

## Final Homecoming Plans Taking Shape

### Longhorns, Jaybirds To Open District Play

Bronte Longhorns will have an extra day to rest this week before they go to battle again on the gridiron. This week's game, with the Jayton Jaybirds, will be played on Saturday, instead of Friday, due to homecoming activities planned at Jayton.

Kickoff time will be 7:30 p.m. in the Jayton stadium. The first three games of the season have started at 8 p.m., but this week's contest and all remaining games will start at 7:30.

Coach Cecil Toliver said he is expecting a victory for the Longhorns, "but we're going to have to play football." The coach added, "Old Jayton's tough and with their homecoming crowd, they'll be looking for an upset."

The coach modestly mentioned that his Longhorn squad has moved up to second place in the state in the ratings of Class B schools. Over-

taking Chillicothe, the Longhorns are now rated only behind Bangs, the only team which has defeated the locals. The Longhorns rated only third place last week. Longhorn playing strength also went up considerably above last week's ratings.

Toliver said his players have quite a few bruises, but all members should be in good shape by Saturday night. Davis Corley still has a bruised leg, which is rapidly becoming all right, and Wayne Carlton, who got too hot in last week's game with Roscoe, is again going strong.

Fans are reminded that a pep rally will be held downtown at 3:15 p.m. Jayton is some 106 miles from here, so those who plan to follow the team are urged to leave in plenty of time to make the 7:30 kickoff.

### Game Management Group Barbecue, Program Planned

Annual Coke County Game Management meeting has been scheduled for Saturday, Oct. 8. It will begin with a barbecue supper in the county park at Robert Lee at 5 p.m. All members and those interested in game management are urged to make plans to attend.

The Parks and Wildlife Department will be in charge of the program.

The barbecue was planned at a meeting of officers Sept. 19 at the courthouse. Officers are Willis W. Smith, president; Preston Davis, vice-president; Melvin Childress, secretary-treasurer. Directors include Earl Lindsey, precinct 1; Bob White, precinct 2; Dave King, precinct 3 and LeDrew Arrott, precinct 4.

### KENNETH WILKINS NOW WORKING AT ENTERPRISE

Kenneth Wilkins, a former employee of The Bronte Enterprise, has moved back to Bronte and is working at the local newspaper office full time.

Wilkins was employed by the Enterprise part time when he was a student in Bronte High School. He has recently worked for the Standard Times in San Angelo.

He graduated here in 1965 and attended Angelo State College one year. He and his wife, the former Deborah Terry, and their baby daughter, are residing in Leonard Fletcher's rent house.

Wilkins is the son of Mr. and Mrs. L. L. Wilkins of Bronte.

### LIONS PLAN BROOM SALE

A broom sale is scheduled for the first or second Saturday in November, it was announced this week by Cecil Cox, president of the Bronte Noon Lions Club. Anyone who needs mops, brooms, brushes, etc., is invited to wait until the sale to make their purchases.

Proceeds from the sale will go to an organization for the blind out of San Angelo, and the local Lions will get a percentage for use in carrying out their projects for the community.

A definite date and advertisement of the sale will be run in a later issue of The Enterprise.

### RAIN COVERS ENTIRE AREA

Rain was still falling intermittently at press time Wednesday. The moisture started early Tuesday morning and continued with varying degrees of intensity throughout the day, into the night and on through Wednesday. Bronte had 2.1 inches.

Apparently the heaviest rainfall entered the southwest part of Coke County and traveled in a northeasterly direction. Fred McCabe, who ranches on the Divide southwest of Robert Lee, reported 3.8 inches, Robert Lee had 3.1, and Oak Creek Lake in the northeastern edge of the county had 3.5 inches.

Ranchers and small grain farmers are happy with the moisture, while farmers with cotton acreage are not quite so elated.

Forecast for the next few days predicted that chances are good for morrain.

### ABILENE FIRM SPOTS TEST ON G. C. BELL

Abilene operators, Spiva and Doss, have spotted location for No. 2 G. C. Bell in the Leppart (Palo Pinto) Field. The site is four miles southeast of Bronte on a 297.12 acre lease.

**COMPETES TRAINING** —Tommy Hallmark recently completed basic training in the Marine Corps and expects to leave California Thursday on his way home for a 30 day leave. Hallmark is the son of Mrs. Zell Moore of Bronte. She said this week that Tommy expects to go to Vietnam after completion of his leave.

### Autos Damaged In Hiway Wreck

Two late model automobiles were damaged and two persons were injured, though not thought seriously, in an accident which occurred late Monday afternoon at the intersection of Highway 277 and McCauley Ave.

Jerry Brock, son of Mr. and Mrs. Hiram Brock, was driver of the car traveling on McCauley, while Jose Zabala of Asherton was driver of the vehicle traveling on Highway 277.

