Jury Called for District Court Session Next Week in Robt. Lee

A panel of petit jurors has been called to report for duty Monday morning in 51st District Court to convene in Robert Lee. Two criminal cases are on the docket while eight civil cases are scheduled.

Of primary interest to Bronte area residents is the damage suit styled Winnie E. Tidwell vs. Dr. John R. Harris. Both parties are residents of Bronte. Mrs. Tidwell is asking \$105,800 damages. The petition states that Dr. Harris or his employees left a gauze sponge in the body cavity of the late T. E. Tidwell, who was Mrs. Tidwell's husband. Aubrey Stokes of San Angelo is attorney for the plaintiff and Dr. Harris is represented by Upton, Griffis, Shannon and Porter of San Angelo.

Andrew Muston et ux of Robert Lee are suing Gladys D. Howard for \$65,254.25 damages. The suit

came about after an auto accident involving the parties concerned.

An insurance compensation suit lists Floyd F. Bates as the plaintiff and Texas Employers Insurance Association as defendant. A former employee of Sojourner Drilling Co., Bates is suing for \$35 per week for 401 weeks.

Texas Employers Insurance Association is also defendant in a suit brought by J. C. Koen. He, too, is asking damages of \$35 per week for 401 weeks. Another compensation suit lists Charles H. Chandler as plaintiff and The Travelers Insurance Company as defendant.

A damage suit growing out of an accident in Robert Lee is styled Mark S. Hendricks vs. Querner Truck Lines. Amount asked is \$138,500.

A. J. Armistead is plaintiff against Fort Worth Pipe & Supply Co. in a disablement suit asking for \$150,000 damages and \$5,000 for hospital and medical bills.

Largest amount of money involved in a case to come before the court is in the damage suit which shows Jack T. Shiflett, individually, and as next friend of his four children as the plaintiffs. The suit is against L. V. Willis, driver, and A. V. Beal, owner, of a truck involved in an accident with the defendants. They are asking \$547,000 damages.

Another civil suit, Mrs. Faye Scott vs. Mrs. Charlene Rhode, was scheduled to come up this term of court, but was settled and dismissed.

Criminal cases to be tried include charges of driving while intoxicated, second offense, against Arthur Ewell Dark, and a charge of theft over \$50 against M. E. Trimble of Robert Lee.

Jurors called for duty include: Ernest Ivey, J. F. McCabe Jr., Foy Askins, W. W. Ivey, Chester Harwell, J. P. Jameson, Fred Killam, L. H. Lammers, Comie Lee Hallmark, J. B. Morrow, Joe McCutchen, C. E. McGuire, N. C. Pentecost, Will Percifull, Bernard Petty, Royce Lee, H. L. Reid, Marvin Bryant.

Tom Rives, Marvin Simpson Jr., Austin Sandusky A. B. Sheppard, Glenn Waldrop, Curtis Walker, C. B. Webb, A. L. Wrinkle, Raymond McCutchen, Jim Ybarra, Manuel Reyes, Gilbert Bosquez, L. A. Payne, Jack Corley, W. D. McAdams, J. D. Luttrell Jr., C. N. Webb, Jr., Preston Davis.

Frank C. Dickey Jr., recently appointed by the governor, took over the office of District Attorney in this court Monday of this week.

Rites Held Sunday For Mrs. Mackey, Bronte Pioneer

Funeral services were conducted Sunday for Mrs. W. H. Mackey, 89, pioneer woman who was a resident of the community for 66 years. The services were held at the First Methodist Church and burial followed in Fairview Cemetery.

The funeral service was conducted by Rev. A. S. Neely, pastor of the church. Special music was given by Earl Ward of Waco who was here on an evangelistic mission.

Mrs. Mackey died Friday about 11 a.m. at her home northeast of town. She had been in ill health for a number of years and had been confined to bed a long time.

The former Mattie Gregory, Mrs. Mackey was born Aug. 18, 1873, in Georgia. She was married to the late Will Mackey Nov. 18, 1896, in Georgia. The young couple moved to Coke County in 1897, and lived on their place northeast of Bronte until their death. Mr. Mackey died in 1955. Mrs. Mackey's son, Jim, lives at the family home. Mrs. Mackey was a member of the Methodist Church.

