## Longhorns to Tangle with Wildcats In Playoff Friday Afternoon at 2

### AD-LIB-BEN

Everybody has nothing but football on the brain this week and we're no exception. We've heard that a few persons have been wagering a little cash on the outcome of the contest with Wink, but weren't able to get any names. However, we do have the name of one fellow who will take Bronte and give up to 50 points. He didn't specify how much he would go for, but that was his proposition.

Bad weather last Friday night prevented the kind of program everybody wanted to honor the 1933 football team, the last Longhorn squad until this year to go through the season undefeated. This team was made up of Rand Davis of Novice, N. C. Davis of California, Jacob Bruce Morrow of Bronte, Garland Williams, who has since died, Bon Spoons of Brownwood, W. A. Hickman of Blackwell, Robert Spoons of San Angelo, J. B. Glenn of Abilene, R. I. Collier, who has since died, Pat Johnson of Bronte, Frank Hearne of Silver, Waymond Percifull of La Veta, Colo., Jimmy Eubanks of Hondo, J. B. Pairish of Midland, J. D. Luttrell of Bronte and Dwain Leonard of Big Spring. Their coach was H. A. Fitzhugh, a son-in-law of Mr. and Mrs. F. S. Higginbotham and now manager of the Straus-Medina ranch near San Antonio.

For the information of our readers we are reprinting below a story taken from a Dec. 8, 1933, Enterprise which concerns the last game of that season.

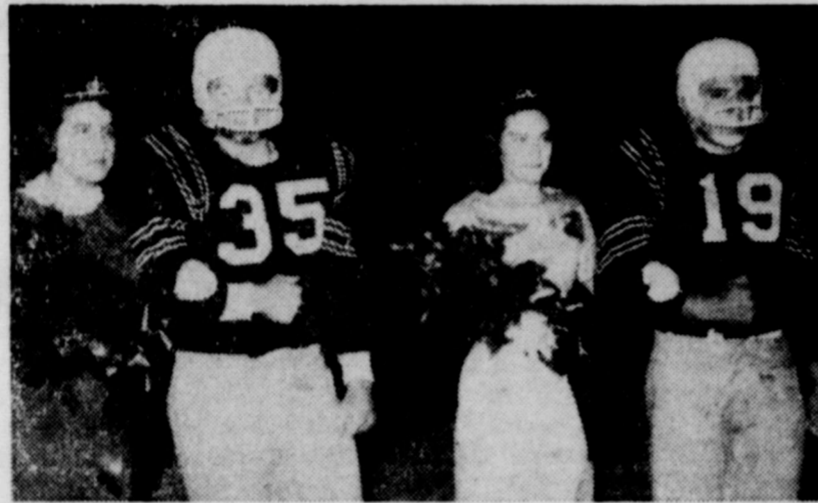

#### LONGHORNS RAP STEERS 20-6 IN 8TH STRAIGHT WIN

Coach Fitzhugh took his "herd" of Longhorns to Robert Lee Friday, 17 and played and beat the Steers 20-6. This gave Bronte the honor of being undefeated the entire season.

The first half saw Robert Lee with 6 points and Bronte 0. Bronte was having hard luck the first quarter. The Steers received and tried a pass which was intercepted by a Longhorn. Bronte was forced to try a boot, but there was a fumble and Robert Lee downed them for about 20 yards loss. The ball went over. Eubanks went through the line and tackled "little" Jolly for about 10 yards loss. Robert Lee was held and forced to boot. Leonard received a pass from Pairish for about 15 yards gain. Bronte booted and Robert Lee completed a pass for a gain. The Steers pulled an unusually tricky play which enabled Jolly, their quarterback, to run around right end about 60 yards for a touchdown. The Longhorns prevented them from making the extra point.

Bronte received for no gain, and booted. Robert Lee returned the ball by a boot. Then, the Longhorns sprang into action. Leonard hit center for about six yards gain, then Pairish carried the ball around right end for a first down. They tried a pass to Spoons, then to Eubanks which were incomplete. Leonard missed a nice pass.

BRONTE ROYALTY — Bette Blackmon, left, escorted by Benny Corley, was crowned Homecoming Queen before the Bronte Robert Lee football game last Friday night. Yvonne McCut-

chen escorted by her brother, Kenneth McCutchen was also crowned Football Sweetheart during the ceremony. Corley and McCutchen are co-captains of the Longhorn team.

