### Chapter Conducting Team First in Area

The junior chapter conducting team of the Bronte High School Future Farmers of America Chapter took top honors at the Area 2 leadership contest held Saturday in Lubbock.

A total of seven teams, all winners of their district contests, were in the competition.

The win in area competition qualifies the Bronte team to represent Area 2 in the state contest which will be held Dec. 14 at Sam Houston State College in Huntsville. The 10 areas of Texas will be represented in the state contest.

Vocational agriculture teacher J. T. Henry, who coaches the team, said their score was an excellent 918 points out of a possible 1,000. Brownfield came in second with 895. The other teams in the contest were 3. Snyder; 4. Leu-

ders-Avoca; 5. Odessa; 6. Iraan; 7. Dell City.

Members of the team and their positions on the team are: president, Bobby Skelton; vice president, Lynn Lawhon; sentinel, Rance Brunson; reporter, Bruce Pruitt; treasurer, Mike Arrott; secretary, Matt Caperton.

The Bronte team placed first in the district contest which was held Nov. 14 in Eldorado with a 927 out of 1,000. Their score was 111 points above their closest opposition.

### Basketball Notes

Basketball season started in Bronte Monday night when Miles came here for three games between elementary school teams.

The Bronte youngsters won all three games with lopsided scores.

First game on the deck was between sixth grade boys. Final score was 33.7 in favor of the local lads.

The junior high girls was the closest game of the three, but the Bronte lassies took it 17-10.

The junior high boys game wound up with the Bronte boys on the long end of a 30.8 score.

Both high school boys and girls teams and boys B team were scheduled to play in Highland Tuesday night.

### Longhorn Band Rates Excellent; Twirlers Tops, Too

Bronte High School's Longhorn Band received a II rating at the UIL marching contest held last Saturday in Odessa. In addition to this high rating, five Bronte twirlers performed and four of them received a I rating while the other one received a II.

The band was under direction of Louis Thornton.

School officials explained that a I rating means superior, while a II rating means excellent.

Girls who received a I rating for their twirling were Norma Pruitt, Susan Cumbie, Melissa Lee and Sallie Richards. Brendi Glasscock received a II.

Most of Bronte's business community will close Thursday in observance of Thanksgiving. Some business firms will remain open to serve holiday travelers and local shoppers, but for the most part the business district will be quiet.

In addition to business firms, the city hall and post office will be closed, and county offices in Robert Lee will be shut down for the day.

### Special Thanksgiving Service

A community-wide Thanksgiving service is planned for Wednesday night (tonight) at 7 p.m. in First United Methodist Church in Bronte. The service will be sponsored by Central Baptist Church, First Baptist Church and the host church.

The Rev. Harry Morris, pastor of First Baptist Church, will deliver the Thanksgiving sermon.

### OPEN HOUSE SATURDAY AT MARGARET'S FLOWERS

Margaret's Flowers & Gifts will have an open house Saturday from 8:30 a.m. until 5 p.m. to show the firm's large stock of Christmas decorations and gift items.

Mrs. J. L. Brunson, owner of the flower shop, has issued an invitation to everyone to come by and view the creations which will be on display. Special attention will be given Christmas centerpieces and door decorations.

Free refreshments, gifts and door prizes are also being advertised for the day of the open house.

Mrs. Brunson has an ad in this issue of The Enterprise announcing the special event.

Bronte Youth Choir will sing several songs, under the direction of Louis Thornton, local band director and Methodist choir director.

The Rev. Austin Masterson, Methodist pastor, said that everyone in the area is invited and urged to attend the Thanksgiving service.

### School Out Wednesday

School will be dismissed Wednesday and students will not have to report back to classes until Monday, Dec. 2.

It is expected that most Bronte residents will spend the day in family gatherings, either at their homes here or away.

Christmas is the next holiday on the calendar, and it is less than a month away. West Texas Utilities Co. employees put up Bronte's Christmas lights Monday, so residents can look forward to going immediately from the Thanksgiving season into Christmas festivities.

