

# The BRONTE ENTERPRISE

Vol. 42

BRONTE, TEXAS, SEPTEMBER 29, 1960

No. 39

## Rains Beneficial to Rangelands of Area

Rainfall reports of moisture received from the recent showers as well as the reactions to its possible effects varied over the county. Readings of 1.5 inches and more were recorded in the Hayrick area and northeast of Tennyson, while some operators in the Friendship, Edith and Blackwell areas received no more than half an inch of rainfall. The Divide area on the west side of the county received very little moisture during the five day period beginning last Friday, while a small strip from southwest of Silver to Panther Gap and east of Silver gauged one half to 2.00 inches on Tuesday of last week. In the Robert Lee and Bronte areas, recordings of one inch were common for the period.

Mixed emotions greeted the rainfall as some operators are anxious for the pasture and stock water situation to improve, while the cotton farmers, particularly those with cotton defoliated preparatory

## Methodists Plan Kickoff Dinner

Rev. Carroll Thompson, pastor of First Methodist Church in Balingier, will be speaker for the Methodist kick-off dinner next Monday night, Oct. 3, at the church. The dinner will spark an intensive week-long stewardship campaign at the church.

The campaign will end on Sunday, Oct. 9, when a week-long revival begins. The Rev. John Carr, pastor of the First Methodist Church at Midkiff, will conduct the revival.

The stewardship campaign will emphasize time, service and gifts. Many committees, functioning under the guidance of the Farrow plan, have been working more than two weeks in anticipation of the drive.

The kick-off dinner Monday night is church-wide. It will be a covered dish affair beginning at 7 p. m.

## Dr. Muckleroy To Leave Bronte

Dr. Robert N. Muckleroy announced this week that he plans to leave Bronte in the near future. The doctor and his family came to Bronte from Dallas in July. They have four children.

The doctor said Wednesday that his plans on where they will go are not yet complete. He said that he will investigate two places this weekend and in all probability will select one of them.

During the time the Muckleroy's have been in Bronte, he has been associated with Dr. John R. Harris and the Bronte Hospital in the practice of medicine.

## TEACHERS MEET AT SILVER

Local teachers will attend the first meeting of the year of the Texas State Teachers Association, Coke County Chapter, at Silver next Monday, October 3. Guy Wheeler, Superintendent of School at Silver, is the president and C. B. Barbee, Bronte, is 1st vice president.

Mr. Barbee attended a workshop in Winters Saturday morning and will serve as a delegate from District 11 to the State Convention in Corpus Christi October 20-22.

to stripping, would like to see more clear weather.

The pasture situation is critical in most areas of the county. In the hills to the north and west where rainfall was received earlier, the pastures are in better shape for the cool season ahead. The county as a whole needs more rain soon to avoid a large feed bill this winter. Stock tanks are low on water and, in some cases, out of water. Pastures are in poor shape for the dormant period ahead.

## 165 Deposits Up For Sewer Users

A report from the city secretary Wednesday showed that 165 persons have put up their deposits and signed up for sewer service. Under the new deal which the city made last week for sale of the \$85,000 revenue to a private firm, only 240 prospective users are required to be signed up before the contract is received. This leaves only 75 more deposits to be received.

The city is advertising for bids to build the new sewer system to be received at 1:30 p. m. Oct. 18. Jack Brown, financial advisor to the city on the sewer project, said last week that construction should be completed in 90 to 120 days after the contract is let.

Members of the council are still urging local residents to get in their \$25 deposits and sign up for the service. They hope to have at least the necessary 240 by the time bids are received.

Persons who wish to borrow the money to put up their deposits may obtain it through the First National Bank in Bronte. The bank has offered to let anyone have the \$25 which is to be paid back at the rate of \$2 per month. A nominal charge of \$1 will be made for the loan.

## DELEGATES NEEDED

Delegates from Coke County are needed to go to the annual meeting of District Four of the Texas Cancer Society next Tuesday, Oct. 4. The meeting will be held in Sonora. Anyone who can attend the meeting is requested to contact Mr. and Mrs. J. B. Mackey.

## Bronte to Play Jim Ned, Leaders in District 7-B

Bronte Longhorns will hit the road again this Friday, traveling to Tuscola, where they will take on the Jim Ned team.

Jim Ned holds the lead in District 7-B play, having suffered only one defeat. Coach Bob Howard

reported this week that he expects his Longhorns to give the Jim Ned lads a rough time Friday night. Barring some injury between now and Friday night, the Longhorns will be at full strength to meet the Indians. No injuries

were sustained in last Friday's game with Santa Anna.

Coach Howard said that Jim Ned is the biggest and strongest team the Longhorns have come up against this season. However, he seemed to think the Indians were not as fast and elusive as were the defeated Ozona Lions.

Bronte, Hermleigh and Roby are the only schools in District 6-B which remained undefeated after last week's games. Trent fell before Jim Ned and Melvin took the measure of the Robert Lee Steers. The Abilene Reporter-News classes the Bronte-Jim Ned tilt as the Class B event of the week for this area, as they feel it will determine the respective merits of Districts 6-B and 7-B.

In other 6-B games this week, Robert Lee will play Baird, Lorraine will be at Wylie, Roby will play at Roscoe and Trent will contest Sands.

## Bronte Motor Co. to Have New Fords on Display Today

Charlie Boecking of Bronte Motor Co. has announced that he will have three 1961 Fords on display in the local showrooms today (Thursday, Sept. 29). He has issued an invitation to everyone in this area to come by and see the new Fords. He will have a model from the Galaxie series, one from the Fairlane series and a 1961 Falcon, Ford's compact economy car.

"The welcome mat will be out all day Thursday," Boecking said "for folks who want to see and inspect the new classic high styled Fords."

"I hope everyone in this entire community will consider this a personal invitation to come by, see the new cars and visit with us," he added.

The 1961 Ford features crisp new styling, new dimensions for greater maneuverability, and major engineering improvements such as 30,000-mile lubrication, that will result in lower maintenance costs and more carefree operation.

James O. Wright, Ford Motor Company vice president and Ford Division general manager, said the new Ford, nearly four inches shorter and two inches narrower than in 1960, will offer "a completely new, fresh appearance in the classic Ford tradition of straight-line design."

Mr. Wright also announced the 1961 Ford styling has been recognized for its "functional expression of classic beauty" by a world-renowned fashion authority. In Rome, Italy, against a backdrop of the new fashion center of the world, the Centro Per l'Alta Moda Italiana recently presented Ford Motor Company with a special

medal honoring the 1961 Ford.

Mr. Wright said engineering and design improvements in the 1961 Ford make it "a car that virtually takes care of itself." Improvements include:

A new grease and lubrication system that extends the normal chassis lubrication interval to 30,000 miles.

## Funeral Held Here Sunday for Mrs. Bill Terry

Funeral services were held Sunday at 1:00 p. m. for Mrs. Bill (Louise) Terry from the First Methodist church here. Graveside rites followed at 4:30 p. m. at Cisco. Mrs. Terry died at 3:30 a. m. Friday, Sept. 23 in Nix hospital in San Antonio. She had undergone surgery there on Tuesday.

Mrs. Terry, 41, was the former Louise White and was married to William E. Terry at Cisco March 16, 1945. She had been in ill health for several years.

Reverend Bob Grimes, pastor of the First Methodist Church, officiated at the services, assisted by Rev. Sherman Irving, Seguin, brother-in-law of Mrs. Terry. Cliff Funeral Home was in charge of arrangements.

Pallbearers were James Wells, Horace Grigg, Bob Cavin, J. W. Spurlock, A. Z. Pittman and Jake Scott. Other Humble employees were honorary pall bearers.

Survivors include the husband; two sons, Mike, 11 and Steve, 7; and her mother, Mrs. Mae White of Cisco.

