned between the program and coronation.

Classes have been busy the past week working for their various candidates for queen, which were chosen in class elections. Two queens will be crowned, one from the grammar school and another from the high school.

Vieing for the honor in high school and their escorts are: Jeanette McDaniel and James Arnold Tidwell, seniors; Epsie Hageman and Dean Black, juniors; Luann Hageman and Bobby Wrinkle, sophomores; and Carolyn Glenn and Mike Luttrell, freshmen.

Candidates for queen and their escorts in grade school include: Laura Lee McGuire and Jackie Corley, eighth grade; Barbara Libby and Jerry Roach, 7th grade; Gail Mackey and Ellis Freeman, 6th grade; Ann Harris and Ronnie

## Public Will See New Chevrolets Next Thursday

Caperton Chevrolet Co. of Bronte will have four new 1958 model Chevrolet passenger cars on display next Thursday, Oct. 31. An open house and public showing of the new cars is set for that day.

Matthew Caperton, co-owner of the local agency, said they are very well pleased with the looks of the new models. "I believe the public will like them as well as we do," he said.

Press releases and pictures of the new models will be carried in next week's paper, since they are not being released to the public until Oct. 29.

In addition to getting a view of the new cars, visitors at the Chevrolet house here next Thursday, will be served free do-nuts and coffee and given free prizes.

"We want all our friends and neighbors to be our guests next Thursday and see this new car," Caperton said.

## Bronte-Trent Battle Saturday

Trouble and plenty of it appears to be in store for the Bronte Longhorns as they travel to Trent to take on the Gorillas Saturday afternoon at 2:30. The game was originally scheduled for Friday night (tonight), but was set up to Saturday to accommodate the Trent Homecoming festival. This will be the first day game the Longhorns have had on tab for several years.

The battle promises to be a rough and hard hitting game from start to finish as both teams will be in the best of shape for the game that will tell the do or die story for the Longhorns so far as the district title is concerned. At the present, the Gorillas are tied for the top spot with Robert Lee with a 1-0 conference record. The

Longhorns are tied for third with a record of 1-1. In the event that the locals lose this contest, it would put a very dim view on the championship title for them. Following this game, the Bronte boys will have only one more conference tilt left on their schedule while Trent has two remaining district battles.

The Longhorns will come up against a team that does not have an exceptionally large squad, but they have speed and are a hard hitting outfit. Returning from the eleven that downed the Longhorns last year, are eight starters. The Gorillas were the lightest hit by graduation of any team in the district and they appear to be the team to beat for any other team

## Mass Meeting Called To Discuss Floods

A meeting has been called for Monday night, Oct. 28, at 7:30 o'clock in the school auditorium to discuss flood control on the Kickapoo Creeks. The session is being sponsored by the Bronte Lion Club.

C. E. Arrott is chairman of a committee to present the program, with A. V. Sheppard of the Soil Conservation Service and County Agent Sterling Lindsey serving with him.

Several speakers are being lined up, but only the name of O. B. Harkey of San Saba was available at press time Thursday. Harkey is familiar with procedure necessary to take to put flood control

projects into operation. He and the other speakers will explain the problems and work which go into putting over such a project. They will also answer any question which anyone present may care to ask.

H. O. Whitt, secretary of the Lions Club, said Thursday that the organization wants everybody to be present at the meeting and express sentiments regarding the work that needs to be done to keep Bronte from flooding and to conserve the soil and water of this area.

Much interest has been shown in this problem since flood waters engulfed the town and surrounding area Sunday, Oct. 13. This was the second time in four years that thousands of dollars damage has been done to property here by high water. In addition to the water rising into buildings and damaging personal property of local residents, thousands of tons of rich topsoil were lost to the rampaging waters.

## Wreck Kills 4

Four persons were killed in a headon collision about 3½ miles south of here early Sunday morning. The accident occurred at 1:54 a. m. at the curve leading to the hill south of the Colorado River.

Killed in the wreck were: A/1C George H. Stevens, 19, of Brooklyn, N. Y. and stationed at Dyess AFB, Abilene.