### A. C. Dyess Injured In Auto Accident

A. C. Dyess, 56, of Bronte was seriously injured last Wednesday about 6:25 p.m. in a two-vehicle accident about three miles south of here.

Dyess was hospitalized in Shannon Hospital in San Angelo suffering from head injuries and multiple lacerations.

He was driving a pickup which was in collision with an auto driven by Robert Keith, 30, of San Angelo. Keith was treated for minor injuries at Bronte Hospital and released.

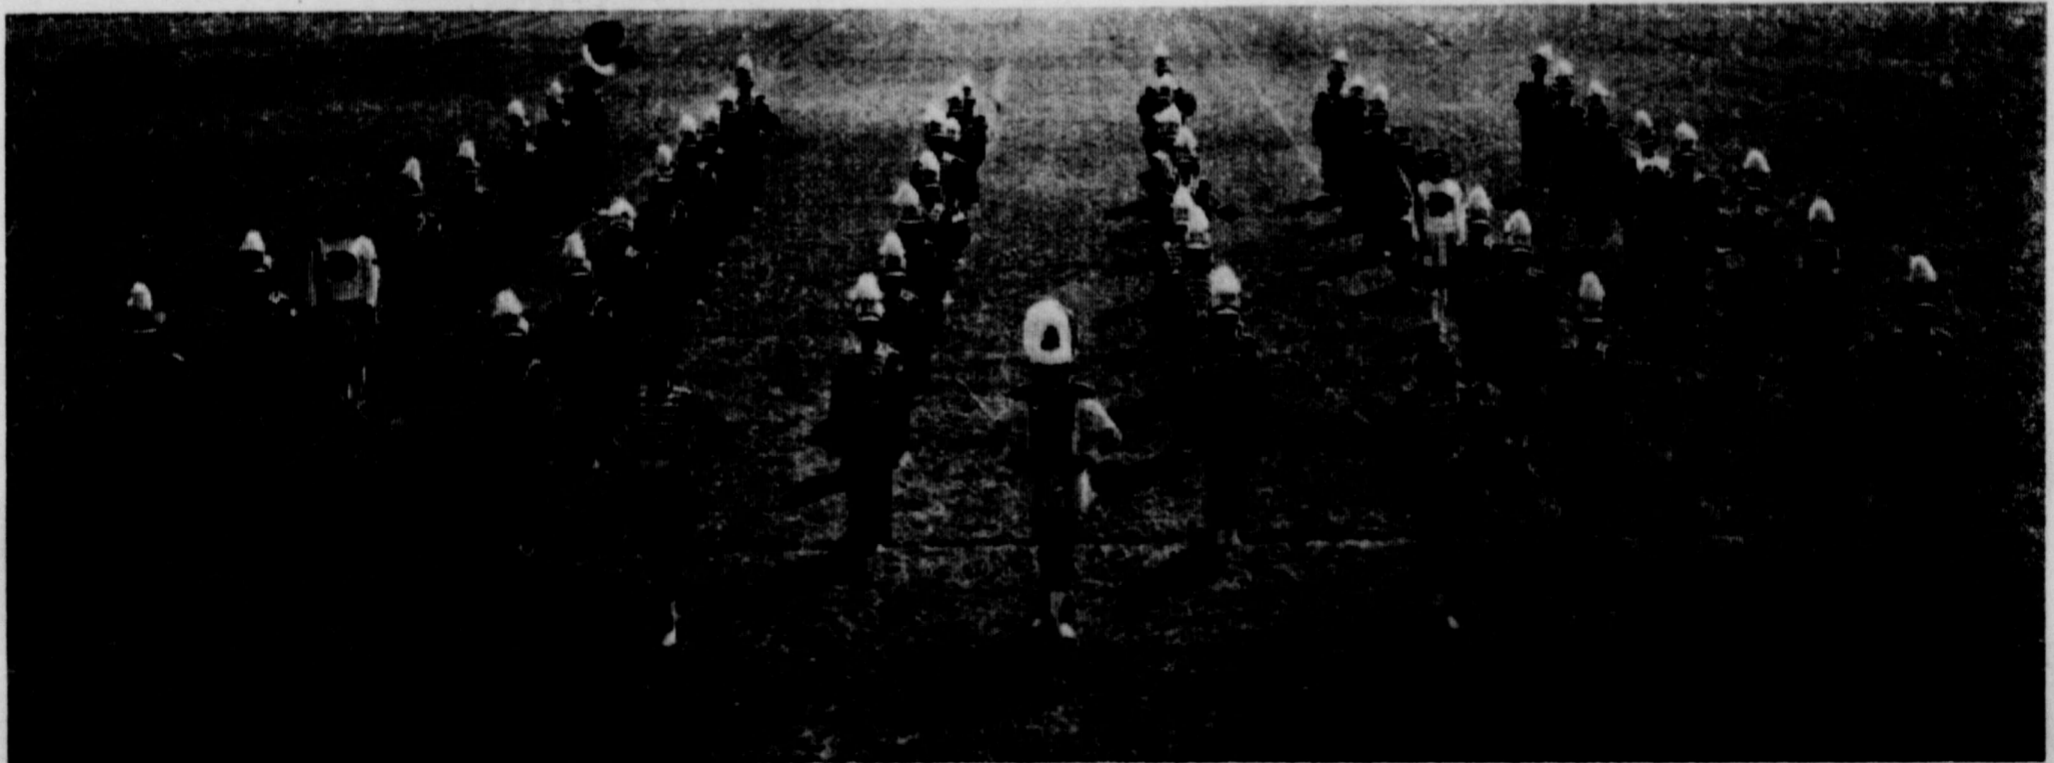

Bronte Highway Patrolman Robert Sanders said the pickup went off the roadway, crossed a ditch and overturned twice, throwing Dyess from the vehicle.

## "Distinguished" Award Presented To Coke County

AUSTIN — Coke County was one of the 29 of Texas' 254 county historical survey committees that qualified for the 1968 Distinguished Service Awards presented by the Texas State Historical Survey Committee and its private affiliate, the Texas Historical Foundation.

Mrs. Bryan Yarbrough of Robert Lee is committee chairman for Coke County.

The announcement was made by Charles R. Woodburn, committee president.

"Distinguished Service Awards are the highest official recognition and commendation of county historical survey committees by the State of Texas," Woodburn said.

"These awards are presented to county committees which have accomplished state goals for the historical recordation, appreciation, marking, preservation and surveys of Texas history. The work is embodied in the Survey Committee's 5-year program, RAMPS."

The exacting requirements for qualifying as a DSA county include:

- \*Sponsoring a minimum of four approved official Texas historical markers;

- \*Presenting a minimum of six programs to business and civic groups concerning the RAMPS program;

- \*Observing at least four public dedications of official Texas historical markers;

- \*Sponsoring or participating in two or more historical tours in the county;

- \*Providing material for distribution to the traveling public concerning the county's historic, recreational and scenic attractions;

- \*Observing one or more historical appreciation events; and

- \*Conducting or completion of one of the following historical preservation projects — museum, restoration, written history, living history or archives.

## Homemaker Test To Be Given Here

Local high school senior girls will take a unique test Dec. 3 — one on homemaking, the only one of its type exclusively designed for girls at that educational level.

This written knowledge and attitude test on all facets of homemaking will be given simultaneously that day to more than half a million girls representing 15,000 high schools in the nation.

Scholarships to colleges of their choice will be awarded to both state and national winners. The highest ranking girl in each state will receive a \$1,500 scholarship and a chance to win one of four national scholarships. These range from \$5,000 for the girl chosen Betty Crocker All-American Home maker of Tomorrow to \$4,000, \$3,000 and \$2,000 respectively for second, third and fourth place winners.

