AT MARKER DEDICATION — Standing around the marker which was dedicated at Bronte Tuesday afternoon are persons who were on the program. From left, Mrs. L. E. Dudley of Abilene, vice president of the State Historical Survey Committee; Bronte Mayor Royce Lee; Ulmer

Bird, member of the Coke County Committee; Mrs. Bryan Yarbrough, president of the Coke County committee; County Judge W. W. Thetford; Elton Mims, president of the Edwards Plateau Historical Association, who was the principal speaker.

Fort Chadbourne Marker Dedicated

Bronte School's student body and teachers and a small group of local citizens should have a deeper regard for the history of Coke County after attending a program Tuesday afternoon to dedicate a marker commemorating Fort Chadbourne. The marker is situated on the Bronte city hall plaza, and one side of it tells a brief story about the fort while it was used as an outpost by the U. S. Army, while the other side's inscription tells the story of the Fort while it was used by the Confederate States of America.

Absentee Amendment Voting Underway

Absentee voting started Wednesday on ten Constitutional Amendments which are being submitted to voters of Texas in a special election Nov. 2.

Ballots have been delivered to the office of County Clerk J. L. (Chilly) Tinkler and persons who are unable to go to the polls on election day may obtain ballots from him and vote absentee.

CONDITION CRITICAL

Relatives said Monday that the condition of Nancy Wilson remains critical in an Oklahoma City hospital. She is the daughter of Mr. and Mrs. Bob Wilson and the family are former Bronte residents.

Fort Chadbourne is located 10 miles northeast of Bronte and was the first permanent settlement of white men in the county. Quite a portion of the original buildings still stand and some of them are in use in ranching operations of C. H. Wylie.

Mayor Royce Lee presided at the program and introduced Supt. C. B. Barbee who gave a short welcome to visitors and led the group in reciting the Pledge of Allegiance to the Flag. Ulmer S. Bird, Sanco ranchman and member of the Coke County Historical Survey Committee, gave the invocation.

Judge W. W. Thetford spoke briefly on the county committee and its relation to the county government and introduced Mrs. Bryan Yarbrough, president of the committee. She told of some of the work of the committee and touched on the colorful history of this county.

Elton Mims of Water Valley, president of the Edwards Plateau Historical Association, introduced Mrs. L. E. Dudley of Abilene, vice president of the Texas Historical Committee and prominent Texas club woman. Mrs. Dudley spoke on the RAMPS program of the state committee, and stated that the five initials which make up the word stand for Recording, Appreciation, Markings, Preservation and Surveys.

Plans For New School Buildings Arrive This Week

Plans and specifications for Bronte's new high school, gymnasium and vocational agriculture building arrived this week in the office of Supt. C. B. Barbee.

An advertisement for bids appears in this week's Enterprise and sets out in some detail the work which will be required of the successful contractor. Bids will be received in the office of the superintendent until 2 p.m. Thursday, Oct. 28, when they will be opened and read.

Architects on the school construction job are Wilson, Patterson, Sowden, Dunlap and Epperly of Fort Worth.

Present plans call for having the new buildings ready for occupancy when the 1966-67 school term starts.

Construction of new school facilities has been on minds of Bronte area residents for over a year, and it became a sure thing May 22 when voters of the district approved a \$325,000 bond issue by a margin of 201 to 72.

The project calls for demolition of the old building which was constructed in 1922, and for remodeling of the building which now houses the gymnasium, homemaking department and study hall-library. The new agriculture building will be located south of the present gym, while the new classroom, offices, etc., will be where the present high school building is located. The new gym will be immediately to the rear of the new classroom and north of the present gym.

The classroom area, with the exception of the science department, the study hall and library will be located underground and will provide shelter from violent weather for the entire student body.

Superintendent Barbee said Monday that the board will meet tonight to go over the plans and discuss the forthcoming bid-letting.

LONGHORNS ARE RESTING

The Bronte Longhorns will have a holiday this Friday, and most fans feel they deserve it after their all-out effort last Friday which defeated the mighty Bangs Dragons.

Next game for the Longhorns will be Oct. 23 (Saturday) when they will begin district play in a contest here against the Hermleigh Cardinals. The date also will mark this year's Homecoming for Bronte students.

