AD-LIB-BEN

The Enterprise may not have as much news in it this week as usual, but we have a good excuse. Libby has been in the Bronte Hospital since Sunday night, and, believe it or not, she must do some work around here, cause we have noticed we had a little more to do than usual.

She and I want to thank all our friends for the many kindnesses you have shown us during her stay in the hospital. We appreciate it immensely. We have only a good word to say for everybody on the staff of the hospital. Each one, from Dr. Harris on down, has been most helpful to us. And, by the way, Libby is getting along fine.

We had some excitement down at our house over the weekend, too. One of the kids was given a baby rabbit about ten days ago, and one day last week the little varmint bit one of the children who was visiting us. Sure enough, Saturday morning that rabbit was stretched out dead as a hammer. Medical advice told us in view of the fact that the bunny had bitten one of the children, we'd best send its head off to be checked for rabies. So, most of the day was spent getting paraphernalia together to ship the rabbit to Austin. After packing the animal in ice and carrying it to San Angelo Saturday evening our rabbit made the 8:30 plane from the air port at Mathis Field. Monday, we got a negative report, so all's well.

MR. AND MRS. FLORES VISIT BELLINGRATH GARDENS

A report from Bellingrath Gardens at Theodore, Alabama, says that Mr. and Mrs. Vetal Flores of Bronte visited the famous gardens on June 10.

Bellingrath Gardens is internationally famous for one of the world's largest camellia collections, for mass blooming azaleas and for year round beauty.

Cynthia and Patricia Robinson, daughters of Mr. and Mrs. Roy Robinson, spent last week in Midland where they visited their uncle and aunt, Mr. and Mrs. R. V. Robinson, and family.

Core Drillers Working Here

Core drilling crews are busy this week at the proposed damsites on the Kickapoo Creeks. Their work will help determine the specifications for the structures. Directors of the Kickapoo Water District are hopeful that they will be able to advertise for bids on the project in the near future. Present plans call for building of five structures which will eliminate flooding in the area.

Little League Weekly News

Results of Little League games played during the past week in the Colorado River League were reported as follows:

Friday, June 9

Robert Lee Indians 39, Blackwell Braves 0; Robert Lee Cardinals 10, Bronte Yankees 7; Bronte Giants 17, Norton Dodgers 1.

Tuesday, June 13

Bronte Giants 30, Blackwell Braves 0; Bronte Yankees 14, Norton Dodgers 4. Results of the game between the Robert Lee Cardinals and the Robert Lee Indians were not available at press time Wednesday.

Schedule for June 16

Bronte Giants and Bronte Yankees at Bronte. Robert Lee Cardinals and Blackwell Braves at Robert Lee. Norton Dodgers and Robert Lee Indians at Norton.

Schedule for June 20

Robert Lee Cardinals and Bronte Giants at Robert Lee. Bronte Yankees and Robert Lee Indians at Bronte. Blackwell Braves and Norton Dodgers at Blackwell.

Managers of the Little League teams said this week that anyone who wishes to contribute money to the Little League program should leave it at First National Bank with B. D. Snead or Vernon Glenn. They said the local teams are in need of some additional equipment and all contributions will be appreciated.

ATTEND STATE MEETING

A group from Kickapoo Baptist Church returned to Bronte Wednesday after attending a meeting of the State Baptist Young People's Association in Lamesa.

Making the trip were Rev. R. W. Blackmon, Bette Blackmon, Mrs. Noah Pruitt Jr., Norma Lynn Pruitt and Ida Lee Parker.

Rev. Blackmon said a total of 375 delegates registered and an estimated 700 persons attended the Tuesday night session.

Annual City Statement Published This Week

The annual audit of the City of Bronte is being published in this issue of the Enterprise, as is required by law. The audit set forth the amount of money taken in and disbursed by the city from April 1, 1960 to March 31, 1961, the city's fiscal year.

The statement was prepared by Mrs. Helen Kirkland, city secretary, and was audited by B. D.

Snead and E. F. Glenn, officers of the First National Bank of Bronte.

The statement shows that the city is not too well off financially. However, in view of the fact that city officials have had to spend a great deal of money in connection with the construction of the new sewer system, the finances do not appear to be in such bad

shape.

Many miscellaneous expenses were encountered in building the sewer system outside of the actual construction, which was covered by money derived from bond sales and a grant from the Public Health Service.

