Mr. and Miss BHS

OUTSTANDING STUDENTS
Deanie Allen and Dee Arrott have been named Mr. and Miss BHS for this school year. The selection is made by the faculty of Bronte School. Factors con-

sidered are character, personality, participation in activities and conduct. Miss Allen is the daughter of Mr. and Mrs. James Allen and Arrott is the son of Mr. and Mrs. J. P. Arrott.

AD-LIB-BEN

For the first time in our nearly 13 years of publishing The Enterprise and nearly 25 years of writing stuff for various papers, we have written something that made one of our readers angry enough to come in, demand his subscription money back and say he didn't want to get the paper anymore.

We were unable to find out just what the offending article was about, but we have a sneaking suspicion it might have concerned our articles the past few weeks backing Senator Kennedy for president.

We have suspected on several occasions that we had readers who would like to withdraw from our list, and we have written several articles which produced some heated arguments, but until this week we have managed to avoid this sort of thing.

It's always sorrowful to lose a subscriber. However, if we are correct in detecting the cause of our reader's wrath, we find it impossible to change our editorial views.

Which leads us up to again invite any of our readers to write letters to the editor on any subject. The columns of this newspaper are always open to such letters, expressing our readers views, whether or not they agree with the editorial policy of this paper. Only stipulations are that they must be written in good taste, be of reasonable length and signed by the writer. The name will be withheld from the printed one if the writer so desires, but the original letter must be signed.

In connection with the subject, we have one reader who has threatened, if the Democrats don't live up to what they promised, to take Charlie Boecking and beat me to death with him — but he didn't cancel his subscription.

WEATHER COOLER

Cooler weather greeted Bronte residents Wednesday morning after unseasonably warm weather prevailed over the weekend and Monday and Tuesday. Forecasts call for a continued letup in the warm temperatures.

City Will Observe Thanksgiving

Bronte will take a holiday next Thursday, Nov. 24, in observance of Thanksgiving. All the business firms of the city will be closed with the exception of some cafes and service stations which will remain open to serve local residents and travelers.

Enterprise Out Early

The Enterprise will be published a day early next week so that merchants who wish to advertise before the holiday can get their message out to readers.

Advertisers, as well as correspondents and other persons who have news for next week's paper, are requested to get their copy in not later than Monday. Cooperation will be appreciated.

Phone Service Restored After Break in Line

Repair crews of General Telephone Co. were busy in Bronte last Wednesday afternoon and night working on the line which runs down the alley immediately north of Main Street.

The line was broken when a truck hit it Wednesday morning. A large part of the telephones in the east part of town were knocked out by the break. General had some of their most up to date equipment here to use on the repair job.

JR. CHEER LEADERS — Five junior high school girls led the cheering section during junior high football games during the

Longhorns Down Steers; Win 2nd in District 6-B

The Bronte Longhorns wound up the 1960 football season in a blaze of glory Friday night when they defeated the Robert Lee Steers 32-8. The final game was played at Robert Lee.

The game climaxed a most successful season for Coach Bob Howard's Longhorns. The win over Robert Lee gave the local boys second place in District 6-B, the pennant going to the Hermleigh Cardinals, the only team to defeat the Longhorns.

The Longhorns got off to a rousing start, with Dee Arrott going over for a touchdown on the second play from scrimmage, after Bronte recovered a Robert Lee fumble on the kickoff return. The extra point try was good for 2 and about two minutes after the

opening whistle, the Longhorns led 8-2.

After the first counter Tommy Boecking kicked off, Robert Lee made one first down, but was unable to gain sufficient yards for a second. Richard Sims kicked a 35 yarder to the Longhorn 12. Five good gainers with Larry Robinson and Arrott carrying gave the Longhorns a 1st and 10 on the Robert Lee 46. Rudy Olivas took a reverse handoff from Arrott and raced 21 yards for another 1st down before he was pulled down. This set up the second TD, and after a couple of gains by Arrott and Robinson, the latter went over the double stripe. Robinson's touchdown gave the Longhorns a 14-0 lead. Try for extra point failed.

