51st District Court Now in Session

The 51st District Court took up the civil cases Wednesday morning after working the first of the week on three DWI cases. The session started Monday with a 38-man jury panel called for duty.

A mistrial resulted from a hung jury in the case of Willie B. Doran, who was charged with DWI. Aubrey Bagwell's trial for the same charge was passed over until a subsequent term of court. Sherman R. Anderson, also charged with DWI, was found not guilty by the jury.

The first civil case to come before the court Wednesday was a personal injury suit styled John P. Riley vs. Debeo Corporation. Five other civil suits, listed in last week's paper, are on the docket.

Mr. and Mrs. F. P. Brown and Fran of Laverne, Okla., Mrs. Robert Springer, Susan and Sam of Wichita, Kansas, returned to their homes Monday after a visit with the ladies' parents, Mr. and Mrs. Ronald Walton.

Services Held for J. L. Keeney, Accident Victim

Funeral services were held last Friday afternoon for J. L. (Lynn) Keeney, 73, long time Bronte resident who died about 10 p.m. last Wednesday from a gunshot wound in the head. Services were held at 2 p.m. in First Baptist Church in Bronte and burial was in Fairview cemetery under direction of Robert Massie Funeral Home of San Angelo.

Justice of the Peace J. T. Liles of Bronte ruled that the shooting was an accident, after investigating and talking with Bob Johnson, who was nearby when the fatal shot was fired but did not see it. The accident occurred on the Robert Hickman place, west of town. Johnson and Mr. Keeney had gone to a stock tank on the place to do some fishing.

Johnson told Judge Liles and

Russell L. Fuller New Director of Longhorn Band

Russell Lee Fuller, who calls Gorman his home town, has been elected to direct the Longhorn Band and teach music in Bronte Schools. He succeeds R. H. Hornbeck, who resigned the position before the end of the past school term.

Fuller is a native of Gorman and graduated from high school there. He is a 1965 graduate of McMurry College, Abilene, with a B. S. degree in music.

The new bandman arrived here Monday and began at once making preparations to get practice sessions underway. Work was done the first of the week on getting the band hall cleaned up and equipment in shape for the coming school year, and particularly for the football games which will begin Sept. 10 at Ozona.

Fuller is a bachelor and information as to where he will obtain living quarters was not available the first of this week.

Longhorn Club Meets Tonight

The first meeting of the Bronte Longhorn Club, a group organized for the purpose of boosting and assisting the local high school football team, will be held tonight (Thursday) at 7:30 o'clock in the school darkroom.

President Royce Lee said that plans will be made for activities of the club during the forthcoming football season. He also said that films of some of last year's football games will be shown.

Anyone who is interested in spending a little time and money helping the Bronte Longhorns is invited to attend the meeting.

PUBLIC INVITED TO HEAR MEDICARE DISCUSSED

Floyd Ellington, who is in charge of the Social Security office in San Angelo, will be guest speaker at today's meeting of Bronte Lions Club.

His talk will cover various aspects of the Medicare Bill recently approved by Congress.

A spokesman for the club said that any elderly person or anyone else who is interested in provisions of the new law is welcome to come to First Methodist Church to hear the talk. Visitors should arrive about 12:30 p.m., as members of the Lions Club will have a luncheon prior to the speech.

Ben Barnes to Speak Here On Labor Day

The Hon. Ben Barnes, speaker of the Texas House of Representatives, will be the main speaker at Bronte's Labor Day barbecue this year.

Mayor Royce Lee announced this week that Barnes has confirmed his acceptance to be here the evening of Sept. 6, when most all

Public Hearings Called for School Business Matters

Two public hearings have been called for next week by the board of trustees of Bronte Independent School. The first, a budget hearing, will be held 2-6 p.m., Tuesday, Aug. 24, in the board room in the elementary building.

The second public meeting will be a meeting of the equalization board, beginning at 2 p.m., Thursday, Aug. 26, in the city hall.

The public is invited to participate in both meetings.