## Bronte Wins, 42-6, Over Santa Anna

Bronte came alive in the second half last Friday night to swamp the Santa Anna Mountaineers 42-6 in a non-district game. The Class A Mountaineers held up pretty well till the latter part of the second quarter, when they wilted.

The Longhorns were confined to only one touchdown during the first quarter, none in the second, three in the third, and two in the fourth. Santa Anna's lone tally came in the last quarter after several of the first string Longhorns had been retired to the bench.

Niell kicked-off for Santa Anna with Robinson returning the ball. On the first play the Longhorns surprised the Mountaineers with a quick kick. The Santa Anna lads made good gains, going all the way to Bronte's 17 yard line where they were faced with a 4th and 6 to go situation. They tried a pass, but it went incomplete, so the Longhorns took over.

On the first play of the series Bronte drew a penalty half way to the goal line, making it 1st and 18 to go. Arrott's quick kick was used again, setting the ball back to the Bronte 44. Santa Anna's plague of fumbles started on the next play with Kenneth Shaver recovering on the line of scrimmage. Arrott made 4 and on the next play went all the way for 52 yards and a touchdown. Larry Robinson's running conversion was good for 2, making the score 8-0 in favor of the Longhorns.

Santa Anna returned Mike Luttrell's kick to the 26 where Don Andrews stopped it. Good defensive playing by the Longhorns limited the Mountaineers to one first down before the ball went over again on a fumble. Robinson picked up short yardage and then lost a couple just before the first quarter ended.

## Second Quarter

Arrott quick kicked as soon as play was resumed. The ball went into the end zone and was brought out to the 20. Good stops by Andrews and Luttrell held the Santa Anna lads to short yardage and an incomplete pass forced them to punt. The ball went out on

Continued on Back Page

The 1961 Ford Falcon, most successful new car in history, features a new convex-shaped aluminum grille and new optional, 101-horsepower engine, but preserves the styling, maneuverability, interior roominess and 23.7-cubic-foot luggage capacity of the 1960 model. Shown above is the 1961 Falcon Fordor Sedan. Continuing its proven economy reputation, the 1961 Falcon will deliver up to 30 miles per gallon on regular grade fuel, goes 4,000 miles between oil changes, and introduces new and longer lasting bright trim and underbody parts, including a double-wrapped aluminized muffler.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where some folks claim we're wasting millions of dollars trying to git the Voice of America sent to them countries behind the Iron Curtain. Things has come a long way in this world since I was a boy and I reckon I ain't fitten to judge exactly what the Voice of America is today. When I was a boy I used to git up at daylight and listen to that old rooster crowing down at the barn and I reckon that's the nearest thing I ever heard to the true Voice of America. But it would be pritty hard to git that story told on radio, and them fellers in striped pants in the State Department wouldn't understand it nohow.

I ain't saying that things was was better when I was a boy. Fer instant, they're making these compact cars so small and riding lawn mowers so fancy that I can't hardly tell which is which. But both of them is better'n that old T-Model Ford I used to crank on a cold morning. I'd wrap a rag around the carburetor and pour a gallon of boiling water on it, and if it was a real cold morning I'd have to jack up a rear wheel so's it would turn when you cranked. The grease in the transmission was so cold and stiff a feller just couldn't turn the motor over with both wheels on the ground. It usually took two to git the thing started. One set in the car holding the clutch in neutral and pushing the spark down right quick when the motor started. If you kept the spark down while chanking, you might git a broke arm. It general took about 30 minute to git her going. Just one thing thouh, Mister Editor. Gasoline was eight cent a gallon and no tax.

The experts is even saying that the way we was raised up in them days was all wrong. A perfessor named Dale B. Harris of Penn State University come out the other day and said that doing chores around the house didn't build a child's character. In fact, he said, it might be bad for the child. I reckon, Mister Editor, that's what ruined me, having too many chores to do when I was a boy. I'd probably turned out alright if I'd had me a Super Eight and spent my time drag racing.

I saw a bank ad in the paper the other day asking people of they knowed where their money went. About 99 per cent of mine goes fer taxes, insurance and living expenses. I spend the other one percent in riotous living and got no regrets. I'm like this feller Tom-

my Manville. He said he'd spent a million dollars getting rid of 12 wives and had no regrets on account of about six of 'em being worth a million to git rid of.

Yours truly,  
Uncle Huie

Mr. and Mrs. Ira Carter were here from Stamford Sunday to attend funeral services for Mrs. Bill Terry.

Mrs. Buddy Millican and girls, Cindy and Pam, of Cheyenne, Wyoming visited Sunday with her sister and family, Mr. and Mrs. Grady Louis Coulter, and boys.

Brucellosis Testing To Begin in County

Brucellosis testing of cattle in Coke County will begin during the next two or three weeks. To explain how the program will unfold, a general discussion meeting will be held in the County Court room on Tuesday night, October 4, at 7 p. m. Dr. Henderson, D. V. M., of the Texas Animal Health Commission will be present to answer questions and to explain basic operational plans for the program. All cattle owners are encouraged to attend the meeting to hear Dr. Henderson explain how the work will progress and to present to him any questions they may have regarding the program.

Coke County, following a petition to participate in the State wide program to receive certification as a modified brucellosis free area, became eligible for testing August 17. The testing crew now operating in Tom Green County under the supervision of Dr. Post, D. V. M., will begin work in Coke County as soon as their work is completed in our neighboring county and operational plans can be completed. Dr. Post indicated that testing for certification would

For Life, Hospitalization and Polio Insurance, See  
**B. D. SNEAD**  
At First National Bank

begin in Coke County in two or three weeks.

Livestock shipments are now being spot check as a part of the program to wipe out brucellosis or Bangs disease in Texas. In order that we receive certification as soon as possible to allow unrestricted movement of our cattle, all cattle owners are encouraged to attend the program and be prepared to facilitate completion of the program.

Mr. and Mrs. Bob Cavin of Pampa spent the weekend in Bronte. They visited friends and attended the Terry funeral service.

PERSONALS

Sunday guests of Mrs. C. C. Smith were her sister and husband, Mr. and Mrs. Bob Leavell of Coleman, and Mr. and Mrs. Ben Thomas of Colorado Springs, Colorado.

Mr. and Mrs. C. B. Barbee and children visited over the weekend in the home of her parents, Mr. and Mrs. Clyde Nelson in Munday, and his parents, Mr. and Mrs. J. R. Barbee in Rule.