Mitchell County Withdraws Suit

Apparently the last obstacle in the way of the big dam and lake on the Colorado River above Robert Lee has been cleared away and the Colorado River Municipal Water District has clear sailing ahead in its gigantic construction job.

CRMWD reached an agreement early this week with Mitchell County and the cities of Colorado City, Loraine and Westbrook, whereby they will withdraw their suits contesting building of the dam. In return for withdrawal of their suit, CRMWD agreed to give Mitchell County and its three incorporated towns the right to call on the district any time in the future for needed water.

Joe Pickle of Big Spring, secretary of CRMWD, said Wednesday that the agreement did not give Mitchell County unlimited amounts of water but only the right to share in its use along with other users. Rate structure for Mitchell County and the three towns will be basically the same as for other users, Pickle said.

It is expected that representatives of Mitchell County will file a motion early next week in 53rd District Court in Austin asking that the suit against CRMWD be dismissed.

Surveying the site for the dam is progressing well, and some core

drilling is already underway at the northwest end of the dam site.

In a meeting of the CRMWD board of directors Monday, a contract was signed with George Thompson of Sweetwater to serve as land appraiser in securing property for the dam and lake. A contract was also signed with Colorado State University to build a scale model of the dam's spillway. Pickle said directors thought a scale model for testing purposes is necessary, in view of the \$2 million plus cost of the spillway.

Pickle said that CRMWD directors are hopeful they can take bids on some \$11 to \$12 million in bonds about March 1966. The money would be used in the construction job. He added that it is possible the district will be far enough along with the project by May or June to take construction bids.

Shorthorns Beat Hermleigh Team By Score of 24-0

The Bronte Shorthorns continued their winning ways last Thursday night when they traveled to Hermleigh and downed that school's junior high team.

The local lads were a little off their usual stride, as they were without the services of Randy Barbee and David Scott. However the Shorthorns were able to make three touchdowns and three successful conversions.

Tommy Grace made the first tally for his team on a 34 yard run. James Vaughn ran over the conversion.

The second tally came on a pass interception and 28 yard run by Wesley Ash. Again Vaughn got the conversion.

Scoring in the contest was ended when Jim Bob Arrott received a pass from Keith McCutchen. The pass and play covered 30 yards. McCutchen ran the conversion.

Play Trent Tonight

The Shorthorns will play Trent here tonight. Kickoff time is 7 p.m. Local fans are needed, say coaches Cecil Toliver and James Raughton, to back the Shorthorns at this game. If the Shorthorns win this one they will have won the south zone of the district and will be in line to compete with the north zone winner for the district championship.

Bronte Beats Big Bad Bangs Boys

The Longhorns rose to new heights last Friday night when they defeated the highly rated Bangs Dragons, 14-13. Bangs, rated the No. 8 class B team in the state as of last week, had not been scored on prior to their downfall at the hands of the Longhorns. Their opponents before the Longhorns were Rochelle, Early, Santa Anna and Robert Lee.

Bronte went into the game as definite underdogs but bang up good football playing and never giving up, plus a fine job of coaching, gave the Longhorns the victory.

Coach Cecil Toliver and his boys were almost mobbed by the cheering crowd after the final horn end-

ed the game. Fans rushed onto the field to extend their congratulations to the boys who had done what was considered by most everyone to be impossible.

Bronte's two touchdowns and two extra points came on pass plays from Quarterback David Glenn to Royce Lee. An outstanding job of defending was done by the line and the linebackers slowed down the end runs for which the Bangs skat-backs are famous.

First Quarter

Larry Corley got things underway with his kickoff which went to Ronnie Horton. True to his usual form, Horton ran the ball all the way back to the Bronte 15 yard line before Doug McCutchen stop-

ped him. Horton and Pete Ramsey moved the ball up to the 2 yard line and Horton carried it over, with only three minutes of the game gone. The conversion try failed but Bangs was on the march.

Travis Hallford kicked to Glenn who worked his way out to the 27. The local lads lost 7, but McCutchen made it back on 2nd down. Then Bangs drew a 5 yard penalty and McCutchen went on for the 1st on the 37. On the next play the Longhorns fumbled the ball and a Bangs boy was the last one to get up. Taking over on the 42, Bangs ran a play but was penalized 15 yards for clipping, making it 1st and 25. Ramsey made 5, but it was nullified on the next play

when the Dragons were fined 5 yards. Hallford tossed a pass to Clinton White and Bronte drew a 15 yarder for a personal foul. Bangs started its next series on the Bronte 26, and moved the ball down to the 5 in 3 plays. It looked like a sure touchdown coming up for the Dragons, but a fumble was dived on by Larry Corley and the scoreboard keeper didn't have to do any work. The Longhorns ran a couple of plays with a gain of 3 yards and kicked on third down. A nice punt by Lee sent the ball to the Dragons' 42.

