Bronte Homecoming To Be Held Friday

Homecoming festivities will start Friday at 5 p. m. with a coffee in the school cafeteria for ex-students

AD-LIB-BEN

Next Tuesday is election day and we hope that all our readers get out and vote for the candidates of their choice. Your one vote is important, as a review of the history of the presidency of this country will show. Many important elections have been decided by one or just a handful of votes. So, let us urge you to take full advantage of your opportunity and responsibility to cast your one vote. No one can do it for you.

We hope that Coke County will follow its tradition of the last two general elections and go Democratic. We think it is the best party with the best leaders for average citizens like most of us here. The only factor that we can see standing in the way of the Democratic ticket is Senator Kennedy's religion. And we can't believe that a majority of clear thinking Coke Countians will vote against a man because of his religion. The Constitution of the United States is good enough for us when it says "NO RELIGIOUS TEST SHALL EVER BE GIVEN TO A PERSON TO HOLD PUBLIC OFFICE."

We believe that Senator Kennedy was most sincere when he has repeatedly come out in his speeches and in his voting record for complete separation of church and state.

We also believe that the people of Coke County will realize that a vote against Senator Kennedy because of his religion would be unfair when no religious test has been applied in other instances of his service to his country. We hope you realize that no questions were asked about his religion when he was seriously wounded as a PT boat commander in the Pacific in World War II. Nor was his older brother quizzed about his religion when he gave his life for this country during the war.

We are mentioning the religious issue this week only because we think it is the factor that could swing traditionally Democratic Coke County into the Republican column. We don't expect Republicans to vote for Kennedy and Johnson, but we do sincerely hope the Democrats of this area will go to the polls with open minds and prove that they really believe that America is a land where religious freedom is enjoyed by everyone.

No small consideration should be given in this election to Senator Lyndon Johnson's position on the ticket as vice presidential candidate. Senator Johnson has done more for Texas during his years in Congress than most anybody has ever done. He is the most influential friend Texans have in Washington. Let's vote Democratic to put him in an even better position, if for no other reason. As vice president of the United States, he can do things for his country and state that would be impossible as a Senator. We hate to be selfish about this matter, but Texas should go Democratic for their own good if for no other.

and teachers. The coffee will last from 5 until 7, giving those who attend plenty of time to get to the Bronte-Trent football game at 7:30.

Other activities will take place before the game and at half time.

Johnnie Sims, daughter of Mr. and Mrs. R. W. Sims, will be crowned football queen at 7:10 p. m. before the ball game begins. She will be crowned by co-captains Jerry McCutchen and Dee Arrott. Miss Sims is a sophomore. Jan Magness, little daughter of Mr. and Mrs. Bill Magness, will be the flower girl, and Wayne Caulder, son of Mr. and Mrs. E. L. Caulder, will be the crown bearer.

Immediately before the kickoff, fathers of members of the football squad will be honored. They will be introduced along with their sons who are on the Longhorn squad.

Following the introduction of the football dads, will be the kickoff for the Bronte-Trent game at 7:30. It will be a district 6-B attraction.

During halftime the homecoming queen will be crowned. Dana Eubanks, granddaughter of Mr. and Mrs. W. O. Eubanks, will be queen. A Bronte high school junior, Miss Eubanks will be crowned by Matthew Caperton, president of the Ex-students Association. Attendees will be Pamela Guernsey, daughter of Mr. and Mrs. Glenn L. Guernsey, flower girl; and Dale Baggett, son of Mr. and Mrs. T. C. Baggett, will be crown bearer.

No invitations have been sent out for the Homecoming, but Enterprise readers are asked to invite all ex-students and teachers who may not know about the affair. The student council is in charge of arrangements for the Homecoming, assisted by teachers and ex-students.

FROST MONDAY

A heavy, but not killing, frost covered everything in this area Monday morning, the first of the season. First observations of the frost made local residents think it would kill most of the vegetation, but apparently it had little effect. Much cooler weather with no rain has been on the weather menu this week for Coke Countians.

Absentee Voting to End Friday

Friday, Nov. 4, is the last day to vote absentee in the General Election set for next Tuesday, Nov. 8.

Persons not expected to be able to get to the polls on election day are permitted to vote absentee. They may call at the court house and cast their ballot, or request a ballot by mail by writing J. L. Tinkler, County Clerk.

About 60 applications for absentee ballots had been filed in Coke County up to Wednesday morning.

Mrs. Marvin Corley entertained with a coffee in her home Tuesday morning. Those attending were Mmes. Chester Kiker, L. F. McCutchen, Dink Beaver, Merle Andrews, Ben Murphy, Jack Corley, James Tidwell, T. D. Joplin, Bob Wilson, Albert Grace, J. B. Arrott and Pearl Kennedy of San Angelo.

General Election Set For Tuesday, Nov. 8

A strenuous campaign will be climaxed next Tuesday when a general election will be held all over the United States to determine who will be next president and vice president. Other lesser offices will also be filled at this election but the limelight has been on the two top positions since last

Funeral Held Wednesday for Mrs. A. M. Wynne

Funeral services for Mrs. Albert M. Wynne, 72, were held at 3 p. m. Wednesday at the Bronte Church of Christ. Burial followed in the Fairview cemetery here. Clift Funeral Home of Bronte was in charge of local arrangements and Robert Massie Funeral Home of San Angelo was in charge of arrangements there.

