## Longhorns Defeated In Regional Game

The Eden Bulldogs ran the Bronte Longhorns ragged in a regional Class B game here Thanksgiving Day. The Bulldogs came out on the long end of a 31-8 score.

The slick work of Eden backs Clark Pfluger, Wayne and Vernon Poe and Don Whitaker was more than the Longhorns could master with two of their starters, Eddie Spiller and Buddy Walker, missing from the roster. Eden guard Edwin Hall was also a big help to the Bulldogs with his powerful and accurate kicking.

Tommy Boecking did the opening kickoff chores, getting off a

### Regional Game Nets \$674.34

The tremendous crowd at the Bronte-Eden Regional football game last Thursday gave the Bronte School Athletic fund a shot in the arm. The school's net from the game was \$674.34.

Gross gate receipts on the game amounted to \$1541.50. Expenses included \$50 for Eden's traveling expense, \$111.50 for officials, \$13.50 for tickets and \$17.88 for a football.

After all expenses had been paid, Eden and Bronte split the remainder, for the \$674.34 each.

Supt. C. B. Barbee said that school officials were well pleased with the big crowd and the amount of revenue received from the playoff.

## rites Held For Mrs. LIZZIE GUNNELS, COKE PIONEER

Mrs. Lizzie Gunnels, 87, long time Coke County resident, died Wednesday, November 22 in the Bronte Hospital.

Funeral services were held under the direction of Clift Funeral Home Friday morning at the Bronte Church of Christ with burial in the Robert Lee Cemetery.

Lizzie Callie Barnett Gunnels was born January 1, 1874, in Brazos County and moved to Coke County with her parents in 1890.

She married William Gunnels in 1891. Mr. Gunnels preceded her in death September 6, 1906.

good one which V. Poe returned to his 31. First play from scrimmage shook up the Longhorns, as the Bulldogs made 50 yards on a pass from Pfluger to W. Poe on the Longhorn 19. Six plays later the Bulldogs crossed the double stripe for a touchdown. Hall kicked an extra point and the score was 7-0 only minutes after the game began.

Hall kicked off to Rudy Olivas who got out to his 36. The Longhorns couldn't go and Charles Lee had to kick. V. Poe took it and ran to his 38 before he was stopped. The Bulldogs moved the ball downfield to the Longhorn 15, where the local lads humped up and held them. Faced with a 4th and 6 to go situation, the educated toe of Hall was called for, and he kicked a 28 yard field goal for 3 points. Score: 10-0.

Hall kicked off to Dee Arrott who was stopped on his own 35-yard line. In three carries, Arrott and Malcom Johnson picked up 12 yards, but the Longhorns were penalized 5 yards for backfield in motion, making it 3rd and 6. An incomplete pass from Arrott to Olivas created a punting situation and gave Eden the ball on their 29 yard line. V. Poe scampered out to his 46 for a 1st down, then Whitaker made 7 before Johnson and Jack Corley got him down. A 17 yard pass from Pfluger to Wayne Sawyer overcame a 5 yard penalty against the Bulldogs and gave them a 1st on Bronte's 40. On the next play V. Poe scampered 30 yards to the 10 where Johnson nabbed him. Quarterback Pfluger

## Post Office Dedication To Be Held December 7

Bronte's new post office building will be dedicated at 2 p. m. next Thursday, Dec. 7. The program will be held at the First Methodist Church in Bronte. Postmaster Noah L. Pruitt Jr. announced the dedication date.

The program, sponsored by the Bronte Lions Club, will feature as speakers Congressman O. C. Fisher, Dale Buckley of Fort Worth, district post office official, and others.

Also included on the program are Rev. A. S. Neely, who will give the invocation; D. K. Glenn, president of the Lions Club, who will introduce guests; Mayor J. A. Stephenson, who will give the welcome address; Joe Carter and Postmaster Pruitt, who will introduce speakers; Dana Eubanks, who will read an Ode to the Flag, the Bronte High School Band, who will play the Star Spangled Banner; and Joe Wolf, who will give the benediction.

The complete program will be run in next week's Enterprise.

