DISPLAYS BUTTONS — Elmer Hurley, Bronte Lions, displays his collection of buttons collected at last year's International convention in Chicago and this year's in Dallas. Hur-

ley said he has about 80 buttons on his vest and cap. Buttons are collected by trading with other delegates to conventions.

Four Local Lions Attend 51st Annual Convention; District 21A Is Honored

Four Bronte Lions and one of their wives attended the 51st Convention of Lions International last week in Dallas. Included in the Bronte delegation were Mr. and Mrs. Elmer Hurley, Austin

Masterson, Bill Landers and Charlie Taylor.

Approximately 60,000 delegates and members of their families from all over the world were present for the business sessions.

Special honors went to this Lions District for winning the Melvin Jones Award three years in a row. This is the first time a district has accomplished this feat. Membership in district Lions Clubs jumped from 3,092 to 3,401 in the past three years.

Hurley was also presented a Melvin Jones award for his work in securing new members. He is serving this year as deputy district governor, and next year will be extension chairman for District 21A.

All the delegates reported a fine convention with many inspiring talks from Lions Club Leaders all over the world.

Mrs. Masterson and a friend, Mrs. Jim Johns of Abilene, spent the time in Mount Pleasant with her parents, Mr. and Mrs. C. E. Johnson.

Hospital to Have Immunization Day

Bronte Hospital is cooperating with the State Health Department and Bronte School in an effort to make sure that all children, as well as adults, have received all the immunization shots recommended.

Records of school children are being transcribed by hospital office workers onto cards which will be kept for permanent immunization records.

A day for giving shots and other immunization serums will be announced in the next several days, so that parents can make plans to have their children on hand to receive the medicine.

Included in the recommended immunization program are serums for diphtheria, tetanus, polio, measles, smallpox and typhoid.

More information will be published in future editions of The Enterprise.

Petitions calling for an election on the consolidation of Bronte and Norton Schools were filed last Thursday with Runnels and Coke County judges.

Mrs. Russell Carlton filed a petition with Judge W. H. Rampy in Ballinger calling for the election in the Norton School District and Royce Lee filed a similar petition calling for the election in the Bronte School District with Judge W. W. Thetford.

The petition circulated in Norton District was signed by 28 resident voters, while the one circulated here had more than 30 names on it.

Filing of the petitions calling for the election came as a result of a fire on June 8 which destroyed the Norton's School's main classroom building. A number of meetings were held and reports were made that the board of trustees voted to construct a new building of suitable size for conducting a school for grades 1 through 6.

However, early last week there was considerable speculation that the Runnels County Board of Trustees planned to annex the Norton District to Ballinger District.

Church of Christ Meeting Planned

Lloyd E. Ash of Abilene will be the evangelist for a series of services next week at Bronte Church of Christ. Ash will be well known to many local residents since he conducted a meeting here in 1966. Cecil Cox, minister for the church, will lead the singing.

The special services will begin Monday evening, July 8, at 7:30 p.m. Services will be held at 7:30 a.m. and 7:30 p.m. each day next week through Saturday and at the usual time on Sunday.

Cox issued an invitation to come and hear this young evangelist during any or all of the services.

Persons circulating the petition in Norton District said they felt the election should be called in order to give voters of the district a chance to decide for themselves the future of their children's education, rather than having it decided by the Runnels County school board.

Elections will have to be held simultaneously in the Norton and the Bronte District and both will have to carry in order for

Public Meeting Set for July 13

A public meeting has been called for Saturday night, July 13 for the purpose of explaining any part of the Bronte School program in which Norton residents are interested. The meeting was set up at a meeting of Bronte School trustees Tuesday night.

Supt. C. B. Barbee said an effort will be made to answer all questions truthfully and to present all the information possible to Norton District residents. He said a special invitation would be mailed to each Norton voter.

Norton's superintendent and board of trustees will be asked to attend the meeting and take part in the discussion and exchange of information.

Bronte residents are also invited to attend the meeting, and participate in the talks.

Bronte to Take July 4 Holiday

Most Bronte business firms will close Thursday (today) in observance of Independence Day. July 4 marks the 182nd anniversary of the signing of the Declaration of Independence.

First National Bank will be closed, as will the post office and city hall.

A few business firms will remain open to serve local and transient customers, but for the most part, the city will be closed.

the two schools to consolidate.

Lower Taxes

Bronte School officials say they would be able to provide Norton School students with first class educational facilities at a lower cost to property owners than can either Ballinger or Winters, the other two school districts which lie adjacent to the Norton District.