Survivors are two daughters, Mrs. Howard Brock of Bronte and Mrs. Ira Pruitt of Ralls; five sons, Jim, Barrett, Marlin and J. B., all of Bronte, and Pharris of San Lorenzo, Calif.; one sister, Mrs. Newt Watson of Hale Center; seven grandchildren; eight grand children and one great great grandchild.

Pallbearers were grand sons: D. L. and Jim Allison, Vilo, Ken and Jerry Danner, all of Happy, Darrell Bowe of Lubbock, M. D. and Jimmie Ed Mackey, both of Bronte.

Funeral arrangements were under direction of Clift Funeral Home.

Sportsmanship, Consolation Awards Taken by Juniors At Silver Tournament

Bronte teams entered in Silver's basketball tournament last weekend didn't win any championships, but they brought home some trophies. The boys won the consolation trophy, the girls were awarded the sportsmanship trophy and Royce Lee was named the most valuable player of the tournament.

A junior high game scheduled Monday night with Sacred Heart was cancelled because of the bad weather and icy road conditions.

Mr. and Mrs. George Faulk and children of Midland spent Sunday in the J. I. Adair home.

Bronte Girls District Basketball Champs

Bronte High School's girls basketball team sacked up the district championship last Friday night when they downed the Christoval girls, 61-30. Winning the Friday game gave the local girls an undefeated record in district play up that time.

However, after having won the 7-0 record, the girls suffered a defeat Tuesday night when they met the girls from Miles. Score in that game was 42-33. The loss did not have any effect on their winning the district championship.

The Bronte lassies will not meet the winner of a game between Garden City and Forsan which will be played Saturday night and will determine the winner of District 81-B.

In the Christoval game Marla Rees was high scorer with 25. Peggy Corley has 14, Joy Kay Moore 8, Georgia Owen 6, Manuela Reyes 5, and Jan Wilkins 3. Jan was high pointer in the loss

COUNCIL CALLS CITY ELECTION

In a regular meeting last Thursday night, Bronte's city council called a city election for April 2, the first Tuesday of the month. Two city councilman positions are to be filled at the regular election.

Councilmen whose terms expire this year are C. E. Bruton and Royce Fancher. No report has reached The Enterprise as to whether they will seek re-election.

Candidates who wish to run for councilman must file with the city secretary at least 30 days before the election. The council named Noah Pruitt Sr. to serve as election judge.

In other business the council named Mrs. Norman Kiker and Mrs. Royce Fancher on a committee to select drapes and curtains for the new city hall. Regular meeting time for the council was changed from 7 to 7:30 p.m. on the first Thursday of each month.

REGULAR PTA MEETING TO BE HELD TONIGHT

Regular February meeting of the Bronte PTA will be held tonight at 7 p.m. in the school auditorium. It was postponed from Tuesday night because of the district championship ball game at Miles.

Highlight of the meeting will be a preview of the 1963 science fair in the high school building

to Miles with 14.

Boys Lose Two

Bronte boys team lost both of the games in the past week. Christoval topped them 55-51 in a close one, while Miles ran over them 62-42. Roy Stout and Jim Morrow shared high scoring honors for Bronte in the Christoval game with 15 each. Stout was also high in the contest with Miles with 16.

Snow and Rain Will Help Grain

First moisture of the winter fell here Monday and Tuesday. Temperatures dropped to the low 20s Monday and Tuesday nights and fell to 18 early Wednesday morning.

Most everyone was surprised to wake up Monday morning and find one to three inches of snow on the ground. Some rain fell before the snowfall and the temperature didn't get down below freezing until about 5:30 a.m.

By the time most residents were up, however, the moisture was frozen all over the ground and streets, making driving and walking hazardous.

Snow started falling again about 7:30 Tuesday morning and continued until about 11 a.m. Total for the moisture was estimated by some to amount to almost a half inch.