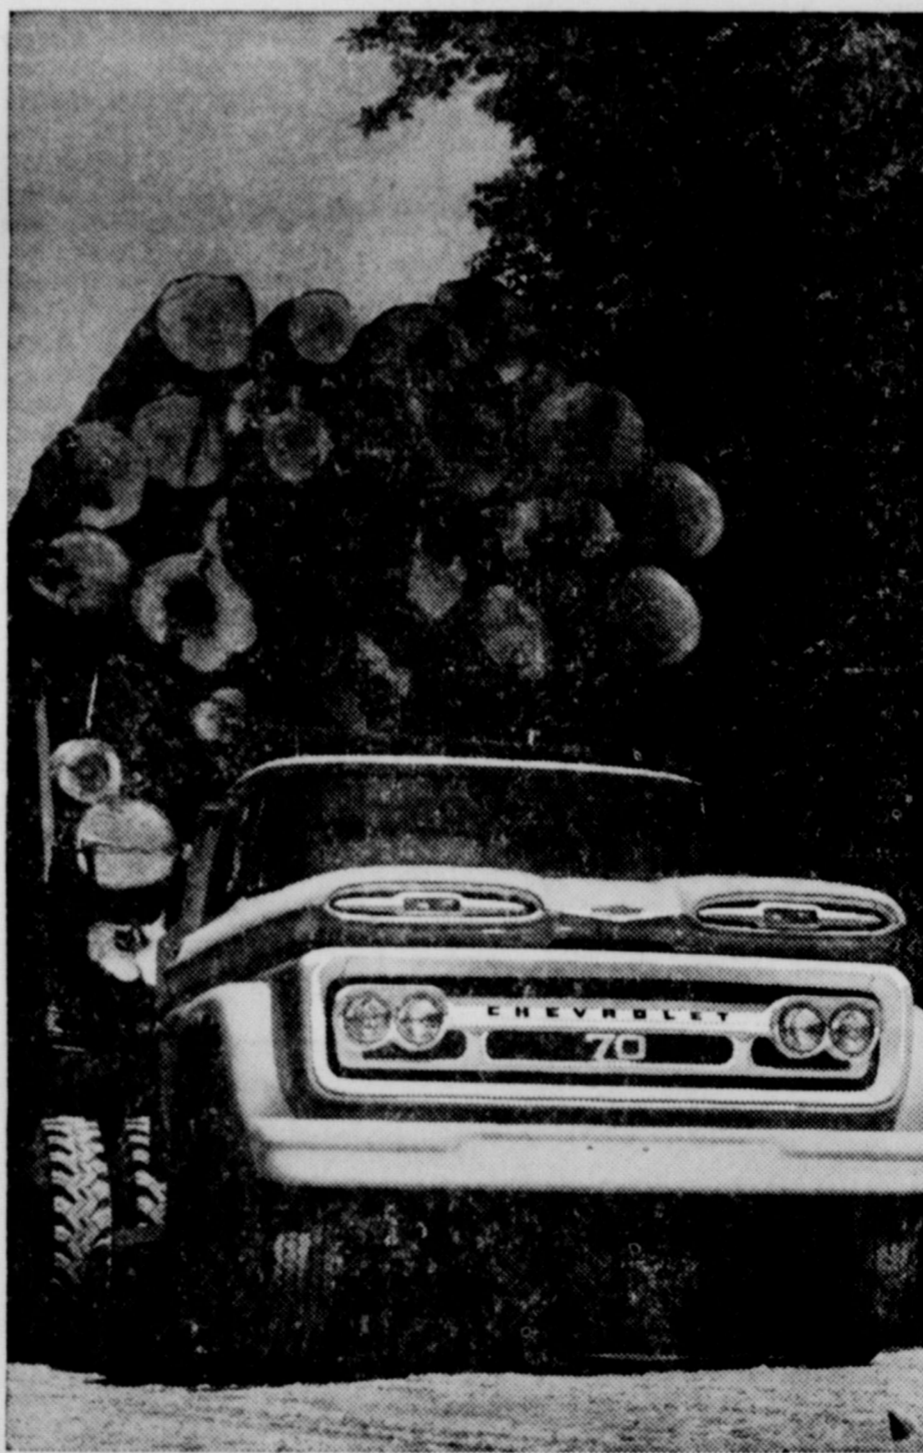

Hubert Whitt, Jr. of Jal, N. M., visited this week with his parents, Mr. and Mrs. H. O. Whitt.

**HERE!**  
**'61 CHEVY TRUCKS**

WITH WORK-PROVED INDEPENDENT FRONT SUSPENSION!

Chevy's '61 fleet swings in with a ready-made reputation as the trucks that are worth more because they work more... the latest editions of the haulers that scrapped the I-beam axle and proved the important advantages of independent front suspension!

You'll find new models for '61—long-wheelbase 4-wheel drive units—and thoughtful refinements throughout the line. But the big news for '61 is nailed-down proof (based on owner reports) that Chevy's torsion-spring design is the best thing that's happened to trucks in decades!

With Chevy's independent front suspension and Sturdi-Bilt design, you cruise over trails where other trucks creep. You feel the difference in less wheel fight and vibration. You can see why drivers are happier, why loads are better protected and why the truck itself will stand up to thousands of miles of more work. That goes for any size Chevy, too—pickups, tilt cabs, tandems, all of them.

Check the latest specs with your Chevrolet dealer: capacity, power teams, options. Then, by all means, drive a '61. Once around the block and you'll never be satisfied with a front axle truck again!

**NEWS FROM TENNYSON**

By Mrs. Douglas Ditmore

A large group helped move the Jack Corley family into their new home this week while Jack was in the hospital recovering from eye surgery. He was released from the hospital Sunday.

The Tennyson Community Center has changed looks this week. Local persons have worked all week painting the outside and inside, doing some remodeling and cleaning up.

The community has received wonderful rains this week. The average was 1½ to 2 inches.

Mr. and Mrs. John Clark have been guests of Mr. and Mrs. J. M. Bruce at Loraine. Mrs. Clark remained for a week's visit.

Mr. and Mrs. Floyd Gibson, accompanied by Mr. and Mrs. Pete Thomas and Tony of San Angelo spent Sunday with Mr. and Mrs. Joel Webb and Brenda at Nolan. Other guests in the Webb home were Mr. and Mrs. Dean Huddleston and Mr. and Mrs. Leo Wisely of Post.

Mrs. N. M. Arrott of San Angelo was a Sunday guest of Mr. and Mrs. Buck Arrott and Jimmy.

Susan Arrott was honored Sunday night on her 7th birthday with a party at the home of her parents, Mr. and Mrs. Wayne Arrott, at Orient. Present were Mr. and Mrs. James Arrott and Mr. and Mrs. O. T. Weaver of Christoval.

Mr. and Mrs. Buford James, and Mrs. W. T. Crawford of San Angelo and Mr. and Mrs. J. P. McClure Jr. and children went to Christoval Sunday where they visited the R. L. James family and enjoyed a picnic at the park.

The Claude Ditmores spent the weekend in Eldorado with the Elton McGinnis family. Robbie McGinnis was dismissed from the hospital Sunday and is slowly improving. Mr. and Mrs. Raymond Ditmore and boys of Abilene visited the McGinnis family on Sunday. Elton McGinnis, Wayne and Jimmy, Mr. and Mrs. Raymond Ditmore, Ray, Jr. and Mike and Mrs. Claude Ditmore went through the Sonora Caverns Sunday afternoon.

The Tennyson Sewing Club will meet today, Thursday, Sept. 29, with Mrs. W. H. Thomas.

Robert Melvin Brown was honored with a surprise birthday party Saturday night at the home of his parents, Mr. and Mrs. Charlie Brown. Present were Mr. and Mrs. Robert Melvin Brown and Debbie, Mr. and Mrs. J. C. Boatright, Mr. and Mrs. Douglas Ditmore, Mr. and Mrs. Robert I. Brown and Kathy, and Mrs. W. T. Green and William. Homemade ice cream

and cake were served.

Mr. and Mrs. W. T. Green and William went to Sonora Sunday to visit their daughter, Mrs. Edd Harrell, and family.

Mr. and Mrs. Leon McCarty of San Angelo were Sunday guests of Mr. and Mrs. Bill Feil and Robert.

Sunday guests of Mrs. Studie Brown were Mr. and Mrs. Clifford Hageman of Bronte, Mr. and Mrs. Johnny Hartsell and Mrs. Josie Bell of Marshall, Texas, Mr. and Mrs. Charlie Brown, Mr. and Mrs. Robert I. Brown and Kathy, Mrs. W. T. Green, Mr. and Mrs. Gene Stewart of San Angelo.

**Sears Swine Contests Held**

Coke County 4-H club entries in the Store Area Swine contests held at the show grounds in San Angelo Saturday capped championship honors. Carl Bloodworth, son of Mr. and Mrs. Raymond Bloodworth, Silver, following his winning of the Coke County Show, exhibited his gilt to the championship spot in the three county store area show.

Roy Lee Baker, son of Mr. and Mrs. Roy Baker, Tennyson, exhibited the champion male animal in the store area boar show.

Seventy five people were present from Coke, Runnels and Tom Green counties to witness the girls and boys exhibiting swine in the county and store area shows. H. C. Stanley, county agricultural agent of Taylor County, judged the shows.

