The Bronte Longhorns will be looking for their second win of the season Friday night when they host a team of Wall High School Hawks.

The Hawks have the same season record as the Longhorns with one win and two losses. They op-

AD-LIB-BEN

We have in our possession, as a by-product of last Saturday's football game between Texas Tech and the University of Texas, what we consider to be an epigram. It goes like this:

"Darrell is Royal, but J. T. is King."

We have a dictionary which defines epigram as "a short, pithy, caustic or thought-provoking statement."

If the little item above doesn't fulfill all the requirements for being epigrammatic, we've never read one that did.

The little jewel came to us as a courtesy of Mr. and Mrs. C. O. Richards, who, by the way, are Texas Tech fans.

We want to add our welcome to Ethicon employees to that of the mayor which is being printed elsewhere on this page. It is very complimentary to our town to have these people come here a second time for their annual company picnic. It shows we have one of the finest park facilities in this area. We've known this for a long time, and we are happy to see residents of other places finding out about us. It's a real pleasure to share our park with the Ethiconites, and we sincerely hope they will make their visit an annual affair.

Boy Scout Drive To Start Tuesday

Annual Boy Scout fund drive will start Tuesday, Oct. 8, with a kickoff breakfast for workers. The drive this year will be headed by the Rev. Harry K. Morris, pastor of First Baptist Church. The breakfast will be held at Cecus Cafe, beginning at 7 a.m., and all workers are urged to be present.

Morris said, "I feel the Boy Scout drive is one of the most worthy our citizens are called upon to support, for there's no way of measuring the good which is done by the program this money supports."

He urged all citizens to consider the importance of the drive and then give generously.

Workers will call on most residents of the area, and anyone who is missed may leave his donation with Morris.

erate in District 6-A. Last week they took a 38.9 drubbing from Rankin.

Coach Cecil Toliver announced the addition of two more men to the 1968 Longhorn roster. David Denman and Joe Basquez have joined the squad. Denman is a guard and Basquez is an end.

Jim Ned and Trent are the only schools in District 7-B who have not suffered a loss this season. Forsan has won two and lost one; Bronte and Loraine have 1.2 records, and Hawley is sitting in the cellar with two losses.

Last Week's 7-B Results

Rule socked the Longhorns, 34-14; Forsan humbled Sands, 57-0; Loraine fell to Roscoe, 25-0; Jim Ned clobbered Eden, 22-0. Hawley and Trent had an open date.

This Week's Schedule

Bronte will host Wall; Forsan will travel to Grand Falls; Hawley will stay at home for a game with Roby; Loraine will play at Central Catholic in Abilene; Trent will go to Rochester; Jim Ned will play at Cross Plains.

SHORTHORNS, BUFFALOES PLAY THURSDAY NIGHT

The Bronte Shorthorns and the Forsan Buffaloes will meet at Stephenson Field in Bronte at 7 p.m. Thursday.

The Shorthorns have engaged in two battles this season and both have ended in ties. Last week's game with Wall wound up 12-12, following the season opener with Robert Lee which ended in a scoreless tie.

Bronte's two touchdowns last Thursday were made by Leon Freeman on a 70 yard kickoff return and by Gary Skelton on a 25 yard quarterback sneak.

Funeral Services Held Here Sunday For Mrs. Cresap

Funeral Services for Mrs. Mildred Cresap, 76, were held at 2:30 p.m. Sunday from First United Methodist Church in Bronte. The pastor, the Rev. A. S. Masterson, officiated, assisted by the Rev. J. C. Waters, pastor of the Evangelical Methodist Church in Abilene.

Burial was in Hayrick Cemetery under direction of Williams Funeral Home of Bronte. Elliott's Funeral Home of Abilene was in charge of Abilene arrangements.

Mrs. Cresap died at 2 p.m. Friday in the West Texas Medical Center in Abilene after a lengthy illness.