Farmers and ranchmen were delighted with the moisture, saying that it will help the small grain which has been badly damaged by dry weather and extreme cold during January.

The sun was shining brightly Wednesday, but the mercury didn't climb high enough to make standing around outside a comfortable pastime. The weather man also said Wednesday that another cold one is on the way.

Bronte's schools were dismissed Monday because of the icy roads but classes resumed as usual on Tuesday.

Bronte School Principals Hired

Bronte School Principals Joe B. Simpson and James Golson were each given a one year extension to their two year contracts at a meeting of the board of trustees Tuesday night. Simpson is high school principal and Golson is principal of the Bronte Elementary school.

Simpson is in his eighth year of serving as high school principal. He came here in 1955 from Brady where he taught two years. In addition to his administrative duties, he teaches high school mathematics and serves as girls basketball coach. During his years in Bronte he has also served on the football coaching staff. Simpson is married and the father of two children, a son and daughter. He holds bachelors and masters degrees from Southwest Texas College, San Marcos.

Golson is now serving his second year as grade school principal. He came here from Big Lake and also holds bachelors and masters degrees from Southwest State College. He is married and Mrs. Golson teaches third grade in the Bronte school. They have a son and daughter.

AD-LIB-BEN

A Madison Avenue advertising agency has come out four-square to restore a six-letter word to its proper place in everyday talk. The word is "square." We think he's got hold of something.

Adam Charles H. Brower reminds us that back in Mark Twain's day "square" was one of the best words in the language... you gave a man a square deal if you were honest. (He adds:)

"You gave him a square meal when he was hungry. When you got out of debt, you were square with the world. And that was when you could look a fellow man square in the eye."

Then a lot of characters ran down the word. Result: "A square today is a man who never learned to get away with it; a Joe who volunteers when he doesn't have to; a guy who gets his kick from trying to do something better than anyone else can."

"This country was discovered, put together, fought for and saved by squares — Nathan Hale, Patrick Henry, Paul Revere, George Washington..."

Brower dares us to get with it — get back to this nation's old beliefs in such things as "ideas, pride, patriotism, loyalty, devotion, even hard work."

How about joining the club? — Montana Citizen.

The above item was picked up from the Christian Science Monitor, which had picked it up from the Montana Citizen. We thought worth reprinting for readers of The Enterprise, especially our younger readers. Then, too, it is timely to print something like this now, right here between the birthdays of two such prominent "Squares" as Abraham Lincoln and George Washington. Thomas A. Edison's birthday is also in February.

One fellow has suggested that we legalize bingo in this country. Says it would help to do away with the corn surplus.

Congratulations to the girls basketball team. They have made a good start up the ladder, and we are betting on them as they go on toward the state class B championship.

Science Fair Set for Weekend

Bronte School's annual Science Fair, which was scheduled to have its opening Tuesday night, has been postponed until tonight (Thursday) when those attending the PTA will have a first glimpse of the exhibits.

The fair will be open to school students Friday and the general public is invited to visit Saturday.

The fair will be set up on the third floor of the high school building. Over 50 projects of high school students will be on exhibit, along with a large number prepared by elementary students and classes.

Clint Low, high school science

teacher, is in charge of the fair. He is being assisted in direction the fair by John Boyles and N. M. Curlee who also teach some science classes.

The exhibits will cover such a wide variety of subjects that they will be of interest to everyone in this area, Low said, in issuing an invitation to all community residents to attend the fair.

Divisions of the fair include projects in both biological and physical sciences of high school and junior high students. Grade school students will pool their efforts and enter projects from each room. Grade school students who

wish may also enter individual projects.

Some of the projects which will be on exhibit are a repulsion coil, an electro magnetic rocket launcher, a telsa coil and color shadows, in the physical division. Some of the biological exhibits will include experiments using hamsters, white mice and rabbits.

In addition to new projects developed this year by students, some of the outstanding exhibits of last year's fair will be re-worked and shown.

Ribbons and medals will be awarded winners.