Boecking kicked the ball into the Robert Lee end zone on the kickoff giving Robert Lee possession on their own 20. Unable to make the necessary 10 yards, Sims got off a beautiful punt which was taken by Robinson. He zoomed through Longhorns defenders for 65 yards before he was knocked down on the Robert Lee 17 yard line. After being penalized 5 yards for backfield in motion, Arrott took the ball from the Steer 22 across the goal line for the third TD of the evening. A running conversion try was no good, leaving the score at 20-0. This touchdown concluded scoring during the first half, as neither team marked up points during the second quarter.

During the second period, John Kinsey, James Blankenship, Joe Roe and Sims made good gains both on the ground and in the air, but were unable to cross the Longhorn goal line. They drove to the Bronte 25, where they bogged down and the Longhorns took over on downs.

On the first play from scrimmage, the Longhorns pulled their well known reverse play with Olivas carrying. He made 28 yards on this effort. Other good gains were made by Arrott and Robinson, but penalties took care of any scoring threat and the Longhorns had to punt. Four plays later, the Bronte lads had the ball back in their possession after Sims was forced to kick. Again penalties totaling 30 yards were assessed against the Longhorns, but they managed to hold on to the ball until the end of the half. A 15-yard pass from Arrott to Jerry McCutchen nullified one of the penalties.

Second Half

Donny Robinson's kickoff for the Steers was short and after a spectacular 25 yard run by Arrott and another 4 by Robinson, the Longhorns were in good scoring position. Robinson carried to the 3 yard line and the Steer defense stiffened. Arrott was stopped on the 1, but Robinson bulled the ball across on the second try. Arrott's pass to Donald Spiller was completed but he was unable to get across the goal line. Score 26-0.

Boecking's kick was taken by Kinsey who went to the Steer 31. Roe made 17 and a pass was completed from Sims to Donny Robinson, then Roe picked up another 12. Sims' pass to Higginbotham was good for 12 and a first down on the Bronte 45. Roe made 1 and Sims picked up 8 on a keeper, making the count 4th and 1 to go. A penalty against the Steers hurt their chances, but they decided to pass instead of punt. The pass was knocked down by Olivas, so the Longhorns took over.

Olivas made 9 and Arrott carried to the Steer 44 for a 1st down. Robinson added 4 and Arrott carried on to the 33 for another 1st just before the end of the quarter.

Fourth Quarter

Robinson and Arrott alternated carrying the ball down to the 4 where it was 1st down and goal to go. Arrott carried over from that point. Kick was no good and the scoreboard read 32-0 in Bronte's favor.

Boecking kicked off and the Steers were able to get back up

Winter Festival Set For Saturday Night

The annual carnival, this year a "Winter Festival," sponsored by the Bronte PTA will be held Saturday night at the school. PTA officials promise those who attend an evening of fun and entertainment, along with plenty of good food and finally the evening will be climaxed with the crowning of the Winter Queen and King of Bronte Schools.

Mrs. Darwin Scott is general chairman of the carnival and she has had committees at work on the various phases of the carnival for several weeks.

A large part of the carnival will be held in the gym this year. School officials have ruled that no smoking will be allowed in the gym. Bronte firemen will be on hand to help enforce the rule.

Stands in the gym will include the Cat Stand, Football Throw, Souvenirs, Merchandise Chances, Weight Guessing, Cakewalk, Dart Throw, Sponge Throw, Bottle Ring Toss, Make Up Booth, Fortune Telling and games.

The Spanish room will be in operation again this year. Serving will begin at 6:30 p. m. Menus include enchiladas, tamales, cole

slaw, beans, crackers, tea and coffee. Plates will be 90c. Pie and cake will also be served in the lunchroom at 15c per slice. A hot dog and cold drink stand will be set up in the hall outside the gym.

A talent show, directed by Matthew Caperton, will give performances during the evening and movies will be shown.

All carnival activities will begin at 6:30.

Highlight of the evening will be at 8:30 when the three Queens and Kings will be crowned in the auditorium. The Queen's race will close at 4 p. m. Saturday evening, although winners will not be disclosed until the coronation event. The Queens selected will be: from the primary grade; from the remainder of the elementary department; and from the high school.

