Longhorns to Tangle With Roscoe Eleven

The Bronte Longhorns will go up against Class A Roscoe Friday night when they travel to the Nolan County town for a football contest.

The Longhorns are way down after their 28-8 defeat last week at the hands of Jim Ned. Local fans are hopeful the Bronte lads will make a comeback against the Plowboys from Roscoe.

So far as ratings in District 6-B are concerned, the Longhorns are at the bottom of the stack, with the Robert Lee Steers on top

Last Rites Held For J. W. Arledge

From Robert Lee Observer

Funeral services were held Saturday at 2 p. m. in the First Methodist Church for J. W. Arledge, Jr., 48, who ranched 15 miles north of Robert Lee for many years.

The Rev. C. E. Holcombe, pastor of the First Methodist Church in Sweetwater, officiated.

Burial was in the family plot in the Sweetwater Cemetery under direction of Johnson's Funeral Home.

Pallbearers were Louis Brooks, Dr. T. D. Young and Lance Sears, all of Sweetwater; John Logan and Joe Lemley, both of San Angelo; W. A. Hickman of Blackwell; Jimmy Maddox of Colorado City; Lawrence Withers of Hugo, Colo.; Otis Campbell of Robert Lee, and O. J. Blocker, Jr. of Roscoe.

Mr. Arledge died at 4:45 a. m. Thursday at his home, 2501 Jann Drive, in San Angelo, after an extended illness. His death was attributed to a hemorrhage resulting from complications of a malignancy of the esophagus. He had undergone several operations in M. D. Anderson hospital in Houston. Most of the time during the last year he had been confined to his home here. However, his condition was such Wednesday afternoon that he was able to go for an automobile ride.

Survivors include his wife, two daughters, Linda and Carol, and one son, Wade, all of San Angelo; two sisters, Mrs. Jesse S. Cargile of Sweetwater, and Mrs. Palmer Leeper of Sanco, and one brother, George B. Arledge of Winchester, Ky.

Son of the late Mr. and Mrs. J. W. Arledge, Mr. Arledge was born on a ranch near Maryneal Sept. 2, 1913. He attended Roscoe schools, graduating from high school there, and then entered the ranching business.

Mr. Arledge and Miss Gerakline Youngblood of Blackwell were married Aug. 7, 1945, in Blackwell. They made their home on the ranch in Coke County 15 miles north of Robert Lee and later in Sweetwater. The family moved to San Angelo four years ago. Summer vacations were spent on the South Dakota ranches.

Mrs. Mary Walker and Buddy went to Fort Worth last weekend where they visited Mr. and Mrs. Gene Walker. Mr. and Mrs. Dayne Walker of Oklahoma City were also guests there.

Dennie Braswell of Odessa spent the weekend in the home of his parents, Mr. and Mrs. George Braswell.

after their 8-2 victory last Saturday over Class AA Marfa. Robert Lee has a 2-1-1 season record for the top spot, while Trent, Hermleigh, Roby and Lorraine have a 2-2 season record for the next four places. Bronte's 1-2-1 puts the Longhorns on the bottom.

In other 6-B games this week, Wylie will be at Hermleigh, Lorraine at Aspermont, Eldorado at Robert Lee, Rotan at Roby, and Trent at Ropesville.

Last week's results: Jim Ned 28, Bronte 8; Wylie 26, Lorraine 0; Robert Lee 8, Marfa 2; Roscoe 14, Roby 8; Trent 34, Sands 16.

LONGHORN BAND GIVES GOOD PERFORMANCES

The Bronte Longhorn Band has been giving some outstanding performances at football games the last few weeks. Last Friday night when the Longhorns played Jim Ned, the band gave a snappy performance of precision marching.

The week before at the Santa Anna game, the band saluted Mexico, Hawaii and Japan at half-time.

Bob Bingham is band director.

High Winds Do Some Damage

Winds estimated up to 50 miles per hour knocked down a few TV antennas and did other minor damage here last Sunday night when a cloud moved in from the northwest.

An average of a half inch of rain, with more in some spots, fell in this area. No severe damage to row crops has been reported to The Enterprise.

Cooler temperatures followed the front with reading in the forties each morning the first of the week.

R. L. Galloway, father of Louis Galloway, is a patient in a San Angelo hospital following surgery.

Jim Ned Indians Sail by Bronte Longhorns, 28-8, in Tilt Friday

The football game between Jim Ned and Bronte last Friday started off with a bang for the Bronte Longhorns, even though the local lads went down to a 28-8 defeat. The first time Bronte got the ball Rudy Olivas made a beautiful run up the right sideline for 60 yards and a touchdown. Contrary to this whirlwind start, this tally was the only time the Longhorns scratched all night.