County Agents News Column

By STERLING LINDSEY

I like the pioneering spirit of John and Ruth Brown — they retired just to go to work or it appears that way.

The Browns have terraced their property south and west of their home on Riverside Drive in Robert Lee and set out pecan and other fruit trees. Knowing their spirit, I think they will have a very attractive and productive place in the not too distant future. If you are in Robert Lee, drive by and look at their undertaking.

T. M. Wylie and Floyd Harmon also set out several pecan trees on idle land near their homes. They too will be rewarded by our State tree in more ways than one, I believe. Pecans are slow growing by some standards, but they are adapted to this area, they are long lived and they provide returns as well as beauty and pleasure.

We were treated rather rudely in the lamb show at Ft. Worth recently. The animals the 4-H club members exhibited were of good quality and for the most part were fat enough. But apparently they were too soft — the fat was not firm enough and not as smooth as was desired.

We did have four lambs to receive prizes. James and Tooter Fields placed their hampshire lamb as did Nicky Arrott his Crossbred lamb. Ronnie and Donnie Devoll placed one fine wool lamb and one southdown lamb. Also exhibiting in the big show were Dawnie Boykin and John and Kathy Service.

The 1963 feed grain program will be the main topic of discussion in a meeting to be held at the Vocational Agriculture building in Bronte this coming Friday night. The meeting will start at 8 p.m. Anyone interested in the program is welcome to attend the meeting and air any questions or problems they may have concerning the feed grain program or other agricultural programs. J. E. Quisenberry, County A.S.C.S. office manager will be present to lead the discussion as well as W.

Income Tax Service

Beginning Jan. 7, I will be in Robert Lee at the Farm Bureau Office Mon., Tue. and Wed., and at Bronte on Fri. and Sat. at my new location at Bronte Motor Co. across from the old post office. Twenty years experience as an income tax accountant handling all types of returns.

O. T. COLVIN, Agent
Ph. 282-2291 Blackwell, Tex

E. Jacoby, S.C.S. work unit conservationist, and myself. And I would guess that J. T. Henry, Bronte V. A. teacher, will have a pot of coffee made for the occasion.

The authorities of the screw-worm control program continue to point out to us the importance of reporting all screwworm cases we may have in the coming months. And also the importance of our taking local measures to control any outbreaks that may occur. Both factors are deemed vital to the early success of the control program. I know Coke County will do its part to see the program advanced.

Lubbock Children's Home Needs Trading Stamps for New Bus

Foy L. Moore, minister of the Bronte Church of Christ, said Monday that the Children's Home of Lubbock needs 3,200 books of Frontier Stamps to purchase a new 60 passenger school bus. The bus will be used as basic transportation for the home's large family of 90 children.

Moore said the 1951 bus presently being used was purchased three years ago and it was worn out then. The home needs transportation of this type to take children to church services, picnics, scout meetings, school events and special camping trips.

Everyone in West Texas is invited to assist the home in securing the bus by sharing at least one book of the trading stamps. "This will give us a chance to help the home with something besides cash," Moore said.

Moore has volunteered to work in the Bronte area on the project. He said he will collect the stamps here and forward them to the home.

Nurse's Group Meets Feb. 7 in Ballinger

Members of Division 58 of the Licensed Vocational Nurses Association of Texas met last Thursday night in Ballinger. The program was the showing of a film entitled "The Essentials of Neurological Examination." The film was shown by Dr. John Green of Ballinger.

Mrs. Martha McAlister, president of Division 58, conducted a short business meeting prior to the program. She announced the appointment of J. B. Mackey of Bronte to the group's advisory council.

During a social hour following the program, refreshments were served to the members and to guests from Ballinger, Bronte, San Angelo and Odessa. Next regular meeting will be March 7 at Bronte.

MERIT SCHOLARSHIP TESTS

Twelve students at Bronte high school plan to take the 1963 National Merit Scholarship Qualifying Test, Joe Simpson, principal, announced Tuesday.

The test will be administered at the school at 9 a.m. Tuesday, March 5. All students who wish to be considered for Merit Scholarships to be awarded in 1964 should take the test at that time.