### Homecoming Well Attended by Exes

Ex-students, teachers and friends of Bronte school turned out nearly 150 strong for homecoming last Friday evening despite the cold and disagreeable weather which blew into this area that day.

Special guests at the homecoming affair were members of the 1933 football team, the last Bronte team until this year to go through the season undefeated. Plans for special recognition of the team members at halftime at the Bronte-Robert Lee football game had to be cut short because of the weather.

Guests at the homecoming were registered and a snacktime gave them an opportunity to visit with each other. Registration began at 5:30 p. m. and the activities continued until 7 when the group went

to the ball game.

Among the out of town guests present were Rennel Bankhead and James Hearne of Odessa, Mr. and Mrs. Harold Denton of Sweetwater, Mr. and Mrs. Red Holland of Big Spring, Mr. and Mrs. J. B. Pairish and son of Midland, Mr. and Mrs. Earl Rusk, Mr. and Mrs. H. P. Hudman, Mr. and Mrs. James R. Clark of Abilene, Mr. and Mrs. Frank Hearn of Silver, Edith, Kayla, D. L. and Bea Hudman Staats of Dallas, Mr. and Mrs. Bon Spoons and Ann and J. S. Jayroe of Waco.

### Nurses Pass State Board

Twelve out of 13 in a class of vocation nurses, who recently completed their course of instruction at the Bronte Hospital passed the State Board examination and are now fully licensed vocational nurses.

All of the women attended long hours of class and practical instruction before they were qualified to take the state exam.

Passing the state board were Mmes. Sam Richards, Tommy Stevens, Gracie Phillips, Rome Richards, Frank Keese, W. Hipp, H. O. Hester, Jesse Parker, H. C. Murtishaw, Brady Mills, Maudie Clark and Miss Oleta Brice.

### Burn Victims Are Recovering

Three Abilene oilwell workers were injured last Thursday night in an oilwell fire three miles northeast of Blackwell.

All three were brought to Bronte Hospital.

Laymond (Buck) Smith, 24, the worst burned of the three, had third degree burns on the back, plus burns on the arms and legs. He was transferred to a Dallas hospital this week.

Jack Smith, 30, received third degree burns on his hands when he went to the aid of Buck Smith. He was dismissed from Bronte Hospital Wednesday.

Otis Feemster, 26, who is still in Bronte Hospital and reported doing well, sustained second degree

### An Open Letter

Dear Football Fan:

The Bronte High School Longhorn Football Team has just completed its second undefeated season in its history. Because of its position as winner of the District 6-B crown, it will meet Wink in the bi-district game. Deciding upon a site and time for a contest like this, in addition to the making of many additional decisions, requires much forethought, intricate planning, and dedicated consideration.

As to the site, let us consider some of the following: (1) the selection of a larger town as a neutral site does not assure there will be supported interest, (2) other schools within a neutral area may not have completed their schedules, (3) other smaller schools may be looking for a playoff site, (4) the opponent may not agree to a neutral site, and if it has one, it may be one we would not endorse, (5) the minimizing the game conditions when officials from the two schools involved have no responsibility in the making of preparations.

Some things to consider in selecting a date would include: (1) the time of year, (2) the type of climatic conditions, (3) the distance to be traveled, (4) the brevity of time between the bi-district and regional games, (5) that other school groups may have Saturday engagements.

Other things to consider would be an understanding that the opponent is just as interested in gaining the most favorable conditions as we are. Too, game strategy such as that which relates to weather and field conditions, the type of ball used, the color of jerseys worn, the game officials selected often has greater effect upon the outcome of a game than does the site or place.

Lastly, someone has to lose the "toss." It happened to Bronte. Bronte will be playing in Wink, but it will make little difference. Bronte has played in other places at other times. If you fine fans continue to give your loyal support, this can be another victory for the Longhorns.

Sincerely,  
C. B. Barbee, Supt.

### Stores to Close For Ball Game

Quite a number of Bronte business firms have indicated they will close Friday in order that personnel may attend the Bronte-Wink football game.

In a survey made the first of the week, it was learned that the following stores will be closed:

Kemp's Cleaners, Bronte Feed & Supply, Bronte Flowers & Gifts, Cumbie & Mackey, Caperton Chevrolet Co., Central Drug, Bob Wilson Barber Shop, Dot's House of Beauty, Cactus Cafe, Sims Food Store, Butane Service Co., Scott Butane and The Bronte Enterprise.

