## Plans Being Made for Annual PTA Carnival

Residents of the Bronte area are in for a real treat Saturday night, Nov. 11, when the annual PTA school carnival will be held.

A full evening of entertainment is being planned and a program will begin in the school auditorium at 8:30. Climax of the evening's program will be the coronation of the three queens.

One of the most popular places at the carnival each year is the Spanish Room where most everybody goes for a dinner of Mexican food. Smaller stands located in the gym will also sell sandwiches and other refreshments.

Among the booths to be featured will be a sponge throw, dart throw, bottle ring toss, cat stand, duck pond, and the always-popular game room. Other new attractions are being planned, but have not definitely been decided upon. They will be announced in later issues of The Enterprise.

A new feature at this year's

## AD-LIB-BEN

We went to Lubbock Saturday and witnessed one of the most exciting ball games we ever saw. The Baylor Bears and Texas Tech Red Raiders battled all the way, and the game was not a sure thing until the final gun sounded. Tech led Baylor, 14-0, after just six minutes of play. The Bears tied it up in the second quarter for a halftime score of 14-14. In the third quarter, the Bears kicked a field goal and went ahead 17-14; then the Raiders got a safety to make it 17-16. With only 35 seconds left on the clock, the Big Red team kicked a field goal to go ahead 19-17.

We were for Tech, of course, but it was a real thrill to see Benny Corley operating as punter for the Baylor Bears. The former Bronte Longhorn star is about the sharpest kicker we've seen in many years. B. D. Franklin, former Bronte resident now with the Amarillo Globe-Times sports staff, wrote that when Corley kicks the ball, it goes so high and takes so long to come back to earth, they ought to penalize the Bears for delay of the game.

## Blackwell Edges Ira Team, 19-16

By Mrs. Charles Ragsdale

Blackwell Hornets edged Ira's Bulldogs, 19-16, in Blackwell last Friday night in a District 5-B six-man football encounter.

Both Ira and Blackwell now have a 1-1 record in district play.

Ira made the first tally of the ball game. Donnie Dunn scored one touchdown for the visitors and also made two conversions for four extra points. Other TD for Ira was made by Mike Sterling.

Jimmy Cate scored two touchdowns for Blackwell on plunges of four and two yards. He added an extra point on a catch pass thrown by Billy Hindman. Other TD was made by Mickey Campbell when he caught a pass thrown by Hindman, on a play covering 40 yards.

Blackwell will play Hobbs there Friday night, Oct. 27.

carnival will be a style show advertising Bronte business firms. Plans call for each firm to work up its own advertisement. This will be done with models dressed to emphasize their respective firm's business. All merchants in Bronte have been contacted and 27 have agreed to participate in the show. Each merchant who takes part in the show is required to notify Mrs. Foy L. Moore or Mrs. Bob Wilson by Nov. 1, in order that they may make final plans for the show.

A talent show will follow the style show, and will feature several musicians and vocalists. Eddie Spiller will be master of ceremonies for the evening's program. He will introduce Frances Murphy who will be narrator for the style show.

Highlight of the evening will be introduction of school royalty and announcement of the winners in the queen's race, followed by the coronation of the queens. Spiller will also emcee this portion of the program.

Dukes and duchesses from whom the kings and queens will be named are as follows:

First grade: Vicky Shurley and Ricky Sheppard; 2nd grade: Jan Alred and Terry Richards; 3rd grade: Susan Cumbie and Dale Baggett; 4th grade: Kathy Kiker and Nickie Arrott; fifth grade: Genie Thomas and David Denman; 6th grade: Dorothy Martin and Bryan Richards; 7th grade: Karen Mackey and Darwin Casswell; 8th grade: Laura Morrow and Larry Corley; 9th grade: Nancy Wilson and Gerald Parker; 10th grade: Elaine Glenn and Ray Sissom; 11th grade: Manuela Reyes and Tony Montez; 12th grade: Wanda Spurlock and Donald Hester.