Mrs. Zabala, wife of the driver, was taken to Bronte Hospital where she is being treated for bruises and broken ribs. Also in the car with the Zabalas were their two sons, Jose Jr. and Demingo Zabala.

Young Brock was alone in the car which he was driving. He was examined and found to be suffering from bruises and shock, but was not hospitalized. However, his mother said Wednesday that he had not been able to return to school.

Things are shaping up pretty well for Bronte's big homecoming which is set for Oct. 15, according to Noah Pruitt Jr., president of Bronte Ex-Students Association.

More than 200 reservations for the dinner which will be served from 5 to 7 p.m. have been received, Pruitt said. However, he added that most of the reservations have come from out of town persons. He added that local residents are cordially invited to attend the dinner but reservations are necessary.

A new deadline of Monday, Oct. 10 has been set for making reservations for the dinner. Anyone who wishes to attend it should fill out the blank at the end of this article and mail it to Pruitt or go by the Bronte postoffice and tell him the number of reservations needed.

Cost of the meal will be \$1.25 for

adults, and 75 cents for children under 12.

### Parade at 2

A parade in downtown Bronte will start at 2 p.m. It will wind up on Main Street and will be followed by a pep rally.

Pruitt said that a great deal of interest has been shown by local organizations in preparing floats for the parade. He said there may be "a dozen and there may be two dozen or more floats in the parade."

Deadline for notifying homecoming officials of intention to enter a float in the parade has been set for next Tuesday, Oct. 11. Pruitt said he wants to run a list of the floats in next week's Enterprise, and Tuesday will be the latest time for entering them. Entrants should notify him or Bill Thomas.

In addition to floats, a large number of youngsters will be in the parade with their pets, while others will ride decorated bicycles. Bronte Jaycees will be in charge of the actual operation of the parade.

### Prizes Offered

The Jaycees decided this week to offer some prizes to participants in the parade. They will give \$25 for the best float, and \$10 each to the best dressed boy or girl and pet, to the best decorated old car and to the boy or girl riding the best decorated bicycle. They reminded contenders for the pet prize that the animal as well as its master must be dressed for the occasion.

After the parade and pep rally, registration of exes will be held at the school from 3 to 4. Registration fee will be 25 cents. A program, under direction of Supt. C. B. Barbee and Mrs. George Thomas is listed from 4 to 5, and the dinner will begin at 5. Following the dinner, the crowd will move to Stephenson Field, where the Bronte Longhorns will clash with the Lorraine Bulldogs in a District 4-B football contest.

Halftime entertainment will feature crowning of a homecoming queen, a football sweetheart and a band sweetheart. The Longhorn Band will also perform and participate in the coronation activities.

An opportunity will be given for everyone to tour the new school facilities which are under construction, Supt. Barbee said.

Pruitt said that a special invitation is issued to new residents of this area as it will give them an opportunity to meet a great number of local persons and inspect school facilities.

He urged everyone to make reservations not later than Monday.

### Deadline Nears On Coke Exhibit

Less than two weeks remain to get items ready for the Coke County Exhibit, Mrs. Tom E. Rives, chairman, reminds Coke residents. The exhibit will be free and open to the public from 10 a.m. until 4 p.m. on Friday, Oct. 14 and Saturday, Oct. 15.

Anyone desiring to show articles are asked to bring them to the Recreation Hall in Robert Lee Thursday, Oct. 13, between 1:30 and 3:30 p.m.

Divisions of the show include antiques, articles of historical value such as pictures, books, maps, and other items, scrapbooks, arts, crafts; gifts; vegetables; flowers; and clothing.

The Exhibit is sponsored by the Coke County Home Demonstration Council and is open to the public to participate and visit.

Information may be obtained by calling Mrs. Rives or Mrs. Fay C. Roe, County Home Demonstration Agent at 453-3751.

### SENIORS SELLING MUMS

Members of the 1967 senior class are selling mums for the homecoming celebration scheduled for Oct. 15.

Anyone who would like to order one of the flowers may contact any girls in the class. Prices are \$2.00 and \$2.50.

## Longhorns Topple Roscoe, 25-6

The Longhorns are looking better all the time, and had a really bright shine last Friday night when they blasted the Class A Roscoe Plowboys, 25-6.

The Longhorns chalked up points by just about every method in the book, via the field goal, touchdown and extra point route. The powerful Longhorn offense had its 25 points, leaving Roscoe with a big fat zero until late in the last quarter. They managed to make one touchdown, with the help of a pass interference call against the local lads on a crucial play.

The Roscoe boys were credited with 13 first downs to the Longhorns' 11, but on rushing yardage the statisticians gave the Bronte lads 320 yards to Roscoe's 142.

### First Half

Doug McCutchen's kickoff went to Jackie Smith who was downed on the 24. After three tries by Smith

and Quarterback Jim Rayburn, the Plowboys had to punt. It was a shorty and stopped on the Roscoe 48.