Joe Wolf, local Church of Christ minister, and Silas Triplett of San Angelo, officiated at the services.

Pallbearers were Austin Sandusky, Ray Coalson, Delbert Coalson of Silver, Dee Estes of Orient, H. A. Springer, C. E. Bruton, James W. Allen and John Coalson of Meadow.

Mrs. Wynne died Monday afternoon in St. John's Hospital in San Angelo.

She was born in Bridgeport, Ala., July 5, 1888. She was married to Mr. Wynne in Alabama in 1908. The family moved to a farm near Bronte in 1916 and moved to Bronte about five years ago. Mr. and Mrs. Wynne observed their Golden Wedding anniversary on Nov. 25, 1958. She was a member of the Bronte Church of Christ.

Survivors include her husband; one son, William L. Wynne of San Angelo; two daughters, Mrs. Lester Parker of Blythe, Calif., and Mrs. Steve Beers of Ketchikan, Alaska; one brother, John Loyd of Bridgeport, Ala.; two sisters, Miss Allie Mae Loyd and Mrs. Bessie Barry, both of Bridgeport; and four grandchildren.

Bronte Beats Roby; Play Trent Friday

Despite the fact that they were plagued with penalties, the Bronte Longhorns defeated the Roby Lions 12-0 last Friday night at Roby. The Longhorns had 100 yards called on them in 10 penalties.

A long touchdown run by Dee Arrott was called back and the Longhorns were penalized. This happened in the second quarter and Bronte was unable to score until the third period. Bronte fans didn't have too much good to say about the way the officials called the game.

Arrott made both of the touchdowns which stood up. One was on a four line yard plunge off left tackle to climax a 70 yard drive. The other came in the fourth period when the Lions fumbled the ball on their own 40 yard line, and the Longhorns started on another scoring drive. Final plunge

of the drive was made by Arrott from the seven yard line.

It will be up to the voters to determine whether the Democratic candidates, Senators John F. Kennedy and Lyndon B. Johnson, or the Republican candidates, Vice Ambassador Henry Cabot Lodge, President Richard M. Nixon and will be the top officials of the land.

Coke County, a traditionally Democratic County, is expected again this year to go Democratic. It was one of the few counties in this area that remained in the Democratic column during the Eisenhower landslides of 1952 and 1956.

One of the dominating issues of this campaign has been religion. Senator Kennedy is a Roman Catholic, the first person of his church to seek the office of president

Funeral Thursday For Mrs. Hardin

Funeral services will be held today (Thursday) at 3 p. m. for Mrs. Jewell Hardin, 67, a former resident of Bronte. Services will be held in the Bronte Methodist Church with the Rev. Travis McNair, Methodist pastor from Robert Lee, officiating.

Mrs. Hardin was the former Jewell Sims, daughter of the late Mr. and Mrs. A. G. Sims. She was married to B. A. Hardin in Bronte in 1911. He preceded her in death.

She died November 1 in a Dallas hospital following a long illness. At the time of her death, she was living with her son in Dallas.

Survivors include the son, Wilber F. Hardin of Dallas; three brothers, Lewis Sims of Bronte, Harold Sims of Lone Wolf, Okla., and Lawrence Sims of Tulsa, Okla.; and one sister, Mrs. Willie Taylor of San Angelo.

Clift Funeral Home is in charge of arrangements. Burial will be in Fairview cemetery here.

Mr. and Mrs. Ben Murphy went to Robert Lee Sunday to visit her mother, Mrs. Lizzie Gunnels.

since Al Smith was defeated by Herbert Hoover in 1928. Considerable objection to Kennedy's religion has been raised by some Protestant denominations, and it is expected to have some bearing on the outcome of the election.

Polls Open from 8 A.M. Till 7 P. M.

Polls open at 8 a. m. and close at 7 p. m. for the General Election next Tuesday, Nov. 8, in Coke County. In large cities the polls open at 7.

Persons should bring their poll tax receipts with them, but you will not be required to state whether you will vote Democratic or Republican.

Voters have the right to scratch any of the candidates on either ticket. However, if you do so it is necessary that you scratch all the names of candidates running for the same office except the one you vote for.

You may vote a straight ticket for either party by drawing a line down the entire column of the other party tickets.

Each voting precinct has an election judge and an assistant who were appointed early in the year by the Commissioners Court. They will select two additional helpers. Except in the boxes at Robert Lee, Bronte and Silver where double boards will be used.

Here is a list of appointed election officials:

Robert Lee, Bryan Yarbrough, Miss Ollie Green.

Bronte, Matthew Caperton, Noah Pruitt.

Tennyson, C. N. Webb, E. D. Little.

Divide, Fred McCabe, James Counts.

Sanco, Ulmer Bird, J. L. Carwile, Jr.

Silver, Robert Walker, H. H. Jameson.

Green Mt., Finnell Smith, D. O. King.

Wildcat, M. D. Chumley, Finis Millican.

Olga, R. V. Copeland, Fletch Pinkard.

Walnut, C. G. Munn, Elton Mims.

Lometa, J. C. Harwell, W. J. Martin.

Juniper, Homer Cornelius, Clint Duncan.

Absentee, Don Fields, Calvin McCutchen, T. R. Harmon.

193 Users Sign for Sewer Service

Mrs. Helen Kirkland reported Wednesday that 193 persons have signed up for service when the city's new sewer system is completed.