A gain of 2, plus a pass to Horton gave the Bangs boys a 1st on Bronte's 32 yard line. White made 7 and a fumble and recovery

gained 3 more to give Bangs a 1st on the 22. A pass play was completed and lateraled to Ramsey who went to the 1 yard line. Fullback Brad Mullen went over on the next play. Bangs drew a 5 yarder for delay, but the conversion kick was good anyway and the Dragons led the game 13-0.

Hallford kicked off to McCutchen and the Longhorns had time for one play before the end of the quarter.

Second Quarter

Starting the 2nd period with a 2nd and 11 situation, Glenn tossed to Lee for 6 and threw another on 3rd down for a solid 10 yards and a 1st down on the 36. The next se-

NOW! A WHOLE NEW SERIES OF ULTRA-LUXURIOUS CHEVROLETS

'66 CAPRICE

BY CHEVROLET

Caprice Custom Coupe—with exclusive formal roof line that comes on no other Chevrolet.

Caprice Custom Sedan—with superb new Body by Fisher elegance inside and out.

Caprice Custom Wagon—with fine new look of hardwood paneling on sides and tailgate.

Everything it takes to create a distinguished luxury car has gone into these new Caprices.

Beneath the formal styling elegance that sets the Custom Coupe apart, for instance, you'll find thick wall-to-wall carpeting, comfort-contoured seats and the look of hand-rubbed walnut on the instrument panel, glove compartment and inside door panels. You can order a finely instrumented console, together with new Strato-bucket front seats.

In the Custom Sedan, a new Strato-back front seat is available with bucket-type contours separated by a fold-down

armrest. And in the equally opulent Custom Wagons, offered in 2- or 3-seat models, you can even order carpeting for the cargo area.

Each model rides super Jet-smooth. And for incomparably smooth power, you can specify Chevrolet's advanced Turbo-Jet V8 in either a 396- or 427-cubic-inch version.

The price of it all? Somewhat more than you're used to paying for a Chevrolet. But less, as your dealer will happily confirm—than the select class of fine cars these new Caprices invite comparison with in every detail.

BRONTE BEATS BANGS —

ries bogged down and Lee punted a high ball to the Bangs 41 where it rolled dead.

White went to the Bronte 35 for a 1st down and on the next play Davis Corley recovered a fumble around the 25 to give the Longhorns possession. Tad Richards made a four yard gainer, and a Glenn to Lee pass netted a 1st on the 47 yard line. Glenn tossed the next pass to D. Corley for a gain of 4 and put the Longhorns across midfield for the first time. Richards dashed off a 21 yard run for a 1st on the Dragon 28. Bangs drew a 5 yard penalty and Bronte had a 1st and 5 on the 23. McCutchen gained 15 on the next play to set up a 1st on the 8. The next play netted no yards and the 2nd down was crucial as Glenn tossed the football to Lee in the end zone. A pass conversion try failed and Bronte was in the game with a 13-6 score.

Larry Corley kicked the football and Bangs started the series of downs on their 23 yard line. The Dragons made a 1st on the 35 and

were planning on another via the air, but Davis Corley was able to jump high enough to knock it down. The Dragons had to kick and the ball rolled to the 30. A pass to D. Corley was good for 9 and another to McCutchen made 3 yards and a 1st down on the 42. After a bad pass try, Glenn hurled another and it was intercepted. Bronte got to keep the ball however, as the Dragons drew a 5 yard penalty. Lee caught a pass for 4 and Glen kept and went to the Bangs 36 for another 1st. Bangs drew a 15 yard penalty for personal foul as the half ended.

