Longhorns Get 4 Berths On All-State FB Teams

Bronte High School's great 1967 football team received a lot of recognition late last week when three of its members received four spots on the first and second All-State Class B teams. Selections were made by the Texas Sportswriters Association.

Money Allocated For Coke Children

A telegram received Tuesday from Congressman Omar Burleson indicated that \$19,062.04 in federal funds has been allocated for Coke County children.

The telegram read: "Pleased to announce \$19,062.04 Office of Education grant to the state for 118 Coke County children in low income families, age 5 to 17, under Elementary and Secondary Education Act. Omar Burleson."

No details of the method of distribution were received, but it is presumed the money will be made available to local children under the Economic Opportunity program. Some local children now receive similar aid through jobs at school.

Services Held For Mrs. Marquez, 79

Funeral services for Mrs. Isabella Marquez, 79, were held at 10 a.m. Monday in St. James Catholic Church here. Burial was in Fairview cemetery directed by Williams Funeral Home.

Mrs. Marquez died last Friday in Houston while visiting her daughter, Mrs. Valentina Flores. Born in Mexico, she had lived in Bronte 40 years.

Survivors include six daughters, Mrs. Flores, of Houston, Mrs. Juanita Fuentez of Tularosa, N. M., Mrs. Sophia Sanchez of Bronte, Mrs. Mary Samaniego of Odessa, Mrs. Frances Vesquez of Midland and Mrs. Cruz Hernandez of Monahans; a son, Charles Marquez of Odessa; 29 grandchildren and 13 great grandchildren.

Also getting a spot on the first offensive team was Davis Corley, the Longhorns' lanky pass-snatching end who accounted for a sizeable number of scores.

Brian Richards, the biggest man of the Bronte line, was named to a tackle position on the second offensive team.

The fourth spot also went to McCutchen, who was named to a linebacker spot on the second defensive team.

Leonard, in North Texas, was the only other school to land two spots on the mythical teams.

The only other area player to land a spot on the first team was Louis Rose, Loraine lineman.

Boys, Girls Take Wins In First District Games

Both boys and girls basketball teams of Bronte High School got District 67B play off to a fine start Tuesday night when both the lads and lassies defeated their visitors from Sterling City.

The boys trampled the Eagles, 77-44, while the girls squeaked by, 51-47, in a thriller.

Norma Pruitt was highpointer for the girls with a big 25; Kreta Kilker posted 10; Melissa Lee had 9, and Linda Carlton made 7.

In the Longhorns' contest, Davis Corley took top honors with 24; David Glenn, Robert Galloway and Charles Masterson each made 10 and Doug McCutchen went for 8.

Fans will be treated to another home game Friday night when Water Valley comes here. Games start at 6:30 p.m.

been encountered by the Longhorns during the season made the second team: Tommy Stephens of Bangs; Charlie Miller of Fort Hancock; Gary Moore and Johnny Scott of Wilson.

There is no doubt in the minds of local fans that the 1967 Longhorns were the best Class B team in Texas, and the representation given them on the all-state teams strengthens that position.

LOCAL LIONS TO ATTEND MID WINTER CONFERENCE

Austin Masterson, H. O. Whitt, Horace Grigg, J. F. Hughes, L. L. Wilkins and Elmer Hurley will be in Junction Saturday to attend the mid-winter conference for District 2-A1 Lions Clubs.

A total of 1,038 Coke County voters had registered up to Tuesday noon, according to O. B. Jacobs, county tax assessor collector. Jacobs said he is well pleased with the number who have registered so far.

Services Held Wednesday For Joe Lee Scott, 38

Funeral services were held Wednesday at 3 p.m. in Central Baptist Church in Bronte for Joe Lee Scott, 38, of Jal. N. M. He was a native of Bronte and was a graduate of Bronte High School.

Officiating at the services were the Rev. Wayne N. Stout, pastor, and the Rev. Donald F. Pruitt of Dallas. Burial was in Fairview Cemetery under direction of Williams Funeral Home.