Queen candidates and their escorts are as follows:

First grade, Anne Ivey and Gene Glenn; second grade, Melissa Lee and David Bell; third grade, Mary Jane Morrow and Larry Butler; fourth grade, Ann Miller and David Guernsey; fifth grade, Cathy Miller and Douglas McCutchen; sixth grade, Diane Sissom and Wayne Carlton; seventh grade, Josephine Flores and Tony Olivas; eighth grade, Peggy Corley and Jerry Lee Gunn.

Ninth grade, Linda Taylor and Jack Bailey; tenth grade, Johnnie Sims and Rudy Phillips; eleventh grade, Dana Eubanks and Dee Arrott; twelfth grade, Deanie Allen and Larry Robinson.

Mr. and Mrs. Bobby Gentry and daughter of Odessa spent the weekend here with his parents, Mr. and Mrs. Charlie Gentry.

Clothing Still Needed for Drive

Mrs. Royce Fancher, Home Economics teacher at Bronte High School, announced this week that it was not too late to turn in clothing to be donated to the World Clothing Drive.

The students in the Home Making classes have been repairing and mending the clothing that has already come in, and the shipment will be packed and sent off in the near future.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I reckon about half your readers, along with my old lady, thinks I'm off my rocker so they ain't going to be shocked at a idea I would like to take up here this week.

I predict that in the next 20 year we will see the need of what is knowed as "take home pay" fer the average worker. Slow but sure the government is nibbling a little here and a little there until a feller working fer wages ain't got much left when his boss gits through deducting all of it.

I think we're coming into the "fringe benefits" age in history in this country. If you've noted in the last year or two, not many labor unions is strikin fer much more pay. This is on account of them not being able to take it home if they git it. They're strikin fer more fringe benefits.

They is gitting most of them fringe benefits rigged up so's they ain't too taxable and I reckon the workin man figgers he'd better git everthing over in that category so's he'll have some security fer his family.

These fringe benefits has got to where, in a heap of cases, they cover a couple of vacations a year, give hospital care fer everybody in the family clear back to Grandpa, allow fer time and gasoline to git to work and back. I was reading the other day where one company has even put in a barber shop where all the employees can git a free haircut.

You'll recollect that there fer

a spell folks was talking about "base pay." Then it went to "take home pay", and now we got the "fringe benefits." I never got that "base pay" figgered out exactly. I reckon it was what a feller got to first base with before he lost his deductions at second and third, and stole home with what little he had left.

If you don't believe this fringe benefit rage is spreadin, you should've saw that piece in the papers the other day about what took place in court in Richmond, Virginia. They had the policemen up fer taking perfection payoffs from gamblers. They told the court they considered it "fringe benefits." They got convicted, but it just goes to show, Mister Editor, how folks is thinking in this country today.

Well, with a new President comin in afore long, I reckon a heap of them politicians around the country that was appointed to office will be shaking in their shoes fer a spell. We've got some mighty good public servants in this country. We also got some that figgers they was anointed instead of appointed. I'm in favor of gitting rid of them anointed fellers, regardless of what party they belong to.

Yours truly,
Uncle Huie

Mr. and Mrs. Kenneth Reed of Andrews came for the ball game and to spend the weekend with her parents, Mr. and Mrs. H. O. Hester.

FHA Supervisor Lists Credit Rules

Chester L. Sinclair, local supervisor for the Farmers Home Administration, this week named four points that successful farmers follow in making good use of credit.

His statement was part of a review of 11 years experience in the farm credit field, and was made at a training meeting of Farmers Home Administration county committeemen held at Snyder.

First, a successful farmer plans every step he is going to take, figures costs carefully, and borrows only as much as he needs.

Second, he considers both price and quality when buying, gets several cost estimates, and compares the relative value of new and second hand equipment.

Third, he borrows only to finance money making enterprises.

Fourth, he builds up a good credit rating. He plans his payments to come due when income will be available for debt payment. He takes proper care of security property. He makes his payments when due.

Sinclair said these credit principles gain yearly in importance as farming becomes more complex and farm costs increase.

SEWER CONTRACT RECEIVED

Mrs. Helen Kirkland, city secretary, said this week that the contract for construction of Bronte's new sewer system has been returned by the contractor. The contract was signed by Clyde Construction Co. Mrs. Kirkland said no indication was given as to when work will begin, but it is expected to start in the next few weeks.