Third Quarter

Hallford kicked the ball for the Dragons. McCutchen took it around the 15 and ran it out to the 45 before he was downed. On the 1st play from scrimmage, the Longhorns lost the ball by way of a pass interception. Bangs ran one play for a gain of 3 and then fumbled the ball. Eddie Clark was the man who fell on it and the Bronte boys took over. D. Corley caught a 7 yard pass, but the Longhorns were unable to make their 1st down. Lee punted to the Bangs 33. The Dragons made 5 yards on two plays and then a pass and lateral play fell through when it fell to the ground and was recovered by D. Corley to give his team the ball on the 48 yard line.

Bangs drew a 5 yard penalty to make it 1st and 5 and then pass interference was called against the Dragons to give the Bronte boys a 1st down on the Bangs 31. Three tries failed to net the needed 10 so Lee punted an extra fine kick which sent the ball out of bounds on the Dragon 9 yard line. Ramsey made 15 yards for a 1st on the 24. The 2nd series of downs failed to make 10, however, and the Dragons were forced to punt. Tad Richards rushed through the Bangs defenders and blocked the kick to set up Bronte's second touchdown. Victor Brock fell on the ball after Richard's block and Bronte took over on the Dragon 10. Two passes from Glenn to Lee gave the Longhorns 8 points and put them out in the lead, 14-13.

L. Corley kicked for the Longhorns. It went to White who handed off to Louis Thomas. He went down on the 25. Ramsey picked up 6 and the next play carried the ball to the 48, but it was fumbled and Tad Richards recovered for the Longhorns at that point.

McCutchen made 8 in 2 carries and Glenn added 3 for a 1st on the 37. A pass to D. Corley was good for 6, McCutchen added a yard, a pass to Lee netted 2 and McCutchen added 2 more for another 1st on the 24. Things were looking good for the Longhorns until the next play, when a pass was intercepted on the 8 yard line.

The Dragons made a couple of 1st downs in moving the ball up to the 41 yard line and there the Longhorn defense held tight and they had to kick. The ball was set up on the 34. Bangs had a defensive line, too, and it held tight. Lee punted on 3rd down and the ball came to rest on the 38 after a nice runback.

Mullen ran for 7 yards and Ramsey added 14 for a 1st on the Bronte 45. Another 14 yard run by Horton moved the ball to the Bronte 29 for another 1st down. Three more plays moved the ball to the 17 for another 1st. It looked as if Bangs was going to cross the double stripe as three carries moved them up to the Bronte 3 yard line. Fortunately for the Longhorn, the Dragons drew a 5 yard fine, then gained 3, lost 3 and gained 3 again to bring up 4th down and 5 yards to go. Coach Houston Jolley of the Dragons sent in the message to try a field goal. The most crucial play of the game proved unsuccessful as the ball sailed wide of the goal posts and the score remained 14-13 in favor of the visiting Longhorns, with 3:02 left on the clock.

This last play eased the squeeze,

and even though the Longhorns didn't know it at the time they were to remain in possession of the ball until the final sound of the horn.

With some good running and some bad plays by Bangs which drew penalties for the host team the Longhorns hung on desperately to run out the clock.

Taking over on their own 20 the Longhorns gained a 1st and 5 to go via the penalty route against the Dragons. Tad Richards lost a yard, then McCutchen went through the middle for 12 and a 1st down on the 31. McCutchen carried for a yard and the Dragons were penalized another precious 5 yards to make it second and 4. McCutchen went for the 1st and Bangs drew 15 yards and the ball was put on the Dragon 45 yard line. By this time the clock had moved up to a little more than a minute left to play. The fighting Longhorns knew they had it made unless they fumbled the ball. Quarterback Glenn decided to minimize this danger by keeping on the coming plays. He took the ball from center as well as the lumps that went with the obvious keeper play and fell on the pigskin until the clock said 0:00.

Notes on this game show that outstanding defensive work was done by both the Corley boys (Larry and Davis), McCutchen, Lee, Tad Richards, Brian Richards, Brock, Clark, Gary Stroebel, Jerry Parker, Gary Allen, Don Hageman, Keith Morris and Wayne Carlton. However the victory over the Dragons came only from a united effort of every member who hit the playing field. It was a great game.

FT. CHADBOURNE MARKER —
Continued from Page 1

Mims was the main speaker at the dedication program. He outlined the history of Fort Chadbourne from its beginning on Oct. 28, 1852, up until it became headquarters for ranching activities for Col. Garland Odum in 1876. The fort is still in possession of the colonel's descendants.

