Bronte Picked To Win District

Bronte football fans were eagerly looking at Tuesday morning's Abilene Reporter News, which picked the Longhorns to win the district title again in 1966.

After an impressive 5-0 district record last year, the sports dopsters on the daily have picked the local lads for a repeat this year.

The Robert Lee Steers are picked to be the Longhorns' main competition for the district pennant.

The entire eight-team district is lined up by the Abilene paper as follows:

1. Bronte, 2. Robert Lee, 3. Roby, 4. Hermleigh, 5. Loraine, 6. Trent, 7. Forsan, 8. Jayton.

Roby and Forsan were not in the district last year. Roby was moved

Plans Made for Reserve Seats

The Bronte Longhorn Club has decided to sponsor the project of marking and setting up a reserve seat section at the local football field, President A. E. Bell Jr. announced Wednesday.

"If enough people are interested to allow us to mark off a section of seats, we will try to get the section ready by the first football game," Bell said. He added that more than 60 persons have already spoken for the reserved places.

The move was started last summer by the school to reserve seats in the stadium, but interest was not sufficient at that time to warrant putting in necessary work. With football season approaching, interest has picked up, however, and the booster club decided to go ahead with the project.

Price for the reserve seats will be \$6.25 for the season, 25 cents more than a general admission ticket for each of the five home games.

There will be 342 reserved seats marked off. Seats will be numbered 1-57 and rows lettered. Four walkways will lead into the reserved section. A master chart showing seat numbers and arrangements will be in Supt. Barbee's office. Tickets will go on sale Wednesday morning of next week on a "first come, first served" basis in the superintendent's office.

Mosquito Battle Urged for Bronte

Mayor Royce Lee and City Health Officer Dr. John R. Harris issued an appeal this week for all citizens of Bronte to do everything possible to prevent an infestation of mosquitoes in the city.

They urged residents of Bronte and the surrounding area to check their premises and empty rain water out of old tin cans, buckets and other vessels which have caught water during the rains which have occurred here during the past several days.

Dr. Harris noted that cases of encephalitis have been running into

Business Firms To Take Holiday

Most Bronte businesses will be closed Monday in observance of Labor Day. The annual Labor Day barbecue will be held at the park in the afternoon to which everyone is invited.

Bronte schools will have a holiday Monday, resuming classes on Tuesday. Court house offices in Robert Lee will be closed, as will Bronte City Hall, the post office and First National Bank.

Annual Labor Day barbecue will be held Monday afternoon in the Bronte Park. Serving will begin about 5:30 p.m., followed by a musical variety program.

The producers of the program, Bronte's four ministers, have invited anyone who wants to be on the program and who has not been contacted to notify one of them. They are A. S. Masterson, chairman, Wayne Stout, Harry Morris and Cecil Cox.

The ministers gave the following announcement of their program, to date:

"Eddie G. Humphrey, known by some in Bronte will be bringing the

"Commanders", a singing group from Abilene. "The Cowhands", Otto and Bruce Sonnenberg, from the "rolling hills" around Tennyson will be present as will Miss Sandy Lee out of the diggin's around Maverick.

"Cecil Cox will head up a quartet, and to allay any fears, Austin Masterson will not be one of them. Jerry Don Holcombe, the intern, will sing a couple of numbers from the operetta, "The Student Prince."

"At least one novelty number is expected of Misses Janet Lee and Bennie Carol Oglesby. Doak Snead and his troupe, "The Spectres" promised to give 'the sound of music.'

"We shall be hearing from Misses Kreta Kiker, Dorothy Ruth Martin, Sharon McCutchen and Janey Lou Kiker. Suzanne Pruitt will be a busy accompanist.

"Johnny Brown will be thrown in somewhere for extra measure. And there'll be others before the evening ends Labor Day!"

The evenings program will also include the invocation, before the meal, and a welcome by Mayor Royce Lee.