Placing behind Carl in the county gilt show with their entries in the Sears, Roebuck Foundation Swine Improvement Program were the following: Robert Wink, Sanco, second; John Service, Robert Lee, third; Mike Krall, Robert Lee, fourth; Kathy Service, Robert Lee,

**The Bronte Enterprise**

September 29, 1960

fifth; Robert Mathers, Silver, sixth; and Lonnie Bloodworth, Silver, seventh. Malcom Johnson of Marie did not exhibit his entry.

The show completes the first phase of the club members program — that of developing the animal. In the ensuing months the breeding phase will unfold as a litter of pigs are reared by the club members.

Mrs. W. T. Reed returned to her home in Breckenridge Friday after spending a few days with her daughter, Mrs. Bob Wilson, and family.

**JUNIOR HIGH FOOTBALL SCHEDULE ANNOUNCED**

Bronte's Jr. High football team has five games coming up during the next few weeks. Games which have been scheduled are:

Sept. 29 (today) Winters there at 6:15.

Oct. 4: Robert Lee there at 7:30.

Oct. 18: Loraine there at 6:30.

Oct. 25: Robert Lee here at 7:30.

Nov. 1: Loraine here at 6:30.

Mike Anderson is coach of the Junior High School team.

## HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mrs. T. W. Whiteside has as her guest Mrs. Ola Heath of Los Angeles, Calif.

### Ladies Night at Lions Club

Monday was Ladies Night for the Lions Club when they met at the school cafeteria for a barbecue supper.

After the meal, Mayor Austin Jordan introduced the district officers. District Governor Cecil Bridges of Stanton spoke on "The Meaning of Lionism." Other district officers present who gave talks included the deputy district governor, Lewis Caruthers of Big Spring and zone chairman George Thompson of Sweetwater. Thirty-six persons were present.

Other out-of-town guests were Mmes. Bridges, Caruthers and Thompson.

### WSCS Meeting

Continuing the study "One World One Mission," the WSCS met Monday afternoon in the Fellowship hall at the Methodist Church. Mmes. Austin Jordan and P. G. Dabney conducted the study. Mrs. T. A. Carlisle gave the closing prayer. Others present were: Mmes. Roy Sanderson, H. C. Raney, Jesse Dea, Josie Hipp, Jim Wilson, Lee Alderman, L. W. Sweet, Charles Ragsdale and Wyley McRorey.

### MYF Groups Organized

Junior and intermediate MYF groups have been organized for Blackwell Methodist Church. After refreshments were served Sunday night by Mrs. Jesse Dea, and Mrs. Bob Harris, the groups elected officers.

Tommy Hipp is president of the Intermediate group. Other officers are Suzanne Hickman, vice president; Linda Alderman, secretary; Penny McCarley, treasurer; Rev. Bob Harris and Rev. Jesse Dea will be sponsors.

In the Junior group Jimmy Saunders is president; Jonila Harris, vice-president; Bobby Harris, secretary-treasurer; and Mmes. Josie Hipp and Bob Harris, sponsors.

A/1C and Mrs. W. O. Whiteside of Norfolk, Va. are parents of a son born Sept. 23. Paternal grandparents are Mr. and Mrs. Edward Boyce of Dallas and great grandparents are Mr. and Mrs. V. D. Harris of Sweetwater.

Mr. and Mrs. James Cate had as their weekend guests her nephew and wife, Mr. and Mrs. Wayne Doggett of Pecos.

Mr. and Mrs. Bob Ragsdale and son are visiting her parents, Mr. and Mrs. L. J. Watson at Bensonville, Illinois.

Mr. and Mrs. Mark Hanna had as their guests Saturday, Mr. and Mrs. Ralph Hanna and sons of Menard.

Mrs. Jodie Van Zandt visited

relatives in Odessa last week.

Guests of Mrs. W. W. Youngblood Sunday were Mr. and Mrs. Howard Laney of Merkel.

### NOTICE TO CONTRACTORS

Notice is hereby given that sealed bids for furnishing all plant, labor, materials and equipment and for performing all work for the construction of a sewerage system will be received by the City Council of the City of Bronte, Texas, at the City Hall until 1:30 p.m. on October 18th, 1960, at which time the bids will be publicly opened and read aloud.

The project will consist of the following approximate quantities: Imhoff Tank, Sludge Drying Beds, Stabilization Lagoons, 2400' of 10" V.C.P., 26,675' of 8" V.C.P., 8225' of 6" V. C. P. and 85 manholes.

Bidders must submit cashier's or certified check issued by a Bank satisfactory to the Owner, or a Bidder's Bond, from a reliable Surety Company, payable without recourse to the order of J. A. Stephenson, Mayor, City of Bronte, Texas, in an amount not less than ten per cent (10%) of the largest possible bid, as a guaranty that Bidder will enter into a contract and execute bond and guaranty in the forms provided, within ten (10) days after notice of award of contract to him. Bids without required check or proposal bond will not be considered.

The successful bidder must furnish performance bond in the full

### The Bronte Enterprise

September 29, 1960

amount of the contract price, executed by a Surety Company authorized to do business in the State of Texas, or other surety or sureties acceptable to the Owner.

The Owner reserves the right to reject any or all bids and to waive formalities. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject any bid.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions.

All Federal and State Statutes regarding labor shall be complied with.

On the proposed contract, in the employment of workmen, preference shall be given to citizens of

Bronte, Texas, all other things being equal.

Plans and specifications are on file with the City Secretary at Bronte, Texas. Instructions to Bidders, Proposal forms, Specifications and Plans may be obtained from SCOTT ENGINEERING COMPANY, P. O. Box 863, Watertown, South Dakota.

A deposit of Ten Dollars (\$10.00) is requested to insure return of the plans in good order. The amount of the deposit will be returned on submission of a bona fide bid on the work with such Plans and Specifications; or upon return of the Plans and Specifications immediately after examination of same and advising the Engineer that a bid will not be submitted. Otherwise, the deposit will be forfeited.

## Dr. Boster Featured Speaker for Diversity Club

Dr. Ray Boster of San Angelo was guest speaker for the Diversity Club in their meeting Thursday, September 22. Dr. Boster spoke on ways to control and avoid heart ailments, and also gave some data on new trends in research in the heart field.

Mrs. Vetal Flores was hostess to the group, which voted to send \$10 to the Heart Association in San Angelo.

Pie and coffee were served to guests, Dr. and Mrs. Boster, Mrs. Jordan, secretary of the San Angelo chapter of the Heart Association and Mmes. Wendell Gideon and H. O. Whitt. Diversity Club members present were Mmes. Clifford Clark, D. K. Glenn, J. T. Henry, Cecil Kemp, R. C. Lasswell, J. E. Quinn, R. W. Rees, Collins Sayner, Otis Smith, T. O. Spiller, H. A. Springer and George Thomas.

## Mrs. Boatright New President of HD Club

New officers were elected at a meeting of the Bronte HD Club last Wednesday in the home of Mrs. O. R. McQueen. Mrs. J. C. Boatright was named president of the organization.

Other officers elected were Mrs. Truman Parker, vice president; Mrs. R. S. Walton, secretary and treasurer; Mrs. J. F. Hughes, reporter; Mrs. Taylor Emerson, council delegate; Mrs. Herbert Holland, alternate delegate.

Mrs. Emerson, president, presided at the meeting. Miss Carole Hooper, HD agent, spoke to the club on "Transfer of Property."

The floating prize, brought by Mrs. Emerson, was won by Mrs. Gene Halamiczek. New Sunshine Sister names were drawn.

Refreshments were served to Mms. C. E. Arrott, Boatright, Emerson, Halamiczek, W. Hipp, Hughes, Holland and Parker. Mrs. Buster Hester was a guest.

Next meeting will be at 2:30 p. m. on Oct. 5 in the home of Mrs. Floyd Crunk.

## New HD Club Organized; Mrs. Arrott Is President

The newly organized Home Demonstration Club in Bronte met in the home of Mrs. J. B. Arrott Tuesday, September 27 to elect officers and set up policies for the club.