Three queens will be named: elementary (grades 1-3), junior high (grades 4-8), and high school (grades 9-12).

The school carnival is sponsored each year by the Parent Teachers Association and is the organization's only fund raising project for the year. Proceeds derived from the carnival are used to finance the PTA's projects to help the school.

## Longhorns Beat Loraine, 14-12 Last Friday

The Bronte Longhorns got back into the winning list last Friday night when they defeated the Loraine Bulldogs, 14-12. The first Bronte counter came in the first quarter on a pass from Dee Arrott to Eddie Glenn, and the second was on a plunge through the line by Buddy Walker in the fourth quarter. Loraine's tallie came on a pass interception and long run by Don Redwine early in the second quarter, and on an end run by Buster Jernigan in the third quarter. Bronte's two extra points following the first touchdown were made on a run by Arrott.

### First Quarter

The ball game was started with Tommy Boecking's kickoff which Redwine returned to the 23. A lucky break gave the Longhorns the ball when the Bulldogs fumbled. Arrott picked up 9 yards, but the play was called back and Bronte was penalized 15 yards for holding. The Longhorns couldn't make the necessary 25, so the ball

## Roby Lions Come Here Friday for District Tilt

In all probability one or the other will be eliminated from a chance at the District 6-B title Friday night when the Bronte Longhorns meet the Roby Lions at the local stadium.

Roby, with one defeat, and Bronte, with a tie, would have

little chance of coming out on top after a defeat Friday.

The Longhorns should be in better spirits for this game than they have been for some time. After a long dry winless period, they bounced back last week to defeat the Loraine Bulldogs, 14-12 in a

## Annual Homecoming Is Also on Schedule

Bronte School will hold its annual homecoming in connection with the Bronte-Roby football game Friday night. Activities will begin at 5:00 p. m. with a coffee and registration in the school cafeteria. Matthew Caperton is general chairman of the coffee.

All ex-students of Bronte High and other interested school patrons are invited to attend the hour-long social where guests will be registered and name tags will be presented. No special class is being honored this year.

Following the social hour, the group will move to the auditorium where they will be entertained by the Junior High band, composed of fifth and sixth grade students.

A short business session will be held for the purpose of re-organizing the Ex-Students Association. Suggestions as to improving the interest in the organization will be heard.

At 6:30, the group will be dismissed to go to the football field, where several pre-game and half-time activities are being planned. Among these will be the crowning of the football sweetheart, Miss Sue Blackmon, daughter of Reverend and Mrs. R. W. Blackmon, and crowning of the home-

### SCHOOL TO DISMISS EARLY

School officials have announced that school will be dismissed at 3:00 p. m. Friday in order to give students time to be back for homecoming activities beginning at 5:00 p. m. A pep rally will be held at 2:40 p. m. in the gym.

coming queen, Miss Gwen Kirkland, daughter of Mr. and Mrs. H. M. Kirkland.

School officials have announced that a new school song has been written and will be introduced at the Homecoming football game. A contest has been underway to choose the wording for the song, and final judging will be Friday morning at 9:00. It is hoped that a soloist can be obtained to sing the song at the football game. The high school band has been practicing the new song and will play it during the pre-game entertainment.

### FIRE MEETING TONIGHT

Bill Luckett, fire chief, has announced a fire department meeting tonight (Thursday) at the fire hall, beginning at 7:00 p. m. The siren will be sounded to begin the meeting and all members and interested prospective members are urged to attend.

The volunteer fire department is trying to build interest in its activities and plans to meet twice a month for practice sessions and general discussion of fire hazards and problems.

Refreshments will be served.

### LONGHORN T SHIRTS

Mrs. Roy Robinson has announced that a new shipment of Longhorn T shirts has arrived and all sizes are now available. This is a club project of the Sorosis Study Club.

game at Loraine.