Mr. Scott died at 1 a.m. Tuesday in Shannon Hospital in San Angelo where he had been a patient for a short time.

Mr. Scott was born March 11, 1929, in Bronte, the son of Mrs. Faye Scott and the late Walter Scott. He grew up here and graduated from Bronte High School in 1947.

He was married to Ouida Beaver July 19, 1950, in Robert Lee. He was an accountant for El Paso Natural Gas Co. He served in the armed forces during the Korean War, and was a member of the Baptist church.

Survivors include his wife; a daughter, Donna Scott of the home; his mother, Mrs. Faye Scott of Bronte; three brothers, James Weaver Scott of Maryneal, Kenneth R. Scott of Monahans and Danny Ray Scott of Tomal, Calif.; and a sister, Mrs. Noah (Dorthey) Pruitt Jr. of Bronte.

Pallbearers were all cousins and included Bobby Scott, Darwin Scott, Delbert Coalson, Cecil Coalson, Ralph Scott Jr., Doyle Scott, Noel Dean Scott and Merritt Joe Scott.

He said the figure is hard to compare with the number of eligible voters in the county in previous years, since during comparable years when major elections have been scheduled, those over 60 years of age were not required to pay a poll tax or register.

With the abolition of the poll tax, and the adoption of new voter registration laws in Texas, every person who wants to vote in any election has to register.

Overs Must Register
Jacobs said he wants to emphasize the requirement for those over 60 to register. Also, persons who will become 21 during 1968 must register. Deadline for all voter registration is Jan. 31.

This newspaper is cooperating with a campaign instigated by Secretary of State John Hill to get a maximum voter registration in Texas. An application blank is being printed on page 7 of this issue for the convenience of those who wish to mail in their applications.

Those who go to the tax assessor's office will be supplied with an application blank, but the one published in this newspaper may be used.

Jacobs said his guess on the total number who will register is purely speculation, but he estimated that between 1600 and 1700 voters would register before the Jan. 31 deadline.

Deputy to Bronte
A deputy from Jacobs' office will be at First National Bank in Bronte Jan. 23, 25 and 26 to register voters. Jacobs said he felt this additional service would make it easier for voters on the east side of the county to register.

Edward Rawlings Named Bank VP

Edward Rawlings was elected an honorary vice president of First National Bank when shareholders gathered for their annual meeting. Only other change in the officer personnel was the election of Mrs. Jerry (Wanda Belle) Parker to the position of assistant cashier.

Other officers of the bank include L. T. Youngblood, chairman of the board and president; Earl F. Glenn, executive vice president; B. D. Snead, vice president and cashier; Mrs. Charlie Boecking, assistant cashier.

HAMES FUNERAL SERVICES HELD AT CROSBYTON
Mrs. F. S. Higginbotham returned to Bronte the latter part of last week after staying two weeks with her daughter, Mrs. Warren Hames in Crosbyton. Mrs. Higginbotham went to Crosbyton after being notified of the death of her son-in-law, Warren V. Hames, on Christmas Day.

Mr. Hames, 67, died in a Crosbyton hospital after a short illness. He was a former resident of Bronte, and with his brother, operated a Chevrolet agency here many years ago. He and Mrs. Hames were married in Bronte.

Survivors include his wife; a brother, Quincy Hames, and a sister, Mrs. Roland Artley, all of Crosbyton.

Coke Youths To Show Animals At Abilene

By STERLING LINDSEY

Coke County 4-H club members will go to Abilene with a flock of animals this Sunday. Twenty-five club members will exhibit 41 animals in the Abilene Show next week.

The migration starts Sunday morning, the day for weighing in, ear tagging, and doing some of the last minute lamb grooming.

The lambs will show Monday, the pigs Tuesday morning, and the steers Tuesday afternoon. The show's auction sale will be held Wednesday.

Fourteen members have 22 head of lambs entered at Abilene. These include Walter Tinkler with three lambs; Mark Matlock, Jeania Tinkler, Lane Beaty, A. J. Roe III, Jan Magness, Linda McDaniel, David Balderas, and Riley Waldrop with two lambs each. Eddie McDaniel, Kathy, Konny and Jay Service, and Johnny Balderas have entered one lamb each.