Friends have learned that Jack Nelson is seriously ill in Shannon Hospital in San Angelo.

The District Champion Bronte Longhorns will travel to Wink Friday to play the Wildcats in a Bi-District playoff game.

The Longhorns completed the regular football season last Friday night, defeating the Robert Lee Steers, and ending the season with 10 straight wins and no losses or ties. The game will be played at 2 p. m. Admission prices will be \$1.00 for adults and 50 cents for students.

Supt. C. B. Barbee announced that school will be dismissed for the week Thursday afternoon at 3 p. m., immediately following a pep rally at 2:30 in the gym.

The football squad will depart for Wink at 6 a. m. Friday on a chartered bus. The Longhorn band will leave at 7 a. m. on a school bus. Another school bus will be run to carry students who wish to ride it. Only students in grades 7 through 12 will be allowed to ride the school bus. No charge will be made for students' riding the bus, but they must buy their tickets in advance.

An advance ticket sale started Tuesday, and both adult and student tickets are on sale in the superintendent's office. Adult tickets may be purchased downtown at The Bronte Enterprise office and Bob Wilson's Barber Shop.

The 1959 season is the first in which the Longhorns have gone undefeated since 1933. The Bronte lads have piled up an impressive 316 points to 46 for their opponents. The Longhorns actually are credited with 11 straight wins, having won their last game of the 1958 season.

Wink, on the other hand, has had three defeats this season, at the hands of Denver City, Fort Stockton and Jal, N. M. The Wildcats were undefeated in district play.

Arrangements for the Bi-District game were made Saturday when Coach Bob Howard and Supt. C. B. Barbee met with Wink school officials in Big Spring. The local representatives lost the toss on where to have the game, giving Wink the advantage of their home field. Due to the fact that the game will be held at Wink, the Longhorns will receive \$200 expense money and the remainder of the gate receipts will be split between the teams.

The Longhorns will not be at full strength against Wink, as Benny Corley, Dee Arrott and Jerry McCutchen received injuries in the Robert Lee game. Corley got a bad bruise on his hip, Arrott has a charley horse and was unable to play the second half of the game with the Steers, and McCutchen has a rib injury. However, Coach Bib Howard reported that all three of these Bronte stars seem to be recovering and he is hopeful they will be able to go up against the Wink Wildcats. Corley and Arrott are the Longhorns' leading ball carriers and McCutchen is a star end and pass receiver.

Mr. and Mrs. Allen Coppedge and children of Graham visited Mrs. Jes Coppedge and Mr. and Mrs. Ira Coppedge and family last Wednesday.

**UNCLE HUIE from HOG CREEK says**

DEAR MISTER EDITOR:

It has got so November and April is the most important months in our calendar. In November we give humble thanks unto the Almighty for our many blessings and in April we pay the Internal Revenue Department for supervising 'em so good fer us.

I think it's mighty proper that our annual month for thanks comes when them Congressmen is not in session. I see by the papers whele they averaged spending \$162,000 per minute during the last session. It's a big saving fer the taxpayers when we got them boys at home fer a spell. I aim to give thanks throughout the whole month of Novemeber just fer this one blessing alone.

Speaking of our Congressmen, they ain't very smart in setting the amount fer each item they spend. Fer instant, they set up \$200,000 fer radio broadcasts on "health, education, and economic security," whatever that is. You never see a smart merchant setting the price of somepun at even money, like at \$2 even or \$5 even. He knocks off a cent or two and makes it a real bargain at \$1.99 or \$4.98. Now if them Congressmen would set up that broadcasting item at \$199,998.98 us folks back home would figger we was gitting that broadcast at a bargain.

Well, I see where some Russian diplomat, after waiting two month to think it up, claims we didn't show Khrushchev the proper hospitality in Washington

and present him with the keys to the city. It is very plain that them Russians don't understand the situation in Washington. On account of not having nothing in Washington locked up, we ain't never had no keys to the city. The five percenters, politicians, and influence boys just go in and git what they want. Washington is run on the self-service plan and they don't want nothing locked up. The only thing they keep locked up is the traveling expenses of them junketing Senators and Representatives, but they're stored in a secret cave over in Virginia.

Of course, Mister Editor, I think Khrushchev would be a bad risk fer owning keys, even to Washington — if they had any. I wouldn't trust that feller as fur as I could spit into a 50-mile wind.