Supt. C. B. Barbee said this week that three factors are paramount in determining the amount of taxes a property owner has to pay: (1) the tax rate per \$100 valuation; (2) the percentage of the actual value of property used in setting valuations and (3) the actual value of the property.

"I know there is no question but that school taxes in the Bronte District are lower than those in either Ballinger, Winters or Norton Districts," he said, "when one considers the actual value of similar properties in all the four districts."

Bronte's tax rate is slightly higher than Winters' or Nortons', but valuations are among the lowest in the state, Barbee said. For instance, he said, pasture land is valued at \$4 to \$7.50 per acre, while land in cultivation, according to Tax Assessor-Collector B. D. Snead, averages approximately \$12 per acre.

New Building

School officials at Bronte also pointed out that the school has a completely new high school, air conditioned and with underground facilities to care for any storm shelter needs which may arise, and can also be used for a civil defense shelter.

The Bronte Elementary School is also practically new, and its condition is rated as tops by state education authorities. It is completely free of indebtedness and the schedule for retiring the debt against the new high school is adequately taken care of within the present taxing setup.

Not only has the physical plant grown in recent years; the number of students has also increased. Figures show that the student enumeration figure of 1967 over 1966 amounted to 49 students, a gain of 18.91 per cent.

Likewise the number of students in the district for the 1968 school term shows another big jump, with an additional 39 pupils for another increase of 12.66 percent. These figures indicate an increase of 88 in the scholastic enumeration of the district in the last two years.

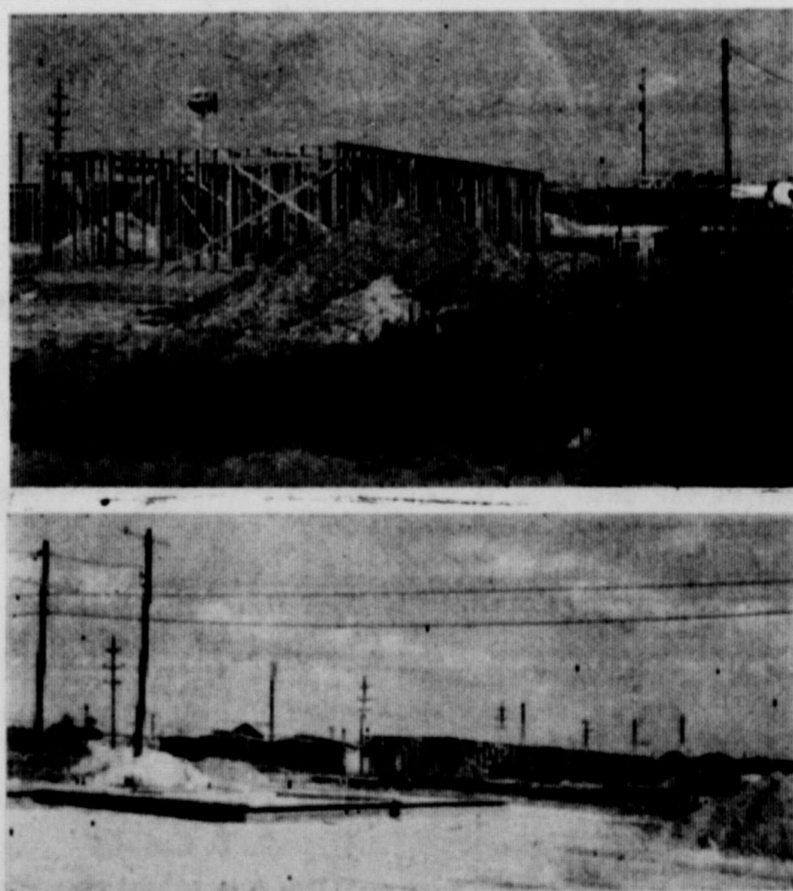

Academic Program

Bronte School has one of the highest rated academic programs of any small school in Texas, offering seven courses for freshmen, nine for sophomores, 15 for juniors and 16 for seniors.

An authorized accreditation team from the State Education Agency visited Bronte School last school year and after a complete study of all facets of the school program, rendered a recommendation that the school be continued as a 12 grade facility.

Another indication of the excellence of the school is the fact that 18 of last spring's 25 grad-

AUSTIN, Tex. — "Heads up" driving can save many lives in Texas during this long July 4 holiday weekend, Texas Department of Public Safety advises.

DPS hopes to help bring about a reduction in the estimated toll of 38 expected to die in traffic tragedies during the four-day, 102 hour period.