She was born Nov. 18, 1891, at Hayrick and married W. G. Cresap in 1925 in Bronte. The Cresaps owned a ranch in Hayrick community until their retirement in 1964.

She was a member of the First Methodist Church in Bronte.

FIRST NATIONAL WILL CLOSE ON COLUMBUS DAY

First National Bank in Bronte will be closed Saturday, Oct. 12, in observance of Columbus Day. It was announced this week by E. F. Glenn, executive vice president.

He requested bank customers to keep the closing date in mind and arrange their business with the firm so they will not be inconvenienced by the holiday.

Program, Dedications End Historical Week

The program held Sunday afternoon at the courthouse and the visit to two of the county's oldest cemeteries climaxed Historical Appreciation Week in Coke County and was attended by about 100 persons.

George Baker of Fort Stockton, Democratic nominee for state representative from the 66th District, was speaker for the occasion. He was introduced by former mayor of Robert Lee, Robert Vaughan. Garland Davis served as master of ceremonies for the program.

All churches in Robert Lee were represented in a choir led by Upton Mathers. The invocation was

given by the Rev. Bill Beatty, pastor of Robert Lee Baptist Church. Members of Boy Scout Troop 461, Mark Matlock, Bobby Mumford and Burl Davis presented the flag, followed by the pledge of allegiance.

A quartet composed of Mrs. Furst Moore, Kenneth Mathers, Mrs. Wilson Bryan and Rodney Mathers, sang "America the Beautiful."

Davis gave the welcome address followed by Vaughan's introduction and Baker's speech.

Mrs. Witt Hines, chairman of the Mitchell County Historical Survey Committee, made a short talk on the RAMPS program.

Employees of Ethicon, Inc. of San Angelo will descend on Bronte en masse Saturday when an estimated 700 of the employees and their families will be here for the company's annual picnic.

Ethicon had its company picnic here last year, and so many of the visitors were impressed with Bronte County Park and its facilities they decided to come back again.

Mayor Royce Lee issued a proclamation this week proclaiming Saturday as "Bronte's Appreciation Day for Ethicon Employees" and called on all citizens of the city to make the visitors welcome.

Larry Mead of Ethicon told The Enterprise this week, "After reviewing the many favorable comments of employees who attended the picnic last year, we are very pleased once again to have access to the park." Mead stated that the park is ideally laid out for a family style picnic.

OFFICIAL PROCLAMATION By ROYCE LEE, MAYOR CITY OF BRONTE BRONTE, TEXAS

WHEREAS all of the City Councilmen of the City of Bronte, Texas, join me in encouraging all of the people of Bronte to welcome our neighbors from San Angelo, namely, the Ethicon employees, for their second annual employees picnic in the City of Bronte and County Park; and,

WHEREAS the entire Council on behalf of all of the Citizens of Bronte extend to Ethicon a most cordial welcome and solicit all citizens of Bronte to make our visitors feel at home;

NOW THEREFORE, I, ROYCE LEE, MAYOR OF THE CITY OF BRONTE, TEXAS, do hereby designate October 5, 1968, Bronte's Appreciation Day for the Ethicon employees annual picnic and urge all families of Bronte to wish them well and help their day be a most enjoyable one.

IN OFFICIAL RECOGNITION THEREOF, I affix my signature this 1st day of October, 1968.

Signed: Royce Lee, Mayor

Mead said "All Ethicon employees were very impressed last year with the community," and added that he was pleased when Supt. C. B. Barbee announced a bus tour of the school and community would be conducted again this year for all visitors who care to take it.

Ed Thurston, picnic chairman, stated that among the planned activities for the picnic are baseball, volleyball, golf, a fishing contest and a kid's treasure hunt.

Joe's Barbecue of San Angelo will cater the noon meal.

Mayor Lee said, "I want personally as well as on behalf of the City of Bronte to welcome the Ethicon employees who will be in our city Saturday." He added "It is a real compliment to our town to have these folks come back for a second year to use our park facilities."