In his talk, Mims said, "Coke County has more history than you can see in Wagon Train, Rawhide, The Virginian and Gunsmoke." He pointed out that Fort Chadbourne was established as one of ten frontier forts to protect the advancing white man from attack from marauding Indians. The fort was named for Lt. Theodore Lincoln Chadbourne, a native of Maine who was killed during the Mexican War at the battle of Resaca de la Palma.

The fort was used by United States forces until 1861, when it was abandoned because of the Civil War. Confederate troops were in charge of the outpost until cessation of hostilities, when U. S. troops once again occupied Fort Chadbourne. It was finally abandoned in 1867.

In addition to being an outpost to protect settlers against Indians, it was an important station on the Overland Stage route, better known as the Butterfield Trail. The Overland company operated stage coaches from St. Louis, Mo., to San Francisco, Calif., and one of the stops was at Fort Chadbourne.

The speaker emphasized that every resident of Coke County, particularly school students, should acquaint himself with the rich heritage of this area and "take pride that so much of our state's history took place in our own county."

College students home last week-end included Beth Ivey, Peggy Corley, Gerald Parker, Jim Morrow, Tom Boecking, Edwyn McDaniel and Ronnie Sims, from Texas Tech, Lubbock; Ann Harris of the University of Texas, Austin; Jerry Don Holcombe, Howard Payne College, Brownwood; La Jan Kiker, Wesley Murphy and Kenneth Wilkins, Angelo State College. Ronnie Lee and Tommy Glenn Sims of Baylor University, Waco, were home for the Bronte-Bangs game Friday night but returned to Waco Saturday.

Farm Bureau Has Annual Convention Monday Night

Coke County Farm Bureau had its annual convention Monday night in Bronte. A barbecue supper was served in the school cafeteria and the program followed in the auditorium.

Ben A. Boykin of Robert Lee was reelected president of the Coke County organization, which is made up of farmers and ranchers and others interested in and connected with agricultural activities of the area. Wayne Arrott was re-elected vice president, and Mrs. C. E. Arrott was re-named secretary-treasurer.

Half of the 14 directors of the organization were elected. They are: James Tidwell, Fred McCabe, Jr., R. Q. Spence, H. L. Reid, LeDrew Arrott, Louis Gallaway and Bert Blaylock.

Delegates elected to the state convention, which will be held Nov. 14-17 in Dallas, are James Allen, Finnell Smith and Finis Millican. Alternates are Fred McCabe, Jr. and Ben A. Boykin.

The program was started with an invocation by County Agent Sterling Lindsey. President Boykin introduced guests and reports were given by Barbara Blaylock and Ferrell Jean Fikes on their trip to a citizenship seminar held last summer in Huntsville. Farm Bureau queens, Brenda Scott, Kaye Roberts, and Rosanna Boykin, were recognized.

Boykin mentioned that the Farm Bureau Talent Find contest held last summer was won by Jerry Don Holcombe, who went on to win second place honors in the district. He also introduced Coke County second place winners, Janet Lee and Bennie Carol Oglesby, who sang a number for the audience.

Dolan Mackey and LeDrew Arrott showed slides made on their trip through the Middle West last summer. The tour, called "Institute on Wheels," took the men, along with hundreds of others, through Oklahoma, Kansas, Nebraska, Iowa, Illinois, Missouri and Arkansas.

O. T. Colvin spoke on the new loss of time insurance policy now being written by Farm Bureau Insurance Co., and Elroy Butler spoke briefly on the Farm Bureau tire program.

The group adopted three resolutions to be presented at the state convention:

To support legislation which would require truck dealers to inform truck buyers that they owe highway use tax when a vehicle is purchased.

To oppose compulsory check off on any agricultural commodity.

To reaffirm Farm Bureau's policy as set forth in 1964.

H. H. Holland won the door prize.

Williams Speaks To PTA Group

Bill Williams of Abilene State School was the featured speaker at a regular meeting of the PTA Tuesday night in the school auditorium. He discussed functions of the school and gave some of its history.

Mrs. Vera Thomas' second grade had charge of the program. Billy Ren Lee was announcer. Scripture readings were given by Laura Glenn, Savannah Caperton, Patty Wells, Marla Thompson, Sherry Simpson, and Bill Holley. Janie Raughton led the Lord's Prayer and Dennis Latimer led the Pledge to the Flag.