"Operation Motorcade", designed to place special emphasis on dangers of holiday travel, began at 6 p.m. Wednesday and will continue through 11:59 p.m. Sunday.

DPS will tabulate traffic fatalities during this period and release totals three times daily to news media in order to keep dangers prominently in minds of drivers.

"It is a known fact that the unusually crowded conditions of the highways on Independence Day holidays makes driving more hazardous than usual," Acting DPS Director Wilson E. (Pat) Speir reminded.

On the average, said Speir, one person will be killed in traffic every two and a half hours on Texas highways, streets and roads.

As part of its overall effort to lower the anticipated toll, DPS is utilizing additional personnel from other uniformed services to augment the regular Highway Patrol force during the entire weekend.

But drivers themselves must make the most important effort, cautioned Speir. Despite mechanical defects, inadequate highways and other accident-causing factors, the vast majority of all wrecks and fatalities are traced directly to misbehavior, misjudgment, recklessness, negligence and drinking while driving.

LCB RAPPED — Former Liquor Control Board Administrator Coke Stevenson Jr. took the brunt of the blow from the report on the investigation of the LCB by Atty. Gen. Crawford Martin and the Department of Public Safety.

Attorney General found that Stevenson had not been watching the shop, had accepted expensive

gifts from persons in the liquor and beer industries and had failed to see that the liquor laws were uniformly enforced.

Report refused to condemn the practice of legislators practicing law before the LCB and failed to condemn the three-man liquor board for not staying atop the shoddy operations of the agency.

Investigators said that most of the difficulties of the Stevenson administration now have been overcome under Acting Administrator O. N. Humphrey Jr.

LEGISLATURE WINDING UP — Bitter debate in the Senate slowed the pace of the special session. Senate finally passed a sales-franchise tax increase and sent the revenue bill back to the House, which in turn sent it to conference committee to write a final version.

While Senate mulled taxes and mini-bottled liquor-by-the-drink bill, House passed bills to extend drinking curfew to 2 a.m. (local-optional in smaller towns); authorize semi-mandatory breath tests for drunk drivers; and triple out-of-state tuitions (to a bout \$600 a semester) at state-supported college and universities. Resident student tuitions remain the same.

ATTORNEY GENERAL — rules that pinball or marble machines which show free games won are illegal.

TORNADO DEFENSE — US Weather Bureau and Texas Department of Public Safety have initiated a program for improved public preparedness against tornadoes.

Program involves a "distant early-warning system" by the bureau, then communication of the alert by the DPS and action by trained local officials to prepare the endangered communities.

"Meetings with city and community officials, state and local law officers, disaster agencies and others will be held throughout the state in the future to work out the details necessary for the best possible protection of life and property," a DPS spokesman promised.

WASHINGTON, D. C. — THE SECOND AMENDMENT to the Constitution of the United States says, "A well regulated militia, being necessary to the security of a free state, the right of the people to keep and bear arms, shall no be infringed."

FOR NEARLY 200 YEARS Americans have believed that they did indeed possess such a right as guaranteed by the Second Amendment.

THE FIRST FEDERAL GUN LAW regulating the shipment of certain types of firearms in interstate commerce was passed in 1934. This action was the outgrowth of sentiment created by the attempted assassination of President Roosevelt in Miami, Florida in 1933.

IN 1939, IN A CASE known as the U. S. vs. Miller, the Supreme Court upheld the conviction of Miller for possession of an unregistered "sawed-off shotgun" as a violation of this Act. The Amendment did not guarantee the right to keep and bear such a firearm for the preservation and efficiency of a well-regulated militia.

MORE RECENTLY, THE chief Justice of the Supreme Court, writing in the New York University Law Review on the formation of the Declaration of Independence, had this to say:

"Despite these safeguards, the people were still troubled by the recollection of the conditions that prompted the charge of the Declaration of Independence that the King has 'effected to render the military independent and superior to the civil power.' They were reluctant to ratify the Constitution without further assurances, and thus we find in the Bill of Rights, Amendments 2 and 3, specifically authorizing a decentralized militia, guaranteeing the right of the people to keep and bear arms, and prohibiting the quartering of troops in any house in times of peace without the consent of the owner."