A/2C Michael C. Clements, 20, of Mansfield, Ohio, also stationed at Dyess.

Charles Kenneth Crayton of Abilene.

His father, J. R. Crayton, 57, of Wingate.

A/2C William O. Butler, also stationed at Dyess, and whose home is Florence, Ala., was critically injured in the accident. He was brought to Bronte Hospital where doctors spent the remainder of the night working with him. He was transferred to Goodfellow AFB Hospital Sunday and underwent surgery there Sunday night.

Highway Patrolman J. A. Sikes, who investigated the accident, gave the following account of what happened:

The three airmen were driving a 1956 Ford south on Highway 277, when their car collided headon with the 1950 Ford in which the Craytons were traveling north. The accident happened on a curve. Apparently, Butler was driving the car from Abilene, while the younger Crayton was the driver of the

## Last Rites Held For Mrs. Palmer, Wes-Tex Pioneer

Funeral services for Mrs. D. H. Palmer, 86, of Bronte were held Sunday afternoon at 3:30 from the Bronte First Baptist Church. Officiating were Rev. C. R. Blake, Baptist minister from Welch; Rev. Bennie Smith, Robert Lee Baptist pastor and Rev. Douglas Brown, pastor of the Bronte church.

Burial followed in Fairview cemetery in Bronte under direction of Cliff Funeral home. Grandsons were pallbearers.

Mrs. Palmer died at 12:30 p. m. Saturday, Oct. 19, in Coke County Memorial Hospital in Robert Lee after a lengthy illness.

She is survived by five sons, B. P. Palmer of Hert, Texas, W. H. of Rivera, W. J. of San Angelo, A. R. of Brownwood and John of Odessa; five daughters, Mrs. Verna Allen of Bronte, Mrs. C. J. Brooks of Amarillo, Mrs. W. L. Cooper of San Antonio, Mrs. Curtis Walker of Robert Lee and Mrs. G. D. Kennedy of Plains. Also surviving are 30 grandchildren, 30 great grandchildren, 3 great great grandchildren, 2 brothers and 3 sisters.

Born April 3, 1871 in Lamar County, Texas, she was the former Violet Norton, daughter of the late P. D. and Vandelia Sparks Norton. She attended school at Cottonwood, Texas and there married D. H. Palmer on Aug. 3, 1887.

The couple moved to Menard in 1893 and on to May in Brown County in 1929. They came to Bronte in 1943 where they lived until they moved to San Angelo and lived until Mr. Palmer's death. Mr. and Mrs. Palmer observed their 65th wedding anniversary in August before his death in January, 1953, at the age of 92.

Mr. and Mrs. Palmer could recall the pioneer days in this area quite well and he once said he made his first trip here in 1889, when San Angelo was still a village between the banks of two rivers.

The late Mr. Palmer was an early day surveyor and was a Baptist minister for more than half a century. They spent their 65 years of married life in many places over central Texas.

# Longhorns Crush Loraine 27-6 To Even Conference Record

By Bill Alexander

Using a crushing ground attack the Bronte Longhorns roared by the Loraine Bulldogs by a score of 27-6 in a conference contest at Loraine last Friday night. The win gave the Longhorns a 1-1 record while the loss dropped Loraine to the cellar with an 0-2 record.

Working behind good blocking up the center of the large Longhorn forward wall, the hardcharging backs tore off enormous chunks of yardage all through the contest. After tallying mid-way in the initial period, the Longhorns were never threatened by the scrappy team from Loraine. The Bulldogs lone tally came with only a few minutes remaining in the second half on a march that netted 80 yards. Both teams moved consistently on the ground, but fumbles hit both teams when they needed the ball the most. The Longhorns misused only three times while the Bulldogs erred five times. The Longhorns had one drive halted late in the game by an interception of a Bronte pass on the part of Loraine on the one yard line.

Returning a short kick to the Bulldog 31, the Longhorns hit paydirt in five plays after being penalized 15 yards on the first play from scrimmage. Operating from the 46, the Longhorns used the reverse with Benny Corley doing the footwork behind beautiful blocking to go 33 yards to the 13. Dean Black carried to the nine and then went off tackle to cross the double stripe. Black also ran the extra point to put the locals out front 7-0.