Marvin Simpson, Jr., and Darrel Pitcock will try their luck with their two steers, while 11 others will be showing pigs. The swine entries are owned by Rhonda Askins, Darrel Pitcock, Edwin and Sue Lindsey with two pigs each; and Sharon, Rebecca and Audrey Walker, Terry Wojtek, Eddie McDaniel, Sheri Pitcock and Lesa Lindsey with one entry each.

We recently received copies of the 1968 Farmers Income Tax Guide; also, supplements on the community property law, Document 5192. Anyone wishing to have copies of the guide or supplement, should give us a ring or drop by the office.

In addition to the tax guide, we received a news article that may be of help to you as you prepare for this annual event.

Completed returns must be filed by February 15 unless the farmer or rancher has already elected to file an estimated income tax return. If an estimated return has been filed, he or she has until April 15 to file a complete return.

Farm business income and expenses should be included on Schedule F of Form 1040. Gross agricultural income includes receipts from crop and livestock sales, legislative program payments, qualifying patronage dividends, cash rental income and crop insurance proceeds.

On the other hand, farm expenses include such items as hired labor, repairs and maintenance, taxes, crop insurance premiums, interest on mortgages, cash rent payments, conservation costs, feed, seed, fertilizer, fuel, oil and other purchased supplies, storage costs, record books, qualifying farm organization dues and marketing and advertising costs.

Investment credit restrictions were relaxed after March 9, 1967. Qualifying credit may be claimed subject to the limitations covered in the "Farmer's Tax Guide."

Breeding livestock held over for one year may qualify for capital gain treatment. In this case, only one-half of the realized gain is included as taxable income. Schedule D in the tax guide offers additional examples.

Another point worthy of consideration is that qualifying soil and water conservation expenditures can be claimed up to 25 percent of the gross agricultural income from farming or ranching. Any excesses can be carried into succeeding years.

The operator may elect to include land clearing expenses in-

curring to make such land suitable for farming or ranching. This amount cannot exceed \$5,000 or 25% of the taxable farm income, whichever is less. Any excess expenditures must be capitalized. This election applies only in the year for which it was made.

Personal expenses may be itemized if they are greater than the standard deduction allowed. Such items as contributions, interest on personal loans, personal property taxes and medical and dental expenses are examples. The minimum standard deductions may be used where beneficial.

Tax authorities point out also the value of farm and ranch income tax management. Many dollars can be saved or, put another way, incomes can be increased through good tax management.

Most Coke County operators are feeding their livestock now days to tide them over the period in which little food is available in pastures, the winter time. On the other hand, very few operators are feeding the plants that feed the animals. In some cases, usually in the heavier soils, additions of plant foods or fertilizers will not provide a greater net return. But, in many

of our sandy and sandy loam soils fertilizer of the kind the plant needs will pay dividends.

Now that our moisture situation looks very favorable, we sincerely hope fertilizers will be given some consideration. The small grains we have started should give a definite response on the lighter soils with the moisture we have stored.

Two points need to be mentioned regarding usage of plant foods. One, a soil test is recommended to determine exactly what ingredients in what amounts are needed. Secondly, the fertilizer should be applied early enough that it will be in a useable state when the plants begin their push. Normally this would be somewhere near February 15.

Make plant food, your food for thought. Think on it awhile — now.

Mr. and Mrs. Charles Ragsdale went to Buffalo Gap Sunday to visit Mr. and Mrs. Bennie Ragsdale. Mr. and Mrs. Choyce Ragsdale of Tuscola were also present. Mmes. Charles and Choyce Ragsdale went on to Abilene to attend an Eastern Star school of instruction and also visited in the Charles Escue and Kenny Roberts homes.

THE KREMLIN LOVES MONOPOLIES

Nicolai Lenin, who wrote the blueprint for Communist domination of the world, in his writings called attention to the fact that America would be the last to succumb to Communism because of the resistance of the vast number of small business enterprises then existing in the United States. And it is significant that of all the world's nations, the United States is the only one with anti-trust laws.