It was time for Longhorn action, so McCutchen went for 4, the Plowboys gave up 5 more on a penalty. Quarterback David Glenn on a keeper went for 5 more for a 1st on the 35. Fullback Charlie Masterson gained 11 yards on two runs for another 1st on the 24. Glenn picked up a nice gainer, but the Longhorns were penalized for clipping and came up with a 1st and 15 situation. Masterson made 7, Glenn added 4 more, then McCutchen got caught for a loss and the Longhorns faced a 4th and 10 play. McCutchen backed up to try a field goal; it was no good, but the play was called back and the Plowboys were penalized 5 yards, so the sturdy tailback decided to try it again. This time it went squarely between the up-rights and the Longhorns led 3-0.

McCutchen kicked a boomer to Smith on the 5, and he returned to the 26. Rayburn gained a yard, then threw a pass to Jimmy Wallace for a 1st on the 36. The next play gave the ball to the Longhorns on the Roscoe 37 by virtue of a fumble recovery by David Gentry.

One play was all that was needed for McCutchen to streak through the Plowboys defenders for the Longhorns' first TD. With the Longhorns all set for McCutchen to kick the extra point, the Plowboys were penalized 5, so the local lads decided they'd go for 2. McCutchen made it okay around the right side, to make the score 11-0.

The kickoff went to Ken Welch who was tripped up on the 13 yard line. The Plowboys picked up almost 10 yards on two tries and Rayburn went through the middle for another Roscoe 1st on the 27. After two un-

### Boy Scout Drive Now Underway

More than a dozen Bronte area men met at Cactus Cafe Monday morning at 7 o'clock to participate in a kick-off breakfast for the annual Boy Scout Fund Drive.

Cecil Cox, who is in charge of the drive, presided at the meeting and handed out cards containing names of prospective donors for the men to contact.

Dan McClung of Ballinger, district scout executive, was present and told the men of the good done by the scouting program. His talk was geared to work up enthusiasm for the drive, and the workers left the meeting determined to raise a substantial amount for scouting.

Elmer Hurley is auditor for the drive, and workers are requested to complete their calls and turn in their money to him by Thursday afternoon.

## 60 PIONEERS HONORED AT TEA HELD THURSDAY IN ROBERT LEE

The 60 Coke County pioneers who attended the tea given in their honor last Thursday afternoon, Sept. 29, at the court house came from all over the county. It is believed that every community was represented. Also some former citizens now living in San Angelo, attended.

Mrs. J. N. Adams, 93, of San Angelo, was the oldest person attending, but Will Millican of Edith and Mrs. S. O. Jackson of Bronte were not too far behind.

Mrs. Hawley Allen, the former

Amelia Caraway, was the one who had arrived in the county at the earliest date, 1883, six years before Coke County was created out of Tom Green County.

Time was spent in reminiscing, looking at old pictures and other objects of yesteryears. For some time an antique pump organ was the center of interest for the pioneers. They played the organ, sang and danced. Pete Davis would probably be voted the champion organist, however, Mrs. C. E. Arrott, Mrs. Bryan Yarbrough and Mrs. J. N. Adams took turns at the organ.

County commissioner Fern Havins and Mrs. Arrott were the undisputed champions of the dance when they waltzed to "Over the Waves."

Refreshments of cake, punch, coffee and nuts were served. Mrs. William H. Allen served cake and Mrs. Maurice Yarbrough poured punch.

Members of the Coke County Historical Survey Committee were hosts for the occasion, which was the highlight of County History Appreciation Week.

Activities for the week were planned to extend through Friday but were terminated Thursday in order to make it possible for Coke County to have a representative at the first annual Official Texas Institute for Small Museums. The Institute was held Friday, Sept. 30 through Sunday, Oct. 2 in Woodville, Tyler County, in deep East Texas.

Mrs. Bryan Yarbrough, chairman of the Coke County Historical Survey Committee, attended the meeting at Woodville. She accompanied delegates from Ballinger.

Mrs. Yarbrough said the cleaning of veterans' graves is not complete, but will be completed as soon as possible. She said this project proved to be a tremendous undertaking.

## CRMWD To Take Bids On RL Dam

The zero hour for the projected big lake of the Colorado River Municipal Water District near Robert Lee comes at Big Spring at 2 p.m. Thursday. Bids on the dam and the spillway and other structures will be opened in the Settles Hotel ballroom.

Thirty-eight general contractors checked out plans for the job, which may be in the neighborhood of eight million dollars. About two dozen contractors have made on-the-ground studies of the site, and O. H. Ivie, general manager of CRMWD, said he was anticipating at least a dozen and a half bidders on the huge job. Some of the contractors may submit joint bids.

If bids fall within the money, CRMWD directors are expected to make a contract award so work can start before the end of October on damming the Colorado River to impound a 488,000-acre foot lake at capacity. The district's time table calls for impound of water in 1969. The district has a contract to begin furnishing Midland, in addition to other customers, not later than 1970.