Blackwell Rites For Mrs. Maples

By Mrs. Charles Ragsdale

Funeral services for Mrs. Ada Maples, 76, were held at the Baptist Church at Blackwell Thursday afternoon at 3 p. m.

Rev. Kay Corley and Rev. Jessie Dea, both of Blackwell, officiated at the rites.

Mrs. Maples made her home at Roscoe for the past four years. Prior to that she had lived in Blackwell since 1938.

She is survived by four daughters: Mrs. Lottie Carmen of Tucson, Ariz.; Mrs. Alpha Lail and Mrs. Irene Inman of Midland, Mrs. Dorothy Watts of Luling, 15 grandchildren and 11 great-grandchildren.

Burial was in the Blackwell cemetery under the direction of Wells Funeral Home of Roscoe.

Hunters Warned To Be Careful Of Rattlesnakes

With the deer and turkey season opening this week, hunters are warned to exercise caution because of the large number of rattlesnakes which are still crawling. Warm weather for this time of year has kept the reptiles from hibernating to any large extent.

Mack Eubanks came by The Enterprise office Tuesday with a sack containing 46 rattles which were taken from snakes killed during the past weekend. Eubanks and his son, George, spent the weekend snake hunting and killed all 46 rattlers outside of dens. They said they were amazed at the large number of snakes which were still crawling out in the open.

A great number of hunters are now trying to get a buck, and they should be careful not to wind up with a rattlesnake bite.

WMU MEETS

Members of the WMU at First Baptist Church met Tuesday at the Church for a program on South America.

Rev. Lester Vinson reviewed the mission book "Across the Bridges" and a film, "The Challenge of Latin America" was shown.

Five ladies attended the meeting.

Mr. and Mrs. Rob Herron spent the weekend in Odessa with their children, Roberta Herron, Mrs. Carroll Leathers and Bill Herron, and their families.

How many of you have realized that there are only 38 more days or so until Christmas? All of my clubs are beginning to talk of their Christmas parties and I've been giving demonstrations on "Christmas Cookies and Candies" so I'm really in the spirit already.

The 4-H Electric Group will meet Monday, November 21st in the Courthouse Conference Room at 7:00. This will be the second meeting of the year and if any would like to attend who were not at the first meeting feel free to come.

Due to Thanksgiving holidays three Home Demonstration Clubs have had to change their meeting times: Robert Lee, November 17; Bronte Junior, Nov. 22 and Friendship, Nov. 22.

We have four new home demonstration club members this month. Mrs. H. H. Holland in the Bronte Sr. Club, Mrs. Butch Davis in the Robert Lee club and Mrs. Raymond Taylor and Mrs. Delmir Sheppard in the Friendship Club.

This is the time of year when you are really using driftwood in your flower arrangements. Your driftwood should be bleached occasionally to prevent color changes. Driftwood is prone to such changes, especially if subjected to much cigarette smoke. To bleach driftwood, wet it with soap and water, and place it in the direct rays of the sun. Add more suds as it slowly bleaches.

JUNIOR HIGH BASKETBALL

Both the girls and boys Jr. High basketball teams will open the season tonight in a game with Blackwell Jr. High at Blackwell. Game time is set for 6:30 in the Blackwell gym.

Mike Anderson is the Jr. High boys' coach and C. B. Barbee coaches the Jr. High girls' team.

Wash & Josh were fightin' again this morning. It all started with an argument over which month had the most rainfall last year.

Now fightin' never settled much of anything. Of course Wash & Josh didn't damage each other much but they sure wasted a lot of energy.

All this could have been avoided if Wash & Josh had just looked in the local newspaper's files.

TEXAS PRESS ASSOCIATION
1716 San Antonio St. • Austin, Texas

Progressive Business and Civic-Minded People of San Angelo and Vicinity

This department has been worked up largely as a reflection of public opinion. No person has written about themselves or their business. All articles have been compiled by a representative of The Bronte Enterprise as he saw conditions. These people are all leaders in their various lines of endeavor and the co-operation of those citizens of San Angelo who helped make this department possible is sincerely appreciated.