The Longhorns started the ball game with Tommy Boecking kicking off. After three tries the Indians were faced with a 4th and 12 situation, so they punted, and that was when Dee Arrott took the punt, handed off to Olivas, and the lone tally of the evening was made by the Longhorns.

After that, it was Jim Ned all the way. The Longhorns made some good plays, but the breaks were not with them, and neither were the Jim Ned Indians. They had the almost impossible-to-stop Don McMillan and the accurate passing of Quarterback Roland

Law to Clamp Down On Parking Violations

Law enforcement officials in Bronte promised this week that they are going to crack down on persons who park on Main street from the wrong side of the street. A great many people, they said, turn left in the middle of the block and park on the opposite

side of the street.

Deputy Sheriff Jesse Parker said after violators are given due warning in this week's Enterprise, he will start giving tickets for the violation. Justice of the Peace J. H. Liles, who was with Parker at the time of the discussion, said that if charges are filed for the offense, and the accused is guilty, fines will be assessed.

The officials said that a great many persons are also guilty of backing out the wrong way from parking places, and this is just as much against the law as parking from the wrong side of the street.

Parker also mentioned the fact that it is against the law for youngsters to ride bicycles on the sidewalks. He said it is dangerous both for the youngsters and persons walking along the sidewalks.

Sweetwater Man Killed in Wreck South of Bronte

George David Holleway, 50-year-old Sweetwater mechanic, was killed about midnight Friday when his car struck a cattle truck semi-trailer 3 miles south of Bronte on U. S. Highway 277.

His wife, Juanita, was severely cut and bruised in the accident. She was taken to Shannon Hospital in San Angelo where her condition is believed satisfactory.

The Holleways' 1957 Buick was in collision with a cattle truck driven by Elmer Simmons, 27, of Abilene, about 11:30 p. m.

Coke County investigating officers said Simmons reportedly was attempting to turn his truck around on the highway when the vehicle jackknifed.

Holleway, driving north toward Bronte, hit the side of the trailer, shearing the top off his car, officers said. He was pinned alive in the wreckage for almost an hour. However, he had died by the time rescuers were able to pry the steel frame from his body.

Investigating the wreck were Coke County Sheriff Melvin Childress, Deputy Jesse Parker, members of the Tom Green County Sheriff Dept. and several highway patrolmen.

Funeral was held Monday in Sweetwater, with burial in Sweetwater cemetery. Survivors include his wife, two sons, two daughters, his mother and nine grandchildren.

Longhorns Club Meets on Mondays

The Bronte Longhorn Club meets each Monday at 7:30 p. m. in the darkroom of the elementary building. Coach Bob Howard said this week that good crowds of fans have been turning out for the meetings.

He also stated that in future meetings the film of the previous week's games will be run shortly after 7:30 so that those who wish to see the film and leave early may do so.

Heretofore, a discussion has taken place before the films were shown, making the conclusion of the meeting late.

"Some of us like to sit around and talk football for hours," the coach said, "but we don't want everybody to have to stay too late in order to see the films."

Conda Richards, president of the club, has invited all football fans to come to the Longhorn Club meetings.

Of particular danger, he said, is the possibility of a youngster being in collision with a pedestrian and falling into a plate glass window.

Both Parker and Liles said they are hopeful that residents will heed their warning, and it will not be necessary to issue tickets and assess fines to violators.

Lamesa Man Hurt In Pickup Wreck

James Hargraves of Lamesa, formerly of Blackwell, was seriously injured last Saturday night when his Dodge pickup went out of control and turned over. The accident occurred a short distance west of Bronte on the Robert Lee highway.

Jesse Parker, local deputy sheriff, said the vehicle overturned at least twice and was badly damaged. Hargraves was hospitalized in Sweetwater.

Corley Is Bear "Bright Spot"

Benny Corley, former Longhorn backfield star and now a sophomore on the Baylor Bears squad, got to show his superior punting ability last Saturday when the Bears met Pittsburg.

Bill Van Fleet, sports editor of the Fort Worth Star-Telegram, had the following to say about Corley in his column Monday:

"The punting of Benny Corley, 204 sophomore fullback from Bronte, was a bright spot for the Bears. He kicked five times for a 38-yard average and the kicks were so high that Pitt was able to return only two of them — for a total of one yard.

"His courage was put to the test near the game's end.

"The clock was running on the final minute as the Bears lined up for the fourth-down punt at their own 17. The snap signal was delayed as long as the Bears dared, and there were 17 seconds left as the sophomore took the ball and stepped into the punt.