The qualifying test is a three-hour examination of educational development and is the first step in competition for four-year Merit Scholarships. The number of scholarships awarded in any year depends upon the extent of sponsor participation. There are 3400 Merit Scholars attending 403 colleges in the current year.

Many students who do not expect to win a scholarship take the test in order to learn more about their individual strengths and weaknesses in areas measured by the test. Scores are also used by class advisors in helping students make decisions about college attendance and field of study.

NATIONAL ELECTRICAL WEEK February 10-16 1963

The three million men and women of the electrical industry observe National Electrical Week each year during the week of Thomas A. Edison's birthday, February 11. National Electrical Week is a time when attention is focused on the contributions that electricity makes to our economy, our high standard of living, and our progress as a nation

Do you know that...

Today the United States has more power capacity than the next 5 nations combined and almost three times the power capacity of the Soviet Union.

West Texas Utilities has increased its electric generating capacity over 6 times since 1942.

In terms of residential use, the American home uses nearly eight times the electricity of the Russian home. Americans use twice as much for lighting alone as the Russian total.

The average cost of a kilowatt hour to residential customers served by WTU has decreased 35% in the last 20 years.

...you can live better electrically

UNCLE HUIE from HOG CREEK says

DEAR MISTER EDITOR:

The preacher come by our session last week, told the fellers he has come up with a new idea that's liable to shake up the preaching profession all the way back to Moses.

He said he got this idea from listening to all them commercials on television. He allowed as how you don't sell nothing nowadays by talking about it, you just sing about it. He figgers if you can sell refrigerators, soap and automobiles with singing, he can sell religion the same way.

He said he could just see himself now, walking up in the pulpit humming a little interduction to his sermon. Then when he got everybody's attention, a couple guitars and a bongo drum would git the congregation in the proper groove. And just as soon as the congregation got to patting their feet real good, he'd start singing his sermon. He told the fellers he wasn't much of a singer but with this modern music it didn't make no difference, that most of it was just hollering set to music. And he reported he could holler real good.

He figgers his plan has got great promise fer the preaching profession. He says folks ain't

too interested in what a preacher has got to say if he tells them the truth, and if he tells them the truth they'll run him off. This singing approach would solve all that, he claims. He wouldn't have to be saying nothing one way or the other, like politicians, so he could keep on winning friends and influencing people.

And he told the fellers has has got a trick up his sleeve in case the members git to nodding. Ever few minutes he's going to have all the folks sing along with him. In fact, he says he's thinking about calling part of his sermons, "Sing Along with Parson" and give it to 'em with the down beat and all the trimmings.

And he reported that the chairman of the finance committee was on the rampage again Sunday. They was having the Men's Bible Class and the chairman ask to take the floor. The Parson said it was a mistake to give him the floor, that from then on it was the gospel according to him. It seems the chairman was snorting about one of the schools has done away with a little prayer afore each ball game. He said he couldn't say nothing on account of the men would claim he was agin prayer, but he told the fellers he was agin using prayer like perfume to sprinkle on everything that come along. He claimed he had saw politicians open a rally with prayer and then go out and accuse their opponents of stealing sheep.

The good Parson left a little early, said the Finance Committee was raffling off a steer and they had asked him to open the raffle with prayer.

Yours truly,
Uncle Huie

McAfee Daniel of Uvalde spent the weekend here in the home of Mr. and Mrs. J. T. Henry. Daniel is a former teacher in the Bronte Schools.

Buddy Walker was home last weekend to visit his mother, Mrs. Mary Walker. He is employed with a pipe line company at Cross Plains and expects to be transferred to Tahoka soon.

Mr. and Mrs. R. J. Millikin and Jim of Christoval were here over the weekend to visit his mother, Mrs. Willie B. Millikin, and other relatives.

MRS. BOATRIGHT IS HOSTESS FOR BRONTE H. D. CLUB

Mrs. J. C. Boatright was hostess to the Bronte H. D. Club Feb. 7 in the home of Mrs. J. B. Arrott.