Waldrop, A. R. Coalson and Wayne Dunnam.

recreation committee — Mmes. Pat Rives, Floyd Brown and Floyd Harmon.

Other business included setting date for Council Committees to meet to make plans for the year, and setting date of February Council for Feb. 20.

Mrs. Curtis Walker, secretary-treasurer, read the minutes from the December meeting and gave the treasurer's report.

Mrs. Fay C. Roe, County Home Demonstration Agent, gave a report on her November and December activities and announced her schedule for January.

HERE'S BLACKWELL

By Mrs. Rocky Thompson

Blackwell FFA students, under sponsorship of James Jeffrey, won several awards at the Sweetwater Livestock show Saturday in the coliseum. They were as follows:

Lambs, light weight, fine wool, 1st, Cindy Robertson, 2nd; lambs, light weight, crosses, Cindy Robertson, 1st and 3rd; lambs, light weight, fine wool, Steve Lynn, 1st., Cindy Robertson 2nd; lambs, medium weight, fine wool, Ricky Conradt, 4th.

A number of scheduled meetings, including the cancer film to be shown by the Omega Coteri, were cancelled during the last two weeks because of the bad weather and much illness in the community. The film will be announced for a later date.

George Russell, Mrs. Bertha Wallace and Mrs. Rocky Thompsons are patients in Simmons Memorial Hospital in Sweetwater.

Carl Littlefield of Stephenville was transferred by ambulance Saturday from Hendricks Hospital in Abilene to the home of a daughter, Mrs. D. D. Daniels in Stephenville. He is a former resident of Blackwell and is a brother-in-law to Mrs. A. S. Hendry and R. D. Nabors.

Beta Beta Chapter of Beta Sigma Phi met Jan. 9 in the home of Mrs. Ken Garner. Mrs. John Linn, president, presided. The program on "pictures" was presented by Mrs. Gaylon Woodward. Each member painted a picture in oil. Others present were Mmes. Jimmy Jeffrey, Pete Boon and Bill Allen.

Lans Oden, daughter of Mr. and Mrs. T. J. Oden and a sophomore home economics student at Texas Woman's University in Denton, was one of 40 students at the university to volunteer to serve as girl scout leaders at the Denton State School. The troops are made up of mentally retarded girls, age 9 through 11. The girl scouts take part in a modified program adapted to meet their special needs.

Three Men Indicted By Coke Grand Jury

A Coke County grand jury met Monday and handed down three indictments. All three of the true bills charged theft.

Bill Brown of San Angelo was indicted for felony theft over \$50. The case involves 220 joints of oil field tubing.

Charlie Walls of Robert Lee and Alton Wayne Rogers of Blackwell were charged with burglary over \$50. They are charged with taking saddles belonging to Elton Millican and Marvin A. Simpson. Both men have been free on \$1,000 bond since they were charged last September.

The cases are on 51st District Court docket for the February term of court.

Condemnation Suit Being Heard This Week At R-Lee

County court is in session this week at Robert Lee hearing an appeal of an award for land which is being condemned for inclusion in the Robert Lee Reservoir.

Colorado River Municipal Water District is appealing the award of almost \$1 million made to Mrs. Helen Harris Wilcoxson of San Angelo and others for the 4,014 acres involved in the suit. The award was made by a three-man board last September.

Land involved in the suit is part of the old John Saul Ranch headquarters.

A jury made up of Eddie Alexander and J. H. Phillips, both of Bronte; J. L. Tinkler and L. E. Wink, both of Robert Lee; Arch Mathers of Silver, and Joe Ward Jr. of Blackwell, is hearing the case.

O. H. Ivie of Big Spring, general manager of CRMWD, spent part of Monday afternoon and all of Tuesday morning on the witness stand. He told something of the scope of the lake project and was questioned extensively by attorneys for the defendants, particularly about land and mineral values on Lake J. B. Thomas.

