

## 35 Persons Make Agricultural Tour

First stop on the rural progress tour last Thursday was the new home of Mr. and Mrs. Elroy Butler in the east part of Bronte. About 35 persons were shown through the home by Mrs. Butler and members of the Bronte Home Demonstration club.

Mrs. Fay C. Roe, home demonstration agent, explained to the group what a woman looks for in a home, and pointed out food storage, service areas, play areas and furniture arrangements.

Alton R. Pyburn, county supervisor for the Farmers Home Administration, explained what men look for in a home, stressing necessity of foundation, framing and bracing.

Coffee was served by the home demonstration club.

The next stop included a cotton fertility test. It was brought out that there has been little fertility work done in this county in the past. Pat Johnson found last year that crops would respond to fertilizer and wanted to learn more about it. He and Pyburn put out the fertilizer last spring in 20 foot strips prior to cotton planting. The group estimated yields of 1/4 to 3/4 on various rates. When the cotton is harvested, the results will be given to the group. County agent Sterling Lindsey explained soil tests, their value and how to obtain them.

On the Ed Rawlings ranch, those on tour saw the Kickapoo dam structure and the excellent job of grass reseeding. W. E. Jacoby, work unit conservationist with the Soil Conservation Service, and D. K. Glenn reviewed the watershed program and results it is giving. They pointed out that homes are now safe in Bronte, land owners are not having to build fence after every rain and their farmsteads are no longer washing away.

J. E. Quisenberry, ASC office, pointed out 110 acres where brush had been removed and reseeded under the ASCP cost share. Rawlings wintered 48 cows and calves pairs there last winter, grazed this spring, deferred and plans to win-

## Shorthorns Win 54-20 Victory

Bronte Shorthorns gave the Trent junior high team a good shellacking last Thursday night to the tune of 54-20. The locals led 32-6 at the half.

Randy Barbee was leading scorer for the Shorthorns. He made three touchdowns, plus four conversions for a total of 26 points. Wesley Ash scored three touchdowns, also, for 18 points and Keith McCutchen made a six pointer plus two conversions for a total of 10.

David Frazier of Trent made all 20 points for his team.

Next battle for the Shorthorns is tonight (Thursday) when they will play their first home game, against the Robert Lee Dogies. The Dogies have one win and one loss, both with Silver, as compared to the Shorthorn's two victories. Kick-off time is 7 p.m.

The Robert Lee game will be filmed and donations are needed to pay for the film. Any parents or others who wish to contribute should see Royce Lee, president of the Longhorn Club.

ter 48 pair without feed on this area this winter.

Final stop was at Mrs. Annie Wilkins place in an old sand field that had been tree dozed and reseeded. Gullies were filling up and good grass was growing. Sand from this old field and pasture formerly covered up the highway during sandstorms.

The four stops pointed out that one of the main jobs of the U.S.D.A. is to help people. C. E. Arrott, chairman of the county ASCS, stated that the USDA could just do so much and that local people had to carry on with management that would keep the county progressing.

## C. H. WYLIE GIVES 102 CATTLE TO REHABILITATION CENTER

Conda Wylie, Coke ranchman, who lives northeast of Bronte, gave 102 head of steers and heifers to the West Texas Cattlemen's Round-

## Names, Addresses Of Exes Needed

Bronte School needs the names and addresses of all persons who have attended the school in the past five years. Any student, whether he graduated or not, and who is not now attending a public school is urged to send the information.

School officials need the information to compile a mailing list of exes which will be used in gathering material needed to participate in the Texas Small Schools Program.

Letter bearing the name and address of the ex-student should be sent to Supt. C. B. Barbee, Box 370, Bronte, Texas 76933.

## SCOTCH THREESOME SAT.

Curtiss Feuge announces that a Scotch Threesome will be played at the Singing Winds Golf Course, Bronte County Park, on Saturday afternoon beginning at 1:30 p.m. No entry fee will be charged.

