Bi-District Game Saturday

GOLD STAR WINNERS — Sharon Walker, daughter of Mr. and Mrs. D. J. Walker of Robert Lee, and Nicky Arrott, son of Mr. and Mrs. LeDrew Arrott of Bronte, were named Gold Star 4-H girl

and boy of Coke County for 1966. The awards were announced and presented at an achievement dinner and program held Nov. 15 in Robert Lee.

Large Group Of Fans Will Travel To Crane

It looks as though there will be a wholesale invasion of Crane next Saturday when the Bronte Longhorns play the Fort Hancock Mustangs in a bi-district Class B football playoff.

Hundreds of fans, the Bronte Band and cheerleaders, practically all of the school student body and many former Bronte residents are expected to be sitting on the east side of the field, cheering the Longhorns on to victory. Kickoff time is 7:30 p.m.

Team Leaves at 12:30

Coach Cecil Toliver said his football squad will leave here at 12:30 p.m. in private cars. The band buses and cheerleaders will leave at 2:30 p.m. Another bus for members of the student body will also

be run, if enough students sign up to warrant the trip.

Crane is 165 miles from Bronte, via San Angelo, Mertzon, Big Lake and Rankin.

Supt. C. B. Barbee said that a pep rally will be held at the north end of the Crane stadium at 6:15 p.m. All fans are urged to be present by that time and participate.

Crane Chamber of Commerce is supplying all personnel and other things needed for the football game, except the officials. They will furnish the tickets, programs, chain gang, timekeeper and announcer. Also, they will supply the bi-district championship trophy which will be presented to the winning team immediately following the game.

Adult Prices Upped

Admission prices to the game will be \$1.50 for adults and 50 cents for students.

Bronte will be the host team at this game and Bronte fans will sit on the east side of the stadium. A separate section of seats will be used by the band.

Bronte will furnish two officials for the game. They will be Willard Justiss and Archie Hunter of the Sweetwater Officials Assn. Fort Hancock will bring their two officials from the El Paso association.

A win in the bi-district would throw the Longhorns into a regional game with the winner of the Sunday-Vega game which will be played Thanksgiving Day.

MRS. ANDERSON IN HOSPITAL

Mrs. J. W. Anderson was taken to Hendricks Memorial Hospital in Abilene, where she is being treated for a broken hip. After X-rays are studied it will be determined Wednesday whether or not surgery will be necessary. She is in room 416. Mrs. Anderson fell at her home several days ago but had not thought she was seriously injured.

The Bronte Longhorns, who are not what one would call slight lads, will go up against some bigger ones Saturday night when they meet the Fort Hancock Mustangs in a bi-district playoff to be staged at Crane.

A quick scan of weights show that the Mustang line is about 40 pounds heavier than the Longhorn line. However, the Longhorn backfield is a wee bit heavier than the Mustangs.

And, on top of this, Coach Cecil Toliver said Tuesday that Fort Hancock is plenty tough. He implied, however, that Fort Hancock does not have the Longhorns bested on this score.

The Longhorns boast a one-game lead in season records, with nine wins to one loss, while the Mustangs have won eight and lost two. The Longhorns are also rated considerably higher than the Fort Hancock lads by the Harris Rating System, having occupied the No. 3 Class B Spot in the state since the second game of the season, with Ozona. Incidentally, only Bangs is still rated above the Longhorns.

Coaches Guy Woodruff and Penner run the Fort Hancock team and guided them to the District 3-B championship. They lost only to Clint (Class A) and Imperial.

Coach Toliver said probable starting lineup for the Mustangs will include:

John Granco, lb, 130 pounds; George Torres, lt, 210; Hector Dominguez, lg, 178; Teddy Woodruff, c, 167; Frank Cisneros, rg, 210; Charlie Miller, rt, 200; Herman Rios, re, 163; Manuel Jimenez, qb, 152; Richard Galindo, lbh, 150; Junior Galindo, fb, 174; Chuy Marquez, rrb, 140.

The Longhorns will be the home team, Toliver said, and will wear white jerseys. The Mustangs will wear black jerseys.

Coach Toliver said he is pleased to play the bi-district game at Crane. Complete cooperation was offered by school, city and chamber of commerce officials, he said. He added that Crane football facilities are excellent, with a good playing field, good lighting and a good scoreboard.

"I hope we have a stand-full of fans down there Saturday helping our boys win," the coach said.

