Bronte's annual Labor Day barbecue got pushed off the ground when the Noon Lions Club voted last Thursday to have the big feed. Persons were named to take care of various jobs in conducting the barbecue.

Jesse Parker was named overall chairman and general manager. Frank Keese and helpers he selects will do the barbecuing, cook the beans and make the coffee. C. E. Bruton will be in charge of

preparing the salads, and Marvin Bryant will secure plates, knives, forks and spoons, bread, tea, ice, etc.

#### Sims to Receive Degree at Baylor

Tommy Glenn Sims, son of Mr. and Mrs. T. F. Sims Jr., of Bronte, will receive a BBA degree from Baylor University in Waco Friday, Aug. 23. Commencement exercises will be held at 10 a.m. in Waco Hall.

Sims completed requirements for the degree, with a major in marketing, on July 12. He came home for a short vacation with his family in Colorado and visited the HemisFair in San Antonio and the Astrodome in Houston with friends before returning to Waco. He went to work August 1 in the marketing department of Texaco Oil Co. in Waco.

He is a 1964 graduate of Bronte High School. While he was in Baylor, he was a member of Delta Sigma Phi, national business fraternity.

Highway Patrolman Herman Seale, who investigated the accident, said Johns had pulled out to pass another car, lost control of his 1950 Ford convertible and the car struck a mesquite tree and overturned.

Funeral services are scheduled at 2 p.m. Thursday (today) in Patterson Funeral Home Chapel of Memories in Sweetwater, with the Rev. Raymond Dunn, pastor of the Fundamental Baptist Church, officiating. Burial will be in Sweetwater Cemetery.

#### Trustees Adopt \$247,881 Budget For 1968-69 Term

Bronte School board of trustees adopted a \$247,831 budget at a meeting held Aug. 8. The proposed expenditure is \$21,641 above the \$226,190 which was set up for operation of the school in 1967-68.

Supt. C. E. Barbee said the additional revenue will be used as follows: \$8,000 for increase in salaries; \$5,400 to cover cost of a new school bus; approximately \$8,000 will be used to replace state money withheld because of the loss of a teacher unit as a result of the district no longer qualifying as a sparse school district.

Barbee said the addition revenue required has created a need for an increase in tax valuations. The board decided to increase all valuations in the district 22 per cent. This increase applies to all property, including real estate, personal property, oil, gas, utilities and any other property which is taxed by the school district.

However, the superintendent pointed out that the increase in valuations would not result in a 22 per cent tax increase since the tax rate is being lowered from \$1.84 to \$1.76 per \$100 valuation.

The board of equalization which will meet next Tuesday, Aug. 27, has sent out standard forms to all taxpayers notifying them of the raise in valuations. Anyone who wishes to discuss the equalization of his taxes with the board is invited to be present at the city hall, beginning at 1 p.m.

In other business, the board: \*Reviewed the consolidation election with Norton School.

\*Amended the 1967-68 budget after the school ended last year with approximately \$15,000 above the estimated expenses.

\*Approved participation in the Region 15 Media Center, which is part of the Education Center set up in San Angelo for schools in this area.

\*Approved the bus service schedule for 1968-69.

\*Approved the reserve seat program for 1968 home football games.

\*Assigned board members to help count money after home football games.

**LETTERS TO THE EDITOR**

To the fine people of Bronte:

It is with heaviness in our hearts that we think about leaving Bronte for a new work in Munday, Texas, the last of this month. Only because we feel we need the experience of working with a larger congregation did we make the decision to leave.

Many, many thanks go out to all of you who have made our stay here of three years and four months so pleasant. Truly Bronte has been a place where "living's a pleasure." Our special thanks to several who have shown us so many kindnesses, especially nearly every business in Bronte, who have discounted products we purchased from them and who have helped us in other ways; and to the Bronte Enterprise for all the free space provided from time to time in covering events pertaining to the church and to myself and family, and to the whole fine school system for giving me the privilege of substitute teaching and for giving Teresa the best education during her formative years.

It will be difficult to ever find a group of people so friendly, so cooperative, and so dedicated to their community as have been the people of Bronte. As we gain new friends in Munday, we shall not forget the ones who have meant so much to us here in Bronte. We invite you to visit or write us when you can. Our address will be: Box 211, Area Code 76371, Phone 6311 or 6151.

Cecil and Charlene Cox, Teresa, Sherlene and Larita.

Mrs. M. Russell and Mrs. Clark Glenn made a weekend trip to Austin where they visited Vic Glenn and Mrs. Russell's brother, Dr. Modye Boatright.

"With Electric Home Heating—we have fewer colds, no fumes, and walls stay clean"

THE CECIL RICHARDSONS  
 HAMLIN, TEXAS

"We like total-electric living so well we recommend it to our neighbors," Irene Richardson says. Working conditions are better and her electric appliances save her so much time. She thinks flameless electric heating and cooling is wonderful for her skin problem.

Terry Cecilia, the Richardson's 5-year-old granddaughter, plays comfortably the year' round and always has plenty of fresh clean clothes. "I use the washer and dryer every day — sometimes several times a day," Irene Richardson says.

The Richardsons cook a lot, burn the lights a lot, and entertain friends, yet find total-electric living economical. "We're very satisfied with it," Mr. Richardson says.

Richardson is manager of the Hamlin Farmers Compress, Irene Richardson is a full-time homemaker, and Terry Cecilia pre-kindergarten age.
