Vol. 47 (Old Vol. 60)

BRONTE, TEXAS, AUGUST 26, 1965

No. 34

## Bronte, R-Lee Picked to Win

Coaches Cecil Toliver and James Raughton were in an optimistic mood this week after seeing their charges on the 1965 Longhorn squad work out a couple of days in full equipment.

Other coaches in the district have picked Bronte or Robert Lee to claim the 1965 district crown. Coach Toliver said, "That's a pretty big order, but we feel that we have a group of really top notch boys this year."

### Scrimmage Here Tonight

The coach announced that local fans will get a chance to see the Longhorns in action tonight (Thursday) when May comes here for a scrimmage session. The activities will begin at 7 p.m. at the local field. Originally, it was planned for the Longhorns to go to May for this first scrimmage, but the dates were reversed and May will come here. The Longhorns will return the engagement next Thursday night, Sept. 2. Starting time at May, however, will be moved up to 6 p.m.

Coach Toliver told The Enterprise this week that he is well pleased with the way his players are coming along so far during the practice sessions. He said, "Some of these boys have filled out well during the summer and we will have a lot more weight than we had last year. Then, too, a lot of our boys who were freshmen last year will have the benefit of another year's experience."

## Longhorn Club Wants Members

In the first meeting of the year for Bronte Longhorn Club last Thursday night, the group decided its number one project for the immediate future is to conduct a membership drive.

Royce Lee, president of the football booster club, said a goal of 100 members has been set and he hopes workers will reach this goal after working a few weeks.

Secretary Marvin Bryant said plans are being made to sign up as many persons as possible at the Labor Day barbecue which will be Sept. 6.

Membership fee is \$5.00, and funds derived from the dues are about the only income of the club for carrying out its program of assisting the Bronte Longhorn football team.

One of the main projects of the club is the filming of football games and making the pictures available to the team and coach for correction of mistakes.

Longhorn Club members also help in other ways, such as cleaning up the football field and surrounding area before start of the season, helping mark off yard lines etc. Some special work has been done by members this year in the tearing down of the old lights and erecting of new ones. Some of the club's members are also planning to assist in erecting the new scoreboard.

Anyone who wishes to join the club and assist the local football team should see Marvin Bryant, who has membership cards to issue.

The Longhorn Club will meet each Tuesday during football season at 7:30 p.m. The meetings are used to discuss the previous week's game and to look at films.

## Labor Day Plans Being Completed

Plans for the big Labor Day barbecue and program are still being made. The annual event will be held this year on Monday, Sept. 6, at the city park in the late afternoon. Merchants of Bronte sponsor the event and arrangements are made by Aubrey Denman, caretaker at the park. The barbecue draws hundreds of persons each year.

The Hon. Ben Barnes of DeLeon, speaker of the Texas House of Representatives will be the featured speaker of the evening. Barnes will speak earlier that day in Dallas and will then fly to San Angelo where he will be met and brought to Bronte.

Bronte Longhorn band will play; local entertainers will be on the program and other plans are still being made. A more complete program will be given next week.

Everyone in the area is urged to make plans to attend.

### BAND PRACTICE BEING HELD TWICE DAILY

Bronte Longhorn Band, under the new director, Russell Fuller, has been meeting twice daily to get ready for the new school year. Marching and practice sessions are being held each morning and afternoon.

## Funeral Services Held Monday for Charlie Copeland

Funeral services for Charles Copeland, 92, long time Coke County rancher, were held at 2 p.m. Monday in Blackwell Methodist Church. The Rev. Kay Corley, Baptist minister, officiated, assisted by the Rev. Charles Dunnam, pastor of the church. Burial was in Blackwell cemetery under direction of Williams Funeral home of Bronte.

Pallbearers were E. F. Glenn, W. H. Maxwell Jr., Walter King, Ralph Richards, Burley McCauley, Conda Richards, W. W. Ivey and Frank Keese.

Mr. Copeland died at 12:45 p.m. Sunday in Simmons Memorial Hospital in Sweetwater after a short illness. It was his 92nd birthday.

He was born Aug. 22, 1873 in Bell County and moved to Coke County in 1900. He was married to Miss Eulah Shafer in Blackwell July 31, 1904. He was a member of the Christadelphian Church.

Mr. Copeland owned a 4,000 acre ranch in Coke County. He got his start in ranching as a wild horse catcher and trainer. He caught his first horses in Bell County and traded them for Coke County land.

One of the tricks he used in catching the wild horses was to catch the leader, put a bell on her, and turn her loose with the rest of the herd for a few days. When the rest of the herd got used to the jingling of the bell he would catch her, lead her to the corral and the rest of the herd would follow.

Survivors include his wife; two sons, Shalor Copeland of Strawn, and Vernon Copeland of Blackwell; one daughter, Mrs. Rhoda McCauley of Blackwell; one brother, T. Copeland of Sweetwater; seven grandchildren and six great-grandchildren.

### RILEY CASE SETTLED

The case of John Paul Riley vs. Debco Corporation, a personal injury suit which was being tried last week in 51st District Court in Robert Lee, was settled out of court, according to Bronte relatives of the plaintiff.