Mrs. LeDrew Arrott was elected president. Other officers were Mmes. Martin Lee, vice president; Richard Miller, Secretary-treasurer; Council delegate, Grady Louis Coulter; alternate delegate, Douglas Ditmore; reporter, Noah Pruitt Jr.; program and yearbook, T. D. Joplin; recreation, J. P. McClure. Also civil defense, Ed Cumbie; 4-H leader, Darwin Scott; food leader, J. B. Arrott; assistant food leader, James Ash; clothing leader, Wayne Arrott; assistant clothing leader, Bobby Vaughn; home improvement, Bob Grimes and Harold Christopher.

Mrs. C. E. Arrott met with the group and assisted them in their organization plans.

Roll call was "My Biggest Clothing Problem" and Mrs. Bob Grimes gave a talk on clothing storage.

Mrs. LeDrew Arrott will be hostess to the next meeting October 11. All interested ladies are invited to attend.

Mr. and Mrs. Marlon W. Rogers and children, Jr., Lynn and Robin, spent Tuesday night with his parents, Mr. and Mrs. John Rogers. They were returning to their home in Fort Worth from a two week vacation trip to the West Coast.

Mr. and Mrs. C. R. Richman of Midland are visiting friends here this week. He was formerly employed here by Atlantic Pipeline Co.

## Lunchroom Menu

October 3 through 7

Monday — Meat and cheese loaf, English peas, buttered whole potatoes, salad, rolls, fruit cobbler.

Tuesday — Pinto beans, salt pork, mixed greens, steamed franks, onion rings, corn bread, wafers.

Wednesday — White beans, meat loaf, vegetable salad, rolls, devils food cake.

Thursday — Hamburgers, frits, pickles, onions, cheese squares, crackers, dessert.

Friday — Green beans, mashed potatoes, tomato slice, rolls, cake.

## New Tax Exemptions

Mr. and Mrs. Gus Geryk are parents of a son, born September 19 in a San Angelo hospital. The baby weighed 7 pounds, 9½ ounces and has been named James Lynn.

The Geryks have two daughters, Linda and Jo Nell. Grandparents are Mr. and Mrs. R. E. McDaniel and Mr. and Mrs. F. J. Geryk, all of Port Lavaca.

Miss Diane Dunklin spent the weekend with her parents, Mr. and Mrs. J. A. Dunklin, in Phillips.

SHOP BRONTE FIRST

## Area to Elect SCD Supervisor

An election will be held next Tuesday, October 4, to elect a district supervisor for Zone 2 of each Soil Conservation District in Texas. The Coke County election will be held at a mass meeting at 7:30 p. m. at the Ag building in Bronte. A film on Soil Conservation will be shown.

Zone 2 of Coke County Soil Conservation District includes the territory covered by Commissioners' Precinct 2, including Bronte.

Eligible to vote are persons (both husbands and wives), 21 years old or older, who own land in Zone 2 and who live in a County, all or some part of which, is in the District.

Nominations will be made from the floor. The person receiving a majority of the votes will be elected for a term of five years. D. K. Glenn is the present supervisor.

Supervisors serve without pay except for a small allowance for expenses. Supervisors constitute the administrative and policy forming body of the Soil Conservation District.

To be a District Supervisor a person must be 21 years of age and a landowner in the zone from which he is elected. He should be practicing conservation on his own farm, be a leader in his area and be willing to spend sufficient time to fulfill the responsibilities of the office.

## Blackwell Hornets Win Two from McCaulley

By Mrs. Charles Ragsdale

Blackwell football teams won two games here last week.

Mike Kinard paced the Blackwell Hornets to a 22-0 District 8-B six man football victory over McCaulley Friday night. He scored one touchdown, added four points with a safety and a two-point con-

version. Jimmy Cate and Billy Hindman scored the other Blackwell touchdowns. The Hornets will play Divide there Friday night; Sept. 30, at 8 p. m.

The Junior High team won from McCaulley 21-19 Thursday night. They will play Divide here this Thursday night at 7 p. m.

Mr. and Mrs. R. W. Rees and Marla visited Sunday in Lubbock with Richard Wayne Rees.

Announcing the 1961 Ford...

Beautifully proportioned to the

CLASSIC FORD LOOK

The 1961 Ford Galaxie Club Victoria—beautifully built to take care of people

An honor to be proud of, this is the medal presented by the international fashion authority, Centro per L'Alta Moda Italiana, to the 1961 Ford for functional expression of classic beauty.

## BEAUTIFULLY BUILT TO TAKE CARE OF ITSELF

The 1961 Ford introduces a whole new concept of what a car can do for you... and for itself!

It lubricates itself. New nylon bearings and a newly developed lubricant keep the '61 Ford freshly greased for 30,000 miles. Good-bye grease racks! What's more, it cleans its own oil. The 1961 Ford's Full-Flow oil filter lets you go 4,000 miles between oil changes.

It adjusts its own brakes. A "mechanical brain" keeps brakes adjusted for the life of the lining.

Rust? Ford's body is specially processed to resist corrosion, even to galvanizing body panels beneath doors.

Ford takes care of itself on the turnpike, too, with a new 390-cu. in. Thunderbird Special V-8 that has all the punch you'll ever need. The 352 Thunderbird Special V-8 and 292 Thunderbird V-8 thrive on regular gas. And, for top economy, you can choose the '61 Mileage Maker Six.

This is the 1961 Ford... beautifully proportioned to the Classic Ford Look... beautifully built to take care of itself.

### HERE'S HOW THE '61 FORD TAKES CARE OF ITSELF

**LUBRICATES ITSELF.** You'll normally go 30,000 miles without a chassis lubrication.

**CLEANS ITS OWN OIL.** You'll go 4,000 miles between oil changes with Ford's Full-Flow oil filter.

**ADJUSTS ITS OWN BRAKES.** New Truck Size brakes adjust themselves automatically.

**GUARDS ITS OWN MUFFLER.** Ford mufflers are double-wrapped and aluminized—normally will last three times as long as ordinary mufflers.

**PROTECTS ITS OWN BODY.** All vital underbody parts are specially processed to resist rust and corrosion, even to galvanizing body panels beneath doors.

**TAKES CARE OF ITS OWN FINISH.** New Diamond Lustre Finish never needs wax.

Bronte Motor Company

# Progressive Business and Civic-Minded People of San Angelo and Vicinity

This department has been worked up largely as a reflection of public opinion. No person has written about themselves or their business. All articles have been compiled by a representative of The Bronte Enterprise as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens of San Angelo who helped make this department possible is sincerely appreciated.

## W. D. "BILL" PARKER

W. D. "Bill" Parker, the manager of the City Savings and Loan Association, located at 125 South Irving, has won the universal respect and good will of the people of San Angelo and the surrounding country for the progressive manner in which he has kept this reliable firm in the forefront of the business and commercial life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Parker is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment "Bill" Parker for the successful management of the City Savings and Loan Association, and also for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

## ARLYN D. SIMPSON

Arlyn D. Simpson of Mac's Motor Company, located at 606 East 19th, is one of those dependable used car and pick-up dealers of San Angelo who has consistently forged ahead in his business. He has also put his shoulder to the wheels of civic progress when-ever concerted help was needed in furthering enterprises promoted for the general welfare of the community.

Mr. Simpson, or his capable and friendly salesman, O. C. Wojtek, were never given to wishful thinking. Because their methods are those of direct action, and whether the problem at hand is one concerning their own business or that of a civic nature, they attack it with optimism and vigorous enthusiasm. Add to this their acknowledged business ability and their keen sense of values, and it is easily understood why they are almost invariably successful in business or other matters.

We feel that it is our duty to call the attention of our readers to these worth-while characteristics of Arlyn Simpson and O. C. Wojtek and to pay them well deserved tributes for their straight forward business methods and for the unselfish interest they have shown in public welfare.