Meat and other food for the occasion has already been purchased and a large crowd is expected. Local service clubs, the two Lions Clubs, the Jaycees, the fire department, and others will assist in preparing and serving the barbecue. Everything will be furnished except desserts, and ladies of the community, are asked to bring desserts.

Merchants of Bronte and other individuals host the affair each year, and it has proved to be one of the most successful get-togethers known to local observers.

J. RAUGHTON IS PRINCIPAL

James M. Raughton has been elected principal of Bronte Elementary School to succeed James L. Golson, who was earlier elevated to the position of high school principal.

Raughton is now in his third year as a teacher in Bronte Schools. He has served as social studies teacher, head boys basketball coach and assistant football coach.

Supt. C. B. Barbee said the school is operating one teacher short this year, and the classes left over because of the shortage have been assigned to personnel already employed.

Raughton will continue to teach the five classes to which he was already assigned, Golson has added one math class to his schedule and Barbee will teach girls physical education.

The new principal is married and has three children. His wife, Jean, is also a teacher in Bronte Elementary School. The Raughtons are members of the Church of Christ.

Raughton has a B. S. degree from Texas A&M and a master of education from Sul Ross. He carried majors in history, physical education and science. He also has an elementary principal's certificate.

Raughton came to Bronte from Highland, and prior to that he taught at Paint Creek and Eola. He has been teaching 11 years.

In addition to his school work, the new grade school principal is active in civic affairs of the community, and this year is serving as president of the Bronte Jaycee Chapter.

Mr. and Mrs. Jim Adair to Be Honored On 50th Anniversary

Mr. and Mrs. J. I. Adair will be honored at a Golden Wedding Anniversary Open House Sunday afternoon, Sept. 4. The affair will be hosted by the couple's five children in the Adair family home here.

The children, all expected to be present, are James Tolbert Adair

and Doyle Adair, both of Houston; Mrs. George (Doris) Faulk of Midland; Mrs. Clifford (Lois) Baker and Mrs. Charlie (Irma Ruth) Phillips, both of San Angelo.

All of their friends are invited to attend the Open House from 2 until 5 p.m. Mr. and Mrs. Adair were married Sept. 3, 1916, in Crabtree, Ark., in the home of the bride's parents, Mr. and Mrs. J. M. Rutherford. He was living in Freeport, Texas, at the time and they made their first home in Freeport, later moving back to Arkansas.

They moved to the Oak Creek community in 1919 and have lived the 48 years in and around this area.

Mr. Adair is a retired farmer. They are members of the Methodist Church and he is a member of the Masonic Lodge.

Their hobby is gardening. They have nine grandchildren and two great-grandchildren, most of whom will be present Sunday.

Special guests expected Sunday are her mother, Mrs. J. M. (Mary) Rutherford; two of her brothers, A. V. Rutherford of ConCan and Mr. and Mrs. J. B. Rutherford of St. James, Mo. Also Mr. and Mrs. Hudson Hillis, Uvalde; Mr. and Mrs. S. D. Williams, Ballinger; Mr. and Mrs. Ray Adair, Phoenix, Ariz.; Mr. and Mrs. Jake Andrews, San Antonio; Mrs. Lillian Sellers, San Saba; and Mrs. Pauline McCarty, Algerita.

Tourney Planned For Labor Day

A 36 hole best ball tournament is scheduled for the local golf course as part of the Labor Day weekend activities for this area.

Golf balls will be awarded as prizes to winners.

Play will begin Sunday at 1:30 p.m. and will be resumed Monday at 9:30 a.m.

All golfers are invited to participate in the tournament.

"GOOD" SHOWER FALLS

What in times past would have been a good rain fell here Wednesday about noon and on into the afternoon. Measurements reported to The Enterprise ranged from .8 to 1 1/2 inches.

One observer said that after all the good rains in the past couple of weeks, the Wednesday downpour was "just a good shower."

Bronte Youth Invited to Write Essay on Peace

The youth of Bronte have been given a challenge to develop a plan for world peace by their local Lions Club—a challenge that could earn one of them a \$25,000 education or career assistance grant.