The case came up over injuries Riley sustained when a transport truck belonging to the defendant went out of control and crashed into a group of parked cars in front of Caperton Chevrolet Co. Riley was walking in the area at the time of the accident and was injured in the impact.

No figures as to the amount of the settlement were revealed.

Five other civil suits appeared on the docket, but did not come to trial. Judge Joe L. Mays was the presiding judge.

## School Term Starts Monday

Bronte Schools will open the 1965-66 term at 8:10 a.m. with a general assembly in the auditorium. Supt. C. B. Barbee said a full day of work will be carried out Monday, with lunches being served at noon and buses running on regular schedule.

Two new teachers will report for duty on the faculty for the first time. Mrs. James Raughton will teach fifth grade, replacing Mrs. G. W. Murphy, and Russell Fuller will serve as band director and music teacher, replacing R. H. Hornbeck.

Barbee said facilities are in better condition than he has ever seen them. Considerable work on the elementary building has been done this summer, and lawns and other outside facilities are also in top shape.

## Clint Low Takes Golf Tournament

Clint Low of Bronte was the big gun in the Lions Club Golf tournament held here last Saturday. He shot a 64, four below his nearest contender in the championship flight.

A total of five flights were entered in the competition, with 44 golfers playing.

A shower of rain early Saturday morning dumped a half inch of moisture on the course, but the spirits of the golfers were not dampened by the downpour. Nice golfing weather followed the rain, even though the course was a little muddy.

Others winners were as follows: Championship flight: 1. Low of Bronte, 64; 2. Larry McElwee, San Angelo, 68; 3. Lee Eubanks, San Angelo, 71.

First flight: Jiggs Nichos, Winters, 71; 2. Alton McEver, San Angelo, 72; 3. Eb Grindstaff, Balingier, 76.

Second flight: 1. Chuck Courton, San Angelo, 72; 2. Truman Hines, Silver, 77; 3. Randy McGowan, San Angelo, 80.

Third flight: 1. Marvin Landers, Bronte, 82; 2. L. F. McCutchen, Bronte, 84; 3. E. K. Finley, Blackwell, 86.

Fourth flight: J. T. Henry, Bronte, 83; 2. Ben D. Snead, San Angelo, 96; Arch Baird, San Angelo, 96.

Elmer Hurley, president of the Lions Club, termed the tourney a fine success, and thanked everyone who participated or worked toward making it a success. Marvin Bryant and Clyde Lee were tournament directors.

Barbee said that most of the facilities which have been used in the old high school building have been moved to other quarters. Only the science and commercial departments and Principal Joe B. Simpson's office remain in the old building. It is expected that arrangements for other quarters for them will have to be made before the end of the forthcoming school term.

Mrs. Clark Glenn, school secretary, said that any student who does not have a birth certificate on file at the school should bring it Monday when he comes for the first day of school. Also, Mrs. Glenn pointed out that all first graders will be required to have proof of inoculation with DPT, polio and smallpox vaccine.

Lunches this year will cost 30 cents for grades one through six, and 35 cents for grades seven through twelve.

Supt. Barbee announced teacher assignments as follows:

Mrs. C. B. Barbee, first grade. Mrs. George Thomas, second grade.

Mrs. James Golsen, third grade. Mrs. R. C. Lasswell, fourth grade.

### HIGHWAY WIDENING NOW BEING STUDIED

(From Robert Lee Observer)

Commissioner Fern Havins told members of the BCD Tuesday at noon that interest has been shown by State Highway Department authorities in widening State Highway 158 between Robert Lee and Bronte.

Havins said if the project is pushed and a decision is reached to widen the highway, the two commissioners precincts involved, Precincts 1 and 2, will be asked to help secure the additional right of way which would be needed for the widened roadbed. Havins said the proposal also included construction of passing lanes on hills on other extensive no passing zones which at present hinder fast traffic on the highway.

The commissioner also mentioned the possibility of constructing a farm to market road from Highway 158 to the east which would terminate at Maryneal. This project is what might be called "long range planning," Havins said.

## Housing Authority Organized

A good crowd was present last Friday night when a public housing authority for Bronte was created. The meeting was held in the city hall.

Homer Pace, architect with Pierce, Norris and Pace of Midland met with the group and explained various aspects of low rent housing projects and programs necessary to follow to obtain federal aid for the construction and maintenance.

Royce Fancher was elected head of the authority. Matthew Caperton is vice chairman and E. F.

Glenn is secretary. Members are Ben Oglesby and Gilbert G. Basquez.

Mayor Royce Lee opened the meeting and a few matters of city business were discussed with the council, all of whom were present. The mayor pointed out that he called the meeting to acquaint local citizens with the proposed project. He said the city government is not necessarily pushing for a housing project, but merely wanted to familiarize local residents with the matter and let the hous-

ing authority work out the details.

A planning commission was also named by the mayor. James Golsen will head this body with the following members. Elroy Butler, Marvin Bryant, D. K. Glenn, Cecil Kemp, A. S. Masterson, Manuel Reyes and T. F. Sims Jr.

Pace told the authority that a survey team will come here from Fort Worth and determine the need for low rent housing. He also assisted the members in filling out necessary papers to get the project started.