The new facility is part of the Post Office Department's unique commercial leasing plan, the local

## Legion Making Drive for More Members

The George Scott Post of the American Legion at Bronte is working on a drive for additional members for the post, according to Judge J. T. Liles, commander.

Liles said that a cordial invitation is issued to all veterans of World War I and II to join the Legion.

The commander pointed out that some veterans benefits, such as pensions and other legislation to aid veterans, may face "tough sledding" in the next session of Congress, and all the help possible is needed to back the Legion's legislative program.

"The stronger the American Legion is, the better chance we have of securing passage of bills which will help the veteran," Liles said. "Every man in Bronte who served in World War I or II ought to be a member," he said.

### FUNERAL HELD FOR KIN OF VIC HASELDEN

Funeral services were held Wednesday of last week at San Saba for Triz C. Haselden, 93. Mr. Haselden, a brother of Vic Haselden of Bronte, died Nov. 21 in an Austin hospital.

A retired carpenter and farmer, Mr. Haselden was born March 31, 1868, in Spartenburg, S. C.

Survivors include two sons, two daughters, the brother, six grandchildren and several great grandchildren.

### ATTEND DAD'S DAY

Mr. and Mrs. Marvin Corley, Dee Arrott, Bill and Jack Sharp, attended the Baylor-SMU game at Waco last Saturday. While there, Mr. Corley attended a Dad's Day Luncheon and sat on the sidelines during the game in which their son, Benny, was a Baylor player. Mr. and Mrs. Benny Corley accompanied them home for the weekend.

postmaster explained.

Under this program, investment financing is used to obtain the needed facilities which remain under private ownership, pay local taxes to the community, and are leased to the Federal Government.

At the same time, the need for large outlays of money from the Federal Treasury for construction purposes is eliminated.

### JUNIOR PLAY FRIDAY NIGHT

The Junior Class will present their class play, "Drums of Death" in the auditorium Friday at 7:30 p. m. A comedy in three acts, the play is directed by John Hartsell.

## Oil Report in This Paper

The annual report on oil production in Coke County, which is published each year by the Commissioners Court, appears in this issue of The Enterprise. The report gives a graphic picture of the oil business in this county, showing how much oil is produced in each field on a daily basis.

The report shows comparative figures of 1960 and 1961. As shown by the totals, oil production in the county decreased some from 1960 to 1961. A decrease of five wells will be noted, and the daily drop in production amounts to 449 barrels.

Since everyone in this area is affected by the county's oil industry, the members of the commissioners court hope you will study this report, so that you will be better informed about this important industry.

## Coleman Men Hurt In Robert Lee Wreck

From Robert Lee Observer

Charl (Chick) Puckett, 27, one of four oilfield workers riding in an auto that collided with an oil loaded transport truck Friday evening in Robert Lee, remained unconscious in a San Angelo hospital late Tuesday evening.

The other passengers of the car that were injured in the wreck at the Y intersection of the Bronte, San Angelo and Robert Lee highways were: Bennett C. (Pat) Whitfield, 38, driver of the car, Puckett, and Ernest Roberts, 60. The fourth man, W. B. Williams, about 33, suffered less serious injuries. All are of Coleman.

Whitfield, Puckett and Roberts received emergency treatment at Coke County Memorial Hospital here before being taken by Clift ambulance to San Angelo for specialized treatment at Shannon Hospital.

Whitfield and Roberts were reported to be in serious condition Tuesday, but were said to be improving some. Williams, hospitalized at Robert Lee, was dismissed from the Coke County Hospital early this week. He suffered

The new local post office, incidentally, is part of a program of accelerated postal construction and modernization ordered by President Kennedy, to stimulate the nation's economy and to assist Postmaster General J. Edward Day in his programs to provide the nation with the finest postal service in its history, Pruitt said.

This program of new post office starts—of which the local post office is a part, together with modernization of existing postal facilities over the nation, will provide about \$270,000,000 in new construction for the country to be started in the approximate 10-month period between Feb. 15, and Dec 31, 1961.

Included in the program will be more than 2,000 new post offices.

"Our patrons will derive more enjoyment from doing business here, their mail will be handled more efficiently and this building and its up-to-date equipment will enable our postal employees to work under the best of conditions," the Postmaster said.