Cumbie Ivey Sr. and O. H. Campbell testified as to land values in this area. L. B. Menielle of San Angelo, who owns property adjoining the land in question testified as to what he thought the land is worth. George M. Thompson of Sweetwater, real estate man and licensed land appraiser, said he though the river bottom land was worth \$150 per acre, and the price would range downward to \$45 an acre for rough creek land.

The awards made last September include \$764,515 for surface and damages to the remaining land including mineral rights and water rights owned by Mrs. Wilcoxson; \$142,718.80 to Mrs. Patricia Steph and Mrs. Gwin L. Tucker for damages of half interest in minerals and half interest in water rights; and 9,452.50 to Mrs. Sadie Gwin Blackburn for one-quarter interest in mineral rights.

County Judge W. W. Thetford is presiding over the case.

SCHOOL ASSEMBLY JAN. 29 ON "SAND PAINTING"

Keith Parr, sand artist, and Jackie Lester, his assistant, will present a school assembly Monday, Jan. 29, at 8:30 a.m. in the school auditorium. He will present European style sand painting. The assembly is under sponsorship of Southern School Assemblies.

Sand painting is billed as an ancient Biblical art, which was used also by the American Indians.

It is billed as beautiful, entertaining and educational. The public is invited to attend.

MRS. GEORGE THOMAS SOROSIS CLUB SPEAKER

Mrs. George Thomas was the guest speaker for the Sorosis Club when it met Jan. 4 in the home of Mrs. A. S. Masterson.

Waldorf cake, cheese snacks, coffee and cold drinks were served to two guests, Mrs. Cumbie Ivey Jr. of Robert Lee, Mrs. Thomas and Mmes. C. B. Barbee, C. C. Boecking, Davy Crockett, Royce Fancher, Clark Glenn, Clyde Lee, Royce Lee, W. D. McDonald, Joe Rawlings, Waymon Perciful and Masterson.

HemisFair Exposition Making Real Progress

HemisFair '68 is off the ground in a big way. The five story top of the Tower of the Americas is being lifted to the dome of the 622-foot structure, and the Swiss Skyride is in operation.

Both events point to the thing that everyone has begun to believe. The World's Fair is not far away.

With the turn of the New Year, the realization that the April 6 opening was just around the corner became evident. That was when people stopped referring to the \$156 million spectacular as the World's Fair that "will be held next year."

The Swiss Skyride became operational Dec. 23, and met immediate success. A total of 5,700 persons took the 10-minute aerial tour across the grounds during the Christmas weekend alone.

There's less than 100 days to go for the big extravaganza, and everyone connected with it is acting like a proud father. Just a short time ago, the area in downtown San Antonio was ticketed for Urban Renewal.

HemisFair came along and turned it into a \$156 million jewel box which really defies description.

It has gone up like clockwork. And, when it is ready for the curtain call April 6, it truly will be something to see.

The focal point will be the Tower of the Americas, tallest in the western hemisphere. It will have a revolving restaurant at the top, a view of 100 miles around, and has been set up to handle 1,750 people per hour on the two observation decks.

But, no matter how awesome it is, the Tower is only one small part of HemisFair. There will be more than a score of foreign countries showing off their products and culture, a host of private exhibitors, the United States exhibit and at least two state pavilions.

What really makes these pavilions good to the budget-minded traveler is they are all free after admission to the grounds.

Of course, there is plenty more, and it won't be all culture and business. Fiesta Island, HemisFair's answer to Coney Island, will have a multitude of rides for all ages, including many that have never before been available in this country.

The fun theme will be emphasized at Bell Telephone's exhibit at the 92.6-acre fair. Included in the pavilion will be a picturephone and numerous other electronic marvels including tic tac toe on an electric board. (Word is you can't beat the machine, only tie it.)

The 10,000 square foot exhibit, which is ready for use, is being staged by Southwestern Bell Telephone Co. in conjunction with American Telephone and Telegraph Co. and Western Electric Co.

Other gadgets in the pavilion will be an age guesser, in which the machine narrows down your age with just a few guesses; a voice mirror, which records a person's telephone voice and plays it back, and a pitch machine, which sounds a tone and the visitor presses a button to try and match the machine's tone.