# Santa Anna To Host Longhorn II Saturday

Bronte Longhorns will play their weekend football game on Saturday at Santa Anna, since the Coleman County school will be having its annual reunion of exes. The Longhorns are looking forward to upsetting plans of the Mountaineers to win the game for their homecoming crowd.

Coach Cecil Toliver said this week that he is well pleased with the way the 1965 Longhorn team is developing. Toliver said last week's contest with Jim Ned showed overall team effort and pursuit which can have a big effect on

the outcome of a football game. He complimented his backs for their hard running and his linemen for their excellent job of blocking.

Commenting on the coming game with Santa Anna, Toliver said, "We are sure to win in spite of Santa Anna's good ball club. It is their homecoming game and we like to spoil homecomings by being the winner."

## STARS OF THE WEEK

Larry Corley, lineman, and Tad Richards, back, were named Longhorns of the week by teammates after the game with Jim Ned last Friday night.

Richards received two stars this week. In addition to being named back of the week, he received one for intercepting a pass.

David Glenn also received two stars this week, as he intercepted two passes Friday night.

Other Longhorns who received stars were David Denman and Keith Morris for recovery of fumbles.

## BOYS 8-10 INVITED

### TO CUB PACK MEETING

All boys in this area who are 8 to 10 years old are invited to attend a meeting Tuesday at 7 p.m. in the audio-visual room at Bronte School. The meeting has been called by Davy Crockett for the purpose of organizing a Cub Pack. Boys who are interested in Cub Scout work are urged to attend, Crockett said.

## QUICK MEALS PROGRAM THURSDAY AT WTU OFFICE

A program on Quick meals will be held today (Thursday) at West Texas Utilities Co. office in Bronte. Time for the meeting is 2 p.m.

Mrs. Joyce Drake, WTU home service advisor, and Mrs. Fay Roe, county HD agent, will present the program. All homemakers in the area are invited. Free recipes and door prizes will be given.

Supt. C. B. Barbee announced that a downtown pep rally will be held Saturday at 4:20 p.m. and the football bus will leave at 4:45. The band bus will leave at 5:30.

## Other 8-B games

Games scheduled for this weekend by District 8-B teams are Trent at Stamford B (Thursday), Jayton at Matador, Stanton at Lorraine, Rochester at Hermleigh, Bangs at Robert Lee and Bronte at Santa Anna (Saturday).

Results of last weeks games: Hermleigh lost to Meadow, 12-0; Jayton downed Wilson, 22-8; Robert Lee knocked off Melvin, 14-6; Bronte ran over Jim Ned, 49-16; Lorraine was smothered by Wylie, 28-0; Trent beat Woodson, 16-0.

## C. O. Richard Buys Major Interest in Ballinger Bank

Announcement was made this week that C. O. Richards of Bronte has purchased a major portion of stock in First National Bank in Ballinger. A director of the bank since 1956, Richards is increasing his investment in the firm and will serve as a vice president. However, he said Tuesday night he would not actively engage in operation of the bank.

The announcement revealed that Richards purchased a major portion of the stock from R. G. Erwin, long time president, and F. M. Pearce, vice president and chairman of the board. It was also announced that Erwin is retiring as president of the bank, after serving in that capacity for 25 years. Prior to 1940 he headed the bank as cashier for 27 years.

The announcement said that Harry Lynn, who has served as vice president the past 12 years, will be promoted to president. Pearce will continue as vice president and chairman of the board. New vice presidents include Joe Forman, C. R. Owens and Richards. Erwin becomes president emeritus with the changeover.

Richards, who ranches northeast of Bronte, has been active in school, civic and church work in this community for the past several years. He stated this week that he and his family will continue to live at their ranch home here.