PEARL HARBOR, Congress passed what is known as the Property Seizure Act. It was made clear in the Law that nothing contained in the Bill should be construed to authorize the President to requisition or require the registration of firearms possessed by an individual for his personal protection or sport, nor that registration should be required. The Law specifically said that the President or any Board, Agency, or Officer, had no right "in view of the fact that certain totalitarian and dictatorial nations are now engaged in the willful and wholesale destruction of personal rights and liberties, it is appropriate for the Congress to expressly state that the Law shall not be construed to impair or infringe the Constitutional right of the people to bear arms." When a U. S. Senator, the Honorable Hubert H. Humphrey, now Vice President, had this to say in connection with the Second Amendment to the Constitution. "Certainly, one of the chief guarantees of freedom under any government, no matter how popular or respected, is the right of citizens to keep and bear arms... the right of citizens to bear arms is just one more guarantee against arbitrary government, one more safeguard against a tyranny, which now appears remote in America, but which historically has proven to be always possible."

IN 1963, THE CONGRESS passed PL 88-186, amending the Arms Control and Disarmament Act. Section 33 of this Law contains the following provision with respect to the individual's right to keep and bear arms for legitimate purposes:

"Nothing contained in this Act shall be construed to authorize any policy or action by any Government Agency which would interfere with, restrict, or prohibit the acquisition, possession or use of firearms by an individual for the lawful purpose of personal defense, sport, recreation, education, or training."

IN RECENT DEBATE in the U. S. Senate the Chief Justice of the U. S. Supreme Court was quoted as follows:

"We may happily note that the Constitution has weathered a variety of crisis. Some were as acute as those we face today. Today, as always, the people, no less than their Courts, must remain vigilant to preserve the

principles of our Bill of Rights, lest in our desire to be secure we lose our ability to be free."

THE RIGHT OF PEOPLE of the United States to keep and bear arms is guaranteed not only by the Federal Constitution but by the Constitutions of thirty-five States.

ARTICLE 1, SECTION 23 OF OUR OWN TEXAS CONSTITUTION, says "Every citizen shall to trespass upon the people in this respect."

THE LANGUAGE OF THE BILL FURTHER STATED that have the right to keep and bear arms in the lawful defense of himself or the State; but the legislature shall have power, by Law, to regulate the wearing of arms, with a view to prevent crime."

AT THE PRESENT TIME A majority of the states are seeking through agreements and Compacts, uniform firearm legislation. It would seem they should have time and opportunity to work their will.

WOULD IT NOT BE BETTER to have local and state enforcement to keep guns out of the hands of criminals, addicts, minors and the mentally deficient, than to have Federal police knocking on our doors?

THE POINT HAS BEEN made that we register and license dogs and automobiles. True — by the States, Counties or Municipal governments.

PRESCHOOL CLASSES TO BE INTERRUPTED

Supt. C. E. Barbee announced in a memorandum that the preschool program now in progress at Bronte School will be interrupted for about a week and a half.

Thursday and Friday of this week are holidays and the next week, July 8-12, is the time set for a summer workshop in Austin, which the teacher, Mrs. Barbee, must attend.

The letter stated that the preschool program is "progressing nicely" and the youngsters enrolled are gaining some preliminary training which will benefit them greatly when they enroll in the first grade.

Also mentioned in the memorandum is the date for an eye and ear check for those students who missed the first examination given. July 23 is the date for the check and will be the only date it can be obtained.

Scouts Do Well At Sol Mayer

Bronte Boy Scouts took third place in competition last week at Camp Sol Mayer for the best troop award. Known as the Sol Mayer Award, the honor is presented to the troop present each week whose accomplishments are most outstanding. Robert Lee won the trophy last week.

Scouts from Bronte who attended the camp were Randy Barbee, Garland Richards, Jonathan Masterson, Tipton Masterson, Steve Clark, Bobby Reyes, and Kenneth Stroebel.

A scoutmaster from a neighboring town told The Enterprise this week that Eagle Scouts Barbee, Richards and Tipton Masterson deserved commendation for the efficient manner in which they handled the troop. Lucius Woods, former Bronte resident, is camp ranger at Sol Mayer and was in charge of the local scouts.

Buying Corn-on-the-Cob

How many people really know how to shop for succulent, tasty corn? Take this true-false test to see how much you really know about corn:

1. Husks that are snug and bright green indicate freshness.
2. Shiny, dark brown silk indicates dried-out and overripe kernels.
3. Corn on large cobs is always better than that on small cobs.
4. Kernels should be even rows, bright, plump and with milky interiors.
5. The size and color of kernels depend on variety and do not affect quality.
6. Heat does not affect corn and so it does not need to be kept iced or refrigerated.
7. When stored at home corn must always be left in the husk to protect its flavor.