Bronte School's budget for 1965-66, approved at a meeting of the board last Thursday night, reaches a whopping big total of \$534,412. This amount is \$353,264 above the 1964-65 budget. Of course, the difference is chiefly due to the fact that the budget for the forthcoming year contains funds for the construction of a new high school, gymnasium and other improvements. However, discounting the \$325,000 involved in the building program, the 1965-66 budget is some \$28,000 higher than the one for last year.

Supt. C. B. Barbee said most of this money can be accounted for in two items of expense: \$13,000 to pay the interest on the bond issue, and \$11,000 to pay for a state-granted teach pay raise. Another \$2,000 has been budgeted for the purpose of buying a new bus, and the remaining \$2,000 plus is needed in small amounts for various operating funds of the school.

Barbee pointed out that he is pleased with last year's expenditures for operation of the school, since the total paid out was \$652 less than the amount called for in the budget. He also pointed out that the school district had a budgeted income last year of \$179,251, while \$196,705 was actually received, leaving a balance of \$17,454.

Barbee said this balance will

citizens of this area will gather at the Bronte Park to eat barbecue and hear the program.

Mayor Lee said that complete plans are indefinite, but they are being made. He said he did want to announce that the "distinguished speaker of the House will speak at the program" and that everyone should start making plans to attend the annual affair.

Last year's event which was held in connection with the celebration of Coke County's 75th anniversary was by far the most successful ever held in this area. Lee said, "We want this year's program to be just as good as the one last year."

Speaker Barnes will speak earlier in the day at Dallas and will then fly to San Angelo where he will be met and brought to Bronte.

Little Leaguers Have \$212 Left For Next Year

Bronte's Little League baseball clubs will have \$212.65 to start out their baseball program next summer. That's the amount cleared by the Bronte Jaycee Chapter from operation of the concession stand at the local ball park this summer.

George Latimer, Jaycee president, said that all the club members and their wives worked hard at the stand this summer and he expressed his thanks to each of them for their cooperation.

JAYCEES DUES ARE DUE

Latimer also asked the Enterprise to announce that all Jaycee dues should be paid by Sept. 7. He said that all members who have not paid by that time will have to be dropped from state and national membership rolls.

"I urge every Jaycee to pay up before the Sept. 7 deadline," Latimer said. "We need every man in this town active in the Jaycees, so please get your money in on time," he added.

Housing Authority To Meet Council And Engineers

Mayor Royce Lee said this week that members of the board of directors of Bronte Housing Authority and members of the city council will meet Friday night with engineers from Midland to discuss low cost housing here.

The council will discuss any other business which is brought before it, Lee said. He pointed out that this meeting and all other meetings of the city council are open to the public, and everyone who is interested is welcome to attend.

Lee said he has contacted some local residents regarding serving on the housing authority board, but that the group will not be definite until later this week.

The mayor said housing needs of the city will be discussed and a start will be made toward determining whether it would be worthwhile for the local housing authority to proceed further toward obtaining low cost housing.

Fashions Softer, More Graceful
New fashions feature a softer, more graceful silhouette. The new softness is achieved through design, cut and fabric. All three combine to provide the softest look in many seasons.

The new silhouette is characterized by the blouson, the deep, full dolman sleeve and the full skirt.

Gathers, panels, pleats or gores give the skirt an illusion of fullness. Dirndl skirts also return to the fashion world and are slated for increasing importance this fall.

Evolution of the Daily Bath

When small boys object to taking baths, they may be simply reverting to a throwback status of their ancestors.

Bathing was considered a harmful practice by many ancient peoples. In the Middle Ages, one bath in a lifetime was as far as anyone would go. By the time of Shakespeare, however, people were getting brave enough to try it more often. The Queen of England, Elizabeth the First, set a royal example for cleanliness.

Even as late as Grandpa's day, bath night came only once a week. Happily enough the 20th century introduced the concept of the daily bath. Not only did people discover that it was healthier to be clean, they found that a soak in the tub would soothe nerves, cool one off in hot weather, and serve as a sedative for the sleepless.