Keen interest has been expressed in the job, said Ivie. Some of the largest contractors in the nation have checked out plans for the job which entails moving about 11 1/2 million cubic feet of earth in the construction of a dam which will be 22,000 feet long and well over a hundred feet high.

The massive gated-morning glory concrete spillway, its outlets and stilling basin are expected to represent about two and three quarter million dollars of the total cost of the dam structure. The district has yet to arrange for mounds which will put two dozen oil wells "in the dry," and for relocation of a state highway. Land, utility line removals, rip-rap rock and other expenses are expected to run the total cost to around \$12,000,000. The pipeline contractor will come later.

## Rites Held For Mrs. Hannaford

Funeral services were held at First Methodist Church Monday afternoon for Mrs. George Hannaford, Coke County pioneer, and resident of the Fort Chadbourne area for almost 60 years. Mrs. Hannaford died Saturday morning in a Corpus Christi hospital.

The last rites were conducted by the Rev. Austin Masterson, pastor of the church, and burial was in Fort Chadbourne cemetery, under direction of Williams Funeral Home.

Mrs. Hannaford was born Feb. 1, 1880, on Oak Creek, just above the present site of Oak Creek Lake. She was one of the first, and is believed by many to be the first, white child born in Coke County.

Her parents were the late Mr. and Mrs. Blackie Robinson. They settled in Coke County in the 1870s, returning here from California. Her father was a guard for some time on the stages going overland to California.

Mrs. Hannaford grew up on the place which is now the Preston Davis home, near Fort Chadbourne. She and her sisters attended Howard Payne College in the 1890s.

After her marriage to Mr. Hannaford, they moved back to the Fort Chadbourne area, where they made their home until 1939 when they moved to Corpus Christi. Mr. Hannaford died in 1950.

Survivors include a son, B. W. Hannaford of Corpus Christi; three daughters, Mrs. G. B. Waitrip of Ruidoso, N. M., Mrs. Mabel Davis of Corpus Christi, and Miss Gladys Hannaford of Alamogordo, N. M.; a sister, Mrs. Nell Alsop of Deming, N. M.; eight grandchildren and 19 great grandchildren.

## Services Held Here For Jacob Kevil, 80

Funeral services for retired farmer Jacob Kevil, 80, were held at 10 a.m. Saturday in First Methodist Church here. The Rev. Arthur Foster, pastor of Lakeview Methodist Church in San Angelo, officiated. Mr. Kevil died at 4:20 p.m. Thursday in a San Angelo nursing home after a long illness.

Burial was in Bronte cemetery. He was born May 20, 1888, in Milam County and married Ludie Gregory Aug. 10, 1913 at Norton. Mrs. Kevil died in August of 1960. He had lived in San Angelo about 20 years and was a member of the Lakeview Methodist Church.

Survivors include two daughters, Mrs. Jack Baker and Miss Myra Kevil, both of San Angelo; two sons, Leonard Kevil of San Angelo and J. D. Kevil of Odessa; one sister, Mrs. George Holliday of Ballinger; three grandchildren.

## Caperton Says New Cars Well Received

Matthew Caperton said this week that he and his father, E. L. Caperton, had one of the best showings of new models ever last weekend when they exhibited 1967 model Chevrolets.

Caperton said a big crowd of area residents came by to see the new cars and that about 10 new units were sold, including some 1966 models which they still had on hand.

Caperton said he greatly appreciated the fine reception given the new cars, adding that anybody is welcome at any time to come by their showroom and see the cars they have on display.

Capertons served refreshments all day Friday and had free gifts for their visitors.

# The Big Inch

The ruled box above is a one-inch ad. It measures one column wide by one inch deep. It costs advertisers 60c.

It looks kinda lonesome by itself.

But look at it this way.

What you get when you buy a one inch ad in the Enterprise is not just a single inch of space in the paper, but one inch multiplied by 900 copies weekly.

So you are really buying 900 inches, which at 80 inches a page would be more than 11 full pages of printed newsprint.

That's a mighty big chunk of space for a cost of only 60c. And that price includes delivery to the reader. Just imagine the cost of reaching all those Enterprise families by postcard. It would amount to \$36.00 just for the postage. But the Enterprise does it for a mere 60c.

So you can see that a little one-inch ad is really a pretty BIG inch when it's advertising space in the Enterprise. And the figures show that it's the most effective and economical way possible to let people in this area know that you have wares and services they could use.

Call 473-2001 and let us show you how a little Big inch can wake up sales for you.

## Downtown Pep Rally Scheduled

The school's schedule for this weekend will be different from usual, due to the fact that the weekend football game will be played Saturday night rather than Friday night.

Classes will be held through Friday afternoon as for any other day.