There will be plenty of room for visitors to the big event. There are already 6,000 hotel-motel rooms in Bexar County and another 5,500 units within 90 minutes driving time from San Antonio.

On top of that, 2,000 more are being built in San Antonio, and the building boom extends along all routes leading to the World's Fair city.

To make early reservations, contact Visitor Services Inc., a non-profit organization which has set up a referral service to handle the flood of requests. VSI, (P. O. Drawer H, San Antonio, Tex. 78203) already has handled more than 13,000 requests for more than 43,000 bed nights during the fair with 100 per cent success.

Governor John Connally differs with HemisFair estimates of the expected attendance during the April 6-Oct. 6 spectacular. Hemis-

Fair estimates "at least 7.2 million", using figures from a private survey.

Connally, who is Commissioner General of the big event, feels that this is too conservative.

"They can say 7.2 million if they want, but personally I believe it will reach at least 10 million," the governor says.

New Car Tags Are Here, Go On Sale February 1

New 1968 vehicle license plates have been received by the Tax-Assessor-Collector O. B. Jacobs and will go on sale Feb. 1. The new tags are black with white lettering, and will have an added feature this year. Besides bearing the name "Texas" and the year "1968" they will also bear the word "HemisFair" to advertise the gigantic exposition set for this year at San Antonio.

Vehicle owners will be required to take four items with them to the tax collector's office when they go to purchase plates: certificate of title, 1967 license receipt, current residence address and zip code.

State law requires each owner to register his vehicle in the county in which he resides and to present his title as evidence of ownership.

The 1967 session of the Texas Legislature changed passenger license fees and established a minimum fee of \$5.30 for all vehicles, including boat trailers.

The new rates for passenger cars are: up to 3,500 pounds, \$12.30; 3,501-4,500 pounds, \$22.30; 4,501-6,000 pounds, \$30.30; more than 6,000 pounds, 55c per 100.

Jacobs said he has received new plates in the following quantities: passenger cars, 1830; truck, 650; farm truck, 475; truck tractor, 30; farm truck tractor, 6; trailers up to 10,000 pounds, 200; trailers 10,000 to 18,000, 25; trailers, 18,000 to 32,000, 25; house trailers, 15; motorcycles, 15; farm trailers, 75; federally owned vehicles, 7; machinery vehicles, 10.

Longhorns Win Championship Title Eden Tourney; Girls Win Third Place

The Bronte Longhorn basketball team had little trouble taking championship honors at the Eden tournament last weekend. The girls team fell to a powerful unit from Eldorado and had to be satisfied with third place honors.

Boys Games

Play for the locals began Friday afternoon when they took a 65-47 win from Junction. David Glenn was high man with 17, closely followed by Davis Corley with 16; Doug McCutchen sank 12, Charles Masterson made 11, and Randy Barbee tossed through the hoop for 8.

The team was at a disadvantage in its second game Saturday morning when three of the starters were absent, taking college entrance exams. However, Masterson and Barbee received a lot of help from reserves and the team came out on top of a 46-35 score with Water Valley. Masterson was high with 19; Willie Zuniga was second with 15, and Barbee went for 7.

In the championship finals, the local lads swarmed all over Paint Rock, taking a 76-45 win. Corley and McCutchen tied for top honors with 17 each; Masterson made 14; Glenn sank 11 points; Robert Gallaway made 8, and Barbee accounted for 7.

Girls Games

The girls defeated Junction 45-40, in their first game Friday afternoon. Norma Pruitt was the leading scorer with 25; Kreta Kiker made 12 and Melissa Lee sank 8.

Eldorado smashed the Bronte girls Saturday morning with a 46-25 score. Pruitt made 13, Kiker 9, and Lee 2.

In the play for third place Saturday afternoon, the girls went past Paint Rock, 50-46. Pruitt had a gigantic 31 points, while Kiker had 15, and Lee made 4.

All-Tournament Teams

Charles Masterson and Davis Corley made the boys all-tournament team, while Jolene Vaughn was the lone Bronte player on the girls all-tournament selection.