## A. L. LASATER

Successful business and professional men as a rule, show their appreciation of their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element which advocates and develops various projects of a civic nature that are indicative of a progressive community.

A. L. Lasater of the Lasater Music Studio, located at 1721 North Farr, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment of the city of

San Angelo and the adjacent territory.

Mr. Lasater takes a genuine pleasure in this method of showing his appreciation for his success, and in so doing recognizes his civic responsibilities to the community.

It is such men as A. L. Lasater who become acknowledged leaders in both business and musical activities, and we compliment him on having attained that position in his city.

## DOC WILLEKE AND LEO J. HUDSON

It is a privilege in this San Angelo review of progressive men and firms that have been such a great aid to the growth and development of this section of the state, to place such men as Doc Willeke and Leo J. Hudson of Willeke-Hudson, located three miles west on the Mertzon Highway, authorized dealers for Larson and Lone Star Boats, Evinrude Outboard Motors, Sales & Service, on an equal plane with all others in this rank. In the past, few men have exceeded them in contributing of their time and energy to the onward progress of San Angelo and the surrounding country.

Mr. Willeke and Mr. Hudson are recognized as two of the more dependable electrical contractors and marine supply dealers in this district. And they retain that distinction in the admiration and respect of their wide circle of friends. Also their interest in, and the very valuable assistance they have rendered to the many projects of a civic nature, reflect the principles which they have always so successfully applied to their business affairs.

We congratulate Leo Hudson and Doc Willeke on their records, and sincerely hope that their careers will be as useful and completely successful in the years ahead as they have been in the past.

## HAZEL ADAMS

A city grows and prospers by reason of the public spirited men and women who take an active interest in its development. San Angelo has its share of these progressive and civic-minded people, and one who is deserving of recognition is friendly, likeable, Hazel Adams of Jean's College of Beauty, located at 614 Volney.

Her professional ability, coupled with a sense of obligation to her many satisfied students have been major factors in maintaining Jean's College of Beauty in a position of leadership throughout this entire area. She has not only in her business activities but also in her attention to civic duty assumed an active part in community affairs.

Mrs. Adams has always been ready and willing to contribute her time and energy to the promotion of any project promising to benefit the community as a whole. She has often sacrificed personal interests to be of assistance to the city, and her efforts are deserving of commendation and support.

We congratulate Hazel Adams on her past achievements which, in our opinion, indicate a similar successful career in the years ahead.

## RICHARD C. FUENTES

Richard C. Fuentes is one of the more successful restaurant operators of San Angelo who, by maintaining a constant standard of service and high quality Mexican foods, has made the Fuentes Cafe, located at 9 East Avenue K, one of the more popular eating places in the community. We are glad to give him credit for his well-earned success in a field which is so highly competitive.

It is also a pleasure to give him credit for taking part in community affairs, and lending his assistance to various activities and public projects. When to take part in such matters he always does so without ostentation, but in a quiet manner which lends dignity to his cheerful acceptance of his share of the civic load. It is a pleasure to be associated in the promotion of community activities with a man such as Mr. Fuentes.

This review of progressive and civic-minded people of San Angelo would not be complete were we to fail to include Richard Fuentes. His is the kind of success which deserves recognition, and we wish him many more years of the same.

## WAYNE H. RIPLEY

It isn't the size or volume of a man's business which determines its value to the community in which he lives. But rather by the manner in which it is conducted. Which, to a greater or lesser degree, reflects the personality and character of the individual. The value of Wayne H. Ripley's business to his city is a reflection of his progressiveness and a determination to render the utmost in service, a policy which has caused the Ripley Refrigeration & Equipment, located at 1302 South Chadbourne, to be so well thought of, and so widely patronized by the people of San Angelo and the surrounding area.

That same progressiveness and ability which has made him so successful in his own business has also fitted Mr. Ripley to be of assistance on community projects and public drives. Moreover, he does so cheerfully and with a friendly spirit of cooperation that is always more than welcome.

It is a pleasure to include Wayne Ripley in this San Angelo review and to wish him further success in the refrigeration and equipment service business.

## DAN KINSLEY

In bestowing credit upon some of those progressive business men of San Angelo, who in one way or another, have contributed their bit to improve both civic and business conditions, we wish to publish a few words about Dan Kinsley of the Dan Kinsley Mobil Service, located at 1220 South Chadbourne.

Mr. Kinsley has set a standard for himself and the operation of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Mobile station continues to handle, much of which is due to his unceasing attention to detail and his ability to cope with new and unexpected problems.

Dan Kinsley is also civic minded

and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

## ROBERT O. DAVIS

In compiling this review of progressive San Angelo business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and civic life of the city.

Such a man is Robert O. Davis, representing the Walker-McDonald Bit Company, whose office is located at 2833 West Beauregard, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. Davis has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Robert Davis, and to point out to our readers that his sincere desire to be of service, coupled with his aggressive methods are largely responsible for the standing of the Walker-McDonald Bit Company throughout this entire area.

## JIM L. REID JR.

Our issue today proposes to call the attention of our readers to some of those progressive and civic-minded men who have contributed their share of time and energy to the building up of San Angelo and the surrounding territory to the position of prominence which it now enjoys.

One of these men whom we wish to present to our readers is Jim L. Reid, Jr., of Radio Jim's T V Service, located at 806 East 19th, whose success can equally be attributed to his business acumen and his knowledge of electronics, with special emphasis on radio and television.

He has never spared himself in his aggressive march forward in both business and technical fields and is a qualified specialist in the service and installation of all types of television sets and antennas.

Jim Reid Jr's record of achievement is one of which he may well be proud. His value to his city and this district is an established fact, and we are pleased to give him the credit which is his just due.

## GEORGE FRANCIS

In singling out some of the more dependable business men of San Angelo, we would be censured should we fail to include George Francis of George's Janitor Service, located at 713 North Randolph. He is a man who never spared himself in his participation in both the business and commercial activities of the city.

Mr. Francis has always been conscious of his civic responsibilities, and is ever ready and willing to meet in every detail those opportunities which come to his attention to further civic enterprise. He may well be proud of his achievements along these lines.

George Francis deserves a great deal of credit for the honest and successful manner in which he has conducted his business affairs. He is a friendly and likeable personality, whose sincere desire to be of service has gained him a host of friends and acquaintances in and around San Angelo who would, if given the opportunity, join us in wishing him many more years of continued success.

## BATES L. HOFFER JR.

There are a number of business and professional men in San Angelo who have gained recognition for their progressiveness, and a well-known life insurance counselor or who belongs in this category is Bates L. Hoffer Jr., representing the Tennessee Life Insurance Company, with offices located in room 502A in the McBurnett Building, whose fair dealings with many of our readers has earned for him a host of friends and policy holders throughout this area.

He is well established in the forefront of the business and civic life of the city. And the ethical manner in which he has conducted his business affairs is but one of the reasons for his out-standing success.

In addition to his insurance activities, Mr. Hoffer has also accepted his share of responsibility in aiding civic projects. As a result of the combined efforts of men like him, San Angelo is firmly established in the minds of the people as the logical business center for this section of the state.

We congratulate Bates Hoffer Jr., for his success in business and civic affairs, and trust he will continue for many years to enjoy that success which he has so justly earned.

## E. Y. KING

Performing an out-standing service for the people of San Angelo and the surrounding territory, E. Y. King, representing Hardware Mutuals, with offices located at 2306 West Concho, has achieved an enviable reputation for his progressive policies of business administration. His constant study of insurance problems in relation to the protection the people both need and can afford, have been important factors in his well-earned success.

Mr. King is a man of ideas and he is as practical as he is progressive in putting those ideas to beneficial use in furthering the service he renders to policy holders of Hardware Mutuals. His sound business judgment and unwavering honesty are characteristics which place him in the front rank of the business leaders of his city. Yet, he is unassuming and modest in his personal contact with the public; always ready to listen to their ideas and desires.