I come to town yesterday to git some 20-penny nails and they was up a bit over the last time I bought 'em on account of steel going up. I git mighty tired of things going up that the falmer and rancher needs and things going down that he produces. City folks is always complaining about beef being high. I hope it gits so high that if the prodigal son come home anytime soon his Pa will have to run him off and keep the calf.

Yours truly,  
Uncle Huie

**MISS LINDA CAROL SMITH BECOMES BRIDE OF MILFORD A. PHILLIPS IN HOME CEREMONY**

In a home ceremony Monday, November 16, at 7 p. m. Miss Linda Carol Smith became the bride of Milford Alvin Phillips. The wedding vows were read by the bride's brother, Rev. Johnny Smith of Abilene, pastor of Pumphrey Baptist Church.

Families of the couple were present for the double ring ceremony.

The bride is the daughter of Mr. and Mrs. C. R. Smith and the bridegroom is the son of Mr. and Mrs. B. A. Phillips, all of Bronte.

Attendants were Mrs. Jean Sheppard of Bronte, cousin of the bride, and Douglas Phillips of Bronte, brother of the bridegroom.

Given in marriage by her father the bride wore a street length sheath dress of white brocaded faille and carried an orchid atop

a white bible.

A reception followed the ceremony in the Smith home and a tiered wedding cake was served to the guests.

For her wedding trip Mrs. Phillips wore a navy suit with red accessories.

The bride is a 1959 graduate of Bronte high school and was attending San Angelo Junior College. Mr. Phillips, also a graduate of Bronte High School, also attended Texas Technological College at Lubbock.

The couple will be at home in Andrews after Nov. 19 where Mr. Phillips is employed as a pumpjack for Whitehall Drilling Co.

Poultry was first introduced to Texas by early Spanish explorers and later by Anglo Americans.

**ATTEND MISSION STUDY**

Fifteen persons attended the Mission study on the book "By All Means" Monday night at the First Baptist Church. The study was taught by Mrs. Loyd Roberson of Winters. Mrs. George Poe of Winters was also a guest.

Refreshments were served to those present.

**Farm Census Takers Have Training Course**

Census takers for the local area in the 1959 Census of Agriculture have been appointed and will begin an intensive training course on Nov. 18 in preparation for the start of the field canvass on Nov. 20, it was announced today by Crew Leader Mary D. Marsala.

The training session will be held at 122 W. 1st, San Angelo, and will be conducted by the crew leader who recently attended a five day census training course.

The training course will cover the use of the Census questionnaire, Census definitions, interviewing and map reading. Emphasis will be placed on the importance of locating every farm and obtaining complete and accurate information. The census takers will conduct some actual interviews as part of the training.

Census takers scheduled to take the training include: Coke County: Cecil L. Coalson, Denman, Clarence Webb, Jr.

Sterling County: Truman C. Davis.

Mr. and Mrs. Joe Blake Whalen and Linda Kay of Fort Worth spent the weekend with Mr. and Mrs. Walter Whalen. Linda Kay remained here for a longer visit.

**Fred Waring Show Coming to Angelo**

On Saturday, November 28th, Fred Waring and The Pennsylvanians will entertain West Texans with two shows at the San Angelo Coliseum in San Angelo under the sponsorship of Suez (Shrine) Temple. Matinee show time is 2:30 P. M. with tickets priced at 99c cents for students and \$2.00 for adults with no reserved seats. The Night Show starts at 8:15 p. m. with all seats reserved and priced at \$1.50, \$2.00 and \$2.50. Tickets may be purchased from any Shriner, by mail addressed to Fred Waring Show, P. O. Box 202, San Angelo, Texas, or in person at the Ticket Office in the BCD Building at 21 South Chadbourne Street in San Angelo from Monday through Saturday between 10:00 a. m. and 5:30 p. m. Tickets may also be purchased at Box Office at Coliseum on date of show.

"Stereo Festival of 1959," "The Music That Surrounds," is an all new show to which Mr. Waring has added three of America's most beautiful and talented young ladies. These outstanding personalities are Mickey Wayland, "Miss Tennessee 1959", Suzanne Johnson, "Miss Illinois 1959", and Jeanne Steel, "Miss Maryland 1957." The cast also includes the Famed-Frog-Voiced Poly McClintock, who grew up with Waring in

Tyrone, Pennsylvania. The two have been in musical entertainment since boyhood days, when Waring organized the "Banjazzatia", a group of 4 banjos, while both were Boy Scouts.

