Boys making the trip were David Baggett, David Glenn, Steve Williams, Mason Glenn, Craig Curlee and David Denman.

They were on a bicycle hike and pedaled their way to Tennyson. On their climb up Mount Margaret, they saw the reptile sunning himself on a rock. When the snake knew he had been discovered, he crawled back under a ledge. Part of the party went back down the mountain to Tennyson and borrowed a pear burner from Tom Green. They took the burner back up the mountain and sprayed gasoline into the rocks. The snake came crawling out and they wound up his business with a .22 rifle bullet. The big rattler had 9 rattlers and a button.

PTA POSTPONED

PTA members are reminded that PTA will be next Tuesday night after having been postponed because of bad weather this past Tuesday.

Bank's Assets Almost \$3 Million

Assets of the First National Bank, lacked only approximately \$70,000 reaching the \$3 million dollar mark as of Dec. 30, 1961. This was an increase of about \$27,000 over the assets of the bank a year ago. Assets of the Bronte bank totaled \$2,927,629.61 at the end of 1961.

Deposits Dec. 30, 1961 amounted to \$2,635,129.61, compared to \$2,620,070.28 at the call on Dec. 31, 1960, an increase of some \$15,009.00.

Loans were also up over a year ago. At the end of the past year the bank had \$867,996.06 out on loan, compared to \$714,480.11 at the end of 1960. This represents an increase of more than \$153,000.00.

Likewise the capital structure of the local financial institution was strengthened from \$280,000.00 to \$292,500.00. Capital stock remained at \$50,000.00, and the surplus account was kept at \$150,000.00, but the undivided profits account was increased from \$80,000.00 to \$92,500.00.

Deposits at the end of the year were up approximately \$230,000.00 over the last call received by the bank on September 27, 1960. At that time deposits totaled \$2,404,483.16.

Higginbotham and Glenn Re-Elected

F. S. Higginbotham and D. K. Glenn each received 16 votes in an election Tuesday to name two directors for the Coke County Kickapoo Water Control and Improvement District No. 1. No other candidates were running for the jobs and the two incumbents received all the votes cast.

The election was held at Bronte Feed & Supply with Hurlin Lee serving as election judge, and Mrs. Otis Smith and Mrs. Bob Wilson as clerks.

Higginbotham and Glenn were elected for a two year term. At the present time Higginbotham is serving as chairman of the district and Glenn is vice chairman.

The district's primary concern is the construction of flood control dams on the Kickapoo Creeks in the area north of Bronte.

Cold Weather Hits This Area

Coldest weather of the season was experienced by residents of this area and the entire mid-section of the United States this week. Blowing in Monday night

about 10 o'clock, the brisk northeast wind lowered temperatures to 18 here. Lowest mercury reading of the week came Tuesday night when the thermometer had a reading of 6 degrees. The temperature was about 12 degrees at noon Wednesday.

Intermittent snow showers fell all day Tuesday and were starting again Wednesday afternoon at press time. The snow was exceptionally dry and came in such small quantities that it didn't stay on the ground.

Forecast for Wednesday night said the mercury would again plummet to 5-10 degrees in this area. Barometric pressure in all the central part of the United States was unusually high this week, and was blamed with the exceedingly cold weather.

In other sections of Texas, the Panhandle reported sub-zero reading, while the Rio Grande Valley had weather below the freezing mark, endangering the fruit and vegetable crops of that area.

No real relief from the cold weather is forecast before the weekend. Thursday was supposed to be a little warmer than Wednesday.

IT'S TIME TO PAY YOUR POLL TAX

It's time to get your 1962 poll tax.

Only 365 have been sold through Tuesday, reports Coke County Tax Assessor-Collector O. B. Jacobs. There were approximately 800 poll taxes paid in 1961 and 1328 in 1960.

Deadline for purchasing an individual poll tax is midnight, Jan. 31, 1962.

All residents who have lived in the county 6 months and the state 1 year are eligible to vote in the 1962 elections — the first primary will be scheduled in May.

Anyone who reached the age of 60 before Jan. 1, 1961 is entitled to vote without securing a poll tax or exemption. Persons who reached the age 21 anytime during 1962 are also eligible to vote, but must secure an exemption from the tax assessor's office.

A large number of poll taxes are expected to be sold during this "election year." All eligible citizens are urged to purchase their poll tax early. Poll tax sales are running slightly ahead of this time last year, an "off" year, Jacobs said.

MRS. MYERS' MOTHER DIES

Mrs. Mabel Myers returned to her home January 1 after a month's visit in Quemado with her sister, Mrs. Percy Miers. Mrs. Alice Jackson, 91, mother of Mrs. Myers, died December 30 and was buried December 31. Services were held in the Quemado First Baptist Church with the pastor, Rev. Kenneth Coleman, officiating. Deacons of the Church served as pall bearers.