The statement is much longer this year than usual, due to the fact that several accounts had to be set up for deposit of money used in building the sewer system. Also a new account was set up for the Fire Department to deposit \$1,000 given for its use by Coke County.

Mrs. Kirkland said that quite a few changes have been made in the city's finances since the date of the statement, largely due to the receipt of about \$13,000 in the federal grant for sewer disposal plant construction.

Since April 1, the \$6,000 note owed First National Bank has been paid, as well as part of the other note payable to the bank. Also, a \$2,000 payment has been made on the \$24,000 balance on the water improvements bond.

Citizens of the city are urged to study the report and learn where their tax money goes. It is also hoped by city officials that the publication of the statement will give citizens a better insight into the problems encountered in operating the city government.

A small portion of the report, the recapitulation of all the funds and the report of the city bonded and contracted indebtedness will be found on the page following the main part of the statement.

Farm Safety Week Proclaimed

The period from July 23-29 has been designated as National Farm Safety Week by a proclamation released by President Kennedy.

The President called attention to the fact that more than a million farm residents are injured and thousands are killed each year in accidents and that these accidents bring suffering and sorrow to farm families and inflict heavy economic losses upon both the farm community and nation. The safety of these people, he continued, who produce our food is of vital concern to all our citizens.

President Kennedy is urging all persons and organizations interested in the safety of farm people

to support and participate in this special endeavor to help reduce the number of farm accidents. He asked farm residents to remember that "Safety is a Family Affair."

In Texas, plans are going forward for the observance of the Week, reports the Texas Farm and Ranch Safety Council. In many counties extensive programs will be carried out, emphasizing that safety is a family affair. County extension agents, 4-H club members and their leaders, farm and community organization leaders and others with a deep interest in the promotion will contribute to the overall plans.

The councilmen said that in many counties a different phase of farm and home safety would be emphasized each day during the week; Sunday, reverence for life; Monday, safety begins at home; Tuesday, agricultural chemicals; Wednesday, prevent falls; Thursday, highway safety; Friday, farm machinery and Saturday, recreation safety.

The failure of farm people to observe safety in their daily living is a chief contributor to their safety record. The Council said this record includes a disabling injury accident every 32 seconds and a death every 45 minutes to farm residents of the nation. The Council concludes it is time to stop this needless waste from accidents since most could be prevented.

Pee Wee Schedule

Nolan Butler, manager of the Pee Wee baseball team, announced the following schedule for the remainder of June:

June 15 — Silver, 7 p.m. there; June 19 — Miles, 7 p.m. here; June 22 — Bradford School, 5 p.m. at San Angelo; June 26 — Robert Lee, 7 p.m. here.

RAIN REPORTED ON WEST SIDE OF COKE COUNTY

Heavy rains west of Robert Lee were reported Wednesday afternoon. It was reported that creeks were running rapidly and automobile travel was hampered by water running across the highway between Robert Lee and Sterling City.

Some rain was also reported north of Bronte.