C. C. AND C. T. DUCOTE

San Angelo has attained a prominent position in the business and commercial life of this section of West Texas because of the foresight of those men who had the ability to envision the possibilities of the community, and the trade area it serves. And two wide awake progressive men who justly should be included in this category are C. C. and C. T. Ducote of the De Coty Coffee Company, located at 618 South Chadbourne.

Such men have, many times over, proven their worth to the community, both as business men and as active workers in the civic betterment and progress of the city. And the Ducote's have earned the good will and respect of their fellow citizens for contributing their bit to the general welfare of the city, and the people as a whole.

It is our duty to include C. C. and C. T. Ducote in that group of progressive and civic-minded men who have done so much for San Angelo, and to express the wish that they will continue for many years to forge ahead with the success which they have enjoyed in the past.

CY F. ELLIOTT

In mentioning some of those men who are taking a progressive part in the evolution of the business and commercial life of San Angelo, we would be censored if we failed to include Cy F. Elliott of United Rent-Alls, located at 2423 Sherwood Way, who offers a wide variety of items at nominal rental terms such as trailers, 8mm projectors, banquet needs, tape recorders, sick room supplies, floor and rug cleaning equipment and power tools.

A cordial invitation is extended to our many friends to visit United Rent-Alls, and see many other items which may be removed and used in any area other than the San Angelo vicinity; inquiries may be made by calling Mr. Elliott at 2-4785. He is the type of citizen whose fairness and friendliness and sincere desire to be of service, are accountable for a large measure of his success.

Cy Elliott has, by the conduct of his business, and by his attention to civic affairs, earned the friendship and good will of his fellow citizens. He is to be complimented for his activities, and we only express the desire of his many friends and associates in wishing him continued success.

ECTOR L. SMITH

In compiling this review of progressive San Angelo business men, we have endeavored to select those citizens, who, by the manner in which they have conducted themselves and their businesses, have earned for them positions of leadership in the various fields of activities. Such a man is Ector L. Smith of Sheep Shearers Supply, and Smith Hardware, located at 605 South Chadbourne, who is well known and has many friends and satisfied customers throughout this entire district.

Mr. Smith's main interests have not been solely confined to his own business and private affairs, but have also included his

contributions, in one form or another, to those projects of a civic nature which come within the scope of his activities.

Ector Smith is a man of wide experience whose exploits in the business and commercial life of San Angelo and vicinity merits more than a passing attention, and the writer is privileged to pay this brief tribute to a man who well deserves more credit than is accorded him here.

DALE AND HOLLIS LEDDY & JIM C. FRANKLIN

In every community there are a number of business men who can be pointed out as having taken a three-fold part in the onward progress of their city. Three well known business men of San Angelo who belong in this category are Dale and Hollis Leddy, and Jim C. Franklin of M. L. Leddy & Sons Boots & Saddles, located at 14 South Chadbourne.

Their leadership in their line of business is recognized throughout this entire district and their furtherance of civic activities and support of those organizations whose main objectives are directed along lines of civic betterment and community progress is well known to their immediate associates.

The Leddys and Mr. Franklin are men who are equally well liked and respected by their intimate friends and their associates. They are loyal to the community, thankful for their success in business, and have shown their appreciation by their contributions to various civic movements of benefit to the city.

We congratulate Dale and Hollis Leddy, and Jim Franklin for being good citizens, progressive business men, and boosters of San Angelo.

G. E. "ARK" MC CARLEY

In all business and professional pursuits there are men who have met with success because they have honestly deserved it, and such a man is G. E. "Ark" McCarley of the McCarley Plumbing Company, located at 2617 Abilene, Phone 9909, who well deserves the reputation he has earned for being one of San Angelo's more progressive business men. His thorough knowledge of everything pertaining to the plumbing and heating contracting business is exemplified by the manner in which he fulfills each and every demand made upon him in line with his business.

Moreover, such experience as Mr. McCarley has gained in the successful management of his business has been turned to the advantage of his fellow citizens by applying the same principles to the promotion of those civic projects to which he has been called upon to lend his able assistance. Thus his success in business has further enhanced his value to the city.