A pep rally is scheduled for downtown Bronte Saturday at 3:15 p.m. Everyone is invited to participate. The bus carrying the football squad will depart for Jayton immediately after the pep rally, with the band bus leaving soon afterward.

Fans making the trip are reminded that game time now has been changed to 7:30 p.m. rather than 8, as in the past three games.

**LONGHORNS DOWN ROSCOE —**  
Continued from Page 1

successful ground tries. Rayburn cocked his arm and tossed a completed pass, but it was short for a 1st, so the Plowboys had to kick. The punt rolled dead on the Bronte 37.

It looked as if Masterson was gone for another TD on the 1st play of the series, but he was tripped up on the Roscoe 14 after gaining 49 yards. Glenn made a couple and Masterson gained 5, then made another 2, to make it 4th and 1 on the 5 yard line. It looked good, but the drive was stopped after a penalty and a tightening up of Plowboy defenses. Roscoe took over.

After three tries the Roscoe lads were short of 10 yards and had to punt. The kick went to McCutchen, and he was on his way. He went all the way to the double stripe for another counter, except it didn't count. The play was called back and a clipping penalty was stepped off against the Longhorns, placing the ball on the Bronte 39.

McCutchen made 3, and Glenn slipped through for 9 and a 1st on the Roscoe 49. Glenn pitched the ball to McCutchen, who went over the Plowboys right side, wound his way back across the field and sailed up the left side of the field to make up for the TD which had been called back a few minutes before. A pass from Glenn to Davis Corley was good for 2 and the score was 19-0.

McCutchen's kickoff went to Smith and he went down on the 32. The Plowboys began what looked like a touchdown drive, moving the ball all the way to the Bronte 6 yard line, on 10 plays and making four 1st downs. With a 1st and goal on the 6, Ken Welch lost a yard, and on the next play the football got loose, and Jerry Parker was the last man off of it. The Longhorns took over on the 15.

With McCutchen, Masterson and Glenn doing the running, the Longhorns moved to their own 48, making a couple of 1st downs before the half ended.

**Second Half**

McCutchen's kickoff went to Smith who was hauled down on the 25 by Victor Brock and Brian Richards. By this time the Plowboys had gone to the air for the most part, and the incomplete passes brought up a fourth and 9. The punt went to McCutchen on the 35; he ran 11 yards to the 46. He then moved it to the Roscoe 42 but a penalty call moved it back in Bronte territory. The next play gave the Longhorns credit for a fumble with Roscoe recovering on Bronte's 41.

The Plowboys moved to the 30 and a 1st, then returned the favor and fumbled. Corley recovered for the Longhorns on the Bronte 29. The locals moved 9 yards in three plays, then Corley punted to the Roscoe 34.

Rayburn tossed two incomplete passes, then completed his third one but Richards was there to stop the receiver for a yard loss. The Plowboy punt was taken by McCutchen and he was downed on his 38. Glenn kept for a beautiful 27 yard gain to the Roscoe 35 for a 1st down. The next play moved the Longhorns back to the 44 on a clipping penalty. A pass to Corley was good for 23 yards and a 1st down on the 24. McCutchen then went for 9 and Bronte lost the ball on a fumble on the next play. Roscoe took over on their 21.

Rayburn tossed a beauty to Smith all the way to the Bronte 43. Two unsuccessful pass tries gained nothing, then Rayburn connected for another good gainer on the 22. The passes seemed to be clicking as another completion put the ball on Bronte's 10 yard line. Then a pass try failed, Pietzsch made 5 on the ground, and another pass was knocked out of reach by McCutchen.

One more try around right end failed and the Longhorns took over on the 7.

Masterson made 5 out to the 12, then McCutchen carried out to the 30 for a 1st. Masterson went through the line for 14 and another 1st on the 44. He then made a couple more, McCutchen added 5 and Masterson went 9 yards for a 1st on the Roscoe 46. A pass to Corley was good for 18 and a first on the 22. Glenn gained 5, and the next play was a run for pay dist. Glenn had the backfield set up for a pitchout or keep option. As the holes opened up, he decided to run it and went the needed 17 yards across the double stripe. EP try failed and the score was 25-0.

McCutchen kicked off to Smith, then ran downfield and tackled him on the 46 after he evaded several Longhorn tacklers. Welch made 9 yards and Rayburn pushed over for the needed distance for a 1st on the Bronte 44. Pietzsch went for 6 and a pass completion moved the ball to the Bronte 29 for a 1st down.

After three tries, a desperation 4th down pass went incomplete but pass interference was called on the Longhorns to give the Plowboys a 1st on the 5 yard line. Rayburn then made a yard and on the second play went over for Roscoe's lone tally of the evening. A pass conversion play was completed, but McCutchen smeared the receiver before he could step over the double stripe.