Now that you know how to buy corn — go out and buy some! There is an abundant supply of corn this summer and now is a good time to buy it.

Try some of these interesting ways to use corn this summer. For a change of pace in breakfast mix a little sweet corn with your regular pancake batter — it'll add flavor and a hint of crunchiness to your morning meal.

For a barbecue delight just peel the husks back so you can remove the silk. But don't take off the husks! Soak the ears in water for 30 minutes, then drain. Brush with melted butter, season with salt and pepper, and wrap with bacon strips. Roll the husk back and wrap each ear in heavy weight aluminum foil. Then cook on hot coals for 10 to 15 minutes — turning once.

For a quick main dish this summer try this delicious —

Corn-Cheese Bake

- 6 tablespoons butter
- 3 cups uncooked corn cut from cob
- 2 tablespoons finely chopped onion
- ½ teaspoon pepper
- 1 cup shredded Swiss cheese
- ½ cup evaporated milk (undiluted) or heavy cream.

To prepare, dot the bottom of a 2-quart casserole with 3 tablespoons butter. Combine corn, onions, salt, pepper, and ½ cup shredded Swiss cheese and pour into casserole. Sprinkle top with another ½ cup of shredded cheese and dot with 3 more tablespoons of butter. Add evaporated milk and bake uncovered about 20 minutes. Check to see if corn is tender and cheese has melted before removing from oven and serving piping hot.

MASONS RENOVATING DEPOT BUILDING

Bronte Masonic Lodge and the local Eastern Star Chapter are renovating the old Santa Fe depot building and will move their meeting place there by August 1. The building was leased to the Lodge by Santa Fe Railway for an indefinite period of time.

In installation services last Monday night, the Rev. A. S. Masterson was made new worshipful master of lodge 962. Other new officers are T. O. Spiller, senior warden; Elmer Hurley, junior warden; Royce Fancher, treasurer; H. O. Whitt, secretary; Marvin Bryant, tiler; J. P. Gibson, senior deacon; Clifford Clark, senior steward; Jesse Parker, junior steward; J. T. Henry, chaplain.

A joint installation was held with Hayrick Lodge No. 696 of Robert Lee.

MASTERSON TO ATTEND WORKSHOP IN ARKANSAS

The Rev. A. S. Masterson of Bronte is one of the 32 ministers in the Southwest Texas Conference of the United Methodist Church, who will attend a workshop next week at Mt. Sequoyah, Fayetteville, Ark. The workshop is being conducted for the South Central Jurisdiction of the Church for the purpose of studying the structure changes and new organization occasioned by the recent merging of the Methodist and United Brethren church denominations.

Upon returning home, the ministers will conduct three workshops in their home districts to explain the changes.

Masterson will leave after services Sunday morning and Elmer Hurley will be in charge of the Sunday evening services. Tipton and Jonathan Masterson will accompany their father to Mount Pleasant, Texas, where they will visit their grandparents, Mr. and Mrs. C. E. Johnson.

INDEPENDENCE DAY

1776 — 1968

This year we are celebrating the 182nd Anniversary of the independence of our great nation. This day should be, indeed, an occasion for solemn Thanksgiving.

We should be thankful for the courage of the men who gathered at Independence Hall and framed our Declaration of Independence. They had made every effort to get a hearing of their grievances before the king. After years of no success, they pledged their "lives, their fortunes and their sacred honor" to bringing this nation to life.

Truckers To Help With 4th Traffic

Trained trucking industry safety men will take to the roads July 4th and Labor Day to participate in a unique Holiday Road Patrol.

The Texas program is being sponsored by the Texas Motor Transportation Association and its Council of Safety Supervisors, a state-wide organization representing the motor carrier industry.

Jack C. Bryan, Director of Safety for the Texas Motor Transportation Association of Austin said about 25 to 30 road patrol cars will be on the most heavily traveled highways of the state during the peak traffic hours during the holiday weekends. The cars will be manned by experienced members of the Texas Council of Safety Supervisors who will be particularly alert for motorists in trouble.

The Holiday Patrol Vehicles will be equipped with tools, spare fuses, warning flags, first-aid equipment and gasoline safety containers. In addition, many of the cars are radio equipped to allow the Holiday Patrolmen to summon radar equipment or additional help.

"While these men will not have arrest powers," Bryan emphasized, "we will cooperate with the State Highway Patrol in every

way possible."

Col. Wilson E. Speir, Acting Director of the Texas Department of Public Safety, commended the Texas trucking group for its cooperation and said:

"We welcome the added assist from the safety men of the trucking industry. Their wide experience on the roads and their record of assistance to motorists will aid substantially during this period of high density traffic."