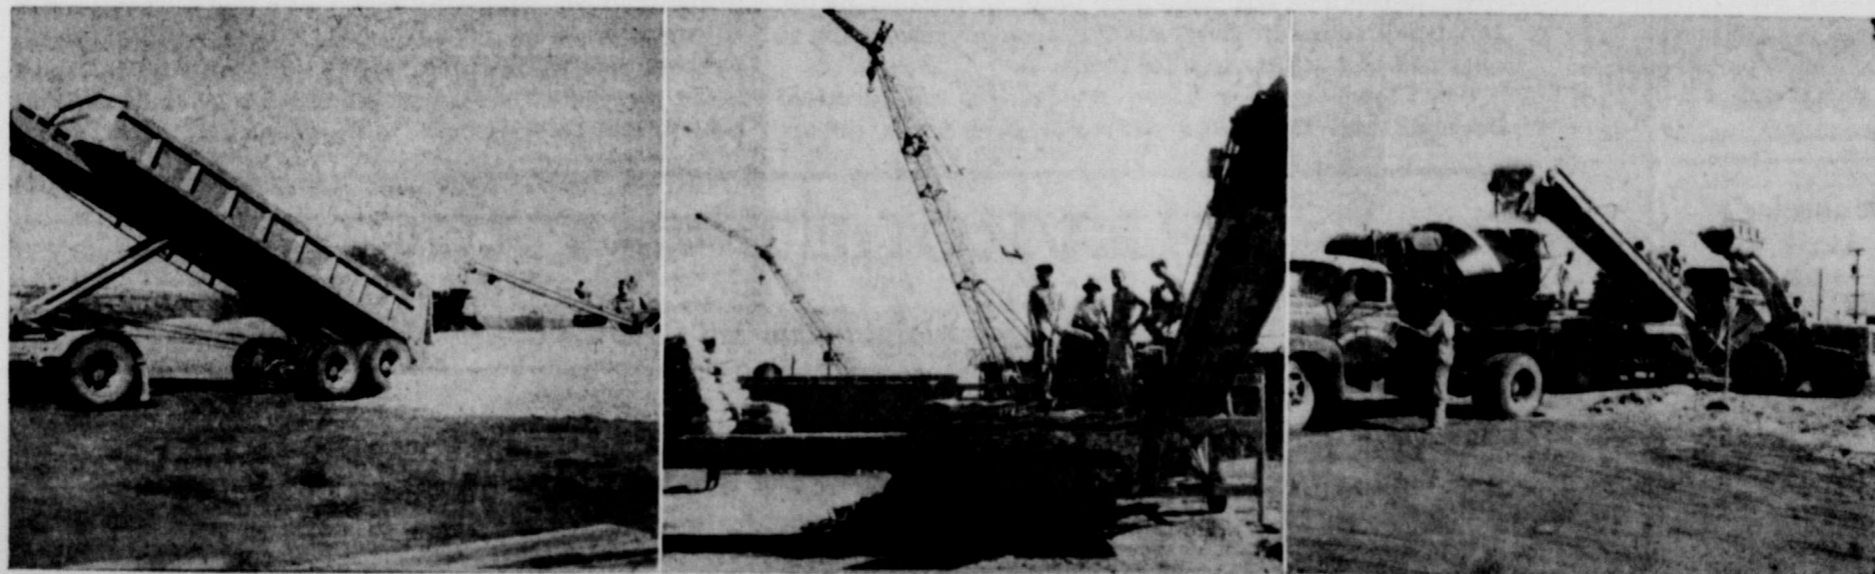

A cloud, which appeared to contain plenty of moisture, started building up in the west and north about noon Wednesday. At press time no rain had fallen in Bronte.

PERSONALS

County Agents News Column

By STERLING LINDSEY

Have you ever noticed the big difference that competition and quality can make in an auction sale? One good animal desired by two or more parties bent on buying what they believe to be "The animal" will sometimes go off the deep end.

Last Saturday in a club lamb sale held in Kerrville, two men buying lambs for their girls and or boys to feed, locked horns on a certain lamb. When the dust had settled one had paid \$152.50 for the 45 pound lamb.

Looking back on the shearing season just completed possibly we can see some things that could be done better, done without, or added to. Make plans now to make the changes in the fall if you shear twice a year or next spring if it is an annual affair on your place.

First, did you stay in the shearing pen or were you off gathering the sheep and doing other jobs?

Most crews will welcome your presence and your presence will stimulate them to do a better job. Also, did the crew keep the shearing boards clean and the fleeces free of dirt, manure, sticks, etc.? Did they roll the fleeces with the flesh side out and tie with paper twine? The first look the buyer gets when the sack is ripped makes a difference.

And did you or they keep the tags, the sweepings, the short fleeces, the black faced wool separate? Did you pack the bags flat, uniformly and stack them on a

UNCLE HUIE from HOG CREEK says

Dear Mister Editor:

I was telling the fellers at the country store Saturday night about what that column writer said it was costing the world to git ready for war. One feller allowed as how maybe we better try one more time to set down with them Russians at the Summitt.

Somebody was agin it, said he couldn't figger how it would do any good. He said he was reading a piece last week showing that since we recognized Russia in 1933, Russia has broke 51 of the 53 agreements they has made with us. And one feller said he saw where Herbert Hoover claimed that when Stalin come to power he made treaties with 34 countries and in 1939 broke ever one of them.

I don't know what decision President Kennedy will make in this matter, but it was agreed at our session Saturday night that we'll never git anywhere setting down at the Summit table with them bandits. My buddy just about hit it on the barrel head when he said the only noise they respect is the hum of our missiles. It's a sad thought, Mister Editor, but it looks like all we can do is fer us to put our trust in the Almighty and keep our missile factories running on three shifts.

And I see by the papers where the Chinese Reds is thinking about sending eleven diplomats over here to argue about gitting in the United Nations. This is the first time I've noted the two platoon system in peace circles. The Russians now has got a big advantage over us, seeing as how they can send in the Chinese platoon while they rest up a bit between scimmages.