The Bronte Evening Lions Club, together with Lions Clubs throughout the world, is sponsoring a world-wide essay contest for the youth on the most important world subject today—Peace. The contest offers \$50,000 in total awards, including the \$25,000 first prize, eight semi-final world regional awards of \$1,000 each and travel expenses for the eight winners to Chicago in July, 1967. At that time, the first prize winner will be chosen from the eight. Also, more than 20,000 local, district and multiple district awards will be made.

"We are hopeful one of our young people will win this world-wide prestige award," President Royce Fancher of the Bronte Evening Lions Club said in announcing the contest.

The contest, open to young people who will be 14 but less than 22 years of age as of January 15, 1967, was announced by the president of Lions International, Edward M. Lindsey of Lawrenceburg, Tenn., during the association's international convention in New York.

"Our club's winner will advance to Lions District 2A1 competition in an effort to qualify for the multiple district contest," Fancher said.

"The purpose of the contest is to develop a formula for world peace because we feel peace is attainable," Fancher added.

Contestants should submit their entries in essay form, not to exceed 5,000 words.

"Judging will fall into four categories: 75 per cent of the essay's points will be devoted to content, ten per cent to organization, ten per cent to style and five per cent to mechanics," Fancher said.

The mechanics segment will be used to appraise the grammatical construction of the essay.

Three judges will be appointed to evaluate the entries submitted to the Bronte club.

If a local winner can advance through the judging stages up to the world finals he will receive an expense paid trip to Chicago to attend the Lions International 50th annual convention for the final judging of his essay in addition to the \$1,000 award.

Closing date for the club's contest is Dec. 10, 1966. Students wishing to enter should contact Wayne Dunnam. Each applicant will be limited to one entry, with one winner's essay eligible to compete in Lions District 2A1 contest. Winner of district contest will be entered in state or country contest. Each country or multiple district winner will be entered in one of the eight world divisions.

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

The community had a big rain Tuesday night and Wednesday of last week, from 5 to 7 inches. Monday showers accounted for another one-half inch.

Mrs. G. L. Cook was admitted to Ballinger Hospital last Wednesday for medical treatment. Jay Cook is staying with his uncle, J. P. Roach, in Paint Rock.

Mr. and Mrs. Charlie Brown visited his mother, Mrs. Sudie Brown Sunday. She was spending the weekend in the Tom Green home at Tennyson.

Mr. and Mrs. Robert Melvin Brown, Miles and Debbie, returned Friday from a week's visit at Canadian with her parents, Mr. and Mrs. Ben Hill.

Mr. and Mrs. Jimmy Lee and boys of San Angelo visited Mr. and Mrs. James Lee during the weekend.

Mr. and Mrs. Bert Hester were hosts to the Jolly 8 Club Friday night for progressive 42. Refreshments were served to Messrs. and Mmes. Rob Springer, George Coleman, C. O. Meador, Carl Florence, Herbert Holland and Hester.

Tuesday dinner guests of the Herbert Hollands were Homer Clark and Ed Simpson of Big Spring. Visiting them Thursday were Miss Ruby Alexander of Artesia, N. M., Mrs. Lloyd Crockett of Durango, Colo., and Lou Ann Adams of Hope, N. M. They had been visiting Mrs. G. L. Cook and Jay and were enroute home after a trip to North Carolina. Visiting them Sunday night were Mr. and Mrs. Bill Fowler, Bobby and Billy, Mr. and Mrs. Jim Brooks, Mrs. Henry Hamby, Mrs. Norene High and Mrs. Myrtle Hart of Miles.

Mr. and Mrs. Bomar Horton were dinner guests of L. B. Horton Sr. at the River Club in San Angelo Saturday evening.