Trent is the undisputed leader in district play with two wins and no losses. Bronte is second with one win and a tie with Hermleigh; however, the Longhorns have a "win" in this tie game because of a 3-1 victory on penetrations. The Cardinals, in third place are followed by Roby with a 1-1 district record. Loraine and Robert Lee are in the cellar with two losses and no wins.

### Last Week's Results

Last Friday night District 6-B teams fared as follows: Bronte took Loraine 14-12; Trent trounced Roby 14-0; and Hermleigh romped over Robert Lee 30-12.

### This Week's Games

Roby will play at Bronte; Robert Lee will play at Trent; and Hermleigh will play at Loraine.

## Game Meeting To Be Held

The Coke County Game Management Association will hold its annual barbecue at the county park at Bronte Saturday, October 29, at 5:00 p. m.

J. O. Rudd, president of the organization said this week that a business session will follow the barbecue. After the business meeting an entertainment program will be presented to the members and guests attending the meeting.

## Grade School and B Team Football

Bronte's Shorthorns defeated the Loraine Bulldogs on the local field Tuesday night by a score of 16-0. Bronte's two touchdowns were carried over by Royce Lee and the extra points were made on passes from Lee to Manuel Reyes and to Darwin Caswell.

The Shorthorns are still undefeated this season with one game remaining on their schedule. They will play Robert Lee next Tuesday night here. The Robert Lee Dogies are also undefeated this season.

The fifth and sixth grade band has been playing for the junior high games.

Bronte's B team won a 28-0 decision over the Roscoe B team last Thursday afternoon here at the local field.

### VISITORS FROM ILLINOIS

J. B. Rutherford of St. James, Mo., and Mrs. Carson Tester of Edwardsville, Ill., left Tuesday morning for their homes after visiting here since last Wednesday. They visited their mother, Mrs. Mary Rutherford, and their brother-in-law and sister, Mr. and Mrs. J. I. Adair. The visitors and Mrs. Rutherford visited during the weekend with the Vernon Rutherford family at Uvalde. Mrs. Rutherford accompanied her son and daughter on their trip home and will stay with them for an extended visit.

Mr. and Mrs. W. Hipp, Jr. of Hobbs, New Mexico visited his parents, Mr. and Mrs. Wornock Hipp, and his brother, Bill Hipp and family, last week.

**UNCLE HUIE from HOG CREEK says**

DEAR MISTER EDITOR:

I see by the papers where them Englishmen is complaining pritty loud over their new "austerity" program their government has arranged for everbody except the Royal family. I reckon "austerity" is a \$10 word meaning the folks has got to tighten their belts.

England has been gitting in a bad way ever since right after World War II when they started that Socialism business and put their railroads, electric power, health and all such things under Government control.

One of the boys out this way was stationed over there in the Air Force last year and he sent his folks a batch of their Government pamphlets. On account of me being an authority on Government pamphlets, they give 'em to me. I got 'em down off the shelf this morning and I discovered right off why things is so bad in England. It's hard to believe, Mister Editor, but people has to pay fer them pearls of wisdom over there.

I ain't shore but I think Thomas Jefferson put it in the Declaration of Independence that we was to git these masterpieces free in this country. I note here where one of the pamphlets this boy sent back from England is entitled "Calf Rearing" and is put out by

the Ministry of Agriculture and costs 55 cents. It says that "Research on the physiology of the calf shows it can be reared on diets previously considered unsuitable."

And here's one that ought to be again the law and might be the one that's causing a heap of their troubles. It's entitled "Women, Wife and Worker" and sells fer 35 cents. It is put out by the Ministry of Industrial Research and starts out, "Married women's employment is often cited as the cause of separation, divorce and juvenile delinquency." How do you like that fer 35 cent?

A note on the front of each pamphlet says they is printed by "Her Majesty's Stationery Office." It also says people in the United States can git 'em fer the proper fees from the British Government Publications offices at Rockefeller Plaza in New York. No country can prosper where they ain't got free pamphlets from the Government. I estimate that about half our prosperity is due to them free pamphlets we git ever day from the various agencies.