Maybe them Zoomites that founded that new religious order at Rockport near Boston had the right idea. If I recollect the story in the papers correct, a feller named Goldie was elected the Zoom, and his followers lives by a code he set up. They plan to stay underground until 1962, as that is the time they figger these space missiles will destroy civilization. Then they plan to come out and start a model civilization. The Zoom says their new civilization will be without fear, hate,

violence or want. Now I don't take no stock in their plans fer a model civilization. It wouldn't be more'n two year afore the Zoomites would be fighting amongst theirselves to elect a new Zoom or murder the old one. But what appeals to me is that underground cellar the papers said they had built. I have writ the head Zoom fer some literature. I may be moving to Rockport soon.

Yours truly,
Uncle Huie

RAMBOUILLET RAM SALE SET

The Silver Anniversary Registered Rambouillet Ram Sale will be held June 20 through 22 at the San Angelo Fairgrounds. Approximately 350 top quality stud and range rams are expected from several states. The sale is sponsored by the American Rambouillet Sheep Breeders Association.

All Rams must be in the barns by 8:00 a.m. Tuesday, June 20, when a committee of five breeders will begin selecting the studs from the best two rams of each consignor. The committee also will pass on pens of A-B-C where the buyer has the privilege of taking all or any part of the pen at the winning bid.

All sifting and studding will be completed on Tuesday so the consignors will be free to talk sheep and show their rams to interested sheepmen on Wednesday, June 21.

The sale proper starts Thursday at 10 a.m., June 22, with Lem Jones as auctioneer.

305 Coke Residents Receive Benefits

In the first week of January, 1961, 305 persons in Coke County received \$15,396 in old-age, survivors, or disability insurance payments under the Social Security Act, according to F. B. Ellington, San Angelo district manager for the Social Security Administration. This was an increase of 60 persons over those paid for December, 1959.

In the thirteen county district serviced by the San Angelo office, 9985 beneficiaries received \$537,703 in that first week in January this year, as compared to 8983 persons who received \$469,413 in January of 1960. Ellington stated that was an increase of about 14 per cent.

For the entire State of Texas, old-age, survivors, and disability insurance payments are being

paid to about 600,000 persons at the rate of \$34 million per month. Benefits totaling approximately \$400 million were paid in Texas during 1960.

Nationally, the number of men, women and children who receive monthly payments from this program passed the 15 million mark a few weeks ago. The average payments made in January 1961 were \$74 for retirement or disability, \$124 for a retired couple where both received payment, and \$58 for an aged widow.

Ellington suggested that all persons who have reached retirement age (62 for women, 65 for men) write him for the free booklet, "21 Questions and Answers on Retirement Benefits" which may result in many persons realizing they are due payments now instead of later, as a result of 1960 changes in the law. Guaranteed by Uncle Sam:

A retirement plan that will return \$1.93 for every \$1.00 you put in

Would you like to be sure that every dollar you put aside for retirement will pay you \$1.93 later on? It can be done, and here's an example:

Buy a \$100 Savings Bond (for \$75) each month for 17 years and 9 months. (This is exactly ten years longer than the official maturity period for Bonds, and means extra interest earnings.) At the end of that time, you can cash in a Bond every month for the next 17 years and 9 months, and each one of them will pay you \$1.45. This works out to \$1.93 for every \$1.00 you put in Bonds—and please note—the \$75 figure is only an example. You can put as little or as much as you like into this retirement plan. See the chart.

before—in just 7 years, 9 months. Bonds bought before June 1, 1959, earn more, too—an extra ½% from then to maturity.

You can get your money, with interest, any time you want it. Bonds are a ready reserve that you can cash any time at any bank. But it pays to keep them.

Your money is guaranteed by the U.S. Government. Bonds are an absolutely riskless investment. The Government promises you that the cash value of your Bond will not drop—it can only grow.

Your money can't be lost or stolen. The Treasury will replace your Bonds, free, if anything happens to them.

You save more than money. You help save the peace with every Bond you buy. Peace costs money—money for science, education, military strength. And the money you save helps keep our nation's economy strong.

Pick the amount you would like to receive each month for 17-¾ years

SOME ADVANTAGES YOU MIGHT THINK ABOUT

You can save automatically with the Payroll Savings Plan. Tell your company how much to set aside from your pay for Bonds. This way you won't forget to save and your savings will add up automatically.