Late in the first period, Bobby Compton latched on to a Bronte fumble on the Longhorn 34. Moving with effective ground gains, the Bulldogs drove to the Bronte nine. On the next play, the Bulldogs fumbled and before the pigskin touched the turf, Tommy Latham plucked it from mid-air and raced 91 yards to score standing up. Black again converted and the Longhorns held a 14-0 lead early in the second quarter.

After recovering a Bulldog fumble, the Longhorns were forced to punt giving the Bulldogs possession on their 20 yard line. Nine plays

later, Loraine succeeded in marching to their first and only score. Bob Rankin opened the drive by scampering 33 yards before being hauled down from behind by a host of Longhorn tacklers. Rankin again carried and moved the ball to the Bronte 35 on a 12 yard carry over guard. Rankin carried for four more yards and then Don Templeton put four tries together for 23 yards and a first down on the 10 yard line. Rankin moved to the 5 and then burst into the end zone for the touchdown. Rankin failed to convert and the score stood at 14-6 at intermission with the Longhorns holding the edge.

After bringing a Longhorn drive to an end on the 11 with the recovery of a fumble, the Bulldogs moved to the 17 and were forced to punt. Templeton got off a nice punt that carried across mid-field where it was taken by Corley and returned to the mid-field stripe. Latham carried to the 48 in Loraine territory and then Corley worked on the carrying end of the reverse and went 48 yards to score. The Longhorns failed on the conversion try and a few plays later the third period ended with the Bronte lads leading 20-6.

Taking the kickoff, the Bulldogs returned the kick to Longhorn ground on the 48. Templeton showed fancy stepping as the Bulldogs moved effectively to the Longhorn 28. Rankin carried seven to the 21 and then Robert Galvan carried three times to the Longhorn 2. Rankin failed to gain and on third down, the Bulldogs were assessed a five yard penalty moving them back to the seven. Two downs later, the Longhorns took over on their 2 yard line. The Longhorns were forced to punt and the Bulldogs were on the move from the 34. Latham pounced on a loose ball on the Longhorn 34 and the Bronte eleven were on their way to their final score. Black broke through the line and raced 34 yards to the Bulldog 32 yard line. Corley carried for two and then the Bulldogs latched on to a Latham pass on the one yard line to stop the drive of the Longhorns.

On the first play, Robert Moore fell on a Loraine fumble on the two yard line to put the Bronte boys in

scoring position. Latham carried on a keeper for the two necessary yards. Black converted and the Longhorns came out on top of a 27-6 score.

## HAVE SUCCESSFUL HUNT

Jack Arrott of San Angelo and James and Monroe Arrott have returned from a successful elk hunt near Pagosa Springs, Colo. The men went to Pagosa Springs last weekend, arriving shortly after the season opened on deer, elk and bear.

The group traveled in a pickup with a trailer and a jeep. They

hunted in the jeep and on foot. Three large elk were killed, the largest weighing about 1,000 pounds and the other two ranging between 600 and 700 pounds.

The men reported they enjoyed the hunt very much, but said they would take some horses next time they went, so as to cut down on the walking. They said they saw some bear and shot at them, but they were too far away to make a hit.

Wives of the men stayed in the Jack Arrott home in San Angelo while their husbands were away.

## Highway Patrol Sends Man Here

H. A. Anthony of the Texas Highway Patrol, has been operating out of Bronte this week. He was sent here by the San Angelo office in an effort to curb the reckless driving and many accidents in this county.

Justice of the Peace C. E. Bruton said this week that the state police department is determined to do something about the large number of accidents occurring in this area. Eight persons have been killed in Coke County in the last four weeks.

Bruton said\* that Anthony and other patrolmen working this county, had issued 14 tickets this week up through Wednesday. Twelve of the violations were for speeding, while two were for operating trucks without proper inspection stickers.

Bruton said he was doing everything possible to cooperate with Anthony in enforcing traffic laws. Mayor Ernest Ivey said the City will assist him in any way possible.