We are glad to pay tribute to progressive citizens of this type, for it is such men as E. Y. King who have caused San Angelo to become recognized as the leading business center for this section of Texas.

## CHESTER A. COOK

It is not always the kind of a business which determines its importance to the community. But more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the two Majestic Cleaners, located at 509 South Chadbourne, and 901 North Chadbourne, in their contacts with the public. And the ready acceptance of all business and civic obligations by Chester A. Cook, proves conclusively that he is a man who is well-versed in the principles of successful business management.

As most people know these firms are leaders in the dry cleaning business. This is partly so because of their long experience, but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment Chester Cook for the successful management of Majestic Cleaners, and for his many contributions to those civic projects aiding in the growth and progress of San Angelo and the adjacent territory.

## G. T. TRUSLER

Every progressive and successful business man in San Angelo contributes in some manner to the growth and progress of the city. And a man who is always willing to do his part in both civic and business activities is G. T. Trusler of the Cactus Oil Company, located on the San Antonio Highway, who, within the next sixty days will open a new and modern Cactus Service Station in Bronte. He is well known and has many friends and business associates throughout this entire district.

The prominent part that the Cactus Oil Company is playing in the business and commercial life of San Angelo and vicinity mirrors the progressiveness and ability of such men as he. Moreover, Mr. Trusler has also at all times been steadfast in his devotion to the city and the surrounding country, and on many occasions, has lent his support to the successful promotion of meritorious civic projects.

San Angelo and this district are fortunate to have such a man as G. T. Trusler in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying tribute to one of the city's more progressive business men.

## YOUNG STEPHENSON

Logically a man who has earned the reputation of being one of San Angelo's more dependable used automobile dealers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is — modest, efficient, friendly, Young Stephenson of the Central Motor Company, located at 800 North Chadbourne, who number many of our readers as some of his best customers.

Mr. Stephenson is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to the city and this district lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of San Angelo for numbering among their more progressive citizens such a man as Young Stephenson, and we also express the wish that he will enjoy many more years of success.

## ALBERT ROE JR., AND DAVE M. McCROHAN

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of San Angelo who belong in this category are Albert Roe Jr., and Dave M. McCrohan of the Industrial Engine Machine Shop, located at 65 East Avenue A.

Their leadership in their line of business is recognized throughout this entire district and their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

Mr. Roe and Mr. McCrohan are men who are equally well liked and respected by their intimate friends and their associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Dave McCrohan and Albert Roe Jr., for being good citizens, progressive business men, and boosters of San Angelo.

## BILL JONES

A drive inn operator of San Angelo who has based his success upon the belief that the public will appreciate good food, well prepared and appetizingly served, is Bill Jones of the Bill Jones Drive Inn, located at 1313 West West Beauregard, whose many friends and customers by their daily patronage of his popular eating place, attest to the soundness of his policy.

It is not only because of the successful management of his business that Mr. Jones has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of San Angelo and the people as a whole. He is another of those men who has shown his appreciation for his success by a willingness to contribute of his time and efforts to the promotion of community projects.

It is such men as Bill Jones whom we are privileged to include in this review and to publicly give him due credit for his success in business and civic affairs.

## RALPH TROLINGER

Ralph Trolinger of the Culligan Soft Water Service, and Angelo Lawn Sprinkler Systems, located at 325 West Washington Drive, reliable builder of swimming pool equipment, has a well earned reputation for progressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable. This invariable policy has made the Culligan Soft Water Service, and Angelo Lawn Sprinkler Systems outstanding in their field, a fact that is well known to the public throughout this entire area.

But Mr. Trolinger has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Ralph Trolinger the credit for his accomplishments which his friends and associates have so long accorded him.

## JACK BLY

We desire in this San Angelo review to call the attention of our readers to the well-earned position which Jack Bly has reached in the business life of this section. During the comparatively short time he has been operating Bly's Texaco Service Station, located at 1201 West Beauregard, formerly Long's, he has made many personal friends as well as having earned the good will of his associates for the straight-forward manner in which he has conducted his business affairs.

Mr. Bly has worked hard to deserve the confidence which the people of the community have in him, and he continues to work hard to maintain in every way, that high standard which he has set, not only for himself, but for the operation and management of his Texaco Service Station as well.

He has also shown a willingness to assist in every manner at his disposal in the growth and development of San Angelo, and is always ready to lend his support to civic projects. Jack Bly deserves our heartiest congratulations on the splendid record he has already established, and we sincerely hope for his continued success.

## W. R. JOINER

Recognized as an authority on all building and general contracting problems, W. R. Joiner, whose office is located at 803 South Abe, has turned his knowledge to the advantage of the people of San Angelo and vicinity. More than that, Mr. Joiner is a man who has always been vitally interested in the civic betterment and progress of the city, and has backed up his interest by lending assistance, in one form or another, to the successful promotion of many things which have benefited the community as a whole. San Angelo owes much to such men for their part in making the city the business center of this area.

He has always been alert to the many opportunities for service, and more than ready to recognize and accept his share of civic responsibilities.

Because of these things, W. R. Joiner has become accepted as a progressive business man who is an asset to both the business and industrial life of the city, and we trust he will continue to serve the people of San Angelo and the surrounding area in his present capacity for many years.

## FRANK CARAWAY

San Angelo owes much to those progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section of Texas, and who have also contributed in some manner to the exploration and development of the petroleum resources of this area. In mentioning some of these men it is only fair to include Frank Caraway of the Frank Caraway Drilling Company, located at 1220 South Bell, well known and completely reliable oil well drilling contractor.

He deserves a great deal of credit for his success in both business and civic activities.

Mr. Caraway is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community. The honest and successful conduct of his business affairs is but a reflection of his character. We trust Frank Caraway will continue to serve the oil industry throughout this entire district for many years to come.

## ROY E. TINKLER

Roy E. Tinkler has proven his progressiveness by constantly adding to and increasing the service which Tinkler's 66 Service, located at 1017 West Beauregard, has extended to the people. The large volume of business handled by his Phillips 66 station proves that "service" to him, is not "just a word," but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Tinkler was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Roy Tinkler has many friends in and around the city, and it is a pleasure to bring him before our readers in this review of progressive San Angelo business men.

## The Bronte Enterprise

## ROY H. SIMS

In compiling this review of progressive San Angelo business men, we have endeavored to select those citizens, who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in the various fields of activities. Such a man is Roy H. Sims of the Bes-Tex Insecticides Incorporated, located at 713 South Oakes, who is well known and has many friends and satisfied customers throughout this entire district.

Mr. Sims' main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

Roy Sims is a man of wide experience whose exploits in the business and commercial life of San Angelo and vicinity merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

## GEORGE W. HORTON

It is fitting in this review of progressive San Angelo business men that we acquaint our readers with the man to be credited with having maintained the Fiquers Insurance Agency, located at 2017 West Beauregard, in the enviable position it holds in the business and commercial life of this area. That personality is George W. Horton, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which this reliable firm now enjoys throughout this entire district.

Mr. Horton has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that his district owes much to the many benefits which George Horton and the Fiquers Insurance Agency have rendered to the people.

## FRED O. ROUSE

Recognized as one of the more progressive business men of San Angelo, Fred O. Rouse of the Angelo Motor Mart, located at 1218 North Chadbourne, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has and continues to build up good will for the Angelo Motor Mart throughout this entire district.

Mr. Rouse is deserving of praise, and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate Fred Rouse on his splendid record, and trust he shall continue to serve the people of San Angelo and vicinity.

September 29, 1960

## BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

Rev. George Mosier of Brownwood preached his last sermon Sunday as pastor of Brookshire Baptist Church. He has been called to a full time pastorate in Comanche.

Sunday evening services were conducted by four Howard Payne College students. Pat Thomas, Idaho, led the song service and sang a solo, with Kris Stangel at the piano. Freddie Oriol of Bishop, Texas gave the devotional and Paul Padrago of Baytown delivered the sermon.