President Mrs. E. G. Collins presided over the business meeting. The second grade was winner of the membership contest and was awarded the prize. Patty Wells was winner of the individual prize for signing up the most members.

Plans were discussed for the PTA sponsored Fall Festival which will be held Oct. 30.

Ann Harris, daughter of Dr. and Mrs. John R. Harris and a student at the University of Texas, is doing volunteer work at a state hospital in Austin. Miss Harris is working with 11 and 12 year old retarded children. She also reported to her parents that she is in a Latin class with Lynda Bird Johnson, daughter of President Lyndon Johnson.

DRIVING SAFETY IS PROGRAM TOPIC FOR ZETA DELTA CLUB

Mrs. Bob Wrinkle presented the program on driving safety when the Zeta Delta Home Demonstration Club met Monday night at Bronte city hall. Mrs. James Carroll was hostess.

Mrs. James Lee, president, conducted a business meeting and the group agreed to assist in homecoming activities Oct. 23 at Bronte School. They also discussed the Christmas workshop to be held in Robert Lee Nov. 4.

Refreshments were served to Mmes. Benny Corley, Wayne Dunnam, Curtiss Feuge, W. C. Holley, George Latimer, Bill Luckett, Carroll, Lee and Wrinkle.

The next meeting will be Oct. 25 with Mrs. J. B. Arrott.

Missionary To Be Here Sunday

Mrs. Finis Jeffery, wife of a Methodist missionary to Korea, will be the speaker for the morning worship service Sunday at the Methodist Church. Mrs. Jeffery is also a commissioned missionary, and both are presently on a year's leave of absence. Rev. Jeffery is serving the Mertz-Barnhart charge during the leave of absence and also teaches Bible at Angelo State College.

The couple spent 12 years in Korea and plan to return next July.

Mrs. Jeffery will speak on "Missions, the Modern Miracle" and will bring some paintings with her depicting life of the Korean people.

She graduated from SMU, Dallas, with a major in art; had one year of Korean study at Yale University and attended Perkins School of Theology at SMU one year. She continued her art study in Japan and Korea.

Mr. and Mrs. Jeffery have done a variety of work in the mission field, including teaching English and art, work with delinquent girls, and preparing Korean children for adoption in the United States.

The public is invited to attend the special service at 11 a.m.

Offset Being Drilled Nearby

Spiva & Doss of Abilene are drilling the No. 1 G. C. Bell as a location west-northwest offset to the opener and lone producer in the Leppart (Palo Pinto lime) field, four miles southeast of Bronte.

Location is 2,378 feet from the southwest and 467 feet from the southeast line of F. E. Fannin No. 40½. Contract depth is 4,350 feet, and ground elevation is 1,771 feet.

The discovery, Spiva & Doss No. 1 R. E. Cumbie, was finished Nov. 5, 1959, to pump 29 barrels of 43 gravity oil, plus 85 per cent water, through perforations between 4,262-271 feet. Total depth was 5,316 feet.

PERSONALS

Introducing the tuned car. 1966 Buick.

What makes a car a car is styling, performance, ride and handling. Only when they're all tuned together is the car a Buick. Like this 1966 Riviera Gran Sport.

You know how well your car's engine runs after a tuneup? Buick tuning has the same effect on the whole car. Not just the engine. The whole Buick. Everything blends with everything else. Styling. Performance. Ride. Handling. All tuned to work together in harmony. That's what the tuned car is. A Buick. Only Buick is the tuned car. (And every Buick is the tuned car.) What the tuned car is is a masterful blending of all the things that make a great car greater. The Riviera for 1966 is the tuned car. It features six-passenger seating, disappearing headlights, a silently efficient new ventila-

ting system and the kind of roadworthiness you'd expect in a car that costs twice as much. (You can get a Riviera for your desk as well as your garage. Send \$1 in check or money order to Riviera, P.O. Box 68, Troy, Mich., for an accurate 1/25 scale model '66 Riviera.) But Riviera's not the only tuned car. LeSabre is, too. And Wildcat. Electra 225. Special. Skylark. Sportwagon. See them all at your Buick dealer's. The tuned car may not mean much to you now. But then you haven't had a chance to drive one yet.

Wouldn't you really rather have a Buick?

There's an authorized Buick dealer near you. See his  Double-Checked used cars, too.