Bronte Jaycees were first responsible for attracting Ethiconites to Bronte. Bob Becker of Ethicon attended a Jaycee meeting last year at the park, was impressed by it, and he started making inquiries about his firm's using it. He ran into nothing but cooperation from city and county officials and other citizens, and told the Enterprise last year "The cooperation of Bronte officials and others has been fantastic."

The visitors will come to Bronte in private cars and are expected to start arriving between 9 and 10 a.m., and will leave about 5 or 6 p.m.

Ethicon, whose factory is located east of San Angelo on the Bronte-Ballinger highway, is one of the largest manufacturers of surgical supplies in the United States. The plant in San Angelo specializes in making surgical sutures, used for sewing up surgical and other wounds. The massive plant was built mainly underground, which officials say contributes to the security of the building as well as to ease in meeting sanitation standards.

Mayor Lee urged all citizens of Bronte to do everything possible to make the second visit of Ethicon employees a pleasant experience. "It is an honor to our city to have these folks want to spend the day with us. We want them to have a good time, and we want to do everything we can to make them want to come back to see us," he added.

FIREMEN ELECT OFFICERS

At the regular meeting of the Bronte Volunteer Fire Department on Sept. 26, officers for next year, beginning Oct. 1, were elected. All officers who served the past year were elected for another term, including:

Fire Chief Vernon Jackson, Fire Marshall B. J. Luckett, President Elmer Hurley, treasurer C. E. Bruton, secretary A. S. Masterson, and Manuel Reyes Sr. and Horace Grigg are assistant fire chiefs.

A new portable fire extinguisher to replace an old worn-out one on the booster truck was ordered.

To Have Light Bulb Sale
Plans were made for the annual light bulb sale, which the firemen will conduct next Thursday, Oct. 10.

veiled the bust of Robert E. Lee and Mrs. Bryan dedicated the marker. Her husband, Mayor Wilson Bryan, responded. A copy of the book, "Freedom," was presented to both the Boy Scouts and Girl Scouts who helped with the program. They were given by the Coke County Heritage Association.

Mr. and Mrs. W. D. McAdams, donors of the bust, were recognized and thanked for their donation.

Following the program at the courthouse, the crowd went on a tour to Hayrick and Fort Chadbourne Cemeteries where Sterling Lindsey dedicated historical markers.

Putting-you-firsts:

(A quick tour of some of the thoughtful new features the 1969 Chevrolets offer that other cars in Chevrolet's field don't.)

Headlight washers

You push the windshield washer knob and hold it, and your headlights come clean.

Fluid is diverted to two jet nozzles at each light lens. (Outer lights only on duals.)

The spray removes up to 80% of accumulated dirt.

The feature is standard on 1969 Corvettes. It comes with the hidden headlights available on Camaro, Caprice and Kingswood Estate Wagons. It is available on all other models except Corvair.

Heated glass

In a moment your rear win-dow will self-defrost.

Because we've built onto it a network of tiny ceramic strips capable of heating the entire sur-face.

Fog and frost disappear quickly and quietly. You just flick a switch.

The heated rear window is available on the 1969 Caprice Coupe and Impala Custom Coupe.

Pushbutton tire chains

You press a button on the instrument panel and the rear tires get a shot of "liquid tire chain."

You spin your wheels once, wait a moment, and you're off—with traction you wouldn't be-lieve possible on slick ice, or packed snow.

Available on all 1969 big Chevrolets.

Steering wheel lock

When you own a car as de-sirable as the 1969 Chevrolet, you don't take chances.

When you leave it, you lock it. Not just the doors.

You lock the ignition, steer-ing wheel and transmission lever, too.

Our new lock on the steering column takes care of all that.

Standard on all 1969 Chev-rols, Chevelles, Chevy Novas, Camaros and Corvettes.

Sorry, car thieves.