She also said that the city council has signed an agreement with Mrs. Annie Wilkins for a ten acre tract of land to be used for the sewer disposal plant. The site is located south of the Ballinger highway.

Councilmen for the city are still urging local residents who plan to use the sewer service to sign up and put up their \$25 deposits.

Construction is expected to begin as soon as approval of the contract with Clyde Construction Co. is received from the State Health Department.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

Ever year about this time when the weather starts getting cool, I notice the big wedding pictures and stories falls off in the newspapers. All summer long the paper is full of folks getting married, what the bride wore and them things. When I was a boy we didn't have all that to-do over a wedding. But there's one thing that ain't changed none, and that's how the wedding come about.

The first person that knows a feller is going to marry a girl is the girl's mother. Then the girl finds it out, then all their friends begins to guess it. And then the feller hisself finds all of a sudden he's engaged.

Marriage will teach a young feller a heap of things, like thrift, regular hours, keeping his mouth shut and many other splendid habits he wouldn't even need if he stayed single. It can make a rich man pore and a pore man squirm fer a long time. Of course, I ain't agin the institution of marriage, I'm just just saying that, like taxes, it can have its drawbacks.

But everybody loves to read about marriages. That's the first thing my old lady looks fer in the papers. I saw a piece reprinted in a magazine not long ago from a Raleigh, North Carolina newspaper in 1851, more'n a hundred years ago. It was a letter to the editor from a woman and she said: "You can't think how much good the marriages do me. If you knew how I love marriages you would have them in each issue of your paper. The elopments are wonderful and the murders are most satisfactory, but I like best of all the marriages."

That is perfect proof, Mister Editor, that the marriage season is the best one fer selling newspapers.

Back when I was a boy most everybody got their wedding news over the telephone. We had a rural line with 12 houses on the line. Ever house had a different ring and all the phones rung no matter which number you called. I recollect that our ring was three shorts and a long and when you

KEEP THE VOICE OF TEXAS STRONG

Texas' dominant position in the Democratic Party has been a major factor in the amazing growth and prosperity of our State during the past 50 years.

Count our blessings that have come because TEXANS were in the RIGHT party at the RIGHT time.

Count the jobs . . . educational opportunities . . . military installations . . . defense projects . . . water and soil projects . . . rural electricity and telephone systems. Count our ultimate potentials for development.

Now the Democratic Party has selected a TEXAN for one of the two top offices our Nation has to offer. As Vice President, Lyndon B. Johnson will be in a position to render the greatest service any Texan has ever been able to give his State, his Party, his Nation.

Our Nation needs the dynamic leadership of John F. Kennedy and Lyndon B. Johnson. And Texas needs to be counted in the Democratic column November 8 to keep its voice STRONG in the party that has honored its sons and nurtured its growth. Texas has no such stake in any other party or any other candidate.

Texas' future — and America's — lies in your response November 8.

Judy Coe Queen Of Blackwell Carnival

By Mrs. Charles Ragsdale

Judy Coe, daughter of Mr. and Mrs. Vernon Copeland, was elected Queen of the annual Blackwell High School Coronation held Monday night in the school auditorium. Her title was Queen of the Mississippi River and Empress of the Court of Enchanted Waters. She was escorted by DuWayne Carpenter, son of Mr. and Mrs. Joe Carpenter, whose title was King of Blackwell High School and Emperor of the Court of Enchanted Waters. Both are seniors at the Blackwell school.

The coronation took place in an imaginary underwater setting with the throne a pink and silver shell. A background of pink was decorated with silver sea horses and fish.

The court included a duchess and duke from each grade school class and a princess and prince from each of the high school classes.

Members of the court included. 1st grade, Laura Tucker and Volney Holley; 2nd grade, Cindy Dea and Kenny Crain; 3rd grade, Glena Doan and Lane Jackson; 4th grade, Wendy Oliver, and Tommy Lanier; 5th grade, Shirley Hickman and Tommy Dyess; 6th grade, Charlotte Cate and Jimmy Saunders; 7th grade, Patsy Raney and Frank Jackson; 8th grade, Judy Cate and Courtney King; freshmen, Ferrell Shaffer and Ronny Bell; sophomore, Omer Rue Lanier and Richard Brewer; junior, Cherry Crain and Billy Northrup.

The sophomore class candidates were runners-up in the contest.

Other members of the court were: Patsy Hambrick, train bearer; Joe Dan Oden and Joe Tubb, crown bearers; Hill Stapp, master of ceremonies and Alton Northrup, stage manager.

Randy and Sherry Shaffer sang two numbers and a group of primary children presented two rhythmic numbers.

County Agents News Column

By STERLING LINDSEY
County Agricultural Agent

A killing frost has not blanketed the county yet, but a heavy frost was experienced in the Silver area Monday morning. A few more days of grace with warm sunny weather would help produce some winter grazing. The county has changed colors during the past two weeks, but it got off to a late start.

Making my way home from College Station last Friday I saw a lot of water between Killeen and San Angelo. The borrow ditches, creeks and other pooling areas were getting a good work out. I talked to two men in San Saba—both brought up for discussion the Armyworm. The operators in that area have received quite a bit of damage from the army worm—on both native and temporary pas-

tures. Also, Coleman, Runnels and Tom Green counties have had some outbreaks. I do not think we will have trouble with the insect, but I would watch for them in the oat fields and bottoms. They can do a lot of damage in a hurry if they build up in a particular area.

