## Engineer To Study Proposed Damsite

A date will be set Thursday night when Bronte city council meets, for a second meeting of the community water committee recently appointed by Mayor Royce Lee.

A meeting of the committee was held July 24, and members voted unanimously to pursue a study of the possibilities of constructing a dam on Live Oak Creek, south of the Colorado River and 4.6 miles from Bronte.

W. L. Eeds of Fort Worth, resident engineer on the Robert Lee dam project and an employee of the engineering firm, Freese, Nichols & Endress of Fort Worth, was in Bronte Tuesday to discuss the project with city officials.

Mayor Lee said that he and

Eeds visited the site and the engineer will compile some data concerning it, which he will present at the next meeting of the committee.

Eeds will determine such information as the drainage area which would serve the proposed reservoir, the yield and the storage capacity.

Mayor Lee appointed the water committee to make a study of Bronte's future water needs. The members are L. T. Youngblood, J. L. Brunson, D. K. Glenn, Clyde Lee and Royce Fancher, plus city council members Horace Grigg, Martin Lee, Marvin Bryant, Bill Clark, Cecil Kemp and the mayor.

In their first meeting the men unanimously decided that a study should be made before need for additional water develops. They decided further, that the Live Oak Creek site appears to have possibilities and warrants a study.

## Junior Rodeo Is Set For Aug. 19

Coke County Roping Club will sponsor a Junior Rodeo in the Bronte Roping Arena on August 19. Young persons up to 19 are encouraged to enter.

Those 13 years of age and under will compete in a junior division and persons 14 through 19 will be classified in the senior division. There will be several events in each division.

A Best All - Around boy and girl will be named in each division and will be awarded trophies. Ribbons will be given winners in the various events.

Boys and girls wishing to enter should see one of the Roping Club members. More details will be given in next week's paper.

### Teen Age Nights Planned

Roping Club officials announced Tuesday that Teen Age Play Nights will be held the next two Tuesday nights in order for local contestants to practice and get ready for the rodeo. The events will get underway at 7:30 p.m. at the roping arena. All young people who plan to enter the rodeo as well as others are invited to participate in the Play Nights.

## AD-LIB-BEN

Numbers are fast becoming more important to us than our names. There are so many numbers we need to remember; else we have to look them up frequently.

Most everybody has a social security number, but few of us remember it. Our town, in post office circles, is no longer known as Bronte, but rather as 76933.

Starting Sept. 1, checks we give on the bank in Bronte will not be cleared unless we use checks which have the banks' number printed on them in magnetic ink. There are credit card numbers, there are insurance policy numbers and many others.

Now, the telephone company is coming out with its new EDDD on Sept. 10. This will involve us with more numbers everytime we make a long distance call. We will have to dial either 112 or 110 as an access number, then dial the area code, then dial the number we want. This will make

## Longhorn Practice Starts Aug. 14; Schedule Given

Coach Cecil Toliver announced late last week before he left for the coaches' clinic, that football workouts, which will begin Monday, Aug. 14, will be held twice daily, at 8 a.m. and 6:30 p.m.

Toliver said that first workouts will be held in shorts, t-shirts and football shoes.

The coach said he is expecting a sizeable squad out this year,

and that prospects look better than usual. Fans are expecting one of the strongest Longhorn teams in many years.

Longhorn fans will get their first look at the Longhorns in action when Class A Santa Anna comes here Aug. 25 for a scrimmage. Another scrimmage is set for Sept. 1 at Merkel, also a Class A school.

The official schedule will start Sept. 8 when the Longhorns travel to Bangs. The schedule is still one game short, Supt. C. B. Barbee said this week. He said that Coach Toliver is trying to fill the Sept. 29 open date with a B team match with some of the larger schools in the area.

The schedule follows:

Sept. 8: Bangs, there  
Sept. 15: Robert Lee, here  
Sept. 22: Ozona, there  
Sept. 29: Open  
Oct. 6: Jayton, here  
Oct. 13: Lorraine, there  
Oct. 20: Hermleigh, there  
Oct. 27: Trent, here  
Nov. 3: Roby, there  
Nov. 10: Forsan, here  
Nov. 17: Open

The first home game this year will be Sept. 15 when the Class A Robert Lee Steers invade Stephenson Field. The Steers will come to Bronte looking for a win, after the shellacking they suffered last year at the hands of the Longhorns.

District play starts Oct. 6 when Jayton comes to Bronte. Only three non-district games are on the schedule, unless the open date is filled.

### CITY LOSING DISTINCTION OF THREE WATER TOWERS

Bronte is losing some of its distinction this week. It will soon be a town with only one water tower.