Power steering plus

The 1969 Caprice, Impala and Camaro are available with a new type of power steering.

Variable-ratio power steering.

What it does is give you faster steering with fewer turns of the wheel.

Variable-ratio power steering is particularly helpful in short, full turns.

And parking becomes un-believably easy. You'll see.

Walk-in wagons

The tailgate swings open like a door on most of our 1969 station wagons.

Which in itself is no big deal.

But wait, there's more.

We've built a concealed step into the rear bumper.

You simply step up, over, and in.

(The way we build our wagons, you can do it without bumping your head, and without acrobatics.)

Walk into a wagon soon at your Chevrolet dealer's.

'69 Impala Custom Coupe

Putting you first, keeps us first.

Pioneers Enjoy Reception Held Last Wednesday

Historical Appreciation Week, held in Coke County last week, was a big success, according to members of Coke County Historical Survey Committee, sponsors of the observance.

The reception for pioneers held last Wednesday, and the special concluding program held Sunday afternoon were particularly impressive, said Mrs. Bryan Yarbrough, president of CCHSC.

Mrs. Fay C. Roe and Mrs. C. E. Arrott, committee members, were co-chairman for the social which was held in the conference room at the courthouse. Several employees of the county and Mrs. Yarbrough assisted in receiving and visited with the honored guests during the affair.

Will Millican, 91, was the oldest person present at the tea. He was also the one who had lived in Coke County the longest. He was born in 1877 in Meridian, Bosque County, and came to Coke County in 1890. Millican is a long time rancher in the western part of the county, and owns 1140 acres in his old home place and 480 acres where the Pecan Church is located.

Also present was Claude Parker of San Angelo who was born in Coke County in 1896. He attended school at Valley View and was a student in the first school taught by Mrs. Yarbrough in 1909 and 1910.

Three of Parker's grandparents were in Texas while it was still a part of Mexico.

Another area pioneer present was Eugene Brooks who was born in Mississippi in 1888 and came to Coke County in 1902. He remained here four years, went back to Mississippi and returned here in 1910 to become a permanent resident. Brooks attended Mt. Margaret School and had some interesting recollections about the early years in Coke County. Mrs. Brooks also is a pioneer, coming to Coke County in 1889. Her father, Ben Anderson, was a Texas Ranger and Indian fighter, and was stationed at Fort Concho before San Angelo was established.

Mrs. Henry Varnadore was also present. She is the former Grace Landers and was born in the Friendship community northwest of Robert Lee.

Others present included Alvin Counts, longtime rancher on the Divide and Mr. and Mrs. James Arrott of Tennyson.

'Horns Look Good In Loss To Rule Bobcats, 34-14

The Bronte Enterprise

October 3, 1968

Some may consider it a major defeat when the Longhorns lost to Rule last Friday night, 34-14, but others thought the local lads put up a good show. The Rule Bobcats were an experienced and smooth running outfit and may be the strongest team the Longhorns will play this season.

The Longhorn defense showed its mettle and kept the powerful Bobcats from completely dominating the game. The Rule Club has been in the habit of running roughshod over its opponents, and the Longhorns certainly never did give up, even though they did bow in defeat.

First Quarter

Charles Lott started the ball game with a kickoff to Randy Barbee on the 15. He ran it back to the 45 before the Rule defense could stop him.

Barbee gained a couple of yards and then a Bronte pass was tossed by Quarterback Keith McCutchen and it became apparent that Randy was not the only Barbee in the football game. Donnie Barbee of Rule intercepted the toss for the Rule team. Lott went through the line for a 1st down on the Rule 42.

The Longhorns held Cato Maciac for no gain, Mike Summers made 3 and Lott added 2 more, to force the Bobcats to punt. Lott got off a boomer which carried to the Bronte 10.