The group of about 50 musicians includes Dizie Waring and Fred Waring, Jr., daughter and son respectively of the founder of the Pennsylvanians, who are talented musicians in their own right and who are following in the footsteps of their famous father who has entertained Americans for the past 40 years by radio, recordings, personal appearances and television.

Waring and The Pennsylvanians combine instrumental and choral music of early American vintage with popular, Latin-American and Spiritual variety, intermingled with comedy, in a style that is original with the group.

There are 12 deepwater ports along the Gulf Coast of Texas. All are man-made in varying degrees.

Handling that's really a breeze. The all-new, new-size Falcon parks on a dime . . . turns on one, too! You'll be able to steer with power steering ease . . . without power steering. You'll be able to stop as though you had power brakes . . . without power brakes.

Room for six—and all their luggage. No doing without in the Falcon! There's hip, shoulder, knee, and head room galore! Both two- and four-door models are a cinch to enter. Then, thanks to the Falcon's front-mounted engine, there's luggage space aplenty for everyone.

Up to 30 MPG on regular gas, too. And the Falcon actually crossed the country without any oil added. Speaking of thrift, the Falcon's finish never needs wax. Its aluminized muffler normally lasts up to twice as long.

Sweet performance from Ford's most modern Six. A full 90 hp. You'll have to feel the pickup and responsive power to believe it! And each Falcon Six is electronically balanced, while running under its own power, for top smoothness.

New luxury interiors. Upholsteries are truly quality-made . . . materials you'd expect to find in cars costing twice the money. Seats are chair high. The front seat cushion is foam padded. And the Falcon rides smooth as silk . . . corners on rails.

Proved over 3,000,000 miles. To top off 3 years of testing, a fleet of the new-size Falcons has just been proved over every mile of numbered Federal highway. It's without a doubt, the world's most experienced new car.

# Longhorns Defeat Robt. Lee 38-0; End Regular Season Undeafeated

As was expected last Friday night the District Champion Bronte Longhorns had little trouble in defeating the Robert Lee Steers in the last game of regular season play. Final score gave the Longhorns a 38-0 victory. This win gave the mighty Longhorns a season of 10 wins, no ties and no defeats, with undisputable right to represent District 6-B against District 5-B champion Wink in the Bi-District playoff. The game was played in miserably cold weather, with a strong north wind, near freezing temperatures and intermittent rain adding to the discomfort.

For the first time this season Bronte lost the toss and had to kick off. Benny Corley did the kicking and Paul Tinkler received on the 30, carrying the ball back out to the 40. Ronnie Sims made 1 and Richard Sims added 2. On the third play, Ronnie quick-kicked to the 30 where the ball rolled dead. Dee Arrott and Corley made 4 and 5 and on the third play the ball slipped through Corley's cold hands but Arrott jumped on it for a Bronte recovery. On the fourth

down, Corley punted to the Steer 30. Joe Roe picked up 4 and the Steers fumbled on 2nd down, allowing the Longhorns to recover.

The first play for the Longhorns saw a 15 yard penalty called, and on the next play Arrott to Jerry McCutchen gained 8. Corley made a yard and the Arrott to McCutchen combination added 7 more. On 4th down Corley's pass to Mickey Black fell incomplete, giving the Steers the ball.

Robert Lee in 3 tries failed to make sufficient yardage for a 1st down, so Richard Sims kicked and the Longhorns fumbled the ball and Robert Lee recovered, setting themselves up in good position to make a touchdown. The Longhorn line held, however, and after 4 tries by the Steers, the Longhorns took possession of the ball on their own 5 yard line.

Corley bucked the Robert Lee line for a yard gain, then Arrott added 19 for a 1st on the 25. Corley carried to the 35 for another 1st. The next play featured a long pass which Jerry McCutchen skillfully caught from Mickey Black. This gave the Longhorns a 1st down on the Robert Lee 25 and was good for 40 yards. Arrott went to the 12 for 13 yards and another 1st, then Corley made 12 for another 1st on the 2. The Steer line tightened up and allowed Arrott only a yard, but Corley carried it the remaining distance to the double stripe for the first touchdown of the evening. Arrott's pass to M. Black was incomplete on the conversion try.