Mrs. Susie Garlington and Mrs. Carl Florence returned Thursday from Hale Center where they had visited the Edsel Halls. The Halls returned with them and stayed until Tuesday. Others visiting them during the weekend were Mr. and Mrs. W. W. Fry, Sally and Susan of Abilene, Mr. and Mrs. Marvin Landers and Paula Jane of Bronte, Mr. and Mrs. Jerry Landers of Bronte, Mr. and Mrs. Wesley Brown, Pam and Pat of Houston. The Browns have returned home after a ten day visit here.

Mr. and Mrs. Willard Caudle were Sunday guests of Mrs. J. B. Smith in Ballinger. Other guests there were their cousins, Mr. and Mrs. Artie Nixon of Idaho. Terry Stephenson of Midkiff spent the first of last week in the Caudle home. His father, Willie Dean Stephenson, came for him Tuesday. Mr. and Mrs. Stephenson and Terry left for Albuquerque, N. M. Thursday. He was scheduled to pitch for an oil company baseball game.

Mr. and Mrs. Carl Florence and Mr. and Mrs. Herbert Holland attended the wedding of Mike Lott to Miss Bobbie Ogilvy in San Angelo Saturday afternoon.

Mr. and Mrs. Mug Stephenson and Meta Kay of San Angelo visited the Willard Caudles Thursday.

Mr. and Mrs. Bill Fowler, Bobby and Billy returned from a ten day trip to Los Angeles, Calif. They visited his sister and family.

Mrs. Carrie Holland visited Mrs. Bill Keeling in Miles Saturday afternoon.

Mrs. Bill Weatherby of Del Rio spent last week here with Mrs. Ogilvy and Bobbie. Judie visited in San Angelo.

Mr. and Mrs. C. R. Smith received word this week that their daughter and family, Mr. and Mrs. Mike Martz and Butch had moved from Big Spring to Houston to make their home. Martz is sales manager for a cookie company.

Holcombe Sisters Tell Highlights Of Trip To British Isles, France

(Editor's Note: The following was written by Donnah and Melody Holcombe concerning their recent trip to Europe and the British Isles. We felt our readers would be interested and we appreciate the girls taking the time to write this.)

We left San Antonio at 10:10 a.m. and touched down in Lisbon at 9:05 the following morning (Portuguese time).

We didn't tour the beautiful town of Lisbon, but could see a good deal of it from the airport. We met several Portuguese people and they were very friendly.

We arrived in Paris in the early afternoon, but didn't get to our hotel until about 6:30. After dinner, we were free to do our own exploring of this famous city. The hotel was centrally located, so we walked around that night. The people were extremely friendly, but we had a problem: the language. Many of the young people spoke a very broken English because in school they must take German, English or Italian. The next day was spent touring Paris. The morning was devoted to modern Paris. A few of the places we saw are the Rue de la Paix, Opera, Madeleine Church, Arch of Triumph and the Tomb of the Unknown Soldier, Eiffel Tower, the Invalides Church and Napoleon's Tomb.

We saw historical Paris that afternoon. The tour included Tuileries Gardens, the Louvre Museum, Sorbonne University and Notre Dame Cathedral.

We took a bus tour to Versailles the next morning. The castle was our first and probably the most beautiful one we toured. All the walls were finished with gold leaf. Grand chandeliers hung in every room; huge paintings by Van Dyck and Ruben decorated every wall. Around the castle were landscaped gardens with fountains.

We caught our plane to Glasgow, Scotland that afternoon. We were all very sad to leave this fascinating

city, yet were anxious to see England. We arrived in Glasgow late that afternoon, so we didn't get to take a full tour of the city. We made a quick run of the town and headed towards Edinburgh.

A full day of sight seeing was afforded us the next day. Among the spots of interest were the Royal Scottish Academy and the National Gallery. The city, itself, was beyond description. Mountains bordered one side of the city while rolling plains stretched across the horizon on the other. The streets were narrow, but clean, as they are washed daily.

We left the next afternoon for York. After a very interesting tour of this famed town, we continued to Leeds and our overnight accommodations.