Prime Minister MacMillan, in discussing the situation, says four out of ever five people in England gambles, but he says it ain't hurting nothing. I can understand how four out of five over there gambles, but I can't understand why the fifth feller don't join 'em. After all, in a country where folks is charged 55 cent fer a Government pamphlet on "Calf Rearing," what has he got to lose?

Yours truly,  
Uncle Huie

**'62 CORVAIR MONZA**

**NEW FACE, SAME SPORTING HEART**

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not.

Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The air-cooled rear engine sees to that. You swing around curves flat as you please. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes.

Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper.

So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

A New World of Worth

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

### BUCKALEW IN WRECK

Louis Buckalew was slightly injured in a pickup wreck last Thursday on the San Angelo highway.

Buckalew was driving north in a pickup and pulling a trailer load of cattle. A dividing gate in the trailer was apparently jarred loose on the detour road and the weight of the cattle was shifted to the back of the trailer, causing the pickup to overturn.

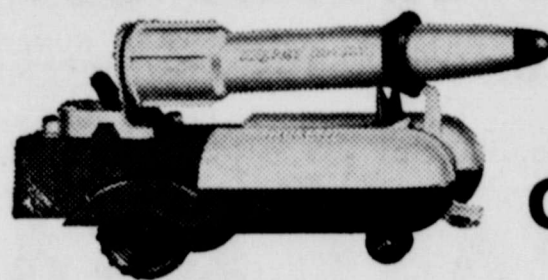

Buckalew was brought to Bronte hospital where he was released Monday.

### Red Carpet Rolled Out for Weekend In Carlsbad, N. M.

By JEAN SHEPPARD

Because the Oglesbys were unable to go out of town the weekend of October 6-8, Jerry Thomason and I were privileged to represent the Enterprise in a press tour of Carlsbad, New Mexico, sponsored by the Carlsbad Chamber of Commerce and various business men in that city. The red carpet was really laid out for the benefit of some 150 newspaper people from Texas and New Mexico.

We arrived in Carlsbad Friday noon just in time to make a tour of the International Pot Ash mines. This was a rare experience because the public is not often allowed in the mines. We were nine hundred feet underground for about two hours watching actual mining operations. We also watched crewmen unload six tons of heavy equipment from the elevator.

That evening we were guests of Mr. and Mrs. Skipper Rigdon, owners of the Carlsbad daily Current Argus at their home for a patio dinner.

Saturday morning we were the guests of Charlie White, founder of White's City, and his family, for breakfast, tours of the million dollar museum and sky rides.

Our tour of the Carlsbad Caverns was fast but very interesting. It had been several years since my last tour of the caves and I had forgotten how magnificent they really are. We came to the above ground restaurant for lunch as guests of the Cavern Supply Co. Our schedule didn't permit us to stay for the evening bat flight.

Not in the schedule, but a real treat, was the airplane ride I took in a private plane. We viewed the Carlsbad area from 1000 feet and could see quite a bit of new construction, including a new high school and water reservoir. Incidentally, the population is around 35,000 and they have 12 elementary schools, one junior high and one high school.

Saturday evening's entertainment began at 4:30 with boat rides and water skiing at the riverside home of Senator C. Fincher Neal. An Indian war dance by Boy Scouts and a Latin band were added entertainment, followed by a barbecue dinner.

The last scheduled activity was a breakfast in the La Caverna Hotel Sunday morning. We sincerely appreciated everyone's part in making our trip very pleasant.

### "Accent on Youth" Topic For Euterpean Club

By Mrs. Charles Ragsdale

"Accent on Youth" was program topic when the Euterpean Club had its October meeting in the home of Mrs. Henry C. Raney.