"It traveled far and high — 48 yards. Lane, the hard-rock Bear end, was coming in fast as Pitt's Bob Clemens tried to catch the ball. Clemens missed, but succeeded in gaining possession and running it out of bounds to stop the clock.

"But there were only seven seconds left now, and the Panthers couldn't get off the long pass they needed."

B TEAM LOSES

The Bronte Longhorn B team lost a ball game to Coahoma Saturday night by a score of 38-0. The game was played here.

Mr. and Mrs. Otis Smith returned Tuesday from a several days trip to the Texas coastal area. They visited Beaumont, Corpus Christi and with her cousins, Mr. and Mrs. Troy Casey, in Baytown. They attended the Texas Prison Rodeo in Huntsville on Sunday.

Weekend visitors in the C. E. Bruton home were their daughter, Mrs. Bon Spoons and Linda, of Brownwood.

County Agents News Column

By STERLING LINDSEY

The Coke County 4-H Club entries in the San Angelo Sears store area of Coke, Runnels and Tom Green counties took top honors in the three county show. Jimmy Wayne Millican of Silver, son of Mr. and Mrs. Bunyon Millican, exhibited his duroc gilt to first place in the eight gilt county show and duplicated the feat in the area contest. Mike Krall, son of Mr. and Mrs. Melvin Krall of Robert Lee, exhibited the winning boar of the store area.

The placings of the other gilts in the county show held at the San Angelo show grounds Saturday were as follows: 2nd, Darwin Caswell, son of Mr. and Mrs. Mitchell Caswell, Bronte; 3rd Jerry Parker, son of Mr. and Mrs. Truman Parker of Bronte; 4th, Selso Abalos, son of Mr. and Mrs. Frank Abalos, Robert Lee; 5th, Bill Sharp, son of Mr. and Mrs. W. T. Sharp, Bronte; 6th, Sue Percifull, daughter of Mr. and Mrs. Will Percifull, Robert Lee; 7th, Bob Wells, son of Mr. and Mrs. James Wells, Bronte; 8th, Becky Percifull, daughter of Mr. and Mrs. Will Percifull.

The initial phase of the gilt improvement program was completed with the showing of the gilts.

TEXACO TIPS

"Told you I'd have it purrin' like a Kitten."

It takes good gasoline, the proper oil to keep a motor running in top shape—to make it "purr." For lubrication and car washing too... see us.

Box 479 Phone 473-4501
We Give FRONTIER STAMPS

The second phase of producing a litter of pigs will be the prime consideration of the club members from this point forward. The program terminates with the heavy litter contest in the spring and the returning of one registered gilt by each member to continue the program.

You probably have read one or more accounts in various papers and/or magazines in recent weeks about the proposed screw worm control program. A program is underway in a few counties to help secure funds for the gigantic endeavor. As soon as the necessary information on the program is received we will pass it on to you and initiate the program locally. My understanding at the present time is that \$.50 per head on cattle and \$.10 per head on sheep, goats and swine is being asked for to support the multi-million dollar undertaking. If the above figures are correct for what will be requested of Coke County, the request will be much less than the losses sustained during this year.

I plan to attend a brucellosis re-certification meeting in Ballinger on Oct. 12, along with three or four county beef cattle committeemen from the county. Possibly we will receive information on the screw worm eradication program at that time.

Early stalk destruction to combat pink bollworms and boll weevils is being pushed in all areas of the state. All of the state from this area east apparently suffered from the worst weevil infestation ever.

The entomologist points out to us that destruction of stalks and removal of litter early will reduce the number of weevils that go into hibernation. This is particularly true where a late fall crop is being produced. From the standpoint of controlling insects, the removal of overwintering materials will reduce the number that live through to cause damage another year.

DATE SET

Representatives of the Coke County Game Association met Tuesday night in the conference room at the courthouse and set Saturday, October, 28, 5:00 p. m. as the day for the annual game Association barbecue.

The barbecue will be at the County Park in Bronte.

Those attending the meeting Tuesday night were J. O. Rudd, president; J. T. Henry, secretary; D. K. Glenn, Jesse Parker, Sterling Lindsey and John King.

A program has been planned for the annual event.

DIVERSITY CLUB MEMBERS HEAR VETAL FLORES

Vetal Flores spoke to the Diversity Club Thursday evening on points of interest in the Southern States. He showed pictures and talked on a trip that he and Mrs. Flores took this past summer to New Orleans, Louisiana; Mobile, Alabama; Natchez, Mississippi and Miami, Florida.

Mrs. Henry Walker was hostess to the group that met in the Flores home.