We visited Epworth, home of the Wesleys, the next day. We stood in the market place where John Wesley preached when he was turned out of the church. We went through the rectory where the Wesleys lived for so many years.

After this, we journeyed on to Lincoln where we saw the infamous Lincoln Cathedral. We toured West Bromwich, home of Francis Asbury, the next day. From there we went to Birmingham and spent the night. This is the second largest city in the British Isles.

We left early the next morning for Coventry, the ancient city which was bombed and had to be completely reconstructed. We saw the ruins of the old cathedral and the magnificent new Coventry Cathedral. This cathedral is the only one built in the 20th century.

Next we toured Warwick Castle at Kenilworth and then went on to Stratford-on-Avon, where we spent three days. Most of our time here was spent on our own. We explored the town at our own leisure. The city is, of course, Shakespeare's birthplace. One of the oldest "pubs" in England is found in Stratford.

Our third day we traveled to Oxford and toured the famed universities: Oxford and Lincoln. Also in the town are Christchurch College and Jesus College.

The next day was the final one before reaching London. Windsor Castle, second home of Queen Elizabeth, captured the attention of the day. We had only a short time to tour the castle, but enough time to be caught up in all its splendor. The Queen's Dollhouse and the Queen's Trophy Room were visited by most of the group.

HELP YOURSELF AND YOUR COUNTRY BUY U. S. SAVINGS BONDS

Then we went to Runnymede, where King John signed the Magna Carta. The English have erected a monument there in honor of the late U. S. President, John F. Kennedy.

We finally arrived in London that afternoon. The evening was free to get settled and for personal exploration.

Our first day took us to many of the famed spots in the city. We saw St. Paul's Cathedral, Scotland Yard, Big Ben, Wesley Chapel, Hyde Park, Buckingham Palace and Trafalgar Square. We took only one more tour, which took us across the famous Waterloo and London Bridges. We toured old London, where only business exists. There are no residents in this section. We saw the Tower of London, Reagent's Park, Westminster Abbey, Middle Arch and St. James' Palace.

The rest of the time was free to do as we pleased and attend the World Methodist Conference Piccadilly Circus was one of the first places we went. Carnaby Street drew everyone's attention. A few of us went to Madame Tessaud's Wax Museum and found it to be one of the most fascinating places we had been.

After 4½ days in London, we boarded our plane and headed home. Thinking back, Windsor Castle was the most fabulous place we visited. The thought that we were walking down the same hall that many men had walked to be knighted was thrilling. The paintings were by Rembrandt, Van Dyck, and Ruben. All the walls were trimmed in gold. The ceilings were as beautiful as anything else. They were hand carved and painted by the famous Isaac Mansfield. Mansfield also did most of the ceilings in Blenheim Palace, home of the Duke of Marlborough.

The entire trip, lasting 19 days, is one which we shall never forget and we hope, someday, to go back. We loved the country and the people. Everyone was so very nice and courteous to us. The whole of Great Britain is picturesque and steeped in history. We feel extremely lucky to have been able to go and tour as much as we did.

Grigg Re-Elected Bronte Fire Chief

Horace Grigg was re-elected fire chief and Robert Ragsdale was elected new president of the Bronte Volunteer Fire Department when they met Tuesday, Aug. 24. Seventeen members were present for the regular meeting.

Grigg, who has served one year as fire chief, appointed Cecil Cox, Kenneth Reed and Bill Thomas as assistant fire chiefs.

Other new officers elected were Elmer Hurley, vice-chairman; Austin Masterson, secretary and C. E. Bruton, treasurer. This will be Bruton's fourth year as treasurer.

Ragsdale said that the door is open for men to join the volunteer department and that volunteers are needed to keep Bronte insurance rates down. To meet state requirements for volunteer fire departments, at least 17 firemen must be present at each meeting.

Meetings are held on the second and fourth Tuesday of each month.