Methodist Revival Begins Next Week

Revival services at First Methodist Church will begin Wednesday of next week, Jan. 17 and will continue through the night service on Sunday, January 28.

Quay Farmer, Fort Worth, evangelist, and Earl Ward, Waco, gospel singer, will be the evangelistic team in charge of the revival. Both come to Bronte highly recommended.

Daily services will be held at 7 a. m. and 7 p. m. Morning services will be dismissed by 7:45 a. m.

Rev. Auburn S. Neely, pastor of the church, said that the entire community is invited to all services.

1962 Coke Stock Show and Sale Were Big Success

The 1962 Coke County Fat Stock Show, staged under clear, sunny skies and before a capacity crowd, was deemed one of the best ever as was the sale that followed. Approximately 750 people watched the crowning of the 10 Champions, the selection of the showmanship winners and the sale of 36 lambs and pigs.

Final facts and figures revealed that 55 girls and boys exhibited 172 animals in the show held Monday, January 8, at the Robert Lee Park. The winners took home 170 ribbons and trophies. The prize money and auction sale grossed approximately \$2500 in rewards for the youths' efforts.

The parade of Champions began with Jimmy Wayne Millican, son of Mr. and Mrs. Bunyon Millican of Silver, exhibiting the top breeding swine. Rebecca Walker, daughter of Mr. and Mrs. D. J. Walker Jr. of Robert Lee, showed the Reserve Champion breeding swine.

Among the market hogs, Rob-

ert Holland, son of Pauline Holland of Robert Lee, took the honors with his heavy weight barrow. Lloyd Cones, son of Mr. and Mrs. J. B. Walker Jr. of Silver, was the proud owner of the reserve champion.

Six champions were crowned in the various divisions of the sheep show. Ronnie Devoll, son of Mr. and Mrs. Lindy Devoll of Robert Lee, topped all comers in the fine wool division with his 111 pound lamb. Tony Dean, son of Mrs. Jeff Dean of Robert Lee, exhibited the reserve champion fine wool lamb. Jimmy Varnadore, son of Mr. and Mrs. Howard Varnadore, Robert Lee, showed the champion crossbred lamb, while Ricky Harris, son of Mr. and Mrs. Hulan Harris, exhibited his 103 pound lamb to the reserve championship. Ricky scored twice, having the champion medium wool lamb of the show, also. The reserve champion in this division was exhibited by Donnie Devoll, Ronnie's twin brother. Royce Hood, son of Mr. and Mrs. Roy Hood,

showed the champion animal, while Donnie Devoll showed his second reserve champion of the day.

Among the breeding sheep, Charles McGuire, son of Mr. and Mrs. C. E. McGuire, and Jimmy Wells, son of Mr. and Mrs. James Wells, both of Bronte, monopolized the championships. Charles exhibited the champion ewe while Jimmy had the reserve champion and both champion and reserve champion bucks.

Honors in the beef division were spread among four boys from different parts of the county. James Bird Pentecost, son of Mr. and Mrs. Nolan Pentecost, Sanco, exhibited the champion steer of the show. Dee Arrott, son of Mr. and Mrs. J. P. Arrott of Tennyson, won the reserve championship with his lightweight hereford steer. Top heifer of the show was shown by Noel Gregston, son of Mr. and Mrs. John Gregston. Durwood Coalson, son of Mr. and Mrs. Frank Coalson, copped the reserve championship.

Honors for their prowess as showmen went to Jo Alice Evans, daughter of Mr. and Mrs. Jay Evans, Sanco, in the beef division, Benny Boykin, son of Mr. and Mrs. Ben A. Boykin, Robert Lee, was awarded a plaque for being top lamb showman. Dwaine Walker, son of Mr. and Mrs. J. B. Walker Jr., was judged best in the swine division.

The breeders trophies awarded to breeders of the top fine wool lamb, market hog and steer of the show went into new hands in 1962. Dee Arrott won the beef trophy on his reserve champion steer. S. E. Adams produced the champion fine wool lamb, while Terry Frank Bryan bred the top hog produced within the county. Championship trophies were awarded the exhibitors of the top animals in the three fat animal divisions. Ronnie Devoll won the sheep trophy, Robert Holland, the swine trophy, and James Bird Pentecost took home the trophy his father made available, the N. C. Pentecost Anxiety 4th Here-

ford Award to the exhibitor of the Champion steer.