Barbee went for 5 on two carries and Ronald Cooper made 5 more but it was shy of a 1st by an inch. McCutchen kept to make the needed yardage on a keeper. Rule drew a 5 yard penalty, and Cooper carried twice, making a 1st on the Bobcat 33. The good drive that was going was short lived, as Rule recovered a fumble on 2nd down on the 36.

Speedster Lott went around the right side for a 1st on the Bronte 15. Summers picked up 4, and Lott then went the distance to the double stripe to make the first tally of the game. The versatile Lott kicked the extra point to make the score 7-0.

Jimmy Lisle kicked off to Manfred Thompson who was stopped on his own 39. Cooper carried for 5 and Barbee added another 3. Third down didn't pan out and Barbee kicked to Summers who was nailed on the 18 yard line by Steve Williams.

Lisle moved the ball 14 yards for a 1st down. Quarterback Kent Lefevre made a yard, Lott picked up 3 and a pass to Lisle was good for a 1st on his 49. Galendo moved the ball to the Longhorn 47 to end the first quarter.

Second Quarter

Speedy Lott went 25 yards for a 1st. Combined efforts of Otis Rolls, Tony Holland and Barbee stopped Lott after a gain of 3, and Nicky Arrott broke up a pass play. On 3rd down Thompson held Summers for no gain. However, on the 4th down try Lott went over for another TD, and then kicked the PAT to make the score 14-0.

Barbee took the kickoff on his 15 and ran it back to his 48. A loss of 2 on a double reverse and a gain of 12 on a McCutchen to Barbee pass was inches short of a 1st. McCutchen kept to make the 1st on the Rule 41. Thompson picked up 2, then McCutchen drew back and tossed a beauty which was completed by Barbee for a touchdown. Try for extras failed. Score: 14-6.

Scott's punt went to James Anderson who returned it to the Bronte 35. In spite of good defensive work by James Vaughn, Cooper and Rolls, the Bobcats moved to the 16, where Lisle took

the ball and went for another counter. Cooper stopped Lott on a try for 2 extras and the score was 20-6.

Thompson took the kick on the 10 and went back to his 40, and then streaked 19 yards for a 1st on the Rule 41. Two passes to Barbee and a run by Thompson gave the Longhorns a 1st on the Rule 24. The drive bogged down there and four plays later the ball went to Rule on their 29.

Garland Richards, Vaughn, Cooper and others put up a valiant defense but the Bobcats pushed their way to the 44 in five plays. Lisle took the ball at that point, shook off three or four tacklers and went 56 yards for another Bobcat TD. PAT try failed and the score was 20-6.

The Longhorns took the kick but had to punt just before the half.

Third Quarter

Scott's kickoff went to Anderson who was toppled on his 34 by Holland. The Bobcats pushed to the Longhorn 5, but bogged down, lost yardage and tried a 4th down field goal, which failed. The Longhorns took over on the 20.

Disaster hit on the first play, as Donny Barbee recovered a Longhorn fumble for Rule on the 24. Summers, Lott and Lisle pushed to the 6 yard line for a 1st and then the Longhorn defense tightened up and pushed the visitors back to the 8 where the Longhorns took over again. Another Longhorn fumble three plays later gave the ball back to the Bobcats on the 11.

Rule went to the 2 yard line in three plays, and Lisle carried it over for a touchdown, but a flag was down and the play was called back. Facing a 4th and 6, the Bobcats threw a pass, but it was shy of the double stripe by a yard, and the Longhorns took over, with their backs to the wall. Barbee got off a good punt from deep in the end zone which gave the ball back to Rule on their 45. Vaughn and Richards nailed QB Lefevre for a 2 yard loss on a pass try and Robert Graves and other Longhorns stopped Summers for a gain of 1. A pass to Lisle, however, was good for a 1st on the Bronte 44 just before the quarter ended.

Fourth Quarter

Lott went to the 33 for a 1st, then Scott stopped Lefevre after a gain of 1, on the 32. Evidently Lisle thought this was good field position, as he took the ball and went for another Bobcat score. Try for extras failed, leaving the scoreboard reading 32-6.