The city has developed quite a reputation in past months as the smallest town in Texas with three water towers.

However, the city council decided some time ago that the two old towers, which have not been used since the new one was completed, had to go. They found a buyer who offered to tear down the old towers and pay the city \$200 for them.

Workmen for Kan-Tex Tower Co. of San Angelo are now dismantling the old tanks.

### CAR WASH THIS WEEKEND

Members of the 1968 Senior Class of Bronte High School will have a car wash Friday and Saturday at the Gulf, Texaco and Humble service stations here.

The class is trying to raise money to finance the senior trip next spring.

They are running an ad in this week's Enterprise soliciting the business of everyone in the area.

### MARGARET'S FLOWER SHOP MOVED TO DOWNTOWN

Mrs. J. L. (Margaret) Brunson has moved her flower and gift shop downtown. Formerly located in a residence just west of the railroad, the business is now open in the Cumbie Building on Main Street, between Central Drug and Ragsdale's Barber Shop.

Mrs. Brunson said she feels that the downtown location will enable her to serve her customers better, as it will be more convenient for them to come by her shop when they are in need of flowers and gift items.

In an ad in this week's Enterprise, she is announcing the move and inviting everyone to contact her for flower and gift needs. She is planning to have an open house in the next few weeks.

## Robert Lee Girls Take Top Honors In Farm Bureau Queen, Talent Show

Kay Roberts, daughter of Mr. and Mrs. Artell Roberts of Robert Lee, was named Farm Bureau Queen for 1967-68 in a contest held Saturday night in Robert Lee School auditorium. The new queen is a senior in the Robert Lee high school.

She will represent the Coke County Farm Bureau in the district contest to be held in San Angelo Aug. 19.

Runner - up for queen honors was Janet Lee, daughter of Mr. and Mrs. Clyde Lee of Bronte. Miss Lee is a junior in Bronte high school.

Winner of the talent find contest was Della Katherine Dean, daughter of Mrs. Wilson Bryan of Robert Lee. Miss Dean, a recent graduate of Robert Lee high school, played a piano solo.

Runner - up in this contest was Bennie Carol Oglesby of Bronte, daughter of Mr. and Mrs. Ben Oglesby. She is a junior student in Bronte high school. She sang two numbers.

Miss Dean will also represent the Farm Bureau at the district contests in San Angelo. The district contest will be at 8 p.m., Aug. 19, in the Central high school auditorium.

All the contestants will be honored at a reception Saturday afternoon before a practice session. They will also be taken to dinner before the contests.

Veral Smith of Abilene, Farm Bureau Insurance man, was Master of Ceremonies for the Saturday evening program. Judges were from Abilene and San Angelo.

The new queen was crowned by Miss Brenda Scott of Bronte, 1966-67 Farm Bureau Queen.

## Soil Workshop Set For August 9-10

A soil fertility workshop will be held in the Bronte School on August 9 and 10. Mr. James Valentine, area soil chemist, of Lubbock and Mr. John Box, Associate Agronomist, of College Station, will be present to conduct the two sessions.

The work shop will consist of two night meetings, beginning at 8:00 p.m. in the Vocational Agriculture building of the Bronte School. The two sessions will include basic information on fertilizers with special consideration being given to the use of fertilizers in limited moisture situations and the addition of trace minerals. Time will be given to answering personal questions, also.

Coke County farm and ranch operators are invited to attend both workshop sessions.

Refreshments will be served both nights.

## Baptist Revival In Progress Here

Dr. Elwin Skiles, president of Hardin - Simmons University at Abilene is the preacher for revival services being held this week at First Baptist Church. Dr. Skiles has also served as pastor of First Baptist Church in Abilene as well as other churches.

Leading the singing is John R. McLaughlin, Associate for the Church Services Division, Baptist General Convention of Texas.

Services are being held daily at 7 a.m. and 7:30 p.m. and there will be no services Saturday. Sunday services will be held at 11 a.m. and 7 p.m.

Rev. Harry K. Morris, pastor of First Baptist Church, said everyone is welcome to attend the remaining services.

### CREEK TEXACO STATION OFFERS 24 HOUR SERVICE

Creek Texaco Station is announcing this week that they are open 24 hours a day, seven days a week. The station has been staying open around the clock for several weeks, the operators said, but this week they are making public announcement of the 24 hour service.

Creek Texaco offers complete automotive service, offering Texaco petroleum products, wash and grease service, tire service and motor tuneups.

They also called attention to the fact that they have a new phone number which is not listed in the phone directory. The number is 473-5571.

Attention of Enterprise readers is invited to their ad.