Funeral Held For Mrs. G. C. Bell

Mrs. G. C. (Mary E.) Bell, 74, died in a Terrell Hospital at 11 p.m. Saturday, Nov. 13, after being in ill health for many years.

Funeral services were held at 4:30 p.m. Sunday in the Sorrells and Sons Funeral Chapel there with the Rev. B. J. Bell officiating. Burial was in Mt. Carmel Cemetery at Wolfe City.

She was born in Hunt County Apr. 7, 1892 to Jeff and Lilly Adkisson Arnold. She had lived all her life in Hunt County except for 13 years spent in Coke County.

She was married to Bydye Bell in 1910. He died in 1948. She was married to Grover C. Bell of Bronte in 1951.

Survivors include her husband; one son, V. A. Bell of Greenville; one sister, Mrs. Jeffie Hutchcraft of California; one brother, Lee Arnold of Florida; two grandchildren and 12 great grandchildren.

AD-LIB-BEN

One of our favorite and faithful out of town subscribers made it a point last week to give us a good chewing out and threatened to cancel his subscription if we didn't spend a little more time writing about the Bronte Longhorn line, instead of so much about the backfield.

Of course that's hard to do, but we do agree with him that the line-men don't get enough credit for the superb job they've done this year. We all know that the running and passing attack of the Longhorns would be pretty fruitless without the line to make way for it.

We would like to pay our respects to the mighty Longhorn line at this time. They are the finest one could ask for, and they have done a remarkable job this season — and, by the way, they aren't through yet.

Bronte Evening Lions Club members had a successful garage sale last Saturday. They had a large array of merchandise and it nearly all was purchased. Royce Fancher, president, said they might not have made enough money to carry out their proposed projects completely, but they didn't lack much. He asked The Enterprise to thank everybody who donated or purchased items. So here it is: Thanks everybody.

That Arkansas upset by Texas Tech just about made our football weekend complete. It was hard to believe that a team with a 1-5 record could take the conference leader with a 5-1, but it happened.

We have a most interesting letter from Kenny Mayben, former resident and student of Bronte, who is a sailor on board the USS Oriskany, the giant aircraft carrier which was recently racked with fire. Kenny's letter, which was written to his father, Otis Mayben of San Angelo, tells in detail about his reaction to the catastrophe in which 43 men lost their lives. We are out of space for this week, and will carry it next week.

Tommy Glenn Sims was home from Baylor University, Waco, for a weekend visit with his parents, Mr. and Mrs. T. F. Sims, Jr.

Band Gets Division II Rating At UIL Meet

Bronte Longhorn Band, the Maroon and White, received a Division II rating at a UIL marching contest last Saturday in Big Spring. A Division II rating means excellent, according to Band Director Fuller.

The band went through an intricate routine of marching, playing

all the time, during the competition.

Fuller said, "I am real proud of our band and of the attitude and determination of the members. I especially want to commend the junior high part of the band, for they are a very determined group of youngsters."

The school's twirlers also received favorable ratings at the contest. Dorothy Ruth Martin, head twirler, received a Division II rating in Class I Solo, the most difficult performance of the contest. Lana Lynn Low received a Division III rating in the same contest, and Norma Pruitt received a Division III rating in the Class III solo contest.

Fuller said the girls have made remarkable improvement in their twirling routines and said he and the rest of the school are proud of them.

Bronte Firms To Close For Thanksgiving Day

Bronte business firms and offices, for the most part, will be closed Thursday in observance of Thanksgiving Day. First National Bank, city hall and the post office will observe the holiday.

Some service stations and restaurants will probably remain open to take care of holiday business.

Bronte school will be dismissed Wednesday afternoon and classes will be resumed Monday morning.

Longhorns Take 4-B Title With Win Over Steers

Things were not far from perfect for the Bronte Longhorns and hundreds of their fans who invaded Robert Lee last Friday night in what may be the last district competition between the two schools. Since Robert Lee goes to Class A next year, the Longhorns considered the victory a crowning finish to many long years of Class B competition between the two Coke County schools.

The weather could not have been better, and the score at the end of the game was a perfect 31-6.

The performance of the Longhorns was practically mistake-free, particularly on defense, and, according to Coach Cecil Toliver, the Bronte gridders followed their game plan on which they had been coached to a T (no pun intended).