JUNIOR HIGH SCHEDULE TO BE WORKED OUT

A schedule of football games for the junior high teams of this district was to be worked out Wednesday night in a meeting in Lorraine.

Supt. J. B. Cushing, chairman of the district, has called the meeting of superintendents to arrange the schedule. It will be published in next week's Enterprise.

State Officials Urge Safety First

Austin, Tex. — The Texas Safety Association today issued its annual "Accidental Death Alert" for the Labor Day holiday weekend and called on Texas drivers to personally identify themselves with traffic safety problems.

"Traffic safety is not a 'one-way street', S. Ross Carr, TSA President said. "Each driver is equally responsible for operating his automobile safely on our streets and highways."

The Association President said too many drivers fail to take positive action in matters of traffic safety due to a lack of personal identification with the problem.

"And, some even operate under the false idea they have some sort of built-in personal immunity to accidents," Carr added. "They think 'it' can't happen to them."

"This just isn't true. — Each driver in our state has less than a 50-50 chance to go through his driving career without being involved in a traffic mishap, or without incurring injury to himself or one of his family."

Carr advised drivers to use extreme caution and display courtesy in traffic during the holiday weekend.

"Put all your driving skills to work; be prepared for the unexpected actions of other drivers; and adopt a proper driver-attitude to stay out of trouble," he said.

The TSA "Accidental Death Alert" goes into effect at 12:01 a.m. Saturday, Sept. 3 and ends at 11:59 p.m. Monday, Sept. 5. The period coincides with the Department of Public Safety's traffic alert, "Operation Motorcade." The TSA alert also includes other accidental deaths.

The Association is cooperating with the DPS, other state agencies and local organizations in promoting safety for the holiday period.

ENROLLMENT UP AT SCHOOL

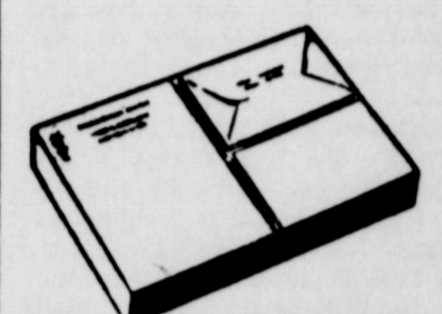

Enrollment in Bronte Schools is slightly up from last year's figures.

Supt. C. B. Barbee announced this year's enrollment at 272, with 90 in high school and 182 in elementary school. This compares with 257 on Oct. 8, 1955, with 180 in elementary school and 77 in high school.

Barbee's figures showed the following enrollment by grades:

First grade, 21; second, 23; third, 27; fourth, 22; fifth, 19; sixth, 22; seventh, 23; eighth, 25.

In high school: ninth, 34; tenth, 16; eleventh, 27; twelfth, 13.

HIGHLIGHTS AND SIDELIGHTS FROM THE STATE CAPITAL

By Vern Sanford
Texas Press Association

NEW MANSION SOUGHT — At its initial meeting, the Texas Fine Arts Commission, created by the Legislature in 1965, recommended a new governor's mansion and said the present residence, completed in 1855, should be operated as an historic house.

Governor Connally has not yet expressed his view on a new mansion. However, last year when the State Building Commission, of which he is chairman, recommended a new \$1,000,000 Mansion, he differed and recommended that the money be used elsewhere.

Commission outlined a far-reaching program to encourage development of, and participation in, the arts, including traveling exhibits, festivals, awards, nighttime family entertainment in communities and revived band concerts on the square.

Former Atty. Gen. John Ben Shepard of Odessa was named chairman of the new committee.

"RED MEANS WRONG" — You will be seeing lots of red if you drive the wrong way on a Texas freeway.

In a move to curb wrong-way freeway pileups, State Highway Department is installing red reflector buttons and pavement markers at entrances to interstate and other controlled access highways.

If you see a red arrow pointing at you from the pavement as you enter a freeway ramp, you are entering the wrong way. A straight red line pointing against you on lane lines means you are going in the wrong direction.