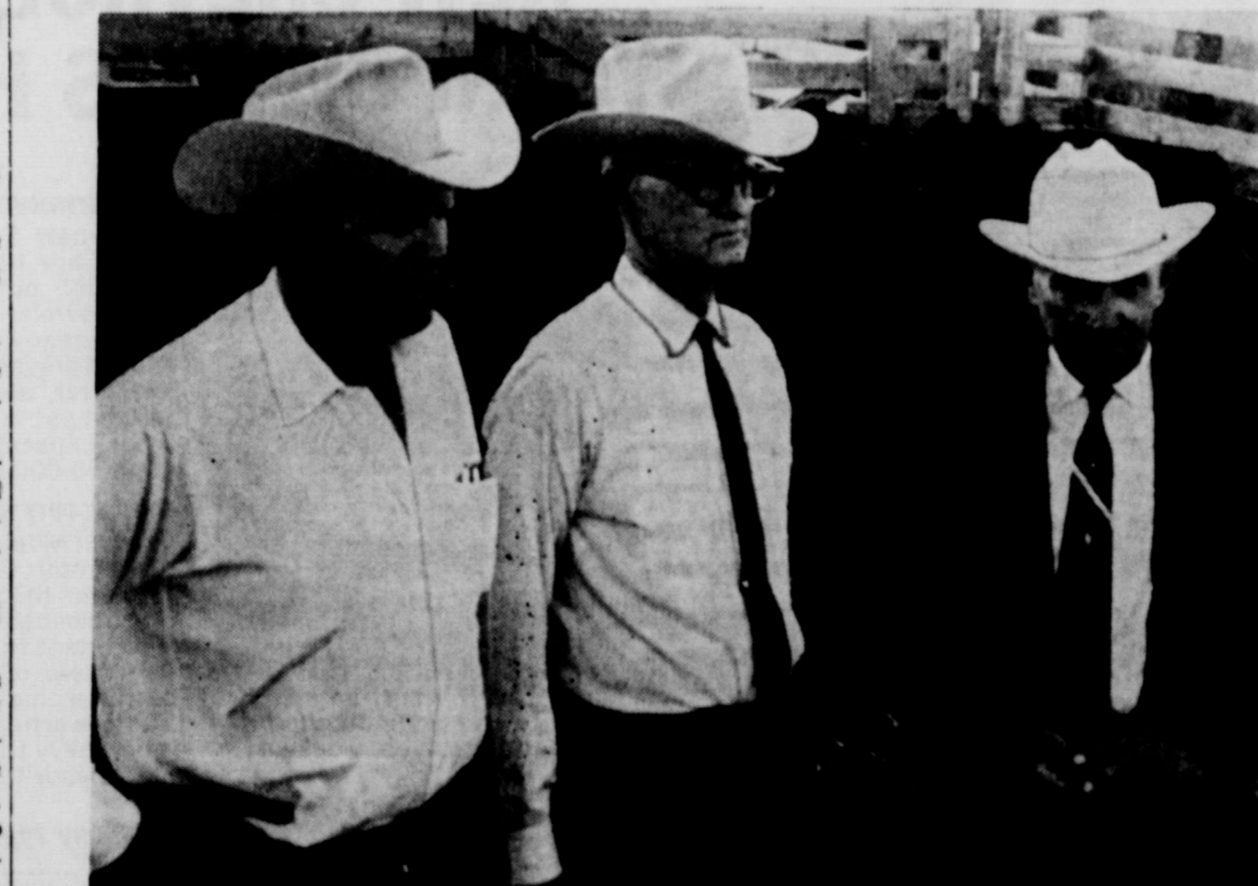

Directors of the bank will remain the same: C. H. Wylie, Erwin, Pearce, Lynn, Earl Barr, Drury P. Hathaway, Tom Caudle and Richards.

## Cecil Cox to Head Boy Scout Drive

Cecil Cox, Bronte Church of Christ minister, has agreed to head the annual fund drive for the Boy Scouts of America, it was announced by Dan McClung, District Scout Executive of Ballinger. Cox will be assisted by Elmer Hurley.

Both men will attend a training meeting Monday night in Eden. A finance committee training team will be in charge of the meeting.