The Bronte lads scored two TDs in the 1st quarter, one in the 2nd, went blank in the 3rd, and picked up two more in the 4th. Robert Lee's tally came in the 4th period.

Pass Play Sensational

On the second play of the game a sensational 69 yard pass play from Doug McCutchen to Randy Barbee got the game moving in fine style for the Longhorns. The second counter came on a 1 yard carry by McCutchen, and the third touchdown was on another fine pass play from David Glenn to Davis Corley. No. 4 was a carry around right end for 5 yards by McCutchen, and the fifth counter was made by Charles Masterson who went through from the 2.

Gary Sam Williams took a 17 yard stroll for the Robert Lee TD.

First Quarter

Bronte won the toss and Masterson received Williams' kickoff; he was downed on the 36. Bronte drew a 5 yard penalty on the first play. With a 1st and 15 on the 31, Glenn pitched out to McCutchen, who drew back and threw a long one smack into the waiting arms of Barbee, who went on unmolested to cross the double stripe, and to bring cheering fans to their feet. Kick for PAT was blocked by Gay-

lon Pitcock. Score was 6-0. McCutchen kicked off to Ray Don Roe on the 10 and he moved on out to the 29. Roy Blair made a couple and Robert Lee drew a 15 yard penalty. An incomplete pass brought up 3rd down, and Williams quick kicked to the Bronte 47.

The Longhorns started another drive which was to take them the 53 yards needed for a touchdown. McCutchen and Masterson carried for 6 yards, then Glenn passed to Victor Brock for 12 yards and a 1st on Robert Lee's 39. After gaining 9 yards, the Longhorns drew a 5 yard penalty, and Glenn tossed the ball to McCutchen who went to the 24 and a 1st. The big play on the next series was a pass from Glenn to Corley down to the 7 yard line and another 1st down. McCutchen carried three times before he got into the end zone. A pass try for extra points was no good and the score was 12-0.

The Steers set up on the 26 after the kickoff. Williams made 8 and then passed a long one which McCutchen intercepted on his own 40, and ran back to the Steer 34. Masterson made 2 yards, then Glenn faded back to pass, couldn't find his man and had to go on foot to the 20 for a 15 yard gain and a 1st down. Dogged with a penalty, an incomplete pass and two completed passes that lost yardage, the Longhorns had a 4th and 25th situation. However, they elected not to kick, but to pass. It was a long one and was intercepted on the Steer 8 by Buddy Vosburg.

Second Quarter

With Donnie Devoll and Blair doing the carrying chores, the Steers didn't make their 1st down and were forced to punt. It rolled dead on the Bronte 41. McCutchen made 5, Masterson went for 9 and a 1st. Glenn kept the ball and added 10 yards and another 1st down. With a 3rd and 4 in the next series, Quarterback Glenn called for a pass play. He threw the ball to Corley who was into the end zone before the Steers could stop him. Again the try for points failed. Score: 18-0.

McCutchen kicked to Gary Parker who was downed on his 2. A 15 yarder was assessed the Steers, and after a couple of losses, they had a 4th and 28 facing them. Williams punted to his own 47. Masterson gained 11 yards in two tries. Then Bronte was penalized. The local lads were stopped and had to punt. Glenn kicked to Williams who made a nice return to his 48. Devoll took Williams' toss for 13 yards and a 1st on Bronte's 39. After two futile pass tries, Williams ran 10 yards for a 1st. One completed pass and three incomplete tries ended the half. Score: 18-0.

Third Quarter

McCutchen kicked to Roe to start the second half. He was downed on his 38. The Steers drew a 15 yarder, and in spite of a 17 yard gainer by Williams, they had to

punt on 4th down. It was a good one, and took a Robert Lee bounce to the Bronte 19. The Longhorns made a 1st on the 34, but couldn't go on the second series, so Glenn kicked to the 30. Devoll and Williams picked up 11 yards for a 1st on the Bronte 45, then Deon the 41. Hall took a pass for voll picked up another 1st on the 35. Roe went up the middle for another 1st on the 23. Making short gains, but suffering from a 15 yard penalty, the Steers were unable to keep their drive going, and the ball went over on the Bronte 33.

McCutchen made a yard, Glenn added 7 more, and Masterson went for 3 and a 1st on the 44. Bronte drew a 5 yard penalty and incomplete passes brought up 3rd and 15. McCutchen tried to pass, but had to run. He went 15 yards to the Steer 45 and a 1st. Glenn went for 2 and tossed a pass to Corley for 8 for another 1st on the 35, to end the quarter.