Mrs. Raney, leader, introduced Mrs. J. C. Cornett, English teacher in Blackwell High School, who in turn presented three of her students who have had poems published in "Anthology of High School Poetry." The students are Miss Carolyn Hurt, who writes dramatic type poems; Miss Kay Scott, songs; and Ronny Bell, classics. Each student passed brochures of his writings and gave several poems.

Miss Glenda Van Zandt was introduced and presented a medal awarded by the club to the high school student with the highest scholastic average for 1960-61.

Club Guest Day will be held in the Methodist Fellowship Hall on

## STORING FOR THE FUTURE

We eat and digest and energy store;

Sometimes we need less; sometimes more.

The wise course of nature is always to save,

So a surplus of strength we all times may have.

If you would prepare and wise nature heed,

You would also prepare for your future need.

The lessons of nature show we should give

Attention to saving that we may live.

THE FIRST NATIONAL BANK would have you take thought

And heed this lesson by wise nature taught.

MRS. JANSON PAIRISH

Dolores Proffitt and Janson Pairish Are Married In Double Ring Ceremony at Ballinger Church

Dolores Proffitt became the bride of Janson Pairish in a ceremony read Saturday evening, Oct. 14, in the First Baptist Church of Ballinger.

The Rev. J. B. Fowler Jr., pastor, officiated at the double ring rites.

The bride is the daughter of Mr. and Mrs. George Proffitt of Ballinger. Mr. and Mrs. J. B. Pairish of Bronte are parents of the bridegroom.

Presenting nuptial music was Mrs. I. B. Funderburk.

Given in marriage by her father, the bride wore a gown of white chantilly lace over satin. The fitted bodice was designed with round neckline in front and with a scooped effect at the bloused back. Sleeves were brief. The bouffant skirt was ballerina length.

A crown of pearls held her waist length veil of illusion. She carried a cascade arrangement of white Frenched carnations accented with pearl hearts and sweetheart bows of white satin ribbon centered with a white glamellia on her white Bible.

Linda Proffitt, sister of the bride, was maid of honor, and Beth Corder was bridesmaid.

Flower girl was Dawn Foy, and Gary Proffitt, brother of the bride, was ring bearer.

Stanley Daulong of Fort Worth was best man. Groomsman was Doyle Rogers of Bronte.

Ushers were Bob Wrinkle of Bronte and Bob Herring of Miles. Buddy Walker and Donald Hester, both of Bronte, lighted the candles.

Bridal attendants wore dresses of white wool jersey with orchid accessories. Each carried a single white carnation nestled in orchid maline puffs, with stem wrapped with orchid satin.

A reception in the church Fellowship Hall followed the ceremony.

The bride is a graduate of Ballinger High School where she was a member of Future Homemakers of America Chapter, the Science Club and Ballinger High School Choir.

The bridegroom is a graduate of Garden City High School where he was a member of Future Farmers of America and the Science Club.

After a short wedding trip the couple will reside in Bronte.

Bill Dennis of Terrell was in Bronte visiting friends last week.

Santa Fe hauls 2.3 million bales of western cotton to markets

King Cotton has moved west.

In 1945, only 36% of the nation's cotton was grown in the West. Today over 62% of it comes from states served by Santa Fe.

This year Santa Fe will haul over 2,300,000 bales of cotton to markets in 34,000 box cars—enough box cars to make up a train 284 miles long.

Hauling cotton and other important crops, materials and products from where they are grown or made to where they are needed is another example of how Santa Fe is meeting the transportation needs of a growing America.

**Mrs. Rawlings Speaks To Sorosis Club at Meeting In Mrs. Morrow's Home**

Mrs. Joe Rawlings was speaker for the Sorosis Club meeting that was held in the home of Mrs. Jacob Morrow last Thursday evening. Mrs. Rawlings spoke of the need for help in the West Texas Rehabilitation Center in Abilene, and gave some facts on the treatment of Cerebral Palsy and Multiple Sclerosis.