Following the training session, final plans will be made for the fund drive in this area and announcement will be made concerning the drive.

**GIVES 102 CATTLE** — Coke County rancher Conda Wylie, center, who Sunday presented the Cattlemen's Roundup for Crippled Children with 102 cattle, the largest single contribution in the

roundup's history, discusses the sale with Shelley Smith, left, director of the West Texas Rehabilitation Center, and C. A. Morris, chairman of the roundup. Funds from the annual roundup

provide more than one-third of the operating expenses of the center. Some of the cattle donated by Wylie are shown in the background. (Photo courtesy Abilene Reporter-News.)

## Design Your Menu With Breakfast Appeal

By **FAY C. ROE**

You can help your children do better in studies and school games. Back your children up with a good nutritious breakfast every day, and you'll be starting them off right in the morning and encouraging them to develop a habit valuable to them all of their lives.

Good breakfast don't just happen. If breakfast is a problem at your home, try to solve it by careful planning.

If family members eat at different times, or if a child must be left to eat alone, keep ready-to-eat foods handy or provide foods that take little preparation. Include plenty of fruit, juices and ready-to-eat cereals in your food supply. Prepare hard-cooked eggs and fix bacon to leave for the latecomers.

Every minute counts for mothers who work. Prepare frozen or fresh fruit juice the night before. Chill canned juice overnight. Buy pre-cooked sausage or ham. They'll take only minutes to heat through for serving. Serve cold sliced meat or cheese as an alternate for eggs.

Devise a menu that appeals to children, if they aren't interested in breakfast. Try mixing fruits, such as berries and sliced peaches, for a tempting flavor change. Have a variety of fruits on hand, and let the youngsters choose a favorite to go with their cereal.

Breakfast can be brighter for everyone if you plan and serve food that everyone likes.

## Oct. 12 Set for Marker Dedication

In a meeting at the courthouse Monday night, the Coke County Historical Survey Committee set Tuesday, Oct. 12 as the date for holding dedication ceremonies for the Fort Chadbourne historical marker in Bronte.

Elton Mims, member of the committee and president of the Edwards Plateau Regional Historical Society, will be the main speaker. A more detailed program for the dedication will appear in next week's paper.

The committee also authorized purchase of a marker for Sanco, oldest Coke County post office still in existence. Two other markers had been authorized at a previous meeting.

Announcement was made that the State Historical Survey Committee is planning to place a marker on the old Butterfield Trail at the point where the old trail crossed the Sweetwater-San Angelo Hwy at its juncture with US 277.

Mrs. Bryan Yarbrough, committee chairman, and Mrs. R. W. Odom, secretary, will attend the state-wide meeting of survey committees at Odessa, October 28-31.

# Longhorns Down Jim Ned For First Win Of 1965 Season

Bronte Longhorns came through last Friday night to win their first game of the 1965 season. The Longhorns defeated the Jim Ned Indians, 49-16 in a spirited contest that allowed Coach Cecil Toliver to let most of his players get their suits dirty.

Tad Richards, Doug McCutchen and David Glenn were on the scoring list for the Longhorns and got plenty of experience carrying the ball across the double stripe.

## First Quarter

Larry Corley opened things up by kicking off to Jim Ned. The Longhorns took over on the Indian 36 after they carried three times and then punted.

McCutchen carried, but a penalty called the ball back and Jim Ned was assessed 5 yards for offsides. Tad Richards carried for 5 in two tries for a 1st down on the 25. Once again the Indians drew a penalty to move the ball near the 20. From that point T. Richards went all the way to the double stripe. Conversion try failed and the score was 6-0.

Once again L. Corley kicked to David Aldridge, who was downed on his own 33. He carried a couple of times to lose a yard and an incomplete pass forced him to punt. The ball went to Royce Lee on the 45 and he ran it back to the Indian 27. Richards made 4 and the Indians gave up 5 on penalty. McCutchen went around the left end on the next play to chalk up the second Bronte tally of the night. A pass from Glenn to McCutchen was good for 2 and the score was 14-0.