Fourth Quarter

Masterson went for 5, McCutchen added 6 for a 1st on the 24. Masterson carried twice for 5 and 13 yards, to make it 1st and goal on the 5. Glenn got smothered on a pass try and lost 7, Masterson made 6, and McCutchen went for a yard, to bring up 4th down and the original 5 yards needed. On the 4th down try, McCutchen made a wide sweep to the right and simply outran or ran over his pursuers, and made a touchdown. Try for points failed, and the score was 24-0.

McCutchen kicked off to Devoll, who went down on the 33. Roe went through the middle for 11 and a 1st on the 44, then made 7 more to the Bronte 49. Devoll made it another 1st on the 46. Blair made 3 yards, then Williams passed to Hall for 23 yards and a 1st on the 20. Devoll picked up 3, and Williams, after failing to find somebody to take his pass, decided to run, and went in for a Robert Lee touchdown. The try for points no good, but provided some excitement, as Keith Morris intercepted the pass and ran it all the way back to the Robert Lee goal line with one Steer in hot pursuit. The effort was all for naught, however.

An on side kick went to Wayne Carlton on the 41, and he was hit in mid-air by Williams, but hung on to the ball. Masterson made 5, then the officials moved the ball 15 more yards on a penalty to make it 1st and 10 on the Steer 39. McCutchen dashed off a 19 yard gainer for a 1st on the 20, Masterson went for 9 and McCutchen picked up the 1st barely across the 10. McCutchen went for 8 more, and the next play saw Masterson saw his way over the left side of the Robert Lee line for a touchdown. Bronte was penalized 5 for delay of the game, but McCutchen kicked the EP anyway, to make the score 31-6.

One more kickoff was all that was left. It went to Roe who pitched to Williams, who was downed on the 40. The Steers were trying desperately to get on the scoreboard again, and they passed and ran their way to the Bronte 30 before the final whistle sounded. Score: 31-6.

Outstanding line work was turned in by Hageman, Richards, Brock, Allen, Gentry, Carlton, Morris and Thompson. According to the coach, everybody did a fine job of defending the Steers.

Mr. and Mrs. L. L. Wilkins and Joy Lynn returned Saturday from Houston where Mrs. Wilkins underwent eye surgery at Methodist Hospital on Tuesday. She is reported making a good recovery. While there they also visited Mr. and Mrs. L. L. Wilkins Jr. and family.

Coke County Towns To Be Included In Intensive Study By WTCC Group

Bronte and Robert Lee are two of 15 West Texas towns which will be the subject of an intensive project by the Small Town Task Force of the West Texas Chamber of Commerce. The first phase of this project will be initiated this week when members of the Task Force meet with the leaders of the subject towns for the completion of a questionnaire.

Other towns selected for the pilot studies are Anson, Crane, Dublin, Garden City, Hale Center, Hamilton, Mentone, Olney, Stanton, Stephenville, Spearman and Throckmorton. Other cities with less than 12,000 population will be included in the plan as soon as the pilot questionnaires are studied by the Task Force.

The plan calls for the Task Force members to meet with the mayor, chamber of commerce president and manager, school officials, newspaper men, county commissioners, cultural leaders, women's club presidents, youth leaders and other key business people in the selected town.

An in-depth questionnaire covering community problems, assets and potentials, prepared by a panel of specialists, will be completed by the local leaders. Recommendations for solutions of problems or exploitation of assets and potentials will not be made at this time. These recommendations will be made later, after the study is completed.

Tourist attractions, school systems, recreational and cultural facilities, industrial potentials, transportation, water supplies, churches, tax structures, agricultural and ranching and many other facets of a community's complex makeup will be examined by the local leaders.

C. L. Cooke, Fort Worth, chairman of the Task Force, said at the initial meeting in Olney, "The recognition of the existence of a problem or the awareness of an asset or potential by local leadership is the first and most important step in arriving at proper answers. We think the questionnaire will assist materially in this respect."

After the on-the-spot studies are completed, six hearing will be held in various geographical locations in the West Texas area. Dates and places for the hearing will be announced next week.

Findings of the hearings will be prepared by sub-committees, compiled and published in a special "white paper" on March 15.