Mrs. Nile Bryant and Paula returned Sunday from a week's visit in the home of her parents, Mr. and Mrs. Frank Halencak, of Crowell. Her father, who is recovering from surgery, is reported doing very well.

Mr. and Mrs. Noel Percifull and Gay of Abilene spent Sunday here in the home of his parents, Mr. and Mrs. J. A. Percifull. They were accompanied by Mrs. Percifull's mother, Mrs. Mary Slaughter.

Mrs. Bon Spoons and Linda of Priddy visited in the home of their parents and grand parents, Mr. and Mrs. C. E. Bruton, last weekend. Mr. and Mrs. E. O. Nicholas of San Angelo were also guests in the Bruton home.

Mrs. Mabel Pierce, National City, Calif., visited here briefly this week. She was enroute to visit her brother in Kerrville, who had suffered a heart attack. Mrs. Pierce is a niece of Robert and C. D. Knierim.

## \$228 Collected For Boy Scouts

A total of \$228.50 has been turned into Auditor Cecil Kemp for the annual Boy Scout fund drive now in progress.

The annual drive raises money to carry on Scout activities locally and in the Concho Valley district.

H. A. Springer, who heads the fund drive, said this week that he would like to see all workers get their money in as soon as possible. "Let's all contact our prospects and wind up this campaign right away," he said.

## Farm Bureau's '57 Membership Hits New High

Coke County Farm Bureau has reached its 1957 quota of 180 members, according to a report given at the annual meeting held Tuesday night in the Robert Lee school cafeteria. It is the largest membership ever attained in this county, and is well over the 1956 figure of 153 members.

A barbecue supper was served to members and their families at 6:30, with the annual business session following. All officers were re-elected, but there were changes in the board of directors.

Named as delegates to the state convention in Dallas Nov. 17-20 were President Dave King and J. W. Service, Sr. Mrs. Service was selected as an alternate delegate.

Nolan Pentecost, chairman of the membership committee, was applauded when he reported the quota had been reached. Mrs. C. E. Arrott gave her annual report as secretary-treasurer and also reported on group hospital insurance carried with Blue Cross. O. T. Colvin reported on his year's work with Farm Bureau insurance, showing a steady gain in business.

Past president's pins were awarded to Clarence Arrott, O. T. Colvin and James Arrott, and a president's pin to D. O. King, who was re-elected. Clarence Arrott and his wife were among the leaders in organizing the Farm Bureau in Coke County 12 years ago. Mrs. Arrott has served continuously as secretary. Membership dues are 7.50 per year, of which sum \$5.00 is forwarded to the state and national organization. The Coke

The following resolutions were passed by the Farm Bureau members in their business session:

We oppose any attempt by Coke County Commissioners to allocate, appropriate, or otherwise use Coke County's share of farm to market road money for any purpose other than construction of new farm to market roads.

We feel that school bus and mail routes should receive first consideration in the construction and maintenance of all-weather roads.

We oppose any attempt by the legislature to change and prevent farm to market road programs to allocate money for purposes other than construction of farm to market roads.

We favor the proposal that the Legislature make more money a-

## Methodists Have Groundbreaking

Following the Sunday morning sermon at the First Methodist Church in Bronte, members of the congregation gathered at the rear of the building to have a formal groundbreaking ceremony.

The ceremony started construction of a new Sunday school wing containing four classrooms, and a new MYF room to be built on the back of the present sanctuary. Other work included in the present contract will be remodeling of the present Sunday school rooms and installation of central heating and refrigerated air conditioning equipment.

Rev. Lin Loeffler, pastor of the church, was in charge of the ceremony and turned the first shovelful of dirt. He was followed by Rev. Paul Terry of Edcouch, who was holding a revival meeting here. Then, church officials and members of the congregation took turns at the handle of the shovel.

Mr. and Mrs. J. L. Carroll of Richland Springs visited Mr. and Mrs. Oscar Dorsey Friday night. Gordon Dorsey returned home with them and spent the weekend.

William Fletcher, who has been spending the summer working in Illinois, returned to Bronte last week. Fletcher plans to stay in Bronte.