Corley's kick went to Dave Mayfield who was caught by Eddie Clark and Davis Corley on his 40. Quarterback Papasan handed to Lanny Aldridge for a gain of 4, and then tossed two incomplete passes forcing a punt, which went a nice 40 yards and gave the Longhorns the ball on their own 20. Richards made 7 and a penalty gave the Longhorns a 1st on the 32. McCutchen moved the ball to the 46 for another 1st. Glenn tossed a 9 yard pass to Lee and then Richards went over the right side for a 45 yard jaunt and another touchdown. Conversion failed and the score was 20-0.

Corley kicked to Papasan who made it to his 32 yard line. David Aldridge made 5, and then went to his own 48 for a 1st down. A pass to Papasan moved the ball way down to the 12 yard line and set up the Indians in nice position. Bronte drew a five yard penalty, Papasan went for 2, and then David Ald-

ridge went across the double stripe to remove the zero from Jim Ned's side of the scoreboard. Aldridge ran the conversion successfully to make it 20-8. Papasan got off the kickoff just in time to end the 1st quarter.

## Second Quarter

The Longhorns had possession on their 39 when Richards ran for 5 and then for 18 and a 1st on the Indian 39. Bronte drew 15 for offensive holding to make it 1st and 25. A pass from Glenn to Doak Snead was good for 29 yards and a 1st on the Jim Ned 27. McCutchen went for 16 and another 1st on the 10. Richards made 5, McCutchen added 3 and Richards went through the middle for the remaining 2 and the tally. McCutchen went around left end for the conversion try to make the score 28-8.

This effort concluded scoring for the second period.

Corley kicked to Papasan who made a nice return to the 41. David Aldridge went for 7 and after an incomplete pass moved the ball 6 yards to the Longhorn 46 and a 1st down. Aldridge made another 7 yard gain, then Mayfield lost a yard, making it 3rd and 4. Aldridge tried a pass but got caught before he could get loose from the ball and lost 14 yards. Aldridge got off a good kick which took a Jim Ned bounce and rolled dead on the Bronte 1 foot line. McCutchen made 4 and a pass Glenn to Lee was good for 7 and a 1st. Richards made 5 a couple of times for another 1st on the 23. The next series was a bunch of bumbles and the Longhorns

## Blackwell and Bronte Join In Girl Scout Work

By Mrs. Rockey Thompson

Bronte and Blackwell girl scouts have joined together for this year for a Cadet troop and will meet in Bronte on Monday nights at 7 p.m. Leaders are Mrs. Conda Richards of Bronte and Mrs. S. J. May of Blackwell.

In their meeting last Monday night, Wanda Gail Carmack was elected treasurer and Johnnie Mae Hall elected scribe.

There will be two patrols, the "Blabbermouths"; patrol leader is Peggy Sue May, assisted by Betty Carmack; and the "Lucky Five" led by Susan Cumbie and assisted by Melissa Lee.

The nine girls presently enrolled are Carole Ann Hamilton, Johnnie Mae Hall, Peggy Sue May, Wanda Gail Carmack, Betty Jo Carmack, Sally Richards, Mary Alene Champion, Susan Cumbie, Janet Sue Thomas and Melissa Lee.

## BRONTE TEACHERS HOST COKE TSTA DINNER MEETING

Bronte School was host at a dinner meeting Monday night of the Coke County Chapter of the Texas State Teachers Association. Forty-five teachers were present from Silver, Robert Lee and Bronte.

Following the dinner in the school lunchroom, a film was shown. It was on Federal Aid to Education and dealt with the Secondary and Elementary Education Act of 1964.

## ZETA DELTA CLUB HAS SUPPER IN MARTIN LEE HOME

Members of Zeta Delta HD club hosted a pot luck supper in the home of Mr. and Mrs. Martin Lee last Saturday night. Husbands of members were guests.