A refreshment plate was served to Mr. Flores and other guests, Mmes. H. O. Whitt, H. A. Springer, and R. E. Cumbie and the following members: Mmes. Cecil Kemp J. T. Henry, John Quinn, Wilburn Martin, Collins Sayner, Wade Rees, Clifford Clark, Otis Smith, O. R. McQueen, R. C. Lasswell, D. K. Glenn and Vera Thomas.

PERSONALS

Mr. and Mrs. Marlon McCutchen of Odessa came to Bronte for a weekend visit with his parents, Mr. and Mrs. Luther McCutchen.

Mr. and Mrs. Bobby Gentry and daughter of Odessa spent the weekend in Bronte with his parents, Mr. and Mrs. Charlie Gentry.

Mrs. Wendell Lammers and Mrs. Scott Ernst of San Angelo visited Mr. and Mrs. Vernon Lammers Tuesday.

Mr. and Mrs. F. S. Higginbotham spent last weekend with her mother, Mrs. J. P. Hutchinson in Altus, Oklahoma.

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where a Washington column writer is accusing them Congressmen of putting the "fix" on handling the U. S. flag situation. He says members of the Congress git requests ever day from schools and groups all over the country wanting a flag that has onct flew over the Capitol.

Last year, fer instant, Congressmen distributed 16,013 of these flags. If they changed the Capitol flag ever day they wouldn't be but 365 available ever year. But our Congressmen has figgered out a way to keep the constituents happy. They got a special hidden pole and new flags is hauled up and down this pole at the rate of about 50 a day, then each is mailed with a printed certificate saying it has flew over the Capitol.

This column writer says the demand fer these flags has got so big that a extra pole had to be

set up last July and the folks handling this department has asked the Congress fer more money to buy flags and to hire a extra clerk to handle the paper work.

I don't blame our Congressmen fer this phony deal. It's us folks back home that puts this burden on our lawmakers that is to blame.

But all the news about our Congressmen this week ain't bad. Senator Byrd, who favors running the Government real economic reports that he saw signs of improvement as the Congress was closing out the session. He said the House Appropriations Committee considered the annual salary of \$6,702 fer Chief Justice Warren's chauffer too high and cut it down to \$6,700.

The main reason we got freedom in this country, Mister Editor, is because fellers like me can poke a little fun at the Government and not git put in jail. If a feller in Russia calls Khrushchef a flop-eared jackass he gits

shipped off to Siberia. In America a feller can call an official most anything he wants and about all the official can do about it is git him cut off the Soil Bank and raise his taxes.

I ain't got but two acres in the Soil Bank and my taxes is about as high as they can git, so about all I got to worry about is death. And I see where the undertakers in some of the big cities is trying to take the sting out of that. The papers say they're gitting "hearses in pastel colors" in New York and Chicago. It won't be long now till we git two-toned caskets and tombstones done in technicolor. I tell you Mister Editor, it's great to live in a country where we got to have three flag poles over the Capitol and where everbody, including the undertakers, is wheeling and dealing by day and working on a better mouse trap by night.

Yours truly,
Uncle Huie

FOOTBALL —
Continued from Page 1

the Indians led 14-8. Walker returned the Jim Ned kick off to the 39. He made no gain on the next play, and a pass from Arrott to Eddie Spiller fell incomplete. Then Arrott made 6 and a gamble on 4th down, with Spiller carrying, didn't pay off, so the ball went over to the Indians on the 45. The Jim Ned lads failed to make the necessary 10 yards on the next four downs, so the Longhorns had the ball again. The local lads fought valiantly, but the clock was running against them and the first half ended before they could rally against the Indian tide.

Second Half

The Longhorns looked as if they might roll after Jim Ned kicked off to open the second half of the ball game. Unfortunately, McMillan intercepted a Bronte pass, losing the ball for the Bronte boys. The Indians made steady progress after gaining possession, and with a 3rd down and three to go for a TD, Smoth lobbed the ball over the goal line to McMillan for the counter. McMillan ran the conversion for two points, making the score 22-8.

Bronte failed to make extensive yardage and punted. Four downs later Jim Ned returned the punt, placing the ball on the one yard line. A quick kick sent the ball out to Jim Ned on the Bronte 27, and six plays later, the Indians made another score. They tried to kick the EP but failed. Score: Jim Ned 28, Bronte 8.

The ball went back and forth a couple of times with nothing unusual happening until the Long-

horns were faced with a 4th and 1 situation. Arrott got off on a long run from his own 25 and traveled all the way to the Indian 39, before he was dragged down from behind. Olivas made four yards on the last play, and the ball game was over, 28-8, Jim Ned.

Mr. and Mrs. Randall Meador and girls of Abilene visited her parents, Mr. and Mrs. A. N. Rawlings, over the weekend.