Of course, bathing is much more pleasant than it was in the old days. The Romans, for instance, cleaned themselves by rubbing their skins with iron scrapers.

Today, easy-to-lather soaps and soft cotton terry wash cloths are standard equipment. There's also plenty of hot water and a good supply of thick, absorbent cotton terry towels. The daily bath is both inexpensive and easily available.

Economical Summer Menus

Having budget problems this summer?

Summer lunches for children can be economical and easy if you plan ahead and let the youngsters serve themselves. A good lunch includes meat, cheese, eggs, fish or some other protein food; vegetables or fruit; bread and milk.

In shopping, you may find these buying tips helpful:

Watch for sales on tuna. Grated tuna is less expensive than chunk and is fine for sandwiches. Bananas are at their eating best when flecked with brown. However, since they don't keep well, they are sometimes sold for less. So if you intend to use them right away, they may be the ideal choice.

Your best bargain in peanut butter is often the three-pound container, which keeps well in a cool cupboard. Compare prices. Local tomatoes now arriving at the market should be lower in cost and at their peak of goodness.

Broilers are reported especially plentiful this month, according to the Consumer and Marketing Service. And chicken is an ideal protein dish. Other foods plentiful this month are fresh plums, grapes and frozen concentrated orange juice.

Tuna fish sandwiches can be deliciously accented by carrot strips, a banana or peach and chocolate milk.

For budget pleasing chocolate milk, sift 1 lb. instant dry milk, 1 cup sugar, 3/4 cup cocoa and 1/4 teaspoon salt together three times and store in a glass jar or metal canister. To prepare a quart of chocolate milk, measure 1 1-3 cups mix and stir in enough water to make a paste. Add a quart of boiling water, cool and then chill in the refrigerator.

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 2, 1965. SENATE JOINT RESOLUTION NO. 24 proposing an Amendment to the Constitution of the State of Texas by amending Article VII, Section 17, providing a method of payment for the acquiring, constructing and equipping of buildings and other permanent improvements at certain state institutions of higher learning; providing for allocation of funds therefor; authorizing the issuance of bonds or notes and the pledging of allotted funds for the payment of same; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 17 of Article VII of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 17. In lieu of the state ad valorem tax on property of Seven Cents (7¢) on the One Hundred Dollars (\$100.00) valuation heretofore permitted to be levied by Section 51 of Article III, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two Cents (2¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the continuing payment of Confederate pensions as provided under Section 51, Article III, and for the establishment and continued maintenance of the State Building Fund as provided in Section 51b, Article III, of the Constitution.

"Also, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Ten Cents (10¢) on the One Hundred Dollars (\$100.00) valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings or other permanent improvements at the designated institutions of higher learning provided that none of the proceeds of this tax shall be used for auxiliary enterprises; and the governing board of each such institution of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as

hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed four per cent (4%) per annum and shall mature serially or otherwise in not more than ten (10) years; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for the benefit of the public free schools, shall never exceed Thirty Cents (30¢) on the One Hundred Dollars (\$100.00) valuation. All bonds shall be examined and approved by the Attorney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"(1) Ninety per cent (90%) of the funds allocated on June 1, 1966, shall be allocated to state institutions based on projected enrollment increases published by the Coordinating Board, Texas College and University System for fall 1966 to fall 1978.

"(2) Ten per cent (10%) of the funds allocated on June 1, 1966 shall be allocated to certain of the eligible state institutions based on the number of additional square feet needed in educational and general facilities by such eligible state institution to meet the average square feet per full time equivalent student of all state senior institutions (currently numbering twenty-two).

permit the school to operate next year without any increase in property valuations.

D. K. Glenn, who is chairman of the equalization board, said notices have already been mailed to all taxpayers whose property is under consideration for a raise in valuation.

It was indicated that the board this year is making an effort to equalize some of the property valuations over the district. Considerable complaining, particularly among townspople, about the low valuations of some farm and ranch land in the district has been heard. Both Glenn and Barbee said that any raises in property valuations are not caused by the recently passed school bond, but are being made purely to equalize the amount of taxes paid on properties of similar value.