"This new facility will be a link with a postal system that today has over 35,000 post offices. This system serves more than 13 million persons and handles over two-thirds of the world's mail. Our 560,000 postal employees are handling about 65 billion pieces of mail a year, including over a billion parcels," the postmaster added.

"National population increases will add nearly 3,000,000 people to the population in the next 12 months, with about one and a half million marriages and the establishment of 663,000 new households, including many in this community," Pruitt noted. "This will be reflected in increasing demands for more postal service here," he explained.

cuts and bruises, a mashed finger and minor burns. He was burned when a vacuum bottle smashed in the grinding collision, spilled hot coffee on him.

The men hospitalized in San Angelo all suffered broken right legs. Whitfield also suffered possible broken ribs and numerous cuts and bruises. Roberts had a 10-inch gash in his scalp and other cuts and bruises on his body. Puckett, the most seriously hurt, had a fractured skull, cuts and bruises.

Driver of the huge tank-trailer truck, E. C. Matthews, about 40, of San Angelo, was not injured.

Investigators at the accident scene said Matthews, a driver for Three Rivers Oil Co. of San Angelo, was driving on a slight curve from State Highway 208 onto State Highway 158 at the Y intersection on the edge of Robert Lee.

The Plymouth, driven by Whitfield, was rounding the curve from Highway 158 onto Highway 208. A witness to the accident said Whitfield muttered moments after the accident that his brakes had gone

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

I see by the papers where an official of the Treasury Department claims it would be good for the country if we'd cut in half the inheritance tax on all estates worth \$10 million or more. He allows as how it would be a "incentive to free enterprise."

I'm strong in favor of it, Mister Editor. I remember back in 1926 when Cal Coolidge come up with a idea called "flexible tariff" fer helping the little feller. My memory gits a little hazy after 35 year but seems like I recall we got a little relief on such items as goose feathers, paint brushes, axe handles and dusting powder for de-fleaing chickens. If I recollect right, this is the last time us little fellers has had any reductions.

Starting at \$10 million is a little high up on the hog, but it could be the beginning of a trend. By the end of this century the Congress might git down to the one-gallus boys, git it so's a farmer or rancher could put his cemetery lot and front yard in the Soil Bank and git his fertilizer at cost through the United Nations.

When I brung these glad tidings to the fellers at the store Saturday evening most of 'em took a dim view of the situation. Fer instant, one claimed everybody in Washington did a heap of popping off when the Congress was out of town. It don't mean a thing, this guy allowed, and he said he wouldn't be surprised, afore them Congressmen git back to Washington, to see Bobby Kennedy issue a proclamation abolishing poverty. Another one of the fellers said he was special doubtful of anything that come out of the Treasury Department. He figgers that any Government agency that has to have a barnyard full of clerks to keep track of them cheap dollars ain't to be trusted on long range forecasts at the \$10 million level.

Speaking of Washington, some of the fellers was wondering if them junketing Congressmen and their wives and kinfolks would git back home in time fer Christmas. One said he was plum mad at Elizabeth Taylor fer apologizing to some of them Congressmen when they visited her studio in Rome. She claimed the reason she didn't come out to greet 'em was because she didn't know they was there. Liz, at least, was working, he claimed.

Well, I see where the U. S. Safety Council says 1961 is going to be our best year yet fer pe-

destrians, fewer of them per capita gitting killed than in any other year. I have to see the detailed figgers on this survey. It could be, Mister Editor, that all the slow jumping pedestrians has been killed off afore 1961.

Mister Editor, I shure hope you noticed how much my spelling has improved the last few weeks. I shure been working on it.

Yours truly,  
Uncle Huie

We received a small supply of the 1962 Farmer's Tax Guide this week. If you would like to have a copy give us a ring or drop by the office. The guide can be a helpful tool whether you fill out your own return or have a consultant to complete your return.