The latest word we have on the brucellosis testing is that two crews will begin working in Coke County during the latter portion of the week and the remaining three or four will begin next week. Dr. Soucares, D.V.M. in charge of the program, stated that they hoped to be able to move part of their equipment into the county on Monday, Oct. 31, and start two testers on Wed., Nov. 2. They did not show up on Monday so we are presuming it will be Thursday or Friday before they will be in position to start the first two men in Coke County.

We will attempt to keep you

posted on the progress of the program as it unfolds. Unless unclimate weather sets in such as they have had in Tom Green County the past two weeks, they should move through Coke County in four or five weeks.

The USDA has announced that the 1961 upland cotton allotment for Texas will be 7,849,196 acres. Only one allotment price support program will be available in 1961. This will be determined in the referendum to be held on Dec. 13.

Mr. and Mrs. Comie Hallmark and son, Junior, visited recently in San Antonio with her brother and family, Mr. and Mrs. Otto Havins. Weekend visitors in the Hallmark home included Mr. Hallmark's aunt, Mrs. Ida Turman, and her daughter, Mrs. Scotty Sayers, both of Fort Worth. Mrs. Turman will visit her sister, Mrs. Bessie Hallmark, in Robert Lee before returning to her home.

The Nixon-Lodge team is dramatically suited to the major challenge of our times, in which Communism must be mastered if we are to continue to maintain and strengthen peace in the world, and a bountiful, expanding prosperity at home.

More than any other two men, Nixon and Lodge understand the nature of communism and what steps must be taken to control it and defeat it.

From Khrushchev to Vishinsky, the leaders of communism already have met more than their match in Nixon and Lodge.

The Nixon-Lodge team will need no "on the job" training after election. There will be no period of danger when inexperienced hands could fumble into a costly mistake for the cause of freedom.

The deep experience behind the Nixon-Lodge team guarantees to the American people that Richard M. Nixon and Henry Cabot Lodge, building on the magnificent record of the Eisenhower years since 1953, will provide peace without appeasement, strength without apology, prosperity without inflation.

EXPERIENCE COUNTS!

RICHARD NIXON

**Eight years' experience in the President's Cabinet...in the National Security Council
...in the U. S. Senate**

No other man in our history has been as well prepared for the Presidency as Richard Nixon. Working closely with President Eisenhower, he has learned first-hand the intricate duties of the Nation's highest office. As the most active Vice President ever, he has proven time after time, at home and abroad, that he has the skill and the courage to solve any challenge that may arise.

Richard Nixon does not have to grow up to the job. He has lived with it for eight years. And because experience counts, Richard Nixon is America's chief hope in the critical years ahead.

HENRY CABOT LODGE

**Seven years' experience as United States Ambassador to the United Nations...
"America's Voice to the World"**

There is hardly a man alive with a better working knowledge of Communism and its threats than Henry Cabot Lodge. As America's highly respected spokesman at the U. N. for the past seven years, the Communist challenge has been his primary concern. And time after time, in his forceful and articulate manner he has thwarted Communist attempts at world domination.

There can be no more important issue than world peace. And once again, because experience counts, Henry Cabot Lodge is Richard Nixon's perfect partner for peace.

As you take your electric bed-coverings out of the storage, you may want to wash them again before putting them to work for another season.

Automatic electric blankets and bedsheets should be washed, not dry cleaned, according to extension home management specialists of Texas A&M College. Dry cleaning fluids may injure the wiring system.

Before washing be sure to disconnect all controls from the electric blanket or sheet. If there are spots or stains, wash these first gently with solution of soap or detergent and water. Use lukewarm water for washing—about 100 degrees F. Wash one blanket at a time. Remember, agitation of the becovering in the washing machine for too long a period may break the electric wiring. Below are suggested methods for washing in either agitator or tumbler type washer.

Agitator type Automatic Washer—Fill the washer with warm water. Add 1 cup of mild synthetic detergent, and agitate until dissolved. Stop washer. Immerse blanket in washer, and close cover. Do not agitate. Let blanket soak 10 minutes and spin water out for two minutes. Fill for rinse. Agitate for 1 minute. Spin out water for two minutes. Remove blanket. For line drying, hang lengthwise over two paral-

lel clothes lines, preferably in the shade. When an automatic dryer is used, preheat 5 to 10 minutes using large bath towels to absorb and equalize the heat. Add the blanket and allow to tumble about 15 minutes. Complete the drying on the line. Press bindings with steam or dry iron set at low heat.

Tumble type Automatic Washer—Place blanket in washer. Fill washer with warm water, adding half cup low sudsing detergent. Then stop washer. Soak blanket for 5 minutes, then tumble it 1 minute. Advance dial so water drains out. Then advance dial a second time, and let washer fill for deep rinse; run for 1 minute. Finally, turn dial to give final drain, for 2 minutes, or until drain hose stops. Remove blanket; dry as directed for agitator-type washer.

SENATOR JOHN F. KENNEDY AND SENATOR LYNDON B. JOHNSON

The Democratic Party Can Meet the Challenge

From Cuba to the Congo, from Turkey to Tokyo, the world is in turmoil, breaking old alliances. Here at home too many areas of our national life suffer from neglect.

A dazed Republican administration is so lacking in purpose and ideas that America is in increasing danger of being second best in the world struggle. We can meet the challenge of a stormy world with the leadership of men and a party that will face our problems and do something about them.