We appreciate the opportunity of including "Ark" McCarley in this group of progressive and civic minded men who are actively taking part in the evolution of the business and civic life of San Angelo.

GEORGE W. CURRY

In critical times such as these, it takes business men of more than average ability to carry on their operations successfully. In making this statement, the man we have in mind is one of San Angelo's more dependable custom gunsmiths, George W. Curry, of the Curry Custom Gun Shop, located at 1 East Twohig, who has a wide circle of personal friends and business associates scattered throughout this entire district, many of whom reside in our own community.

His contagious optimism and freely expressed belief in the assured future prosperity of the people of San Angelo and its metropolitan trading area are characteristics which are to be appreciated in a progressive business man. He has always taken an interest in community affairs, and has shown a willingness to shoulder his share of the civic load.

It is such men as George Curry who, because of the successful conduct of their business and private affairs, and their willingness to contribute to the public good who are wholly deserving of a few words of commendation. It is a pleasure to include him in this group.

MARIE BURRAGE

Marie Burrage is one of the more successful restaurant operators of San Angelo who, by maintaining a constant standard of service and high quality foods, has made Marie's Midget Cafe, located at 1324 North Bell, one of the more popular eating places in the community. We are glad to give her credit for her well-earned success in a field which is so highly competitive.

It is also a pleasure to give her credit for taking part in community affairs, and lending her assistance to various activities and public projects. When to take part in such matters she always does so without ostentation, but in a quiet manner which lends dignity to her cheerful acceptance of her share of the civic load. It is a pleasure to be associated in the promotion of community activities with such a woman as Mrs. Burrage.

This review of progressive and civic-minded people of San Angelo would not be complete were we to fail to include Marie Burrage. Hers is the kind of success which deserves recognition, and we wish her many more years of the same.

ARLEY GUESS

In bestowing credit upon some of those progressive business men of San Angelo, who in one way or another, have contributed their bit to improve both civic and business conditions, we wish to publish a few words about Arley Guess of the Guess Mobil Service, located at 819 South Oakes.

Mr. Guess has set a standard for himself and the operation of his business that, under present existing conditions, has been very difficult to maintain. However, that he has done so is proved by the large volume of business which his Mobil station continues to handle, much of which is due to his unceasing attention to detail and his ability to cope with new and unexpected problems.

Arley Guess is also civic mind-

ed and has, when asked, cheerfully cooperated on those civic activities to which he has been able to lend assistance. He more than deserves the respect and good will which he has earned, and we and his friends are confident that he will continue to maintain his usual integrity and high standards.

HAM KURTZ

Ham Kurtz of Ham's Men's Wear, located at 37 West Twohig, has a well earned reputation for progressiveness because he has consistently forged ahead in his business, never letting up in his efforts to make the service he renders to the people more valuable. This invariable policy has made Ham's Men's Wear outstanding in its field, a fact that is well known to the public throughout this entire area.

But Mr. Kurtz has accomplished much more than just making a success of his business and private affairs, and we take this opportunity to pay tribute to him for devoting what time he could spare to the general welfare, not only to the city but this entire district as well.

It is such men as he, who are both successful in business and appreciative of their civic obligations that are deserving of recognition. We take pleasure in publicly giving Ham Kurtz the credit for his accomplishments which his friends and associates have so long accorded him.

H. D. LINDSEY

H. D. Lindsey, the manager of the Hoppe Auto Electric Service, located at 19 East Harris, has won the universal respect and good will of the people of San Angelo and the surrounding country for the progressive manner in which he has kept this reliable firm in the forefront of the business and commercial life of this entire district. Also for the efficient and friendly willingness he has displayed in accepting his share of responsibility in aiding civic projects.

Mr. Lindsey is not the kind of man who makes himself conspicuous by the manner in which he conducts himself, either in business or other matters. Yet, his quiet reserve and air of confidence mark him as a man of sound judgment whose opinions and advice are sought after and listened to with respect.

We compliment H. D. Lindsey for the successful management of the Hoppe Auto Electric Service, and for his constructive advice and help on those civic affairs in which he has found time to interest himself. He is a man whom many are proud to call friend.