A short kick was fumbled by the Longhorns, and recovered by Roscoe on the Bronte 48. A couple of plays later McCutchen intercepted a pass and ran to the Roscoe 40. A pass to Corley was completed, even though he was lying on his back when the ball whizzed into his hands. Another pass try was no good and that was it. Bronte 25, Roscoe 6.

Edwyn McDaniel, son of Mr. and Mrs. J. E. McDaniel, was scheduled to leave Wednesday for service in the Marines. He was to report in San Diego, Calif. He is a 1965 graduate of Bronte High School.

**Mrs. Naomi Powell, Longtime Teacher, Honored By Coke County Association**

Mrs. George Thomas, Bronte second grade teacher, was elected president of Coke County Teachers Association when the organization met here Monday night in the school lunchroom. A change in officers became necessary, since Bob Wallace, former Silver teacher and president-elect, is no longer a member of the Coke County group.

Mrs. Royce Fancher, Bronte homemaking teacher, was elected vice president succeeding Mrs. Thomas.

Mrs. Naomi Lee Powell, long time Coke County and Robert Lee school teacher, was an honored guest at Monday night's meeting of the Coke County Teachers Association. The group met in Bronte School lunchroom.

Mrs. Powell was presented a vase from the county teachers association and a plaque from members of the Robert Lee School faculty. She was also honored with the presentation of a poem, composed and read by Mrs. Wilson Bryan. Mrs. Powell told the group that she had been teaching school several years, but didn't

come right out and say how many. She resigned her position as second grade teacher in Robert Lee Schools this past summer, in order to be able to take care of her mother, Mrs. J. N. Adams, of San Angelo.

The evening session was started off with Robert Lee Prin. Garland Davis' saying the invocation. The meal followed; then Bronte Supt. C. B. Barbee welcomed the visitors. The next item on the program was the presentation to Mrs. Powell.

Main speaker of the evening was Alvin Griffin, an economics instructor at Texas Tech in Lubbock. He was introduced by John Gregg, also of Lubbock and a 1943 graduate of Bronte High School.

Menu for the evening consisted of fried chicken, Italian green beans, baked potato, cherry-nut salad, hot rolls and butter, apricot pie a la mode, coffee and tea.

A report showed that county teachers are 100 per cent in their membership in the county organization, as well as in the Texas State Teachers Association.

### Make Room For Fall Clothes

With the summer season over, it's time to check the clothes closet for the fall season. As you clean the closet, decide what can be turned into worthwhile clothing again and what should be discarded. You will probably find an old favorite, a misfit, or still another garment which may have been a hasty purchase or just out of date.

As you sort through the clothing, divide those not being worn into the following groups: (1) needs mending; (2) wrong hem length; (3) doesn't fit; (4) not needed; (5) don't like; (6) aren't using; (7) is worn out; (8) is out of date.

You may want to start with the items that require the least time, effort and money and then proceed to the more difficult problems. Sort out those items most easily mended — buttons, buttonholes and popped seams. Then look at those in which the mending is a greater problem—such as holes or tears. Be sure the garment is worth the effort.

Adjust hems to a becoming fashionable length. Cut off the hems that are too long, and lengthen those that are too short, if possible.

If a garment doesn't fit, can it be corrected? If not, place it in the group you are discarding.

Some items of clothing may no longer be needed, such as special event clothing. Graduation dresses or formals, sports clothes for sports no longer engaged in and other clothing which can be discarded. You may wish to consider remaking some of these items, when it is doubtful they will be worn as they are.

### Beans

It's a good year for bean lovers. This year's crop is forecast at 192 million hundredweight, 17 percent above last year and slightly more than average. Look for lots of Great Northerns, pintos, kidney, navy and pea beans this year.

Dry beans always are a family food bargain. A pound of this low-cost food will provide 7 to 9 servings. Members of the dry-bean family once were extra-slow to prepare in home kitchens. Times change, however, and so do cooking methods.

For example, USRA suggests a quick and effective way to soak beans. Start by boiling them in water two minutes. Then remove from heat, soak one hour and they are ready to cook.

Cooking time also may be shortened by adding baking soda to the soaking water — about 1/8 teaspoon for each cup of dry beans.

USDA's Consumer and Marketing Service reports especially plentiful supplies of these beans at markets this October. So now, when autumn days are growing cooler, the family will especially enjoy hot bean dishes.

Beans not only are tasty, but nutritious, too. All dry beans are protein-hearty and good for energy. They contain B vitamins — especially thiamine. Beans are a good source of calcium and are real nuggets of mineral value for the iron they provide.

Beans make the ideal teammate for meat and other foods. Even when they're served as the main dish, a little meat or cheese is usually added to improve flavor and nutritive value.

Count beans in on your October shopping lists.

### BRONTE JUNIOR 4-H CLUB ORGANIZES FOR YEAR

First meeting of the Bronte Junior 4-H Club for 1966-67 was held Sept. 27 in Bronte School Auditorium. Mrs. Fay Roe acted as president, to get the group organized.