Secret pal gifts were exchanged and games of 42 were played.

Present were Messrs. and Mmes. J. B. Arrott, Wayne Arrott, Elroy Butler, Curtiss Feuge, George Lattimer, James W. Lee, Bob Wrinkle, Martin Lee and Mmes. Cecil Toliver and James Raughton.

had to kick. McCutchen got off a nice one to Douglas Aldridge who was downed on his 18. A pass was thrown as the clock moved toward zero minutes and David Glenn intercepted it.

## Third Quarter

Papasan kicked and the Longhorns started moving from their own 37. McCutchen made 3 and then a fumble gave the Indians the ball on the 37. Douglas Aldridge made the recovery. David Aldridge made 7 on a couple of runs. Then a pass to Bethel was good for 14 yards and a 1st on the 24 yard line. Mayfield and Aldridge moved the ball down to the 10 for another 1st. A couple of losses moved the ball back to the 21 where a pass try was intercepted by Tad Richards on the 20. On the next play McCutchen got loose for one of the most spectacular plays of the night and ran 80 yards for another touchdown. McCutchen kicked the conversion to make the score 35-8.

Corley kicked to David Aldridge who was tackled on the 28. Bronte drew a 15 yard penalty to give the Indians a 1st on the 47. A play for no gain made the Indians decide to pass. The ball was turned loose and Glenn intercepted and streaked 44 yards with an Indian defender in hot pursuit. Glenn was pulled down on the 1 yard line. On the next play he went through the middle for the counter. McCutchen kicked the extra point. Score 42-8.

Corley's kick went to Aldridge on the 10. He made it back to the 36. The Indians made a couple of 1st downs and moved on to a 3rd and 1 situation on the Bronte 4 yard line when the quarter ended.

## Fourth Quarter

On the first play of the last period Lanny Aldridge ran the needed 4 yards for the counter. Papasan ran the conversion, to make the score 42-16.

Papasan kicked off for the Indians; it was taken by McCutchen who was stopped on his 39. The Longhorns failed to make the needed 10 yards in three tries and Lee got off a nice 40 yard punt to the Indian 25 and the ball was put in play on the 31. The Indians racked up 15 yards in four carries for a 1st on their 46. Three plays later they fumbled the ball and David Denman recovered for Bronte. Richards ran 15 yards to the Jim Ned 41 for a 1st. The local boys lost 5 yards, then a pass to Lee was good for 6. Another pass try went incomplete. A 4th down try to make the needed yardage was a pass from Glenn to Davis Corley. The pass and run netted 40 yards for the Longhorns and was good for six points. McCutchen's kick was good and scoring was completed for the game. Longhorns 49, Indians 16.

On the first play from scrimmage after L. Corley's kick, an Indian fumble was recovered by Keith Morris to give the Longhorns the ball on their own 48 yard line. Glenn made 5 then passed to Lee for 2. Glenn ran the next play and made a 1st down on the Jim Ned 42. A couple of plays lost yardage then Glenn passed the ball to Snead for 10 yards, and the ball game ended.

Notes on defending the game show that outstanding work was done by Eddie Clark, Davis and Larry Corley, Gary Allen, Brian Richards, Victor Brock, Jerry Parker, Don Hageman, Doug McCutchen, Royce Lee, Tad Richards, Bob Bell and David Glenn.

## 4-H Is Growing, Attracts More Youth From City Areas As Well As Country

"4-H Clubs are attracting more boys and girls from cities and towns than from rural areas," so reports Floyd Lynch, State 4-H Club Leader. "Texas 4-H Club enrollment is up to 92,000 members. More than 17,000 volunteer adult leaders work with Texas 4-H Club members," Lynch reported.