MANUEL CORTEZ

A restaurant operator of San Angelo who has based his success upon the belief that the public will appreciate good food, well prepared and appetizingly served is Manuel Cortez of the El Chico Restaurant, located at 107 East Avenue K, whose many friends and customers by their daily patronage of his popular eating place, attest to the soundness of his policy.

It is not only because of the successful management of his restaurant that Mr. Cortez has come to be recognized as an asset to the community; but it is also because of his policy of "looking ahead," and endeavoring to sponsor or take part in those community activities which will, in some manner, benefit the city of San Angelo and the people as a whole. He is another of those men who has shown his appreciation for his success by a willingness to contribute of his time and efforts to the promotion of community projects.

It is such men as Manuel Cortez whom we are privileged to include in this review, and to publicly give him due credit for

his success in business and civic affairs.

DAVE FARRINGTON

Dave Farrington has proved his progressiveness by constantly adding to and increasing the service which the Cattle Trail Service Station, located at 840 Culwell has extended to the people. The large volume of business handled by his El Paso Dixie station proves that "service," to him, is not "just a word" but something to be rendered to the motoring public to the fullest extent of his ability.

In addition to his close attention to his business affairs, Mr. Farrington was never a man to dodge his civic responsibilities, and help in those matters has always been cheerfully given.

He fully appreciates the value of good will, and has more than his share of that intangible commodity because of the manner in which he meets both business and civic obligations. He is a credit to the community, and is thoroughly established in the forefront of the business life of the city.

Dave Farrington has many friends in and around the city, and it is a pleasure to bring him before our readers in this review of progressive San Angelo business men.

P. J. HOLMAN

Good motels and tourist courts are indispensable to the progress and development of a growing city such as San Angelo. And the Lone Wolf Courts, located at 211 East Avenue K, combining the best features of both, has accommodated a great many tourists and business men in a manner that assures them of the continued patronage and good will of the motoring public.

The management of the Lone Wolf Courts has maintained an ideal of service which is thoroughly exemplified by the manner in which every need of the traveling motorist has been anticipated and prepared for. Nothing is taken for granted; nothing is forgotten, and hospitality and service is always their first and last consideration.

Much of the credit for the splendid reputation of these modern drive-in courts is due to the executive ability of P. J. Holman, whose untiring efforts, foresightfulness and careful attention to detail, have maintained a standard of hospitality and service which would be difficult to surpass. It is a pleasure to publish these few words of praise about the Lone Wolf Courts, and its friendly operator, P. J. Holman.

DON CAMPBELL

Recognized as one of the more progressive business men of San Angelo, Don Campbell of the Campbell Buick Company, located at 402 West Beauregard, performs a real service for the people of his city, and his contributions to civic betterment are too well known to require repetition in these columns. His personal success has been achieved, in large measure, because he never misses an opportunity to further the service he renders to the public. A policy which has and continues to build up good will for the Campbell Buick Company throughout this entire district.

Mr. Campbell is deserving of praise and this small tribute is but a just recognition for the many services which he has performed in the way of both business and civic activities. Also his reputation for the successful conduct of his business affairs is no greater than his reputation for the honest practices which characterize his every transaction.

We congratulate Don Campbell on his splendid record, and trust he shall continue to serve the people of San Angelo and vicinity.

MARVIN AND RAYMOND E. PROBST

It is a privilege in this San Angelo review of progressive men and firms that have been such a great aid to the growth and development of this section of West Texas to place two such men as Marvin and Raymond E. Probst of the Probst Roofing Company, located at 3030 Travis, on an equal plane with all others in this rank. In the past, few men have exceeded them in contributing of their time and energy to the onward progress of San Angelo and the surrounding country.

The Probst's are recognized as two of the more dependable roofing contractors in this district, and they retain that distinction in the admiration and respect of their wide circle of friends. Also their interest in, and the very valuable assistance they have rendered to the many projects of a civic nature reflect the principles which they have always so successfully applied to their business affairs.

We congratulate Raymond and Marvin Probst on their records, and sincerely hope that their careers will be as useful and completely successful in the years ahead as they have been in the past.

MRS. ED F. GRICE

At the head of one of the district's more dependable wholesale service station equipment supply firms, and as a leader of recognized ability in community life, Mrs. Ed F. Grice stands out today as one of the best liked women on the panorama of San Angelo activity.