The Longhorns couldn't go after they received the kickoff, and Barbee punted to the 34. A 15 yard penalty moved it to the 48. Lisle and Summer made enough yardage for a 1st on the Bronte 40 and the next play gave the ball to the Longhorns as Willie Zuniga recovered a fumble on the 40.

A long pass was intercepted by Lott who ran for good yardage. A clipping penalty moved it back to the Rule 38 and a 5 yarder to the 33. The Bobcats couldn't make their first down, but they made up for it on the punt as Lott booted the ball to the Bronte 1 yard line. On the first play the Bobcats backed the Longhorns into the end zone for a safety and 2 points, making the score 34-6.

The Longhorns got a free kick after the safety, and after Barbee's kick Rule had the ball on their 34. A 4th down pass try was intercepted by McCutchen on the Bobcat 43 and the Longhorns took over. Officials called pass interference against Rule on their 29,

giving Bronte a 1st. McCutchen ran to the 19 for a 1st, and then tossed a pass to Barbee on the 2. After two incomplete passes and getting pushed back to the 15 yard line, McCutchen fired an aerial to Zuniga in the end zone for Bronte's second tally of the night. Barbee went around right end for 2 extras, and the score was 34-14.

Scott's kick was fumbled and recovered by Barrett on the Rule 38 and the Longhorns pushed to the 14 before Bill Jones intercepted a Longhorn pass for Rule. The clock was running out and the ball game was over. Score: 34-14.

Mrs. Joe Carter was dismissed from Bronte Hospital Monday after being hospitalized in San Angelo and Bronte since late July.

They include freshman students Douglas McCutchen, Brian Richards, Robert Gallaway, Davis Corley, Ann Cervenka, Linda Cumbie and David Glenn. McCutchen, Richards and Corley are an football scholarships; Gallaway plans a pre-dental course and Glenn is on an academic scholarship with a geophysics major. Maria Rees is also attending Tech. She is a senior business major.

Don Hageman and Charles Masterson are both at Texas A&M University at College Station.

AD-LIBBEN — Continued from Page 1

In fact, we'd like to see some of them move to Bronte, where they could drive to work in a short 30 minutes without fighting traffic most of the way. We have much to offer them.

Both are freshmen, have academic scholarships and are planning math majors.

At least six Bronte students are on the campus of Baylor University at Waco. Three freshmen students are Keith Morris, Dorothy Ruth Martin and Marvin Thompson. Miss Martin will study elementary education and Thompson begins study for the ministry. Also at Baylor are Ronald Hooper, who is studying for the ministry and is a junior; Ronnie Lee, senior student in business and Bill Green, former Bronte English teacher, who is in graduate school.

Attending the University of Texas at Austin are Royce L. Lee, junior; Ann Harris, senior; Wayne Carlton, junior and Vic Glenn, who is doing graduate work.

Angelo State College also claims a sizeable group of Bronte students, including Doak Snead, Sherrilyn Reilly and Beth Ivey, freshmen; Charles McGuire and Lillian Strickland sophomores; and Gary Don Allen, junior.

Others include Mike McKown, senior student at East Texas

State at Commerce; Gary Stroebel, sophomore at Texas Lutheran College at Seguin; Margi Oglesby, senior English major at Trinity University in San Antonio; Victor Brock, freshman at Howard Payne College in Brownwood; Ida Lee Parker, senior music major at Hardin-Simmons University in Brownwood; and Bob Bell, freshman industrial arts student at North Texas State University in Denton.

BACK FROM SERVICE

Alvaro Martinez has returned from two years army service. He will remain in the Army Reserve for some time. He is the son of Mr. and Mrs. Antonio Martinez of Bronte.

Clyde Lee was admitted Monday to Clinic Hospital in San Angelo for medical treatment and tests.