Mr. and Mrs. James Holland, Junior, Tony and Vicki came from Big Spring for a weekend visit in the home of his parents, Mr. and Mrs. Herbert Holland. They all visited Mr. and Mrs. Jim Clark Sunday afternoon. Homer Clark, also of Big Spring, was a weekend guest in the Clark home.

Mr. and Mrs. Bill Keeling left Friday morning for Hobbs, New Mex. to visit their son, Elton Keeling, and family, and their daughter, Mrs. James Godfrey, and family.

Mr. and Mrs. C. H. Hester and Luther of Bronte spent Wednesday with Mr. and Mrs. J. C. Boatright.

Sunday dinner guests of Mr. and Mrs. T. G. Gleghorn were Mr. and Mrs. Doyle Gleghorn and Gary of Miles and Mr. and Mrs. J. C. Boatright.

Best news in this community in a long time is the good rains which have fallen. About 2 inches were received between Friday and Monday. It will greatly benefit pastures and grain which has been planted.

Mmes. J. C. Boatright and Charlie Brown attended the sewing club last Thursday at the home of Mrs. Claude Dittmore at Tennyson.

### Intended for last week

Mr. and Mrs. J. C. Boatright and Mr. and Mrs. C. H. Hester received word Saturday of the death of their cousin, Mrs. Hattie Means of Bangs. Funeral was there Sunday afternoon.

Mr. and Mrs. A. J. Essary of Juniper visited Mr. and Mrs. Jim Clark Tuesday.

Mrs. Mattie Irene Kincannon, sister-in-law of Mrs. Johnny Slaughter of Maverick, died Thursday in a Winters Hospital. She was formerly of Maverick and had lived there since 1902 when she moved to Winters a few years ago. Funeral services were held in Winters Friday.

W. Y. Boatright was dismissed from the Ballinger hospital Tuesday.

Mr. and Mrs. James Bomer of Novice are parents of a new daughter born Saturday, Sept. 10, in an Abilene hospital. She weighed 8 pounds and has been named Patricia. The Bomers have three other children, Janice, Sharon and Kay. Grandparents are Mr. and Mrs. Sparks Boatright of Novice and Mr. and Mrs. Tom Bomer of Talpa. Mrs. Bomer is the former Dorothy Boatright and attended Bronte school.

Mr. and Mrs. J. C. Boatright were honored on their 32nd wedding anniversary Tuesday night with a supper at the Zentner Steak House near Ballinger. Those attending were the Boatrights, Mr. and Mrs. J. B. Arrott and boys, and Mr. and Mrs. LeDrew Arrott and children. It was also Kim Arrott's 4th birthday.

Mr. and Mrs. R. E. McDaniel of Port Lavaca have been visiting in the home of their daughter and family, Mr. and Mrs. Gus Geryk and children.

Mrs. J. O. Riley of Knox City spent Saturday night with the T. O. Spillers. She was here for the funeral of Mrs. Bill Terry.

**NOTICE**

Notice is hereby given that there will be a hearing on the 1960-61 budget for Bronte Independent School District from 9:00 a. m. to 4:00 p. m. in the Superintendent's office Tuesday, October 4, 1960.

**FOR SALE** — Victor seed oats. D. K. Glenn. 35tfc

**PTA EXECUTIVE COMMITTEE**

A meeting of the executive committee of the Bronte PTA will have a meeting next Tuesday at 2:30 p. m. Foy L. Moore, president of the PTA, urged all committee members to be present.

Bronte's 38. Arrott made 7 and Rudy Olivas took a handoff on a reverse play and went up to the 50 for a 1st and 10. Robinson made 8 and Arrott carried on to the host's 36 for a 1st and 10. Arrott again ran 8 yards, then Bronte drew a fifteen yard penalty for illegal use of the hands, bringing up 2nd with 18 to go. Arrott made 7, then passed to Jerry McCutchen for another 7 yards, but the Longhorns were still 4 yards short of a 1st. The 4th down pass was no good, so Santa Anna took over.

Santa Anna passed for 15 yards, with Douglas Rogers doing the tackling job. The ball exchanged hands a couple more times before the half. Bronte was in possession with a 1st and 10 on the Mountaineer 34 when the whistle blew.

**Third Quarter**

Santa Anna kicked to start second half play. Robinson made a beautiful run back to the 46 before he was hauled in. Arrott went to the Santa Anna 28 for a 1st before he was pulled down. Robinson made 7, then the Mountaineers were penalized to their own 10 yard line where it was 1st down for the Longhorns. It took Arrott 2 plays to go over the double stripe. Conversion try was no good. Score 14-0.

Luttrell's kick was brought back to the 31 where Rogers stopped the play. Rudy Phillips stopped Walker of Santa Anna after he made 4. Dockrey made 5 for his team, then the Mountaineers fumbled the ball and Bronte recovered on the Santa Anna 40 yard line.

On the first play from scrimmage Arrott got loose and went the 40 yards to the double stripe. The running conversion was good for 2 points, making the scoreboard read 22-0 in favor of the Longhorns. Santa Anna failed to gain the necessary 10 yards after taking Luttrell's kick and were forced to punt. Arrott took the ball back to his own 30. Olivas went to the 40 for a 1st Arrott made 8 and Robinson 3 for another 1st. The next series of downs started badly, with

Bronte drawing a 5 yard offside penalty and Arrott getting off a wobbly pass after being rushed by Mountaineer defenders. He then lost 2 yards bringing up 3rd down and 17 needed. The fine combination of Arrott passing to McCutchen almost saved the series by making 16 yards. Robinson completed the needed yardage by gaining 2 through the middle.

The next play saw Robinson hit his stride as he broke loose and went 40 yards to pay dirt. Arrott ran the conversion, making the score 30-0 in Bronte's favor.

Luttrell's kick bounced just right and went to the 8 yard line and Santa Anna was unable to run it back upfield. The Mountaineers made a good run out to the 34 on 2nd down, but fumbled the ball at that point, and Bronte recovered.

Robinson, Walker and Donald Spiller carried for 2 1st downs, placing the ball on the 10. Walker then made 2 carries to the 1 and then carried the ball over. The conversion run was no good, so the score was 36-0.

Don Hester and Arrott stopped Santa Anna on the 31 after the Mountaineers received the kickoff. The couldn't move the necessary 10 yards and punted. Bronte's backfield likewise couldn't move so it was Santa Anna's ball again. The Mountaineers were desperately trying to break into the scoring and passed on every play. They finally threw the ball until they worked it up to the 2 yard line and Santa Anna's Walker pushed the ball over for the only Mountaineer tally of the evening. Conversion try failed.

Santa Anna's kickoff was returned to the 43. Walker gained on 2 carries, then Charles Lee tossed a pass to Eddy Spiller which was good for a 1st and 10 on the Santa Anna 25. During the next series of downs Bronte made good gains but were plagued with offside penalties. On third try, Lee connected with Don Spiller with a touchdown pass. The conversion was no good, leaving the score at 42-6. It was only a matter of seconds until the game ended.

**NEW FORD** —

Continued from Page 1

New, heavier brakes that adjust themselves.

Specially processed underbody parts, including galvanized body panels below the doors, that resist rust and corrosion.

Aluminized mufflers that are double-wrapped for three times normal life.

A 250 per cent increase in the thickness of anodizing on aluminum surfaces for brighter, longer-lasting grille, headlamp and tail lamp trim.

"These features," Mr. Wright said, "combined with Ford's Diamond Lustre finishes that never need waxing and the Full-Flow oil filtering system that permits a 4,000-mile oil change interval, will mean fewer inconvenient service stops and more savings with the new Fords."

Mr. and Mrs. R. H. Herron spent the weekend in Odessa visiting their children, Mrs. Carroll Leathers and family, Bill Herron and family and Roberta Herron.