Corley kicked and James Blankenship brought the ball out to the 20. John Kinsey made 4 and

Joe Roe picked up 12 for a 1st down on the 36, to end the 1st quarter.

### 2nd Quarter

Ronnie Sims made the first carry of the 2nd period for 1 yard. Joe Roe added another yard, then Ronnie Sims made 8, but it was called back on the Steers were penalized 5 yards. Tommy Allen kicked to Bronte's 42 where the ball rolled dead.

Corley carried the ball for 20 yards and a 1st down on the 48. Arrott tried to hit Kenneth McCutchen with a pass but it fell incomplete. Corley then carried 11 yards for a 1st on the 37. Arrott carried next and went all the remaining 37 yards to paydirt. Corley ran over the extra points, giving Bronte a 14-0 lead.

Corley's kick, influenced by a stiff breeze, went out on the 32 and on the second try he kicked to the Steer 25. Ronnie Sims took the kick and made 5. John Walker added another yard, an the next two plays netted the Steers no gain so they kicked.

Mickey Black took the punt on the 25 and brought the ball out to the 30. Corley made 9 and Black's pass to Jerry McCutchen was incomplete. Corley picked up 6 more and a 1st on the 45. Arrott then made 9 and then Corley's pass was intended for Neil Black but Blankenship got in the way for an interception on the 31.

Robert Lee tried 2 passes but both fell incomplete. On third down they quick-kicked to the 36. Arrott ran to the 45 and Black gained 4. Bronte was assessed a 15 yard penalty, but Arrott made up for it by gaining 21 yards and a first down on the Robert Lee 40. Don Andrews made 6 and Arrott added 5 for a 1st on the 29. Neil Black then gained 22 yards for a 1st on the Steer 7. Arrott went the needed 7 yards for 6 more points and Corley carried the ball over for 2 extra points. Score: Bronte 22, Robert Lee 0.

McCutchen's kick carried to the 30 yard line, where the Steers put it in play. Walker and Kinsey made 5 and 2 yards, to end the half.

### 3rd Quarter

Kenneth McCutchen started off the second half of the game with a kick to the 35 where Kenneth Wink took it and brought the ball out to the 45. Robert Lee picked up 10 yards in 3 plays for its second 1st down of the game. An incomplete pass and a loss of two yards brought up 3rd down and Ronnie Sims quick-kicked to the Bronte 40.

Corley made 9, then Larry Robinson picked up 4 for a 1st on the Steer 47. Corley failed to gain and Robinson made 15 for a 1st on the 22. Corley made another 1st on a 13 yard move to the 19. Robinson couldn't go on the next play and Corley made 13 on the next for a 1st on the 6. Once again the Steer line tightened up, holding Robinson for no gain and setting Corley back for a yard loss. On 3rd down, however, Robinson scampered across the goal line. Corley went over for 2 extra points, and the scoreboard said: Bronte 30, Robert Lee 0.

McCutchen kicked off to the 5 where Ronnie Sims took the ball and gained 15 yards out to the 20. Ronnie failed to gain on the 1st play and Walker and Kinsey made 3 and 2 yards, respectively. Richard Sims kicked out on the 43.

Robinson gained 4 and Corley added 9 for a 1st on the 30. He then made 11 for another 1st on the 19. Mickey Black then made 5 and Corley's next play was called back and Bronte was given a 5 yard penalty. Robinson's pass to Reyes Olivas was incomplete and once again a penalty was called but the Steers refused it. Just be-

fore the end of the quarter, Robinson made 6 yards.

### 4th Quarter

Robert Lee took over on downs to start the last period of play, and Ronnie Sims failed to gain on the 1st play. Kinsey made 9 and Walker didn't gain. Richard Sims went for 7 and a 1st on the 27. Only 3 yards were picked up in the next three plays and the Steers were forced to punt. Sims' kick went out on the 40.

Corley passed to Jerry McCutchen for 5, and then his pass to Mickey Black was called back and the Longhorns were penalized 5 yards. An incomplete pass was thrown and then Corley went 12 yards for a 1st on the Steer 29. Bob Wrinkle failed to gain on the next play, drastically changing the Longhorns general pattern of play. Corley went about 19 yards for a 1st on the 10. He car-

ried the ball over the double stripe next play and Robinson scampered over for the 2 extra points, making the score 38-0.