Your choice is between a party of action and a party of indifference. It's time for a Democratic administration of new American leadership.

Gov. Price Daniel voiced the sentiments of hundreds of thousands of Texans when he said: "If for no other reason I would vote for the Democratic ticket because Senator Lyndon Johnson is the party's candidate for Vice President."

Senator Johnson has served 24 years in congress, 12 in the House and 12 in the Senate, and has been honored by his selection as Senate Democratic leader eight years. When Texans wanted something done at Washington they got in touch with Senator Johnson and Speaker Sam Rayburn. Texans were hopeful that Lyndon Johnson would be nominated for President. When he failed to get the nomination, anti-Democratic forces in Texas have sought to capitalize on the situation. Yet he is referred to as the "greatest Majority Leader in History."

We resent the actions of Allan Shivers, self-appointed chairman of the so-called Texas Democrats for Nixon, who is using every effort through ridicule and misrepresentation to defeat the Kennedy-Johnson ticket.

Shivers, though obviously a Republican, posed for eight years as a Democratic governor of Texas, and during his tenure in that high office our great state was disgraced by corrupt insurance deals and veterans land scandals, one of the most dishonored episodes in Texas history. Shivers has been a traitor to his party in the last three presidential elections. Shivers is a dead duck politically in his home state, as shown by the shellackings Lyndon Johnson has given him in

Democratic conventions. He formerly had some prominent and influential Coke County friends, but they have left him. Even friends can stand just so much.

Shivers keeps harping about the tidelands oil for Texas. As far back as 1946 Price Daniel as attorney general was waking up our people to the danger of losing the tidelands. Allan Shivers wasn't politically dry behind the ears then and he never did any work toward getting the tidelands restored to the ownership of Texas.

Later while a U. S. Senator Price Daniel steered the law through congress and when it was attacked as unconstitutional by the Republican attorney general, Will Wilson prepared the briefs and exhaustive amount of research which won confirmation in the Supreme Court.

Shivers is also hollering loud about the possibility of losing the 27½% oil depletion allowance. Oil men have had no better friends than Senator Johnson and Speaker Rayburn all the years and at most every session of congress they have stood off efforts to cut the 27½% allowance.

Right now greatest concern is caused by enormous imports of foreign oil which have forced down Texas production to 8 days a month from 23 days permitted 8 years ago. Major oil companies who ship in foreign oil are making it hard on independent producers who can't import. It's hurting the whole economy of Texas with reduced drilling, throwing men out of jobs and decreasing taxing revenues of our schools, county and state governments.

Big companies are getting a 27½ depletion allowance on imports. We believe the law was meant to apply only to domestic production. If that's what Senator Kennedy had in mind when he said the matter should have further study, we believe he is entirely right.

Coke County people have always voted the Democratic ticket, and was one of the few counties in this area that stayed in line during the elections of 1952 and 1956. Many of our people are dissatisfied and want a change after 8 years of Republican control.

Small farmers have been unable to get much help from the Benson farm program. In fact,

Benson and his experts have said the small farmer had to go out of business. Do you like that? And have you noticed how right he is, right here in Coke County? There is no telling how many small farmers have been forced to give up right here in this county in the last 8 years. Small farmers have always been the backbone of the nation and they should be encouraged instead of starved out. Small farmers need some help as well as multi-million dollar corporations. If you want another four years of this, let Nixon ride into office on Ike's coattail and we will get it.

Small farmers, small business men, independent oil producers and working people are hurting but they can see hope for the future with the election of Democratic administration headed by Kennedy and Johnson. Bankruptcies for the U. S. for year ending June 30, 1959, totaled 100,672. This was a record high. The figure was only 40,087 under the last year of Truman's administration. It's been going up every year under the Eisenhower GOP administration.

Older citizens, too, have the right to expect they will be given medical care and receive the proper amount of assistance in their advanced years when faced with lower incomes. The Democrats offer by far the most logical method for helping them.

Our prestige around the world is not too good. What has happened to the Good Neighbor Policy started by Franklin D. Roosevelt? No Democratic vice president was ever rotten-egged in a Latin American country. We are getting nowhere in the cold war. The Russians distrust us and we distrust them. A new administration and new personalities is needed to remedy these situations.

Republicans are deft with down grading tactics, too. Look at the smears against Kennedy and Johnson. So getting into the act we might suggest that Ike's record may not be entirely perfect. Current issue of Look magazine carries a feature and lists his good and bad points as a president. They pretty well balance each other. If you don't agree, then read the article for yourself. Then decide if you want Ike's pupil as your next president.

COKE COUNTY COMMITTEE FOR

Kennedy and Johnson

Progressive Business and Civic-Minded People of San Angelo and Vicinity

This department has been worked up largely as a reflection of public opinion. No person has written about themselves or their business. All articles have been compiled by a representative of The Bronte Enterprise as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens of San Angelo who helped make this department possible is sincerely appreciated.

C. A. AND JAMES R. DUNCAN

Two of the more progressive real estate men of San Angelo, whose success can partly be attributed to a deep insight as to the direction in which the city will develop are C. A. and James R. Duncan whose offices are located in the McBurnett Building. They also have a sound basic knowledge of real estate values, and have turned that knowledge to the advantage of the people with whom they do business. And their aggressive methods coupled with their sound and practical ideas have made the services they have rendered to the people more valuable and materially contributed to their well-earned success.