Her friends are numbered by the hundreds, and all of them are of the lasting fiber which comes of worthwhile associations, both in

the world of business and in the realms of neighborhood life.

The G & G Sales Company, located at 30 North Chadbourne, has been a strong factor in the growth and progress of San Angelo; and Mrs. Grice's own efforts, in many instances, have been the stimuli behind the outstanding accomplishments of the wholesale service station equipment supply firm. The case is a fine example of a person weaving her own personal prominence into an executive's life, with lasting benefits to both organization and individual.

We take pleasure in expressing these few words of commendation to a woman who has done so much to promote the growth and progress of this entire district.

AILEEN TRIMBLE & CLANCY BALDRIDGE

To become generally accepted as two of those progressive business women of San Angelo who can always be counted upon to recognize their duty to the community, and who will readily back up their sense of duty by active participation in, or the support of worth while civic movements is an honor that can be proudly borne.

We refer to Aileen B. Trimble and Clancy Baldrige of the Trimble-Baldrige Travel Service, located at 523 West Beauregard, who a great many times in the past have neglected their own private affairs to lend a helping hand to meritorious civic projects.

Their friends are always more than glad to have their assistance, because of their constant cheerfulness and the enthusiasm and optimism in which they instill in the people with whom they meet.

These same estimable attributes have also been applied by Clancy

Baldrige and Aileen Trimble in the operation and management of their travel service with the outstanding success which is known to us all. It is our pleasure to give them all the credit which is their just due, and to include them in this review of progressive San Angelo business people.

WOODROW HERBERT W. W. JACKSON AND A. R. SCHANTZ

Due to the efforts of a group of wide awake business men, the city of San Angelo has attained a dominant position in the commercial life of this section of West Texas. And three of the men who have justly earned credit for being progressive members of that group are Woodrow Herbert, W. W. Jackson and A. R. Schantz of the Electric Service Company, located at 926 Pulliam.

It is because of the successful operations of such a business as theirs that the city of San Angelo has earned the reputation of being one of the more progressive communities in this area.

Mr. Herbert, Jackson, and Schantz have been conspicuously successful in spite of the fact that they have repeatedly neglected their own private affairs to devote a part of their time and efforts to the successful promotion of civic projects.

It is considered a privilege to include Woodrow Herbert, W. W. Jackson and A. R. Schantz in this San Angelo review, and to publicly give them credit for their success in business, and for their many contributions to the general welfare of the city.

field to their 43 yard line where the ball went over on downs. Bronte was unable to make a 1st after the ball was fumbled but recovered in the backfield, losing 12 yards for the Longhorns. Arrott punted, giving the Steers a 1st and 10 on their 20. On the first play from scrimmage, Olivas intercepted a Steer pass on the 50 and ran it back to the 34.

Charles Lee made good yardage on the next series of downs but once again the Longhorns had trouble with the officials and were penalized, and were unable to net the necessary 10 yards. The ball went over to the Steers on their 42.

From that point the Steers started on a march that was to end at the goal line with their only score of the game. Two passes from Sims to Higginbotham and Donny Robinson gained 11 and 23 yards, and Blankenship, Kinsey and Roe carried the ball for gains on the ground to the Longhorns 1 foot line. Roe carried the ball over, and Sims ran for two extra points, making the score 32-8.

Robert Lee kicked off and the Longhorns had time for only a few plays before the final whistle sounded.

The Longhorns looked good on the scoring part of the game, but their offense has been showing much improvement during the past two or three weeks.

Outstanding in the line were Mike Luttrell, Jack Corley, Rudy Phillips, Don Hester, Douglas Rogers, Jerry McCutchen and Kenneth Shaver. In the backfield Arrott, Robinson, Eddie and Donald Spiller and Olivas did well on both offensive and defensive play. Don Andrews, who has been doing an outstanding job at end, was unable to do much playing because of an injury at the Trent game.

Mr. and Mrs. Milford Phillips and Mrs. C. R. Smith. Other visitors in the Smith home included and Phillip of Andrews spent the weekend with their parents, Mr. and Mrs. B. A. Phillips and Mr. Johnnie Smith of Abilene.