Bob Wrinkle kicked off to the 30, but Robert Lee couldn't go, making only 5 yards in 3 tries. Richard Sims' kick was good to the 20, where Mickey Black took it and gained 2 yards. Corley made 19 and a 1st on the 41. Once again Wrinkle shifted from the line into the backfield and picked up 9 yards. Robinson made 10 and a first on the 40. Olivas's scamper was good for 5 and Corley made 15 yards for a 1st down on the 20 just before the final whistle sounded.

Mr. and Mrs. Bon Spoons and children of Brownwood spent the weekend with Mr. and Mrs. C. E. Bruton and attended homecoming Friday night.

There's nothing like a new car—and no new car like a Chevrolet. This is the 1960 Chevrolet Bel Air Sport Coupe!

## PEOPLE SAY THESE ARE THE THINGS THEY WANT IN A CAR...and CHEVROLET for '60 comes closest to meeting every need!

Interviews with thousands of car owners across the country show clearly what they like or dislike about their present cars . . . and what they want most in their 1960 cars. Here's what the people tell us they want . . . and here's how Chevrolet meets their needs.

**"Price, that's what's uppermost in my mind."** All Impalas and Bel Airs with V8 engines are lower in price, as are automatic transmissions and many other popular options. Also Biscaynes now include as standard equipment conveniences formerly optional at extra cost.

**"And how about operating economy? And resale value?"** You keep right on saving after you buy your favorite Chevrolet, too. And Chevrolet's traditionally higher resale value means you'll get more back when you trade.

**"Give me plenty of good old-fashioned comfort."** There's comfort and then some in this one. Chevy's long on space, for one thing. Once you're under way you'll know just how comfortable Full Coil suspension makes your ride.

**"Safety—don't forget safety!"** You're surrounded by safety features in a new

Chevrolet. You've got big, sturdy brakes underfoot, for example, that last longer. As it has been for years, safety is standard equipment in Chevy.

**"Let's keep upkeep down, too."** More than ever, Chevrolet for 1960 is built to stay on the road and out of the repair shop. You can tell that from its hushed, unruffled way of going, from the solid *thunk* of Chevy's big doors. Of course, if you *should* need service, you're always near efficient, economical attention to your needs.

**"I want a car that will stand up to the driving I do."** For proof of Chevy's staying power, just spend a minute watching the nearest road. You'll see more Chevrolets traveling on it than any other car—evidence-on-wheels of Chevrolet durability. (And that higher resale value attests to it, too.)

**"Me for a sweet-handling car."** Handling's always been Chevy's forte, and

1960 is no exception. But really, this kind of lightness and precision you've simply got to enjoy for yourself.

**"... a car you can look at and be smug about buying it."** Chevrolet for 1960 leaves the low-price field far behind when it comes to fashion. But you're the best judge of styling, so take a good close look at Chevrolet. We warn you: you're about to fall in love.

**"And performance. Let's have a hot one!"** Chevy's spirited V8's have set the standard for ultra-efficient power in American-built passenger car engines. You've got a long list of performance-minded transmissions to pick from, too.

So that, friends, is what you told us you want. We think it can be summed up rather well in just one word: *value*.

Get the full story of Chevy's brand of value soon at your Chevrolet dealer's.

Nearest to perfection a low-priced car ever came . . .

The crew, employed by B-J Oil Well Service of Abilene, was operating a swabbing unit when the fire started about 8:15 a. m. The well is Jacelyn-Varn Oil Co. of Abilene No. 2-A Craig.

Buck Smith was covered with oil after dropping a cason swab into the hole. A gas pocket apparently was hit, causing the well to explode. Both his clothing and those of Feemster were ignited. Feemster managed to put out the blaze on his clothing while Jack Smith went to the aid of Buck Smith.

Jack Smith drove a pick-up a mile to the home of a pumper, living on the lease. He loaded the three men into his pickup and brought them to Blackwell where they were met by a company engineer who put them in his car and brought them in to the hospital.

but redeemed himself by intercepting a short pass and running like a flash, went about 25 yards before being downed. The Longhorns were starting a stampede just before the whistle blew for the half.

Robert Lee fumbled the kickoff and it was covered by a Bronte man, close to the goal line. Parish carried the ball for a first down, then Percifull hit center at full speed and made about six yards. Parish hit tackle for a touchdown. Leonard carried around right end for the extra point.