Climax of this national homemaking test will be an expense paid tour next spring of Colonial Williamsburg, Va., and Washington, D. C., for each state winner and her school advisor. Winners of the national scholarships will be selected and announced at a dinner in Williamsburg upon conclusion of the tour.

This scholarship competition is on the approved list of national contests and activities of the National Association of Secondary-School Principals. It is sponsored locally by Mrs. Royce Fancher, homemaking teacher.

## A Daily Prayer For The Game of Life

Dear God:

Help me to be a sport in this little game of life. I don't ask for any easy place in the line-up; play me anywhere You need me.

I only ask for the stuff to give You one hundred per cent of what I've got. If all the hard drives seem to come my way, I thank You for the compliment. Help me to remember that You won't ever let anything come my way that You and I together can't handle.

And help me to take the bad break as part of the game. Help me to understand that the game is full of knocks and trouble, and make me thankful for them. Help me to be brave so that the harder they come the better I like it.

And, O God, help me always to play on the square. No matter what the other players do, help me to come clean. Help me to study the Book so that I'll know the rules, and to study and think a lot about "the Greatest Player" that ever lived, and other players who are portrayed in the Book. If they found out that the best part of the game was helping other guys who were out of luck, help me to find it out too. Help me to be regular, and also an inspiration to the other players.

Finally, O God, if fate seems to deal me an uppercut with both hands, and I'm laid on the shelf in sickness or old age or something, help me to take that as part of the game, too. Help me not to whimper or squeal that the game was a frameup or that I got a raw deal. When, in the falling dusk I get the final bell, I ask for no lying complimentary tombstones. I'd only like to know that You feel that I've been a good, game guy—a star in the game of life.

# Longhorns Down Hawley In Final Game Of Year

The Bronte Longhorns exhibited a lot of restraint last Friday night when they held their score over the Hawley Bearcats down to 51-0. Without a doubt the Horns could have made at least three more touchdowns, but instead tried field goals.

## First Quarter

Hawley won the toss and received Willie Zuniga's opening kickoff. James Newbury took it on his 20 and was downed on the 30. On 2nd down Keith McCutchen intercepted a pass on the Hawley 46. A pass to Ronald Cooper went to the 27, then Cooper went to the 13 on a run. Manfred Thompson then went around left end for the first touchdown of the night. Thompson also made 2 extras and the score was 8-0 with 10:22 left on the clock.

Zuniga's kick went out and he had to try it again. Doug Vinson took it and was downed on the 15. The Hawley lads made a 1st on their 25. A penalty moved the ball back to the 20 and then Cooper intercepted a pass on the 34. A penalty moved the ball back to the 29. Nicky Arrott went for 14 yards, then Cooper made a nice run, but Bronte was penalized 15 yards, giving them a 2nd down on the Hawley 48. Randy Barbee took a McCutchen pass for a 22 yard gainer, then Arrott moved to the Hawley 19 for a 1st. Thompson made 4, then McCutchen went through the middle to the 3 yard line. Arrott went through the middle for the counter and Cooper added 2 extras to make the score 16-0.

The Bearcats pushed to the Bronte 47, but penalties forced them to give up the ball to the Longhorns on their 35.

Cooper went for a 1st on the 17, then Hawley recovered a Bronte fumble on their own 19. The Bearcats couldn't put together a drive and Bronte took over on their 25. Arrott gained 5 before the first

quarter ended.

## Second Quarter

The first play of the second period saw Arrott take a handoff from McCutchen and then hand off to Thompson, who went all the way to the double stripe. Try for extras failed and the score was 22-0.

After taking Zuniga's kick, the Bearcats operated from the 25. Cooper intercepted a pass but a penalty nullified the play to give them another chance. Failing to make the needed yardage, the Hawley team punted to Arrott on the Bronte 40 and he went down on the Hawley 33. This possession by the Horns was short lived, as Van Owen recovered a fumble on the 33.

Vinson did most of the ball carrying and, with the help of a 15 yarder against the Horns, moved the ball to the Bronte 9. However, the Bearcats were pushed back to the Bronte 14 by the time they made their 4th down effort and the Bronte lads took over.