"4-H Club membership was once primarily concentrated in rural communities, but not so today. Although there are fewer families active in on-farm operations, some 40 per cent of Texas family bread winners are engaged in a vocation of direct or indirect service to agriculture," said Lynch. "Parents and school officials continue to give strong support to local community 4-H Club programs because the movement places emphasis on practical experiences for youth in the fundamentals of the American agribusiness system and our democratic constitutional heritage," Lynch added.

The history of 4-H Club development is typically American. 4-H in Texas originated as a grass roots movement to lift farm family productivity and standards of home living. The boll weevil helped trigger the organization of 4-H. Texas was invaded by the boll weevil from south of the border at the turn of the century. The best defense was believed to be in diversity of agricultural production just in case "king cotton" should be dethroned. The key to many other agricultural enterprises lay in the expansion of in-state feed grain production; in those days that meant the growing of more corn. County

Agricultural Agents and lay citizens organized boys into what became known as Corn Clubs. The youth were issued certified seed and were encouraged to plant an acre according to the latest scientific advice.

Samples from bountiful harvests were entered in the county fairs and other competitive events. When the boy's father and neighbors saw the youth was out-producing them they switched to the new methods of production. Youth led the way into many other new or expanded Texas agricultural enterprises; for example, girls helped extend tomato culture.

County Home Demonstration Agents enrolled girls in Tomato Clubs. Each girl was given quality seed and instructions on how to raise tomatoes according to the latest information coming from agricultural research. After each girl's one-eighth of an acre of tomatoes was harvested, the Home Demonstration Agent hitched up her buggy filled with canning equipment including a hand soldering iron to seal cans and traveled from community to community teaching canning. Canning demonstrations attended by the Tomato Club girls and their mothers introduced the possibility of economical preservation of home grown products and, thereby, much improved farm family diet. Tomatoes canned were often sold by local merchants who returned profits to the Tomato Club girls. The girls re-invested in a flock of chickens, cloth for a dress, or other project to improve the home or self.

Corn and Tomato Clubs were merged into what is today called 4-H Clubs during the 1920's. The movement still places emphasis on the dignity of labor, the importance of initiative, self-reliance, the contribution of applied science in human progress, and productivity on the part of the individual. America reached a level of temporary agricultural surplus in the 1950's. Why is the 4-H Club movement continuing to grow and why does it attract so many youth from urban and suburban communities?

"A youth invests capital, time and talent, must keep accurate records, competes in contests and often sells a completed project for a profit or loss. Parents and educators recognize these experiences as the principles of the successful American business system and find in 4-H youth's best opportunity for practical experience in applying these principles. 4-H Club members arrive at club decisions through the democratic constitutional processes. Many parents want these kind of youth experiences for their child," states Lynch.

4-H Clubs are organized on a neighborhood basis in cities, towns and rural areas. Volunteer adult leaders serve as advisors to the youth in club organization and project activities. Each club member may select one or more of 142 projects or activities to engage in during a year. Projects include pets, farm animals, the automobile, home improvement, clothing, foods, photography, identification of insects, horse fitting and showing, and many other practical project interests of youth.

The state-wide 4-H Club membership campaign called "Extend a Hand—Expand the 4-H Band" got underway Sept. 25. 4-H Club members and adult leaders will extend club membership and leadership to at least one friend during a two month period. Comdr. Alan Shepard of NASA, and first U. S. astronaut in space, a former 4-H Club member of New Hampshire, will appear in TV spot announcements and radio spots urging boys and girls of the United States to consider membership in a 4-H Club during 1965-66.

### Official Memorandum

by  
**JOHN CONNALLY**  
Governor of Texas

Austin, Texas

#### GREETINGS:

The development of responsible citizens and leaders for America is a high purpose in 4-H Club work.

The 4-H program stresses the four-fold development of youth: their head, heart, hands and health.

Members of 4-H Clubs learn by conducting projects and participating in 4-H activities. By putting into action what they learn, club members improve their homes and communities.

Since the 4-H program was inaugurated by the United States government in 1914, the 4-H movement has spread across our nation and to 76 foreign countries.