Hearne, Longhorn center, intercepted a pass and showed his ability to run with the ball as well as center it. He side-stepped and ran about 30 yards for a touchdown. Parish went around right end for the extra point. This put the score 14-6 in Bronte's favor.

Leonard received a pass from Parish. Glenn hit right end for a gain. Robert Lee intercepted a pass but the rushing Bronte boys soon forced them to boot. Percifull received the ball and went for about 15 yards. The ball was snapped to Glenn, who went around right end for a touchdown, even though he was tackled at from all angles.

Brone had the ball and was walking on Robert Lee when the game ended.

Collier, quarterback and captain, was not able to play on account of illness.

Fitzhugh was unable to get a game for Thanksgiving, so this ended the season for Bronte. The Longhorns expect to have a team than ever. Watch them stronger and better basketball closely.

## ASC Employees Each Given \$25 In Cash Awards

Coke County has been selected outstanding ASC county in Farmer Fieldman District No. 6 for the period Aug. 1, 1958, through July 31, 1959.

In addition to an attractive Citation presented to the county office, to each committeeman and each employee, the state office awarded cash prizes authorized under existing rules of the administration.

Mr. Bland Harrison, district farmer fieldman, was unable to be on hand for the presentation on Monday of last week, but J. E. Quisenberry, ASC office manager, was in charge.

Certificates and \$25 in cash awards were presented to the following: J. E. Quisenberry Jr., Robert G. Forman, Jessie Faye Brock, Mildred A. Wallace, Thelma Jo Hinnard, Edwin Gene Davis, Clarence E. Arrott, Thomas W. Wiginton and Joe D. Rawlings. Payments were made from county committee funds and charged to "overhead."

The Incentive Awards Handbook of the ASC provides that county committeemen and those employees holding office July 31, 1959, shall receive \$25 each. Also those employees on the rolls at that time who have served more than 6 months during the fiscal year. Employees who served less than 6 months during the year receive \$10 each.

Official notice of the citation and awards came from the office of G. F. Osborn, Texas administrative officer of the ASC at College Station.

#### JUNIORS SAY THANKS

Members of the junior class of Bronte high school, their sponsor and room mothers have asked The Enterprise to express their appreciation to football fans for their patronage of the concession stands during this football season. The juniors always need quite a bit of money to finance their activities of the year. Most expensive item in their budget is the Junior-Senior banquet.

## 88 Pct. State And County Taxes Have Been Paid

Coke County has already collected 88% of its 1959 taxes. This includes state, county and common school district taxes.

O. B. Jacobs, deputy in Paul Good's office, said taxes amounting to \$559,271.78 had been paid. From this amount \$16,777.64 was deducted for the prevalent 3% discount in October.

Most of the big taxpayers paid up early to take advantage of the discount. Only 2% discount is allowed for payments in November and 1% in December.

Taxes become delinquent Jan. 30.

## Hunters Asked To Save Hides For Hospitals

Austin—Operation "deer hide" will be in effect again this year, it has been announced by the director of information of the Game and Fish Commission.

Hunters are asked to save their deer hides for use of hospital patients. Formerly they were sent only to tubercular hospitals, but this year they will be made available for patients in mental hospitals and special schools.

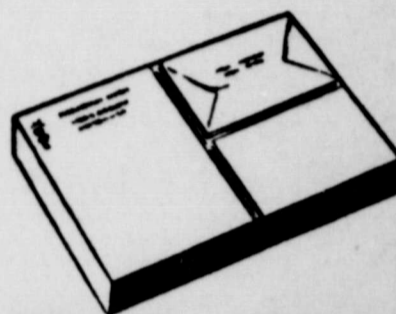

Wherever possible the hides should be sent to L. M. Rathbone, Austin taxidermist, who will han-

dle them out to the tanneries. Hunters should rub salt on the green hides before sending them in. If the hides cannot be delivered direct to the taxidermist they should be left with the nearest frozen food locker plant. These locker plants then will route them to Austin over motor freight lines which have agreed to handle them when they are marked "charity."

On hides west of the Pecos, they should be routed to the Russell Williams Frozen Food locker on N. Grand Street, Odessa. From there they will be picked up by Omar Dreiling of San Angelo and routed into Austin.

From Austin they will go to tanneries, and then be sent to the hospitals for use of patients in handcraft.

The entire operation is on a cost-free basis, under direction of the Board of Hospitals and Special Schools.