Mrs. Truman Parker presided. Mrs. Boatright read a poem "20 Ways to Kill a Club" as the opening exercise. Roll call was answered with each member giving a recipe.

Mrs. C. E. Arrott was in charge of the program on "Egg Cookery" and demonstrated by preparing some dishes. She also showed

how to color hard cooked eggs in fruit drink or cake color. The egg vegetable cutlets she prepared were served on the refreshment plates.

The floating prize was brought by Mrs. J. F. Hughes and won by Mrs. Boatright. Mrs. R. S. Walton led the recreation.

Present were one guest, Mrs. J. B. Arrott and members Mmes. C. E. Arrott, Taylor Emerson, H. H. Holland, Hughes, Marguerite Gallely, O. R. McQueen, B. E. Modgling, Parker and Walton.

The next meeting will be with Mrs. Floyd Crunk Feb. 20.

Health Hints

By Dr. Charles E. Spears

For Headache Sufferers...

Thousands of people are suffering from headaches. Some of them for many years have fought this annoying and painful hurting. Headache sufferers are continually treating the effect rather than trying to determine the cause of the trouble.

The human body can be healthy only if there is an uninterrupted nerve energy flow to all the tissue cells and organs. However, spinal misalignments may cause pressure on nerves, thereby interfering with the normal nerve flow to the various parts of the body. This nerve interference is the cause of such adverse symptoms as headaches.

If you are one of the vast multitude who suffers from headaches, you will save time and money and misery by using the services offered by your Doctor of Chiropractic. Remember, once the cause of your headache is corrected, normal health, other things being equal, will be yours.

Chiropractic adjustments restore and maintain health.

CHEVROLET TRUCK QUALITY

You can see the difference wherever you look

If you believe various makes of trucks are pretty much alike, you aren't doing justice to your pocket-book. There are differences.

A Chevrolet truck welcomes comparison. Look at the little things on it—latches, hinges, stitching in the upholstery. Notice how strong the tailgate is, the rubber encased chains that keep it from sagging.

The body floor is made of select wood to eliminate the rust problem and give you better footing. The lower

side panels are double-walled; you might dent the inside but it won't show through.

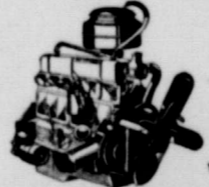

Chevrolet designs suspension systems to fit your need. The light-duty type is strong on comfort. Another kind for heavier trucks stiffens up as you increase your load and vice versa. Make sense?

If you are going to need a new truck this year, you should look at the quality Chevrolet has to offer. May we bring over a new '63 so you can examine it?

2 NEW 6-CYLINDER ENGINES

New High Torque 230-cu.-in. Six is lighter but more powerful than its predecessor. It is standard in Series C10 through C50 models.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

The snow and icy weather has been the biggest news of the week in the community. Although the ice was unpleasant the moisture from the snow was greatly appreciated.

Mrs. Charlie Brown underwent surgery in Bronte hospital Thursday morning.

Mrs. Less Webb is driving a new Rambler automobile.

Recent guests of Mr. and Mrs. A. J. Essary have been, Mr. and Mrs. Jack Corley, Jerry Roach, Mr. and Mrs. Bert Cornelius, Mrs. L. J. Sonnenberg and Arthur, Louis Baker and grandson, all of Tennyson, Mr. and Mrs. Barney Griffin, Mrs. J. D. Huffaker, Mr. and Mrs. Dolan Mackey and Tony and Mr. and Mrs. Homer Cornelius, all of Bronte.

Mrs. G. L. Cook and Jay visited her brother, J. P. Roach, in Paint Rock last weekend. Visiting in the Cook home last week were Mrs. Addie Cook, Fort Worth, Mr. and Mrs. A. L. Cook, Abilene, and Mr. and Mrs. Earnest Roach of Austin. Mrs. Addie Cook returned home after a 4 weeks visit.

Mr. and Mrs. Bert Hester and

grandson, Kelvin Iske of Dallas, visited the Herbert Hollands Saturday. They went fishing on a lake on the Holland ranch and later had a fish fry at the Hester home.