The Duncan's are also civic-minded and have always shown a cheerful willingness to contribute their time and energy to the promotion of community projects.

It is because of the activities of such progressive business men that, year after year, San Angelo continues to show such a healthy growth and expansion, both as a residential and industrial city. We are glad to pay tribute to Mr. Duncan and his son James for the part they are playing in the onward progress of the city.

LESTER M. ARHELGER

Lester M. Arhelger has proved his progressiveness by constantly adding to and increasing the service which the Arhelger Humble Product Service Station, located at 5th & North Chadbourne, has extended to the people. The large volume of business handled by his Humble station proves that "service," to him, is not "just a word", but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Arhelger was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Lester Arhelger has many friends in and around the city, and it is a pleasure to bring him before our readers in this review of progressive San Angelo business men.

"G. E. "STEVE" BLEVINS

It is a well-known fact that a man's true character must come through in his work; whether in business or professional activities or in public life. So when a man conducts himself in such a manner as to cause the public to recognize in him certain qualities, over and above the average, he is deserving of a few words of praise. Such a personality is G. E. "Steve" Blevins of the Blevins Saddlery, located at 1905 Armstrong, a leader in the business and civic life of San Angelo.

In addition to being one of the city's more dependable business men, Mr. Blevins was never a

man to shirk his civic duties. More than that he enters cheerfully and with enthusiasm and optimism into those civic affairs in which he has time to take part. And seldom does he fail to find time to do his share.

Steve Blevins and his father, George M., deserve their share of credit for being two of those progressive citizens of San Angelo who have contributed so substantially to the onward progress of the city. It is a pleasure to include them in this group.

ELMER V. AND DOC MCKINNEY

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Two well known business men of San Angelo who belong in this category are Elmer V. and Doc McKinney of McKinney's Ice & Grocery and Modern Cigarette Service, located at 120 West Washington Drive and the Star Bowling Lanes at 125 West Twohig.

Their leadership in their line of business is recognized throughout this entire district and their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

The McKinney's are men who are equally well liked and respected by their intimate friends and their associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Doc and Elmer McKinney for being good citizens, progressive business men, and boosters of San Angelo.

JACK E. BROWN

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man is Jack E. Brown, whose office is located at 2410 Waco, who well deserves the reputation he has earned for being one of San Angelo's more progressive business men. His thorough knowledge of everything pertaining to the tax exempt municipal bonds and investment security business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Moreover, such experience as Mr. Brown has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including Jack Brown in this group of progressive and civic-minded men who are actively taking part in the evolution of the business and civic life of San Angelo.

BEN BIRD

Ben Bird, who just a few weeks ago assumed the management of the Orkin Exterminating Company Incorporated, located at 1932 Sherwood Way, quite readily demonstrated his executive ability by his quickness to appreciate the obligations and responsibilities of his new position, and to conduct his affairs accordingly.

Although he has been managing the company for a comparatively short time, he has already made many new friends and satisfied customers for the Orkin Exterminating Company.

Mr. Bird is an active, energetic man whose sincere and friendly personality and desire to be of service is rapidly earning a place for him in this district. He has already taken an interest in community activities, and in due course of time will assume his full share of civic responsibility.

Ben Bird deserves a word of praise for having so quickly established himself in his new position, and we are glad to give him this brief mention.

CLAUD AND RONNIE COLE

When a man gains recognition for the progressive and straight forward manner in which he has managed his business affairs, and also for his generous contributions to civic projects, he is to be complimented for his achievements.

A man belonging to this category is Claud Cole of the C & L Army Surplus, located at 301 South Chadbourne, a business man of San Angelo who is regarded with respect and admiration by a great many residents of the city and the surrounding country.

We also think it appropriate in this review to give credit to some of the younger generation who are carrying on so ably in the footsteps of their fathers. And one who certainly deserves such credit is Ronnie Cole, who now shoulders his full share of responsibility as manager of the business. It is because of the efforts of such men that, year after year, San Angelo continues to grow and prosper, and to become an even better place in which to live.

It is such men as Mr. Cole and his son Ronnie who have a distinct value to their city, and we take pleasure in paying them this brief, but sincere tribute.

TOM BIGGS

In compiling this review of progressive San Angelo business men, we have endeavored to select those citizens, who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in the various fields of activities. Such a man is Tom Biggs of the West Texas Fire Extinguisher Company, located at 128 East Concho, who is well known and has many friends and satisfied customers throughout this entire district.

Mr. Biggs' main interests have not been solely confined to his own business and private affairs, but have also included his contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

Tom Biggs is a man of

wide experience whose exploits in the business and commercial life of San Angelo and vicinity merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

ARTHUR VOKES

Successful business and professional men as a rule, show their appreciation of their success by their often repeated demonstrations of civic pride. This is a fortunate fact. Otherwise a city would be lacking in that progressive element which advocates and develops various projects of a civic nature that are indicative of a progressive community.

And Arthur Vokes, District Manager for the Farmers Insurance Group, located at 621 Caddo, is a man who has never failed to lend a hand when it comes his turn to help on some worthy project promoted for the general betterment of the city of San Angelo and the adjacent territory.

Mr. Vokes takes a genuine pleasure in this method of showing his appreciation for his success, and in so doing recognizes his civic responsibilities to the community.

It is such men as Arthur Vokes who become acknowledged leaders in both business and community activities, and we compliment him on having attained that position in his city.