Mrs. John Harris reported on a county wide meeting concerning a mobile county library. One new member was voted into the club.

Mrs. Morrow served cake, coffee and cold drinks to three visitors, Mmes. Don Furr, James L. Golson and Charlie Boecking, and the following members, Mmes. Rawlings, Bill Clark, Edward Cumbie, E. F. Glenn, Vernon Glenn, Harris, Clyde Lee, Royce Lee, W. D. McDonald, Jean Sheppard and C. O. Richards.

Sunday visitors in the W. H. Maxwell, Jr. home were Mr. and Mrs. John Craft of Abilene and Mrs. Earl Barr of Ballinger.

Mr. and Mrs. Leslie Dean Caperton and girls of Lubbock visited in Bronte with their parents, Mr. and Mrs. H. M. Kirkland and Mr. and Mrs. E. L. Caperton, over the weekend.

Glenn snagged his second pass of the evening for a first down on Loraine's 45 yard line. Arrott ran for 10 and another first down. The Longhorns made short yardage, but bogged down, and the ball went over to the Bulldogs on their own 31.

The Loraine lads got a good drive going and carried the ball all the way to the Bronte 22 yard line before it went over on downs. Doing most of the carrying were Jernigan and Lorenzo Moreno. A 15 yard clipping penalty was too much for them and they were unable to make the necessary 25 yards needed for a first down. Bronte was able to get off only one play before the end of the first half.

**Third Quarter**

Linder kicked off for the Bulldogs. Arrott took the kick, but fumbled the ball and Loraine recovered it on the Bronte 20. The Bulldogs worked the ball up to the 10 for a first and goal to go. Redwine made 3, then the Longhorns held the Bulldogs for no gain. On the third play of the series, Jernigan went around right end for the counter, putting his team ahead of Bronte 12-8. The score remained at that figure, as the conversion was not good.

Linder's kickoff was taken by Arrott who brought the ball out to the 39. Arrott carried four times for 12 yards and a first down on the Loraine 49 yard line. Olivas picked up 4, then Loraine was tagged for a personal foul and Bronte had another first down. Olivas, Walker and Arrott all carried the ball but came up slightly short of the needed 10 yards, so Loraine took over on their own 20 yard line.

The Bulldogs were forced to punt on their fourth down and they got off a boomer which rolled dead on the Bronte 3 yard line.

Taking over on the 3 with a first and 10 to go the Longhorns started their 97 yard march to the Loraine goal line. The drive consumed 16 plays. Arrott made 8 of the 97 before the end of the third quarter.

**Fourth Quarter**

Arrott carried 9 yards to the 20 for a first down on the starting play of the third period. Walker made 3 and Arrott added 5, then Walker got loose and went 17 yards for a first down on his own 45. After Arrott made 2, Olivas went 20 yards to the Loraine 33 for a first down. The Bronte boys picked up short yardage, then Arrott threw a pass to Eddie Spiller, who went to the Loraine 22 for the first. Arrott made 13 yards and a first and goal on the Bulldog 9. Arrott and Walker carried the ball to the 1 yard line in three carries, and Walker went through the line on the 4th for the tally. Arrott's conversion run didn't go over, so the Longhorns went ahead 14-12.

Boecking's kick was taken on the 10, but the Loraine receiver's knee touched the ground at that point and there was no run back. The Bulldogs made two first downs before they had to give up the ball, working their way up to their own 47 yard line. Arrott and Walker carried for a first down on the Loraine 34 and after making short yardage had a 4th and 4 to go when the game ended.

Doing good line work for the Longhorns were Rudy Phillips, Leslie Brice, Don Hester, Jack Corley and Tommie Lee.

Doyle Rogers, son of Mr. and Mrs. A. L. Rogers, was among a group of boys who reported for physicals last Thursday. All three local boys, Rogers, Jerry McShan and Jerry Parker, were notified that they had passed and would be called for induction within the next 100 days.