Mr. and Mrs. Bill Keeling visited Thursday through Sunday with their children in Hobbs, New Mexico.

Mr. and Mrs. Rob Springer and Mrs. Ben McNeal spent the weekend in Ozona with the James Scott family.

Homer Flannagan, Weldon and Arlie Holden of Lubbock visited the Charlie Browns Sunday. Mrs. Flannagan returned home after visiting a week with her parents.

Mr. and Mrs. Floyd McCarty of San Angelo visited the Herbert Hollands Wednesday. Sunday visitors in the Holland home were Mr. and Mrs. Walter Phillips, San Angelo, Arthur Sonnenberg, Tennyson. Mrs. Jerry Landers and Mrs. Charlie Lee of Norton were their visitors Monday.

Visiting Mr. and Mrs. Charlie Brown Sunday were Mrs. Doll Gilbert and Rev. Robert Ritchie Gilbert, Mr. and Mrs. Donnie all of San Angelo.

Weekend guests in the J. P. Tounget home were their daughter, Fracilla Tounget, student at SAC, and Mrs Wade of Ballinger.

Governor Sets Farm Bur. Week

Gov. John B. Connally is shown above signing a proclamation designating Feb. 3-9 as "Farm Bureau Week" in Texas. Looking

on are Texas Farm Bureau Queen Valdene Garner of Brownfield, TFB Organization Director Millard Shivers of Waco (standing, left) and C. H. DeVaney of Coahoma, president of the state farm organization.

Tennyson News

Visiting the Donald Huffakers Sunday were Mr. and Mrs. Don Daniels of San Angelo, Miss Ada Woullard and Leslie Woullard of Eldorado.

Mr. and Mrs. Hamp Thomas spent Saturday at Fort Hood visiting Pfc Freddy Thomas and family. Mrs. Freddy Thomas returned for a two weeks visit.

Pete Thomas and family have moved to Big Lake where he is employed by C&H Oil Company.

Tuesday night guests of the Barney Griffins were the Glen Griffin family of San Angelo.

The following is quoted from Governor Connally's proclamation:

"Farming and ranching are essential to the economy of our state and nation. About 40 percent of all Texans receive their livelihood either directly or indirectly from agriculture.

"Through their organized efforts and by democratic procedures, the farmers and ranchers of Texas have sought a voice in State affairs and have campaigned for improvements in the economy and government of Texas."

HERE ARE SOME TYPICAL THINGS THE FARM BUREAU IN TEXAS BELIEVES IN AND STANDS FOR

Screw worm eradication and other research and improvement through voluntary effort. We have supported the screw worm program in Coke County, and Coke has gone over its quota.

The Farm Bureau has agencies abroad showing foreign buyers commodities produced on American farms and ranches, processed by American labor. We want to SELL this stuff, and are making some headway at it.

The Farm Bureau does NOT WANT to ride the back of the income-tax-paying working man. Neither does the working man want to ride the back of the farmer and stockman.

THIS IS NOT a political organization. It is not out to support or to oppose political parties. It DOES stand for what its members vote for in their meetings. Members have NO STRINGS ON THEM as to what party they work for or belong to.

Farm Bureau Policy is decided at the grass roots. Nothing is passed in the National convention that is not sent up there by a State, and nothing in the State convention that is not sent up by the county that is not passed by a majority at the county convention.

Every decision is arrived at by free and open discussion and debate.

The Farm Bureau Is Working for A Steady, Free, Open-Market Growth Of Agriculture Standing on Its Own

In Coke County it has endorsed a dam on the Colorado River, and-or other feasible water storage.

It has opposed continued and further control and regimentation of farmer, rancher, business man, or laboring man.

It is composed of your own people working for you—the kind of a program and development this area needs.

JOIN AND HELP US . . . TAKE AN ACTIVE PART

Where every member has his say, and where what he says will count.

AD-LIB-BEN —

Continued from Page 1

Memphis, Tenn., was sick, his classmates wrote him cheer-up letters. One small fry classmate couldn't help boasting a little: "I made A in spelling. I hope you fell better."

