The engine is Chevy's famous Thriftmaster 61

Chevy hums through Chicago traffic to the tune of 21 miles to the gallon!

Working for Bumper and Auto of Illinois, Inc., ten 1960 Chevrolet pickups battle Chicago traffic day after day. Each truck averages about 2,000 miles a month in this wearing stop-and-start delivery service. Mr. Harry Haller, General Manager of S & H Truck Leasing, who leases the trucks to the bumper firm, reports: "We provide full maintenance on the trucks—gas, oil and everything else—so it pays us to know just where we stand on costs. And our records show that the '60 Chevies are giving us as much as 21 miles per gallon . . . with an average of better than 17 miles per gallon. Mister, these are our kind of trucks!"

Truck owners have good things to say about all Chevy engines. And when they're not talking about Chevrolet performance and economy, they're telling you how great that new Torsion-Spring Ride is. How it soaks up road shock and vibration. Protects fragile loads. Lets you run at faster, safe speeds to get more work done in a day. Drive a torsion-spring Chevy soon. We'll rest our case on that one ride.

SCHOOL NOTES

A public address system has been installed in the school auditorium and the 1960 seniors have presented the school with a speaker stand for the auditorium. It is expected to arrive in time for commencement exercises.

New drapes have been purchased and hung in the offices in the elementary school building. They were paid for by the school. New drapes have also been hung in the auditorium. They match in color the stage curtain and were sponsored by the local PTA as their

project for this year.

Bronte 1960 seniors will leave on Saturday morning, May 21, at 4 a. m. for their annual senior trip. They will be accompanied by their sponsor, Miss Maurine Brewer, Principal and Mrs. Joe B. Simpson and Mr. and Mrs. Marvin Corley. They plan to visit places of interest in San Antonio and will spend Saturday night at the Brackenridge Lodge. They will go on to Galveston Sunday and spend three days in that area, making their headquarters in the Cononado Courts. They will return to Bronte Wednesday.