## Spanish Teacher Is Employed

Charles Taylor of Dallas has been employed by Bronte School to teach Spanish. He is known to many Bronte area residents, as he presented a pantomime program, sponsored by the Evening Lions Club, a few months ago.

Taylor holds bachelor and master degrees from East Texas State College, and has had teaching experience at Ozona and Cunningham, in Lamar County. He

has been out of the teaching profession the last few years.

The new teacher is not married and is a member of the Church of Christ. He was reared in San Angelo, and in applying for the job, said he wanted to return to this area of the state.

Taylor will fill a vacancy created by the resignation of Darrell Windhaus.

Supt. C. B. Barbee said in addi-

tion to his qualifications to teach Spanish, he is qualified to teach English and French. He also has a conversational knowledge of German, and has had some courses in library science.

Supt. Barbee said, "I think that Mr. Taylor will be a fine addition to our faculty and his knowledge and abilities can be put to good use in Bronte Schools."

### Dried Beans

For those meals that come when you are trying to balance the budget, cook dry beans. Besides being economical, they're good.

You will find an assortment of dried beans that will delight even the most particular bean fancier. And budget-wise, what better meal is there for all-round nutrition?

Just one pound of these luscious dry foods will provide 7 to 9 servings. Heaped with minerals and iron and calcium, these tasty nuggets also contain useful protein that is required to build and repair body organs and tissues.

Supplies of dry beans are available right now. Government take-over of dry beans this year has been very heavy. Enjoy dry beans often.

For those hurry-up summer meals it takes only about 30 minutes for the whole process of pressure cooking beans or whole peas. This time even allows for a slow rise and fall of pressure, which is important in cooking these foods evenly. You will find dry beans do not break as easily when pressure is raised and lowered gradually rather than suddenly. Put some on now — they're good!

Take two precautions to keep beans within bounds and to prevent clogging the cooker vent tube: (1) Add a little fat and (2) fill the cooker no more than one-third full, including water.

Here is the general procedure to follow. After soaking beans and putting them into the cooker with the water and seasonings, adjust the lid, and heat to boiling. Let steam escape for 1 minute.

Put pressure control or indicator on, and over low heat bring pressure up slowly to 15 pounds. Start counting cooking time. When the beans are done, set the cooker off the heat to let pressure drop gradually.

Delight your family with dry beans prepared in a variety of ways. You will be eating with the elite when you serve BOSTON BAKED BEANS. You'll need 2 cups dry beans, 1 1/2 qt. water 1 teaspoon salt, 1/4 pound salt pork, 4 tablespoons molasses, and 1/2 teaspoon mustard.

Soak beans in water. Add salt and boil gently 45 minutes.

Make cuts through the rind of the pork about 1/2 inch apart. Put half the pork in a bean pot or deep baking dish. Add beans and rest of pork, exposing only the scored rind.

Mix Molasses and mustard with the cooking liquid from the beans. Pour over the beans. Cover baking dish.

Bake at 250 degrees F. 6 or 7 hours; add a little hot water from time to time, if beans seem dry. During the last hour of baking remove the lid to let the beans brown on top. This makes 6 to 8 servings.

For shorter baking, boil the pork 45 minutes along with beans. Add molasses and mustard and bake at 333 degrees F. for 3 hours. Remove the lid the last 30 minutes to let the beans brown on top.

For the little different flavor, the U. S. Department of Agriculture recommends putting a peeled onion in the bottom of the pot or adding 1/2 cup chopped onion. Or use 1 tablespoon Worcestershire sauce, 1/2 teaspoon ginger, and pepper to taste. You can add 1/4 cup catsup to the molasses, salt and mustard for a tangy flavor.

### Schedule

Thursday, Aug. 3 — Abilene District 4-H Dress Revue.

Friday, Aug. 4 — Office

Monday, Tuesday, Wednesday Aug. 7, 8, 9 — Office.

## Historical Group Plans Pioneer Day

A meeting of Coke County Historical Survey Committee was held last Friday in the conference room of the courthouse. Mrs. Bryan Yarbrough, president presided at the meeting.

Members present were Mrs. Yarbrough, Mrs. Bob Odom, secretary, Ulmer Bird, Sterling Lindsey, Royce Fancher, Ben Oglesby, W. W. Thetford and Elton Mims. Willie I. Tubb, a member of the advisory council, was also present.

Discussion was held on erecting a historical marker commemorating the "Great Fencing War." The conflict was spread throughout a great area of Texas, but

reached a climax on the L. B. Harris Ranch, three miles west of Robert Lee, when posts and wire worth \$6,000 were burned by the fencing protestors.