Have you visited the new city hall? Its a real beauty and you should go over and look around. After all, it's your building and you should know what it looks like.

Eddie Glenn was home from Sul Ross College in Alpine for a weekend visit with his parents, Mr. and Mrs. D. K. Glenn.

Mr. and Mrs. Jack D. Ivey spent last weekend in Dallas, visiting his cousins, Mr. and Mrs. J. D. Woody. Mrs. Ivey also attended the National Hair Styling Show Sunday.

HERE'S BLACKWELL

By Mrs. Charles Ragsdale

Mr. and Mrs. Joe Ward have had as their guests Mr. and Mrs. C. P. Stearnes of Abilene.

Mr. and Mrs. W. C. Shamblin, Mr. and Mrs. Bill Hamilton attended the funeral for Gordan Hamilton of Post last week. Gordan is the son of the late Mr. and Mrs. Jim Hamilton of Blackwell, where he was reared and attended school.

Delos Alsop is ill in the Simmons Memorial hospital in Sweetwater.

Mr. and Mrs. Paul Kelly of San Angelo, Mr. and Mrs. Noble Whitaker of San Diego, Calif., Mrs. Eunice Thompson of Overton, and Mrs. Jack Grammer of Morgan City, La. are visiting Mr. and Mrs. Delos Alsop and Mr. and Mrs. Joe Smith. Mmes. Whitaker, Alsop, Thompson, Kelly and Smith are sisters. The Whitakers also visited his mother, Mrs. Carl Whitaker of Sweetwater, who is ill.

Mr. and Mrs. J. T. Sanderson have had as their guests her son and wife, Mr. and Mrs. Hiram Patterson of Tucson, Ariz.

Mrs. Josie Hipp has been ill in the Simmons Memorial hospital in Sweetwater and Mrs. John Holland has been ill in the Bronte hospital.

Mr. and Mrs. Jack Blanchard and son of Sweetwater visited Mr. and Mrs. Roy Sanderson over the weekend.

Dates Released on Interscholastic League Events

Supt. C. B. Barbee said this week that dates and places have been set for various events connected with 1963 Interscholastic League activities.

The main literary meet in this year's league competition will be held April 5 at San Angelo College. The one act play contest will be March 28 at Robert Lee.

Athletic events begin March 26 with a volleyball meet at Bronte. The track and field competition will take place at SAC on April

The Bronte Enterprise

February 14, 1963

10 and 11; tennis contests will also be at San Angelo on March 26 and April 2; and Playground ball will be March 26 and April 2 at Miles.

Five local teachers have been assigned to be in charge of district contests. They are C. B. Barbee, in charge of one act play; Clint Low, science; John Hartsell, extemporaneous speaking; Joe Simpson, slide rule; N. M. Curlee, volleyball. Supt. Dorman Thomas of Robert Lee is general supervisor of all contests of District 74-B.

Help the Heart Fund Drive.

PERSONALS

Mrs. Pat Johnson returned Tuesday after a month's visit with her daughter, Mrs. Charlie Gamble, in San Rafael, California, and her sister, Mrs. Alvin Scarborough, in Albuquerque, New Mex. Mr. and Mrs. J. F. Hughes visited over the weekend in Stanton with her parents, Mr. and Mrs. E. A. Baugh.

Mr. and Mrs. R. H. Herron spent the weekend in Odesa, where they visited Mr. and Mrs. Bill Herron, Mr. and Mrs. Carroll Leathers and Mr. and Mrs. Paul Gaithings, and their families.

Saluting Bronte's Basketball Girls

Jan Wilkins

Jan is a 5'5" main stay in Bronte girls offensive basketball this year and is one of the team's captains. She is an honor student, football sweetheart and vice president of the junior class. She is also a member of the student council, president of the HE Club and a twirler.

Jessie Renshaw

Jessie has done a fine job this year in helping hold Bronte girls' opponents in district games to a low score. She is a regular guard on the girls team and is 5'6" tall. Jessie takes part in many other school activities, too.