The trucking industry spokesman pointed out that truck traffic is expected to be light on the highways over the Holidays since most firms restrict movements to only essential shipments. The Holiday Road Patrol will closely observe these drivers as they do during normal year around road patrol operation to assure courteous and safe operation of the trucks.

COKE GROUP ATTENDS ALBANY FANDANGLE

Eleven Coke County residents attended the Albany Fandangle last Thursday and Friday, at Albany. The trip was sponsored as a tour by the Coke County Historical Survey Committee.

Those attending were the Rev. and Mrs. Bobby Palmos and Charles and Mrs. Bryan Yarbrough, all of Robert Lee; Mr. and Mrs. James Arrott, Mr. and Mrs. J. C. Boatright, Mr. and Mrs. Tom Williams and Mrs. C. E. Arrott, all of Bronte.

FB to Have Queen, Talent Contests

Annual Farm Bureau Queen and Talent Find contest is set for Saturday night, July 27, in the Bronte School auditorium.

Farm Bureau officials are seeking entrants for both contests, with four girls, Misses Sharon McCutchen, Joy Cervenka, Kaye Roberts and Diane Baker already indicating they will be candidates for Farm Bureau Queen.

Candidates for Queen must come from families that are Farm Bureau members.

Entries of all kinds are needed for the Talent Find contest. Entrants do not necessarily have to come from Farm Bureau families, however, this is a requirement for district participation. Likewise, there is no age limit set, but on the district level, contestants must be between the ages of 17 and 30.

Anyone interested in entering contest should contact Mrs. C. E. Arrott, Farm Bureau secretary.

Don Hageman, Gary Don Allen, Charles Masterson and Davis Corley visited the HemisFair in San Antonio last weekend.

J. L. Alexander has returned home to Fort Worth after spending his vacation here with his parents, Mr. and Mrs. Monroe Alexander, and other relatives.

All Stars Named For Little League

An all-star team for the Colorado River Little League was picked at a meeting last Wednesday night and was released this week by W. T. Roach of Robert Lee, who heads the league.

The all stars will compete in an area tournament which begins July 15 in Robert Lee. First game of the tourney will be between Ballinger and Winters. The second game, on July 16, will put the local all stars up against the winner of the first game.

Selected for the all star team

were the following boys:

Bill Rowaldt, Jim Jacobs, Dennis Cox, Carl Bagwell, Glenn Sockwell and Jeff Eubanks, all of Robert Lee.

Also, Andy Eubanks and Tim Arrott, both of Bronte; and Tim Barrett of Norton.

The remainder of the players are from Sterling City and include: Kenneth Peel, Jesse Lajon, Mark Sullivan, Anthony Munz and Lee Wayne Igo.

Roach said several other boys were selected as alternates.

Mrs. Gaylon Woodard is now teaching ART in Bronte

BROOKSHIRE BROWSINGS

By Mrs. Herbert Holland

Rev. J. H. Hallford of Ballinger, area missionary, will preach at 3 p.m. Sunday at the Baptist Church.

Rev. John Early of San Angelo will preach at Maverick Baptist Church at 11 a.m. Sunday.

David and Glenda Caudle of Bronte spent last week with their grandparents, Mr. and Mrs. Willard Caudle. Other guests in the Caudle home during the weekend included Mr. and Mrs. M. D. Stephenson, Mr. and Mrs. John Suggs, Mr. and Mrs. Verlin Oates, Mrs. Harold Keele and daughter, all of San Angelo; Luther Nixon of Ballinger; Mr. and Mrs. Bill Owens and children, Mr. and Mrs. Victor Hedgec, Kyle and Kevin, all of Abilene.

Visiting Mr. and Mrs. Charlie Brown this week are their children and families, Mr. and Mrs. Homer Flanagan and girls of Tyler, Mr. and Mrs. Charles Ray Brown and girls, Mr. and Mrs. Robert Melvin Bown, Miles and Debbie, all of Blackwell.

Curtis Barrett of Norton was recently dismissed from Ballinger Hospital, where he had been a medical patient.

Mr. and Mrs. Bert Hester of Miles and Kelvin Iski of Irving visited Mr. and Mrs. Herbert Holland Thursday. Tony Holland killed a rattle snake on the Holland ranch Wednesday. Tony was in Alpine for a weekend visit with his brother and sister-in-law, Mr. and Mrs. Cap Holland.