Abilene Police Nab 2 Theft Suspects

Abilene police have arrested two men and charged them with the theft of some \$1,200 worth of construction equipment. The equipment was taken about five miles east of Bronte in Runnels County from the site where a telephone relay station is under construction.

Arresting officers found the stolen equipment and confiscated it. Holding the pair on suspicion of felony theft, Abilene officers notified Runnels County Sheriff Don Atkins and warrants were issued for their arrest.

Runnels deputies Mickey Brown and Johnny Wilson and Ranger Ralph Rohatch went to Abilene and escorted the pair to jail in Ballinger.

H. R. SEDBERRY ON USS BENNINGTON
 USS BENNINGTON (CVS-20) (FHTNC) Jan. 8 — Fireman Apprentice Hopkins R. Sedberry, USN, son of Mr. and Mrs. Peyton H. Sedberry of Blackwell, participated in "Bead Stringer" as a crewmember aboard the anti-submarine warfare support aircraft carrier USS Bennington.

"Bead Stringer," a U. S. First Fleet training exercise, was held off the coast of Southern California and lasted from January 4 through the 13th. It was planned to prepare the 23 ships and nine air units that participated, for conditions prevailing in Southeast Asia.

The exercise included advanced training in surface warfare tactics, anti-submarine, air and PT boat warfare operations, and shore bombardment. It was highlighted by surface-to-air missiles fired against drone aerial targets, live rocket and bombing attacks against targets in the San Clemente and Chocolate Mountain impact ranges, surface gunnery and air strikes to sink the target ship Ex-USS Abercrombie.

BHS Students To Hear Health Career Program

Bronte High School students attended a guidance seminar Wednesday at First Baptist Church in San Angelo. The seminar sought to acquaint students with careers in the field of health. It was sponsored by the Small School Association of Texas in conjunction with the Texas Personnel and Guidance Association, 15 paramedical associations, and the Texas Hospital Association.

A total of 550 students from area high schools were expected to attend. Schools represented were: Paint Rock, Blackwell, Bronte, Nolan, Eola, Norton, Robert Lee, Trent and Water Valley. The students had a full day's activities, including section meetings in 15 medical and paramedical specialties and field trips to six exemplary medical facilities. The keynote for the general session was Spencer Guimarin, director, Health Careers Program, Texas Hospital Association. Guimarin has had much experience speaking to and motivating high school students. His subject was "You—Health Careers—and the Future."

The 550 participating students ranged from 13 to 18 and were chosen to attend the Health Careers Day Program by their school counselors and administrators.

San Angelo hospitals were hosts for the meeting. All San Angelo medical facilities provided consultants and field trips. The entire program was coordinated by the Texas Hospital Association Health Careers Program as a part of its statewide student services program.

This was the fifth such program to be held in the state. Purpose of this and future programs is to impress upon students the many opportunities available in health careers throughout Texas. Many of today's students must be directed into health occupational fields, Texas Hospital Association officials declare, if hospitals and other health related facilities are to keep up with the demand for care and service.

Mrs. Willie B. Millikin left Monday for Floydada to visit in the home of her son, R. J. Millikin, and family. She is helping care for the family while Mrs. R. J. Millikin is ill and in the hospital.

BLACKWELL RITES HELD FOR FORMER RESIDENT

Funeral services for Mrs. Winnie Jones, 72, were held at 3 p.m. Wednesday in Blackwell Methodist Church with burial in the Blackwell cemetery. An earlier service was held at 10 a.m. Wednesday in Asbury Methodist Church in Lubbock.

Mrs. Jones, a former Blackwell resident, died Monday afternoon in a Lubbock hospital. She had been ill about one month.

She was married to Charles B. Jones of Blackwell, who died in 1933. She had lived in Lubbock for the past 37 years.

Survivors include two sons, Charles W. Jones of Ballinger and Byron A. Jones of Corpus Christi; one sister, Mrs. George Hartin of Lubbock; one brother, Lee Lackey of Blackwell; and seven grandchildren.