More than 18,000 voluntary adult leaders work with club members in Texas and contribute to the success of 4-H. Parents and friends of 4-H give support and encouragement to club members. The 4-H Club program is directed by the staff of the Agricultural Extension Service of Texas A & M University.

The opportunities offered to 4-H Club members to grow in citizenship, leadership and practical skills are especially valuable to them, the State of Texas and the nation. The 4-H Clubs are a proving ground for future leaders.

THEREFORE, I, as Governor of Texas, do hereby designate the period of September 25 - October 2, 1965, as

#### 4-H CLUB WEEK in Texas.

In official recognition whereof, I hereby affix my signature this 7th day of Sept., 1965.

**JOHN CONNALLY**  
Governor of Texas

## County Agents News Column

By **STERLING LINDSEY**

This is National 4-H Club Week. During this week we hope that everyone will ask club members about their work and encourage them to strive for the best. Visit them and check their project work if you have an opportunity. I am sure they will welcome a visit from you.

Coke County has secured equipment for testing water for salinity and hardness. We hope that everyone will make use of the facility. We can secure information that may prove very helpful to the county, by testing our water resources. If you wish your water to be tested, bring us a small amount (one-half to one pint) by the office. You, as well as the area can benefit from knowing the analysis of your water.

"To Make the Best Better" is the motto of some 2 1/4 million 4-H Club members in the United States.

The four H's in the 4-H emblem stand for Head, Heart, Hands and Health.

If present estimates are realized, the nation's feed grain production—corn, oats, barley and sorghum grain—for 1965 will set a new record. Extension Economist John G. McHaney at Texas A&M University, said the production of about 157 million tons will be due entirely to higher per acre yields, up 15 per cent from last year and eight per cent above the 1963 record. The acreage planted is four million less than last year and 32 million below the acres planted in 1959 and 1960, just before the feed grain program became effective.

Texas had nine cases of screw-worms last week. The number being found is gradually increasing, and probably will continue to climb through the fall months.

The nine cases were located in the Big Bend country (5) and the area southwest of San Antonio (4).

## Coke County Has 185 4-H Members

During 1964 a total of 185 members enrolled in the 4-H program in Coke County; of these, 93 were boys and 92 were girls. The 4-H program stresses mental, physical, spiritual and social development.

Girls were enrolled in home economics and agricultural programs. In the home economics group were

76 enrollees and 11 in agriculture. Foods and clothing units led by adult leaders comprised the main home economics programs. There were 72 boys enrolled in agricultural projects with five in agronomy, 18 in horticulture, 13 soil and water conservation, 12 beef, 16 swine, 31 sheep and 12 miscellaneous. Some members carry three or more projects during a year.

Adult leaders contribute greatly to the 4-H program in the county.

There are 32 leaders in the county who take an active part in one or more phases of 4-H work. The home economics leaders work with groups of girls as they go through Food Units and Clothing Units. The men adult leaders assist with project work and in various activities such as stock shows. Both men and women leaders help with organizational meetings and special events.

Through 4-H Club work youth learn to take part in group activities with friends; discover new ideas and skills, become well developed individuals through wise guidance in varied experiences.

The 4-H program in Coke County is under the direction of the Extension Service Agents, Mrs. Fay C. Roe and Sterling Lindsey.

### COKE COUNTY HAS 10 ACTIVE 4-H CLUBS

Coke County now has ten 4-H Clubs. These consist of boys and girls in Bronte, Robert Lee and Silver. Robert Lee and Bronte have senior and junior clubs. Recently the Coke County 4-H Horse Club was organized. It has 30 members from various parts of Coke County.

Meetings have been held recently to reorganize the clubs that meet in the Robert Lee, Bronte and Silver schools. Officers for these groups will be announced soon.

### Seven Coke 4-Hers Recognized for Work

Seven Coke 4-H members were awarded first, second or third place ratings in district judging which was done in August at Kerrville.