Arrott went for a 1st on the 24. The next play saw Thompson take the ball on a reverse play and run up the left side line for the 4th Bronte counter. McCutchen looked for a pass receiver on the try for extra points, but had to run it over. Score: 30-0.

Vinson took Zuniga's kick on the 5 and traveled back to the 29. A pass to Kenneth Brown gave the Bearcats a 1st on the 50, then Bronte recovered a fumble on their 44.

Cooper traveled 16 yards to the Hawley 40. Arrott went to the 15 for another 1st, and then for another on the 4. McCutchen tossed the ball to Barbee for the touchdown. A PAT kick was blocked and the score was 36-0.

There was time for Zuniga to kick and for the Bearcats to run three plays before the half ended with the score 36-0.

## Third Quarter

Prentice Westbrook kicked off for Hawley to start the second half of the ball game. Arrott took it and was tackled on the Bearcat 48. Arrott then carried 30 yards to the 18, but a penalty nullified the effort. McCutchen then tossed a pass to Zuniga for a 1st on the 35. A second aerial went to Cooper who fought his way to the 1 yard line. Cooper then carried

over for the TD. Scott's kick was good and the score was 43-0.

Newbury took Zuniga's kick in the end zone and ran to the 18. Vinson almost got loose but was pulled down on the Bronte 34. A couple more tries gave the Hawley lads a 1st on the 21 and a penalty against Bronte moved the ball to the 14 and after a few more penalties the local lads got the ball again on their 10.

Cooper carried three times for a 36 yard total. A pass to Zuniga moved the ball to the Hawley 24. Arrott sailed down to the 7, then Scott tried a field goal. It was no good.

The Bearcats took over on the 20 and moved out to the 30, but the Longhorn defense pushed them back to the 20 on the next series of downs where the Horns took over. Zuniga tied a field goal which failed, and Hawley took over. Zuniga tried a field goal but a penalty moved the ball back to the 30. A pass try from there was intercepted by Donnie Thompson to give Bronte the ball on their 9.

## Fourth Quarter

Bronte drew a penalty to give Hawley a 1st on the 30, and the Bearcats moved out to the 45, then were set back to their 38 where it was 4th down. A penalty then gave Hawley a 1st on Bronte's 38. Vinson then ran to the 25 for a 1st but a penalty moved the ball back to the 30. A pass try from there was intercepted by Donnie Thompson to give Bronte the ball on their 9.

Jerry Graves ran 41 yards to the 50, Arrott made another 1st on the Hawley 35, and Graves ran again to the 23. Zuniga made another unsuccessful field goal try and Hawley took over on the 20.

The Bearcats made a 1st on their 30, but the next four downs gave them only minus yardage and Bronte took over on the 28. McCutchen connected with Zuniga in the end zone for another Bronte touchdown, and Cooper went over the right side for 2 extra, to make the score 51-0.

Zuniga booted his final kickoff of the night and the Bearcats got off four plays before the final whistle sounded.

**OIL NEWS**

King Resources Co., Midland, is drilling the No. 1 Copeland, a 6500-foot Ellenburger wildcat, in northeast Coke County, 10 miles northwest of Bronte and 2 1/2 miles west of the Fort Chadbourne multipay field, but separated by Ellenburger failures. It was drilling at 2,764 feet in lime early this week. Operator, Fortune Drilling Co. of San Angelo, ran 687 feet of 8 3/4 inch casing.

Location, on a 480-acre lease, is 2,173 feet from the south and 1,980 feet from the west lines of 282-1A-H&TC. Ground elevation is 2,130 feet.

The discovery, Marlowe Oil Co. No. 1 Copeland, was finalized Oct. 9, 1952, for 95 barrels of 48.5 gravity oil, plus 47 per cent water, with gas-oil ratio of 1,530-1, through a 3/4 inch choke and perforations at 6,420-40 feet, which had been acidized with 500 gallons. It became depleted last March.