The "Great Fencing War" marker was purchased with local funds, matched by state funds, inasmuch as it commemorates a historical event of interest to the entire state and nation.

Further discussion was held concerning having a Pioneer Day in conjunction with the dedication of the marker. Date for the event will be announced as soon as it is set.

## Coke Bond Sales Total \$11,672 in '67

C. C. Allen, Chairman of the Coke County Savings Bonds Committee, reports that E and H Savings Bond sales during the first six months of 1967 totaled \$11,672.00. June sales for the county were \$1,329.00 and 29 per cent of the sales goal has been achieved.

January - June 1967 sales for Texas were \$83,851,046 and 46 per cent to the sales goal has been achieved. This is an increase of 8.6 per cent during the same period last year.

Nationally, sales of Series E and H Savings Bonds totaled \$408 million during June. This is the highest of any June for the past 12 years; 3 per cent more than a year ago. Sales for the first 6 months of 1967 amounted to \$2,617 million — 4.2 per cent above 1966.

### MRS. TIDWELL RETURNS FROM WESTERN TRIP

Mrs. Winnie Tidwell has returned from a two weeks vacation which took her through New Mexico, Arizona, California, and Nevada. She accompanied her son, Theron Tidwell and family of Lamesa on the trip.

The group took the southern route to California, visiting relatives in Tempe, Phoenix and Yarnell, Ariz., along the way. In Riverside they visited Mrs. Tidwell's brother, Buster Hallmark and in San Bernardino, they visited her brother - in - law and his wife, Mr. and Mrs. Alla Tidwell.

While in California, they spent one day at "Marineland," the only three ring sea circus in the world. They also spent one day at Disneyland and another at Knott's Berry Farm. Another day was spent touring through Los Angeles and San Pedro. They took the steamship, "Catalina" to Catalina Island, a trip which requires two hours each way. They spent four hours on the Island. The daughters of the Theron Tidwells went swimming in the ocean at Catalina.

On the return trip the Tidwells took in some of the sights at Las Vegas, Nev., and came on eastward by way of Hoover Dam, the Grand Canyon, Painted Desert and Petrified Forest.

# AS IT LOOKS FROM HERE

By OMAR BURLISON  
Congressman, 17 District, Texas

WASHINGTON, D. C. —About everybody with a pencil has been writing about the riots occurring in our larger cities. About every politician is talking about it. There are about as many ideas as there are talkers and writers. Here is another.

IT SEEMS THAT ONE OF THE MOST SINGULAR and obvious facts in all these disturbances is that they have not been confined to the poverty stricken. There is definite proof that those in what is commonly called the middle class, and in fairly prosperous circumstances, have joined in mob action.

THE PRESIDENT'S COMMISSION WILL ATTEMPT TO analyze the cause and supposedly recommend remedies.

MORE THAN LIKELY THEIR RECOMMENDATIONS Will repeat those which have been made numerous times by other groups, the theorists and reformers. The fine invariably taken by those thumping the tub on this issue is more housing, more schools, more medical care — just more of everything. There are already proposals to provide entertainment for the idle, at Government expense, to sporting events to keep them occupied. A resolution of this nature is before the Congress. Here in Washington, five movie houses are to provide free pictures in the afternoon (the Romans tried it with free circuses but it did not work very well for them).

WHAT WILL NOT LIKELY BE SAID by the President's Commission, and not admitted in official circles, is that too many people have mistaken Civil Rights legislation as a conferment of privilege. Many of those who are supposed to be benefited by Civil Rights legislation have found that they cannot eat it. They have felt that with the passage of several measures guaranteeing "rights" they would suddenly come into the possession of all good things.

IN ADDITION TO THESE MISCONCEPTIONS is another rather obvious fact not admitted by those who honestly believe they are about to cure all social ills by the passage of laws. This factor is the decline of chances of detection and punishment for crime. Fear of prison has long been a natural deterrent to criminal actions, but much of this has been removed by the Courts.

MOBS OF RIOTERS AND PILLAGERS in cities across the land would not take the risk against officers of the law if police had not been deprived of their principal weapons of law enforcement.

OFFICERS OF THE LAW TRAINED TO PULL NO

PUNCHES when they see lawlessness have had to become hesitant to act. They are accused of brutality when they do their duty. Mobs have a way of taking advantage of this situation. A minority creates instant anarchy.

THE EMPHASIS ON "FREEDOM OF SPEECH" allows the agitators into a howling, lawless mob. In past decades our highest Courts have affirmed the principle that public utterances which incite to crime are not immune from prosecution. Today the agitators receive publicity and become heroes and martyrs.