DAVID PACK

It is not always the kind of a business which determines its importance to the community. But, more or less, the methods used in its management. The services rendered to the public. And the way in which it meets both business and civic obligations.

The cheerfulness of the entire personnel of the Wolfe Nursery, located at 1902 West Beauregard, in their contacts with the public, and the ready acceptance of all business and civic obligations by David Pack, the manager, proves conclusively that he is a man who is well-versed in the principles of successful management.

As most people know, this firm is a leader in their line of business. This is partly so because of their long experience but also because of a never ending policy of keeping abreast of the times in their particular field.

It is a pleasure to compliment David Pack for the successful management of the Wolfe Nursery, and for his many contributions to those civic projects aiding in the growth and progress of San Angelo and the adjacent territory.

B. J. GIBBS

It is fitting in this review of progressive San Angelo business men that we acquaint our readers with the man to be credited with having maintained the Morrison Supply Company, located at 110 East Avenue B, in the enviable position it holds in the business and commercial life of this area. That personality is B. J. Gibbs, the manager, whose genius for organization and for converting new ideas into actual deeds has played a vital part in the distinctive reputation which this reliable firm now enjoys throughout this entire district.

Mr. Gibbs has found time, in addition to his business interests, to give thought and energy to community projects. He is a citizen whose talents have been steadfastly devoted to the best interests of the city. He has been successful in his own business, and in the promotion of the general welfare of the community.

We are glad to pay this brief tribute to him, and to say that his district owes much to the many benefits which B. J. Gibbs and the Morrison Supply Company have rendered to the people.

JACK MARSHALL AND DON GORDON

It is a privilege in this San Angelo review of progressive men and firms that have been such a great aid to the growth and development of this section of West Texas to place two such men as Jack Marshall and Don Gordon of the Bowman Lumber Company, Incorporated, located at 1007 North Chadbourne, on an equal plane with all others in this rank. In the past, few men have exceeded them in contributing of their time and energy to the onward progress of San Angelo and the surrounding country.

Mr. Marshall and Mr. Gordon are recognized as two of the more dependable lumber men in this district, and they retain that distinction in the admiration and respect of their wide circle of friends. Also their interest in, and the very valuable assistance they have rendered to the many projects of a civic nature reflect the principles which they have always so successfully applied to their business affairs.

We congratulate Jack Marshall and Don Gordon on their records, and sincerely hope that their careers will be as useful and completely successful in the years ahead as they have been in the past.

N. W. PETE WYNNE

At the head of one of the district's more prominent wholesale leather firms, and as a leader of recognized ability in community life, N. W. Pete Wynne stands out today as one of the best liked men on the panorama of San Angelo activity.

His friends are numbered by the hundreds, and all of them of the lasting fiber which comes of worthwhile associations, both in the world of business and in the realms of neighborhood life.

The San Angelo Leather Company, located at 522 South Chadbourne, has been a strong factor in the growth and progress of San Angelo; and Mr. Wynne's own efforts, in many instances, have been the stimuli behind the outstanding accomplishments of the wholesale leather firm. The case is a fine example of a man weaving his own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a man who has done so much to promote the growth and progress of this entire district.

A. A. BRADSHAW

Every progressive and successful business man in San Angelo contributes in some manner to the growth and progress of the city. And a man who is always willing to do his part in both civic and business activities is A. A. Bradshaw of the Plains Brokerage Company, located at 2027 Sherwood Way, who is well known and has many friends and business associates throughout this entire district.

The prominent part that the Plains Brokerage Company is playing in the business and commercial life of San Angelo and vicinity mirrors the progressiveness and ability of such men as he. Moreover, Mr. Bradshaw has also at all times been steadfast in his devotion to the city and the surrounding country, and on many occasions, has lent his support to the successful promotion of meritorious civic projects.

San Angelo and this district are fortunate to have such a man as A. A. Bradshaw in a position of responsibility and service, and this newspaper feels that it merely reflects public opinion in paying tribute to one of the city's more progressive business men.

FRANK RICHARDSON

San Angelo owes much to those progressive citizens who have taken an active part in the growth and progress of the city, and who have helped to make it the business center for this section of West Texas. In mentioning some of these men, it is only fair to include Frank Richardson of Western Electric Motors, located at 2621 North Randolph, whose outstanding knowledge of the electric motors repair and maintenance business, backed up by his many years of experience, has brought him to the forefront in his particular field.

Mr. Richardson is wholly deserving of our sincere praise, and these few words of commendation are but a just recognition for the many activities he has conducted on behalf of the general welfare of the community.

The honest and successful conduct of his business affairs is not only a reflection of his character, but has also been a strong factor in maintaining him in a position of leadership in his field of endeavor.

We trust that Frank Richardson will continue to serve the people of San Angelo and the surrounding area for many years to come.

SHORTY AND DICK GEORGE

We wish in this edition to pay tribute to Shorty and Dick George of A Better Burger No. 3, located at 1325 South Oakes, for their many services to the city of San Angelo, and their splendid records of achievements in the business life of the city.

Mr. and Mrs. George probably have as wide a circle of friends as any other two we could name, because they are just naturally the kind of folks that make friends with almost everyone, and always conduct themselves in such a manner as to deserve the respect and good will of all who know them. San Angelo is fortunate in being able to number, among its more progressive business people, citizens of this type.

They are always ready and willing to lend their support to the promotion of any project which promises to benefit this entire district.