The hunting stories are waxing hot and heavy these days as Editor King reported last week. I have heard a few myself. A few days back, Clark Godwin, son of Mr. and Mrs. Bob Godwin of the Millican Camp, was displaying horns of a deer he killed near Rocksprings. They were very unusual and would be a worthy addition to any hunter's collection. The 15 pointer had 10 points on the right and 5 on the left horn. The right horn apparently had been injured while in velvet, causing it to fork near the end. In addition to being different, the set of horns was above average in size. I get the ague when I see that kind.

The Texas and Southwestern Cattle Raisers Association has announced that it will sponsor a cattle feeding conference in Lubbock on December 6. I have a copy of the program if you would care to check into the planned proceedings of the conference.

I received a list of commercial cotton planting seed producers this week. The list is too long to publish. If you would like to look through the list drop by the office.

A number of people have questioned me about pruning trees

lately, mainly, when should trees be pruned. The answer, basically, would be when the flow of sap is least in the tree. Other factors are considered in pruning, but the time when the least shock is caused a tree is the dead of winter. Wholesale pruning to give a tree the desired shape should be done in the dormant season and then light pruning of weak limbs, undesirable limbs can be done during the growing season or as needed. Removing a limb from a tree is similar to a wound to a human or animal. Giving the wound a coat of wound dressing will help

the tree to heal the wounded place. We have an excellent pruning guide in the office. If you could use a copy, drop by and pick up one. The guide gives a number of suggestions that will help anyone prepare for the job.

Americans spent 20 percent of their disposable income for food in 1960. The Japanese spent about 42 percent, Russians 56 percent, West Germans, 45 percent. In the same year, the U. S. used about three pounds of wool per person and the farmers received only 27 cent for the cotton in a \$4.16 dress shirt.

HERE'S WHERE YOU GET THE GOOD WORD ABOUT THE '62 JET-SMOOTH CHEVROLET

Jet-smooth ride

542 front fender undershirts

rich new interiors 543

**Jet-smooth ride, n. 1.** The cloud-9 feeling of comfort that people in Chevrolets enjoy wherever they go. **2.** A supple Full Coil spring flexing at each wheel of a Chevrolet to absorb road shock. These are teamed with over 700 noise and vibration filters throughout the automobile to help eliminate the noise and vibration ordinarily transmitted by metal-to-metal contact. The total effect is a ride of supreme quiet and smoothness. **3.** The reason why so many Chevrolet-owning families leave home ever so happily. **4.** A habit-forming pleasure for which no cure is known, wanted or sought.

**new V8-skedaddle, n. 1.** The result of touching an accelerator that's linked to one of Chevrolet's new V8 engines (also known as "six-skedaddle" when engine is Chevrolet's trusty 135-hp. Six). **2.** The moving power of Chevrolet's 1962 V8 engines. There are five of them, ranging from a standard 170-hp. version up to an optional-at-extra-cost 409-hp. powerhouse.

**Body by Fisher craftsmanship, n. 1.** The closest that a body manufacturer has come to the care and skill of the jewelry maker. **2.** The art and science of forming metal into the strong, solid body structure of the 1962 Chevrolet. **3.** Something you won't find in any other car in Chevrolet's field.

**deep-well trunk, n. 1.** The giant warehouse built into the rear of a 1962 Chevrolet. **2.** A trunk that loads at the bumper level and has a capacity of 29.7 cubic feet. It is built with an extra-deep recession in its floor so that it can easily accept odd-shaped outside objects.

**comfort-high seats, n.** Thought by many to be the most comfortable things to happen to the bottom side of the human lap since dad's overstuffed armchair.

**front fender undershirts, n. 1.** Sturdy steel linings that are under the front fenders of 1962 Chevrolets to add extra protection against flying stones, mud, slush, road salt and that old bugaboo, corrosion. **2.** One of many ways the Chevrolet is built to stay beautiful.

**rich new interiors, n.** One of the principal reasons why people step into the 1962 Chevrolets and promptly feel luxurious all over.