NO LESS A PERSON THAN FORMER Associate Justice of the Supreme Court Charles E. Whitaker had this to say: "While all crime is not due to any one cause it can hardly be denied that a large part of our current rash and rapid spread of lawlessness has derived from planned and organized mass disrespect for, and defiance of, the law and the Courts, induced by the irresponsible and inflammatory preachments of some self-appointed leaders of minority groups to obey the good laws but to violate the bad ones... in other words, the taking of the law into their own hands."

THE RESPONSIBILITY IS BROADER THAN the Courts alone. It is also the hesitancy of politicians in Government to use the powers of law enforcement promptly and intensively for fear of political backfires.

THIS BRINGS TO MIND THE PASSAGE IN I CORINTHIANS: "If the trumpet gives an uncertain sound, who shall prepare himself for battle?" The trumpeters in high places have been giving off uncertain sounds as clear as they hoped the tone would be. The result has been the mob responding to the call of the drums.

THOMAS JEFFERSON IN HIS EIGHTH Annual Message to Congress in 1808, said: "Love of liberty, obedience to law and support of the public authorities... a sure guarantee of the permanence of our Republic."

## REVIVAL IN PROGRESS

A revival meeting is in progress this week at Tennyson Baptist Church. It began last Monday and will continue through next Sunday.

Rev. Reuben Blake of Miles is doing the preaching and Gary Bivins of San Angelo is song leader. Blake is a former pastor of Bronte First Baptist Church and Bivins is presently the choir director in that church.

Everyone is invited to attend the remaining services being held at 10 a.m. and 8 p.m.

## New Tax Exemptions

Mr. and Mrs. Vernon Jackson are parents of a daughter born July 31 in Clinic Hospital in San Angelo. She has been named Judy Fay. The new baby has a brother, Thomas Jess, age 4. Jackson is an employee of West Texas Utilities Co. An interesting note is that the little girl was born one day before her mother's birthday, which is Aug. 1.

Linda Whalen, daughter of Mr. and Mrs. Joe Blake Whalen of Fort Worth, is visiting her grandmother, Mrs. Olga Whalen.

## YOUTH CHOIR TO MEET THURSDAY

The community youth choir is to meet today (Thursday) at 6 p.m. at First Methodist Church to discuss plans and practice for an appearance in San Angelo later this month. All young persons who have sung with the choir and those who wish to do so are asked to be present. Tommy Walter will meet with and direct the choir.

On the basis of their performance in McCamey last month, the choir has been invited to sing in San Angelo in August and in Abilene in October. All young people in the community are invited to be a part of the choir.

## PERSONALS

Visiting with the H. C. Mturishaws last weekend were her brother and family, Mr. and Mrs. Wayne Roberts, Kim and Waynette of Jal, New Mexico.

Ann Harris arrived home last week after completing the first summer semester at the University of North Carolina at Chapel Hill. She will visit her parents, Dr. and Mrs. John R. Harris, and return to the University of Texas in September.

Guests this week of Mrs. F. S. Higginbotham are her daughter, Mrs. Bill Meyer, and her granddaughter, Amy Jane Hughes, both of Houston.

## Music Appreciation

I am not a musician, but as I write this I think back and realize how my taste in music has changed. Early in life, it took only the simplest childhood jingles to please me, then in school I was trained and taught to appreciate more intricate music. All through life I feel that my knowledge of... and appreciation for music has grown and matured.

Through study and help from others, I have also grown as a Christian and have a better appreciation of my Lord.

My knowledge of, and love for God increases with each church worship service... This way of life and worship, I would recommend to anyone. Won't you try it... Start by attending church this Sunday.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny, the truth which alone will set him free to live as a child of God.

**Mrs. R. Fancher In HE Workshop**

Mrs. Royce Fancher, homemaking teacher in Bronte High School, is participating in the State In-Service Education Conference for Homemaking Teachers being held at the Shamrock-Hilton Hotel, Houston, this week. The meeting theme is, "Homemaking Education — Evaluation and Direction." Guest speaker for the opening session Monday night was Dr. Donald O. Clifton, Association Professor of Educational Psychology, University of Nebraska Teachers College.

Mrs. Fancher made the trip by plane from San Angelo.

Conference topics include: unique contributions of home economics to vocational education; program evaluation; up-dating curriculum; developing gainful employment programs; provisions for establishing quality programs and challenges for an effective over-all homemaking education program.

Nationally known consultants are leaders for the general sessions. Consultants from the State Department of Education in Austin are also present.

The Fourth Annual meeting of the Vocational Homemaking Teachers Association is being held today (Thursday).

More than 2000 teachers were expected for the meetings.