They may be depended upon, and their service to this entire area are too many in number to be described here. It may be sufficient to say that we consider Dick and Shorty George as assets to the community, and progressive business people of whom their city may be proud.

JACK EDMISTON

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement, the man we have in mind is one of San Angelo's more dependable new and used car dealers, Jack Edmiston of Quality Motor Sales, located at 1620 South Oakes, who has a wide circle of personal friends and business associates scattered throughout this entire district, many of whom reside in our own community.

His contagious optimism and freely expressed belief in the assured future prosperity of the people of San Angelo and its metropolitan trading area are characteristics which are to be appreciated in a progressive business man. He has always taken an interest in community affairs, and has shown a willingness to shoulder his share of the civic load.

It is such men as Jack Edmiston who, because of the successful conduct of their business and private affairs, and their willingness to contribute to the public good who are wholly deserving of a few words of commendation. It is a pleasure to include him in this group.

ALBERT C. RICCI

Because this is a period of growth and expansion for San Angelo, those progressive business men who had the foresight and ability to lay their plans so as to be able to take advantage of those conditions, are entitled to more than ordinary acclaim. We are therefore, glad to pay tribute to Albert C. Ricci of Ricci's Beauty Center, located at 1518 West Beauregard, and Talk O' Texas, 435 South Oakes, for he has become a well known figure in the business and commercial life of the city.

Mr. Ricci's persistent optimism and steadfast belief in the continued future prosperity of the people of San Angelo and vicinity are characteristics which are deserving of our highest praise.

Albert Ricci has also always shown a willingness to do his part in civic advancement and has contributed his bit, in one form or another, to projects promoted for the welfare of the city. We believe that a business man of this kind is entitled to our sincere praise, both because he has achieved success in his private affairs, and because he is willing to contribute to the public good.

HELEN HANKS ELLIS

To serve the public honestly, efficiently, and cheerfully is the basic foundation many progressive business men and women of San Angelo have found to be the shortest route to success. In making this statement, the woman we have in mind is Helen Hanks Ellis of Andes Candies, located at 38 West Beauregard. The popularity and patronage enjoyed by her many services accentuates the ideals of courtesy and efficiency which she has consistently applied in the management of the business, and in the servicing of its customers.

The conduct of such businesses, and the people who operate them have done much to make San Angelo the business center for many miles around, and it is fitting that we give credit where credit is due to such citizens as Mrs. Ellis for her part in the onward progress of the city. In so doing, we are merely putting into words the opinions of those who know her.

Helen Hanks Ellis has earned her success by the method in which she has served the public, and accepted both civic and business responsibilities, and we wish her every success in the future.

L. D. WHITTLE

Recognized as one of the more progressive business men of San Angelo, L. D. Whittle of the San Angelo Finance Company, located at 228 South Chadbourne, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has and continues to build up good will for the San Angelo Finance Company throughout this entire district.

Mr. Whittle is deserving of praise and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate L. D. Whittle on his splendid record, and trust he shall continue to serve the people of San Angelo and vicinity.

FLOYD OWENS

In compiling this review of progressive San Angelo business men, it is fitting that we should include some of those men who, by their aggressiveness, have definitely established themselves in the business and civic life of the city.

Such a man is Floyd Owens, distributor for Morton Foods in this area, whose office is now located at 55 East Avenue A, who also deserves an additional word of praise for being more than just successful. He is a consistent and enthusiastic booster of the community, and in his way has done much to advertise the city.

Mr. Owens has pursued the progressive policy of stepping up his business ahead of the times, thus setting a pace for which he has earned the reputation of being a go-getter who does not sit back and wait for the business to come to him.

We are glad to pay tribute to Floyd Owens and to point out to our readers that his sincere desire to be of service, coupled with his aggressive methods are largely responsible for the standing of Morton Foods throughout this entire area.

JACK B. DOWDY

Jack B. Dowdy of the West Texas Bearing & Supply Company, located at 303 North Chadbourne, has a well earned reputation for progressiveness because he has consistently forged ahead in his effort to make the service he renders to the people more valuable. This invariable policy has made the West Texas Bearing & Supply Company outstanding in its field, a fact that is well known throughout this entire area.

But Mr. Dowdy has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not

The Bronte Enterprise

only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Jack Dowdy the credit for his accomplishments which his friends and associates have so long accorded him.

FRED E. LERCH

Logically a man who has earned the reputation of being one of San Angelo's more dependable jewelers would in so doing, have earned the friendship and good will of a great many people throughout this entire district. A man who justly deserves that distinction is — modest, efficient, friendly Fred E. Lerch of Lerch Jewelers, located at 13 West Twohig, who numbers many of our readers as some of his best customers.

Mr. Lerch is the type of man who would be an asset to any community, not only because the successful conduct of his business plays a definite part in the general civic scheme, but because the ultimate measure of his value to the city and this district lies in the fact that he is untiringly zealous and remarkably successful in the promotion of civic progress.

It would be difficult to estimate the actual dollars-and-cents value of such a man to his community. We congratulate the people of San Angelo for numbering among their more progressive citizens such a man as Fred Lerch, and we also express the wish that he will enjoy many more years of success.

Recent visitors in the R. S. Walton home were their daughters, Mrs. Pritch Brown and Fran of Laverne, Oklahoma and Mrs. Bob Springer, Ann, Mary and Stephanie of Wichita, Kansas.