The girls talked about 4-H booklets, and several of the girls asked for some of the booklets on sewing, foods and on dogs.

Mrs. Roe passed an enrollment card for members to sign and 15 girls were present.

A president and secretary were elected. Candidates for president were Mary Ellen McGuire, Sue Ann Lee and Michelle Golson. Michelle was elected. Candidates for secretary were Mary Ellen McGuire, Sue Ann Lee and Sharon Meedy. Sharon was elected secretary.

## Annual Sale Starts Here Next Week

Bronte school yearbooks for 1966-67 go on sale next week, according to an announcement made by Miss Linda Jones, yearbook sponsor. Price for the annuals will be \$5.00.

Miss Jones said the yearbooks will be larger than in previous years and contain a number of additional features.

It is not necessary to pay the entire cost now, she said, as a \$2.00 deposit will reserve one of the books. The \$3.00 balance will be due when the books are delivered.

Anyone who wishes may pay the entire \$5.00 now.

Students who want one of the yearbooks are requested to bring their deposits next week, Miss Jones said.

### Mr. and Mrs. Henry Rogers Have Golden Anniversary; Children Honor Them With Open House At Home

Mr. and Mrs. Henry Rogers were honored Sunday with a Golden Wedding anniversary open house. It was given at their home from two until five p.m.

Spiced tea, coffee and cake were served from a table laid with a gold linen cloth and centered with an arrangement of spider mums and small mums with gold sprayed leaves. The cake was shaped like an open Bible and contained their marriage and open house dates and the names of their three children. Crystal and silver appointments were on the table.

Hostesses were their two daughters and a daughter-in-law, Mmes. Faye Wheeler of Brownwood, Mrs. Irene Hardy of Snyder and Mrs. Melba Rogers of Fort Worth, wife of the Rogers' son, Ma'in Rogers. All were present Sunday.

Grandchildren present included Belinda Wheeler, May; Roger and Marcie Adams, Bronte; Ann Jayroe, San Antonio; Marlin Jr., Lynn and Robyn Rogers, Fort Worth.

Great grandchildren present were Teresa Ann, Steven and David Jayroe of San Antonio; James, Roger K. and Jackie Leanna Adams.

Out-of-town guests registered were Jimmy Hardy, Snyder; F. A. Allison, Lubbock; Mr. and Mrs. Boone Allison, Muleshoe; Mr. and Mrs. Jim Moreland and children, San Antonio; Mr. and Mrs. G. O. Edwards and daughter, Mrs. Gertrude Gray, San Angelo; Mr. and Mrs. Bobby Scott, Midland; Mrs. Dannie Stevens, Wingate; Mrs. Leo Hollan, Mr. and Mrs. James Mitchell, Abilene; Mrs. Bessie Halmark, Robert Lee; and Bill Dennis, Terrell.

Mr. and Mrs. Rogers were married Oct. 1, 1916 in Bronte and have lived here most of their married life.

### REV. SILAS TO HOLD SERVICE IN SPANISH

The Rev. Lorenzo Silas, pastor of the Bethel Baptist Mission in Robert Lee, will conduct Spanish language preaching services at First Baptist Church in Bronte Friday, Oct. 7, at 7:30 p.m.

The Rev. Harry Morris, pastor, has issued an invitation to everyone in the community to attend, and a special invitation is extended to all Latin Americans, and others who understand Spanish.

### Bronte Girl Makes Trinity Choir For Second Year

Margaret (Margi) Oglesby of Bronte has been selected a member of the Trinity University choir in San Antonio for the second year. The choir is composed of a select group of singers, chosen on basis of auditions at the opening of each semester.

The choir participates in weekly chapel services, conducts a tour each year, gives two annual concerts and accepts invitations for performances before civic and religious groups in the San Antonio area. Music performed by the choir includes accompanied and a capella choral music of all periods, both sacred and secular.

Students participate for five class hours each week. The choir is directed by Claude E. Zetty, assistant professor of music, who has a B.S. from Cornell University and a B.M. and M. M. from Indiana University.

Miss Oglesby, daughter of Mr. and Mrs. Ben Oglesby, is a sophomore student at Trinity University and was a member of the choir during her freshman year.

### Local Nurses Attend Geriatrics Seminar

Mrs. Brady Mills and Mrs. H. C. Murtishaw, both nurses at Bronte Hospital and officers in Division 58, Licensed Vocational Nurses of Texas, were among the 60 nurses who attended a seminar on geriatrics at Sweetwater Oct. 1. The seminar was sponsored by Division 23, LVNA, of Sweetwater.

Mrs. Murtishaw said the seminar was very instructive, and gave much insight into nursing care of the aged.

Mrs. Marguerite Gailey of San Angelo, formerly of Bronte, who is president of the Texas LVN Association, was on the program. Mrs. Murtishaw introduced Mrs. Gailey at the evening session.