Highway Department has spent or obligated \$76,600,000 in an overall four-year safety program.

LOANS — Tight money has made it hard for Texas Colleges to sell their building bonds. Some still are looking for buyers.

On a third try, buyers were found for the 4 per cent bonds of Angelo State at San Angelo (\$1,200,000); Stephen F. Austin at Nacogdoches (\$2,600,000); and Sam

Houston State at Huntsville (\$2,500,000). But Southwest Texas State at San Marcos and East Texas State at Commerce still need buyers for their respective \$2,400,000 and \$2,300,000 bonds. Constitutional ceiling of 4 per cent makes the bonds less attractive to investors than other issues bringing higher returns.

MORE MONEY — Mounting demands of higher education in Texas seem certain to force a tax increase by the Legislature which meets in January.

Budget requests for the 22 state colleges are almost double those of the current two years, in large part because of a need for "catching up." Coordinating Board, Texas College and University System, says that the previous practice of providing money based on past enrollments just won't work. Cash should be provided for the 22 state colleges and the 34 junior colleges on the basis of what their enrollments will be, instead of what they were.

Junior colleges, fast growing as they are, will be some \$16,000,000 short of operating money during the current two years. It will take \$100,000,000 to put senior college appropriations on a current basis.

Prospects for a surplus in the state treasury of \$75-\$80,000,000 have led to talk of increasing college tuition and fees, so students would pay more of the cost.

4-H HORSE CLUB TO HAVE MEETING SATURDAY NIGHT

Members of the Coke County 4-H Horse Club were notified this week of a meeting of the club Saturday, Sept. 3, at 6:45 p.m. The meeting will be held at Bronte Roping Arena. County Agent Sterling Lindsey said a number of club members requested another get together before members get into the full swing of school, and that the only night open is this Saturday.

He said events of the evening will start at 7 p.m.

Steaks in Spotlight

Steaks for outdoor grilling will be featured at some supermarkets as the Labor Day weekend rolls around.

Beef cuts expected to be on special include steaks, chuck roasts and liver.

Since steak is one of the most popular meats for outdoor grilling, many consumers have questions about the best way to cook a steak on a grill. Here are some of the most frequently asked questions from backyard chefs.

Question: How can you keep a steak from curling during cooking?

Answer: Slash the fat edges of the steak before cooking.

Q: How often should a steak be turned during cooking?

A: Once is all that necessary. Broil until brown on first side, turn it and continue cooking the other side. Use tongs to turn the steak without piercing it. Jabbing a steak with a fork causes an undue loss in juices.

Q: When should a steak be salted—before or after grilling?

A: Salt each side after grilling. This is important because the seasoning may draw the flavorful juices to the surface and slow the browning process.

Q: How can you tell when a steak is done?

A: Cut a slit in the steak with a sharp knife. Cut near the bone, if there is one. Look at the color inside. If it's red, it's rare; pink is medium, and brown is well done.

Q: Why is it recommended that meat be sliced across the grain?

A: Meat should be carved against the grain to give uniform slices for attractive serving. Also, slicing across the grain, or fibers, makes the meat easier to eat.

Tips on How to Mend and Spruce Up School Clothes

Get a head start on having your children's school clothes ready to wear.

Garments that have been stored may need freshening before they are ready for use.

Check all garments for tears, holes, snags and loose buttons as you remove them from storage. Mend and repair the damaged areas in preparation for the busy season ahead.

You may be able to remodel and spruce up a garment by adding a smart new trim. With intelligent use of fabrics and notions, you may be able to turn many garments into smart clothing for you and your family with little cash outlay.

"Better Breakfast Month"

Skipping breakfast is not a smart way to lose weight.

Following a plan of three well balanced meals a day to obtain the important nutrients needed in each person's daily diet.

September is designated as "Better Breakfast Month" and is a good time to check on the family's breakfast habits.

Breakfast skippers are likely to become more pronounced with the beginning of school and the competition for "prime" time each morning for students and other busy people.