You now get 3¾% interest, at maturity. This new rate, which went into effect June 1, 1959, makes your Bond money grow faster. Series E Bonds now mature 14 months earlier than

Lyndon Waldrop Weds Mrs. Buie

(From Robert Lee Observer)

Rites uniting in marriage Mrs. Shirley Buie and Lyndon Waldrop were conducted May 19 in the home of the bride's parents, Mr. and Mrs. Marvin Probst, in San Angelo.

Officiating was Rev. Gordon Roe, pastor of Lakeview Methodist church. Mrs. Joel Harris of San Angelo was matron of honor and Kenny McMullin of Big Lake served as best man. Mrs. Louise Newman was the pianist.

A wedding reception was held in the Probst home following the ceremony.

The bridegroom is the son of Mr. and Mrs. Barton Waldrop of Hayrick. He is a graduate of Bronte high school and attended Texas Tech two years. He was employed by the Santa Fe railroad for some time and served a two-year enlistment in the army. Lyndon expects to take part in a number of rodeos this summer and is one of the top ropers in this area.

The bridegroom's parents were hosts at a rehearsal dinner May 18 at Little Mexico Cafe in San Angelo.

The couple was honored with a shower Tuesday night of last week in Fellowship Hall of the First Methodist church in Bronte.

SOROSIS CLUB PICNIC

The Sorosis Club will have a family picnic at the park Friday night at 7:00. Members are asked to bring two covered dishes and eating utensils.

Higginbothams Attend Wedding of Grandson

Mr. and Mrs. F. S. Higginbotham were in San Antonio over the weekend to attend the wedding of Henry Allen Fitzhugh Jr. and Miss Nancy Conerly, both of San Antonio. The bridegroom is the son of Mr. and Mrs. H. A. Fitzhugh and a grandson of Mr. and Mrs. Higginbotham.

The wedding was performed Saturday night at 8 o'clock in the Jefferson Methodist Church.

A graduate of Jefferson High in San Antonio, Mrs. Fitzhugh received her degree from Southwest Texas State College at San Marcus this spring. Mr. Fitzhugh, a graduate of Jefferson High, received a degree from A&M this spring and will attend summer classes there while working on his masters degree. The couple will leave for Venezuela in January, where he will work in connection with a scholarship granted by the National Science Foundation.

Mr. and Mrs. Pete Thomas and Tony attended a family reunion in Waxahatchie and visited in Fort Worth last week.

Billy Spiller Weds Miss Kay Chesnut in Seminole Ceremony

In a double ring ceremony Miss Kay Dene Chesnut, daughter of Mr. and Mrs. P. C. Chesnut, and William Travis Spiller, son of Mr. and Mrs. T. O. Spiller of Bronte, pledged wedding vows at 7:30 p.m. Saturday, June 3, in the First Presbyterian Church in Seminole. The Rev. Cleve Wheelus read the service.

The bride wore a Chantilly lace dress designed with a scalloped neckline outlined in seed pearls and rhinestones. Her empire bodice, accented at the waist with re-embroidered lace, fell into a bouffant skirt sweeping into a chapel train. Atop a white pearl covered Bible, the bride carried a white orchid surrounded by stephanotis. She was given in marriage by her father.

Miss Mary Walden serving as maid of honor, set the style for the bridesmaids, wearing an orchid sheath of polished cotton designed with an overskirt that featured a white embossed lily of the valley design. To complete her dress she wore a white picture hat.

Bridesmaids were Misses Donna Patterson, Kathleen Spence of San Angelo, Karen Evans and Jeri Herricks. The attendants carried white baskets of purple and orchid astors.

Donald Spiller of Bronte served his brother as best man. Ushers were Eddy Spiller, brother of the bridegroom, Mike Chesnut, brother of the bride, Al Johnson and Bill Evans.

Mrs. Con Hood, organist, and Hyle Doss, soloist, provided the wedding music.

After a wedding trip to New Mexico, the couple will be at home at 2001 40th St. in Lubbock. For travel the bride chose a tosat sheath and matching jacket trim-

KEEP CLOSE TO NATURE

The squirrel stores nuts that grow on the tree,
That his larder for Winter well filled may be.
The ant also stores his food in the ground;
He labors intently the working year round.
In Summer the bee sucks honey from flowers,
That it may have honey for long Winter hours;
And we should take heed from the lessons they give,
And store for the future that we may live.
THE FIRST NATIONAL BANK would always advise:
Keep close to nature if you would be wise.