Judging the 1962 show were H. A. Hanson, Ray Sims and Don Fields. Mr. Hanson of San Angelo placed the sheep and swine while Ray Sims, Coleman County Agent, judged the steers and heifers. Don Fields of Robert Lee selected the top showmen.

The auction sale following the show was brisk and competitive, with most of the lambs and pigs being sold on the first or second bid. The 36 girls and boys received \$1305.00 in premium money from the sale and \$697.00 from the sale of the animals in San Angelo.

Individual placings in the various events of the show are as follows:

Lightweight Market Swine
Lloyd Cones, 1st; Bill Ledbetter, 2nd and 5th; Dwayne Walker, 3rd and 6th; Curtis Higginbotham, 4th and 7th; Bobby Wells, 8th and 11th; Mike Ledbetter, 10th; Jimmy

WAGGONER CARR

Waggoner Carr Enters Race for Attorney General

Waggoner Carr, former Speaker of the Texas House of Representatives, Thursday announced his candidacy for the Democratic nomination for attorney General.

The announcement from his Lubbock law offices stressed the importance of the Attorney General's office in law enforcement, crime prevention and the creation of a healthy economic climate in Texas.

Carr recalled that in 1960, after two terms as Speaker, more than a half million Texans approved his record of public service by their votes in this race for Attorney General and said he believes his previous training and experience qualify him to do a good job. Carr was identified in a recent state-wide poll as the leading contender for the Attorney General's post.

"My platform basically has but one plank—strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted," Carr declared.

The 42-year-old former lawmaker and law enforcement official revealed plans for an intensive campaign leading up to the Democratic primary. He promised detailed discussion of the issues as the campaign develops.

"Much of the character and quality of Texas life for our families, our children, our businessmen, workingmen and farmers will depend upon the example of alert and responsible conduct of the Attorney General's office," Carr said.

"We cannot build or long maintain an attractive climate for economic growth unless we first preserve a healthy climate of respect for law and order.

"I feel that it is of the utmost importance that the office of Attorney General be used effectively to control and eradicate the inroads of crime in our state. The

office must be used to support and assist honest and conscientious local law enforcement officers rather than override or overpower them. We must, likewise, use that office intelligently to add new strength to all the laws enacted by our Legislature, and the holder of that office must work cooperatively with our lawmakers to evolve the new laws required by changing times in this state."

Carr served five terms as a member of the House from Lubbock County, the last two as speaker. He is one of only three men in the history of Texas to be elected Speaker two consecutive terms.

As Speaker, Carr played a key role in setting up the Texas Law Enforcement Study Commission in 1957, chaired by Houston attorney John H. Crooker Sr., which recommended sweeping revision of Texas criminal laws.

Born in Fairlie, Hunt County, Texas, Carr moved with his family to Lubbock County in 1932. He graduated from Lubbock High School and Texas Technological College. He received his law degree from the University of Texas and was admitted to the State Bar in 1947. Wartime service in the Army interrupted his legal studies.

Before going to the Legislature, Carr served as County Attorney of Lubbock County and Assistant District Attorney of the 72nd Judicial District.

Carr and his wife, the former Ernestine Story, have one son, 12-year-old David. He is a lay leader and Sunday School teacher at the First Methodist Church of Lubbock, and is a member of the Board of the South Plains Council, Boy Scouts of America, and is a member of the Lions Club, American Legion, Farm Bureau and the State Bar of Texas.

I have had a number of questions the past few days regarding freezing coked foods or breads. Really all freezer owners should utilize their boxes to the very best advantage. Some of the ways to do so are found in the Extension Service Bulletin Frozen Foods — B available in my office — free for the asking.

The Home Demonstration Club members are looking forward to the District THDA planning meeting on February 5. This is the first time Coke County has hosted such a meeting. 2 HD members and agents from 22 counties are to attend, perhaps 100 in all. CHEVY II WINS AWARD FOR ENGINEERING EXCELLENCE!!!

This is the Nova 400 Sport Coupe, just one of 11 Chevy II models you can pick from.

The men who know cars best put Chevy II to the test. And, after they had compared it with the rest of the '62 crop, the editors of *Car Life* magazine picked Chevy II for their coveted Engineering Excellence Award. Why? Here are some of the reasons in the editors' own words: "The Chevy II, in either 4- or 6-cylinder form, represents an important development in the American automotive field. The car is maximum transportation at

minimum cost . . ." And throughout the editors' reports on the engineering and road testing you'll find accolades like "easy maintenance" . . . "long wearing ruggedness" . . . "simple elegance" . . . "reasonable size" . . . "delightful car to drive." Get the full story in the February issue of *Car Life*. Better yet, see your Chevrolet dealer. See for yourself why luxury and low price have never been more beautifully blended!