Included were such topics as treatment of decubitus ulcers, oral hygiene, toy therapy, and qualifications of a geriatrics nurse.

### Highway Dept. Approves \$31,100 for FM Roads

The Texas Highway Commission this week approved the spending of \$31,100 for highway safety and betterment and improvement of the farm to market road system in Coke County during 1967. District Engineer J. A. Snell of San Angelo said. The work is part of the Highway Commission's combined 1967 Farm to Market Road Improvement and State Highway Safety and Betterment program. A total of 4.3 highway miles in the county will be involved.

The safety and betterment portion of the program will cover 2.2 highway miles in Coke County and cost an estimated \$27,500. The farm to market road improvement part will involve 2.1 FM miles and cost an estimated \$3,600.

Statewide, the program calls for the improvement of 5,567 miles at an estimated construction cost of \$39.9 million and right of way cost of \$161.5 thousand.

Work will include 912 projects in 215 of Texas' 254 counties.

Ronnie Lee, Ronald Hooper, Marilyn Glenn and Glen Sims were home for a weekend visit from Baylor University at Waco.

**Lions Collecting Toys For Needy Children**

Does anybody have toys which are no longer in use?

If you do, please get in touch with a member of the Bronte Noon Lions Club or bring them to Charlie Ragsdale's Barber Shop.

The local Lions are sponsoring a toy drive from now until Christmas, so any children whose parents cannot afford to buy them may have some toys this Christmas.

The toys will be checked carefully, any necessary repairs made, and they will be distributed among selected families the week before Christmas.

All other civic organizations of Bronte are invited to help in securing and repairing the toys.

"Let's all pitch in and see if we can't spread a little more cheer in these children's lives," said a Lions Club spokesman.

**SOROSIS CLUB NOTICE**

Sorosis Club members' attention is invited to two changes in this week's meeting. The club will meet Friday night instead of Thursday, in the home of Mrs. E. F. Glenn, instead of Mrs. W. D. McDonald.

**CUMBIES TELL OF THEIR TRIP TO EUROPE WITH FARM BUREAU**

Mr. and Mrs. Edward Cumbie returned to Bronte last weekend after a two weeks trip into seven European countries. They were in a group of 84 farmers, ranchers, agri-businessmen and their wives who composed Texas Farm Bureau's second annual "market-builder" tour. The group landed at Love Field in Dallas after a jet flight from Paris.

Representing nearly every commodity grown in the state, they went to study marketing methods and potential for Texas farm products.

Walter Meyer, TFB commodity director and tour leader, said it is hoped the tour will turn up valuable leads for sales. He said a highlight of this year's tour was a trade seminar in Wiesbaden staged for the Texans by U.S. State Department officials and German importers and marketing experts. Alexander Burnett, U. S. assistant agricultural attache, discussed the German market for Texas farm products. John Mon-

tell, member of the U. S. mission to the European Economic Community or Common Market, outlined the purpose and procedures of the Common Market.

The German town of Braunfels, the town for which Texas' New Braunfels was named, played host to the Texans, with school children serenading them.

Countries visited included England, Holland, Belgium, Luxembourg, Germany, Switzerland and France.

While in Holland, they visited the American Farm Bureau Federation's trade office in Rotterdam.

Mr. and Mrs. Cumbie reported a wonderful trip. They kept trip notes and have promised to write a more personal account of their trip for publication in the near future.

**Methodists Plan Laymen's Sunday**

Once a year throughout The Methodist Church laymen of the church are in complete charge of the worship service. Sunday, Oct. 9, in all Methodist Churches lay people will conduct and carry on the service.

Mrs. M. J. Beall, member of the Day Memorial Methodist Church, San Angelo, and former president of the San Angelo district Woman's Society of Christian Service, will speak to the local Methodist congregation at the 11 o'clock morning worship service. H. O. Whitt, local church, lay leader, will be in charge of the service. Mrs. Joe Carter will read the scripture lesson and Steve Badley will lead the congregation in prayer.

Ushers will be R. C. Lasswell, Carroll Robbins, J. W. Labenske, and Macom Russell.

**Why The Christian Science Monitor recommends you read your local newspaper**

Your local newspaper is a wide-range newspaper with many features. Its emphasis is on local news. It also reports the major national and international news.

**THE MONITOR COMPLEMENTS YOUR LOCAL PAPER**

We specialize in analyzing and interpreting the important national and international news. Our intention is to bring the news into sharper focus. The Monitor has a world-wide staff of correspondents — some of them rank among the world's finest. And the Monitor's incisive, provocative editorials are followed just as closely by the men on Capitol Hill as they are by the intelligent, concerned adult on Main Street.

**WHY YOU SHOULD TRY THE MONITOR**  
You probably know the Monitor's professional reputation as one of the world's finest newspapers. Try the Monitor; see how it will take you above the average newspaper reader. Just fill out the coupon below.