Mr. and Mrs. Lee Brown of San Angelo spent Tuesday with Mr. and Mrs. Vernie Smith. The ladies are sisters. Mr. and Mrs. Larry Saunders and Mike of San Angelo spent Saturday night in the Smith home.

Mrs. Carl Florence was hostess to the Know Your Neighbor club Saturday afternoon at her home in Ballinger. The ladies played 88 and attended the open house at First National Bank. Cold drinks and party snacks were served to Mmes. Ethel Morgan, Vernie Smith, Bomar Horton, Holland, Bert Hester, Susie Garlington, Minerva Roach and the hostess. Mrs. Gene Halamiczek will host the July meeting.

Janice Balkum was home from Texas Tech, Lubbock, for a weekend visit with her parents, Mr. and Mrs. L. T. Balkum.

Mr. and Mrs. Gene Thomas of Big Spring were weekend guests in the Franklin Thomas home.

Mr. and Mrs. Bill Ogilvy of Mississippi came to their ranch here Friday for a five week vacation. Their daughter, Judy, and her grandmother, Mrs. Weatherby of Del Rio came Saturday.

Mr. and Mrs. Carl Florence left Sunday for Royce City to attend funeral services for his brother, Dan Florence, 89. Mrs. Susie Garlington spent the first of the week with Mr. and Mrs. Jerry Landers and Mr. and Mrs. Marvin Landers in Bronte.

Mrs. Lester Lee and granddaughter of Elfrida, Ariz., are here visiting relatives.

Mrs. Ethel Morgan left Wednesday to spend the July 4 holidays with her daughter, Mrs. Robert Keeney and family in Stephenville.

Mr. and Mrs. Kenneth Bradberry and girls of San Angelo visited his mother, Mrs. Alton Bradberry Saturday.

Mr. and Mrs. V. H. Smith were hosts to the Jolly 8 Club Friday

night. Progressive 42 was played. Cake, pie, sandwiches, olives, party treats, coffee and punch were served to Mmes. Bert Hester, Minerva Roach and Messrs. and Mmes. George Coleman, Rob Springer, Carl Florence, Herbert Holland and Smith.

Mr. and Mrs. Manton Turner of Itasca visited Mr. and Mrs. Marvin Turner last weekend.

Mrs. Joe B. Lee and children attended the John Turner reunion in Ballinger Park Sunday.

Visiting Mr. and Mrs. L. B. Thompson Sr. at Maverick the first of the week were Mrs. L. B. Thompson Jr. and Mrs. J. B. Drummond of Temple.

Mrs. Edna Harris returned last week from Lubbock where she visited her daughter Sallye, who is attending Texas Tech.

Mr. and Mrs. E. R. Cogsdil of Hobbs, N. M. spent the weekend with their daughter and family, Mr. and Mrs. Glenn Culp. Monday the group left for a vacation trip to Gulfport, Miss.

Mrs. R. E. Cowan spent part of last week in Big Spring with her husband who has been a patient in the Veterans Hospital three weeks.

Mrs. Ruth Reynolds received \$50 last week when she held a winning ticket in a contest sponsored by a grocery concern.

Work Started On Highway 158

Work was begun this week on Highway 158 between Robert Lee and Bronte. Contractor on rebuilding the road is M. E. Ruby, Jr., Inc. of Austin. Work will be under the supervision of District Engineer J. A. Snell, with H. L. Bailey of Sterling City in charge of the project.

Included in the project is grading structures, select material and two-course surface treatment on 11.6 miles. The bid for the work was \$565,503.49.

An announcement of the upcoming project was made earlier this year, and it was revealed that the highway will undergo considerable straightening and will have paved shoulders.

DEATH OF SISTER-IN-LAW

Jack Dixon received word Monday of the death of his brother's wife, Zolease Stover Dixon in Coolidge, Ariz. Mrs. Dixon underwent surgery in July of last year and never regained her health. However she was able to remain at home until the day before her death when she was taken to the hospital.

Funeral services were held Wednesday, July 3.

She was born May 13, 1900 in Clay County, Texas, daughter of John and Nola Ferguson Stover. She was married to R. S. (Bill) Dixon Feb. 21, 1922 in New Mexico. They have lived many years near Coolidge.

Mrs. Dixon is survived by her husband; a son; three daughters; her mother; one brother and eleven grandchildren.