A recent breakfast study in Iowa demonstrated that when a low-fat, low-cholesterol morning meal is indicated, a cereal and milk breakfast is superior to some because it is low in fat and cholesterol, it contains an adequate amount of complex carbohydrates and a small quantity of simple sugar, and it also furnishes adequate protein, important vitamins and essential minerals.

epidemic proportions in some sections of the state, and one case has been diagnosed as close as Loreine.

The unusually heavy rains have set up ideal breeding conditions for the insects and Mayor Lee said that the city has been sprayed a couple of times in the past two weeks. He said the city has plans to spray again this weekend, probably starting Saturday and completing the job Sunday.

The mayor said he would like to see all livestock moved from the city limits, at least until after frost. "I believe this would help the situation so far as mosquitos and flies are concerned," Lee said. He asked the cooperation of everyone in getting stock out of the city, and stated city officials would like to get the mission accomplished voluntarily.

Homecoming Set for Oct. 15

Plans are progressing for the homecoming of Bronte Ex-students, according to Noah Pruitt, Jr., president of the association. The homecoming is slated for Oct. 15.

Those appointed to compile a list of names and addresses of their former classmates are requested to turn in their lists to Mrs. J. W. Martin, chairman of the communications. She will need the lists not later than Friday, Sept. 9.

A large crowd is expected at this year's homecoming which will be highlighted by a tour of the new school buildings and a football game between Bronte and Loreine.

Progress Made On New School

Progress was reported this week on the big construction job now underway on the Bronte School campus.

Work on the old gymnasium building was just about completed, and Mrs. Royce Fancher's homemaking classes are already occupying the sewing room of that department. Supt. C. B. Barbee said he felt the entire area would be completed in the next few days.

The new agriculture building is also just about completed, with finishing touches going on this week. Barbee said he expected the vocational agriculture department would occupy its new home early next week.

Work is going ahead at a steady pace on the new high school and gymnasium.

SCHOOL NEEDS APPLICANTS FOR CLERICAL WORK

Supt. C. B. Barbee said this week that he will take application through next Monday for clerical help at Bronte Schools. He said the extra work load caused by operating with one teacher missing from the faculty demands that some clerical assistance be given in doing some of the work teachers have been doing themselves.

Barbee said only persons need apply who have had training in typing and shorthand.

White Family Reunion Held at Bronte Park

The White family reunion was held Saturday, Aug. 21 in the Bronte County Park.

Those attending were Mr. and Mrs. John Morgan, Linda and Janie, Grace White, Mrs. Mildred Morgan, Mr. and Mrs. Dick White and Ricky, Mr. and Mrs. R. L. White, Elaine, Steve and Billy, all of Colorado City; Mr. and Mrs. Walter White and Edith, Mrs. Mell Jenkins and Mrs. Vada J. May of Big Spring.

Wood, Bob and Anna, Sweetwater; Mr. and Mrs. Franklin Thomas, Mr. and Mrs. Bill Thomas, Genie and Janet, all of Bronte; Orville White, Blackwell; Mr. and Mrs. Bob White, Neta and Jack, Fort Chadbourne community; and a guest, Miss Leda Sanderson, Colorado City.

MISS DIANE SISSOM HONORED WITH BRIDAL SHOWER

Miss Diane Sissom, bride-elect of Ellis Freeman, was honored with a pre-nuptial shower Tuesday evening at Central Baptist Church.

Miss Martha Mil's presided at the register and Miss Ida Lee Parker played piano selections during the serving hour.

Misses Lillian Strickland and Donnah Holcombe presided at the serving table. The table was laid with a white linen cloth with pastel shades of flowers arranged as a centerpiece. Punch and cake squares were served. Appointments were crystal and silver.

The couple will be married Sept. 3 in the home of Mr. and Mrs. Jess Craig at Blackwell.

Mr. and Mrs. James Vernon Andrews of San Angelo are visiting relatives in Bronte this week.