LAST ISSUE

the BIG difference

Startling words, aren't they. Could this be the last issue?

What were your immediate thoughts? What if you saw the same headline in the daily newspaper you read every morning or afternoon?

Your first thoughts characterize the theme of National Newspaper Week, being observed October 11-17—Newspapers Make a BIG Difference in People's Lives!

What would your reaction be if you didn't have The Enterprise each week? Even a hometown weekly newspaper—with no state, national or international news. A newspaper without comics, without the many syndicated columnists, without TV supplements or all that the big dailies offer. You'd find a definite void in your world here in Coke County, Texas, just as people in Ballinger, or Muleshoe, or Stephenville, would find a void should their newspapers cease publication.

Newspapers do make a BIG difference in people's lives. Whether

you agree or disagree with the editorial philosophy of a newspaper; whether you like or dislike the manager or any of the people who help put out your newspaper; you find the newspaper as the permanent, printed record of the events of the day. You find the facts, easily digestible, chronicled for history in your newspaper.

In countries and towns behind the iron curtain newspapers are controlled by the state, and people read only that which the dictators feel should be read.

In America a free press is guaranteed by the Constitution, and to remain free, the press must guard the freedoms guaranteed to the people.

LAST ISSUE? Hardly, but we do like to stop and take stock during National Newspaper Week each year to rededicate ourselves to serving the people of Coke County and this area so that we can say that The Enterprise makes a BIG difference in Coke Countians lives.

MANY INTERESTING OBJECTS SHOWN AT COUNTY EXHIBITION

Antiques, needlework, scrapbooks and gift items seemed to "steal the show" during the annual Coke County Exhibit Friday and Saturday. Over 175 persons, including many from out of the county, spent hours talking, looking and reminiscing as they viewed the many items on display in the Community Building in Robert Lee.

The Exhibit was sponsored by the Coke County Home Demonstration Council with the E.E.E. Committee in charge. Mrs. Tom E. Rives, chairman of the E.E.E., was general chairman of the show. Working with her were Mrs. Sloan Boone, Mrs. J. C. Boatright and Mrs. Fay C. Roe, home demonstration agent.

The antique division displayed many items over 100 years old. Among them were a spinning wheel owned by Mr. and Mrs. F. Millican of Silver; several quilts, a clock, glassware, books and Bibles.

A conversation piece was a coffin displayed by Mr. and Mrs. Sam Williams that was well over 70 years of age. Willie I Tubb of San Angelo, displayed a rare pistol and many items of historical interest from the Silver area. Members of the committee in charge of this exhibit were Mr. and Mrs. A. B. Sheppard, Mr. and Mrs. Ulmer Bird and Mmes. Bryan Yarborough and F. H. McCabe Jr.

and other articles of clothing were looked at and admired by visitors. Displaying handmade clothing articles were Mmes. J. B. Glenn, McCabe, Bobby Roberts, Frank Smith, Earl Boggus, B. J. Luckett, Barton Waldrop and Gaylene Eldred. Committee in charge were Mmes. Luckett and Roberts.

Scrapbooks filled two large tables. Show visitors could be seen looking through the books, some laughing from pleasant memories, others moved by less happy memories. Mmes. R. L. Page and Delmir Sheppard were in charge.

Needlework, crafts, arts and gifts divisions contained hundreds of items of interest. Some articles were crocheted tablecloths, bedspreads, doilies, handpainted articles, quilts, pillows, aprons, colored bottles, ceramics, pictures, dolls, purses and many others. Workers

in this large section were Mmes. Willis Smith, Edgar Bagwell, Frank Clawson, Lowell Roane and Pat Rives.

Beautiful flowers and plants that were grown in Coke County highlighted the horticulture division under supervision of Mmes. J. D. Harmon, Charles Ragsdale and Dave King.

Youth display was headed by Mrs. E. E. Eldred. Crafts and hobby items were shown.

R. L. Flanagan displayed several groups of arrowheads.

The hospitality committee, headed by Mrs. Glen Waldrop, served refreshments during the two day show. Homemade cookies were furnished by H.D. club members. Mrs. J. B. Arrott and Miss Gladys Waldrop assisted with the refreshments.

Larry Pittman of Amarillo visited his parents, Mr. and Mrs. O. L. Miltman last Tuesday.