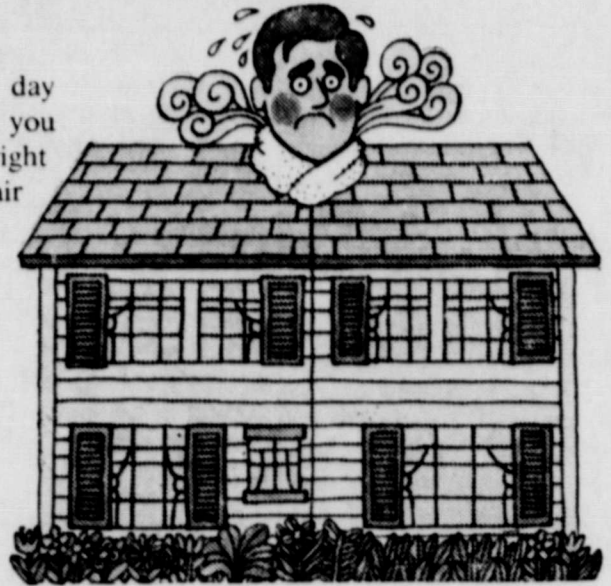

Mrs. Maude Collins spent the first part of last week visiting her step-daughter, Mrs. S. G. Adams, and family in Grand Prairie; also sightseeing in Dallas and the Six Flags Amusement Center. She also visited Marshall Freeman, who is seriously ill in the VA Hospital in Dallas. While on vacation Mrs. Collins also visited her mother and sister, Mrs. E. J. Keefer and Mrs. W. W. Wilson in San Angelo and her son, Royce Dean Clark, and family in Abilene.

uates are either going to college
or plan to start this fall. Recogni-
tion of the high quality of the
school's graduates came from a
number of Texas colleges and
universities, by virtue of the fact
that scholarships were awarded
totaling between \$60,000 and
\$70,000 to this year's seniors.

Athletic facilities are among
the best of any Class B School in
West Texas. A well lighted foot-
ball field, track and two gymna-
siums are used in the school's
physical education program.

The effectiveness of the ath-
letic program can be measured
by the school's record during the
past three years. The football
team advanced through district
and bi-district to regional in 1965
and 1966. Then in 1967 the team
went undefeated all season to
win the regional championship
and be classed the No. 1 Class
B team in the state.

A similar record was establish-
ed in basketball, with the Bronte
team going to state two years out
of the past three. Playing in the
state meet in 1966 and 1968, the
boys were unable to reach Austin
in 1967, when they lost in the
finals at the regional level.

The Bronte track team lacked
only three points winning regional
competition this year. Eleven
of 12 divisions were won in dis-
trict tennis competition this
year.

Supt. Barbee told The Enter-
prise this week that Bronte
school trustees have agreed, if
the consolidation election carries,
that any request for a transfer
to another district will be honor-
ed. "We do not wish to have a
hardship imposed on anyone," he
said. "If going to school in Win-
ters or Ballinger would be more
convenient for some students of
Norton School, we would certain-
ly honor their request for a
transfer," Barbee added.

Election Date Set

Saturday, July 27, is the date
set for the elections. Norton will
hold the election in the school
gym, while Bronte's balloting
will take place at the city hall.

Cecil Roper has been named
presiding judge for the Norton
box, while Matthew Caperton will
serve as judge for the Bronte
box.

Mrs. Barbara Lee will be clerk
for absentee voting at Norton
and Mrs. Helen Kirkland will
serve in the same capacity at
Bronte.

Absentee voting will begin
Monday at 8 a.m. at Norton gym-
nasium and at Bronte city hall.
Those who need to vote absentee
may do so daily between 8 a.m.
and 5 p.m.

fair, and met him walking down
one of the thoroughfares. Clark
started toward the governor,
walked up to him and shook
hands with him. This should
have been enough for a country
boy but there is more to the
story. The Bronte man was carry-
ing a small encased umbrella and
the governor asked him if he was
carrying a machete but was told
that it was an umbrella. After
the governor strolled on into the
crowd, one of the reporters who
was covering Rockefeller's visit
to Texas walked up to Clark and
asked him about the object he
was carrying under his arm. He,
too, was told that it was an um-
brella. The reporter told him
he couldn't understand why the
Secret Service men escorting
Rockefeller allowed him to ap-
proach the governor with the
leathal looking package.

This week's Enterprise and the
next three editions will go into
homes of most of the qualified
voters in the Norton School Dis-
trict. An interested friend of
education for this area has sub-
scribed for one month for Nor-
ton residents who are not already
subscribers. He hopes that the
newspaper will persuade support
of the consolidation election and
provide better understanding for
Bronte and Norton residents.