**One-Stop Shopping Center, n. 1.** Where people go to get the most car for their money and get exactly the kind of car they want. **2.** A concentration point for the 33 cars Chevrolet offers for 1962. These come in three lines: The elegant new Jet-smooth Chevrolet, the new-size Chevy II, the sporty new Corvair, and the new Corvette, with new refinements, new V8 power. **3.** Where '62 values are way up but prices are the same—or less—on comparably equipped models. **4.** The place where you

enter a new world of worth in automobiles. **5.** Where most Americans go for a pleasant, instant cure the moment the new-car bug bites them.

kept the ball on the next play and went the 10 yard to the goal line, and after Hall's well placed kick the Bulldogs led 17-0.

Hall's kick was taken by Arrott in the end zone and returned to the 7. Arrott made 4, then tossed a 9 yard pass to C. Lee on the 20 for a 1st down. During the next series, the Longhorns tried a passing attack but Eden linemen Wayne Bridges and Pat Dail kept getting through and catching Arrott before he could get rid of the ball. Faced with a 4th and 25, Lee backed up to kick and booted the ball out to his own 33 where it was ruled dead.

It took one 33 yard pass from Pfluger to V. Poe to give the Bulldogs 6 more points. Hall kicked the extra point, making the score 24-0.

Hall's kick went into the end zone and the Longhorns were given possession of the ball on their 20. Johnson and Olivas each made 5 for a 1st down and Eden was penalized on a personal foul and Bronte had a 1st on the 45. The gainers all came to naught on the next play when V. Poe intercepted a Bronte pass. His return plus a 15 yard personal foul penalty against the Longhorns gave Eden the ball on the Longhorn 22. The Poe brothers made 9 and a pass on the next play cost the Bulldogs 5 yards and loss of the down when it was ruled an illegal forward pass. This brought up 4th and 10. Once again Hall was called to kick a field goal, but this time it failed to go between the uprights. After the failure, the Longhorns took over on their own 20. The Longhorns got off to a good start with Olivas making 10 and a 1st on the first play from scrimmage. Olivas made 5, then Arrott made 8 for another 1st on the 42. After two incomplete tosses Arrott connected with Lee for 7, and on a 4th down try Olivas went 14 yards to the Eden 39 for the 1st. A couple of plays later Pfluger intercepted a Longhorn pass on the 27. This ended Bronte's chances of scoring before the half. Four plays later the whistle blew ending the half.

**Second Half**

Hall kicked to Olivas who came back to his 32. Arrott and Johnson carried four times for a 1st down

on the 45. Johnson carried to the 47. The next play was the thriller of the day for Bronte fans. Arrott drew back and shot a pass into the waiting hands of Eddie Glenn. Glenn outran all the Bulldogs that were snapping at his heels and the play netted the Longhorns 53 yards and a touchdown. Arrott ran the conversion for 2 and the score stood at 24-8.

Boecking kicked off and the Bulldogs managed to get back down to the Longhorn 25 in a couple of plays from scrimmage. Whitaker lost 4 yards, then Tommy Lee broke through and was on V. Poe before he could gain any yards after fumbling the ball. An incomplete pass gave the Bulldogs a 4th down with 15 to go. Hall tried a field goal but it failed, so the Longhorns took over on their 20.

Arrott went to the 29 and then Olivas made a beautiful run for 18 yards to his 47, but it was called back and Bronte was penalized 5 for offsides. Arrott made the 1st on the 30. Three incomplete passes later Lee punted to V. Poe who brought the ball out to his 47. Ten plays later V. Poe went over for another Eden touchdown, and Cupps kicked the EP to make the score 31-8.

Hall kicked off to Arrott and Bronte started operations from the 10 yard line. Olivas got the drive off to a good start with a 22 yard run and a 1st on the 32. Arrott and Johnson carried three times for 14 yards and another 1st on the 46. That ended the march, as Hall intercepted a pass on the next play on his 44.

The Eden lads pushed the ball down to the Bronte 28 where Pfluger fumbled and Rudy Phillips came up at the bottom of the stack with the ball. A reverse handoff to Olivas moved the ball 32 yards for a 1st down on the Eden 40. After that the local lads couldn't make the needed yardage in four tries so the ball went over on the 34.

The Eden team at this point was primarily interested in running out the clock. However, they weren't able to do so before their four downs were used up. Bronte took over an Arrott threw a long pass which Eden intercepted just before the final whistle sounded. Score: 31-8.