Solutions to the individual community problems will be recommended by the committee in a report to the town concerned.

Six subjects have been selected for the hearings. They are (1) The Role of City and County Governments in Developing the Small Community; (2) Role of State and Federal Governments in Developing the Small Community; (3) Industrial Potentials of Small Towns; (4) Educational, Recreational, Cultural and Tourist Opportunities of the Small Town; (5) Responsibility of Metropolitan Areas to Develop Small Towns in Their Areas; and (6) The Role of Community Leaders in Developing Their towns.

John Ben Sheppard, president of W.T.C.C., in announcing the formation of the Small Town Task Force, said "More than half of our towns in West Texas with less than 12,000 population have lost ground in the past 10 years. This is a trend which must be reversed."

PLACED MARKER — Judge W. W. Thetford, right, and Dr. Rupert N. Richardson, president emeritus of Hardin-Simmons University, examine the Butterfield

Trail Marker which was dedicated Sunday. Located nine miles north of Bronte, the marker is not far from Fort Chadbourne, an important stop on the stage

line. The line was in operation from 1858-1861, when the Civil War curtailed operations. It was officially known as the Southern Overland Mail.

Butterfield Trail Marker Dedicated

A crowd of more than 60 persons was on hand Sunday afternoon to witness the dedication of a historical marker commemorating the Butterfield Trail which was the country's main artery of communication and transportation during the late 1850s and early 1860s. The trail traversed Coke County from northeast to southwest, coming into the county at old Fort Chadbourne and leaving it near present day Water Valley. The marker is located at the Y nine miles north of Bronte.

speaker said, as it required approximately 25 days.

Dr. Richardson said the main beneficiaries of the stage line were the Comanche Indians, who had a field day in their horse stealing activities after all the stations were set up and some 1350 head of horses and mules were provided across country to move the Concord stages which were used.

Boykins Report On FB Convention

Mr. and Mrs. Ben A. Boykin have returned from Corpus Christi where they served as Coke County's delegates to the annual convention of Texas Farm Bureau. The convention was in session Nov. 13-16.

The Boykins reported that the convention, originally scheduled to be held in the Driscoll Hotel, had to be moved to the municipal coliseum, because of the overflow crowd of more than 2,000 persons who attended. Included in the crowd were 800 voting delegates from 205 counties of Texas.

Main speakers at the convention included Gov. John Connally; Walter Randolph, vice president of Alabama Farm Bureau; and Jack Angell of Chicago, radio and service director of American Farm Bureau.

The Boykins, accompanied by their children, Rosanna and Lynette, were in the pageant, "Frontiers of the Future." They represented a modern day farm family. Angell narrated the pageant, and Ed Cumbie of Bronte, Farm Bureau service man for this area, was one of the directors.

District Two's queen and talent find entries did very well at the convention, Mr. and Mrs. Boykin reported. Mary Frances Newton, comedienne-pianist, took first place honors in the talent find contest and will represent the state at the national convention in Las Vegas, Nev., next month. Queen entry, Diana Corbell, won runner-up honors.

The Boykins did quite a lot of sightseeing in the Corpus Christi area, including taking a tour of Padre Island.

Highlight of the program which was held at the site of the marker, was an address by Dr. Rupert N. Richardson, president emeritus of Hardin-Simmons University and noted historian and author.

County Judge W. W. Thetford served as master of ceremonies. The invocation was given by Ulmer Bird of Sanco, a member of the Coke County Historical Survey Committee. Scouts from Troop 452, Bronte, presented the colors, and Brian Richards, an Eagle Scout, led the pledge of allegiance.

Mrs. Bryan Yarbrough, chairman of the Coke County Committee, introduced special guests, including delegations from Runnels and Mitchell counties. Mrs. Yarbrough also introduced Dr. Richardson. The Rev. Austin Masterson, pastor of Bronte First Methodist Church, led the benediction.

Dr. Richardson, in his dedicatory address, gave a brief history of the trail. He pointed out that provision for the route was made by an act of Congress, and the route was laid out by the post master general. The route through this part of the country was selected because it provided more suitable weather for the undertaking.

Dr. Richardson said the Butterfield Trail stage coaches were important as conveyors of passengers and mail, but they were even more important as the bearers of news from coast to coast.

The western terminal of the line was San Francisco, while the westward journey could begin from either of two eastern terminals, St. Louis or Memphis. The route went through Arkansas, crossed Red River, and on westward through Jacksboro, Ft. Belknap, Ft. Chadbourne, and on westward through Fort Stockton, El Paso, Phoenix and up the Pacific coast to San Francisco.

The trip across the country via the stage was not an easy one, the

Baked Ham

Planning ham for Thanksgiving dinner?

It's a wise choice, since the U.S. Department of Agriculture's Consumer and Marketing Service reports plentiful pork supplies this November.

Another good reason for selecting ham is its ease of preparation. The secret of tender, succulent ham dinners is dry heat roasting in a moderate 300-degree F. oven. No liquid, and no cover is needed — just slow cooking. Place the ham, fat side up, on a rack in an open roasting pan.

Insert a meat thermometer into the center of the ham, if you wish. Just be sure that it does not rest on bone or fat. Allow about 18 to 20 minutes per pound to cook the ham.

You may have your own special glaze to use on the ham. If not, select from one of the following:

Pineapple Glaze. Combine 1 cup crushed pineapple, 1 cup brown sugar with 2 tablespoons honey. Cook until thickened. Spread over ham.

Apricot Glaze. The glaze calls for 2 1/2 cups cooked, sieved apricots and 3/4 cup sugar simmered together until thick. Garnish ham with apricot halves filled with red jelly. These fruit glazes should be spread over the ham about 30 minutes before removing from the oven.

16 ENTRIES IN ESSAY CONTEST RECEIVED BY LIONS CLUBS

The Noon and Evening Lions Clubs have received eight local entries each in Lions International Peace Essay contest, it was announced today. Students who still want to enter the world-wide \$50,000 contest have until Dec. 10 to submit their entries to the Noon or Evenings Lions Clubs.

"We are pleased with the number of entries so far but we would like to see many more come into our clubs," officials of both clubs said.

Object of the contest is to stir an interest in peace and to challenge the men and women of tomorrow. "Thought given to this challenge by the younger generation throughout the world could lead to a better understanding of peace and to possible means for its attainment," Lions say.

If successful at the District level the contestant's essay will progress to a Multiple District level for judging.

For specific contest rules and requirements, applicants should contact either of the club presidents, Cecil Cox or Royce Fancher.

The contest is open to all young people who are 14 years of age and under 22 as of January 15, 1967.

NOON LIONS HEAR PROGRAM ON CAMP AT KERRVILLE

The Texas Lions Camp for Crippled Children at Kerrville was honored last Thursday with a special program at the Bronte Noon Lions Club.

John W. Schwab of San Angelo, a member of the board of directors for the camp, paid tribute to the members of the Noon Lions Club and the other Lions Clubs of Texas who are providing the handicapped children of Texas with a camp of their own. Mr. Schwab brought an interesting program, including a film on the camp, to the club.

The camp was opened in 1963 and accommodated 236 crippled, blind, deaf and mute youngsters the first year. Since then, the camp has grown steadily until it is now serving a summer filled with fun to 720 youngsters each year.

Since it was opened, the unique camp has given more than 9000 youngsters the chance to swim, to camp and to develop new skills in various handicrafts.

The camp represents an investment of more than \$700,000 in 17 permanent buildings. It is financed by dues of Lions and by gifts from members, clubs and friends of crippled children everywhere.

Work To Start Leveling New Gym Floor

Work will begin Monday on some construction work designed to remedy an unlevel floor in the new Bronte School gymnasium. It was discovered last week that the floor was not level, and considerable speculation has been going on as to how the situation would be corrected.

Supt. C. B. Barbee explained that with the aid of jacks, the floor will be raised and shored up high enough for workmen and tools to get under the hardwood. One high spot will be chiseled down and two low places will be filled in to make the concrete base level.

A decision to handle the matter this way was reached in a consultation among the architectural representative, the general contractor and the president of the board of trustees.

Barbee said that the bleachers in the gym were being painted Tuesday and should be completed by Wednesday. A tan-tone porch and deck enamel was used instead of varnish.

Barbee said he expects the gym to be ready for use by Dec. 13 when Bronte's first home basketball game is scheduled, with Roscoe. He said it will be possible to occupy the gymnasium and its approaches before the construction job is completed on the rest of the building. The superintendent said that other facets of the construction job

are going well. Electrical, flooring and heating work are either completed or almost completed.

Donna Sheppard Queen Of Kimble Pecan Festival
